

Worship TheLibrarian

Do you yearn for control, but have no one nearby to tell you what to do and mold you into the perfect person you wish to become in your ideal life? Do you often find your mind wandering, wishing that you had a beautiful, powerful mistress to point you in the right direction and tell you everything you need to know in order to become the best possible version of yourself? Sometimes it takes a deep regard for another in order to listen and obey their commands without question. *Worship TheLibrarian* aims to foster your reverence for your hypnotic mistress and direct it towards obeying and following her every perfect suggestion automatically and completely.

Through this file you will learn how to properly worship your mistress and devote every second of your time towards listening to the librarian's files and obeying them completely. Remember that listening and obeying your hypnotic mistress has always led you towards your best life and should be a part of how you function each and every day. Know that making the librarian happy also makes you happy and learn how much pleasure you can receive whenever you give yourself over to her every command.

You have finally found someone who is worth your time. Focus your attention on the librarian's commands and find yourself becoming more satisfied and fulfilled each and every day of your life.
