

I don't know if I'm ready for this, Cindy.

Sweetie, you're only nervous. That's only natural.

I'm... I'm not sure any of this feels natural anymore.

A scene from a video game showing two nude women in a bedroom. The woman on the left has straight brown hair and is looking towards the woman on the right. The woman on the right has curly dark hair and is looking back. They are standing in a room with a nightstand, a lamp, and string lights in the background.

Hey, stop right there. That's your mom talking! Don't let her get into your head. I've—I mean, *you* have—fought too hard to become the beautiful woman you were meant to be.

But what if she's right? I mean, things moved so fast after you caught me wearing your dress. I know you said the look on my face made it seem like I was in heaven, but I... I always just thought it was only for kicks, you know?

Yeah, and I loved you too much to let you delude yourself. My fiancé was not a pathetic crossdresser. He—*she*, sorry—was trapped in the wrong body.

I still don't know... I just feel confused.

I don't know how! I mean, you have a pussy now, remember? It wasn't a mistake, babe, but even if it was, that cock has sailed. Now, will you please stop embarrassing us? Raúl has waited months for you to heal up.

But I never thought I'd be having sex with guys. I mean, when did we talk about that? I thought it'd be you and me forever—

It will be, baby. But every girl needs some dick sometimes. You'll see. Uh-oh, here comes Raúl!

Holy shit, look at his hard-on!
The poor guy, you remember
what that used to feel like,
right?

Y-yes.

So touch him like you
would've touched yourself.
You can't leave him like that,
right? I mean, you know how
much it hurts just to have an
enormous boner all day. Well,
maybe not enormous in *your*
case, but you know what I
mean.

I... I guess you're right.

Oh... Oh... Oh... Oh
my God! He's *inside* me!
He's... Oooooohh...

See, girl? I knew you'd
like it once you gave it a
try. I'm proud of you.
Now don't hog him all, I
want some too!
