I'm thinking Drafting Film for this one - due to the time we have - we can add the colour and then life out details.

Provisional pencils:

Polychromos: Dark Sepia, Black, Light Cadmium Red, Dark Cadmium Orange, Burnt Ochre, Walnut Brown, Cold Grey 1, Cold Grey 3, Warm Grey 1, Warm Grey 4, Caput Mortuum Violet, Ultramarine, Dark Indigo

Luminance: Light Cobalt Blue, Cornelian, Orange, Buff Titanium

Drawings: Ivory Black

Other tools Tombow Mono, Slice Ceramic tool or Craft Knife, White smooth paper to put behind your film.

Transferring your image

Use your screen or print out the line art or image, pop behind the film and trace your outline.
