

You promised.

Everyone told me about what happened this morning

You pushed him, punched a hole in the wall

Then just went off to do your work like nothing happened?

I called Mashiro, he said you two cleared it up

I called you to ask for more, and got sent straight to voicemail.

And then you sent me a text telling me to go home first?

How do you expect me to not worry?

I'm sorry..

I had to-

Just..

Just give me five seconds..

Disappearing for an entire day like that..

Five

Do you have any idea how scared I was?

Four

Think about Cherie

Think about how much work he's put in this office

Three

Think about how good you have it right now

Two..

Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it? Are you willing to risk it?

I'm sorry..

One.

I didn't mean to ignore your calls..

I just needed time to collect my thoughts..

Then collect your thoughts..

we need to fix the wall first, anyways.

What wall?

Ohhh...

This wall..

I remember now..
