

We finally captured Tigre, boss! Man, didn't expect him to have such an enormous cock. Look at this size of this thing.

TIGRE IN Tiger Trap!

Nonsense, he is perfect for my experiments. A little of our current product... directly into the man's glans.... yes, there!

Aghhh!

Tigre wakes up screaming as the needle drives deep into his massive penis.

Wow, Boss!
He shot his load in
seconds!

Now, Tigre,
you will learn
what it is like to
submit to your
master. With my drug
in you, your strong
young body belongs
to me, now. Your
mind will
follow!

Never, you freak!
You'll never break me!

Exhausted from his massive orgasm, our young vigilante is
overpowered!

Quivering as he repeatedly shoots his cum, Tigre soon faints under the orgasmic onslaught!

You even move, dawg, I'm gonna nail that monster cock to your stomach!

Later...

Dude is hung like a bear. I gotta have some of that!

Suck your own cock, super-dude. Or die!

Can't.. .resist his commands... don't... don't **WANT** to... fuck, my dick, **SO** fucking **hard**... mmmmm

Tigre struggles to resist, then... as he touches his cock, all thoughts of resistance vanish. All he can think about is drinking loads of his own fresh hero cum.

WOW!

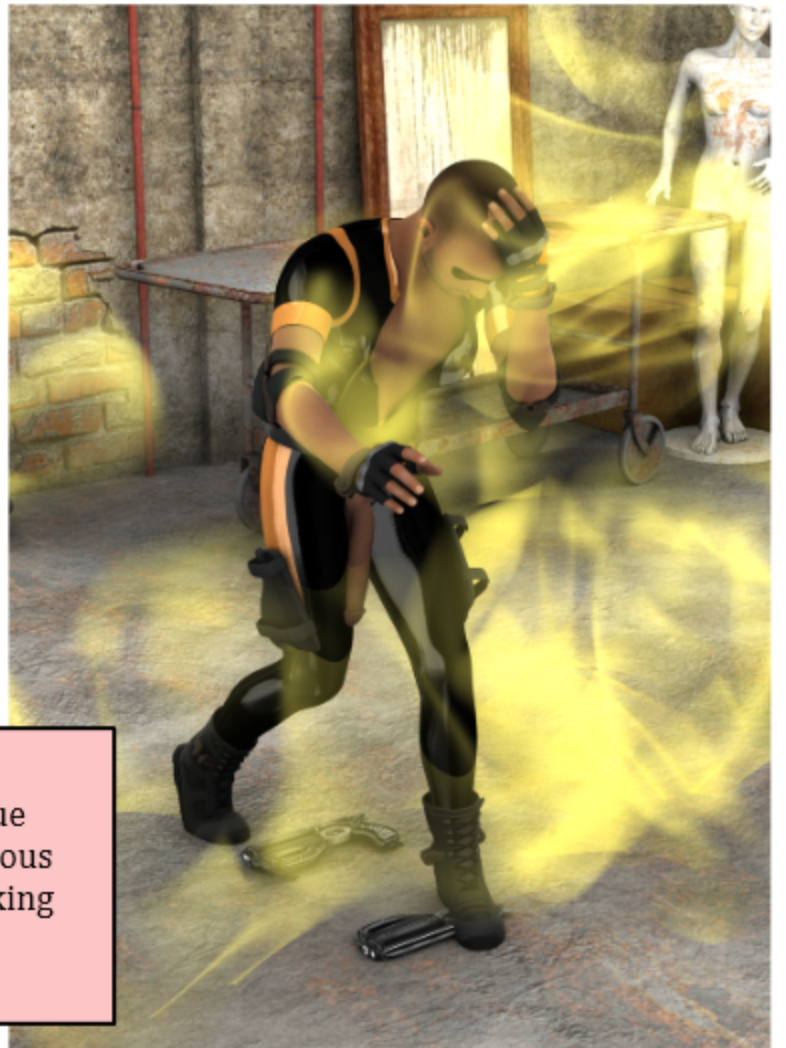

Tigre twists free and pulls his guns!

Then 'The Boss' reveals his true nature! He gestures, and poisonous mist rises up around Tigre, choking the young vigilante!

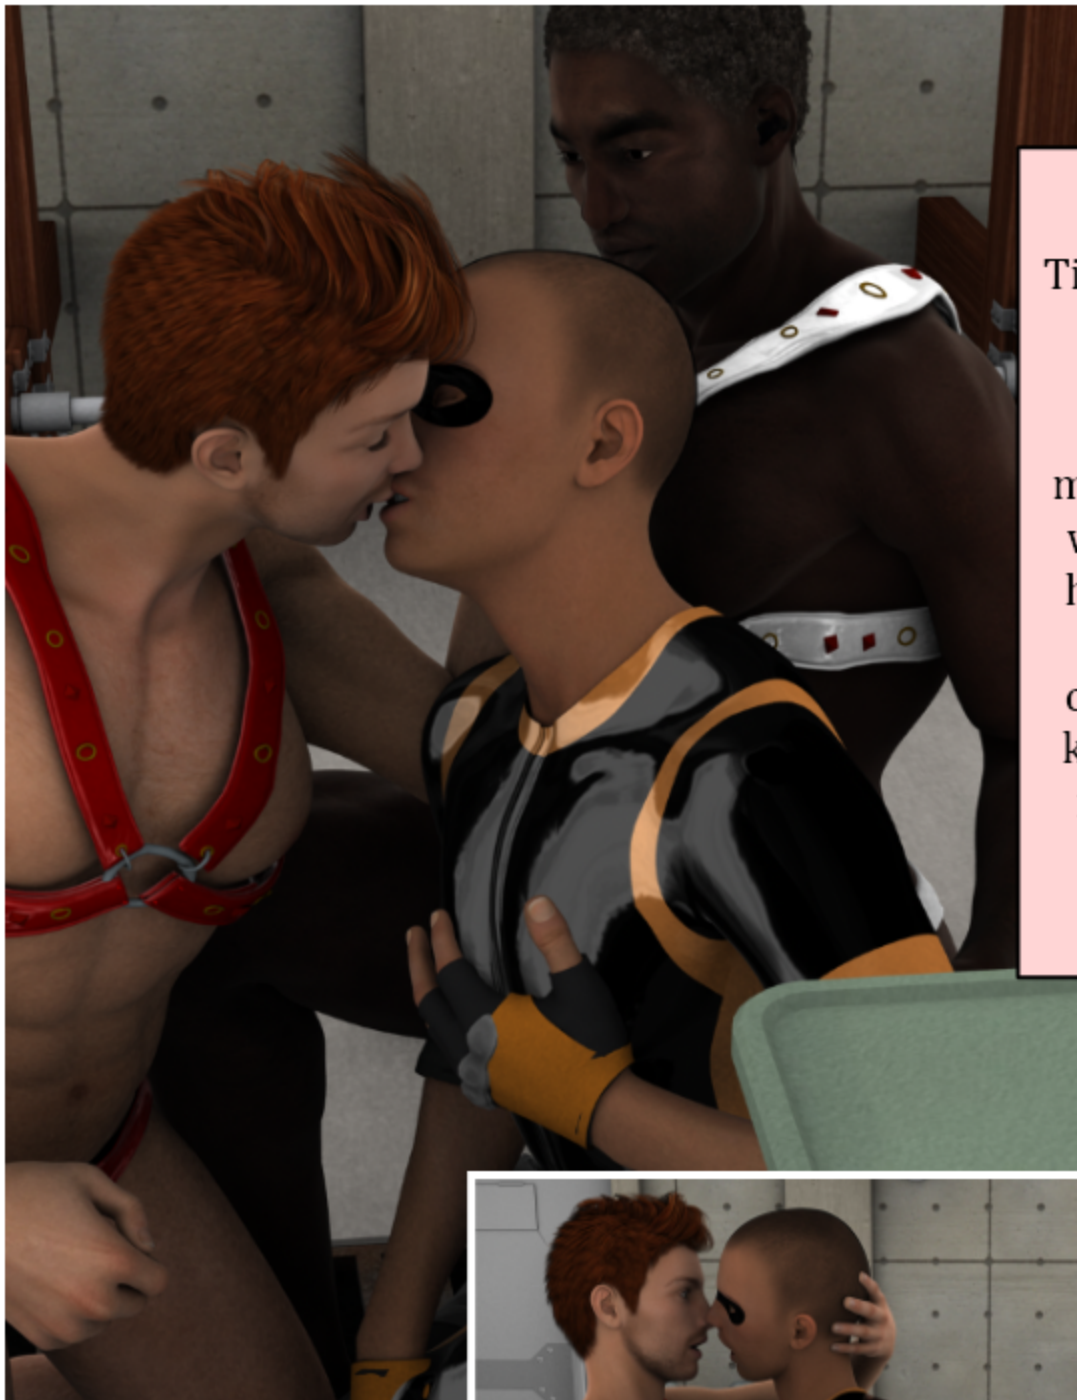

The mist cause Tigre to orgasm uncontrollably, until he faints again!

Tigre is shocked awake by a jolt of electricity! Conditioned to respond to pain by now, his sudden orgasm is not a surprise. Now, he knows he will submit.

Tigre moans as his captors caress and stroke his muscled form, worshipping his lean hard body. He cannot resist kissing them, nor does he want to!

The two men takes turns with the lycra-clad jock's hard body! They unzip a seam, and get access to that hot ass!

Soon, Tigre is begging them to let him cum!

The master appears, and Tigre eagerly suckles the man's cold, slick penis.

The former hero moans in helpless pleasure as his new master laughs in triumph!

The master slowly strokes the hero's quivering penis until Tigre cries out as he shoots his cum.

The master lunges in to sink fangs into the helpless man's throat!

Tigre will be his slave forever, now!

END!
