Let me know if you want any specific warnings!  
This one contains:  
-Public sex (mild)

So this month is a bit unusual- I took a week off and ended up getting Very into 'The Untamed' which is a chinese drama based on a BL.

So a lot of this months sketches (sfw & Nsfw) are from that, studies of the characters, and the ships from it.

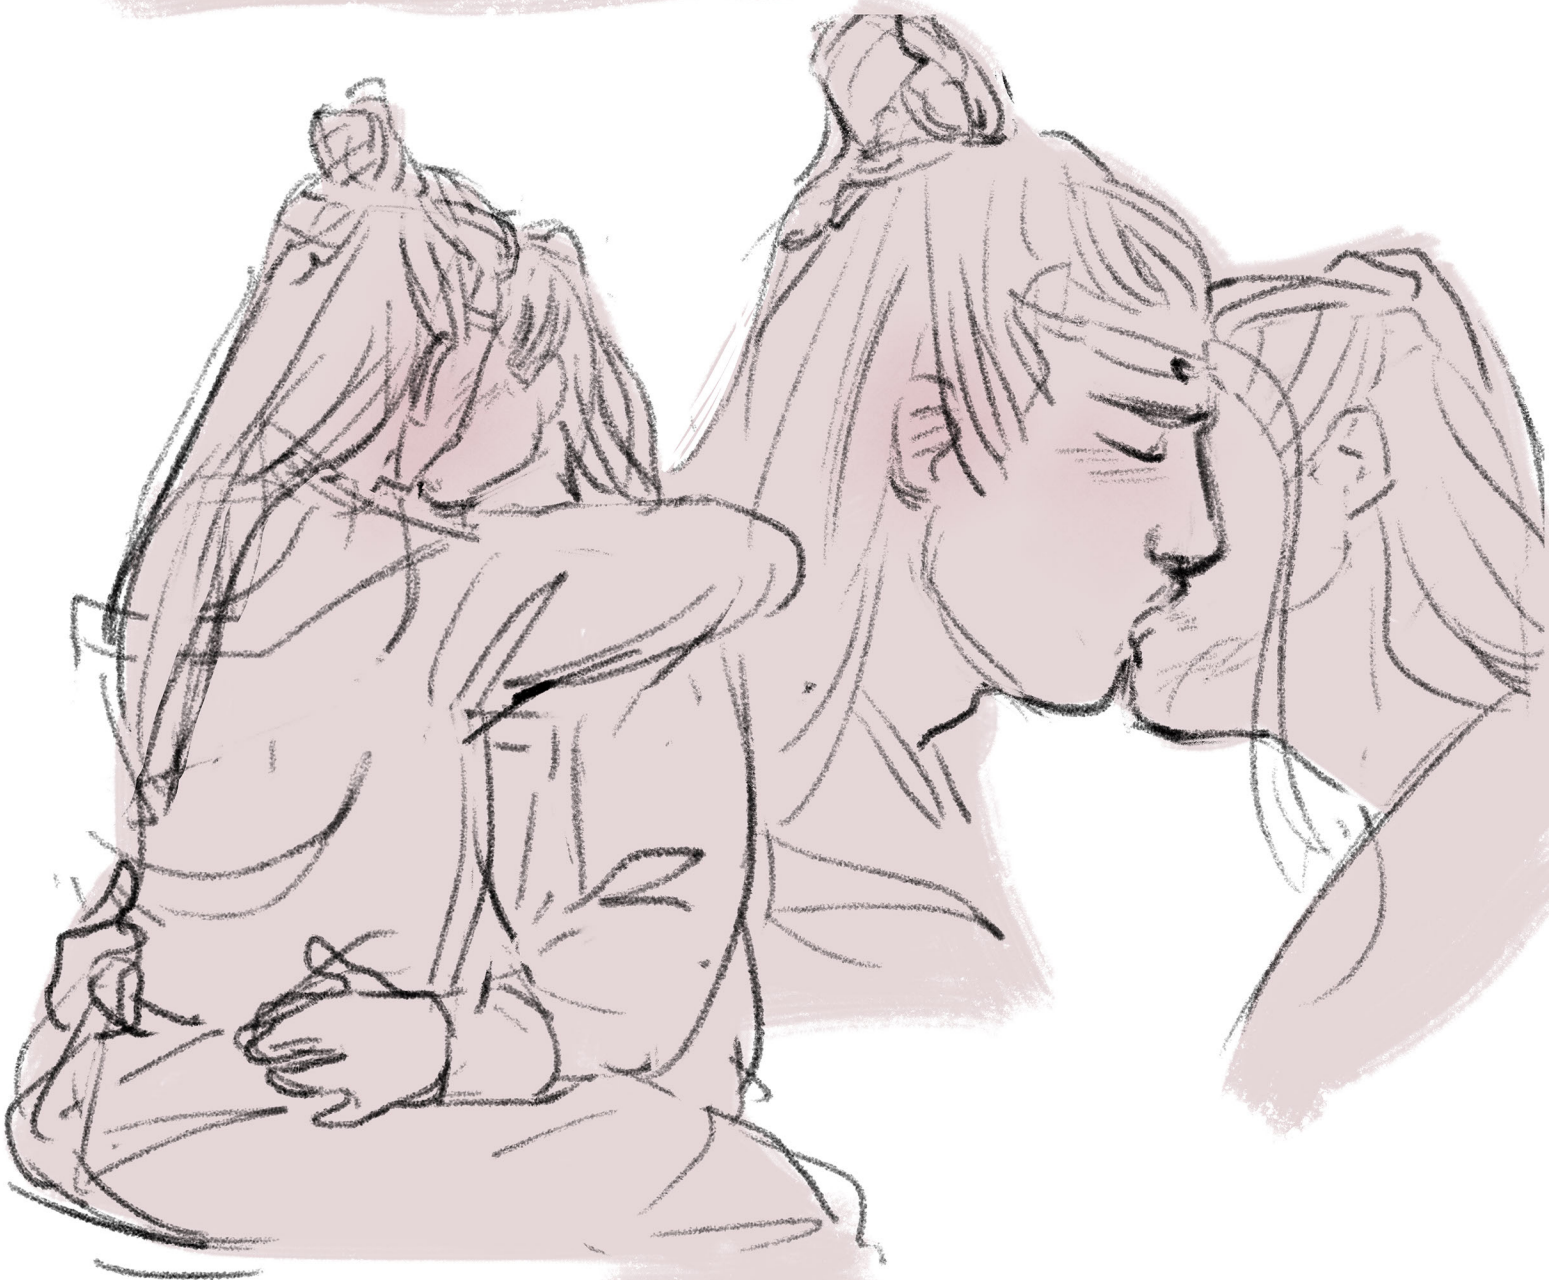

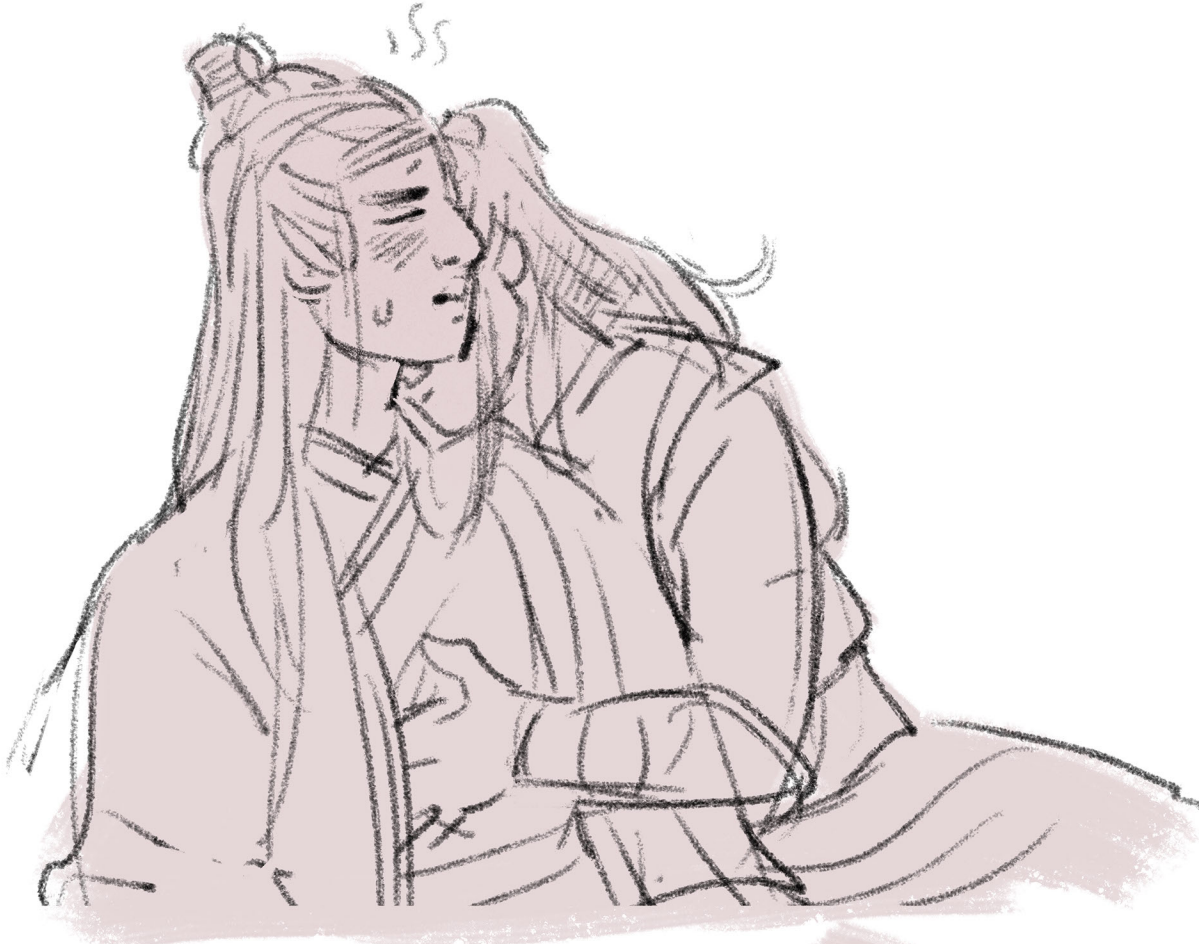

I don't think it's worth me trying to explain the context, but I recommend it! It's not perfect, but it's full of heart, and is as gay as they could possibly make it without upsetting the censors.

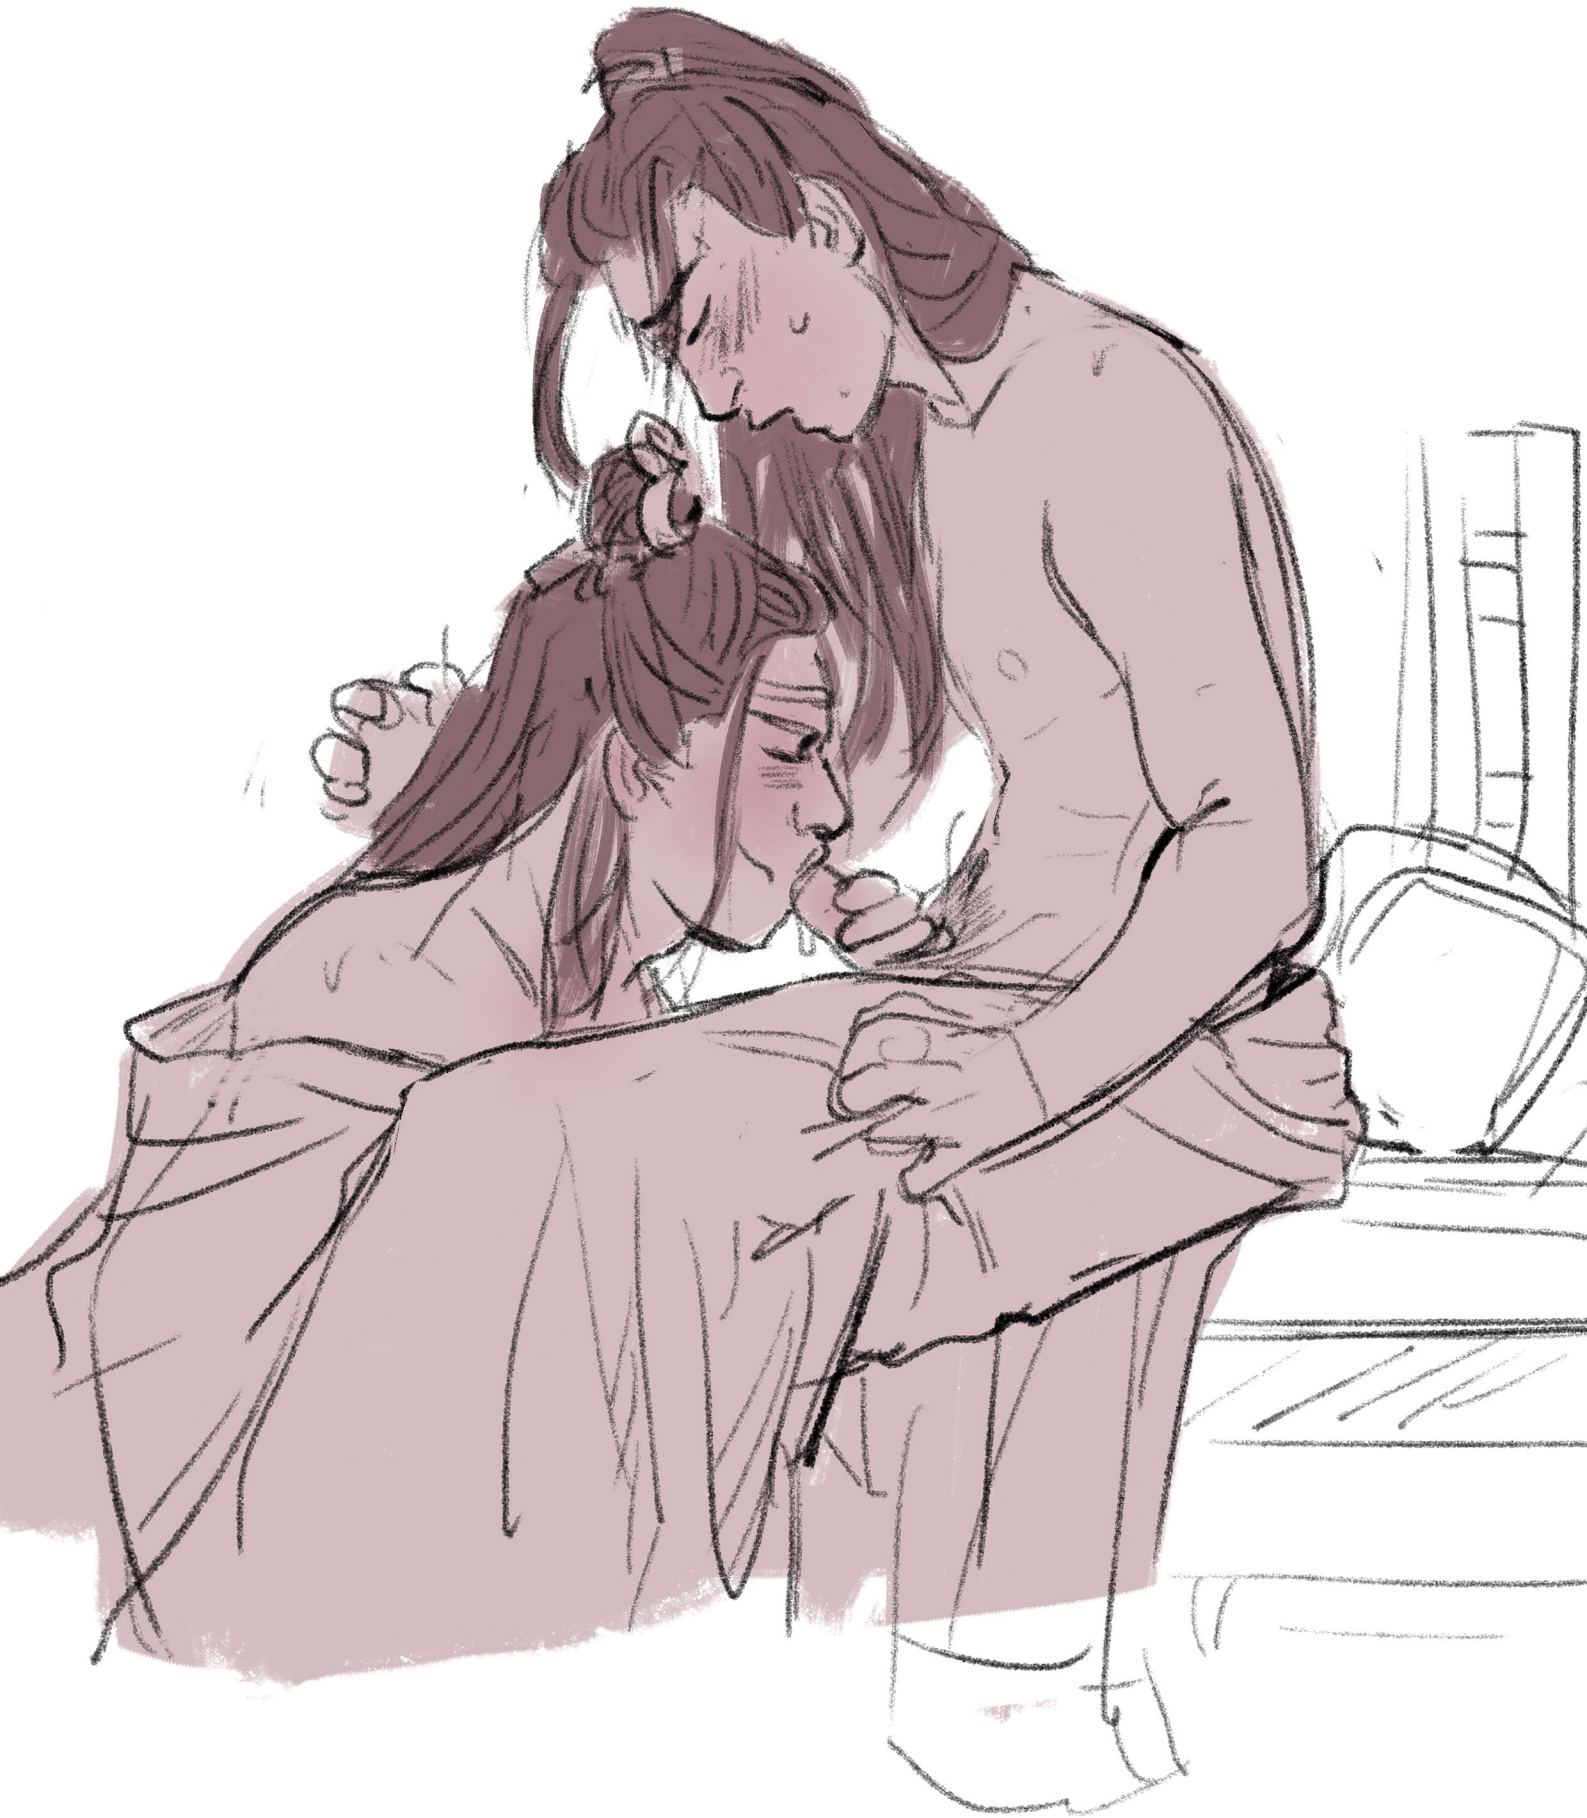

It's a little confusing when you don't know who's who, but here's who I'm drawing mostly.
