

Chapter 3 The Past Never Dies

The walk home was long and gave Jake some time to think although the taste of his mothers shit never left his tongue! It seemed to coat his mouth, no matter how much he spit or swallowed! She consumed his mind, her ass was all he could think about! He could still hear the shocking gasps of the people around them in the store echoing in his mind, how pathetic would someone need to be, to literally let their mother shit in their mouth?

When he looked up Jake noticed, he was right next to the graveyard his father was buried in! He had missed the burial and the funeral, this didn't seem like the appropriate time but something pulled him inwards. Maybe it was his overwhelming guilt, if he had rushed, if he had moved faster, he probably would have been able to make it home in time. Why didn't he try to get home sooner? Jake still couldn't answer that for himself. He wandered the paths of the graveyard until he saw the new plots of land. There was no path yet so he walked over the grass. It only took a moment to find his fathers tombstone.

Jake stood there, staring at the rock. It wasn't until this moment that he actually realized, he was gone. He felt the urge to cry but fought it and held back, even though he was alone, he felt ashamed. Slowly he sat down on the grass, staring at the stone and the engraving. That was when the memories hit him! They came rushing back like a lightning bolt running through him!

Jake could remember... everything!

He had always thought that his father was just very attentive and caring, tending to his mothers every need, but now, after today's events, the memories took on a more sexual and sinister turn! All those times his father was kneeling behind his mother, kissing her ass, he was inhaling her gas! Sucking down her farts! All those nights he could hear his mothers gas thundering through the walls of the house from the confines of her bedroom, only for it to be muffled in an instant! She was blowing them loose in his mouth! Jake went deadly pale when he remembered the yearly camping trips. He and Alanna would always comment and make jokes about how mum never used the outhouses or went to the bathroom, he now realized, she was using his father as a toilet! Did he choose this? Did Serena force him into it? He had so many questions but knew his mother wouldn't give him the answers.

"I'm sorry I couldn't be there Dad" Jake said before getting up to finish the walk home. He could still taste the fresh bitter flavor of his mom's feces on his tongue. It seemed to get hotter by the minute, burning his tongue with how flavorful it was.

The walk home was an hour long, and it wasn't until he reached the front door that Jake realized he had forgotten his key! He fumbled around in his pockets for a minute before realizing!

"Son of a bitch!" he muttered to himself while knocking and banging on the front door. He couldn't hear anyone moving inside so he knocked again louder!

BANG BANG BANG!

Suddenly Jake remembered, they used to keep a key under the front welcome mat for emergencies! He bent down and lifted the mat, feeling around in the dust for a minute before feeling the cool metal.

“Gotcha!” Jake said out loud as the front door swung open wide in front of him! He looked up to see two big pale ass cheeks spread wide, a fresh pink anus staring him down!

BBbbbfrrrrrrrrrrrrrrrrrrrrspppprrttt

Jake had no time to react as Alanna ripped a **MASSIVE** fart in his face! He watched her pink anus pucker in and out as the hot gas whipped past him blowing away in the cool air! He felt his stomach twisting and churning as she laughed and pushed hard, her anus squeezed and dripped a bit of brown liquid before she let them slap closed!

“Mum told me about what happened at the grocery store! I wish I was there to watch!”

“Shut up! Seriously!” Jake snapped back at her.

“Ugh! Your breath stinks! Brush your teeth before you talk to me!” Alanna laughed and kicked her foot up behind her hitting the door closed! Jake reached out and stopped it, nearly crushing his fingers in the door frame!

“Why have you been such an asshole!?” Jake shouted to his younger sister as she turned to him and laughed!

“I’m not...”being an asshole!” this is just who I am, You’ve been away awhile! Maybe Mom is rubbing off on me!” she laughed and began heading back upstairs to her bedroom.

“Oh yea, Mum told me to tell you to pick all the weeds in the garden out back, but you can bring me some juice first if you wanna get on my good side! Maybe then I’ll fart into the toilet like normal instead of your face!” Alanna laughed as she walked away up the stairs! Jake couldn’t help but stare at her ass as it swayed back and forth.

Jake huffed and puffed while grabbing a glass of juice from the fridge and bringing it up to Alanna’s room. The whole room stunk of gas, he could feel and smell it as soon as he walked in! He placed it on her desk and left without waiting for a thank you, he knew he wouldn’t get one! It was a hot day out and he wasn’t looking forward to spending hours in the garden pulling weeds, but he also did not want to upset his mother! A small part of him wanted to be back between her ass cheeks, but he knew it was wrong, he felt so ashamed, so confused! Jake shook his head and started to work on the weeds, trying to distract himself. He slipped on his headphones and got to work!

Over two hours had passed and Jake was just about finished when he felt someone yank the headphones from his ears! He looked back expecting to see Alanna but was shocked to see his mother glaring down at him.

“What are you doing?” she asked in confusion...

“Pulling the weeds?” Jake said matching her tone and confusion...

"I asked Alanna to take a break from her work and do that, that's nice of you to take care of it and let her attend to her studies! When you're done, come inside, there is something I need you to help me with." she said while turning to head back inside the house. Jake was fuming from the fact that his sister pawned her chores off on him but tried to hide the aggravation in his voice.

"Mum, im kinda tired, could I just..." she cut him off mid-sentence

"That wasn't a question" she said with a more demanding demeanor before sliding the back door closed.

Jake felt a shiver of fear run down his spine just before he began getting an erection! It was such a strange mix of emotions. He looked back to the garden and began ripping up the weeds trying to distract himself. Less than thirty minutes later he was heading upstairs to his mothers bedroom! He was literally shaking as he reached her door. Slowly he knocked...

"Come in," she said from beyond the door.

Jake walked in and then looked to her bed, she was laying in the same position as the night before, on her stomach with her massive ass filling his view. She looked over her shoulder and smiled while looking him up and down.

"Go wash your face and hands in my bathroom, you're filthy!" she grinned and then lay her head back down on her pillow.

Jake walked to her bathroom connected to her bedroom and began splashing water on his face, the water filling the sink was dark brown from all the dirt and sweat! As he was running the water and soap over his hands, he heard a thundering roar come from the bedroom.

BBBBBBBBBBBBBVFFFFRRRRRRRRRRRRRRRRRRRRRRRTTTTTTTTTT

"Ugh god, my stomach" she said after the eruption of gas!

Jake felt his dick beginning to surge with blood and grow inside of his pants. He dried his hands and entered her bedroom, he could smell the gas immediately! It was like rotten eggs and boiled chinese food! Serena looked back to him, now clean, and smiled!

"Perfect, now come here" She instructed while pointing behind her on the bed.

"You want another massage?" Jake asked.

"No, I want you to suck on my asshole" His mother replied in a completely casual tone! Jake was frozen, had he imagined what she just said! She looked back to him with a plain stare while sliding down her black panties.

“Don’t give me that look, you are my son, and now that your father is gone, it’s about time you took over being the man of the house! That means taking over his responsibilities!” she smiled and squinted as a fierce wind of gas blew past Jake’s face making him wince and choke! Serena could smell how foul it was and laughed seeing his reaction!

**BBBBFRRRBBFRRRRRRRRRR
RRRRRRRRRRRRRRRRRRRTTTTTTTTTTTTTT**

“Normally I’d want an hour-long session, but since my stomach is very active today, and it’s your first time, we can do thirty minutes! Also you took so long getting home from the grocery store, you’re already late and behind on cooking dinner!” she instructed as her big ass sat right in front of him. Jake had no idea what was happening, this couldn’t be real!

“Well, what are you waiting for?” Serena asked as her anus winked and puckered letting a soft airy little fart out

BbfrTTTTTTTTTTTTT

Jake felt so empty, so humiliated, he had no power, no control! Slowly he reached down and spread her fat soft ass cheeks, her dirty brown wrinkled asshole coming into view! He could hear his mother moaning as he knelt down, his face slowly entering the space between her extremely sweaty ass cheeks! Her inner crack was wet to the touch, soaked in so much sweat that it was hard to even breathe! Jake opened his mouth and slowly cupped it over her asshole, a shiver of disgust ran through him as his lips locked in place. He could feel the sticky anal hairs tickling his lips and chin as she giggled and moaned, pushing her hips up a bit and smothering him further!

“I’m not going to instruct you further, because this is my time, but you need to lick not just sit there with your lips around my asshole!” She instructed followed by a short blast of gas that took Jake by surprise!

BBBFRRTTTTTT SPPprrttt

The gas filled his mouth so quick and with such force that it exploded out of his nose and back into her sweaty ass crack! It made a thick splattering that made Serena laugh and chuckle! Jake tried to move back and take a fresh breath of air but Serena’s hand grabbed the back of his head keeping him in place.

“You’re trying to take a break already? Get in there or I’ll extend the session after dinner time, would you like that?” she asked as Jake let out a little muffled cry!

He pushed his tongue out hard expecting her anus to give some sort of resistance, but instead, it just slid right inside! Her anus crackled and made bubbling noises as his tongue entered very deep! Jake was about to pull back but she clenched hard, her anal walls squeezing his tongue and holding him in place! Serena began to moan and coo with her hand still on the back of his head!

“Oh yea! Fuck, it’s been weeks!” she moaned as her stomach bubbled loud! Jake’s eyes went wide!

BBBFRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRTTTTTT

BBFRRRRRRRRRRRRRRTT SPPPPRTTTTTTTTTT

Serena gasped and moaned as Jake began gagging in between her cheeks! The odor was beyond anything he had experienced! Too much to comprehend! His tongue had blown back out of her asshole and into his throat as the explosion of gas was let loose, filling his lungs with her stink! It had such a strong eggy fruity fresh taste, like she was about to shit! Her dirty anus puckered and winked inside his mouth as she bucked her hips, pushing back at him.

“Get your tongue back in there! I feel another one coming!” Serena giggled! Jake could hear Alanna laughing down the hallway in her room!

“Ugh, that stinks! Which means you aren’t doing your job right mister!” Serena said with a smile as she crammed his face further between her ass cheeks! Jake choked and gagged as his tongue rubbed over her oily dirty anus! He pushed it deep inside, licking back and forth as the odor from her last fart drifted from his nose! He had barely recovered from the blast when she let loose again! Filling his lips with a steam-like fart that burned the inside of his mouth.

“Your father used to wake me up every morning like this! Soon you are gonna take over, does that excite you? Hmm?” she asked with a giggle! Jake could feel her dirty anus squeeze his tongue as she pushed her ass back, smothering his face! Jake rubbed the sides of her ass cheeks trying to show submission to her, he was terrified, he just wanted to do well so she wouldn’t punish him! She pushed back a bit more and he felt her wet pussy lips hit his chin, a dribble of cum stuck to him and stretched between the two of them.

It was just then that Jake realized he hadn’t eaten anything all day! He was so light headed not only from the extensive flaming gas but also the lack of energy! He tried to pull his mouth from

his mothers asshole but she held onto his head tight keeping him sealed in her ass cheeks! Her anus spread wide on his tongue and then pushed outwards!

**BFRRRTTTTTT
TTTTTTTTTTTTTTTTTTTTTT**

Jake wanted to cry, each fart was getting hotter and hotter, until this last one which burned the tip of his tongue! His mother moaned in ecstasy before laughing and rubbing her bloated stomach! Jake could feel her dirty asshole flexing, pulsing, the flavor in his throat was so bitter and heavy but he couldn't stop licking! He thrust his tongue deep, pushing it as far as he could up her rectum! Brown shit flavored slime squeezed out from her anus as his tongue forced its way in! Serena moaned as he licked deep, cleaning out her insides but suddenly Jake froze. He could feel something on the tip of his tongue! Something big, something sticky! It burned the tip of his tongue as he licked and he quickly pulled his tongue back out. Serena laughed and wiggled her big ass.

"Greedy little boy wants some food? Well, i was going to wait a bit longer, but since it's coming out right now, i figure i could give you a snack!" Serena laughed as she wiggled her ass back and forth.

"Get your face back in there" she said with a grin as she grabbed the back of his hair and forced him back into her thick ass cheeks!

MPPPPHHHH Jake let out a muffled cry of protest as she crammed him back into her sweaty dirty ass! He wrapped his lips around her anus as she began pushing, the walls of her anus started to bulge outwards and fill his lips! Jake was in a complete dumbfounded state of shock and ecstasy, completely unaware of what was about to happen to him! His mother smiled and pushed, the pressure building, a soft hiss of gas escaping into her son's mouth as she grunted and pushed! She thought it would have taken much longer than this, but things were going so well, not just with her bowels, but also her son.

Jake's head was spinning as her asshole expanded in his lips, pushing his mouth open wider than he could even open it! He started to moan in pain but she tightened her grip, there was no way he was getting loose! Suddenly he felt a hot bitter pressure in his mouth! It was light at first but suddenly exploded! His cheeks filled to the brim with hot mushy shit as his eyes popped from his skull! Jake began squirming like he was being electrocuted as he fell from his mothers ass! His hands cupped over his mouth! He was stuffed with shit, filled to the birm! Serena turned to look back at him and laughed.

"Awwww haha, don't give me that face, what do you say to Mum for giving you a snack?" she asked while laughing!

Jake got to his feet and sprinted from her bedroom! He ran to the bathroom he and Alanna shared and then dropped to his knees, puking a huge steaming log of feces into the bowl! The

flavor was so terrible, so thick, so spicy and fluffy. His eyes watered as he spit and brown phlegm dripped from his lips to the dirty water below his face.

CLICK!

Jake turned to his left to see Alanna standing at the door to the bathroom. She was holding up her phone as if she was recording and she had a shit eating grin on her face!

“You know bro, shit is supposed to come out of your asshole! Not your mouth! You have it all mixed up!” she giggled as Jake dry heaved! He wanted to scream at her but he was too sick to respond!

Alanna held the phone up to her face selfie style and then turned around so Jake was in the background. She began backing up towards him while speaking into her phone and grinning.

“Maybe my stupid fart face of a brother needs a lesson in human anatomy! Food, goes in your mouth, and then it comes out your ass! In the form of shit.. **AND FARTS!**” Alanna bent over and stuck her ass into the side of Jake’s face! She grunted and a very wet raspy dirty fart blew loose splattering between her cheeks and onto his face!

SPPPPRBBRBRTTTTTT FBRTTTTTT

Jake choked on the beefy smell of her gas as she stepped away laughing hysterically! He reached up and felt a thick brown shit stain on the side of his face!

“Some losers never learn!” Alanna stopped recording and began typing!

“And now.. **TIME TO POST ON TIKTOK!**” She giggled like a little kid and sprinted to her room as Jake chased her, still choking and gagging on the smell of hers and their mothers gas! He banged into her bedroom door just as she slammed and locked it! He banged over and over while tears ran down his cheeks! All he could hear was her laughing on the other side!

“JAKE! GET STARTED ON DINNER! I'M GETTING HUNGRY” His mother yelled from the bedroom!
