

**All characters in this story are 22 years or older.**

Izuku "Hey, you need me to catch you up to speed with how I got here?"

**Yes, I'd like to know. or No, it's not important.**

**Yes**

Izuku "Okay, I'll give you the short version. I wanted to be a hero, and it wouldn't be until graduating high school that I found someone else who believed I could be."

Izuku "Nana Shiruma, the Symbol Of Peace herself, saw potential in me, and allowed me to inherit her quirk."

Izuku "Over-seeing my training, I entered the U.A. Daigakkō, the secondary school for would-be heroes and heroines."

Izuku "I'll spare you my tumultuous time at U.A. and just say that, somehow, I actually became quite liked. After a school life, up to and through high school, of being deemed little more than a hopeless dreamer... it was surreal."

Izuku "But Nana would soon reveal the secrets of her quirk and my inheritance of it."

Izuku "One For All came from a villain known as All For One. He had what was known as the "Dolls For One", a set of female warriors to serve him, and for him to take over if it ever got that bad."

Izuku "Nana was his first success. Her escape made her his last as well."

Izuku "I would, over just under a year, learn how many quirks One For All had stored."

Izuku "This brought me into an all-out war against his forces, where I'd meet and work with pros I never thought I'd even talk to, let alone work aside or befriend."

Izuku "The result of this was a gritty victory: All For One fell by my hand but at a hefty price."

Izuku "My quirk has been nerfed, as I only have the super strength and endurance at my disposal. Every other power has been lost on me since then, and I don't know if I'll ever get it back. Even my super strength isn't what it once was."

Izuku "I could only imagine what it'd be like as a shell of my former self. Barely on par with anyone, going to struggle to keep up. "Defeated" is the only word that described me heading back to my classes."

Izuku "The opposite happened. My closest friends were relishing in how I was still alive, let alone able to stay at the dorms again."

Izuku "I had to take some special quirk recovery courses to learn what was wrong, but I ended up befriending heroes and heroines I otherwise never would have."

Izuku "In the fallout of All For One's demise, I planned to help Nana round up All For One's accomplices, namely the "Dolls For One" who had sworn allegiance to him, beyond a temporarily brainwashed Nana back in the day.."

Izuku "I found myself taken off this mission quickly with the apprehension of Himiko Toga, the youngest of the Dolls, and someone I've had a few run-ins with."

Izuku "How we were able to get her off the death penalty is a miracle beyond my understanding, but Nana and I were able to convince the government that Himiko wasn't beyond saving."

Izuku "So she's been attending U.A. as a series of tests have gone on. Those are confidential; I have no clue what's gone on in them."

Izuku "But they seem to be working, and Himiko has integrated in way better than I ever thought she would."

Izuku "Ochako and I both swore to look after her. She's been appreciative, to say the least."

Izuku "So with Himiko technically my responsibility but with her having little interest in leaving the campus, I found myself with a lot of free time as of late."

Izuku "Which brings us to today."

**No**

Izuku "Okay. To be fair, you don't need to know everything."

Izuku "Really short version: Nana gave me powers, my powers are just a weakened "super strength", and Himiko has joined us at the U.A. Daigakkō."

**Meet-Up Point**

“Outside Mei’s Laboratory.”

Izuku "After everything she did for us in the war against All For One, it's only fair the workshop is owned by her."

“Izuku enters the room.”

Mei "Ah, Number One! Great to see you again!"

Izuku "(She calls me that because I'm her number one customer. I doubt she cares about my hero rank.)"

Izuku "Hey Mei. Ochako texted me, you need my help with something?"

Mei "Yep! Melissa and I-"

Izuku "(Oh, she actually learned her name. That's nice.)"

Mei "-have been working on some of our biggest breakthroughs!"

Izuku "Oh?"

Mei "We've learned how to create hypnotic devices and gadgets!"

Izuku "Uh... what use would those be to us? To heroes at large, even?"

Mei "Several! Interrogation, studying quirk psychology, possible quirk awakening & evolution, personal fun, further quick technology replication-"

Izuku "Wow wow wow, repeat those last two."

Mei "Sure! Personal fun is just that, two people using it to have fun. And this stuff is based on what is known about quirks. One of the Dolls recently apprehended gave us a LOT of information about hypnosis quirks."

Izuku "And... this won't be abused?"

Mei "Not on my watch! These only work when the target properly agrees to it!"

Izuku "And you want me to...?"

Mei "Use it, of course!"

“Izuku doesn't immediately answer, and looks rather confused.”

Mei "So, Melissa and I were talking about it earlier when helping Gravity Girl with something, and when bringing up that its effectiveness during sex is the part left untested-"

Izuku "What?!"

Mei "-that one of us would need to test it. You're easily the most honest source of feedback for my babies I have here, so you came to mind-"

Izuku "Me?! Hypnotizing others for-"

Mei "-and I could be the test subject. But then Gravity Girl interjected and said she would offer herself as a test subject, but ONLY if I get you to do it."

Izuku "...Uh, you sure you heard her right?"

Mei "Crystal clear! So whatcha say, Number One?"

“Izuku ponders for a moment.”

Izuku "I... need to talk with her first."

Mei "That's fine! I need a few days to finish the first baby anyway. Let me know tomorrow!"

“Later in Izuku’s Room.”

Ochako "H-hey Izuku."

Izuku "Hello, Ochako. Did you have a good day today?"

Ochako "Yeah."

“...”

Izuku "So... did you visit Mei today?"

Ochako "Yes! I did and I mean everything I said!"

“...”

Izuku "I heard \"Yes\" but that's it. Are you okay?"

“Ochako nods.”

Ochako "Yeah. I just... I'm nervous. She told you what the test was, right?"

Izuku "Yeah. It's not easy to talk about, is it?"

Ochako "No, it's not. In the moment, I just... I just... said it..."

"..."

Izuku "You don't have to agree to this if you don't want to-"

Ochako "But I've been thinking about it since then."

"Izuku gives her a moment to gather her thoughts."

Ochako "The idea of someone getting to you first made me interject. We've faced death multiple times over... what am I afraid of?"

"Ochako gives Izuku a determined look."

Ochako "The worst that can happen is that you say no to me but yes to Mei... which absolutely will happen if I do nothing..."

Ochako "So yes, I'm willing to do this with you! I don't care how many ladies join in on this! I want to be first-"

Izuku "What?! Can... can you repeat that last part?"

"..."

Ochako "She didn't tell you?"

Izuku "Uh... I interrupted her. I was thrown off by her saying you erm, wanted to."

Ochako "Thrown... thrown off?"

Izuku "It seems too good to be true."

"..."

Ochako "Well, it's not. I meant it."

"After more Silence, Izuku pulls out his phone and dials up Mei."

Izuku "Mei? Yeah, it's Izuku. I - yes, I'm talking with Ochako right now."

Izuku "Is it true... a lot of ladies are going to join? I see... it really is open to anyone?"

Izuku "You sure you can't get more than one guy?"

Izuku "No?"

"Izuku listens to Mei explain what he missed."

Izuku "Alright... I'll, I'll do it."

"Izuku hangs up, and looks at Ochako."

Izuku "Ochako... would..."

"Izuku gulps."

Izuku "Ochako, would you like to be my first test subject for Mei's experiment?"

"Ochako does not immediately answer."

Ochako "I don't know... you just offering it to me? With all the beautiful women on this campus, it seems too good to be true."

Izuku "(... She's looks really good when she's smug)"

Izuku "I, I also want to go out with you."

"His comment immediately disarms Ochako."

Ochako "I... I'd love that."

Izuku "Well, when would you like to-"

Ochako "Now."

Izuku "Now?"

Ochako "Now. I... I don't know when Mei will finish one of her damn devices. But I'm not giving anyone here an inch."

"Izuku nods and gets up, heading for the door."

Izuku "You're right. Let's not waste any time. We can go get some dinner."

Ochako "I'd love to, but I c-c-c-can't."

Izuku "Huh, why can't you-"

"Izuku turns around and sees Ochako without a shirt on, bra exposed."

Ochako "My... shirt stopped working. I, uh, I need time to fix it. Can you g-g-go grab us some grub and bring it back here? I'd r-r-rather eat her. With you."

"Izuku silently nods, taking in the sight, and leaves to go get some food from Lunch Rush."

??? "Hey, Izuku~"

"Izuku turns around to see a friend run towards him."

Izuku "Oh, h-hey Mina. Peppy as ever, huh?"

Mina "You know it~ So what's with you? Mr. Green is looking a little more pink than usual."

Izuku "Oh, I... um... you see..."

Mina "Loosen up a little, Midori!"

\*Mina gets a smug, seductive look.\*

Mina "I think pink looks good on you."

"Izuku just makes a series of noises, failing to find any words to move the conversation forward."

Mina "It seems your dinner is ready."

Mina "My... that's a lot of food for one man. You're not a big eater."

Mina "And you've never ordered that much mochi. Either you suddenly have a sweet tooth, or..."

"Mina gets smug"

Izuku "Uh... I need to get going, Mina. Sorry."

Mina "Tell Ochako I said hi."

"Back at Izuku's room."

Izuku "Okay, I got dinner. Also, Mina said-"

"Ochako is down to her underwear."

Izuku "H-hello there."

Ochako "Hehehe, I guess she caught on?"

Izuku "If you can believe it, the mochi was the giveaway."

"Ochako giggles as she accepts her food."

Ochako "It's... it's a good thing she didn't follow you."

Izuku "Yeah. It seems your pants stopped working too. I'd, well, hate to have to explain that."

"Ochako giggles as she and Izuku eat dinner."

Ochako "Mmm! I love mochi more than I should!"

Izuku "What makes you say that?"

Ochako "My weight. I'll totally become a rolly-polly if I just eat what I want. I'm already not as lean as I should be."

Izuku "Should be? You look fine to me."

"Both pause in silence they what Izuku said set in."

Ochako "You're just... you're just saying that because there's a naked woman in front of you."

Izuku "What? No, I'm not!"

Ochako "I mean... it's easy to find a girl hot when she's-"

"Ochako's eyes open in shock as Izuku removes his shirt."

Ochako "I-Izuku?!"

Izuku "It doesn't seem right for me to be comfortably clothed while you're..."

"Both gulp."

Izuku "Not."

"Ochako starts muttering nonsense as she looks at him."

Izuku "Ochako? Are you okay?"

"After a weak nod and more muttering, she finally lunges onto him."

Izuku "Ochako!?"

Ochako "Deku?"

Ochako "Sorry, just... I wanted your... muscles out of sight for a moment."

Izuku "I mean... I'm hardly that buff.."

Ochako "Shh."

"..."

Ochako "You know... most ladies would kill to have a man they're crazy for hold them in his strong, protecting arms."

"..."

"Izuku wraps his arms around Ochako, returning the hug."

Ochako "Thanks."

Izuku "Sorry, I should have picked up on that sooner."

"..."

Ochako "Can.. can I ask for something?"

Izuku "Always."

"Ochako gives him a kiss."

Ochako "Try to have a little confidence in yourself."

Ochako "That side of you when you're being a hero - that stares death and disaster in the face without blinking."

Ochako "It gets to me... in a good way."

Izuku "I'll... I'll try-"

Ochako "Try again."

"..."

Izuku "I... I will."

Ochako "You will?"

Izuku "Yes, for you."

"Ochako kisses him again."

Ochako "Thank you."

"Ochako kisses him for a longer time."

Ochako "In fact, let me repay you for your promise."

"Ochako grabs Izuku's hands and moves them behind her back to her bra."

Ochako "Here, let me show you how to get this off."

"Izuku makes no effort to fight her guidance."

"Cuts to a properly topless Ochako hugging Izuku."

Ochako "You know, most women like being able to take this off for the day."

Izuku "Hehe... uh, I'd be, er, happy to help you do so any... time...?"

"Ochako kisses him again."

"Ochako stands back."

Ochako "\*Giggles.\* It's great to know. So..."

Ochako "Feel free to gander."

"Izuku takes her up on her offer."

"Happily."

"For a long while."

Ochako "Hehehe, I guess you really do find me... appealing."

Izuku "I mean... you gave me reigns to ogle."

Ochako "Yeah, I did. I'm just... glad you want to."

Izuku "(You've always looked good, not matter.)"

Ochako "You don't mind if I... look at you too, right?"

Izuku "Oh, right! It's only fair."

\*Izuku started fidgeting out of his clothes.\*

Ochako "Uh... D-Deku? You don't have to-"

"Before she can finish, Izuku was properly nude."

Izuku "Sorry... this is supposed to be about both of us, yet I've done nothing for you."

"Ochako silently observes him, only because words fail her at the moment."

"Eventually, she does find something to say."

Ochako "Th... thank you."

"Ochako awkwardly removes her last article of clothing.."

Ochako "There. Now... now we're even."

"Izuku suddenly has a flashback to a very uncomfortable conversation."

Izuku "Do... do we need to talk about this? I've already had \"the talk\" when I graduated high school."

Nana "Yeah. Your mother agreed with me that I should."

"Izuku gulps."

Nana "If you ever find a girl you're willing to go all the way with-"

Izuku "Wear a condom-"

Nana "Activate your quirk."

".."

Izuku "Won't... won't that kill her?"

Nana "BEFORE you do anything, you dork!"

"She noticed his confused look."

Nana "One for All's power can, well, damage reproduction. For me, it's... a one-and-done deal. I never had a kid or married for a reason."

Izuku "I'm sorry to hear that, Nana. That's... you deserved better."

Nana "Don't worry about an old woman's worries!"

Izuku "But you're not that old-"

Nana "Besides, for men like you, it only affects your sperm. You'd have to not use your quirk for 3 days straight to have the best chances of having a kid."

Nana "I know this because when All Might gave me One for All, he revealed a little too much. But for you, it means going 100%, even for a few seconds, will buy you a few hours at minimum."

Izuku "Uh..."

Nana "I bet the lucky lady would find it pretty hot, too."

Izuku "(This is way too direct for comfort!)"

**Keep remembering, it's coming to mind for a reason! Or Wake up, you've heard enough!**

**Remember**

Izuku "B...but, All For One almost destroyed my quirk. It's just All-Might's High Power at this point."

Nana "And that's the part that causes it."

Izuku "Well, I doubt you have much to worry about. I don't see myself getting a girlfriend any time soon."

Nana "And with that attitude, you never will."

Nana "Some advice, dear, when you like someone, even if it's just as a friend let alone someone you could love, don't throw yourself down in self-pity."

Nana "Some awkwardness is really cute, it's honest. Self-pity isn't, it's outward coping."

Izuku "R-right."

Nana "I know, your confidence doesn't build on command. It's easier to believe in yourself when fight or flight kicks in, especially someone as selfless as you."

Izuku "I... I mean..."

Nana "See? You fought the most dangerous criminal to the death without blinking. And just talking about getting intimate is frightening."

Nana "So having confidence isn't an instant switch like bravery is. You'll need time to do that."

Nana "And your lovely lady will need the same. Don't go into a night to give or get the world, you both will be more open to things the more nights you spend together."

Izuku "O...okay. Take my time. I'd probably do that anyway."

Nana "You'd be surprised. We're heroes; how dangerous our jobs are hangs over our heads, and makes some people brash. Savor your time with anyone you love, but don't rush it."

Nana "And for each night, as you both get into the mood, you'll see what you're both comfortable with."

### Wake Up

Ochako "You... you okay, Deku?"

Izuku "Yeah, I just remembered something important."

"Izuku activated One For All."

Ochako "Is everything okay?"

Izuku "Yeah. I just remember something. Using my quirk just before we, urm... do it..."

"Both blush."

Izuku "It makes it safe."

Ochako "You mean-"

"Izuku nods"

Izuku "I'd have to not use my quirk for a few days to impregnate someone."

"..."

Ochako "Well, if it's safe..."

Ochako "Go crazy."

Izuku "Not yet."

Ochako "Mmm?"

Izuku "One step at a time. Let's, uh, how do I put this..."

Ochako "Set the mood?"

Izuku "Yeah!"

Ochako "Hehehe, well, lead the way!"

Aftermath:

Ochako "That was... great!"

Izuku "Yeah! I, I'm really happy I got to do that with you."

Ochako "Same. I loved it."

"..."

Ochako "Can I stay the night here? I'm tired, and I-"

Izuku "Yes, I'd love it if you did!"

Izuku "Good night, Ochako."

Ochako "Good night, Deku."

"The next day."

Izuku "Hey, Melissa!"

Melissa "Oh, hey Midoriya! Sorry, Mei's not here right now."

Izuku "Wait, how did you know-"

Melissa "Ochako stopped by earlier. Apparently your, \*ahem\*, \"testing\" went very well."

Izuku "I guess it makes sense she'd talk to you about it."

Melissa "She was talking about wanting something to help you two tonight."

Izuku "(What? Did I do something wrong? She seemed so happy last night. Then again... she could have been lying about that. For my sake-)"

Melissa "She was talking as if she let you down or something. Did anything happen?"

Izuku "No! Last night was one of the best nights of my life, I swear. Did I... make her feel inferior or something?"

What did-"

Melissa "I think she's just having doubts in herself."

Izuku "Really?"

Melissa "It's normal for people to doubt themselves, especially when things seem to be going their way."

"Izuku suddenly pulls out his phone and texts Ochako something."

Izuku "[I love you. I should have told you last night before we did anything.]"

Melissa "You okay? You look very tense."

Izuku "Yeah. Just telling her something I should have."

Melissa "I know she'll appreciate it. But I am glad you're here."

Izuku "You have something ready for the..."

"Izuku gulps"

Izuku "experiment?"

Melissa "Yeah. I was working on something unrelated based on what we're learning about Himiko's quirk. I wanted to make a pill that can make blood evaporate quickly when it touches oxygen."

Melissa "I was hoping it would reduce bleeding. Unfortunately, the opposite happened. The blood could never dry over a light wound."

Melissa "Light wounds would cause worse blood loss, and the lack of blood made worse wounds harder to notice."

Melissa "Poor Haru... I need to make it up to her."

Izuku "Do you want me to test an improved version?"

Melissa "Oh no. Ochako's request gave me an idea to modify the pill. I'm not a master of chemistry, but I was able to get it to work with sperm instead of blood."

Izuku "Uh..."

Melissa "It could help you two do more... intense stuff after each other. It won't work on anything that gets in her, but on the outside, or if something drips out, it'll vanish pretty quickly."

"Izuku looks at her blankly."

Melissa "I call it: The Day Before Pill."

Izuku "(That could use a better name. Sounds like a scam.)"

Izuku "Well, uh, sure. I'll try that tonight. Especially if she enjoys it."

Melissa "I'll make you one. If this works, I'll make you a jar full of them."

Izuku "(I hope this helps with whatever Ochako is bothered by. Wait, my phone!)"

Meanwhile:

Ochako "Thank you. Both of you."

Tooru "No problem. What's on your mind?"

Mina "Did you and Midori have a good time last night?"

Ochako "Yeah. It was... it was wonderful."

Tooru "Then what's got you down?"

Ochako "I only lasted one round with him."

Mina "Mmm?"

"Ochako goes quiet for a minute."

Ochako "I... we..."

\*Ochako sighs and composes herself.\*

Ochako "He bought me dinner. Because I asked him to. I told him to show more confidence in himself. He said he enjoyed our time connected. He let me stay the night with him."

"Ochako gives a more detailed recount of their night, including Mei's experiment."

Ochako "And all I can think of today is... am I actually good enough?"

Tooru "Yes."

Mina "Absolutely."

Ochako "But-"

Tooru "You said he asked Mei on the phone if another guy could also be part of it, right?"

"Ochako nods."

Ochako "Yeah. Do you think he-"

Tooru "No. I think he wanted other guys for the other girls, and wanted you for himself."

Mina "Totally. If the night went as you said, he got nervous at the idea of being with multiple girls in this little \"test\". Sounds like he was ready to keep his treasure."

"Ochako found herself able to smile again."

Ochako "Hehehe... you guys... I think you're overselling me."

Tooru "Naw, you're underselling yourself!"

"Mina smiles and nods.\*"

Mina "And for your concern of only lasting one round: that'll change. How about you two use tonight to \"train\" then?"

Ochako "Train?"

Mina "Yeah. Skip the romance tonight, you both already know you love each other. Instead, explore what you're comfortable with."

Mina "And since your \"first-time nerves\" won't be wrecking you the entire time, you'll certainly get more runs with him."

Tooru "Yeah, more time in the oven."

Mina "More practice with your posture."

Tooru "More food to satisfy your cravings."

Mina "More Pow with the chicka bow-wow."

Ochako "OKAY I GET IT!"

"Mina and Tooru burst out laughing. Ochako eventually joins in before thanking them and leaving."  
"..."

Tooru "You thinking what I'm thinking?"

Mina "We give them a few days to get real comfy with each other?"

Tooru "And then ask Mei about volunteering for her test?"

Mina "For science?"

Tooru "For science."

That night.

Izuku "Hey Ochako."

Ochako "Hey, Deku."

Izuku "I got your text. You sure you want to skip any dinner-"

Ochako "I already ate, and I asked you to as well. I... I want to skip the formalities this time."

Izuku "Ochako?"

Ochako "Last night was amazing... but I want to offer more. I want to be able to last long into the night with you if ever want that."

Izuku "Well, um... you're in luck. Melissa has something for me to test. She gave me something that makes my... semen... vanish if it isn't in you."

"Ochako looks blankly at him."

Ochako "If that's the case, we need to test thoroughly."

"Both quickly undress."

Ochako "Let's... let's go."

The next morning

Ochako "Good morning."

Izuku "It's a great morning."

Ochako "Yeah, it is."

Izuku "Wanna get ready for the day?"

Ochako "No... but we probably should."

—

“\*Izuku walks down a hallway on campus, before meeting another classmate.\*”

Momo "Hello, Midoriya. May I talk with you for a moment?"

Izuku "Sure, what do you need?"

Momo "Well, first, I want you to know that the ladies in 1-A know about the test."

Izuku "O...oh..."

Momo "Don't worry, we won't tell anyone. Between Mineta, Denki, and Nieto, a lot of drama would unfold if we did."

Momo "I also knew before Ochako was a part of it. Melissa asked to help her study this subject matter."

Izuku "Study? How?"

Momo "Reading, of course. What I read wasn't of much help to Melissa, but I thought it could be of help to you and your role in this."

Momo "So, would you like to hear?"

**“Yeah, lay it all on me!” or “Sure, but let’s make it quick.”**

**Long**

Izuku "Yeah, I'd really appreciate some help."

Momo "Great! So here's what I learned."

Momo "As you and your partner engage in actions, lust will develop between the two of you. Many actions won't be available until your partner is in the mood."

Momo "Once you get them to roughly 20% maximum lust, that'll unlock intercourse options."

Izuku "(Momo can be so blunt when it's a matter of books and information, regardless of whatever the actual subject matter is. It's kinda cute)."

Momo "Getting her lust to 50% will unlock their special option. This is something only that partner can do, but it'll end your night together."

Izuku "Is there any benefit to getting her \*gulp\* lust to 100%?"

Momo "Not immediately. There's no punishment going over it either. 100% is as high as it gets, functionally speaking."

Momo "You will, however, receive more confidence."

Izuku "Confidence, huh?"

Momo "Yep. Lust resets every morning, but confidence and trust will carry on."

Momo "Your partner's trust in you goes up by 1 every night, no matter what. Your confidence, however, goes up in increments of 5 based on your actions."

Momo "5 points for spending a night with them, 10 points for them gaining trust in you, and 5 points for maxing out lust for the night."

Izuku "So... I get 20 per night no matter what?"

Momo "Nope."

Momo "First, you can end the night as soon as her lust reaches 50."

Momo "You'll need to keep track of it if you care, but know that teasing earns 5 lust, and intercourse earns 10."

Momo "Plus, trust caps out at level 5 for each partner. Unless you're dating her-"

Izuku "So Ochako."

Momo "(He was so quick there...)"

Momo "Yeah, Ochako. She'll never max out in trust, so you won't get any diminishing returns with her."

Izuku "Makes sense. A relationship is never done building."

Momo "That's the idea! But be careful: partners can get lonely. If you go a very long time without spending a night with someone, they'll sooner or later call you up for one."

Izuku "That doesn't sound bad."

Momo "By itself, it's not, but you won't get any trust from it, and you'll actually lose confidence."

Momo "Try to spend a night every now and then with them, and it won't be a problem. A single night will reset her loneliness even if there's been no issues."

Momo "Finally, all three stats determine actions available."

Momo "Her lust will determine when she's ready to go further that night."

Momo "Your confidence will determine what you're willing to do to her."

Momo "And her trust will determine what experiments she's willing to partake in."

Izuku "Okay, anything else I'm missing?"

Momo "I don't think so."

### **Short**

Izuku "Sure, but can I get the short of it?"

Momo "Absolutely, I enjoy the challenge of abridging information!"

"Momo takes a moment to choose her wording."

Momo "Okay, so you have lust, confidence, trust, and loneliness."

Momo "Lust is built over the night and resets each time. Confidence and trust carry between nights. All three determine your options."

Momo "And loneliness carries on until you spend a night with a partner. Don't let it get too high, you won't get any trust for the night and lose confidence in yourself."

### **Momo's thanks**

Izuku "Thanks, Momo!"

Momo "No problem. Oh, may I ask you something?"

Izuku "Of course."

Momo "Are there any girls in 1-A you really wanted to join in this test?"

Izuku "Uh..."

Momo "It's okay if you don't."

Izuku "No, it's not that."

Izuku "Ochako is someone I've always dreamt of wanting to be with me."

Izuku "I... I never imagined that others would be interested in me."

Izuku "But I wouldn't be upset either. Both appearance and personality-wise, every lady in our class is incredible."

Momo "Thanks for answering."

Izuku "Uh, why'd you ask?"

Momo "If one of them asks me about this experiment and wants to join in, now I have an answer."

"Momo, smiles, waves, and leaves."

Izuku "(Who'd want to be part of this? Given the need to consent to mind control... I can't see anyone in our class agreeing to that. I still can't believe Ochako did!)"

### **First Volunteer**

Himiko "Hello there, Deku."

Izuku "?!"

Himiko "Don't look so surprised now. You know I've been on campus for some time."

Izuku "Yeah, but I didn't know you were allowed to run around. Wasn't expecting to see you."

Himiko "Hehehe... I could pull a knife out and threaten you, for old time's sake."

Izuku "... How have your therapy sessions going?"

"Himiko was clearly taken aback by this."

Izuku "I noticed Midnight isn't here, so if you're trusted to move around campus..."

Himiko "..."

Izuku "You seem more lucid than you were during the war. I take it your sessions have been helping you?"

"Himiko smiles."

Himiko "Yes. It's been great, actually."

Himiko "Vlad King's provided the blood I need to keep my mind clear, and my sessions have been using a hypnosis and mutation quirk combination to make my brain require less and less blood to function."

Izuku "That's great to hear."

Izuku "I have another question for you."

Himiko "Shoot."

Izuku "Do you still have a crush on me and Ochako?"

"Himiko pauses to think about it."

Izuku "I need you to be honest."

Himiko "... Tsuyu as well."

Izuku "..."

Himiko "Melissa's pretty cute as well."

Izuku "Yeah, yeah she is."

Himiko "Am I cute?"

"This time Izuku was surprised."

Izuku "What?"

Himiko "Do you find me cute?"

"Izuku gives Himiko a look over."

Izuku "Yes."

Himiko "Does that mean I can join you and Ochako?!"

Izuku "Join us?"

Himiko "In the test? You're still doing that, right?"

Izuku "(Oh right. Technically, we haven't started yet.)"

Izuku "Y-yeah, we are. How do you know about it?"

Himiko "I asked Mei what she wanted my psychological exams for, and after she told me, I wanted in."

Izuku "... So Mei has given it the thumbs up?"

Himiko "I just had to agree to what we'd be doing, and get you to agree to me joining."

Izuku "..."

Himiko "Well?"

Izuku "Okay, I'll take you in."

Himiko "Really!?"

"Izuku smiles at her."

Izuku "Your sessions seem to have helped you get centered, you're answering me honestly, and Mei isn't bothered by it."

Himiko "And I'm really cute."

Izuku "Y-yes, and you're r-really cute."

Himiko "Then let me add my number to your phone, and you can call me for a good time~"

Izuku "Can you choose your wording more carefully?"

Himiko "I did."

### **Mei's Invention**

Mei "Hello, Number One! Sorry to keep you and Gravity Girl waiting!"

Izuku "Waiting?"

Mei "Yep! My baby is finally ready!"

Izuku "Ah, thanks."

Izuku "(I forgot there was a reason I'm technically doing all of this.)"

Mei "I call this baby the \"Blank Slate\"!"

Izuku "(That's a good name, actually.)"

Mei "Just put this onto a willing volunteer, and they'll become a mindless drone!"

Izuku "Okay then."

Mei "Also, we have our first new volunteer!"

"Mina walks in."

Mina "Hey, Deku~ Surprised?"

"Izuku's face doesn't move all too much."

Mina "This is where you say \"Yes, Mina, I would have never expected someone as awesome as you to jump right on into this.\""

Izuku "What? N-no, I didn't mean-"

Tooru "BOO!"

Izuku "AAAH!"

Mina "Got 'em!"

"As Tooru and Mina start chuckling, Izuku regains his composure."

Izuku "I... should have seen that coming."

Mina "Yeah."

Tooru "You totally should have. Heck, you totally used to!"

"Izuku's face saddens as he remembers the loss of his danger-sense quirk."

Izuku "Yeah... I used to, didn't I- Huh?!"

"Tooru suddenly hugs him as firmly as she can."

Tooru "I'm sorry, I didn't mean to-"

"Izuku returns her embrace, letting the room stand in silence for a minute."

Izuku "It's fine. You didn't mean to- wait, what are you doing?"

Tooru "Looking for your phone."

Izuku "(She's still hugging me, but I can't just throw her to the floor, that'd be awful! But, what does she want my phone for-)"

Tooru "Found it!"

Mina "My oh my, Tooru. Scaring Izuku, bringing back horrible memories, and now stealing his phone?"

Mina "Tsk tsk tsk."

Mina "You're going to be in so much trouble, you'll have to sign up as one of his test subjects to repay him."

Tooru "Oh no, you're so right, Mina! In fact, I'd say I get no say in the matter with how bad I've been."

"Tooru adds her number to Izuku's phone."

Tooru "But you know, Mina... you haven't done anything to stop me. You've idly sat by and even enjoyed some of what I did."

Mina "Oh my gosh you're right! Why, I'm just as guilty as you are! It seems I have no choice but to join his scientific harem."

"Tooru adds Mina's number to his phone before returning it."

Izuku "PLEASE don't call it that..."

Tooru "Oh, to think our short-sightedness has resigned us to be at his beck and call."

Mina "Two beautiful and hot heroines now have to be ready to devote a night to repay their emotional debt."

Izuku "(I could just tell them \"no\"...)"

Mei "And don't forget, with the \"Blank Slate,\" he can do anything he wants to you."

Mina "Oh noes! What have Pinky and Invisible Girl gotten themselves into?"

Tooru "The two hapless heroines may have signed their fates."

"..."

Izuku "(I can't say no to them. Especially when they're so into it.)"

Mina "Text one of us when you're ready."

Tooru "We'll make it up to you, no matter how long it takes."
