

Ok you two! The company wants to know what the mystery device does ASAP. Figure it out and report back to me. This is top secret! Got it?

Yeah, we got it! \$50 bucks says that if I get in here and you turn it on! I have super powers within the hour. Like fly around like superman stuff!

And clean this place up too...on second thought...The janitor will be by in a few minutes to help you out. I want results by the end of the day!

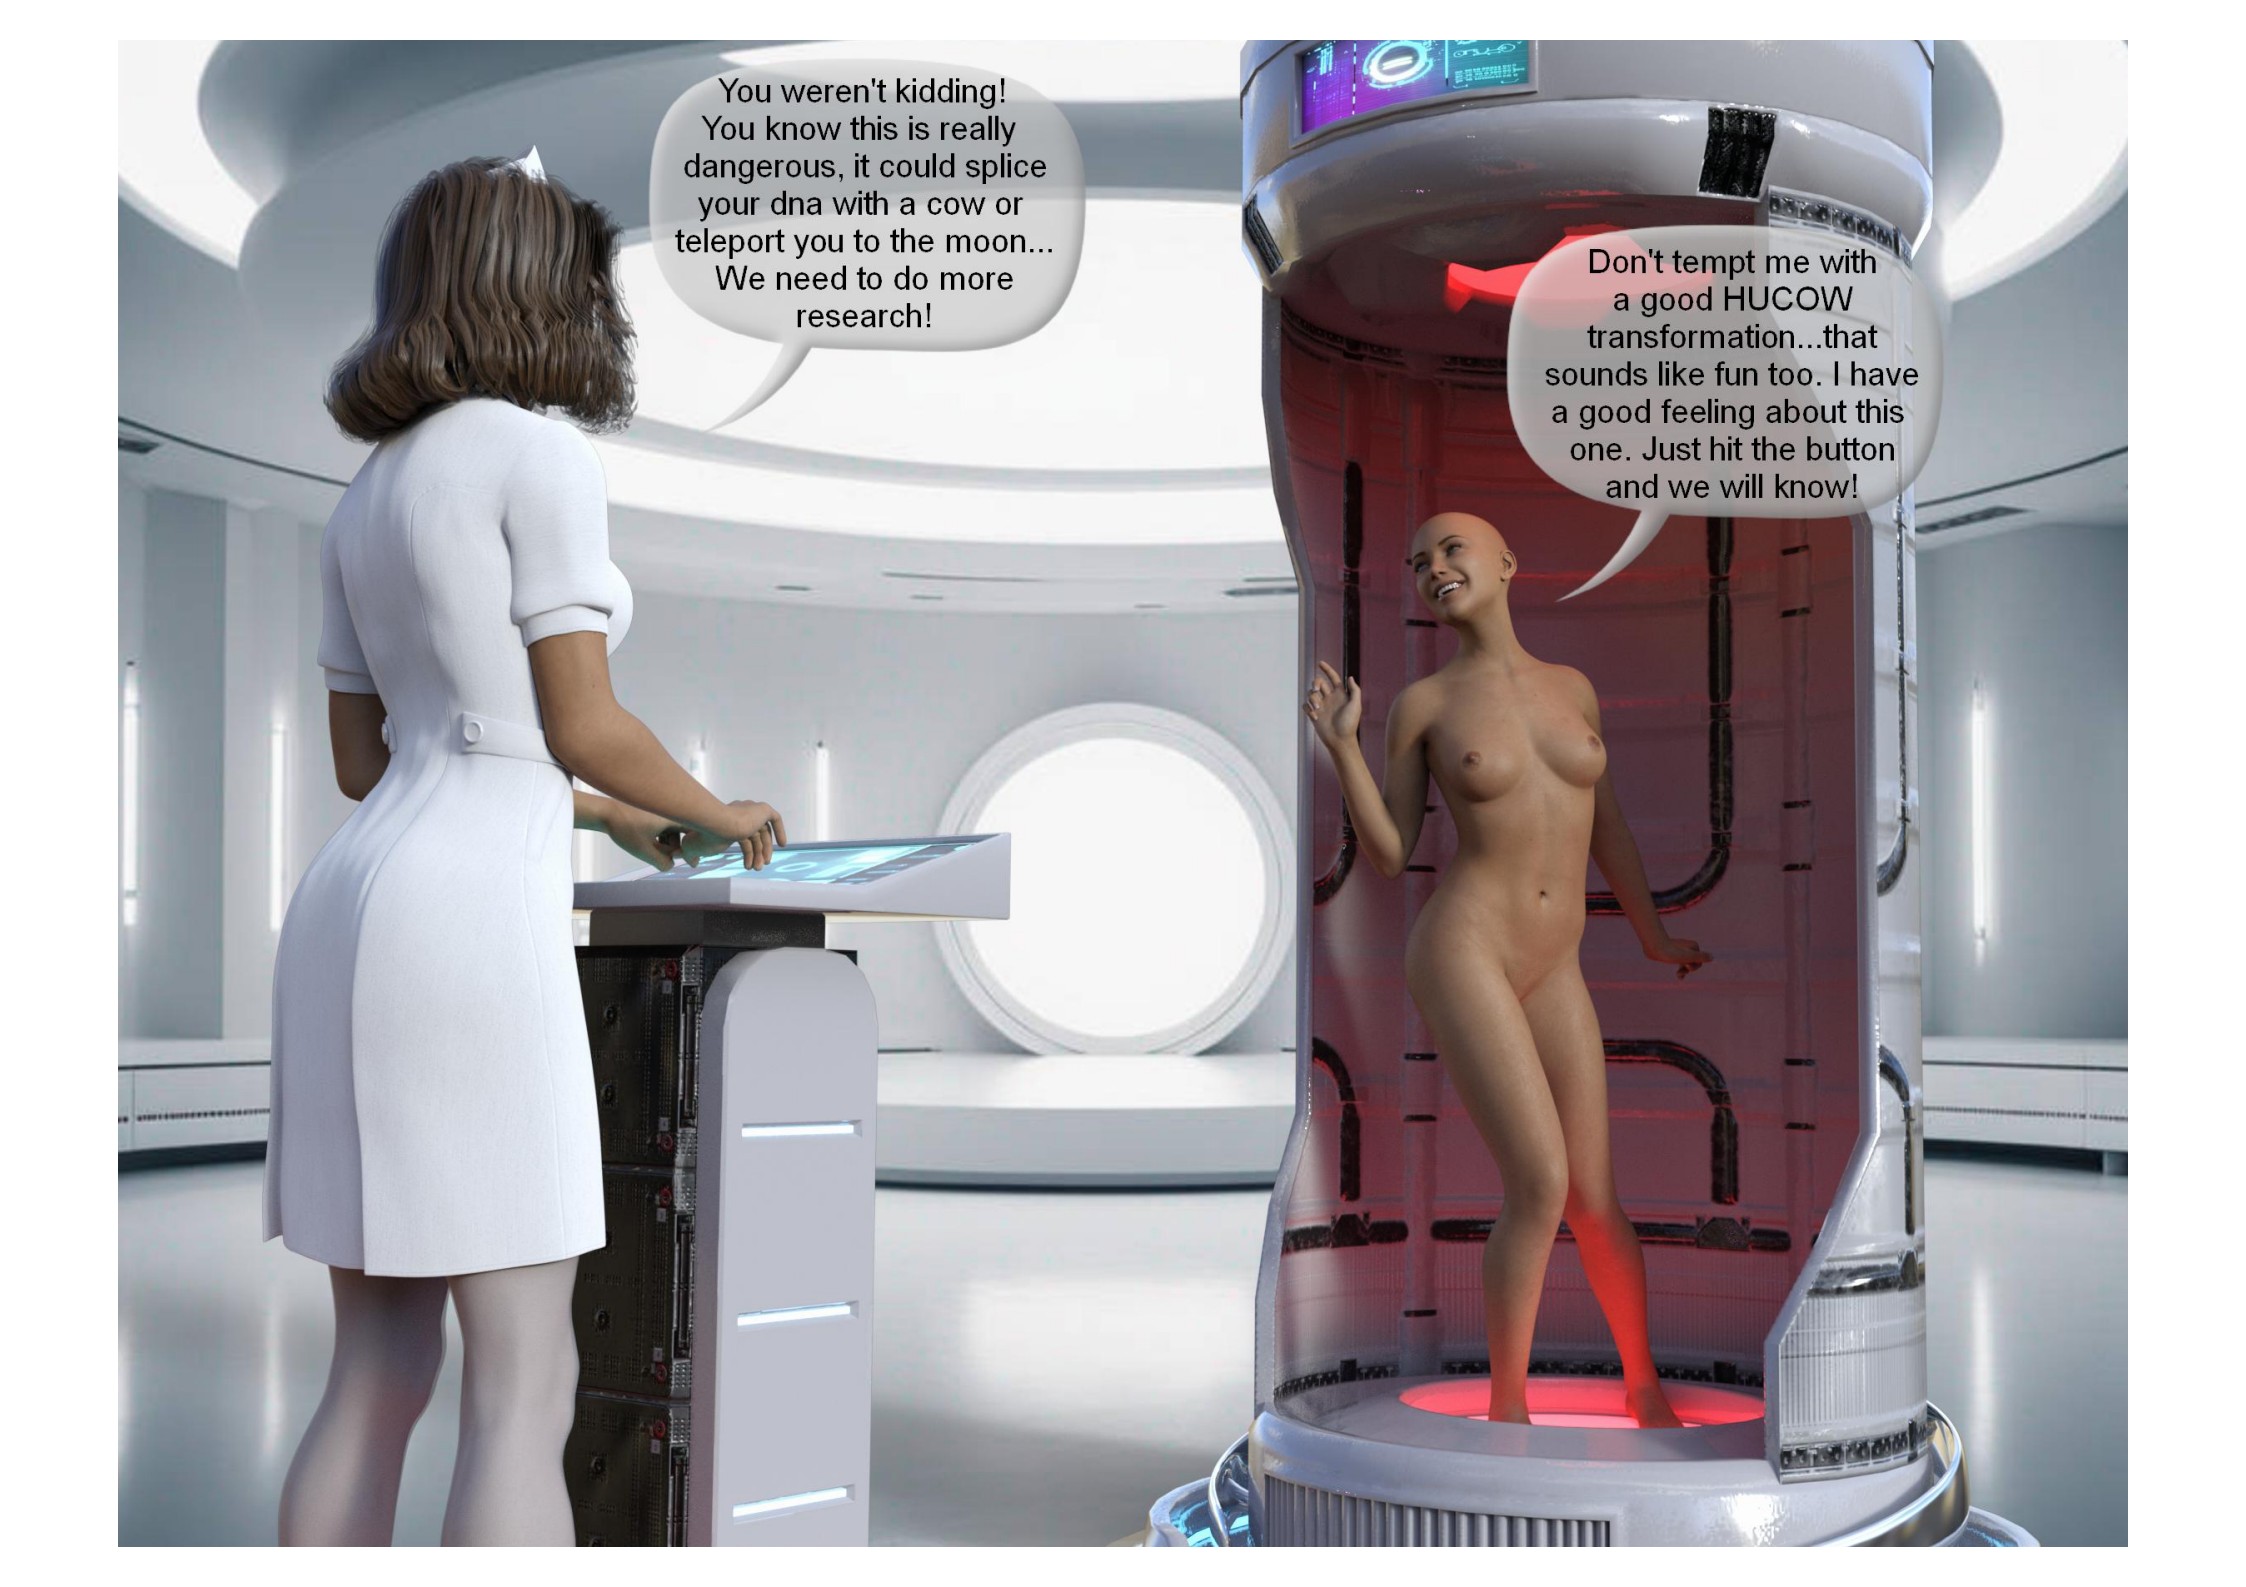

...Results by the end of the day. You got it. Super powers like superman? I think its more likely to x ray your brain... How are we gonna figure it out?

A woman with brown hair, wearing a white, short-sleeved, form-fitting dress, stands in a futuristic, brightly lit laboratory. She is looking down at a glowing control panel on a pedestal. To her right, a large, cylindrical, red-lit machine is partially open, revealing internal components. A bald woman in a white bikini and white high-heeled shoes is leaning over the machine, appearing to be in the process of stripping. The background features a large circular window and various futuristic architectural elements.

This control panel isn't even in english... Hell, this isn't even chinese. These scripts just look made up...I am guessing that the big red one turns it on!

Well, I want my superpowers so, gimme a second to strip and then start hitting the big red button...We figure it out by throwing caution to the wind!

You weren't kidding!
You know this is really
dangerous, it could splice
your dna with a cow or
teleport you to the moon...
We need to do more
research!

Don't tempt me with
a good HUCOW
transformation...that
sounds like fun too. I have
a good feeling about this
one. Just hit the button
and we will know!

A person's hand is shown interacting with a futuristic control panel. The panel is illuminated with blue light and displays various icons and data. The person is wearing a white shirt. In the background, a woman is standing in a futuristic, red-lit environment, possibly a spa or a futuristic bathroom. She is smiling and looking towards the control panel. The overall scene is set in a futuristic, brightly lit environment with white walls and ceiling lights.

Fine...we do it your way...but only because it will shut you up...I have no clue what i am doing...I just turned all the scrollers to max....Ok..Here we GO! *CLICK*

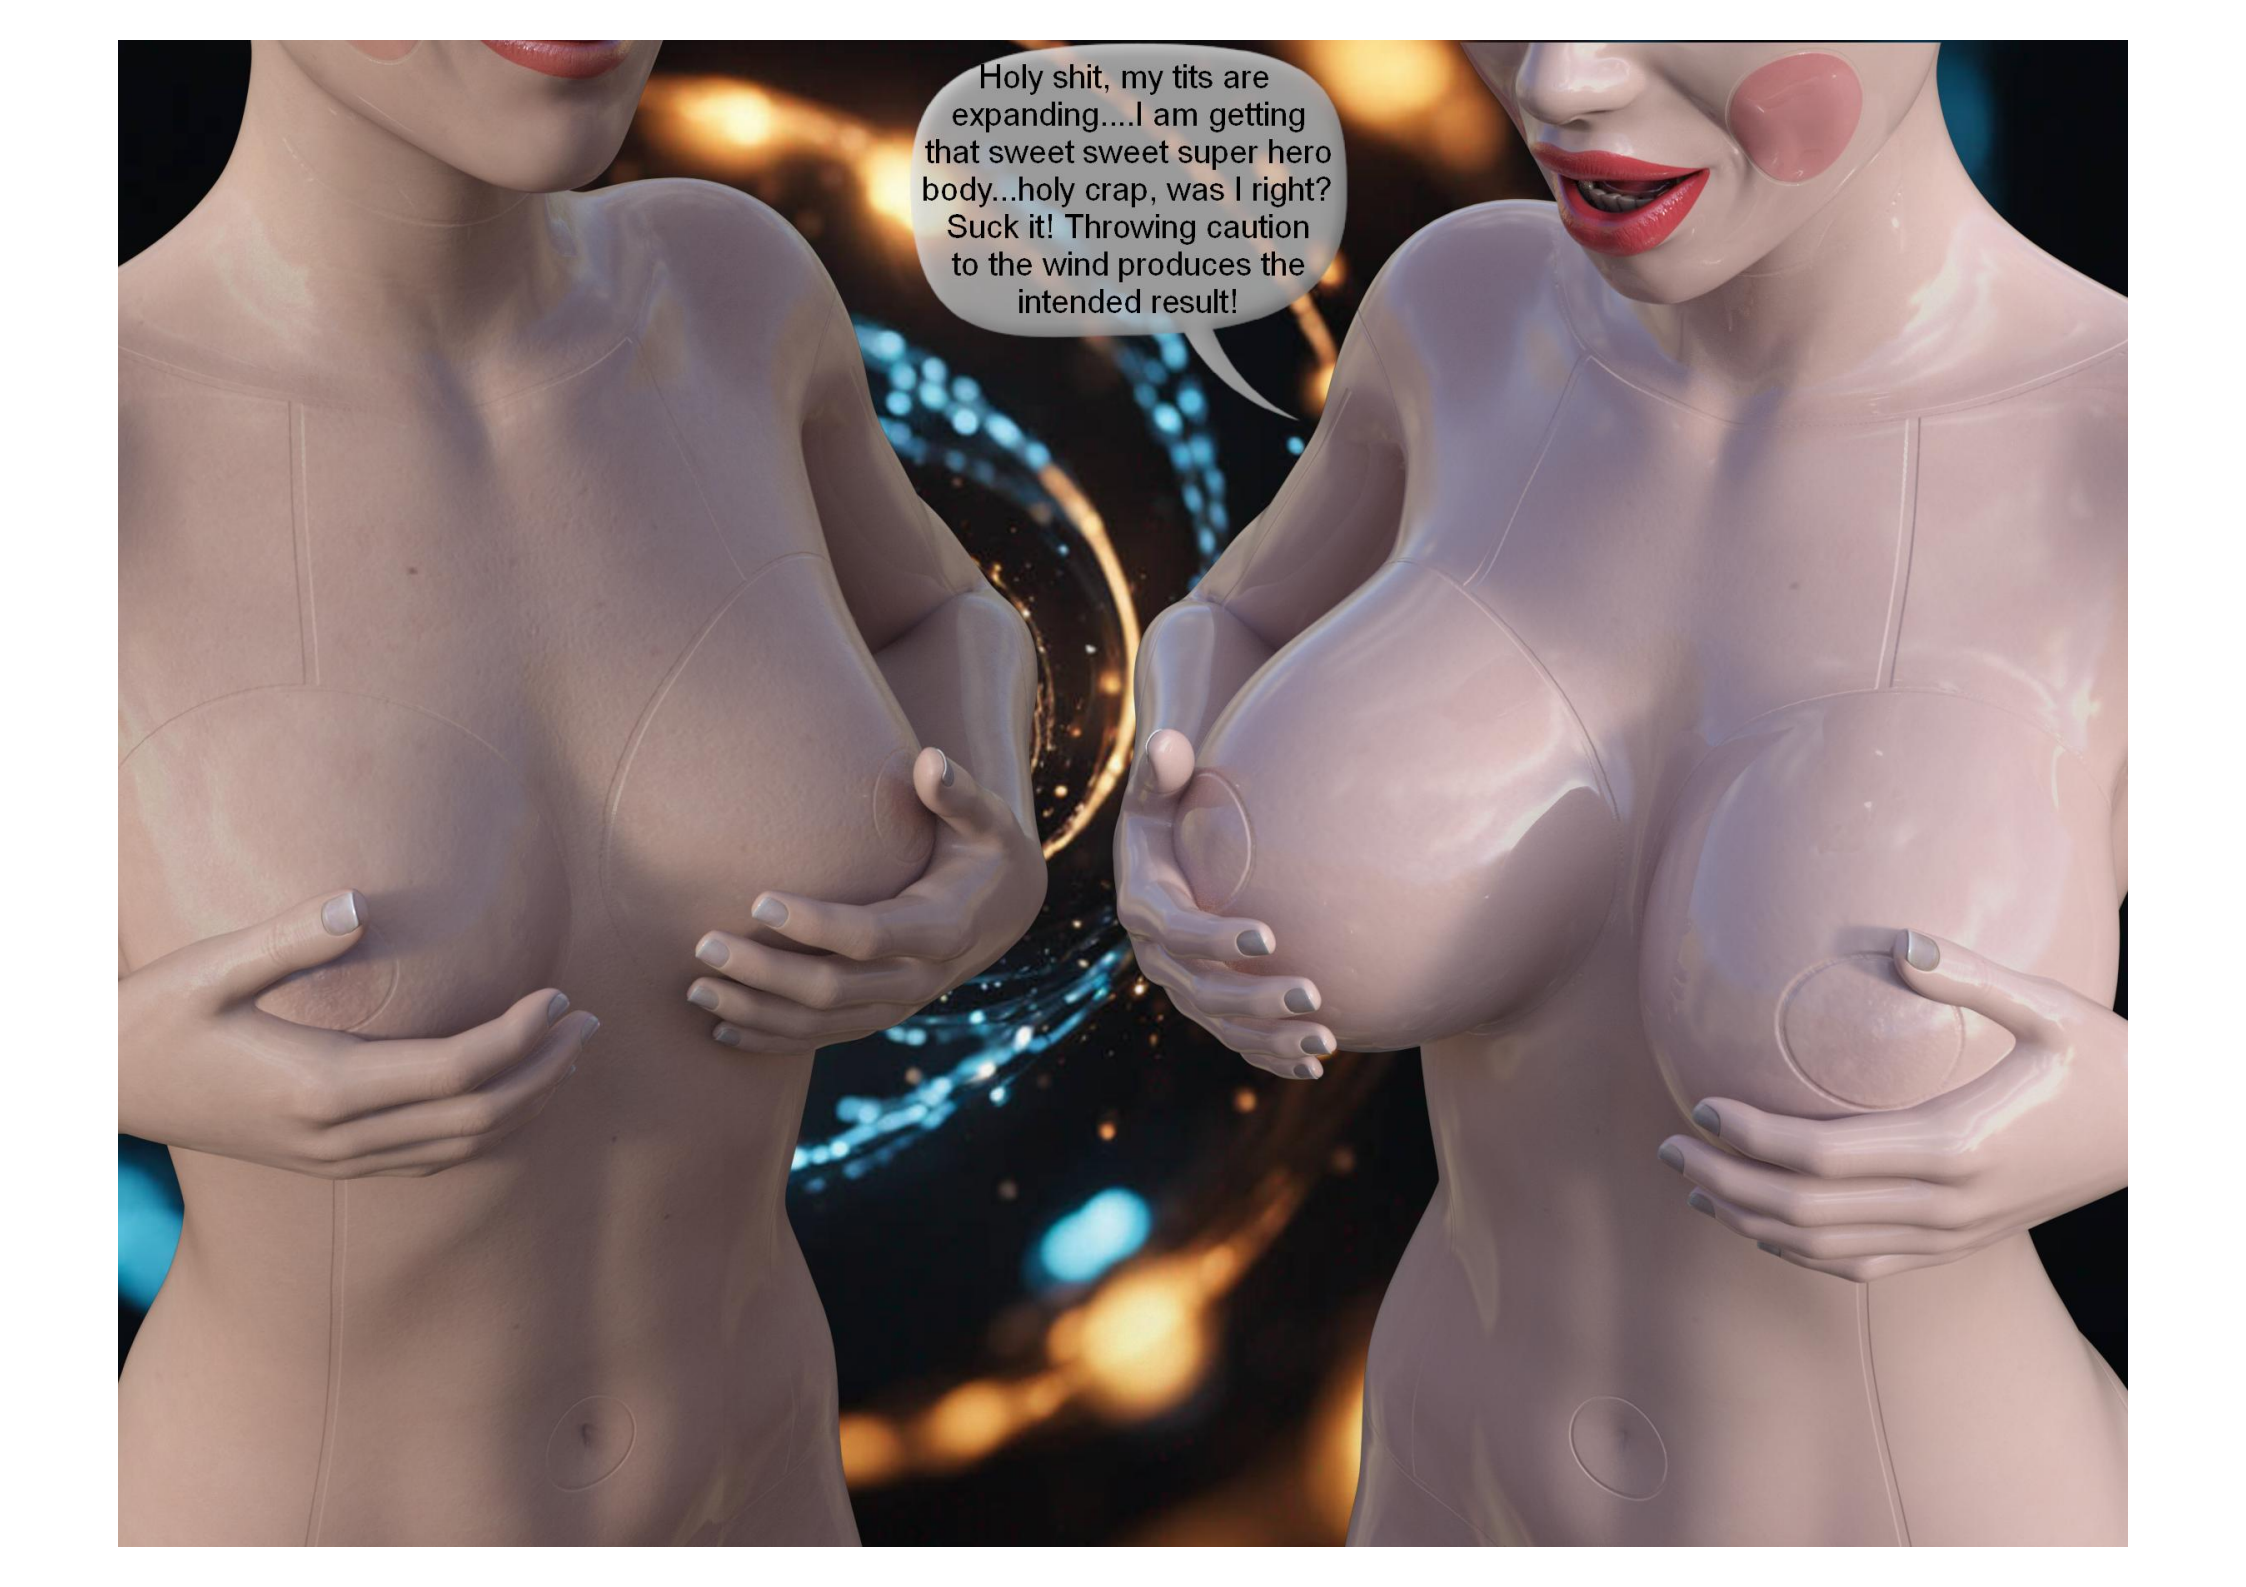

OH, the glass closes as soon as you get inside. Smells funny, a strong odor of plastic...must be a brand new machine...OK, lets get this party rolling. Hit the button!

OH, OK....yeah...

The image shows two female mannequins from the waist up. The mannequin on the left has a normal-sized bust and is holding her breasts with both hands. The mannequin on the right has significantly larger, more rounded breasts and is also holding them with both hands. She has a surprised expression on her face. The background is dark with glowing blue and orange light trails. A speech bubble is positioned between the two mannequins.

Holy shit, my tits are expanding....I am getting that sweet sweet super hero body...holy crap, was I right? Suck it! Throwing caution to the wind produces the intended result!

Nurse...girls....Dammit!
Come out her and help me.
This damn machine shut on
me. I accidentally stepped
inside, Hey is anyone out
there? Did we figure out
what this thing does?

A man is standing inside a red, cylindrical machine. He is shirtless and appears to be in a state of distress or discomfort. In the foreground, there are several large, pink, glossy, doll-like objects. The background is a bright, circular light fixture on a ceiling.

Girls....Fuck, the dolls!
The machine stripped me,
AHHH! It took my dick. This
isn't good...Please someone,
I need...Hmmm, its starting
to smell a lot like...
PLASTIC!

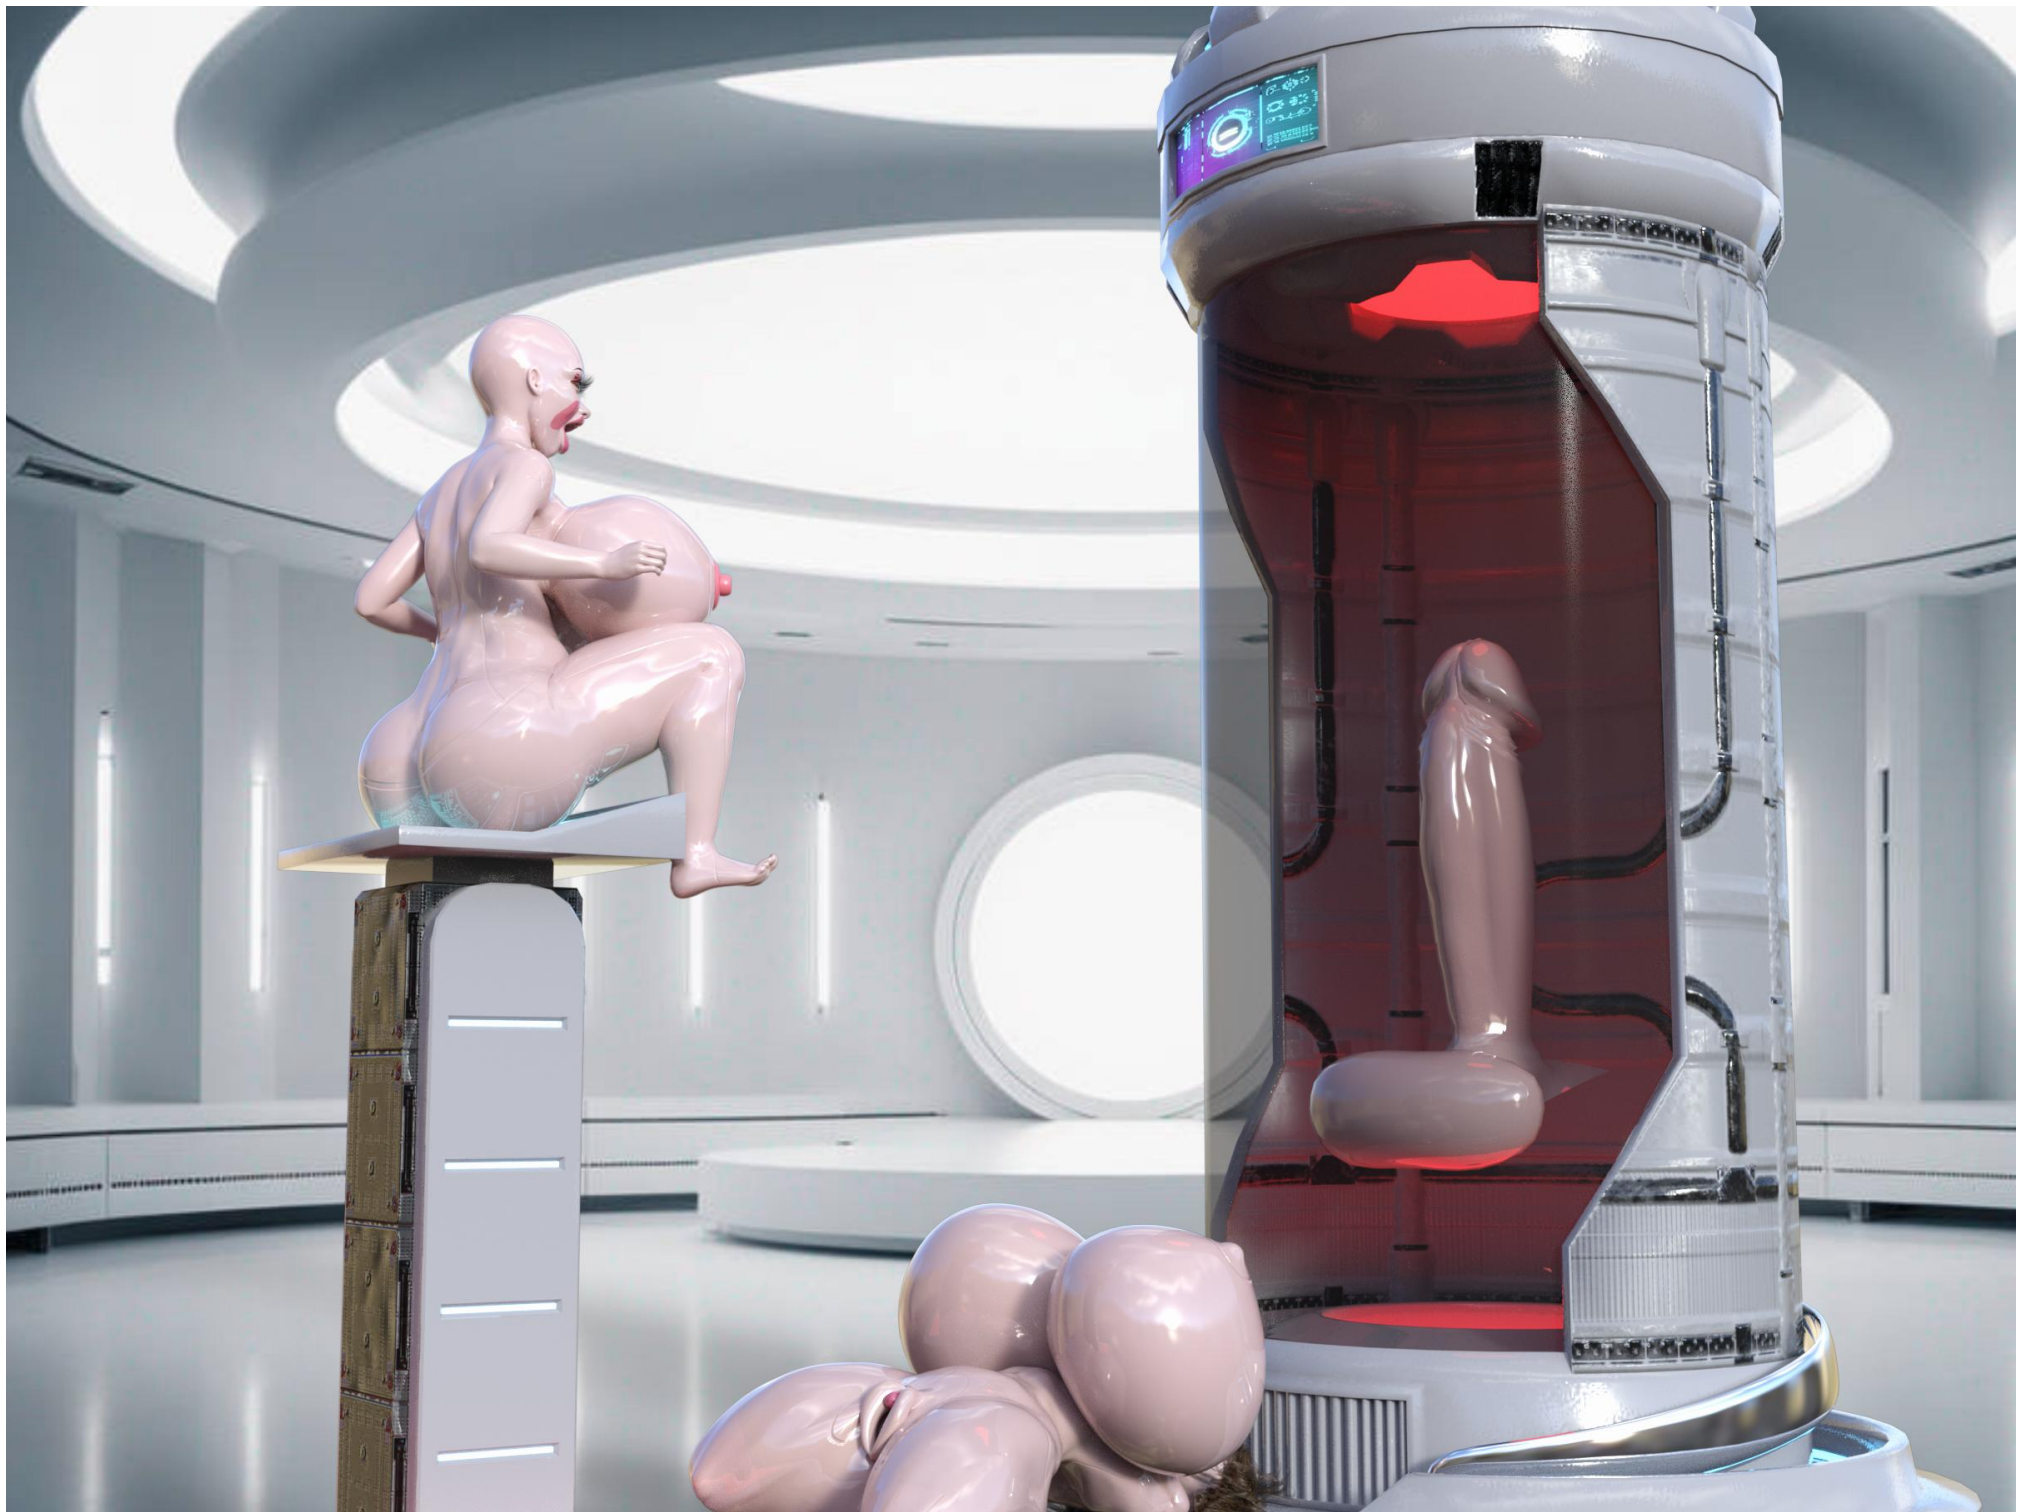

GAWD, look at her tits!
She is making me so fucking
hard....UHN, something...
is wrong...spine stiffening...
head swelling, Am I turning
to plastic! I am turning
into another...

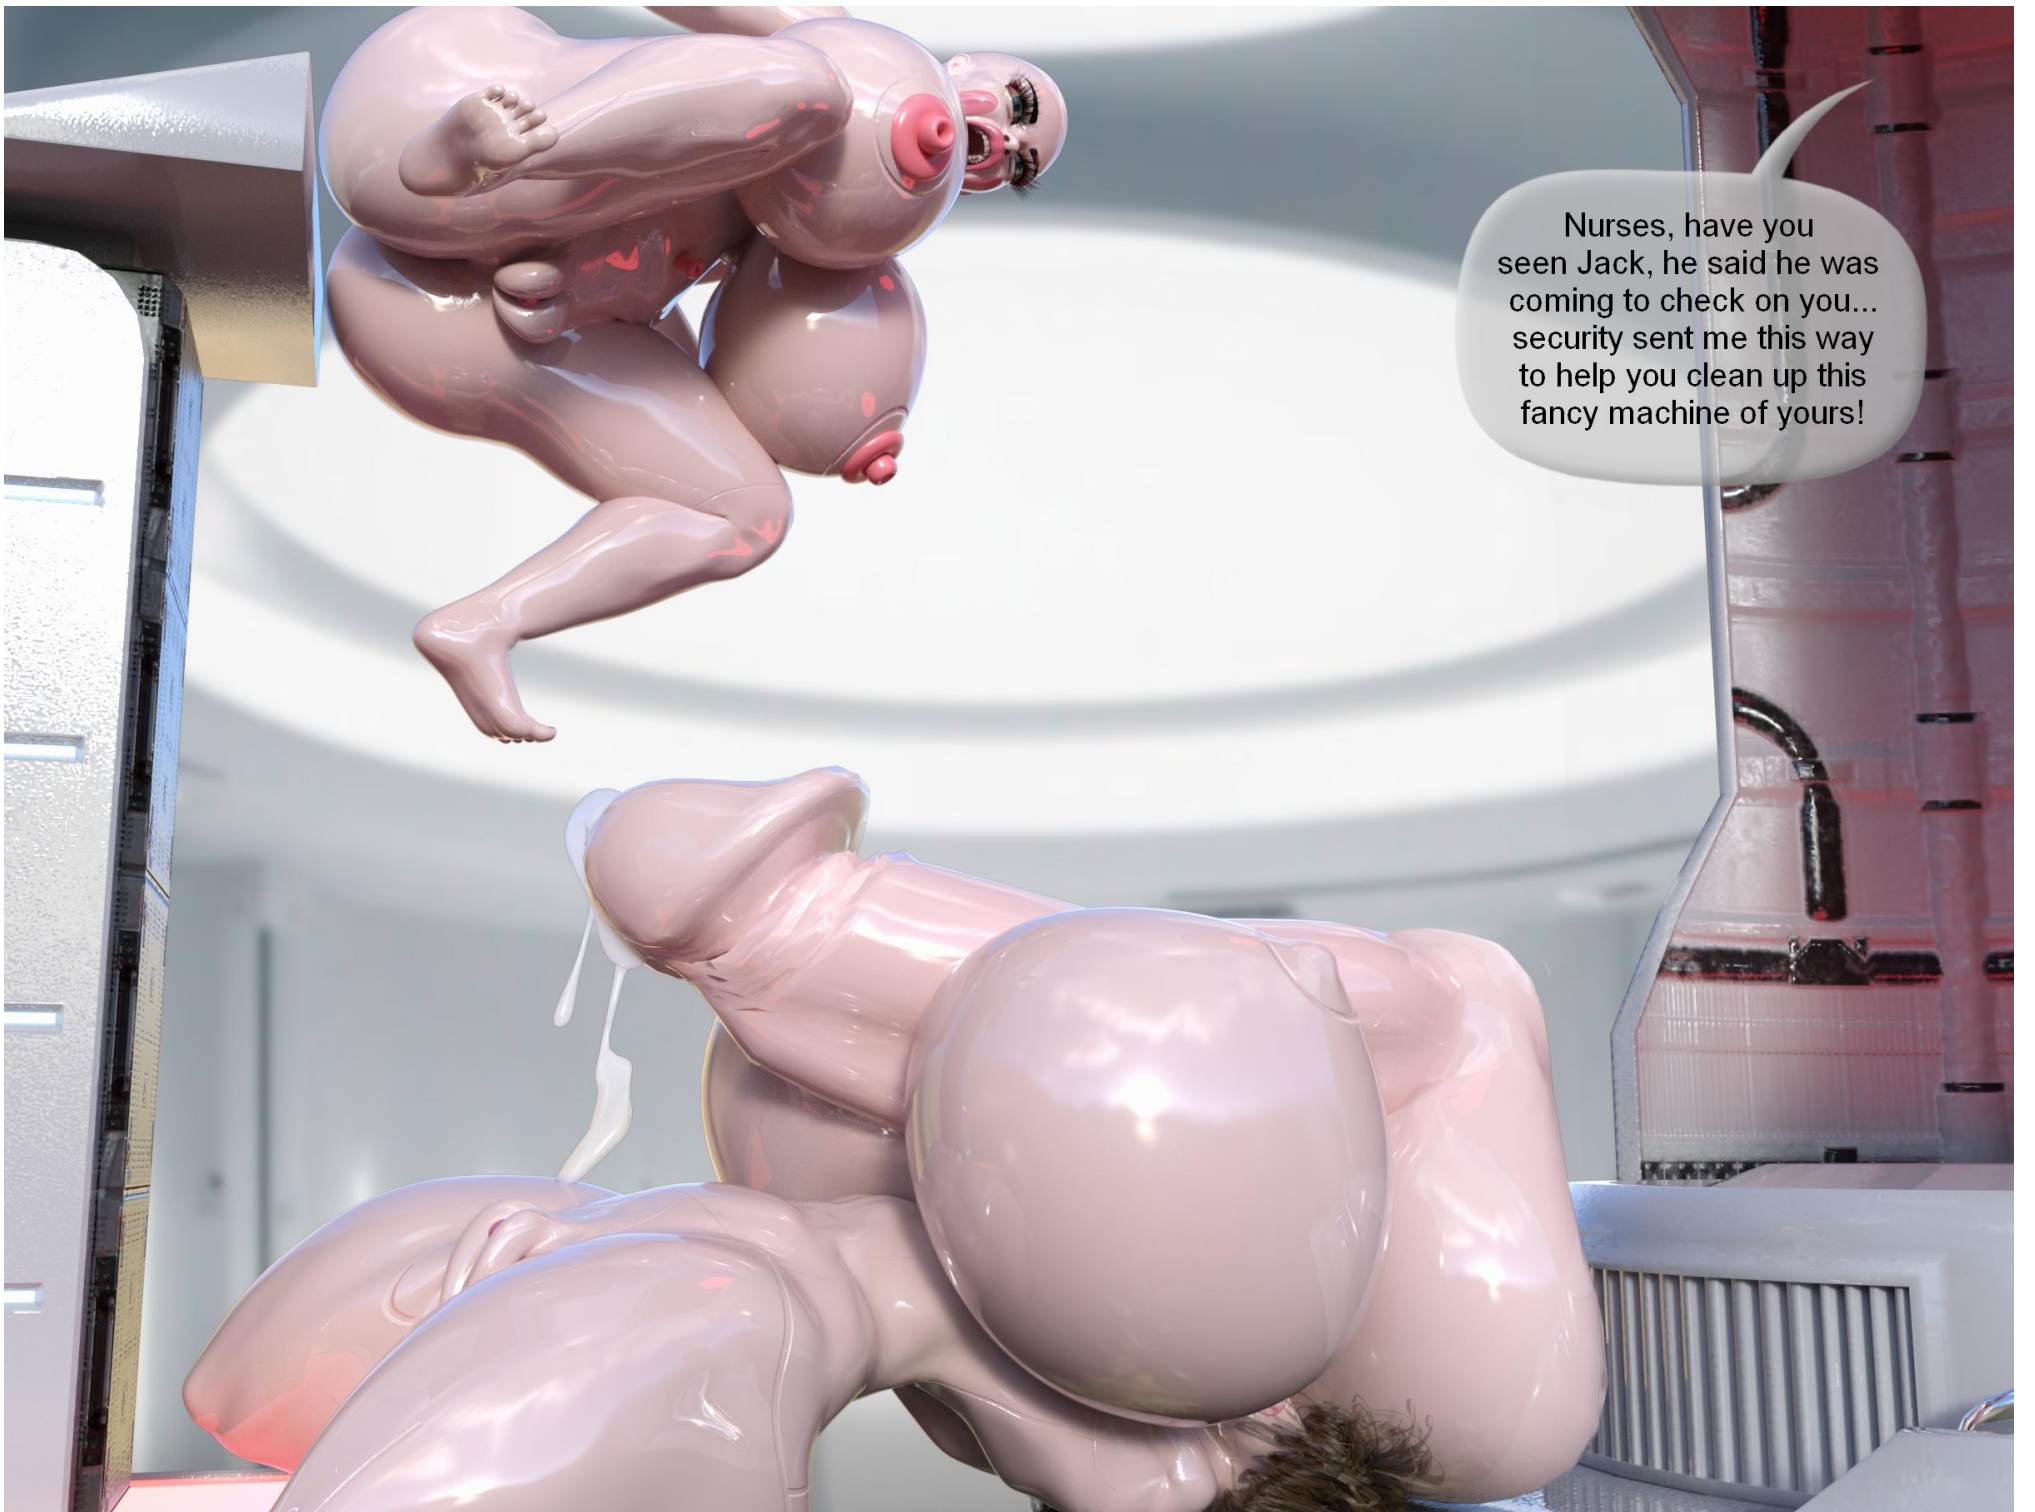

Nurses, have you seen Jack, he said he was coming to check on you... security sent me this way to help you clean up this fancy machine of yours!

Holy shit, this is a mess. Who would have guessed that I would be cleaning up a pile of sex toy today! Where is everybody I can't find anyone! You guys sure are sexy!

A woman with short blonde hair, wearing a light blue uniform with a black belt, is leaning over a pink, glossy sex doll. She has her hands near the doll's face, appearing to inspect or adjust it. The doll is seated and has large, prominent breasts with circular openings. The background is a futuristic interior with metallic surfaces and a red light source. A speech bubble is positioned to the left of the woman.

I mean, a pile of
sextoys...you know...I might
pack a little surprise in my
pants...anybe you would like
a little taste before I pitch
you guys in the trash!

I think you are going to be my cock sleeve...We gotta do this fast before the staff get back here to figure this machine out...I can't be found naked with my cock out..so embarrassing!

Oh, fuck!
Are you alive...
OOF, Oh shit.
AHHHH!

SLURP!

A scene from a movie featuring a large, pink, doll-like character on the left and a woman with short blonde hair on the right. The woman is crouching on a circular platform with a red glow, looking shocked. The background is a futuristic, metallic interior with pipes and a circular opening. A speech bubble is positioned above the woman, containing text.

Like, My god, you two dolls are the nurses...that makes...the giant dildo... Holy shit is that JACK. What could possibly do this to a person...Its not for me!

Its a fucking
DOLL MACHINE...and
now I am stuck inside it!
Look what it did to those
women...and that man...
Fuck, what will it do
with...ME!

Don't panic! It only
bondage wrapped your
cock and turned it into a
sensitive solid black of hard
rubber....Ahh, thats plenty
of reason to panic!

I ahve sex doll seams...
and my poor cock is
straining agains these
straps...It hurts so fucking
