

## Wrongly Accused - Part 1

Credits to the Onion News, i have used a small spoof they did on a man getting arrested because i thought it fit this story really well with a funny comedy aspect to it! If you think this story was funny, check them out!

### Introduction

“Hello, I’m Melissa Andrews with KTV Channel 4 News! We’re standing outside the courthouse where the jury is going to be announcing the verdict for 29 year old Jason Jefferson! This case has been followed nationwide for the past three weeks and is finally coming to a close!”

“For those of you just joining us, Jason Jefferson is being trialed for the Murder of Cassandra Murphy, The 26 year old hiker who was found mauled and eaten in her destroyed forest campsite! Throughout the Trial, Mr. Jefferson has proclaimed that he is innocent, stating not only was he nowhere near the park at the time she was murdered but his jaws are also not powerful enough or large enough to inflict the 10 inch wide gashes or break through human bone! He has also thoroughly stated that he was home playing xbox and did not eat Ms. Murphy’s entire right leg and lower torso!”

Earlier today, we spoke with Ms. Murphy’s father, he is absolutely heart struck, but had this to say!

### Cut to interview segment

“I took one look at that man and KNEW! He was the one who mauled and ate my daughter! I am just hoping we can lock him up today so that people can go back to camping in that bear preserve in peace”

### Cut back to reporter

“Country police were shocked at Mr. Jefferson’s innocent plea as the evidence against him is incredibly strong! He was at the time the only White man within 10 miles of the crime scene the previous day while working his job as a ranger, patrolling the grounds for injured and lost hikers! Employees had been warned to be on the look out because of the rise in bear attacks this time of year, and park owners now fear that the combination of bear attacks AND White men killing and eating women will only lower park attendance further!”

“Now, these new details are incredibly disturbing so please, if you have a weak stomach, turn away for a moment! Detectives have stated that after Mr. Jefferson finished killing and eating Ms. Murphy, He spent over twenty minutes defecating all

over the crime scene in huge piles the size of a wild animal! This has led to his nickname as the Fecal Killer!”

“The funeral for Ms. Murphy was a closed casket, but she was buried with the last photo she had ever taken! A Selfie of herself, with two baby bear cubs! You can see that photo right here! She looks like such a sweet and loving soul! Ooh, we now take you inside the courtroom where the final verdict is being delivered!

Inside the courtroom

“We find the defendant, Mr. Jake Jefferson, Guilty for the murder of Ms. Murphy” A middle aged female Asian professional said from the Juror stand. The court room erupted into clapping and cheering as the judge settled all the news and reporters down.

“We also find Mr. Jefferson guilty for the Larceny charge of Destruction to Ms. Murphy’s vehicle. Even though he has clearly stated that he is not strong enough to rip the trunk of her car off with his bare hands and that he did not chew and destroy three of the four tires”

The courtroom erupted into chatter again as the judge smacked his gavel down hard and screamed!

“Order in the court! Quiet down!” slowly the room went silent...

“PLEASE, I DIDN’T DO THIS! CHECK MY XBOX LIVE ACCOUNT! I WAS ONLINE PLAYING HA”

“SILENCE,,, NOT ANOTHER WORD” The judge yelled forcing Jake to shut up!

“I would like to bring Ms. Murphy's younger sister, Mallory, To the stand please” The judge said as the room had a hush of murmurs roll over it. Everyone watched as the young brunette got up and began walking to the stand. She sat down and cleared her throat before sniffing a little bit into the microphone. The Judge continued...

“Under normal circumstances, i would never allow the family member of a murder case to decided the punishment for a criminal, but due to the EXTREME PERVERSIVE NATURE OF THE CRIME!”

“PLEASE I’M INNOCENT!”

“QUIET DOWN NOW!” The judge screamed again as Jake sat down, he wanted to cry, his lawyer put a hand on his shoulder trying to calm him.

“Now, if i may continue.....Under normal circumstances, i would never allow the family member of a murder case to decided the punishment for a criminal, but due to the EXTREME PERVERSIVE NATURE OF THE CRIME, I feel it’s only fair if Mallory Murphy decides to punishment at hand.”

Everyone went silent as eyes and t.v cameras focused on Mallory. She blushed and then looked down, her face was a wreck, makeup smeared everywhere, it was clear she had been crying all day and she knew that she looked terrible. She cleared her throat and then leaned in speaking into the microphone. Her voice came out too loud as she froze and started again adjusting the mic a bit further away.

“My sister was the most important person in my life” Sniffle “That MONSTER! He took her away and then defecated all over her remains! I have thought about it every night and don’t think i will ever recover! EVER! If i could see one thing, JUST ONE! I would want him to be a toilet! And eat my shit! Every day! So i can show him how it feels to have someone crap all over your memory!” Mallory sat back, proud of herself but suddenly blushing a bit more realizing she was on live television.

The judge sat in silence for a moment as the court murmured uncomfortably. Everyone wanted to see this White man be punished, but this was a very unusually cruel punishment! Within thirty seconds the judge banged his gavel.

“Jake Jefferson, You will be sentenced as Mallory Murphy’s toilet for a life term of 70 years with a chance for parole after 15 years served. For the next few days you will be held alone at a county prison until preparations can be completed for you to be installed in Ms. Murphy’s home. This court is adjourned!” The judge got up and walked back to his chambers as the room exploded in camera flashes and news reporters screaming questions.

Mallory Murphy quickly has a jacket thrown over her head by the family’s lawyers as they were escorted out the back entrance to a private fleet of cars to bring them home!

Jake wanted to scream! He wanted to cry! He wanted to push everyone out of the way and just run for his life but he didn’t do any of those things! He sat there in shock with no expression on his face as his eyes were blinded with camera flashes! Handcuffs were placed back on his hands as two police brought him through the back underground criminal exit of the courthouse.

He was loaded into the back of a transport van and then shipping to prison!

Time seemed to flash by in an instant. At one moment he was in the back of a police van, and the next he was sitting in a jail cell at the dead of night. He must have blacked out mentally and just gone with the motions. Slowly he looked down at his feet and then broke down, emotion taking over as he wept, loud! He could hear other prisoners laughing and chanting at him but he didn't care! It didn't matter, none of it did!

Jake was a good person, he had always done the right thing, worked hard, kept his head down! This was crazy! It was fucking obvious this woman was killed by a bear! How could they possibly think this was him? He was at home, playing xbox with his clan when the murder happened! Jake got up and punched the brick wall hard, screaming out in pain instantly as he grabbed his fist! It was throbbing with pain and bleeding from his knuckles.

This had to be a bad dream, this couldn't be real! Jake thought to himself. Slowly he sat down on the shitty mattress and bed, cradling his fist and wrapping his prison shirt around it. His mind kept drifting to his punishment, serving as a toilet? This was insane! How would that work? It had to be a joke, maybe this was all a joke. Every few minutes he would start to imagine what shit might taste like but then quickly wiped the thought from his mind! He would kill himself and end his life before he ate some spoiled white girls shit!

Mallory lay in her queen size bed under the comforters, she couldn't sleep and stared out the window to her balcony and the big full moon illuminating the street below. She was mortified with what that White man had done to his sister but was just thankful they found him and justice would be served! For the first time in days, she felt relieved, comfortable, safe knowing that the White man wasn't going to kill and eat her! The idea made her shiver with fear but she was safe now!

Her mind began to drift, to the punishment, she had never imagined in her wildest dreams that the judge would say yes! Mallory was young, she had just turned 19 weeks ago! She is smart, beautiful and very experienced, that included sexually. She was years ahead of her classmates and friends leaving her unsatisfied and frustrated. She had discovered scat on the internet and instantly was drawn in, she wanted it, it was like the ultimate humiliation!! She needed a guy to serve her, someone who saw her as the goddess she was and worshipped the very ground she walked on! She wanted a slave who would beg, everyday begging for her to shit in his mouth, feed him from her asshole so he can savor her waste! Jake was a prisoner, he would fulfill her fantasy, but she would have to force him, the idea made her tingle but not nearly as much as someone willing. Perhaps over the year she could train him to love it? Was that even possible?

Mallory broke from her thoughts as she let out a moan and shivered pulling her fingers from her dripping pussy! She was so involved in her thoughts that she hadn't even noticed she was masturbating. She began to giggle as she slid her sticky fingers back down to her pussy, rubbing her clit as she closed her eyes. It would be less than 48 hours, and her fantasy would be a reality! She let out a moan just thinking about it, seeing him in the bowl, sitting on the seat, hearing him cry from under her, begging her to stop, she wouldn't though, she would never stop! Sometimes she might tease him, dangle freedom in front of his lips, but everytime she told herself she would rip it away, taking away all hope! She moaned deep and loud again just thinking about it!

Her pussy began to throb as she slid two fingers deep inside! Her inner walls were contracting and squeezing her hand. She imagined herself running to the toilet. Tip toeing across the cold tile floor early in the morning, waking her slave up with a deafening wet fart! He would only have seconds to wake up and relax before the shit came. Mallory was lactose intolerant but always ate dairy, it was her favorite. Her shits were anything but clean! She moaned loud, holding back her cum as she pictured him choking, gagging, vomiting as he struggled to keep up! She would stop, but only to let him live, she couldn't allow him to die, she would make this last, a lifetime!

Mallory screamed and cupped a hand over her mouth to not wake her parents as cum filled her hand! Her fingers were sticky and she pulled out her tiny hand from the covers slowly. It looked like Spiderman had webslung her entire palm! She laughed to herself as she giggled and moaned before heading to the bathroom to clean up. After washing her hands she looked down into the empty toilet and smiled....

"See you soon Jake"

THREE DAYS LATER - INSTALLMENT DAY

Mallory stood on her front porch, smiling and waving to the television cameras as they snapped pictures and news clips of her! She was mortified with the way she was presented on television during the trial and wanted to make sure everyone saw how beautiful she was! She had gotten up early to get ready, spending over an hour on her hair and makeup. Her brown hair flowed around her shoulders as she waved and blew kisses to the camera from her plump red lips. She had on a small navy blue tank top and a tight pair of low cut yoga pants showing off her hips and curves! Mallory was very thin but had a very nice big ass, she wanted to make sure they saw it! She turned left and right, smiling and posing for the news as the front door opened a crack. Her mother grabbed her by the arm and yanked her inside roughly!

"WHAT DO YOU THINK YOUR DOING!?" She said in an angry tone!

“Relax, i'm just waving for the cameras!” Mallory said while shaking her arm away from her mother's grip.

“We don't need more media attention than we already have! Just go to the family room and be quiet while they bring in the criminal, I don't want you anywhere near that dangerous White man until he is safely locked up under your toilet! Do you understand me!” Her mother scolded her as Mallory hung her head and walked to the television plopping down on the couch. Her stomach rumbled painfully as she held one hand on it and groaned.

When she woke up she felt the need to go immediately, but how could she let her new toilet arrive without a welcome gift? She wasn't a monster, not like him! What he did to her older sister was horrible, and she needed to make sure he knew that!

Mallory leaned to the side and passed a long hissing silent fart. She could feel the warmth of the gas spread throughout the leggings and ass cheeks as the odor wafted out through the fibers. It hit her nose almost instantly and she began gagging, dry heaving and almost vomiting. It was so wet and cheesy smelling, like spoiled swiss cheese or old rotten nachos. It stunk and Mallory had to fan the air rapidly just to breath! Her pussy began to tingle and leak through her leggings as she imagined the man taking in the worst of it.

Jake cried as he traveled to the woman's house in the back of a windowless police van. When they arrived, the back doors opened to a slew of news people and cameras screaming questions! Cameras flashed, blinding him as two police jumped in and threw a jacket over his head protecting him from the mob. With his head down they led him out and across the lawn into the front door of the house. When it closed the screaming of the news people was instantly silenced.

“I am standing outside the Murphy residence speaking with Mr. Brian Callahan, The engineer who was commissioned to build the toilet prison inside their youngest daughter's bathroom. Sir, i know you are under strict orders from the police and the judge, but what can you tell us about the design and function of the toilet?” The newscaster asked while holding out the microphone.

“Uhhh, well, it's sort of like a coffin. First we removed the flooring/tiles and created an area for him to lay down and be encased within the ground. We built a small exit for his waste and a tube where his privates can be connected to transfer urine to the waste pipe. Once sealed in the floor, he will not be able to move at all” The engineer said, starting off a bit slow but getting more comfortable and beginning to brag.

“Wow that sounds complicated” The newscaster commented.

“Yes, well, the top of the toilet looks just like a regular commode, but the bottom has been modified so the waste and urine will travel directly to Jake' mouth and nose. We placed a thick rubber seal around the base so nothing will leak and he will be forced to consume as the judge had ordered. Also this was requested by Ms. Murphy, but we added a small see through plastic portion on the back of the bowl so she could lock eyes with Jake, we felt it important that he see who is punishing him daily, it's just horrible what he did to that poor girl!”

Jake was shaking as he walked through the strangers house! The police removed the coat from over his head as they were walking up the stairs to the second floor. Jake got a quick look at the framed photos on the wall lining the stairs. They were a happy family, there were professional pictures of Mallory and Cassandra dressed together in blue jeans and white sweaters, Christmas photos, school graduations. They reached the top and the police led him down the hallway to an empty bathroom.

The bathroom had a huge gap in the floor with a hatch door hanging open opposite to them. The police both looked at one another uncomfortably before ordering Jake inside.

“Please officers! I didn't do this! I was miles away! Please! You have to believe me! I would never hurt a” Jake was cut off as the officer tased him and sent him to the floor like his limbs were made of noodles.

The police dragged him across the floor and positioned him in the human shaped indent. The wrist and ankles areas had thick metal shackles that held him down and the police both made sure they were very tight. Jake began to cry when he regained control of his body, whimpering and pleading as the police began closing the hatch over him! It was like they were closing the top of a coffin, sealing him in for his death! Jake knew there was no escape! Even if he was pardoned, it would be 15 years!

The floor came down on top of him and a thick rubber padding pressed around his mouth and nose! Jake began to hyperventilate as he gazed up through a plastic see through panel on the back of the toilet bowl! He was looking right up from underneath as the two cops looked down at him.

“This is fucking sick’ one of the cops said as he shook his head...

“I know, he's a monster, what he did to that poor girl!” The other cop replied...

“No, not that, well, i agree, he is horrible, but this is a bit much don’t you think?” The cop asked as he rubbed the back of his neck nervously...

“I just hope that girl has a healthy diet” The cop joked as the both began to leave! Jake cried and panted as he watched them go! He could barely speak with how heavy the toilet was pressing down on his jaw! The force of it kept his mouth wide open in aching pain!

“Everything's set up there, if there’s any issues please call us immediately” The office said while handing a business card to the mother and father.

“We've never done something like this, so don’t hesitate to call,” The other officer added.

“Thank you, for everything you have done!” Mallory’s father thanked the police. She stood there with her parents pacing uncomfortably with one hand over her tiny bloated stomach.

The cops both left and Mallory’s parents closed the door quickly as news cameras flashed pictures and screamed questions. As soon as the door was closed the whole family let out a sigh of relief. Mallory was about to sprint upstairs as her mother stopped her!

“Wait a minute! We need to talk!” Her mother said in a strict tone.. Mallory stopped half way up the stairs and walked back down holding her stomach.

“I have to go! I really don't feel good!” Mallory complained.

“Me and your father discussed this very strange arrangement, and we still are not sure why you chose this. But we need to set down some rules! Number 1, No friends...”

“BUT MOM!!!!” Mallory screamed instantly!

“NO FRIENDS!” Her mom repeated.

“AND, that includes when me and your father drive out to Manitoba next weekend to see your grandmother! She wasn’t able to come for Cassandra's funeral and it has upset her greatly! Me and your father don’t need any stress! NO FRIENDS.. And NO PARTIES!” Her mom repeated.

“BUT I ALREADY TOLD MEGA AND SHANNON!”

“NO FRIENDS!” Her mother said once more, putting her foot down!

“Number 2! We and your mother discussed, we don’t want you speaking with him! It’s bad enough you have a dangerous criminal in your room, but he... he.... What he did to your sister is unthinkable.. If at any time..ANYTIME, it looks like he may be getting free or loose from his bonds, you come get us IMMEDIATELY. And on that note, we don’t want you speaking with him. Simple go in, go to the bathroom, and leave” Her father said calmly.

“Is that it????” Mallory asked impatiently...

“One more thing, we don’t want you speaking to the news, we have had enough attention as it is. Just lay low until this all blows over okay hun” said her mother...

“Can i go now??” Mallory asked

“Yes!”

Jake could hear someone running, two feet pounding the wooden hallway floors and coming towards him. The bedroom door slammed as the steps came closer and closer, entering the bathroom he was in.

Seconds later she appeared above him, just above the bowl. She smiled and held her hair back to keep it from falling down around her head. Jake had to admit, she was beautiful. She had a very cute look and innocent face. She waved down to him and then put her finger to her lips shushing him as she began to whisper.

“My parents told me not to speak with you, so i need to be quiet, but, i just wanted to let you know, i am going to make you pay for what you did to my sister! Your only escape from this prison is to accept me as your goddess, your owner, and learn to love my offerings. Then, and only then, will you truly be able to atone for your crimes...” She smiled again as Jake whimpered... he wanted to speak but the toilet was so heavy on his mouth, he couldn’t even close his jaw! Slowly he mumbled.

“Mmhppp mapprrmmf mppp” It came out a jumbled mess!

Mallory got up and turned around showing off her ass in the tight black yoga pants. She was incredibly thin but her hips and ass were so plump! Each cheek jiggled in the soft thin pants as she looked over her shoulder and down at him with a grin.

“And now, your sentence begins” She pulled down her panties and leggings with one smooth motion and then bent down dropping her ass onto the seat.

The toilet seat was cold and she shivered a bit from the feeling before settling down with all of her weight! This was it! Her ultimate fantasy was about to come true! She could feel her pussy tingling as the shit pushed on her rectum, begging to come out, but she wanted to savor this, remember this moment.

Mallory could feel his hot panting breath on her privates from the bottom of the bowl, he was nervous, she could tell from the rapidness of his breathing. It made her smile, things were only going to get worse. A bubble of gas pushed through the soft feces and she strained, tensing her anus in order to let it out without blowing her load and shitting all over! With a scrunched up face she slowly let the gas out, filling the bowl with a burning foul stink of rotten old cheese!

Almost instantly she could hear him choking, gagging, gasping for air and dry heaving! This was only the beginning, just an appetizer. A huge smile crept across her face and she shook her head back and forth while giggling! She pushed and let her piss begin to rain down, splashing into the bowl and filling up his mouth! She could hear him choking, gargling. Gasping as she paused for a second only to continue! She had held in her pee since waking up and could feel how rancid it was. The urine was hot and steamy, the kind you could smell from down in the bowl. Jake spluttered and some urine hit her ass cheeks, it was gross but the idea of him forced to drink her morning piss made her so horny that she couldn't care!

Mallory grunted, pushing and trying to release another fart just as he finished the piss. Her anus ripped open with an explosion of gas followed by a short stream of mushy shit that came out like a silly string! Mallory gasped and clenched her asshole as she cursed to herself! She hadn't meant to go yet! She could hear him, gasping, gagging as the shit mixed with the small but of urine! He struggled, choking, coughing, gagging, and it was so little!

Her stomach gurgled as she leaned forward, hunched over in pain. She couldn't wait anymore! With one strong push her asshole opened and let loose the mother load! Mallory had pigged out the night earlier on a huge dish of home made from scratch macaroni and cheese and it always wreaked havoc on her stomach. Today was no different and her shit came out like wildfire! Mushy feces cascaded down, splattering into the bowl like hot mud! It was so thick but so soft all at once like quicksand! Mallory looked down between her thighs for a moment before slamming them closed! The bowl was already half full and she couldn't see his lips or mouth! A small waft of the odor from her shit hit her nose and it was foul, way worse than her gas! She began dry heaving and almost threw up as she grabbed the tiny plastic garbage can and held it in her lap!

The floor began to shake under her soles as the prisoner tried to escape! Mallory started to laugh and let a massive fart rip, filling the bowl with more shit that splashed back onto her cheeks. She could hear him, under the shit, screaming through it! She couldn't even imagine what it tasted like! It must be hell!

She looked down quickly between her thighs and slammed them closed again. She had nearly filled the entire bowl! Her stomach was empty for now, but she was sure she would need to take a post-shit shit in an hour or so. A small part of her feared that maybe she went too much? She had been wanting this so badly for so long, but maybe she needed to work up more to a macaroni shit? Mallory's heart began to race at the thought of losing her slave already but smiled in relief as she heard the horrible mess under her being sucked down.

Jake's heart raced as he watched, the adorable girl stood up and pulled down her panties to reveal a beautiful jiggly plump ass! Her skin was flawless and like soft looking as she smiled down at him before bending and plopping to the seat. His eyes instantly focused on her privates!

Jake had only been with a few women in his life, and he had never had his face sat on or been anywhere near a woman's anus! He had an incredibly weak stomach and didn't even like eating pussy! Mallory was gorgeous, stunning, but being under her with her ass and pussy pressing out, bubbling towards him from the rim of the seat, it was disgusting.

Instantly he could smell the stench, her pussy and ass stunk, it was so sour, bitter! His eyes watered as he began to hyperventilate. A small part of him thought maybe because she was so pretty and a small woman, that maybe her shit would be nice, pleasant, but the odor told him he was far from the truth!

Her anus puffed out and back in quick as a hissing filled the bowl, it sounded like a snake and a horrible foul odor assaulted him! Jake began choking, gagging before he could even identify what it smelled like! It was so hot, burning, foul! His eyes watered as the smell finally hit him! Jake vomited in his mouth and swallowed the half digested prison food while choking hard! It reeked like swiss cheese that had been sitting on hot cement! Coking in a pool of sewage! His eyes felt like they would pop from his head from how bad it fucking smelled!

Her pink pussy lips spread slightly as a thick stream of dark yellow piss sprayed into his mouth! It washed down so fast, hitting the back of his throat and causing him to choke hard! Her urine filled his lungs, burning as he struggled to gain control of his gag reflex!

The urine tastes just like what he imagined the troft of a baseball stadium bathroom! He could see through the plastic area and focused in on her stream, it was almost orange it was so dark! He could taste acid and the salty taste of vegetables as he chugged, drinking mouthful after mouthful! He didn't want to! He could feel the hot fluid filling his stomach! It was horrible! But the urine was above his nose and he needed air! his lungs were already throbbing!

Jake had barely survived her urine, he had no idea how he was going to take one of her shits! With his mouth full of the last bit of urine, he sniffed in and out deep gasping and taking a choking watery breath.

BFFFFFFPPRTSPPRpprtt

Mallory's anus ripped open above him as a thin stream of chunky stringy mushy feces flew down filling his mouth! It sprayed onto his nose and over his lips as he froze, shaking in fear and shock! He watched her dirty asshole wincing, trembling! He could feel the shit leaking down his tongue as the bitter flavor overwhelmed him! He could taste the cheese! it was so foul, so sour!

Jake had no time to react as Mallory let loose, her anus ripping wide open as shit rained down onto him! He gasped in shock, sucking a huge mouthful of soft mushy feces deep into his lungs as more and more sprayed down! It came out like soft serve ice cream that had gone bad and turned to chunky mush.

Jake struggled, trying to get down a single mouthful as the cheesy flavor fought his gag reflex! He could see more and more spraying down between barrages of farts airy and wet. With no water in the toilet, the shit landing on more shit sounded like wet mud and it was sickening! The weight of the feces became so heavy that Jake couldn't move at his own pace! Gravity began to do it's work, forcing the thick waste down and into his throat as he fought to control it!

Jake thrust out his tongue, gagging and trying to block the flow! But the weight of the shit simply forced his tongue back into his throat as it moved past and into his stomach! Tears dripped from his eyes as he watched her dirty pink asshole pushing in and out, dropping tiny droplets of feces into the pounds and pounds piled above his mouth!

His entire life flashed before his eyes, his brother and sister, his mother and father! There was so much he wanted to do, so many things he wished to accomplish! And now, these two sisters had taken it all away from him! His lungs screamed for air as more and more thick shit flowed down his throat! He could taste and feel the bits of undigested macaroni! There was an overabundant taste of spoiled swiss cheese and Jake would honestly be happy to die just to forget that horrible flavor!

Slowly things went black....

Jake woke up, spluttering and choking! His vision was hazy and he gagged loud tasting the sour thick feces coating his throat! He felt a large amount of soft mushy shit come fast up his throat and his tongue as he fought to keep it all down! Mallory was above the bowl looking down at him. She was so beautiful!

“Well, now you know what you're in for! The best things come in small packages! I'll be back with your lunch in an hour or so!” Mallory smiled and slapped her tiny butt before walking out of the bathroom and flicking off the lights. Jake began to cry as he swallowed the half digested shit! There was a massive load in his stomach and he knew it wasn't going to stay!

Wrongly Accused - Part 2

PART 2

Jake fought against his bonds, pulling and tugging until he could feel blood trickle down his wrists! All around him there were pipes running water throughout the home! He could hear the liquid moving, dripping, trickling! He started to hyperventilate, breathing deep and choking on his own breath. The rancid clay like taste of her bitter shit was still deep in his mouth and throat but that was the least of his worries, it felt like he was going to have a heart attack. Using all of his strength, he thrust his legs up trying to break through the coffin like structure but came to a halting stop as his knees smacked the hard wooden surface! He cried out in pain, wheezing into the bowl. Out of all the people in the world for this to happen to, why him?

Mallory sat at the bar in her family's kitchen, moaning as she downed mouthful after mouthful of macaroni! The cream and cheese were so abundant that it leaked down her plump lips as she overfilled her mouth. Her parents were both still grieving, she was sad, how could she not be? Just because she was sad it didn't mean she couldn't eat though. She had a very thin frame but always had a very heavy diet! She could eat enough for an entire family in one sitting and her parents always made jokes about how she was the family's food disposal! Nothing ever went to waste at meal time!

Cassandra was always jealous of her, she put on weight so easily! It all went straight to her ass! She paused from eating for a moment and began to think of her sister, and the man upstairs who had murdered her! She had wished for this, wanted a

human toilet for a long time! A small part of her felt slightly guilty that her sister had to give her life in order for it to happen. Was it wrong for her to enjoy this? Mallory looked down to her plate of macaroni and then shook her head! No, Cassandra, if she was here, she would be encouraging it! She would want the guy to be punished! She would want him to suffer! What kind of person just takes someone else's life without any consideration for them or the people who love them! That bastard upstairs, he deserved everything that he had coming! Mallory smiled as she began scarfing down the food again, trying to eat as fast as she could to give herself a stomach ache.

Her phone began to buzz and beep, when it did a vibrate and beep it meant she had a message on instant messenger! She pulled her phone from her pocket and looked at the screen, it was from an unknown contact, meaning someone not on her friend list.

“Ugh, fucking annoying” she said while sliding it back into her jeggings pocket. A small part of her was a bit annoyed that none of her friends were allowed to come over because of the media attention around the home! She also couldn't go out lest be swarmed by reporters.

Suddenly Mallory felt a sharp pain in her stomach and leaned forward with one arm wrapped around her midsection! The cheese from the macaroni was absolutely killing her but this was a slightly different feeling, the feeling and bloating of gas! She didn't want to waste a fart not on that bastard below her toilet, but she also was not done eating. Slowly she leaned to the side, lifting her ass off the kitchen stool and relaxing her anus, letting the gas flow out.

PPPPPPPPPPPPPPPPPPPPPPFRTTTTTTTT

The fart was explosively loud, echoing in the kitchen and front hall as she laughed at the sound! The odor hit her almost immediately! It was sharp, cheesy, wet, it smelled like something had died! Usually she was good at dealing with her own anal emissions but this was far beyond what she was used too. Her eyes began to water as she fanned her nose and hopped out of her seat pacing around the room. The odor seemed to follow her like a cloud though!

“What the fuck! Ugh, oh god!” Mallory cried as she choked and fanned her face!

Her pants were so warm from the gas spreading throughout them! She could feel it in her ass and her cheeks were getting sweaty! She sucked in her stomach and unbuttoned the jeggings, fanning her waist and walking to distribute the gas

throughout the room. Halfway across the living room she had to stop, grabbing onto the couch to support herself she let out a terrible groan.

Jake could hear the footsteps coming, it sounded like an elephant was stampeding towards him, the floorboards were practically shaking! Mallory appeared above him, there was no talk, no drama, no show!

His heart began to race as she ripped down her Jeggings, throwing her fat plump white ass onto the toilet seat! The entire frame shook from how heavy she landed! Jake let out a whimper as she leaned back and forth, spreading her cheeks! A wet rancid fart sprayed from between them before she even had time to get them fully apart!

pppbbbrfttSPPPPRT ppsrfttb bBFRT bbftrtpppppppppppppsrpt

He could feel the heat of the gas on his face as it filled the bowl! It was like getting hit with a blowdryer on max setting! Right away he began to choke, gagging so hard that he could not even smell it! Through his water eyes he watched, focused on the rim of her bright pink anus! It pushed in and out for a moment before letting loose!

In an instant he was covered, the feces came out like mush in the beginning but quickly turned to a watery brown deluge of waste, flowing down in endless wet blasts that painted the bowl with filth! In all his time as a park ranger, he had seen tons of horrible sights, animal droppings the size of tree trunks, but nothing compared to this young woman, her ass belonged on a wild animal!

“AHHH oh god!!! Fuck that hurts!” Mallory moaned as she leaned forward!

Jake’s mouth was full, each cheek puffed out as he used his tongue to block the shit from entering his throat! Luckily the mushy feces formed a sort of dam to stop the fresh liquid diarrhea from pouring down into him! Slowly the mushy feces leaked into his mouth though, he could feel the weight of the diarrhea forcing it down, and breaking it up from the other side! He knew it was only time before he ingested it, but he didn’t want to, just the idea was horrifying to him!

Suddenly the mass of mushy feces on his tongue broke apart, it slid across his mouth like wet oatmeal and into his throat as the burning diarrhea followed! Jake thrashed and pulled on his bonds as it entered his mouth! It was like someone had blended hot chilies with old cheese and mud! The taste was abhorrent!

He screamed and gagged as she let loose, more and more shit filling the bowl above him! There was so much accumulation now that he could not even see through the small plastic window! It was just brown!

Mallory held one hand over her stomach, massaging it as her intestines bubbled! Slowly she parted her pale thighs and looked between too a sea of brown! The bowl was almost so full that it was about to touch her cheeks! She was in so much pain she hadn't really thought about it until this moment, but he was gonna have to drink it. Not in a fun fetish way, as sub and dom, but really, he had to drink it, or he would die! She tried to imagine what it was like, what the taste would be, she almost considered dipping a finger in just to try it! Her pussy was so wet, when she slid her fingers down they slipped right inside with ease!

"Ahhhhhhh oooooahhhhhh she moaned and bit her lip! The smell from the bowl was getting a bit much so she closed her legs, sealing it in.

Jake gulped over and over, feeling the watery shit move across his tongue and down his throat! Even though it was liquid, it had a thick cheesy consistency. Parts of it tasted like melted undigested cheese that had clumped up and it made him gag horribly he knew though, this was life or death!

He had been keeping his eyes closed but opened them just to check his progress! He almost screamed when he saw the plastic window on the back of the toilet bowl was still all brown! He hadn't even gotten half way! He let out a cry and choked hard feeling her shit seep into his lungs! It was running down his nose, staining his throat, if he ever got out of here, he would never forget this taste!

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBFRTPppp SPPppfpPPppfbrbttt

Jake cried as he felt the shit pool above him move in waves! A thick solid mush of feces sank down to the bottom like sand and accumulated by his lips! It was the same mushy oatmeal shit he had tasted earlier! Slowly he sucked it in and cried, his lungs were screaming, burning, there was no way he could survive this!

Mallory looked at her watch and then huffed, it had been almost a minute and a half and he was far from done, she was going to need to help or else this would end much sooner than she had expected!

She gathered a few larger than normal wads of toilet paper and wiped her thick ass crack! The shit was very wet and she could feel it through the paper even with how much she had taken! Dropping it all below her, she stood and pulled up her pants, sucking in her stomach to get them buttoned up!

Mallory let out a dry heave as she turned around and saw the mess in the bowl! Peeking between her legs was one thing, looking down at it in the light of the bathroom was another. She felt herself about to puke and held back, gagging slightly as she spit into the already full toilet. It was a mess of brown with swirls of darkish yellow, the toilet paper had wadded up and clumped into a thick brown mess coated in little pieces of vegetable and chunks of waste from her asshole!

She reached over and grabbed the toilet plunger, setting into the thick waste and moving it in circles letting it sink to the bottom. She moved it back and forth, finding Jake's lips. The plunger was wide so she could get it around his entire mouth and nose perfectly! She smiled to herself, this was gonna be fucked!

With all her strength she pushed! As soon as the plunger forced the waste in she began pumping it, moving it up and down, kayaking sure it was deep! Before he was able to recover she moved the plunger up just an inch, letting more shit fill the empty space! She rammed it down, again and again! Repeating the process as she giggled like a bitch! The shit was going down, faster than she had expected! Bubbles rose from the bottom! She couldn't wait to see his stupid fucking face! Mallory pushed again and again, forcing it down! Some shit splashed out of the bowl onto the floor but she didn't care!

Jake tried to keep up with the flow but knew there was no way he would possibly make it! Just when he was about to give up, he felt a thick rubber surface pressed around his face and cup to the bowl making a seal! His mind took a moment to process, trying to figure out what it was when it SLAMMED DOWN!

Jake felt all the hot shit floating above his lips surge inwards, forcing itself down into his body through both mouth and nostrils! His mouth was totally covered but he screamed! The shit felt like it had entered the back of his skull! Tears leaked from his eyes and at this point he wouldn't have been surprised if they were brown!

The toilet plunger lifted, allowing more feces to take its place before slamming inwards, forcing the waste into his body! Jake screamed and cried! The hot cheesy flavor had completely taken over his body! He could smell it from the inside all the way down his nose! The plunger lifted again, forcing more hot diarrhea down!

When she pushed, Jake coughed and choked at the exact same time! His lungs filled with the hot gritty feces as he cried in pain! You can't imagine the horrible pain of being burned from the inside with your throat full of hot chunky feces! The horrible young woman repeated the process again and again, pushing and forcing the feces

down until just a small mouthful sat at the bottom, too little for her to reasonably plunge!

Jake let out a watery cry through the pool and choked on it as Mallory laughed, hitting his lips with the plunger over and over! He could see her through the stained plastic portion of the toilet bowl now! She was so terrible! Did she ever stop to think for a second that maybe this was all a mistake? How could people think he had committed this crime!

Mallory leaned down to look into the bowl, horking up a big wad of spit and launching it into the shit above his mouth. She waited, holding her nose and watching as the last bit went down his throat! His mouth and lips were stained the color of her feces and he was quivering! Almost immediately he began to choke, spraying feces into the air! Mallory moved back just in time to not get hit in the face! Bits of brown covered the toilet seat as she spat again on his face!

“HOW DARE YOU! FUCKING WORM!” Mallory screamed at the criminal!

BANG BANG BANG

Mallory turned and jumped in surprise from the sharp noise on the bathroom door!

“Mallory! Open up!” her mother yelled in desperation!

Mallory opened the bathroom door as her mom began pushing her way in, forcing her out of the way!

“Sorry hun, your fathers been in the bathroom an hour! I have to use yours!” Her mom said while literally shoving her out the door into the hallway!

“BUT MOOOM, i haven't even washed my hands yet!” Mallory shouted as she slammed the door and locked it!

Jake looked up and saw the murdered woman's mother struggling with her jeans! She had a thick frame and it was clearly a struggle! He began to whimper! His stomach couldn't take anymore, he could literally feel the shit from her daughter still bobbing in his throat, teasing him with each burning swallow! Even when he breathed, his entire nasal track was covered in shit! There was no fucking escape from this!

flavor of her shit! As he gulped down the rancid nectar he watched it spray out, filling up the bowl and creating a pool.

Jake watched through the dark orange urine! His mouth was full but he couldn't drink it! It was too foul! Mallory's mother grunted and reached back, holding one ass cheek apart and wiping her filthy hole before dropping it into the bowl behind her.

Jake could see her ass was still filthy, her pussy still dripping with urine when she began struggling to get her jeans back up her tree trunk like thighs. She pulled back and forth, squeezing the fat from each massive mammoth like cheek into the jeans which were clearly a size or two too small.

Jake kicked as hard as he could! The wood above him splintered and the tiles below Mallory's mother's feet cracked a bit! She looked down in surprise and then back into the full toilet!

"If you even try... to escape from here! I'll make sure you get the death penalty!" she said softly before taking a step back and pushing down with her foot over the cracked tile!

"MOM!!! YOU SAID I COULDN'T TALK TO HIM! WHY DO YOU GET TOO!?"  
Mallory yelled from the other side of the bathroom door.

"BECAUSE I'M YOUR MOTHER! STOP LISTENING AND GET OUT OF HERE!"  
She yelled back in an equally bratty tone stooping to her daughters level.

Jake choked on the mouthful of urine and gasped, the thick log of shit sunk into his mouth sideways like he was biting into a piece of corn! It was so thick and meaty! Like compressed rotten hamburger meat mixed with dirt! Jake began choking, gagging and flailing! There was no fucking way he could eat this! These women were monsters! He kicked his legs and moved as hard as he could as the tiles cracked a bit further! He could see the mother peering down at him through the dark pool of piss and shit! She had a look of superiority mixed with curiosity.

Mallory paced outside impatiently, waiting for her mother to finish! She knew how much he had struggled to take her shit and her mom dropped some heavy HEAVY loads! She had so much planned for the party and couldn't lose her slave now! On the first fucking day!

The lock clicked as the door swung open! Mallory watched her mother walk out with a smile as a horrible wave of stink followed! Mallory stepped back, covering her nose

and gasping from how sour and potent it was! Like hamburgers coated in liquid shit that had been sitting in the sun! The rotting meat smell was atrocious!

She ran into the bathroom and looked into the bowl filled with rancid piss and the one long thick log of shit!

“MOOOOOOOOMMMMM!” Mallory screamed!!!

### PART 3

Jake could hear a very girly pop song playing in the distance from Mallory’s room. The sound was just loud enough to reach and echo in the bowl above his face! The entire porcelain surface was stained with streaks of brown feces from both Mallory and her mother and the odor lingered heavily! He pulled and tugged on his bonds, ripping at his skin to try and escape!

Jake could feel the warm sticky blood running down his wrists and hands as he pulled harder and screamed! The pain was so intense but he had to escape! It was his only chance at living! This girl was going to kill him! Slowly he turned and twisted his wrists, trying to maneuver them out of the leather straps! Each tug ripped at his skin as he cried!

Mallory threw her head back against her pillow while biting her bottom lip! Her fingers were busy in her pussy, jiggling as she squeezed her thighs tightly together and began to moan! Usually she would have tried to be a bit quiet, but this was a special occasion, She finally had a toilet slave! The first, but hopefully not the last!

Her entire body tingled as she pictured his face, his choking and gagging! She could feel the vibrations of his struggles in the soles of her feet through the bathroom tile floor! Mallory curled her toes and began to moan louder! The music was just loud enough to cover her cries!

She pushed her fingers in deep and curved them, feeling around until she froze! Her muscles went tight as she stretched out her legs all the way and began to gasp!

“Ooah ahhh AHHHHHH:... ah ahhh ahhh fuck!” Mallory moaned as she pulled a sticky cum covered hand from her pussy....

She could barely walk but was able to slowly get to her feet, stumbling from the bed to her door! She peaked out to see if the hall was clear and it was empty.

Jake cried out and whimpered as he ripped at his own skin harder and harder, pulling and trying to free his hands! Each tug pushed on the cuts causing him excruciating pain! The worst fucking part was that music! That fucking song! She had been looping it for almost thirty minutes!!! Suddenly he froze as the volume got much louder! The bathroom door swung open and then closed, dulling the sound.

He could hear her bare soles sticking to the tile as she walked over, approaching the toilet! Her light brown hair was messy and a bit matted, she was naked head to toe! She began to lean down, her face close to the toilet seat as Jake let out a cry of anger! He hated this girl so much! She was fucking evil! He pulled hard, feeling his hand about to slip from the handcuffs but then froze! The pain was too great!

Jake huffed and breathed deep as he looked up at her staring down at him! Her hair hung over her shoulder and she used one hand to hold it back! Her eyes were so wide, sparkling almost, like she was in a trance. Slowly she began to smile, her eyes still fixed right on him in an almost psychotic manner!

He let out a whimper as she lifted her other hand over the toilet bowl! Jake could see it was slick and sticky covered in a white almost clear substance! She began rubbing her fingers together slowly, trying to gather the mess as best as she could. He watched, she raised her hand high and then flung it down shooting a giant blob of it right into the back of his throat! It had barely touched the bowl!

Jake immediately knew what it was, he had tasted it so many times with his girlfriend! But nothing this bitter or fishy! It tasted almost acidic, like yeast and urine! He began to choke and gag as she ruled her fingers, flicking more and more down while laughing!

“Yummy?” she asked with a big smile!

“Ahhuchh uucckk ouuuuu!!!” Jake tried to curse at the young woman as he choked on her sticky cum! It was in the back of his throat fighting to get down his throat but he wouldn't let it!

Mallory's sweet face instantly turned to a scrunched up frown of anger, she began to shake as she turned slightly red. She wanted to scream at the ignorant criminal but her parents had instructed not to speak to him! She balled up her hands into fists and starred for a moment before turning and walking out, slamming the bathroom door behind her!

“WHO THE FUCK DOES HE THINK HE IS???” Mallory screamed as she paced back and forth across her bedroom! She was completely naked but way too angry to put any clothes on!

“HE SHOULD BE GRATEFUL!!! GRATEFUL!!!! TO EAT MY FUCKING SHIT!” She shouted to herself while walking over to her small tin garbage can and kicking it roughly with her bare foot! Instantly she regretted the decision and pulled back her leg holding her foot in pain!

“FUCK!”

She slammed her foot down and walked over to the full length mirror in her bedroom, standing in front of it and running her hands down her hips and down to her ass cheeks! She turned and looked at her butt for a moment!

“I’M A FUCKING GODDESS! A GODDESS! HE SHOULD BE SCARFING DOWN MY SH”

“Knock knock knock knock, Mallory?” Her mother called out loudly to be heard over the blasting pop music! The same song was still on loop and Mallory had completely toned it out! She walked over and turned down the volume before throwing on a robe and opening the door a crack.

“Yes Mother?” She asked with a smile...

“Gosh, don’t you ever get sick of that one song?” Her mom asked...

“What do you want???” She asked back in a bratty tone!

“Me and your father are going to be leaving early to go see your grandmother! You’ll be alone for three days, I want you to behave okay!”

“I will!!!! Is that it???” Mallory tried to close the door as her mom stopped it with her foot!

“No, that’s not it!” Her mother said a bit defiantly.

“If you need anything, please, call Mrs. Maguire next door, I told her we were gonna be gone! With all the media outside, i can’t imagine how stressful this has been for you, just promise me if you need anything you will call her.... Honey?” Her mom asked, but Mallory was frozen in deep thought... suddenly she got an idea...

“Uhhh, mom?” She asked..

“Yea?”

“Well, since, i am going to be home alone, and that Daaaaangerous criminal is just a few feet away in the bathroom, do you think, maybe... well, i know you said no friends could come over, but maybe, i could have just one? It would make me feel so much safer not being alone!” Mallory said in a slightly fake baby tone... Her mom didn't answer, she could tell she was debating it...

“Pleaaaaaaseeeee?” Mallory begged.

“Errrr, JUST ONE!”

“THANK YOU! THANK YOU!” Mallory said in a bright and chipper tone, swinging open her door and hugging her mom quickly.

“Have a good trip! And say hi to grandma for me!” Mallory said quickly and then slammed her bedroom door in her moms face. Seconds later the music began to blast again.

Mallory sat down at her desk and opened up her laptop, her mom had said one friend, but she already decided on two! As she opened up her Instagram, her jaw \almost dropped! She had over 1000 friend requests and 756 unread messages from unknown senders! She opened up the list and began to scroll through.

Lolligirl23: Hey! I live in the area and saw you on the news! I would love to try and use the toilet slave you have! Any chance I could come by sometime?

Taybabyxoxo: Me and my friends wanna shit in that perverts mouth! We could pay too! What's your address???

PassionMel19: Hey! We don't know each other, but I saw you on the news, could we talk?

RachelWeiss123xo: HEY! Mallory! Do you remember me! We went to grade school together! I saw you on the news!! How have you been???

ThatDirtyGurl6969: I have \$500 cash ready anyday you wanna let me come add to the load! Drop me a message!!! :D

SerenityX: Mallory!!! Do you remember me?? We worked at shake shack together last summer! I can't believe you have a literally human toilet in your house!! What's that like???

TarynsTravels: Hey Mallory! I am an insta influencer! I travel all over, I'm gonna be in your town next week! Could we speak, there's something I wanted to run by you! Can't wait to talk! - Taryn

Mr.E: Mallory, I'm so sorry to message you out of the blue like this, but I would pay to be your toilet! When you are finished with criminal, will you be doing open sessions? Please, message me anytime, I await your commands!

Mallory clicked on the man's profile right away but immediately blocked him! He was OLD! AND GROSS! Her mind began to race as she scrolled through the hundreds and hundreds of messages! There were A TON of women who wanted to try using a human toilet, some just wanted to help punish the man who had ended her sister's life. There was an opportunity for her to make some serious money here but that would be wrong, and besides! She did not want to share with anyone! This man was hers, and hers alone! She would choose who could use him, even the idea of her closest friends shitting in his mouth made her jealous, but the pleasure she would get from the massive amounts of shit he would need to take in outweighed that jealousy.

An hour later, Mallory stood at her bedroom window, watching her parents' car pull out of the driveway and through the swarm of news reporters and t.v crew trucks! Policemen were on the street stopping the news people from storming the parents car and their home! Mallory closed the blinds and smiled as she watched them disappear down the street!

The sun set and darkness covered the street but the news crews stayed vigilant, everyone waiting for an interview with Mallory. There were so many lights and cameras that it almost seemed like day time!

"Oh my god!" Rachel said in disbelief as her and Lauren pulled towards the crowd of reporters! It was a literal wall of trucks and cop cars blocking the street!

"This is nuts!!!" Lauren said as she hit the breaks and came to a stop! A police man walked over and knocked on the window asking them to roll it down!

"Sorry ladies, this street is closed, if you're trying to reach McMaster Street you can go down to Main and..

“Oh, no, we are visiting, we are Mallory’s friends, she asked us to come by” Lauren said to the police officer!

“Oh, my apologies Miss, let us escort you through! Keep your windows closed” he instructed with a smile!

Lauren rolled up her window as two policemen began clearing the way for them! All of the news people's attention turned towards Laurens car as they were bombarded with camera flashes!

“AHHHH” Rachel screamed and held up her purse to the window trying to block them!

Reporters were hitting the windows, banging on the car as Police fought to keep them back! Both girls were in shock as they pulled the car through the crowd and into Mallory’s driveway! Both of them covered their face with their purses as they got out and ran to the front door, pounding hard!

“MALLORY! OPEN UP!” Lauren screamed!

The door swung open as Mallory smiled and tried to hug them, like nothing was wrong! Both of her friends pushed by her to get inside and away from the cameras, Mallory laughed and closed the door behind them!

“Isn’t it crazy, i'm like a celebrity!” Mallory said with a giggle and blush as she posed jokingly!

“Uhhh, I'd say more infamous!” Rachel said back as she huffed and puffed, out of breath.

“Well, regardless, everyone is desperate for a piece” Mallory joked again as she turned and showed off her ass in the gith white jeans she had put on! They were her favorite! They always got guys' attention, drawing their eyes to just the right place. She knew that Jake would love them!

“How have you been doing? Are you okay?” Lauren asked as she walked up and put her arms around Mallory, hugging her lightly.

“Yea, i’m fine” Mallory laughed...

“What....about...” Lauren stopped speaking and let go of her friend, taking a step back as she looked to Rachel, debating whether to say it or not.

“Cassandra!” Rachel blurted out...

“Who?” Mallory asked as both Lauren and Rachel looked at each other in pure shock, was this a part of the grieving process?

“Your...sister?” Lauren said slowly as Mallory realized she was way too happy, she had to at least act like she was mourning. She turned off her happy and chipper tone, letting her shoulders sag and then turning around...

“I have been...trying not... to think about it!” She said softly as she began to cry, luckily all those acting classes as a kid had paid off!

“OH GOD! I’m so sorry! I shouldn’t have brought it up!” Lauren said with a frown as she moved in and hugged Mallory, Rachel did the same.

They all hugged for a moment as Mallory finally looked up and wiped her tears..

“Honestly, i’d love to just have a girls night, movies, pizza, ice cream, the works! Just like when we were kids!” Mallory said while wiping away her fake tears and sniffing...

“That sounds great!” Rachel smiled!

“Oh uhmm, yea! I may hold back on the pizza and ice cream, dairy has been upsetting my stomach lately” Lauren said while blushing a bit.

Rachel swung her arm out and nudged Lauren hard before leaning over to whisper...

“Just suck it up, her fucking sister got killed and eaten! Deal with the stomach ache for one night!” Rachel said from between closed teeth and pressed lips. Lauren looked around uncomfortable holding her stomach, she could feel herself getting bloated just thinking about eating pizza and ice cream...

“Sounds... uhmm, great!” Lauren said a bit nervously as she made a thumbs up!

Rachel and Lauren were two of Mallory’s oldest friends, the three of them had known each other all the way since grade one! Rachel had a very similar look and build as Mallory but had always been slightly thinner! Her breasts and ass were the same size as Mallory’s but she was still a good twenty to twenty five pounds lighter! It always drove her crazy but she tried not to let it show her friend that she was so jealous! The guys always paid her more attention!

Lauren was the smart and nerdy one of the three! She had long thick black hair and matching glasses! Over the years they had been friends she became more and more involved in activism and helping others! There was rarely a single moment she wasn't volunteering or protesting! Both Mallory and Rachel loved toying with guys and could be rather cruel, But Lauren was sweet, caring, the type of woman who could not hurt a fly! If she could be compared to anything, it would be a radical feminist Disney Princess.

Jake gave one final pull on the handcuffs around his wrists! He screamed in pain as it dug into his flesh, blood spilling from his wrists as he tried to dislocate his thumb and free his hand! Gasping for air, he gave up! It may be possible but not now, not today, the pain was too intense! Watery tears dripped down his cheeks as he gasped in and out, huffing the odor within the rancid toilet bowl!

Suddenly he froze, there were footsteps coming, a bunch of them! The bathroom door opened and Three young women's faces appeared above him looking down! Mallory, His captor, and two others, clearly her friends. They were all beautiful, but in his current predicament their presence brought him nothing but terror! All of their eyes studied him, he could practically feel their thoughts, picture what they were about to do to him! His heart began to race as he let out a high pitched whimper making all three women laugh!

"Have you used him yet? Number two?" Rachel asked in a rushed tone!

"Hahaha of course!" Mallory blushed and smiled, she couldn't hold back her excitement, she knew Rachel was jealous!

"OH MY GOD! That's horrible!" Lauren gasped and covered her mouth

“Well, he deserves it! Right?” Rachel elbowed Lauren again as she quickly agreed!

“If you two want! You can use him!” Mallory offered casually!

“MPPPPHHHM MMNNOOOOO” Jake screamed into the ring gag as his voice echoed from the bowl! All three of the girls giggled.

“REALLY!” Rachel shouted as Lauran gasped...

“I could never! Besides! If all three of us used him it might kill him!” Lauren tried to back out of the situation, just the idea of him seeing her privates made her blush!

“HE KILLED HER SISTER! HE DESERVES IT!” Rachel said loudly as she walked over and spit into the bowl!

“It would make me feel alot better if you did” Mallory said to her friend as Lauren weighed her options!

“You don’t have to, but i’m gonna! This dirtbag deserves to eat my shit! ISN’T THAT RIGHT? HMM?” Rachel asked while looking down into the bowl!

“It’s just... sometimes, NOT ALWAYS” Lauren prefaced, not wanting to hurt her friends feelings...

“Sometimes, the courts get things wrong, I read the reports, no human could have made those bite marks.. What if.. I mean... what... if he’s innocent? I could never do that to someone, not without knowing for sure! And even then? Eating shit! I can’t imagine! There must be no greater torture than that!” As soon as she stopped speaking, Jake began freaking out, kicking the floorboards under their feet and shaking the chains keeping him down!

“SHUT UP!” Rachel spit again, this time it landed right down on his tongue without touching the side of the bowl!

Mallory walked out of the bathroom without saying a word... Rachel grabbed Lauren’s arm..

“Listen, I know you're always on about this radical shit! But give it up for one day! Mallory is upset! If she wants us to shit in this guys mouth! We're gonna do it! She's been there for you so many times! You owe this to her! Okay!” Rachel whispered!

“But, Rach!!”

“No buts! We're gonna go down there, load up on pizza and ice cream, as much as she wants! And when you need to go you HAVE to use this bathroom! She clearly invited us here as some sort of retaliation against this asshole! I don't care about you being embarrassed! Just do it!, okay!” Rachel smiled...

“No go join Mal, i need to take a piss!” Lauren blushed as Rachel pushed her out of the bathroom.

Jake's throat began to close as he heard the word “Piss”! He started to struggle again as his heart started to pick up its pace, slowly reaching the point until it felt like it would burst from his chest! The bathroom door closed as the young woman walked to the bowl. She looked down at him with a cruel smile that sent a shiver down his spine!

“I hope your thirsty you fucking asshole! You're never gonna lay your dirty hands on another lady for the rest of your life!”

Jake tried to speak but his throat closed, it wouldn't allow him! His entire body shivered with fear as she turned around, showing him her incredible ass! It was so round and fat, looking like it may burst right through the tight jeans! On a normal day he would have checked her out, taken a quick glance! She was incredibly attractive! But now, from this view below her, it was pure horror! He prayed she would only pee, he could not handle more of this!

Her big ass popped out of her jeans, she wiggled back and forth looking back over her shoulder before pushing the jeans down to her ankles! Jake cried as he saw her ass spread out and turn into a heart shape! She stood and ran her hands down her body, hooking her thumbs under the waistband of her pink thong and sliding it down ever so slowly! Jake could see a thin bit of cum stretch between her lips and the fabric of her panties.

Her big bare ass jiggled a tiny bit. She reached back and slapped her left cheek causing a ripple to run across her ass and then down her thigh! Jake cried as she giggled and looked back at him...

“Hard yet?” she asked in a seductive tone...

“Mpph mpphhh” Jake cried

“Good” The young woman said as she dropped down fast! Her big ass crashing into the toilet seat!

Her ass was big and round as she bent down! She used her hands to help part her cheeks and settled comfortably resting above him! Jake began to choke right away on the sour smell of her privates! It was clear she hadn't showered in at least a full day! Over her pussy was a thin layer of dirty blonde pubic hair and between her lips a big white accumulation of cum.

Jake moaned and whimpered as he took in her aroma! It was very unpleasant, he never would have taken her for someone to have such bad hygiene! Her appearance on the outside looks pristine!

Her lips parted and began drowning him in a torrent of how steaming Piss! Jake barely had time to react before it buried him! Desperately he choked down a mouthful without taking time to taste it, he was desperate for air, and that was a mistake! The taste was foul! Like lemon juice mixed with battery acid! Instantly he began choking, gagging and inhaling her urine into his chest! It was a horrific feeling, like being waterboarded but with no reife!

Jake knew he had to get control of his body! He would die if he inhaled more urine! He could see it piling up, filling the bowl as the urine reached his visor, turning it pure yellow! He could still see her big ass through the dark liquid though!

He flexed his throat and choked down a mouthful, squinting and then squeezing his eyes closed from the horrible taste! It was fucking horrible! He drank another and another before peeking through his eyelids! SHE WAS STILL FUCKING PEEING! MY GOD SHE WAS GONNA OVERFLOW THE BOWL! Jake saw her part her legs and looked down before laughing loud!

“Drowning on your first day at the pool! What a shame! tisk tisk tisk! I thought you knew how to swim? OR DID YOU LIE ON YOUR RESUME?” She said with a laugh!

What the fuck was this bitch talking about? She fucking crazy! Jake thought to himself as he choked down more and more urine! Every few mouthfuls he would stutter and stumble, choking and gasping, inhaling a huge amount of her burning piss and crying from the pain!

Jake's lungs were SCREAMING for air but the bowl was still nearly half full! She stood up and shook her pussy above him, slowly wiping and dropping the paper into the pool of urine! He could see her smiling down at him as he choked on her steaming piss!

"I'd love to stay, but my friend really needs me out there, we're having a movie night! I hope you like pizza and ice cream! I'll be back to check on you later" She said with a smile as she pulled back up her pants and slapped her ass hard over the bowl!

Jake could hear her leave without washing her hands as the bathroom door closed behind her!

His heart was racing! There was still SO MUCH PISS! He was going to die! He knew it! Desperately he choked and swallowed, over and over, feeling her warm waste fill his stomach! There was so much that even the tiniest movement caused it to slosh around inside him! His entire life began to flash before his eyes! His mom and dad! His brother and sister! All his plans for the future! Gone! He chugged, drinking more, and more, and more! His throat burned, feeling like the skin was being scorched by acid but he couldn't stop! Not now! He could hear the girls giggling loudly in the house below him and he squeezed his fists in a fit of rage! WHY WERE THEY DOING THIS TO HIM! HE WAS INNOCENT!

Suddenly he gasped, air hit his mouth as he gasped in and then choked out an entire mouth full of piss from his lungs! The feeling was more painful than anything he could describe! Jake started to cry! He didn't know if it was from relief knowing he was alive, or the fear of what was to come, regardless though, he lived, for now. Somehow he had to escape this prison!

#### PART 4

"Yea! So that's three large Pizzas, Bacon, Pineapple. Pepperoni and Mushrooms, And one regular, all three of them with extra cheese! The family pack of hot wings, and the extra large order of cheese sticks!... yea..... Uh huh.... On credit card. Perfect! Thank you!" Mallory hung up the phone and rubbed her stomach!

"I am SOOO HUNGRY!" She exclaimed!

"THAT'S SO MUCH FOOD!" Lauren exclaimed as she laughed!

“Whatever! It’s movie night! I can’t wait! What are we gonna watch!??” Rachel asked

Mallory began flipping through netflix as Lauren looked in her purse, digging around all of the junk she had while searching for her lactose pills. She looked for a minute before mumbling..

“Oh noooo” Lauren said softly..

“What’s wrong...” Mallory asked...

“I forgot my lactose pills, I might have to drive home and grab them first!” Lauren groaned...

“Whatever, just eat without them! Does it give you a stomach ache?” Mallory asked

“Not really, it just makes me really bloated, and well, uhhh” Lauren paused as Rachel cut her off!

“OH MY GOD! THIS IS PERFECT! Load up on pizza and ice cream! Then punish that bastard upstairs with your asshole!” Rachel said as all three of them laughed! Lauren covered her face and blushed!

“I could NEVER! I was gonna use your regular toilet if you don’t mind! I don’t feel comfortable with him seeing my privates” Lauren made an excuse, she just didn’t want to shit on him, or anyone!

“That’s why i invited you two here!” Mallory said in a slightly disappointed tone!

Rachel elbowed Lauren again lightly and motioned to her by widening her eyes, neither of them needed to speak, Lauren knew what she meant..

“Well, I guess, I could try, he deserves it, right?” Lauren said in an uncomfortable tone as Mallory smiled!

“That’s the spirit!”

“Ohhhhhhh we should watch that new movie that came out a few days ago, the one with Ryan Reynolds in it!” Lauren said excitedly!

“Gawd he’s so hot!” Rachel chimed in!

“I know... The things i would do to him!” Mallory laughed as her friends joined in!

All three of them debated over movies for way too long, narrowing it down to three, they still had not finished deciding when the doorbell rang! All three of them looked surprised as Mallory got up and walked over. She checked the window first and then smiled seeing the pizza guy! He was holding up his jacket to hide from all the media people outside!

Mallory opened the door and smiled as the guy looked back at the news trucks and then to Mallory!

“What’s going on here?” He asked with confusion...

“Oh uh, it’s a long story! Here you go!” Mallory gave him the credit card and he started up the interac machine! She quickly paid and then took the large order of food!

“Thanks,” Mallory said with a smile as she used her foot to kick the door closed!

“Wow, are they still out there!” Lauren asked...

“Yea! My mum said not to talk to any of the news people!” Mallory said while sitting down on the carpet in front of the tv and putting the pizza out in front of her friends! They started up a movie and then instantly began digging into the food!

Normally, all three of them would be reserved, lady-like, but tonight, it was girls night, all three of them ate sloppily, stuffing their mouths, breathing with their mouths open! It was relaxing and liberating! The movie had only been on for ten minutes when Lauren began feeling the effects from the food. She dropped one hand down to rub her stomach and blushed feeling it starting to bloat!

Lauren hadn’t farted in front of her friends in years. Ever since she became lactose intolerant, her gas seemed to get worse and worse, she avoided cheese and dairy all together, and even if she did eat some accidentally, she always had her pills! This was a grade-A disaster! She could already feel her stomach bubbling as she squeezed her sweaty ass cheeks together, holding in the gas!

All three of them ate and watched the movie for about forty minutes! What Lauren had claimed was “SO MUCH FOOD” ended up not even being enough! Rachel reached for another piece of pizza and frowned noticing there was none. She searched the boxes and saw there were also no breadsticks or wings!

“Wow! We ate like pigs!” Rachel laughed...

“SHHHHH, I'm watching!!!” Mallory complained!

There was a small silence as both characters in the romantic comedy froze, staring into each other's eyes! Suddenly a ripping wet tear of gas interrupted the moment!

BBBBBBBBBBBBBBBBBFFPPSRRTT BBBBBBBBBBBBBBBBSRPPFRTTTT

Rachel laughed as she leaned forward and began fanning behind her ass, wafting it towards both Mallory and Lauren as they all groaned and laughed! Rachel began to choke and turn red from how bad the odor was, she hadn't anticipated that part!

“HOLY HELL! THAT'S RANCID!” Mallory covered her mouth and laughed while choking.

“HAHAHA, HAHAH sorry HAHahaha, that was sooooo much worse than i thought it would be!” Rachel laughed and blushed, fanning her face as she teared a bit!

Lauren felt a sharp pain in her stomach and groaned as she leaned forward. She had to fart but was too shy to do so even in the presence of two of her best friends! Both Mallory and Rachel could see the expression on her face and paused the movie!

“Are you okay?” Rachel asked..

“Yea! Just a stomach ache....” Lauren groaned..

“Go to the bathroom!” Mallory pointed up the stairs as Lauren blushed and looked back and forth nervously.

“I don't know if i can....” She said softly...

“I just peed on his stupid fucking face! It was easy! Just close your eyes and pretend he isn't there!” Rachel said with a laugh..

Lauren sat there as Mallory and Rachel waited....Lauren looked to Rachel who motioned for her to head up stairs.. Very slowly she got up and began walking up stairs to the bathroom, one hand wrapped around her bloated stomach like a pregnant woman.

Jake could still taste the foul sour piss in his mouth when he heard another pair of footsteps coming. He could tell from the way she walked that she was nervous, waiting outside the door and pacing around. He listened carefully, praying to god that she would only pee! His entire body would freeze up for a moment when he had flashbacks of the shit he had been forced to eat!

Bspppppppppppppppppppppppppppppppppppprrbfr sppbrrrrrrrrrrrrrrrrrrttt

“Ahhhhhh ahh” Jake heard a sharp wet fart from the other side of the bathroom door and then a whimper.

Slowly the door opened and the very slowly closed and locked! His heart was beating so hard he could practically hear it! In the silence of the room he could hear a woman breathing deeply, trying to catch her breath and whimpering slightly. She was too far away from the toilet for him to see though.

“Oh god” She whimpered as another wet fart spilled out, this time filling the small bathroom.

Bbbbbbbbbbbbbbbbbbsrttppf bbbbbbbbbbbbbbbbbbbbbbbbbbbbrttpppppppp

The woman began to cry as the horrid odor filled the bathroom like a poisonous fog! She began to choke before retching and running over to the toilet bowl for a second! With her eyes closed she dry heaved above him, on the verge of puking from the smell of just her own gas! Jake could see it was the dark haired girl with glasses!

The odor reached Jake’s nose and he went wild, thrashing and smacking his body against the bottom of the bathroom floor! It was the worst odor he had ever smelled! It was like rotting bacon, old maggot filled eggs, there was so much methane and it was so deep and wet! He could feel the humidity of the gas and began to dry heave back at her! She heaved harder and then gagged, spitting up a bit of phlegm into his mouth!

“Mphpphhhhh mphhhhhhhhhhhhhh” Jake cried into his ring gag as she continued to choke over him!

BBBbbbbbbbbbbbbbbbbbsppr sppbrtt spprrprt sppfprpttt

Another wet fart leaked from her asshole as she cried and began pacing around the bathroom, clearly this was hard for her, she didn’t want to!!! Jake felt a surge of confidence! Maybe she could save him! This could be his chance!

“Mpphphh mpphhhh mppphhnnnttt” Jake cried and tried to speak but he could barely verbalize any words! His mouth was crusted with shit and the ring gag kept him from closing his mouth! He tried harder again!

“LLEEASE, MHPPE MPPPEE MPNOECNNETT... PPPRR MPHHE PLEEEEMMHES. MMHPP MMONNOCENT!” Jake cried

The girl walked back to the bowl looking down at him with concern, her face red and dripping with beads of sweat from the stomach pain she was going through! The odor in the bathroom was so thick, he knew this deposit of shit would end his life!

“What was that, you said, you were innocent?” She asked

“MPPH MPPHHH MPH HH MPH HH” Jake cried and tried to say yes!

GURGLE RUMBLE GURGLE BRRRERRRRRRR

The young woman looked as if she was about to help him but then froze as a terrible painful gurgling sound came from her stomach! Her face went pale as she made eye contact with Jake.

“Im so sorry!” she said with her voice shaking, holding back tears!

Jake watched in horror as the young woman cried and spun, ripping down her black jeans and slamming her fat pale ass onto the toilet seat! The second she sat down, Piss began spraying from her pussy followed by one of the NASTIEST farts he had EVER EXPERIENCED!

Her asshole flapped and slapped, ejecting hot volcanic gas into Jake’s mouth and nose as she drowned him in urine! He got a slight whiff of the gas before the urine covered his nose and he was slightly thankful! The odor was beyond what he imagined hell would be like! He could feel the inside of his nose melting and debated sucking in a noseful of urine to get rid of the smell!

There was a horrifying splatter as Jake watched the pool of urine above him turn dark brown!

PPPPPPPPPPPPPPSPRRPRRPPSPPPSPSRPTBFPAPsppprptptttt

Her asshole erupted like a geyser, spraying shit down at such a violent rate that he was truly in shock! His entire body froze as he watched, praying for it to end! Brown and yellow liquid shit sprayed from her ass only stopping for large sticky blobs to squeeze their way out! The feces were so thick but watery at the same time, filling the bowl and forming a small mountain!

“IM SORRY, IM SORRY, I'M SO SORRY, I'M SORRY!” The young woman above him cried as her asshole erupted spraying more and more feces down!

“IF YOUR SORRY! THEN GET OFF THE TOILET AND SHIT ON THE FLOOR YOU FUCKING SLUT!” Jake screamed in his head as the feces began sinking down and forcing its way into his mouth!

Jake’s mouth was full of urine that was mixed with her thick shit but he hadn’t drank a single drop! It was so foul, the taste so sour in his mouth! It was like a porridge made out of horseradish! His eyes watered just holding it on his tongue! The more thick shit sunk down, settling on his lips and pushing into his mouth! His eyes felt like they were about to pop from his skull!

PPPPPPPPPPPPPPSPRRPRRPPSPPPSPSRPTBFPAPsppprptptttt

More shit poured from the girl's asshole as she cried and began to gag! She dry heaved so loud it sounded like she was going to puke!

“YOUR NOT THE ONE SUFFERING NOW! FUCK YOU FUCK YOU FUCK YOU!” Jake screamed in his head as more shit poured down! Her asshole was like a broken sewer vein, constantly ejecting waste!

“Ahhhhhh AHHH FUCK!” The woman moaned!

Jake gathered his strength and confidence, taking a big gulp and sucking down a thick mouthful of feces! His entire body went into shock as the sour warm shit slowly moved down his throat! There was bits of food that he could literally taste making him dry heave before the shit even reached his stomach!

BFBBBRTPPSPRRPTssssssppprttt

The girl above him literally began to weep and cry as another wet fart left her asshole! The shit was piling up so much that the bowl had begun to fill with a thick fog! Her ass cheeks were sweating and dripping into the mess below!

Jake felt her thick and watery feces hit his stomach, mixing with the previous woman's piss! There was no way he was going to make it through this shit, and even if he did, it would never stay down! The girl moaned as more shit left her asshole this time much more thick and bulky! It crashed into the mountain of shit with a wet slapping sound as Jake cried! How much fucking shit was in this bitch? He asked himself while sucking down another mouthful!

He had not taken a breath for over a minute and there was SO MUCH LEFT! It would take him hours to finish this mountain of feces! This had to be it, this was how he would die! He would never have imagined in a million years that this was the way he would go!

BBBBBBBBBBBBBBBBBBBBBBBBBFRTPppsprptptpprppfprprptptprpfprptptpttt

Jake could barely see through the visor past the mountain of feces! A massive fart blew from her asshole as she reached back wiping with a very thick wad of toilet paper! Jake watched with tears running down his cheeks! She stood and let out a groan as she rubbed her stomach! Her big pale ass jiggled left and right! Slowly she bent down, pulling up her underwear and taking time working them between her ass cheeks.

Jake felt so dehumanized, so disrespected! This random young woman was about to end his life! He was going to choke to death on her feces! His lungs were already screaming! Begging him to breath! She took some time, adjusting her panties and groaning from the pain in her stomach.

Finally she turned around to look into the bowl, her expression from relief changed instantly to one of shock and horror! Her eyes fixed on the feces as she took a step back covering her mouth with both hands!

"Oh my god!" She cried!

Jake had accepted it, this was the end! He would rather die than continue, this was no life! He took one last look at the woman who had ended him and then closed his eyes, waiting for it all to go black! He wondered what death would be like, how would it feel! Surely better than this! Jake's tongue was quivering, holding back a massive avalanche of shit!

Suddenly he felt the mass of shit move above him! He opened his eyes to see the crying and desperate girl, lowering the toilet plunger towards his face and through the mass of feces! Jake wanted to scream! He tried to but nothing got past the massive mountain of shit!

She found his mouth and began pumping, pushing hard with all her strength! Jake pulled so hard that his wounded hand actually popped from the metal handcuff! His throat swelled as the massive load of shit surged into him! He could feel his stomach expanding and puffing out from his much shit she had pumped into him! She raised and lowered the plunger again, desperately working fast to save his life!

Jake cried and screamed out as she pumped! The pressure was so intense that feces came spraying from his nose back into the bowl! He could feel her sticky shit in the back of his head and on his brain! She cried, her face red, her eyes locked onto him as she forced the shit down, fast and hard! He felt it moving into him in waves, the horrible taste rushing over every taste bud in his mouth!

He began banging the floor! Smacking it with his free and broken hand trying to stop her, but it was no use! She was panicked! She wasn't thinking! The only thing he could do was close his eyes and suffer through it!

Jake listened to her cries as more feces moved through him, the turds got thick, his stomach felt like it would explode soon as she pushed harder and harder. Slowly he began to black out and he thanked god! Part of him wished for death, but a small part of him clung to life. Maybe he could escape, maybe this wasn't the end?

Jake woke up choking and gasping! His mouth was covered with feces and his nose stuffed! He blew out as thick pieces of shit slithered out of his nostrils! The smell was beyond atrocious! Jake gagged hard, the taste was still deep in his mouth!

Slowly he reached down, rubbing a hand over his stomach as his eyes went wide with shock! IT FELT LIKE HE WAS PREGNANT! There was a sharp laughter from three girls downstairs as Jake began to cry!

PART 5

Jake knew he wasn't going to survive much longer! Each breath was shallow and watery, he could feel the build up of urine and shit in his lungs! His right hand was free, but he was in so much pain, his body so weak, escape now would be impossible! He needed to rest and then make a plan! But how? How could he rest when he was trapped beneath this spoiled bitches toilet!!

Slowly he moved his hand, flexing his fingers, feeling the pain in his ripped and tattered skin. He could not see it but a part of him knew the damage was bad! He tried to form a plan, a way to escape, but he could not grasp the thoughts while surrounded in such a horrible smell! The shit from the previous young woman clung to the sides of the bowl, drying, hardening! You would think the odor would get less intense but it was the opposite! Jake's eyes watered as he tried to get used to it, he had to!

Footsteps came up the stairs, not one! Not two! It sounded like a stampede coming towards him as the floor shook and vibrated! Jake began to cry, he was broken, completely at these young womens mercy! The bathroom light flicked on and they all walked in simultaneously chatting Mid-Conversation.

Jake could feel their steps above him on the tile floor, the toilet seat above him lifted allowing light to floor inside! All three of them were looking down at him. Mallory and her Friend had incredibly cruel smiles while the dark haired girl looked slightly worried! He felt a shiver run down his spine as the contents of his stomach stirred!

"Look at him!!! He looks like he's about to cry!!!" Rachel said with a laugh!

"I would be too if i had to drink this!" Mallory smiled as she pulled down her patterned pajama bottoms and dropped her ass onto the toilet seat!

BBBBBBBBBBFRTT

An incredibly loud fart blasted the toilet bowl echoing inside as a thick stream of hot piss began splashing the bowl! All three girls laughed as the odor began to seep out! They could hear Jake choking and gagging before the piss hit his lips!

"I just think it may be too much?" Lauren said in a worried tone

"What? The party?" Mallory asked as her stream of urine filled the bowl slowly!

“Yea! Don’t you think it’s a bit much? I mean, how much can the human body take? What if we kill him?” Lauren asked... there was a slight pause as both Rachel and Mallory began to laugh!

“The sentence was Until the end of his life, a life sentence! That means if his life ends here, the sentence is complete! Right?” Mallory asked.

“Sounds good to me!” Rachel laughed as Mallory got up and wiped, dropping the paper into the pool of piss below her! She looked back to see Jake choking and trying to keep up! He was nowhere close to finishing!

Rachel sat down on the toilet right away and began pissing, her stream was just as powerful as Mallory’s and began mixing in the bowl.

“It’s just, who are we to execute someone? You are responsible for this man’s life!” Lauren tried to convince her friends to cancel the party

“WHO GAVE HIM THE RIGHT TO DO WHAT HE DID! Huh???” Rachel screamed as Mallory washed her hands and looked over.

“NO ONE! But! We can’t just..” Lauren was interrupted by her friend

“FINE! Let’s take a vote, who thinks we should have a party?” Rachel said while holding up her hand, Mallory did the same....

“And who thinks we should NOT have a party?” Rachel asked again as Lauren raised her hand sheepishly.

“Democracy! You lose! We are having a party!” Rachel said with a smile as Mallory giggled and dried her hands.

Rachel wiped and pulled up her pants as Lauren held her nose and looked into the toilet bowl! She could barely see through the dark yellow pool of piss that had accumulated above the poor man’s lips! She could see his tongue flicking as he drank, bubbles coming from his nose and mouth as he gagged and gargled!

Rachel took Lauren by the shoulders, turned her around and pushed her back lightly onto the toilet as she shouted back and tried to get up!

“Hey!” Lauren shouted as Rachel pushed her back sitting onto the seat! When Lauren’s ass hit the seat the second time, a wet fart sprayed out!

“I’ll make you a compromise! We will only invite 15 friends! That way it’s not TOO CRAZY, he should be fine with 15 right?” Rachel asked as she looked back and forth to Mallory and then Lauren. Mallory smiled and nodded as Lauren took a deep breath. It was better than nothing.

“Fine!” Lauren agreed!

Rachel and Mallory both left the bathroom heading for the bedroom chatting, leaving Lauren on the toilet alone! She waited until they both were in the bedroom before parting her thick plump thighs and peering into the toilet bowl! The man had not breathed for over two minutes and still had multiple gulps to go! Lauren watched, seeing his mouth move as he sucked the piss down! His eyes looked like they were about to pop from his skull!

Lauren had to pee so badly, but she couldn’t, not yet! It would kill him! She pinched her bladder and flexed her muscles, holding the urine as the man choked down the last bit! She felt the watery gasps as urine sprayed her ass cheeks! He sounded so sick, it was horrible! Like he was on the brink of death! A part of her felt so guilty, but the other side of her just really needed to go! Both her friends had pissed, why was this so hard for her!

BBBBBBBBbfrtpppsprttttttt rpppttttt

Lauren gasped and whimpered a bit as a sharp wet fart sprayed from her asshole giving way to a very slimy mushy piece of shit! She looked between her legs as the dark greenish shit landed right in the back of the man’s throat! Instantly he began to choke and gag, pushing his tongue into it and breaking it up!

“Oh god, i’m so sorry!” Lauren muttered as a heavy stream of urine sprayed from her pussy! The steam and odor hit her instantly so she squeezed her legs together making a tight seal! She could hear the man under her choking, gargling, gasping, it sounded so much worse than both her friends! She could not even imagine what he was going through, the horror!

She held both her hands to her face, pushing hard as the piss sprayed from her pussy! It had filled half the bowl by the time she was done! Lauren wiped quickly and rushed out without looking back, she couldn’t!

When the lights flicked off, Jake was still struggling! His throat was on fire from drinking SO MUCH URINE! Each gulp felt like his skin was being torn off from the inside of his throat! The tangy vinegary piss was filled with pussy juices and cum giving it a bitter and fishy flavor!

His lungs screamed at him to breathe in, take a breath! But he knew that would be his end! He was not going to die here under this bitch's toilet! Jake choked and sucked, pulling more and more urine into his overstuffed stomach! He felt like the pressure may kill him but he needed the air!

Jake took his last gulp, pulling in the urine before gasping loud and choking! INSTANTLY he barfed as the hot piss came RUSHING BACK UP! His eyes went wide as it filled the bowl half way! He had to close his eyes and flex his throat just to stop the flow! With watering eyes he started again, sucking down the combined urine of all three women and feeling the burn in his throat! It had a gritty thickness to it, like red wine but less enjoyable! Way less enjoyable!

Jake got the urine down again, Gasping and taking two much needed breaths before the urine RUSHED UP AGAIN! Jake cried and prayed for it to stop but his stomach was so full! It just wouldn't stay! Crying he drank it again, and again, and again, and again! He lost count of how many times the piss came back up, after twenty it seemed pointless to remember! By the time he was done, gasping, crying, he could see a dim light around the rim of the bowl, it was already morning time. His stomach was pulsing with how full it was, and he knew that something horrible would be coming!

Rachel woke up early in the morning, holding her stomach in pain! Pizza usually wasn't an issue for her but they had overeaten a lot the previous night! She rolled over on Mallory's bed and saw Lauren sprawled out on blankets on the floor, snoring loudly! Reaching out she grabbed her phone and checked the screen, she had 47 unread text messages!

Rachel scanned the messages as her jaw dropped

"Oh shit" She muttered quietly as her stomach let out a deadly wet gurgle! It sounded like hot chunky water rushing through pipes. She read through the messages quickly and instantly regretted asking so many friends! Over 30 girls had responded, all of them asking if they could bring others! And Mallory had invited people too! This was getting out of control and it hadn't even begun!

Rachel was about to wake up Mallory but her stomach pains stopped her! Rachel actually groaned out loud from the pain making both her friends stir in their sleep! She slipped off the bed and tip toed quickly out of the bedroom and to the bathroom! The house was quiet and she could hear birds chirping outside in the morning sunrise

BBbbbfrrt sppprttttt

The peaceful atmosphere was interrupted as an extremely wet and dirty fart left her asshole! Rachel froze in her place at the bathroom door with one hand over her ass cheeks and kept them pressed together! She could feel a damp wetness forming over her ass as she swore under her breath! She would need to hide her pajama pants before Lauren and Mal woke up!

Rachel, walking with her legs together and knees straight, flicked on the bathroom lights and threw herself back onto the toilet! As Soon as her pants were done, a hellish blast of shit left her puckered rectum! She cupped her hand over her mouth in shock from how disgusting it sounded! Chunky and wet, loud and also silent! With no water in the toilet, the shit just piled up, plopping into piles of hot feces with large wet splattering sounds!

She looked down between her legs to her pants and grimaced, there was a big brown stain! She could see pieces of mushroom and pepperoni in her shit from the pizza and it made her gag! Rachel sat straight up and fanned her face, gasping and sucking in a few deep breaths as more feces exploded from her asshole! The shit was so violent that she could feel the excess spray hitting her bare cheeks!

She began to laugh, imagining the murderer below here, sleeping soundly, dreaming peacefully, and then being woken up by one of the most disgusting shits she could ever have imagined! The idea was too much for her to even comprehend! She had no idea what shit tasted like and didn't plan on finding out in this lifetime!

Jake's breath was deep and shallow when he finally got to sleep! He was completely defenceless to the onslaught that was coming his way! The vibrations from the footsteps did not wake him, nor did her big bubbly ass slamming onto the seat! Jake's eyes shot open just as the first blast escaped her shit covered asshole!

There is no way to explain how horrible of a way this is to wake up! The second Jake opened his eyes, his mouth filled with thick liquid syrup like feces! It splattered over his mouth and nose forcing its way down his throat as more and more of the chunky shit piled up above him! Rachel's asshole was like a broken sewage drain, spraying out feces and only taking short breaks to release wet pent up gas!

Jake sucked down, gulping as the feces sunk to the back of his throat! It was so hot and cheesy! He could physically taste the grease and dairy from the pizza they had been eating, the flavor traveled right through her and it was devastating to his mouth! All of his taste buds lit up on fire as he cried and sucked the foul mess down his sore throat!

Rachel moaned, pushing as she filled the toilet nearly half way with hot steaming feces! It was astounding! Steam rose from the fresh shit making her ass sweat as she sat above Jake letting out a series of wet liquid fueled farts.

Jake felt like this may be the end! He wanted to live, he had started to plan his escape, he just needed time to gather his strength, time he didn't have! The steaming shit began seeping inside of his nose as his lungs started to pound on his ribcage for air! Jake was nowhere close to breathing though! To make matters worse! Rachel began to piss! HOT STEAMING MORNING PISS rushed down, mixing with the top layer of shit and creating a thick disgusting broth!

He cried as he watched! The shit was so thick and packed down that the urine did not reach his mouth! He could see through the visor as it foamed and bubbled! It was going to be fucking hell to drink!

Jake sucked down more shit, feeling the chunky waste travel down his throat, it was so hot! He could taste spicy pieces of pepperoni and begged himself not to gag, he couldn't stop the natural reflex though! His throat pulsed as he choked, gagging and sucking in a deep breath, inhaling her shit into his lungs through his nose! She peeked down between her legs for a second before closing them from the potent odor!

Jake knew he had to keep going, he could throw up later, he had to live, he had to push onwards! Soon a day would come when he would never have to see these horrible young women ever again!

Jake choked hard, sucking down the thick mixture of piss and shit! It tasted so sour and potent! Like a heated up vinegar filled with fish juices! There were slimy chunks of cum that slid down his throat quickly, it was like little anchovies! Jake sucked it down, his eyes watering as his stomach begged for him to stop! He could feel his insides moving, his chest was so tight as his stomach bulged trying to accommodate all the feces!

BBBFRTT

Just as Jake got the urine down and gasped for his first breath in over two minutes, Mallory released another extremely stinky Post shit fart! The gas blew at Jake's face as he gasped, sucking it directly into his lungs! He could feel his head spinning as he choked, Mallory's thick hot logs were still sitting over his mouth! Please don't puke! Please don't puke! Jake begged to himself!

BBFRRTTTTTTTT

Mallory let another fart loose! It was so loud and wet spraying wet shit all over Jake's nose and lips! The odor was like rotten pepperoni mixed with old swiss cheese! Instantly he lost it<sup>1</sup> throwing up and filling the toilet with milky feces! The mixture was a blend of piss and shit that sprayed upwards like a fountain! Mallory jumped off the toilet while screaming at the top of her lungs!

"AA"

Rachel and Lauren both came running to see the commotion!

"WHAT'S WRONG!??" Lauren shouted as her and Rachel both reached the bathroom door!

"UGH.. the toilet! It back fired all over my fucking ass! UGH" Mallory moaned as she turned to show her shit covered ass! Lauren stepped back covering her mouth and gagging as Rachel burst into laughter!

"IT'S NOT FUNNY!!!" Mallory screamed

"It's kinnnnndaaaaa funny!" Rachel giggled as Mallory wiped her ass and threw the toilet paper in the bowl! All three of them could hear the toilet struggling!

“By the way, this is probably a better time than ever! But my friends, they invited some friends, and they invited some friends! I was able to stop the chain, but almost 40 of my friends are planning to be here tonight!” Rachel said, sounding a bit guilty...

“Shit!” Mallory said as she pulled up her pajama pants over her now clean ass!

“What?” Rachel asked

“The same thing happened to me! Do you think 80 is too many?” Mallory asked

“80!!!! THAT’S WAY TOO MANY!” Lauren practically screamed as she fanned her face from the odor wafting from the bathroom!

“If we cancel, or only let certain friends come! Do you know what kind of shit storm that will create?” Rachel said in a worried tone!

“Yea, was thinking the same thing” Mallory said while deep in thought...

“I’m sure he will be fine, like, most of it will be just piss right?” Rachel asked with a smile!

“THAT’S WAY TOO MUCH THOUGH” Lauren screamed!

“Gawd, it sounds like you have a crush on him!” Mallory laughed!

“YEA! IF YOU LOVE HIM SO MUCH, WHY DOON’T YOU MAAAARRY HIM!” Rachel sang as she teased her.

“SHUT UP! I just... i just don’t want to do something i’ll regret! What if he’s innocent?” Lauren asked

Both Mallory and Lauren burst into laughter as they held onto each other to stop from falling!

“You heard the judge! It was unanimous, everyone agreed he was guilty!” Mallory smiled!

“But, but... he ripped the trunk of her cassandra's car off? With his bare hands? That seems impossible?” Lauren said softly.

“UGH, who cares???? At this point! I don’t give a shit if he’s innocent or guilty! He vomited on my ass! That’s enough of a reason to end his life!”

Jake began to gasp and choke on his watery breath as all three girls looked over to the bowl!

“SEE! He’s fine! Now you can have your turn! Don’t pretend like you don’t have to go! I can see you gripping your stomach!” Mallory nodded to Lauren holding her sides as both her and Rachel turned to head downstairs!

“What do you feel like? Pancakes? OH i think we have bacon too!”

“That sounds awesome! We should order from that awesome juice place on uber eats”

Both of their voices faded as they reached the main floor and turned to the kitchen leaving Lauren alone. She walked up to the toilet slowly, holding her nose from the intense foul odor! Slowly she looked in, the sight was enough to make her burst into tears!

The man, he was totally pale! Like a ghost! His mouth covered in feces as he gasped in and out taking shallow breaths. There was a MASSIVE log of shit over his lips and Lauren could see chunks of the pizza toppings lodged in the sides! The heat from it was powerful enough to reach her face!

“Oh god!” Lauren said out loud as she imagined how he would fare throughout the party! She knew these girls! Alot of them were her friends! He was going to die tonight! She was about to turn! She wanted to run! To get help! To stop all this! But her rumbling stomach stopped her! She barely got a step before freezing! The shit was coming here and now and there was no way to stop it!

Lauren turned back to look in the bowl! She couldn’t do this! But... even running downstairs she would most likely shit her pants! Tears began dripping from her face, he had already eaten two loads of shit, surely a third wasn’t the worst thing in the world? Plus, she was going to save him, she would be his savour, so maybe this one last time would be okay?

Lauren couldn’t wait any longer as she dropped her Pajama pants and stepped back, taking a seat and resting her incredibly fat ass on the toilet! She could hear him crying under her, gasping and pleading!

“I’M SORRY!” Lauren cried as her asshole exploded!

## PART 6

He could hear them coming like an army! The pounding of feet rumbling the ground like a stampede was approaching! Music began to play as the pounding off feet got louder! And louder! And louder! Jake could feel the tremble down to his bones as tears ran down his cheeks! It was no or never! He was going to escape or he was not going to survive this night!

The news casters and paparazzi snapped so many pictures that the front lawn became an endless flash, almost like a strobe light! Cars, taxis and ubers pulled up dropping off the young women as groups of girls entered the house waving to the press! It was almost impossible to count how many women were entering the house as their high heels clicked on the pathway leading to the front door!

“I’m here with CNN where an update has come in with the Jake Jefferson case! It seems that Mallory, the young woman in charge of the man's punishment has thrown some sort of party! If you look behind me, you can see young women still entering the house! We have lost count of how many have entered.. What's that?” The newscaster pressed a finger to his earpiece listening to some information..

“It seems we have an official count and the number is currently over 100!!! If you stay with us, were going to have a comment from the parents of Mr. Jefferson in just a few moments!”

Mallory stood on her staircase looking down to the main floor in pure shock! This party had grown completely out of her control, there was no way to end it or shut things down now! The crowd was so large! Women began pouring in, some she didn't even recognize! The house was packed shoulder to shoulder with college aged girls dressed in clubwear when the music began to play loud! All at once everyone began to jump, dancing to the beat as the entire street shook with the vibrations!

Alcohol began moving throughout the crowd as bottles were passed around and women cheered at the top of their lungs! Mallor looked across the living room to where a speaker system and mixing board had been set up! Rachel was behind it with a big smile on her face waving to Mallory on the stairs and signaling for her to come over!

Mallory worked her way through the sweaty crowd of women, pushing and shoving to get to the mixing board!

“THIS IS CRAZY!” Mallory shouted over the music and voices!

“HERE!” Rachel pulled Mallory close and turned off the music!

Jake began slipping his hand over his bloated and shaking belly, he had not been able to keep up with digesting all the shit and piss and he felt like a pregnant woman! He grabbed the other cuff on his wrist and began yanking trying to pull it out from the floorboards! Suddenly the music stopped and he heard Rachel’s voice over a loudspeaker!

“WELCOME EVERYONE! I WANT ALL OF YOU TO PUT YOUR HANDS TOGETHER FOR THE ORGANIZER AND HOST OF THE PARTY! MAAAALORRRRYYY!” a massive crowd of women erupted into cheering so loud that it actually hurt his ears!

“WHERE’S THE TOILET?” Some women yelled from the crowd as everyone laughed and cheered!

“SAY HELLO MALLORY!” Rachel yelled into the microphone while passing it over to her.

“Hey everyone! I’m really happy you could all come! Just please don’t break anything in the house!” Mallory said quietly into the microphone as her voice echoed through the home!

“DON’T BREAK ANYTHING, EXCEPT THE TOILET OF COURSE!” Rachel added as all the college aged women began to cheer!

“THE BATHROOMS RIGHT UPSTAIRS! TOP OF THE STAIRS TO THE LEFT! NOW LET’S GET THIS PARTY STARTED!” Rachel screamed as all the women cheered and the music began to play loud again! The lights dimmed and colored lighting with strobe lights began to illuminate the house like a giant dance floor!

Jake could hear the pounding of feet coming closer and closer as he cried and pulled on his left arm trying to get free! HE HAD TO! RIGHT NOW!

The bathroom door exploded open and he felt the tremble of foot steps right over him! The floorboards and tiles had been broken slightly by him and now it had begun to sag inward under the girls weight!

Jake cried as the bowl was speckled with bits of wet brown feces! The urine washed some of it down to his mouth giving him a light taste of what was about to come! The bitter sour flavor of dirt and clay, his eyes began to tear as he watched her anus pucker and wince, her urine still streaming down into his mouth and throat!

She wiped and dropped the paper below into the bowl as she was literally pulled off the toilet! Jake got a quick glimpse of how full the bathroom was as multiple womens faces appeared above him! They were all eager to use him and he could see the desire in their drunk eyes!

The floorboards and tiles sunk down under the weight of all the women and they all screamed a tiny bit from the sudden drop! Jake could feel the floor pressing to his belly now, the weight of the women's feet literally pushing on him and forcing the shit back up his throat! Each step from above sends lightning bolts of pain shooting through his entire body!

A beautiful brunette appeared above him, looking down as she fought to stay in place and not be pulled away! Arms grabbed at her shoulders trying to move her from the bowl so other women could force their way in! She stared down with a cruel smile before spitting out!

"I hope you're hungry!" She said before spinning and plopping her fat ass onto the seat!

Jake barely got a moment to react! Her big cheeks came down, crashing into the toilet seat! Seconds after, her anus spread wide giving way to a massive turd, for a moment Jake thought it may not even fit down the large tube connected to his mouth! He watched as her anus hissed and cracked, the massive brown chunk of feces stretching lower and lower as the odor filled his tiny space!

The smell was horrendous! Thick and beefy! He could tell just from the odor that this log would be horrible to eat! It smelled heavy, full of fibre! There were bits of peanuts and seeds stuck to the side that he could see as it got closer and closer!

Jake let out a deep det dry heave from the bottom of his stomach! It was loud and echoed in the bowl under the strangers ass! As soon as the noise echoed throughout the bathroom, all of the women began to laugh and cheer! It was extremely loud even with the pumping music coming from the main floor.

The massive piece of shit dropped! Landing right in the tube connected to Jake's mouth and quickly sliding down towards his waiting tongue! He cried as it approached like a missile, a part of him knew this could easily be the end! The tip of the shit entered his mouth just as the next log began to emerge from her filthy asshole! The second log slides out easily, like butter! It cascaded down and crashed into the first log RAMMING IT deep down Jake's throat! His eyes nearly popped right out from his head when the bitter pungent shit smashed into his gag reflex!

Unable to get a grip on the shit with his tongue, it slowly slid down his throat, making its way down his gullet in one single piece! He screamed and cried as it moved down his throat, like a giant slug inching its way towards his stomach! His mouth was still filled with the second log as it slowly turned to mush, melting over his tongue! He could feel the thousands of pounds of weight from the large group of girls pressing on his belly! It was the most excruciating pain you could ever imagine!

Jake choked and gagged, scarfing down the shit inside of his mouth and mashing into his throat using his tongue! He was pulling on the wrists restraints the entire time but could not get enough power, that was until now! The stress of the current predicament sent his adrenaline sky rocketing as he pulled the handcuff right out of the wooden base! He felt the screw hit his bare body as both his arms were now free!

"MOVE ASIDE! OUT OF THE WAY" Mallory pushed her way through the massive crowd of women to the bathroom while pulling a friend of hers behind her!

"HEY! WE'VE BEEN WAITING! NO BUDDING!" Some random college aged girl yelled at Mallory!

"THIS IS MY PARTY, MY HOUSE, AND MY FUCKING TOILET! YOU IDIOT!" Mallory shouted back as the girl ducked down a bit trying to hide from embarrassment!

"Melanie! Trust me! It's so empowering! You're gonna love it!" Mallory tried convincing her blushing friend again as she slowly and in a very unsure manner began lifting her dress!

The floor shifted under all the women's feet as they tumbled to the left side and into the wall! All of the women grabbed onto each other in a crowd to stop from falling! They all began looking down at the floor caving in as Mallory began to get a bad feeling in the pit of her stomach!

Jake's mouth was still full of shit when he reached up to yank the mask from his face! He turned his head sideways and began vomiting, choking and spitting up mouthful after mouthful of feces! All of the women above him began to choke and gag as the foul smell filled the small upstairs bathroom!

Jake could see the fat ass on the seat above him, her asshole whinching and pulsing! He quickly slid his head to the side just as she let loose! A volcanic flow of feces left her asshole, the hot diarrhea leaking into the tube and flowing down into a large liquid pile beside Jake's face! The smell was horrendous and it quickly spread out under his head soaking his hair in her feces!

Jake cried and vomited again from the odor before reaching down and yanking hard, pulling his legs from the cuffs keeping them in place! It was now or never!

Using all of his strength Jake stood up and **BROKE THROUGH THE FLOOR!** He came up like a swamp monster, covered almost head to toe in feces and screaming as loud as he could! All of the women began to shriek and scream as they pushed on each other and tumbled over one another rushing out in a stampede!

Mallory fell to the side landing beside the toilet as Jake spun to look back at her! The woman who had caused him so much pain, so much suffering! She was sitting on the floor cowering from him! He turned and ran as fast as he could, slipping on his shit covered feet multiple times as he made his way down the hallway! The house was still packed with young women who were screaming at the top of their lungs! Most of them were still trying to find out what the commotion was!

Jake came down the stairs and everyone could see! The toilet! The dangerous convict! He had escaped! Women began fleeing from the house in every direction screaming as the news crews tried to get a grasp as to what was happening! Jake used the crowd and confusion as he made his way out the back door and leaped the fence sprinting into the woods looking like a swamp creature!

3 YEARS LATER

Jake had been on the run for months, hiding and hitch hiking his way across the United States! When he got to the border of Canada he was able to procure a fake passport that got him into the country and under the radar!

He made his way to Winnipeg, a small somewhat nowhere town in Canada located in the province of Manitoba. It was a very small country town and he was sure no one would ever recognize or find him there!

Years passed but the memories of those horrible days never left his mind! He would wake up at least once a week, sweating and screaming as he tried to push the countless asses off of his face! He could still taste the sour acidic shit and at most meals it was hard to even eat! He had lost fifty pounds and was almost unrecognizable to how he used to be!

“Are you gonna be okay closing up today?” Mary asked Jake as he looked up and smiled from the cash register!

“Of course, you take off! I got this!” Jake said with a smile!

“Thanks Jeremy! You're the best!”

Jake watched his co worker leave as he breathed a sigh of relief! He had gotten a job at a local restaurant and under the disguise of the name Jeremy and had been working there ever since he arrived! It was a nice mom and pop breakfast place, just the perfect amount of work to keep him occupied but not too stressed.

Just when he was about to lock the cash, the front door bell rang signaling a customer had walked in! Jake could hear the voices of two young women as he looked up and froze! His muscles completely stopped, it was like he had seen a ghost! everything inside of him told him to run, but he just couldn't!

Jake began to cry as both women looked up to lay eyes on him! They too froze but from a different reaction!

Jake was looking right at Mallory, AND CASSANDRA! HER SISTER!

Jake turned and ran for the back door, yanking on it and then remembering it had already been locked with the master key in the office! He could hear both the women behind him giggling as they locked the front door to the shop!

“WELL WELL WELL, LOOK WHO IT IS!” Mallory said while approaching the front counter her eyes fixed on Jake!

flooded his throat! He could feel it in the back of his head! In his lungs! And filling his stomach!

Cassandra finally got off the seat, a thick red rim around her cheeks from the pressure of the toilet seat! With his mouth full, Jake whimpered and cried! Slowly Mallory approached the bowl and looked down at him...

“I HOPE YOUR HUNGRY.. DOG!”

The End?
