

Name:	Spoon of Echoes	
Rare (one of a kind)	Worth: 500 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon is a simple bent metal bar with a spoon formed at on end. By hammering the spoon portion onto any object, the spoon will leave a glyph onto the surface of it. By placing the spoon to your ear with the bar end pointed upward, you can listen from the point of glyph's location for up to one hour. The glyph glows slightly and if disturbed will not work.</p>
