

And we can make a flower bed, no, crib for hibiscus!

She'll be the most looked after child, Buddleia promises!

Fuck, I don't believe these things...

Maybe we can have two or three? The next one must be called 'Rose', Buddleia insists! Hehe~

Can you just be quiet Buddleia? I can't concentrate when there's so much noise! What are you even talking about?!

Yes, Buddleia is sure she is 'giddy'! Buddleia never knew happiness could be so strong! We're such a good couple Jack!

Sorry, Buddleia is so... 'giddy'? Is that the right word?

Buddleia doesn't? But she thought... Can Jack explain to Buddleia what a couple is?

I- I don't know what you think we are, but we're not 'a couple' Buddleia. I don't think you know what the term means.

\*thump\* \*thump\*

'A couple' is... Well... the definition is...

"Being responsible"?

... it means different things to different people. Being a couple is about trust, being responsible and...

Never been in a serious relationship in his life. Just using buzzwords.

Then Buddleia shall be responsible when she knows what that is!

NOooo! Not my leaves again!

!!

\*splurt!\*

W-why are you so- When are those leaves going to grow for a new bra anyway?

Buddleia and I had to backtrack. To avoid that guard, and anyone else for that matter, we took an alternate route through the fields near Townton. I had Buddleia walk behind me, not due to scent direction but-

Buddleia doesn't know. Maybe it is for the baby? Buddleia is also-

Well I'd take leaf humiliation over carrying these out in the open. You said these should shrink when the water left me right? It's like my body keeps producing more!

There is no baby! Great, here come the butterflies again...

B-BUDDLEIA?!

Jack, look at this!

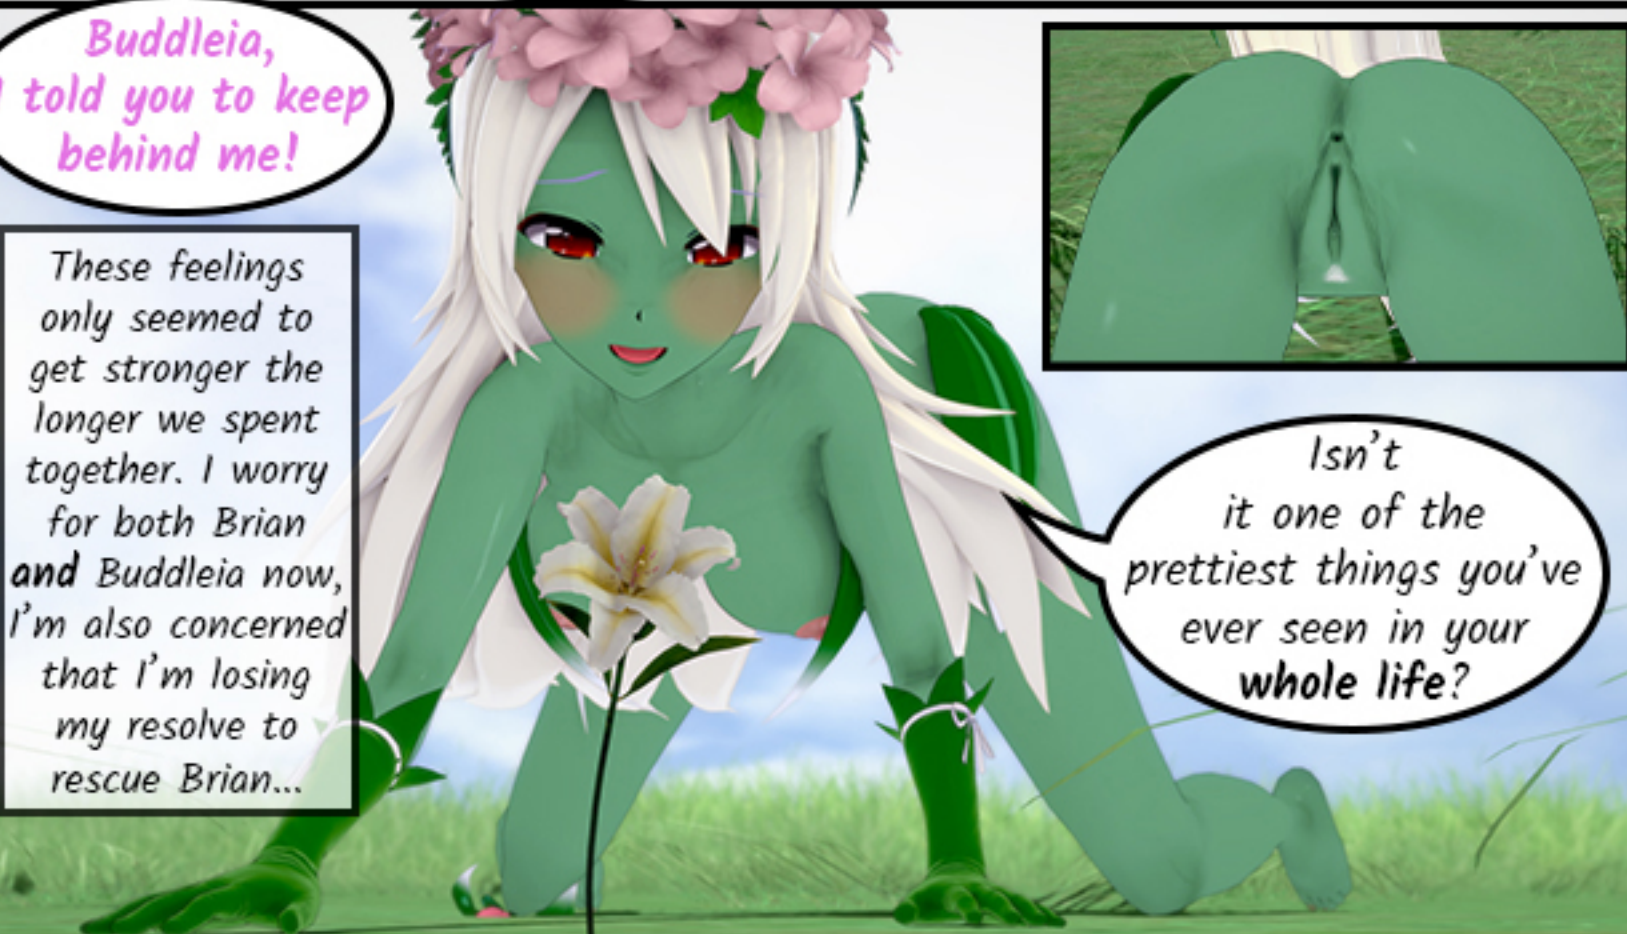

Because I couldn't think of anything but her. She suddenly went from an attractive annoyance to... something more anyway.

Buddleia, I told you to keep behind me!

These feelings only seemed to get stronger the longer we spent together. I worry for both Brian and Buddleia now, I'm also concerned that I'm losing my resolve to rescue Brian...

Isn't it one of the prettiest things you've ever seen in your whole life?

After some uneventful travelling...

This field is also pretty, Buddleia is proud that she made it!

Ugh... Yeah, that's great Buddleia.

Back here, where I was originally looking for Brian... Ugh... My back is aching and I feel that nausea again... my breasts are pouring... I feel awful...

\*Kick\*

Jack, what is wrong?

\*URP\*

Urghhh... My stomach feels weird... I'll be okay Buddleia.

Stomach cramps and twitching too? The encyclopedia has been useless, there was nothing about what I'm experiencing...

How is that child, feel better?

Yeah... this is nice...

This is so soothing... I would stop her but... she's the only remedy for the nausea.

Um... Can Jack please tell Buddleia how to 'being responsible'?

Will Jack allow Buddleia to kiss him? She really wants to...

Buddleia doesn't want Jack or Hibiscus to feel bad. She can empty all the nectar out if Jack wants...

\*squirt\*

Buddleia doesn't want to be a couple, well she does, but what she wants is Jack!

It's 'be responsible'. But why Buddleia? Why are you so adamant on us being together?

\*blush\*

That was almost as embarrassing to say as talking about Buddleia's leaves...

Buddleia... loves me? She doesn't understand that it's impossible in so many ways...

OH MY GOD!

Please?  
Buddleia really  
wants to...

Buddleia,  
I can't. WE can't, it's  
just... I would if  
only...

THAT'S A MONSTER!

No kissing  
Jack? Buddleia knew  
it.

Buddleia,  
come on, help me  
find a hiding  
spot!

We'll return to  
the topic later, I  
promise!

Where did  
that come  
from? Did they  
see Buddleia?

We need to hide  
somewhere!

I can't  
understand  
how Buddleia  
is affecting my  
body... how did  
she stop-

Speaking  
of 'small' I was  
banking on these  
shrinking when the  
nectar flow stopped,  
which it has. For  
now. They still  
feel full...

\*Sigh\*  
A log at the  
side of the field.  
Got to count  
those small  
blessings,  
right?

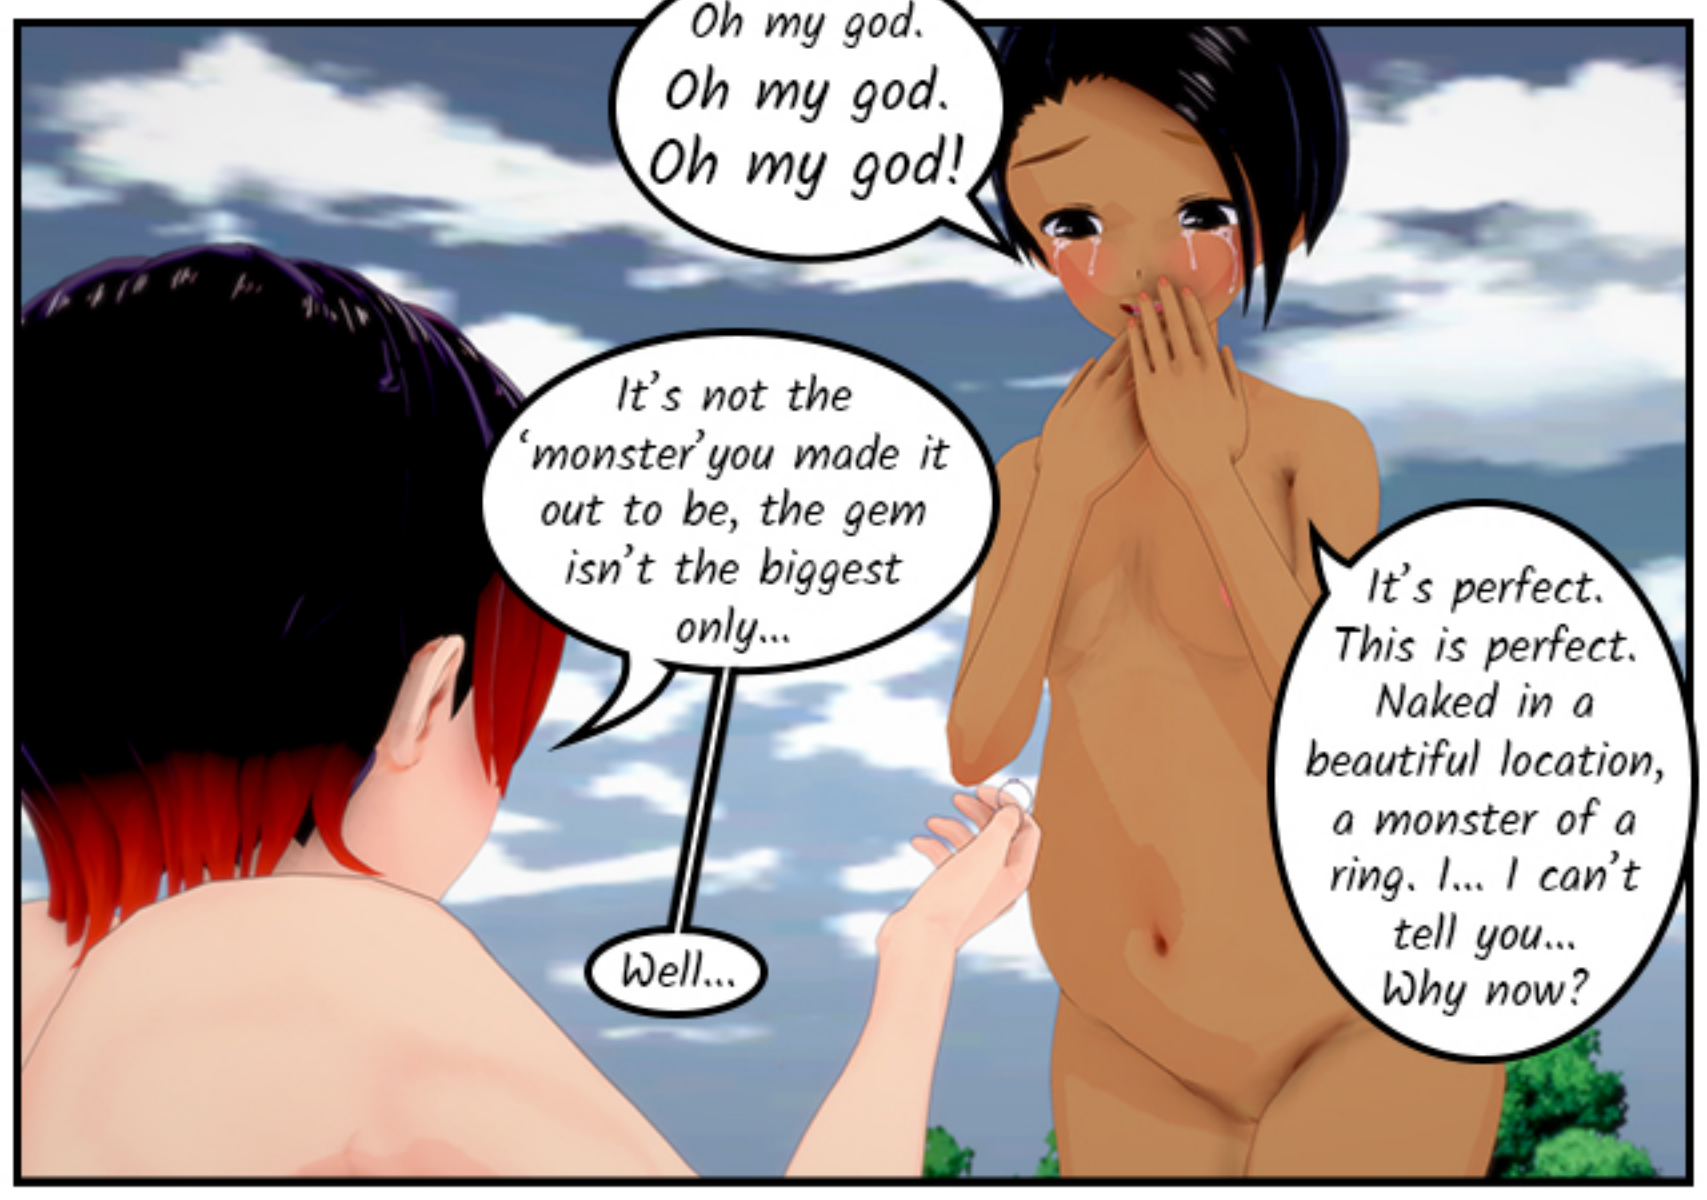

Keep your head down, I don't want them spotting us back. Let's try and find out why they're here...

Jack! Buddleia has spotted two people!

Hopefully not for Buddleia. The whole reason me and Brian made the mistake of coming out here was because of Alraune. It's not a stretch to think others may be hunting them. I wonder if we've been reported missing?

Oh my god.  
Oh my god.  
Oh my god!

It's not the 'monster' you made it out to be, the gem isn't the biggest only...

Well...

It's perfect. This is perfect. Naked in a beautiful location, a monster of a ring. I... I can't tell you... Why now?

*\*Gasp!\**  
He put a baby...

I know I'm not a conventional sorta guy, but I put a baby in you, so...

... and wants to be responsible?

... I want to be responsible and be there for you and the kid...

Erm... Jack, Buddleia was wondering... what is that man doing?

Wedding... bells? He's proposing, but what? Buddleia is confused.

He's proposing Buddleia, it looks like she'll say yes too so wedding bells are in their future. Why out here and naked though... he really isn't conventional.

Marriage, it's when two people pledge themselves pretty much eternally to one another.

Hmmm...

*\*GRIP\**

*\*SNAP\**

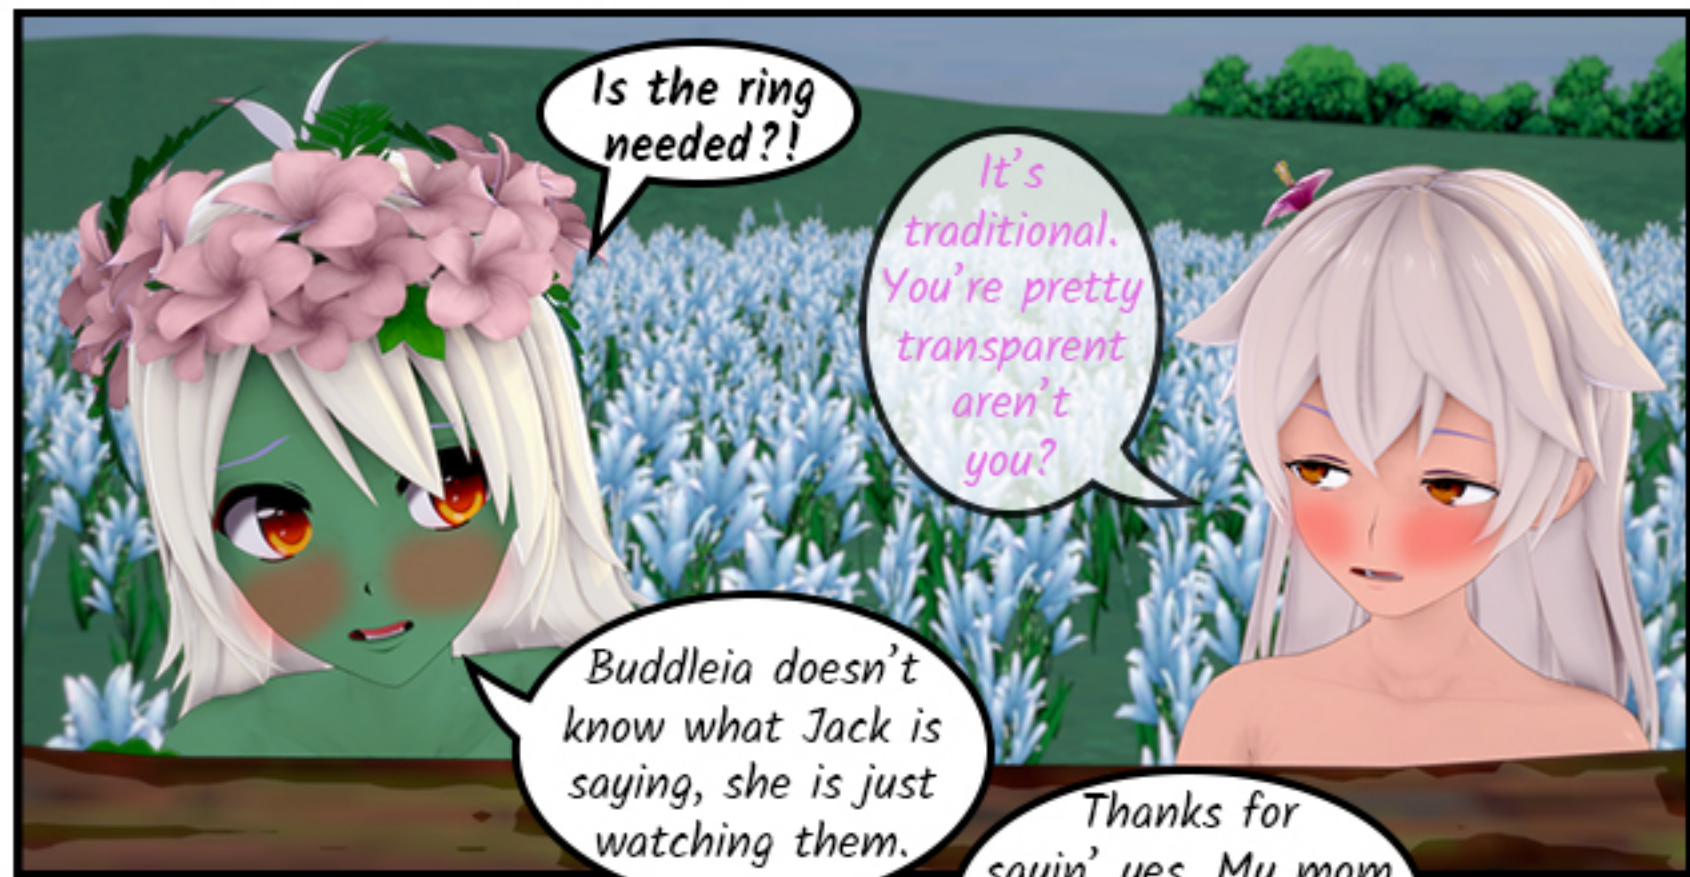

You idiot.  
I'm glad you brought the ring or I'd think this was a joke!

Did you say 'yes' or do I have to return the ring?

Is the ring needed?!

It's traditional. You're pretty transparent aren't you?

Buddleia doesn't know what Jack is saying, she is just watching them.

Thanks for sayin' yes. My mom would've killed me if you said no.

I noticed your boner. If you're taking responsibility then so am I. It is me who gave you it right?

That's really smooth, grab my hand you dolt.

And after this?  
We'll try and find an Alraune.  
We need money for the  
wedding.

Crap.  
I worried about  
this. Someone might've  
reported us missing, who  
though? That shithead  
farmer? Or are they  
only looking for the  
'Creo'?

AAAAAHHhhhhh~

This is also  
part of  
'responsibility'?

Get comfortable  
Buddleia, we'll wait  
here for a while and  
then we'll go when  
it's safe.

Urgh, that's  
a waste of time I could  
do without. It's too risky,  
I'll wait for them to be  
done and then we'll  
make our move. Weird, I'm  
sure I know them from  
somewhere...

Uh-huh...  
Taking responsibility...

A couple hours later...

Ah YES!  
GIVE IT TO  
ME!

They're still  
going?! What the  
hell is it with those two?  
Buddleia, sit down, I  
don't want them  
influencing you!

...

A few hours more...

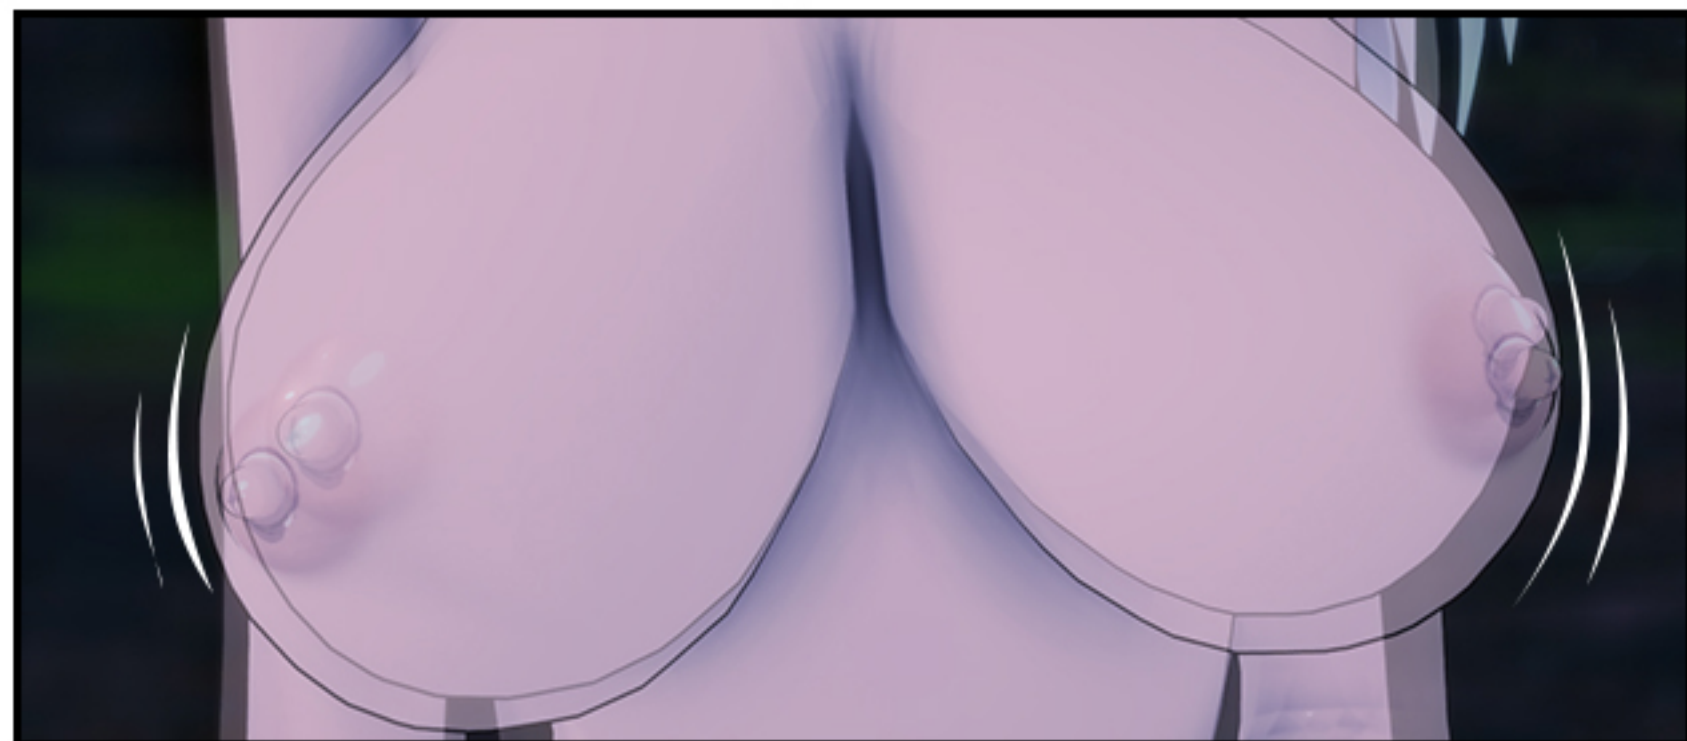

Ah!

Ah!

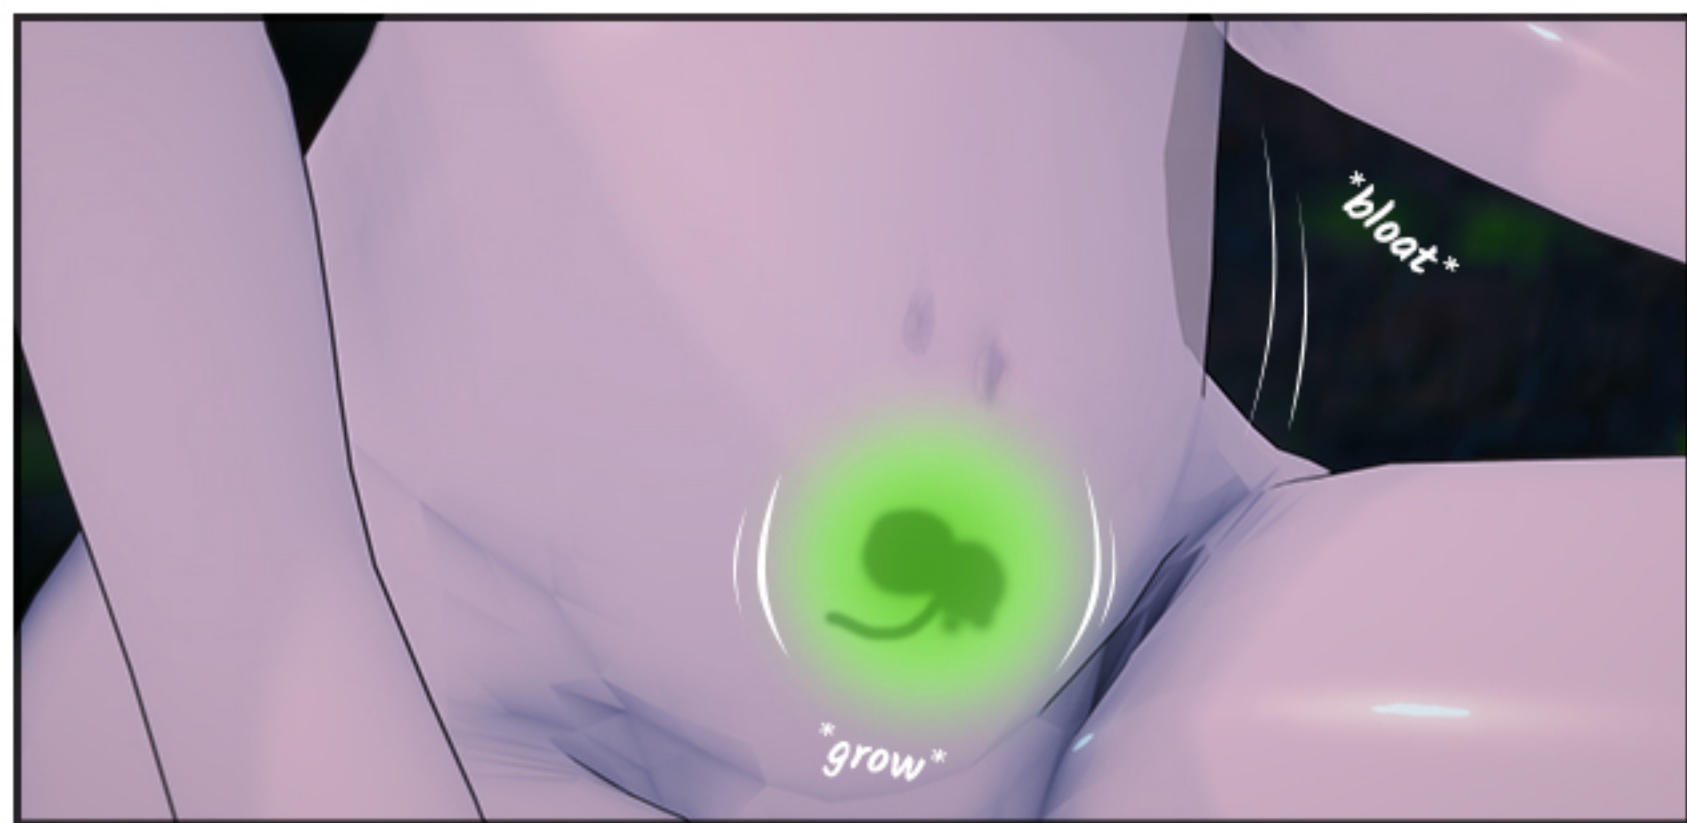

Jack...

...

Somewhere in fiction...

This is a dream.  
Has to be, no way I'm  
this popular in the real  
world.

Jack?  
What is the  
matter? Are you not  
well again?

Buddleia?  
It's a faux pa to talk  
about a woman when one's  
currently on your  
crotch ya know?

Buddleia....

Buddleia wants  
to be together  
with Jack forever,  
doesn't Jack?

Buddleia?  
No, I'm okay...

Then what is  
troubling you? Isn't  
Buddleia pretty or loyal  
enough?

I don't want  
you to go either...  
But Brian...

After all  
Buddleia did, Jack  
wants her gone. She  
saved Jack from losing  
himself! I don't want  
to leave you!

I'll admit, it was a bit dumb of me to after the 'Creo' without backup, but you wouldn't party up. Not that I'm blaming you. Turned out you were right and now I've pulled you into my fate, sorry man.

Crying like a child again? Man, you're not giving up on me are you?

Brian...

Heh, you know I'm no good at this sorta thing. Always left the big problems to you... Glad I make such a cute Alraune though.

I'm not giving up, it's just-you and Buddleia. How do I save the both of you?!

I need to tell you something Brian, while I still can. You were always a brother to me, never a fuck-up.

Haha, I- \*Sniff\* know you did.

Maybe you should hold on to some hankerchiefs, try not to lose them as soon as you get your hands on them.

No worries man, I know what I was like you oversensitive crybaby. Avoid drownin' me in your tears, would ya?

Brian...

Jack. One bit of info I can give; whatever you choose, as long as I can be with you, that's fine by me. Whether it's me as me or me as Buddleia. Life sucked before you.

You'll always kind of be seein' me. If it's me or Buddleia I'll live on as long as you remember me. Ech, we're getting way too sentimental. I'll catch you later bro.

Enough with this mushy crap; you know I'm no good with it. I'm sick of having your cock in my face too.

Yeah Brian, \*sniff\* I'll be seeing you...

Will I see you again Brian?

Huh, I guess my counterpart does want your thing in her face though...

My dick feels  
wet and warm...  
what-

Uhhh...  
morning already?  
Shit, we must've  
fallen aslee-  
Huh?

*\*SUUCCCKK\**

*\*SHLURPPP\**

Taking  
responsibility!

Buddleia,  
What do you think  
you are doing?!

Stop it! You know when I told told you about kissing? This is like kissing times a hundred, no a million!

Your nectar ish tashty Jack.

\*SHLURP\*

Buddleia wants Jack to be happy! Why won't Jack let Buddleia be close to him?! Do you hate Buddleia?!

No I don't! Really Buddleia! It's-

Whatever you choose, as long as I can be with you, that's fine by me.

Okay Buddleia, I'll let you take responsibility. Just be careful because I'll cum soon.

You don't have to explain to Buddleia, she knows Jack can't help but be hurtful...

You make it sound like I'm treating you. If you need to Buddleia do it, this is awkward enough already.

\*BLUSH\*

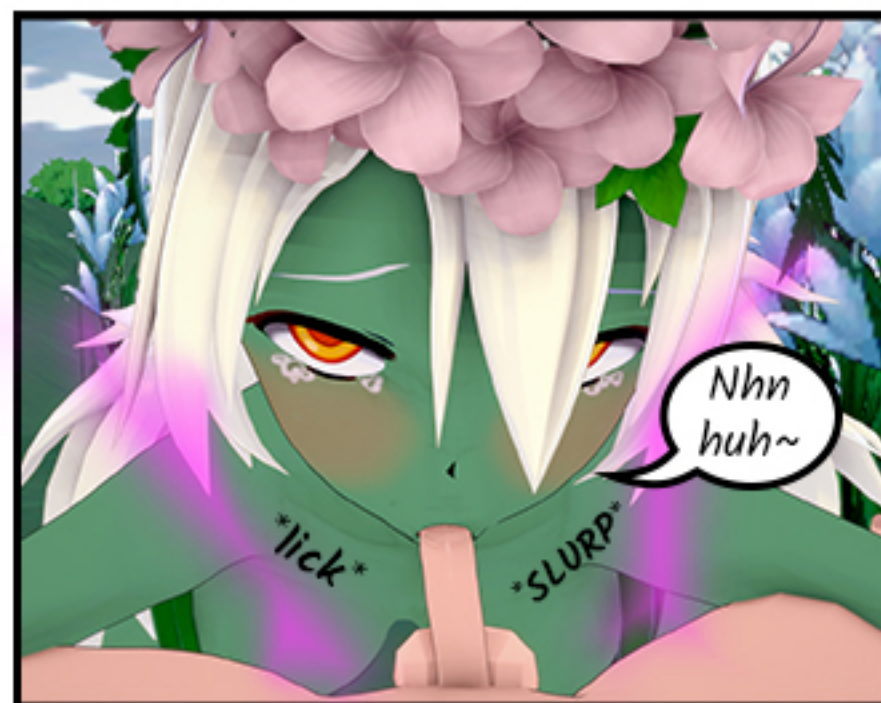

Thank-you Jack! Do you really really mean it? You're accepting Buddleia?! "Cum?"

Kaaayyyy~

\*SUUUUCCCKK\*

\*Nom\*

It's shrunk and...  
My body feels heavy...  
What-?

\*Kiss\*

\*KICK~\*

Did you hear  
that little one?  
Jack and Buddleia  
are now a couple  
now Buddleia has  
taken responsibility!  
She still needs a  
ring though...

Hmmm~  
Buddleia is  
going to make you and  
Jack so happy  
Hibiscus!

B-Buddleia...  
what the hell is  
going on with my  
body?!

B-Buddleia...  
what the hell is  
going on with my  
body?!
