

Office Party – Endgame 3

Evil Lucine

Part F – Sex Break Aftermath

Please note, that while I set out to keep a certain level of logic in my stories, this chapter will be a bit unrealistic to offer you a better (s)experience ;).

We join the office some weeks after Lucine has taken over the company...

Oh, for fucks sake! Where is that girl!?

Damn it! No watch with this outfit!

Finally!
There you
are!

YOU ARE
LATE!

Do you
actually
want her to
punish us?

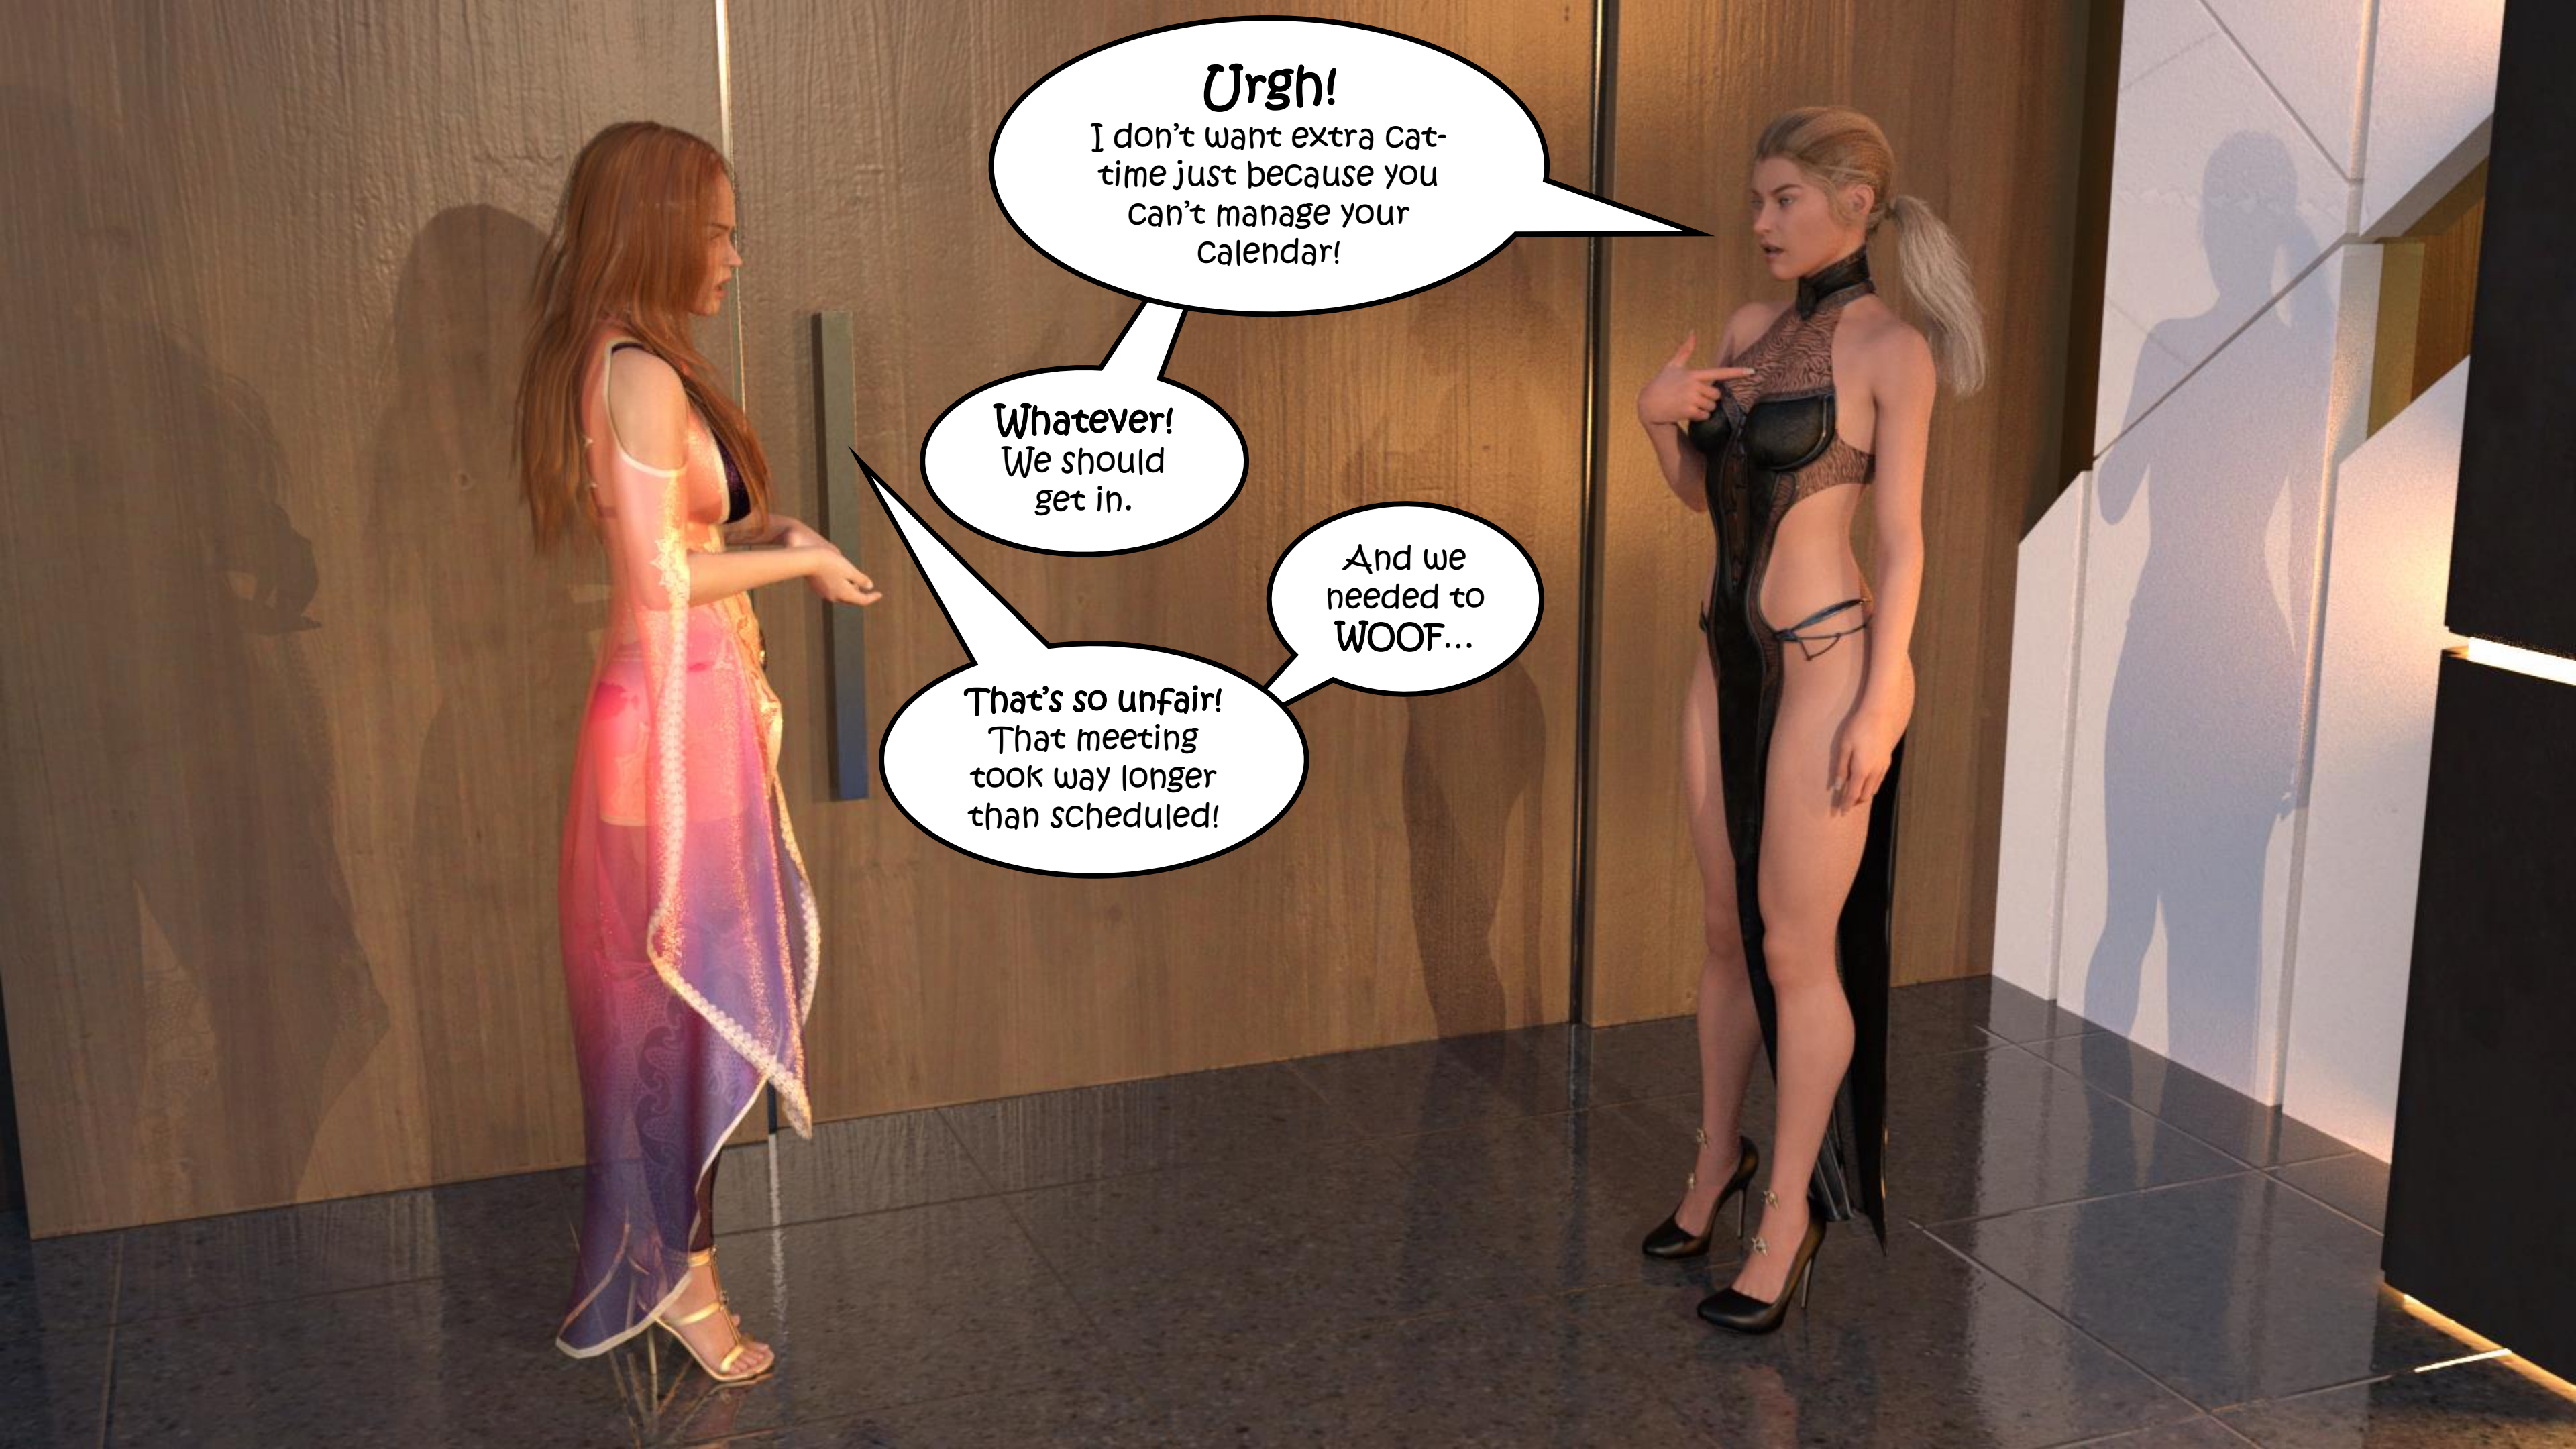

Maybe you
like crawling
around the
whole office?

Took longer
than expected.

Chill down!
I had a customer
meeting!

You think
she'd be
happy if blew
that meeting?

And putting
on this shit
takes too
long as well!

Urgh!

I don't want extra Cat-time just because you can't manage your calendar!

Whatever!
We should get in.

And we needed to **WOOF...**

That's so unfair!
That meeting took way longer than scheduled!

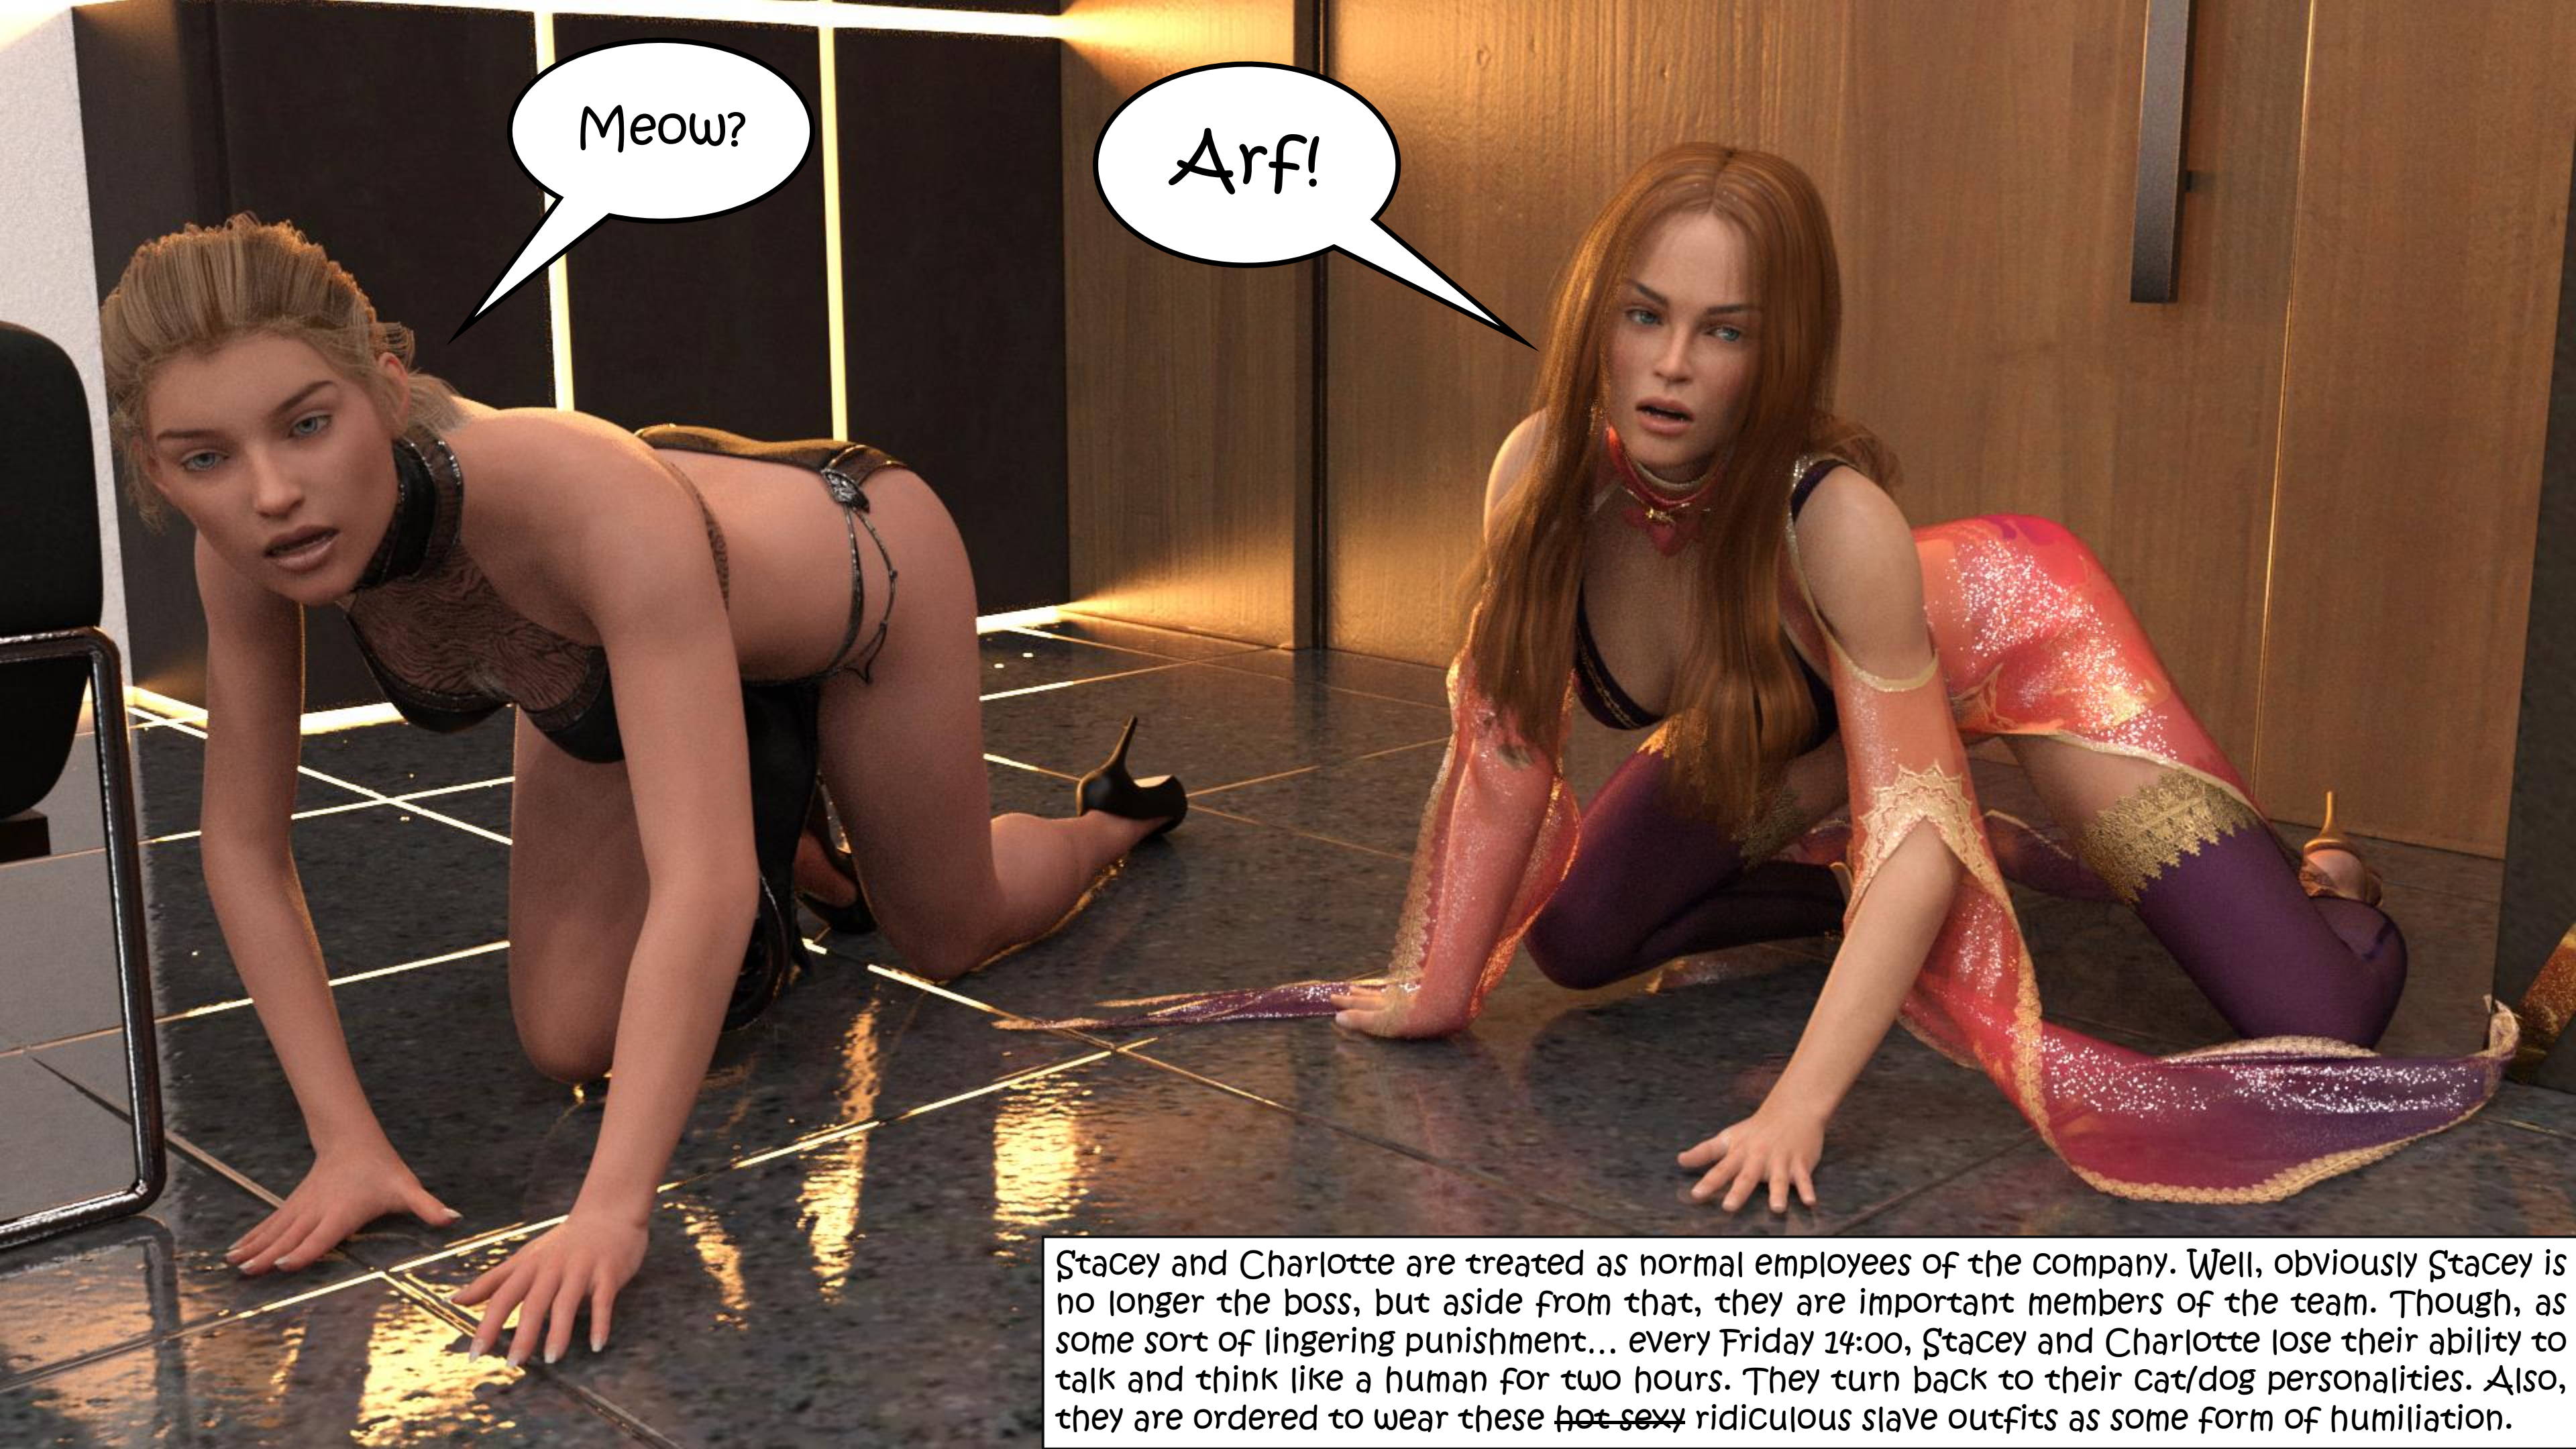

Meow?

Arf!

Ah, there
you are, my
cute little
pets.

Running late a
little? Don't
worry, I'm in a
good mood.

Meow?

Arf!

Stacey and Charlotte are treated as normal employees of the company. Well, obviously Stacey is no longer the boss, but aside from that, they are important members of the team. Though, as some sort of lingering punishment... every Friday 14:00, Stacey and Charlotte lose their ability to talk and think like a human for two hours. They turn back to their Cat/dog personalities. Also, they are ordered to wear these ~~hot sexy~~ ridiculous slave outfits as some form of humiliation.

lap
lap
lap

That's how
work's supposed
to feel!

Yes, Charlotte.
You may join
her down there
between my
legs.

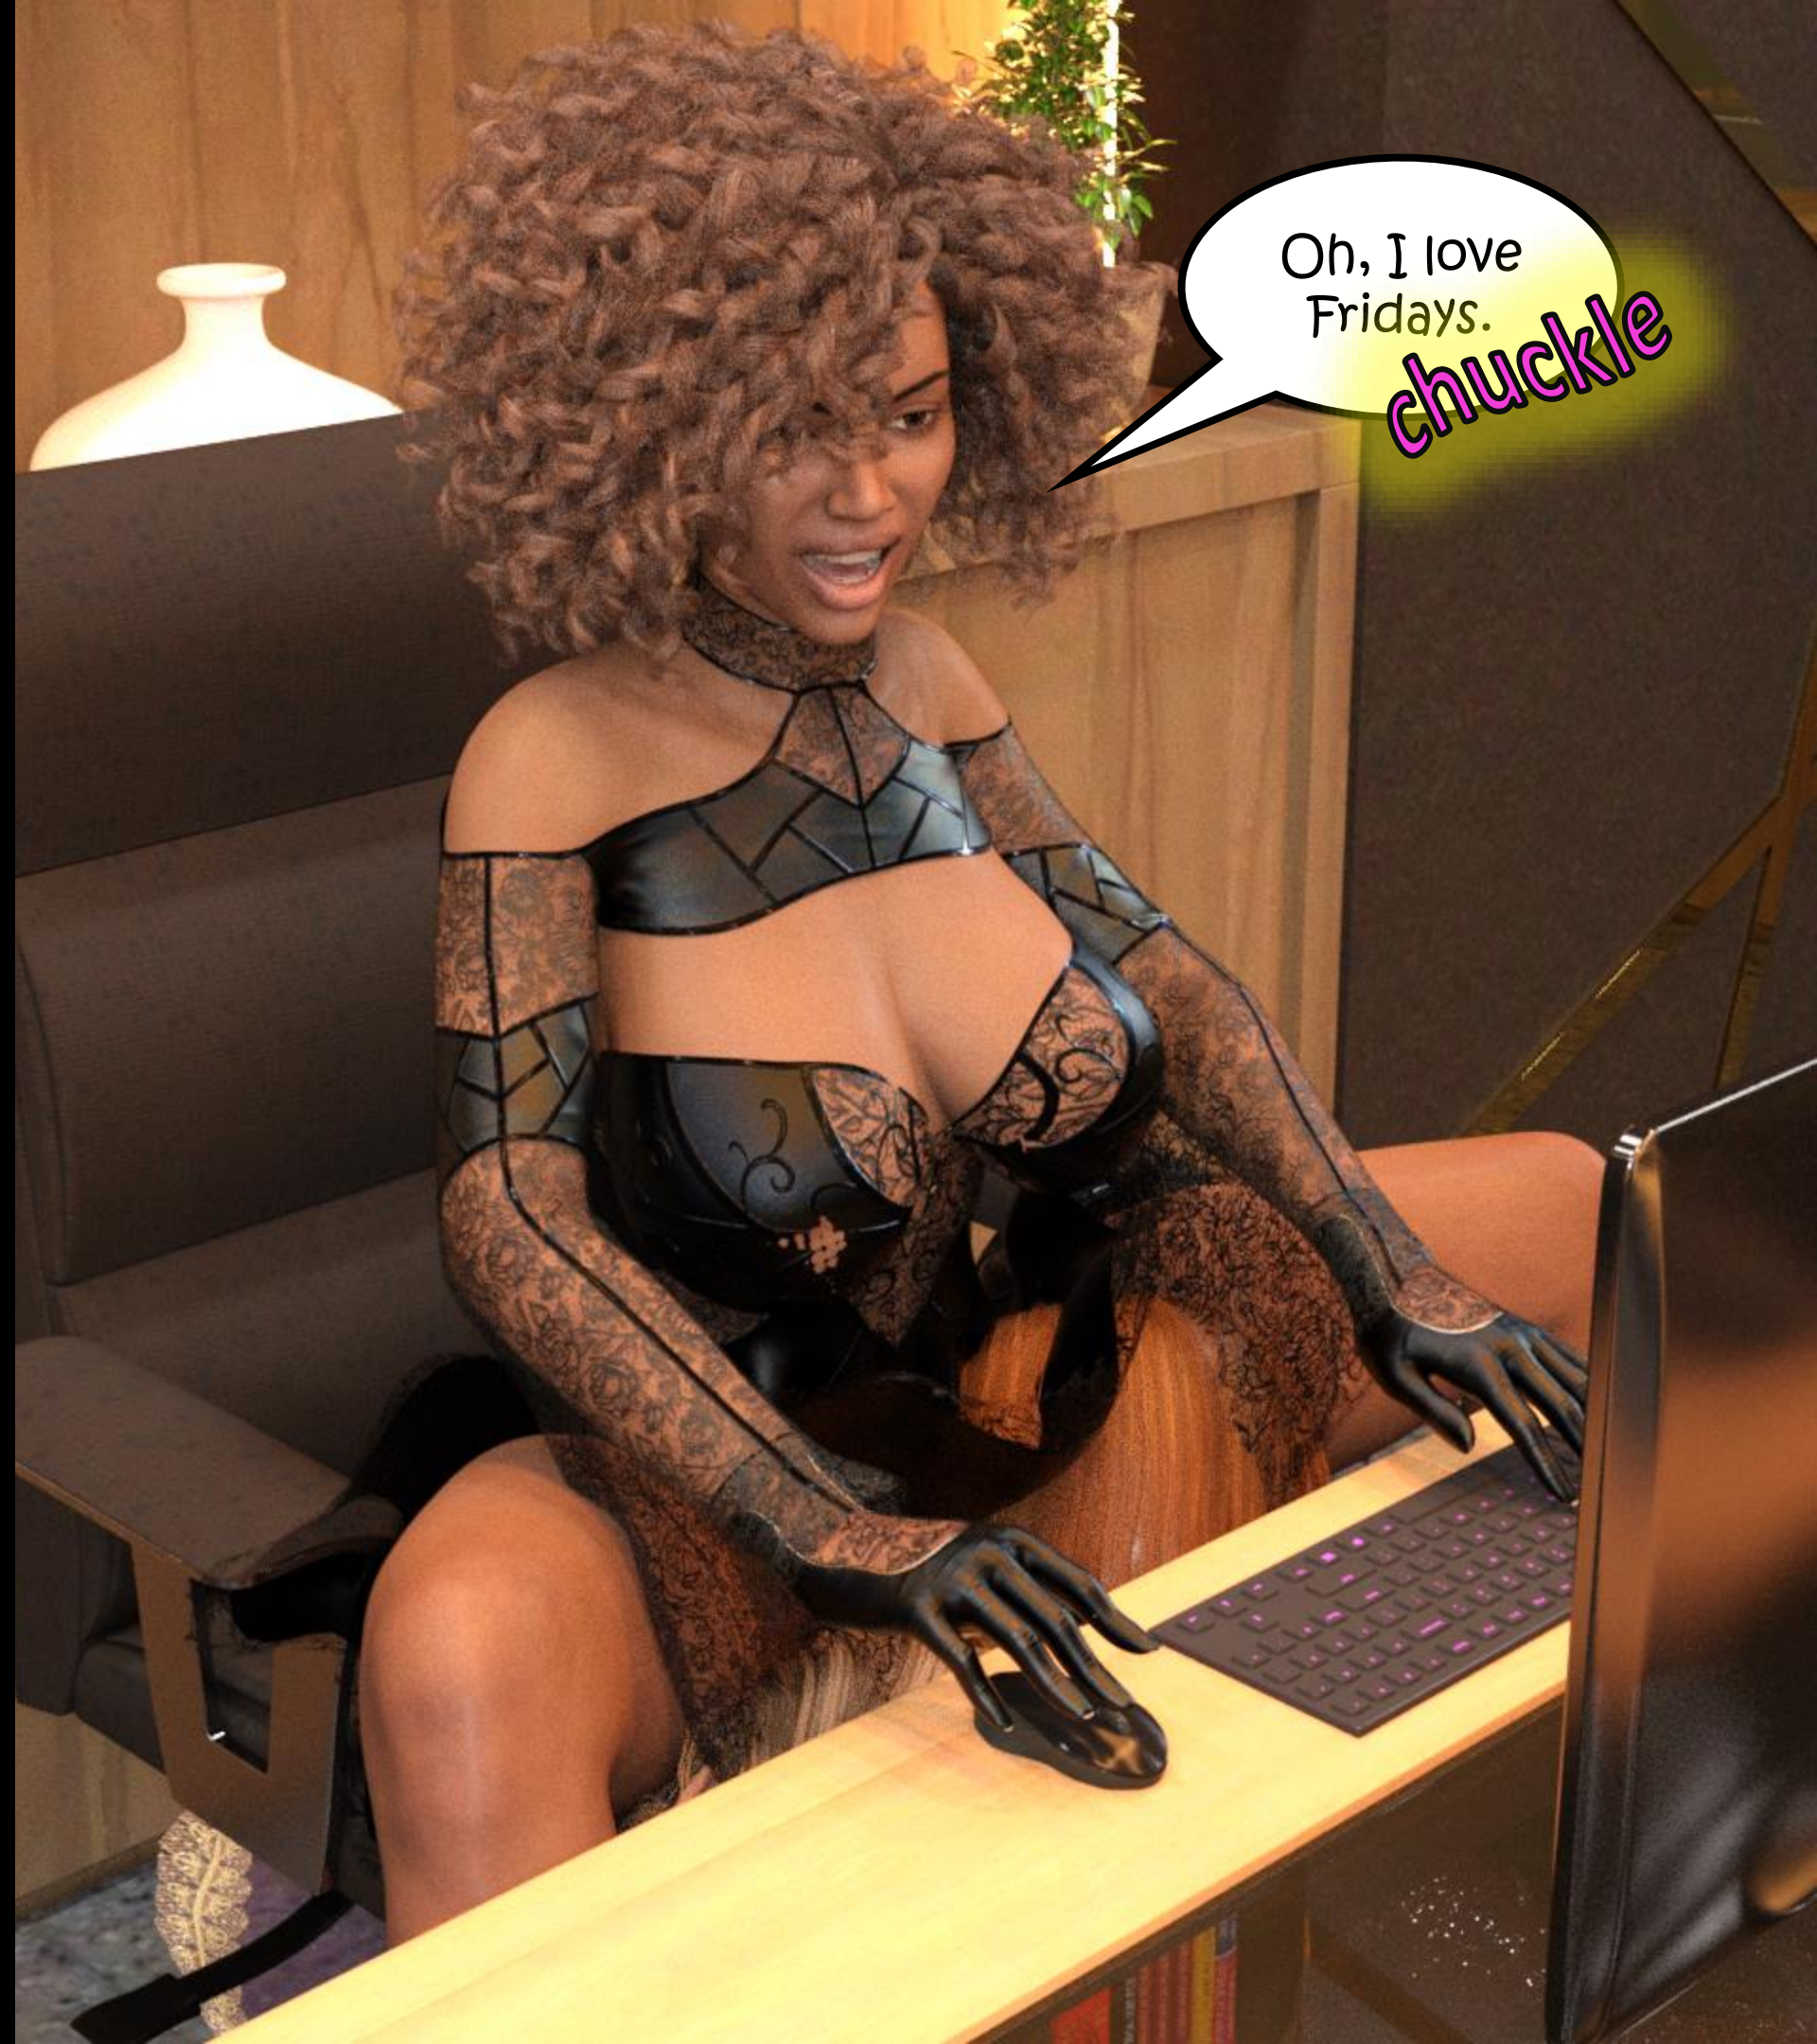

Oh, yes!
Little Kitty!

Arf?

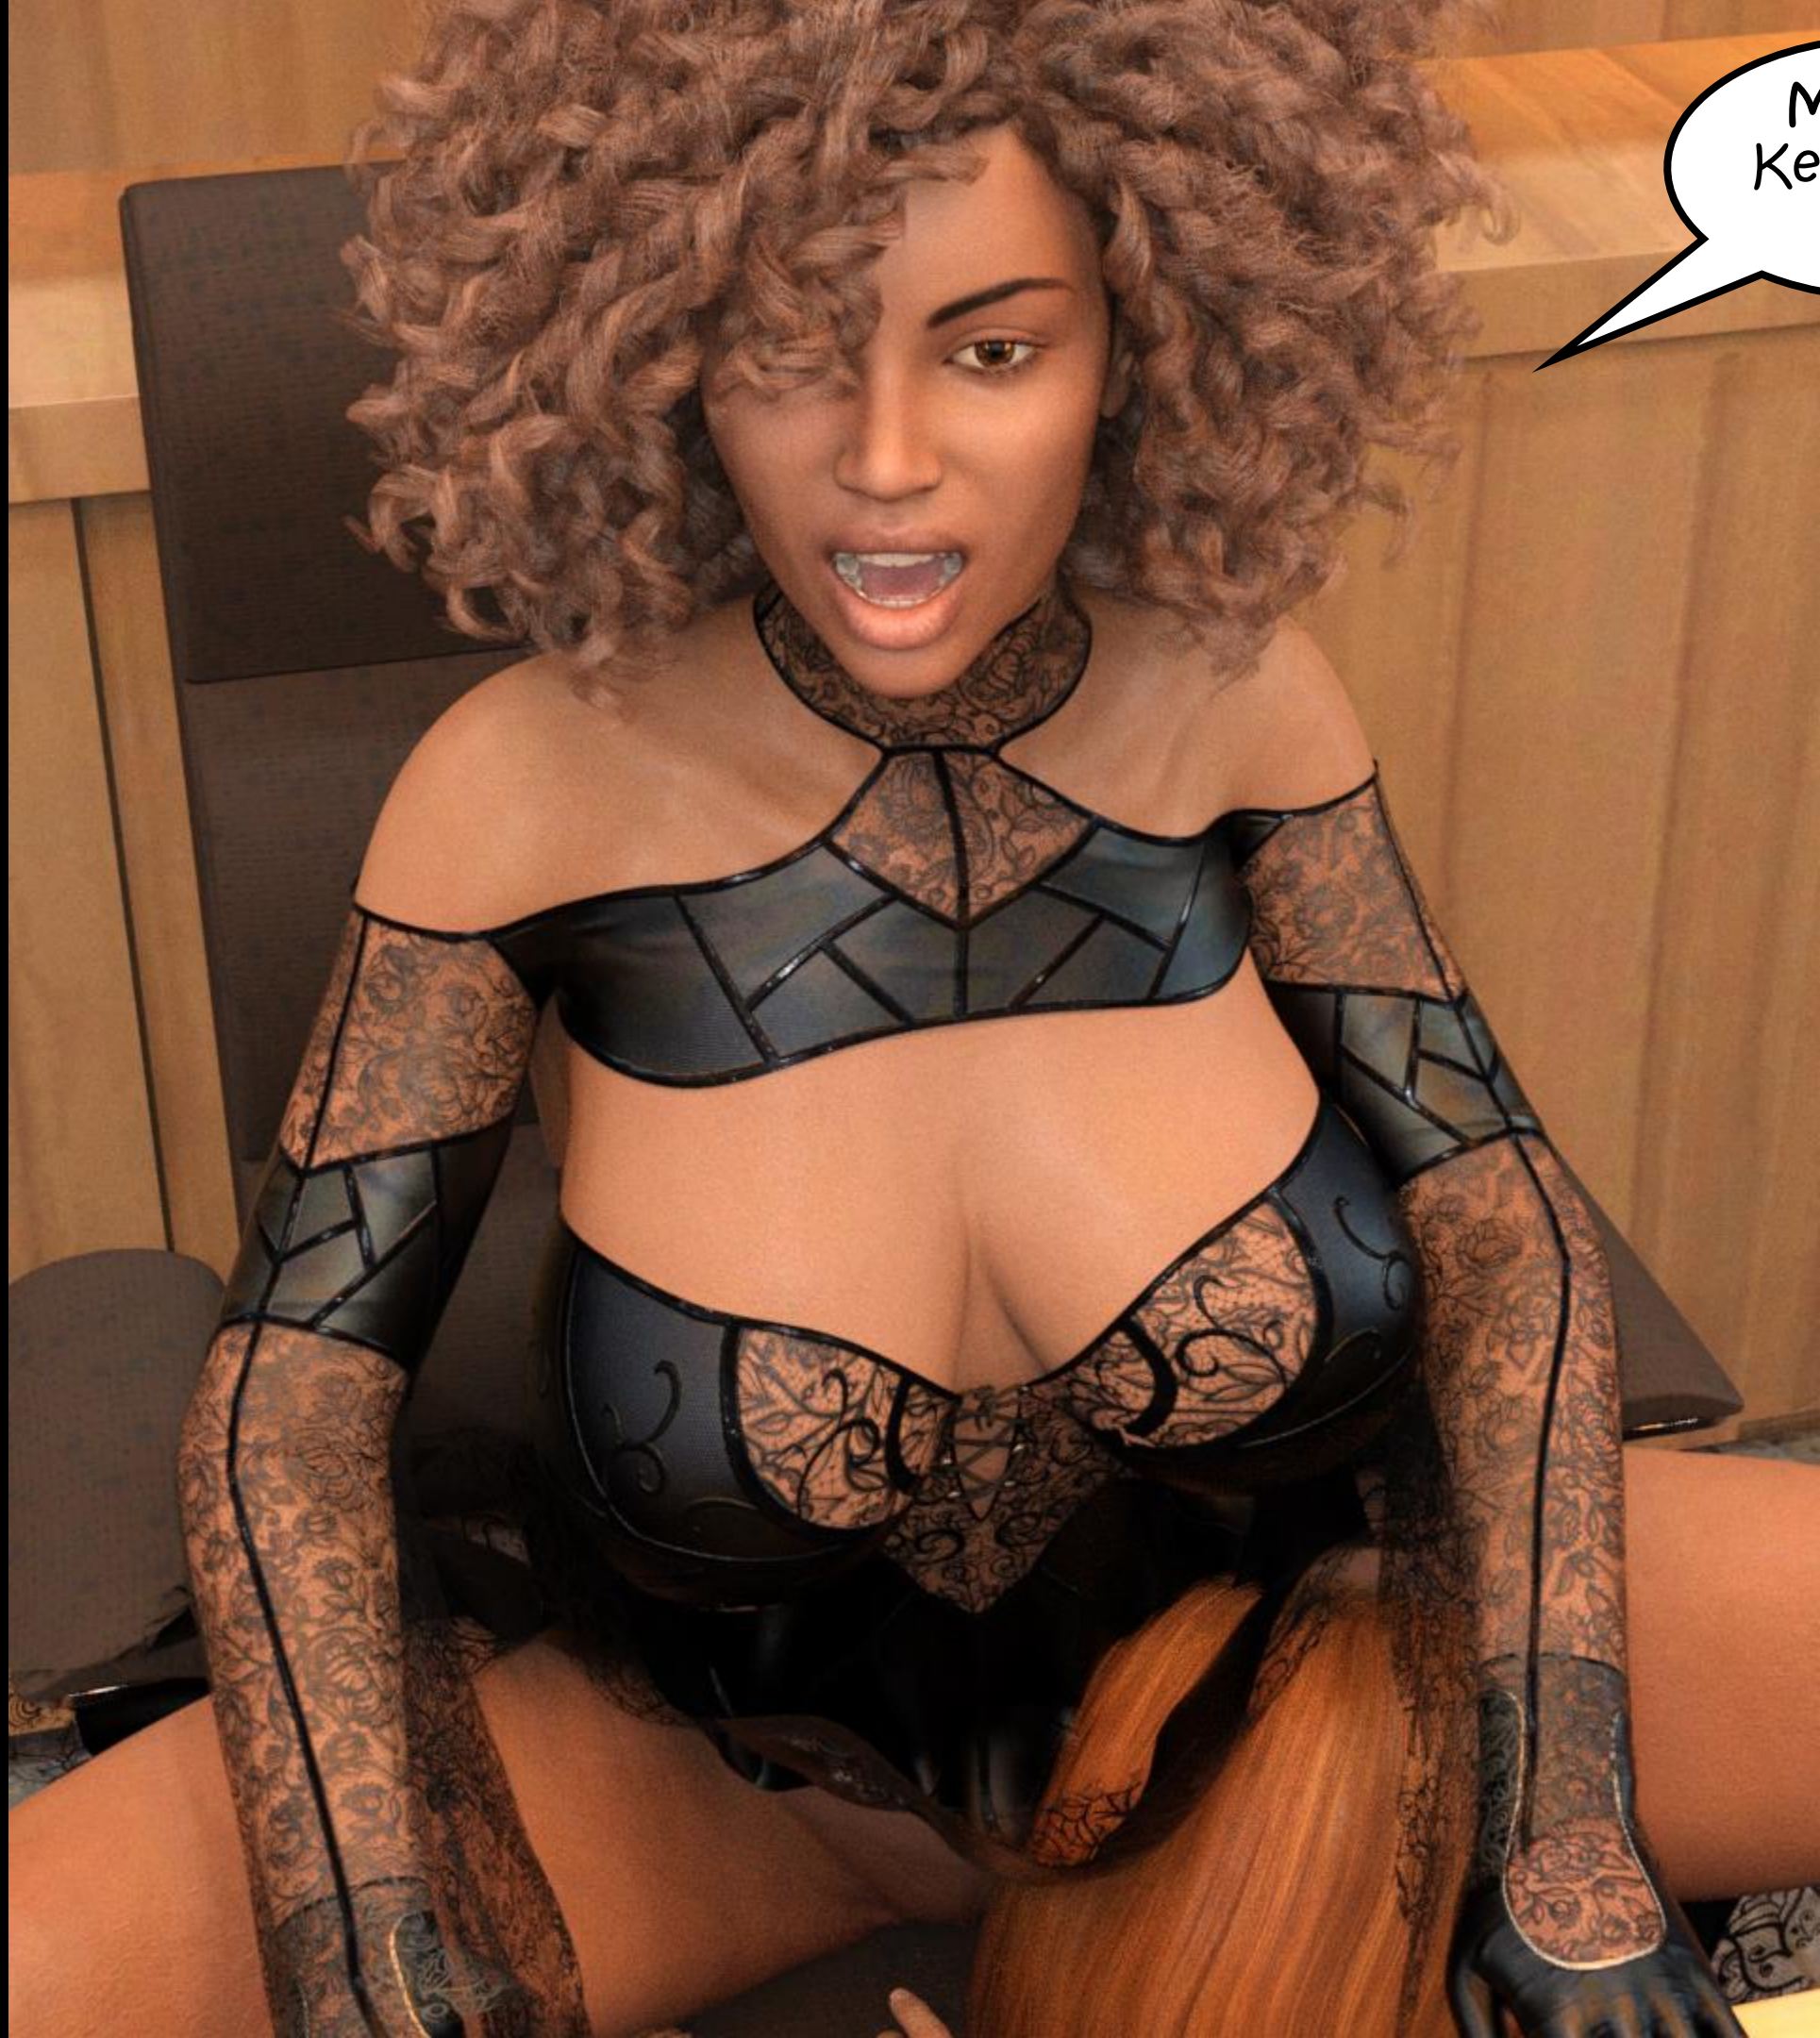

lap

Oh, I love
Fridays.

chuckle

Mhhhm!
Keep going
girls.

Now I just
need to add
some text here
and then...

What
the fuck!

Stupid piece
of scrap!

Stop it,
girls!

Fuck this
piece of
junk!

I've worked
about three
hours on that
report!

As Lucine exits her office, the two pets make their way over to the sofa...

Meow?

sniff
sniff

Funny enough, Charlotte and Stacey never liked each other and still don't do. But their dog and cat selves get along much better than their original personalities!

Moments later, Lucine has found Dylan but she somehow got distracted talking to him about his girlfriend Nicole...

So, what I wanted to say. Thanks for letting Nicole work here.

It's really great working together with her here at the office.

Ha-ha!
Don't thank me.
She's a great
asset to the
company!

At first, I
thought she'll
just be good for
getting coffee
and such.

But she actually
got quite the
knack for this
business.

And the
enthusiasm! I
love that girl's
enthusiasm.

No matter what
she does she
puts in 200%!

I really enjoy working here!

Thank you, Mistress!

Yes, yes. Less talking, more pussy eating now.

Yes, mistress. *slurp*

So, what did you want to say earlier? I did interrupt you, did I not?

lick
lick
slurp

Ah, Yes. You see, I was working on my computer on this report...

Ohhh, One
Moment,
Dylan...

Oh, yeah!
Right there!
RIGHT THERE!

Moan

Sorry about that. But I really needed that orgasm right now.

No problem, boss! I'm glad you are enjoying my girlfriend this much.

And you Nicole, wow! You've got a great tongue!

Thanks, Mistress!

So... where was I... Ah yes. I was writing this report and BAM... Screen goes blank.

So, Dylan. Please fix up that stupid piece of junk. And recover my report.

I'll see what I can do boss.

Thanks. Oh, and Dylan, it's Friday.

Mhm?

14:15

Errr...

You can use them however you see fit as compensation for me interrupting your sex break.

Ohhh! Alright. Thank you!

Just fix that computer til 16:30.

Oh, boy!
I hope I can
concentrate on
fixing that machine
like that! *chuckle*

And you come
here once more. I
can't just deprive
you of your sex
break either, now
can I?

Arrruuuufff!

Hey, girls!
Don't let me
disturb you.

Who did
what to this
poor PC!

Man! How the fuck?
What happened here
under the table?

Alright!
Let's open up the
hatch and... yup. This
broke loose from the
anchoring...

Oh, Yes, baby!
We are back online.
Now let's hope there
is a recent backup of
that report...

Hey, girls!
Come over here.
I've got a treat for
you while this
thing boots.

Meowwwwww

Arf?

Oh, Yeah!
Aha-Aha!
Who's the best?!
Dylan is da best!

All fixed up
here. Lucine
will be pleased.

Alright girls,
let me stand
up. I'm gonna
enjoy this for
real now.

Groan
Just like that.
Be a good little
pussyCat and
lick that tip.

Arf?

Groan

Arf.

Arf.

Arf.

Meow.

Meow.

Meow.

Groan

Oo, almost 16:00
Let's get going. I
really don't need
their wake-up
drama.

Meow

Aruff!

sniff
sniff

Wait!

Just give me
a moment.

lick

What the fuck are you doing? Ewww!

It's Dylan's!

Oh, C'mon. You really think you can distinguish cum by taste?

Yes, ever since my dog personality kicked in my sense of taste is through the roof!

facepalm

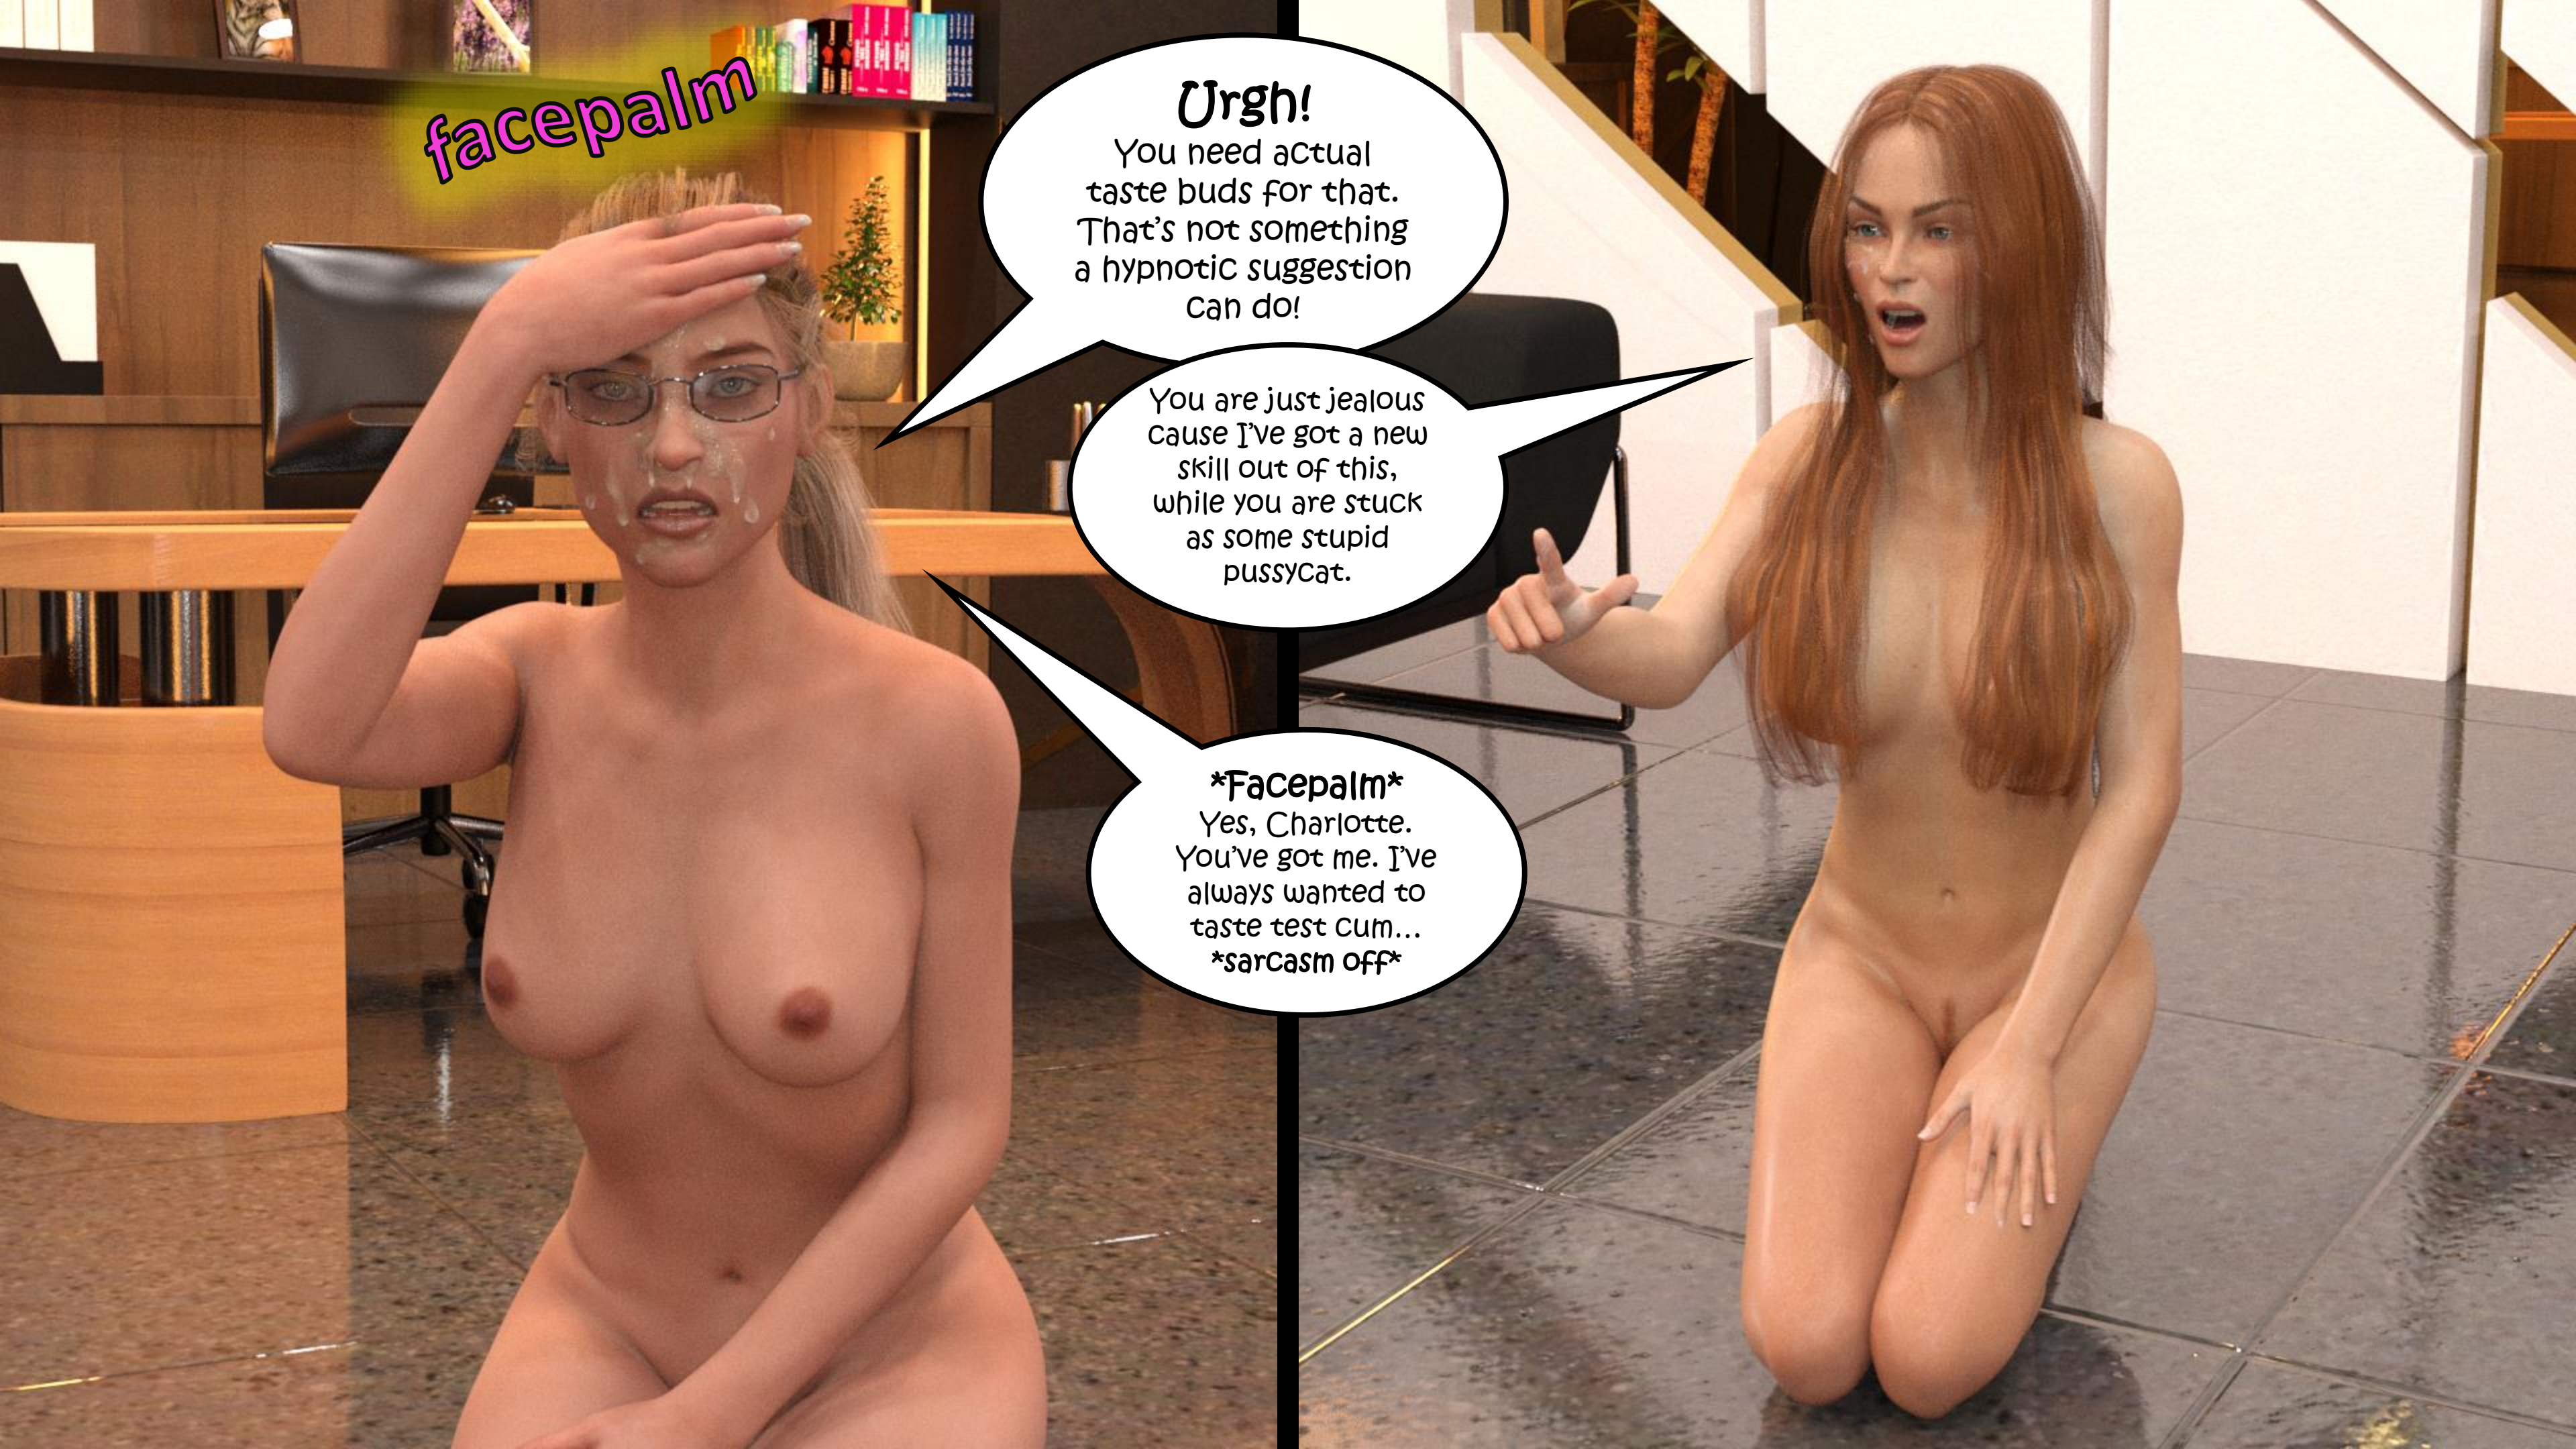

Urgh!

You need actual taste buds for that. That's not something a hypnotic suggestion can do!

You are just jealous cause I've got a new skill out of this, while you are stuck as some stupid pussyCat.

Facepalm

Yes, Charlotte. You've got me. I've always wanted to taste test cum...
sarcasm off

Ewww!
Now my hand's
full of cum!

C'mon!
We should get going. Mistress has a meeting at 16:30.

Better get dressed then.

Yeah, let's go. I've got another customer meeting in 15 minutes...

Good point!

While all this happens, Sayo and Isabel enjoy Dylan's absence in their office in a bonding manner...

Şure, no problem! In fact, I'll join ya!

Hey, Şayo. Is it okay if I take my masturbation break here at my spot?

Moan

Oh, my.
She's making such
lewd noises. And
it looks soo sexy!

I'm sure she won't
mind, right? She's
bisexual and always
talking very
openly...

Wahhhh

Heya.
Slurp I hope
this is fine
with you.

chuckle.
It is very fine.

You could
have asked
first though.
giggle

I hope that was okay. I've not done this very often...

Oh, come here you little minx. Let me taste my juices from your lips.

whisper That was awesome! But now, I'm gonna help you out!

lick

kiss

Moan

Oh, Fuck!
I'm cumming!
I'm CUMMING!

Well, I got a boyfriend. So yeah, let's not overcomplicate this.

Though... we can continue doing this, right?

You know I have a girlfriend. So, I don't want this to come between our friendship.

Of course, we can.
I'm a specialist
when it comes to
office affairs!

And back at Julie's Office who's
doing some actual work rather than
her previous duties as an intern...

So, we've gone through your company's credentials and we think you'll be the right company to represent us.

I'm in a position to offer 50k for our newest product...

First rule of any business, you can always ask for 10-20% more!

50k? With all due respect, but for a product that size and profitability I know for sure that you can't be serious.

Alright. Alright.
I'm sorry. I had
to try. 60k. Let's
do this!

Oh, c'mon!
I know you can
do better than
that.

Julie is negotiating hard...

Or is she...?

You're really tough, mam... I can go up to 65k...

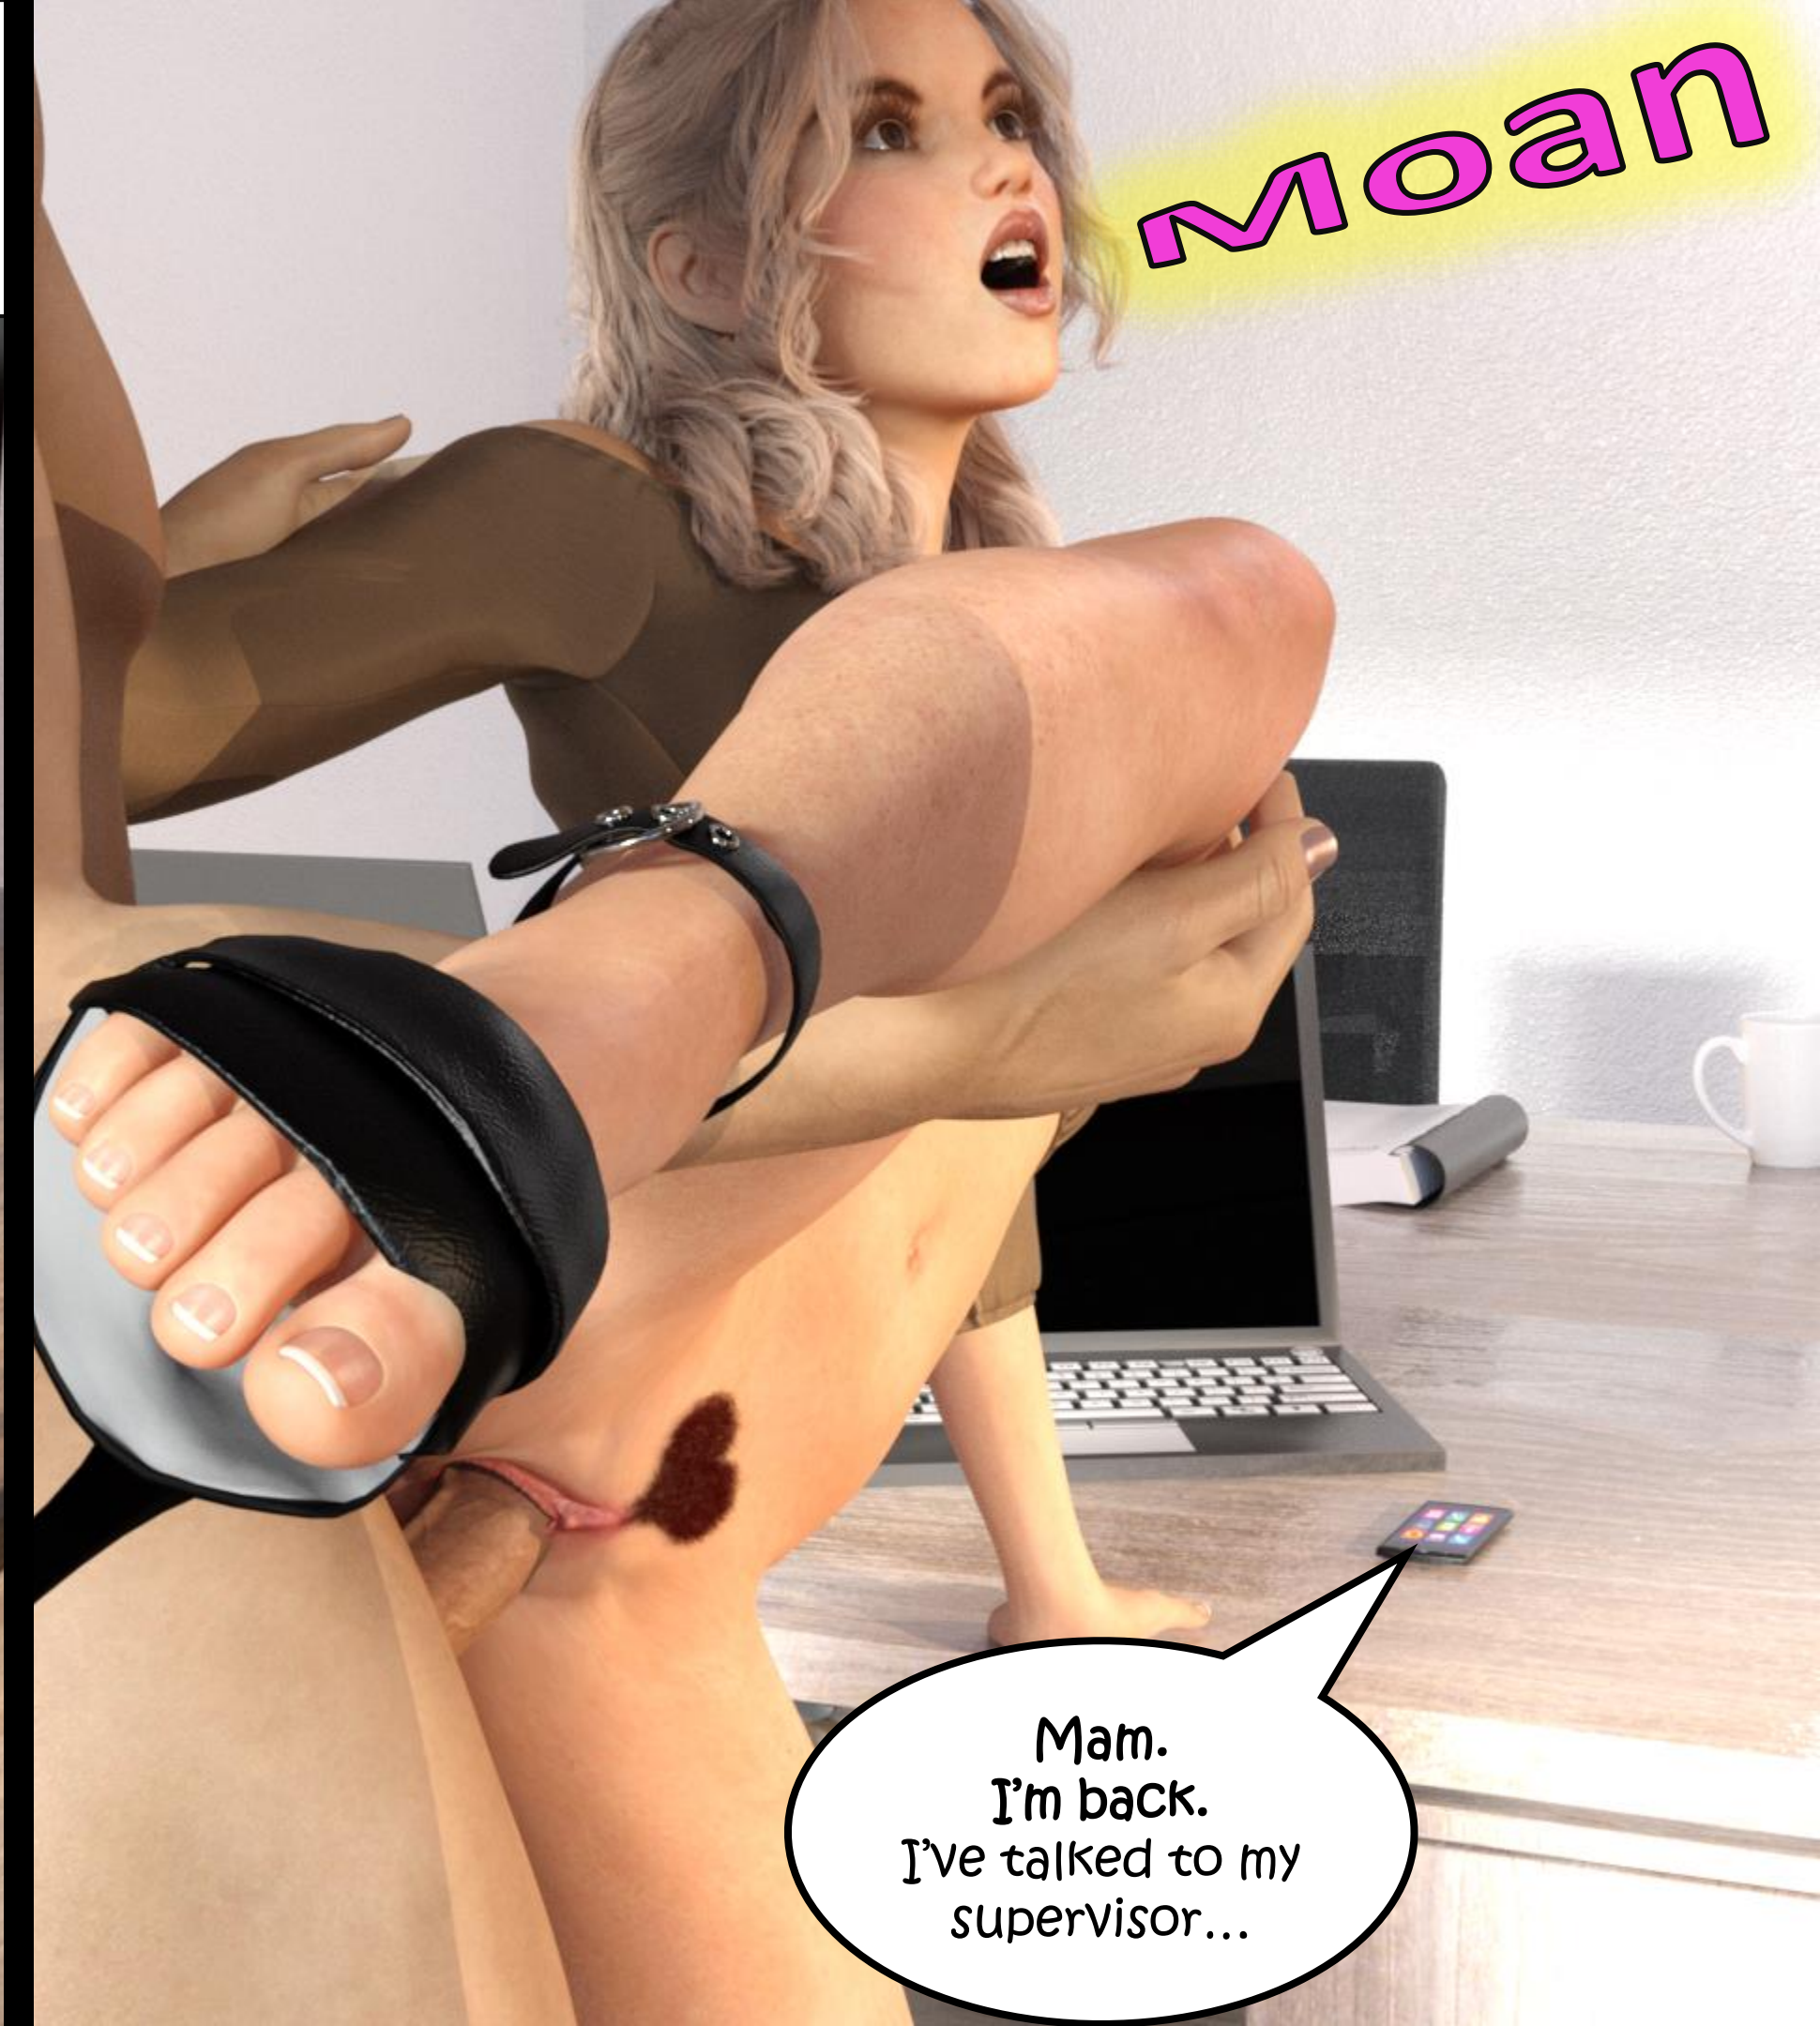

Oh, Yeah. Keep going. Keep going.

Gulp
Keep going?! I really have no more leeway here... I'm gonna talk to my supervisor. Please hold the line.

You guessed it, Julie and Marco are now sharing an office ever since James moved to his own single office space (perk of being the boss's husband). Previously it would not have been a good idea to fuck behind a glass wall, but nowadays it doesn't really matter anymore. This has become a common sight at the office... At least as long as there are no external visitors.

moan

Mam.
I'm back.
I've talked to my
supervisor...

A man with dark hair, shirtless and muscular, is standing and massaging the back of a woman with blonde hair. The woman is sitting on a black office chair, leaning forward over a wooden desk. She is wearing a dark, long-sleeved, form-fitting top and black high-heeled sandals. On the desk, there are two laptops and a smartphone. The background features a large red abstract painting on the wall and a window with a view of another office area. The scene is lit with warm, indoor lighting.

Oh, Yeah.
Give it to me!
Harder! ②

I'm happy to
report that I'm
allowed to offer
you 80 thousand \$
for this contract. ①

Err... Ma'am.
Your language... if I
may say that... it might
be misinterpreted... if
you get my drift.

Oh, Yeah!
Oh Yeah!
I'm cumming!

Groan

Moan

Oh, wow that was... oh shit!
The phone! I was still on the phone!

Alright, lady!
You've called my bluff. 100k. Take it or leave it.

Gulp
I see... this is some sort of sick power play...

Do we have a deal?

Y..y...yes.
D.. Deal!

Great!
I'll send the paperwork over immediately.

I hope you'll work on our product as **hard** as you work on your negotiations.

Holy Shit!
Marco! You just fucked me into a hundred-thousand-dollar deal!

Errr. Sure! That's me!
Everything for the company!

The next day at the Kalington's
house. It's weekend...

Hey there, Isa... I thought it was Stacey's shift today?

Heya!

Stacey has called in sick and I'm the next up in the reel.

I hope that's okay...

Oh, sure. That's why we set it up as a reel.

Health is an important employee right.

That too! Please, come in.

And we don't want to get Mistress sick.

Anything special today, or just the usual?

Just the usual.

Though Lucine's still sleeping.

So, start downstairs with less noisy work.

Okay!

Bottom drawer, left to the stove.

Okay.

Yes, I'm all settled now.
Ready to work!

swish
swish

See you
later in bed.
wink

And so, Isabel starts cleaning the Kalington Residence. You can't expect your boss to clean her own house, now can you?

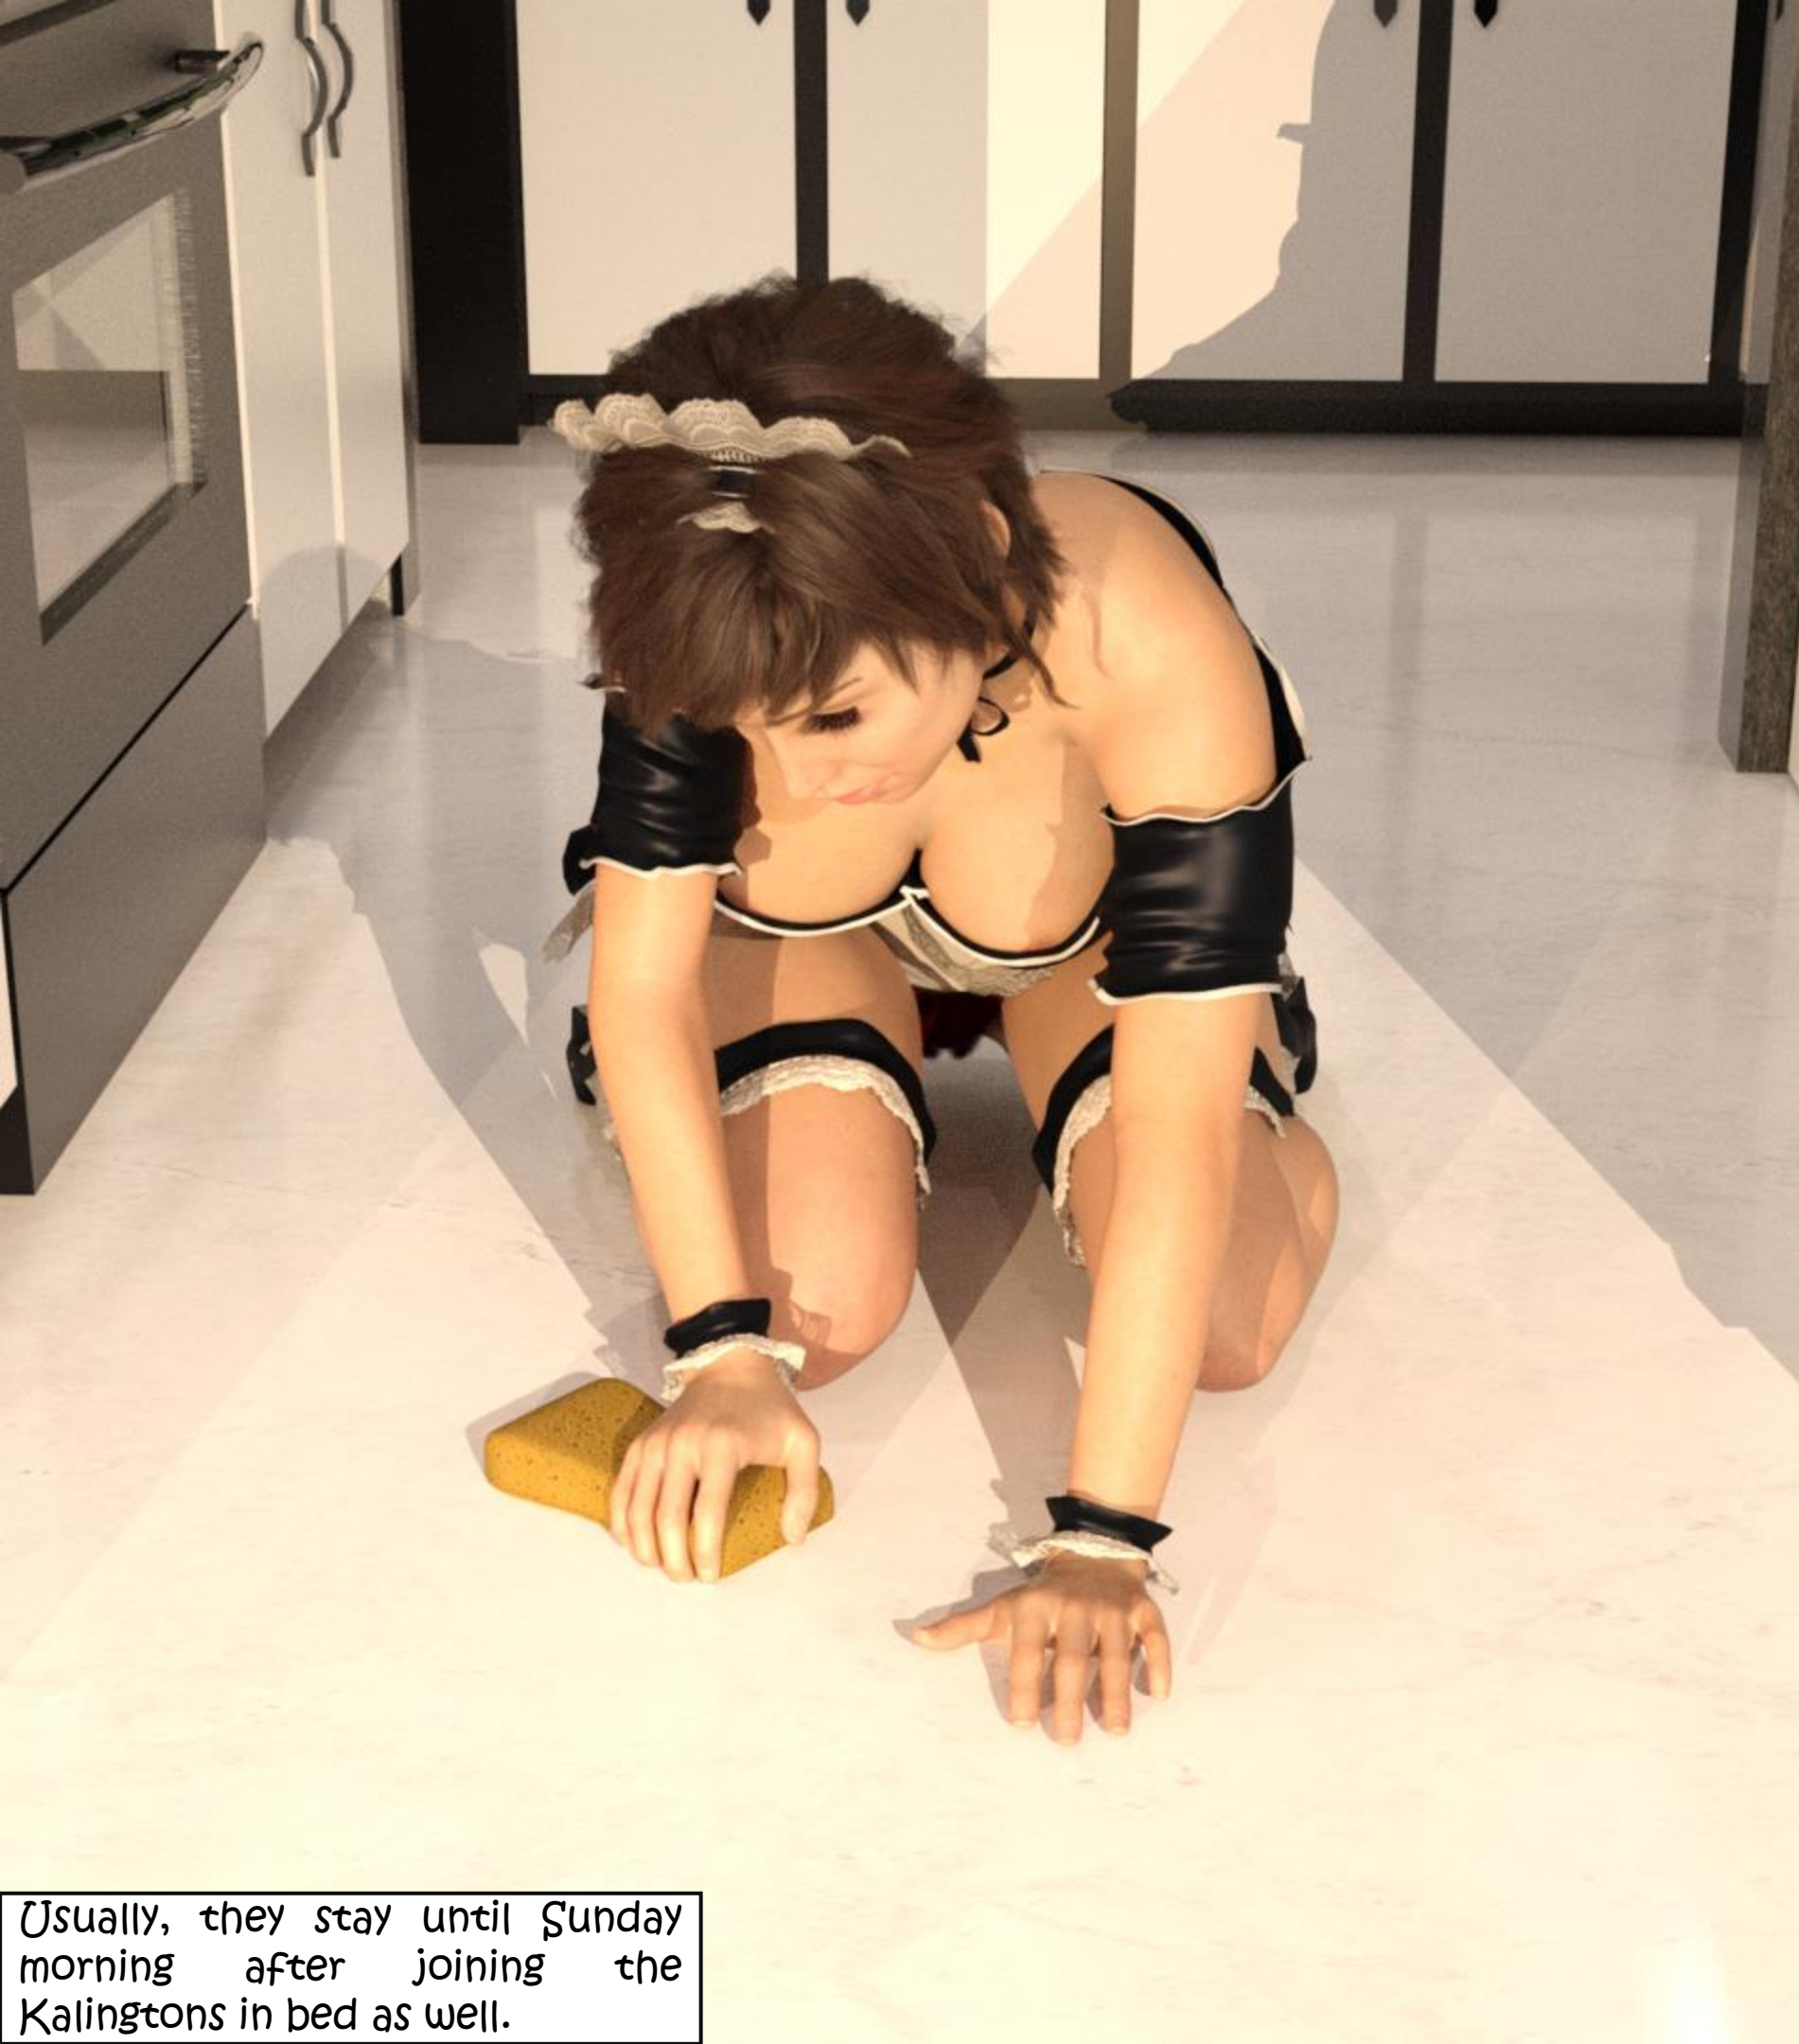

Therefore „The Reel“ has been developed. It's simply just a work schedule for the office employees' Saturdays.

Each Saturday another Office member visits the Kalingtons on Saturday to clean their house.

Usually, they stay until Sunday morning after joining the Kalingtons in bed as well.

And as time flies by (for the reader) Isabel goes through her day of chores...

And it soon is time for her Mistress' bath. Obviously, Isabel has already drawn the bath for her. Being Lucine's bath attendant is one of her duties for today.

Hey, Isa!
How's it going?

The garbage has been brought out.

The house is squeaky clean.

And the clothes have been ironed and folded.

The bath is ready for your enjoyment and I am ready to attend to your every need.

Ah, this is great.

Though I could really use a refreshment right now.

I've already prepared your favorite drink, Mistress.

If you want something else of course I can get it for you.

You know me
so well and
your foresight
is impeccable!

Keep up
the good
work.

You know Isa,
you are the best
bathroom attendant
from all the office
bunch. **1**

Thank you,
Mistress. You
honor me. **2**

Alright.
That was relaxing.
But I think my
cunt could use
some more
cleaning.

It will be my
pleasure,
Mistress.

Mhhhh.
That was a
nice appetizer.

You do really
outstanding
work down
there.

She's certainly
right about
that. Ha-ha.

Come.
Let's join my
husband in the
bedroom.

Thank you,
Mistress. My
girlfriend Layla
says I'm a natural
at licking cunts.

Mhhh
You look
delicious my
love.

Shall I eat
you out?

Honey.
We are ready.

But it seems you could still use some encouragement, dear.

Isabel, be so kind and help my husband up, will you?

My pleasure!

Looks like you are already good to go.

Oh!
I'm so ready for you, my love!

That really
felt intense.

Sorry I did
not make
you cum
though.

No worries.
That's why
Isabel's here.

Now be a dear and
bring me to orgasm
while you clean out
that cream pie.

I'm glad I took the power when I had the chance to do so.

Just imagine what would have happened if somebody else would have done so! I don't even want to think about it!

And going back to normal surely was no option either. The company was doomed to ruin with Stacey in the lead.

No, this is definitely the best solution. Everybody is happy after all!!

This really
is for the
best!

The office
finally has a boss
we all can trust
completely!

And I really
love the new
open working
relationships! 😊

The End

Lucine's company is looking upon a bright future and Lucine's private life looks more than healthy as well 😊.

Most workers at the office seem to be happy with the current situation and enjoy the new work-life-style 😊.
