MEGAN
"MEGA"
MACHINE STEVENS
6' 3" 170 LBS.

We've got a bit of a grudge match for this one folks, as massive Megan "Mega-Machine" Stevens takes on British National Champion Jayne "Lionheart" Cooper!

**CUDDLE-BOXING TOURNAMENT
QUARTERFINAL #2:
"BEST OF BRITAIN"**

What many aren't aware of, is that Cooper won that title by defeating Megan's mother, London legend Monica "The Machine" Stevens, and sending her into retirement!

ROUND 1:

Stevens stunning Cooper with her jab...

...Then drops a monster right hand!

But Cooper takes those shots like the champ she is, and gets inside to chop away at Stevens' long torso!

And Cooper gets a chance to pay her back for those titshots just before the bell!

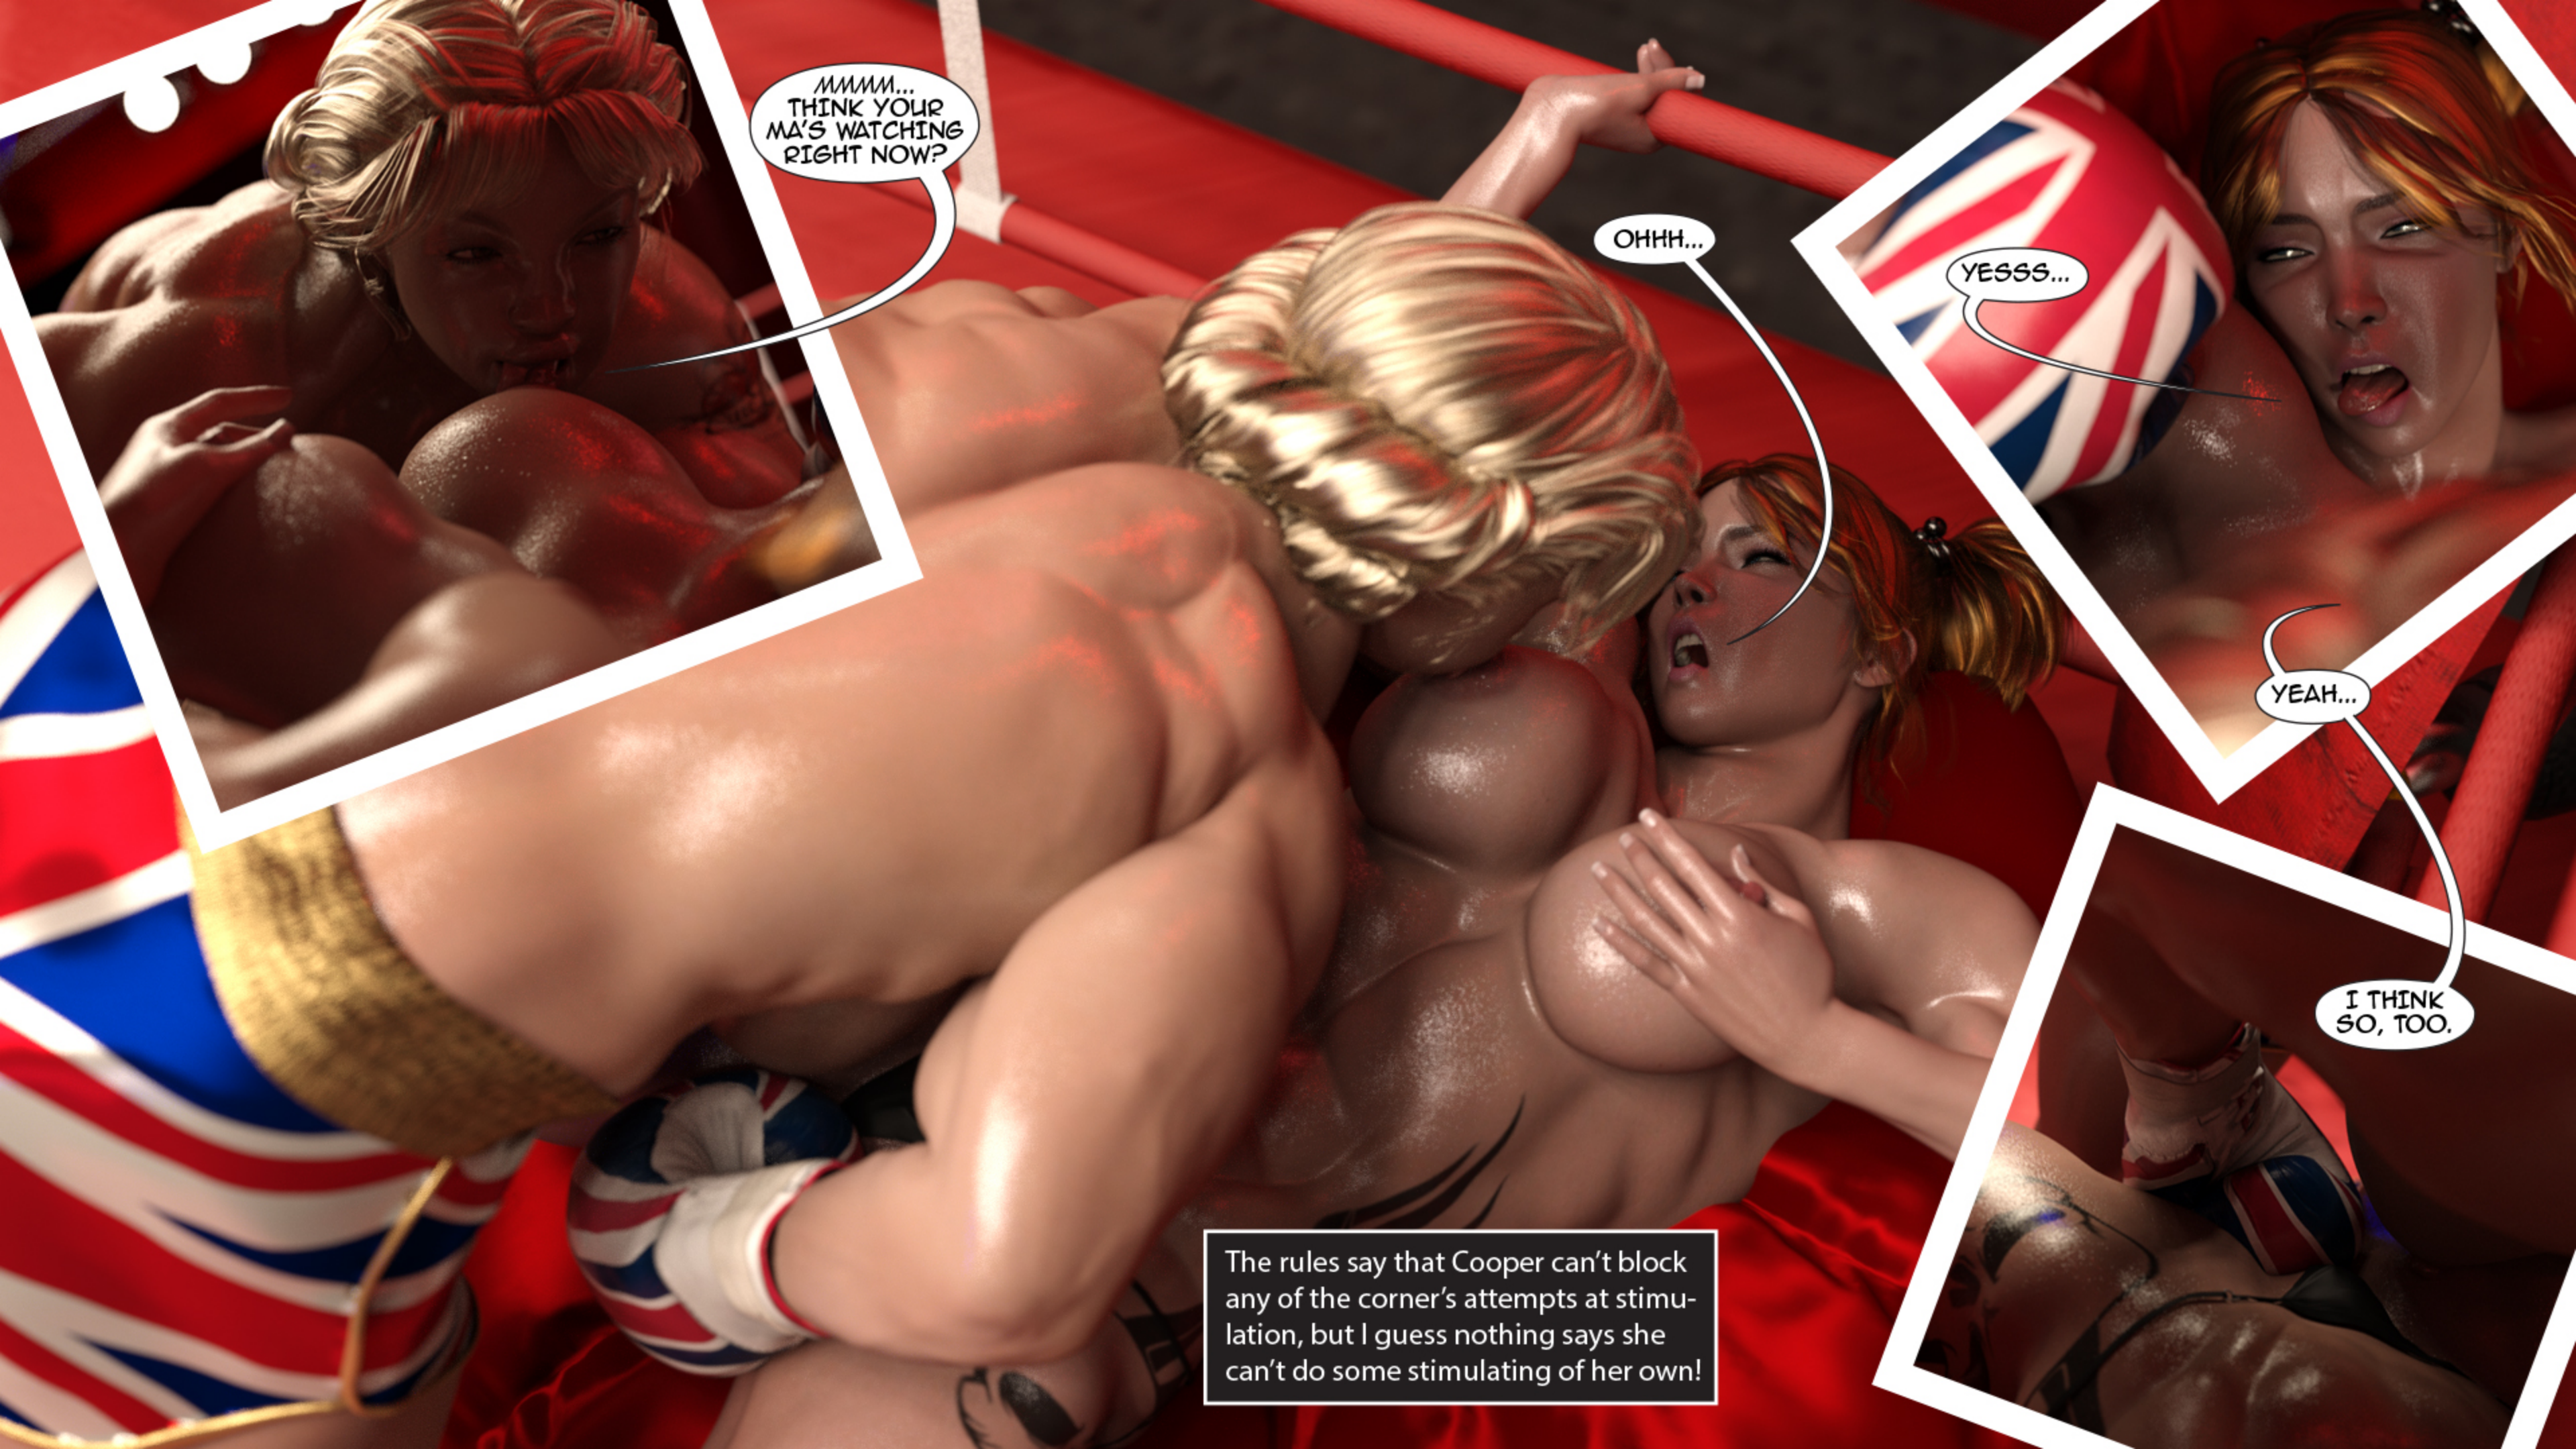

DINGDINGDINGDINGDINGD

Cooper's partner Gemma "G-Force" Rox leaps from her corner and stuns Stevens with a flying liplock at center-ring...

While Stevens' partner and sister, "Micro-Machine" Minerva, gets tackled by Cooper back onto that corner beanbag!

MMMM...
THINK YOUR
MA'S WATCHING
RIGHT NOW?

OHHH...

YESSS...

YEAH...

I THINK
SO, TOO.

The rules say that Cooper can't block any of the corner's attempts at stimulation, but I guess nothing says she can't do some stimulating of her own!

OH,
NOOOO...

AAAAA!

SERIOUSLY!?
THAT'S ALL IT
TAKES TO GET
YOU OFF?

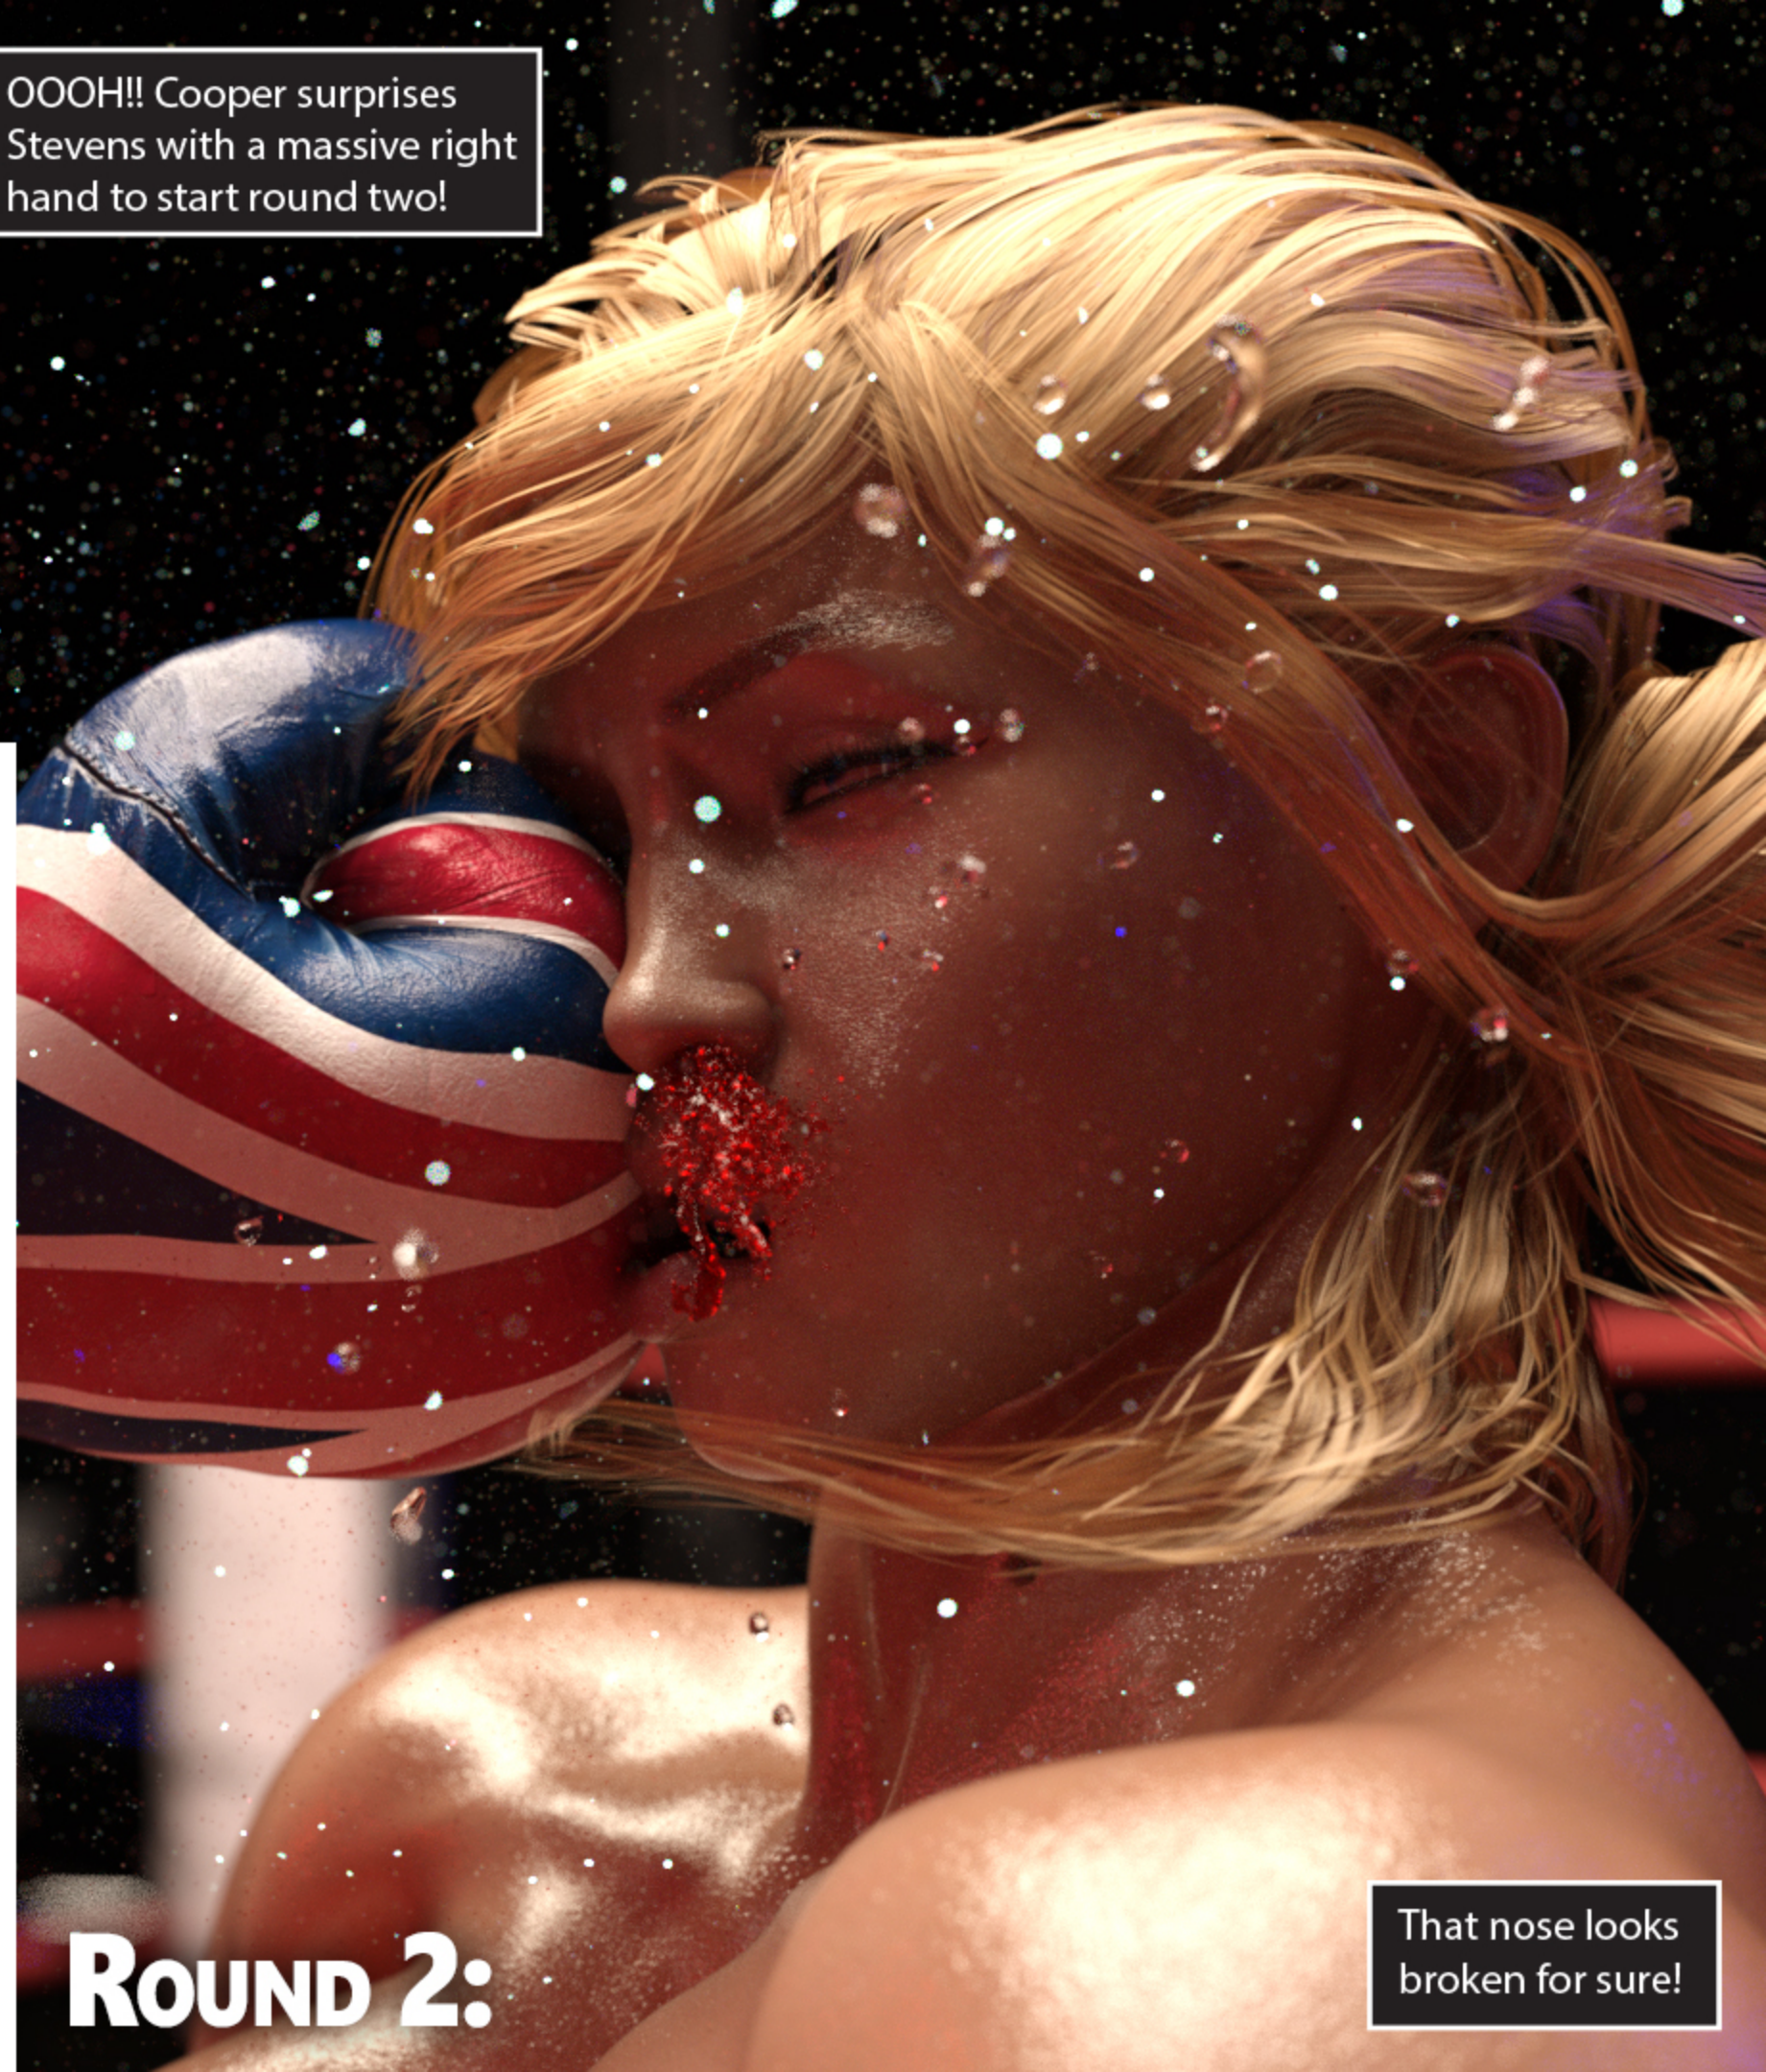

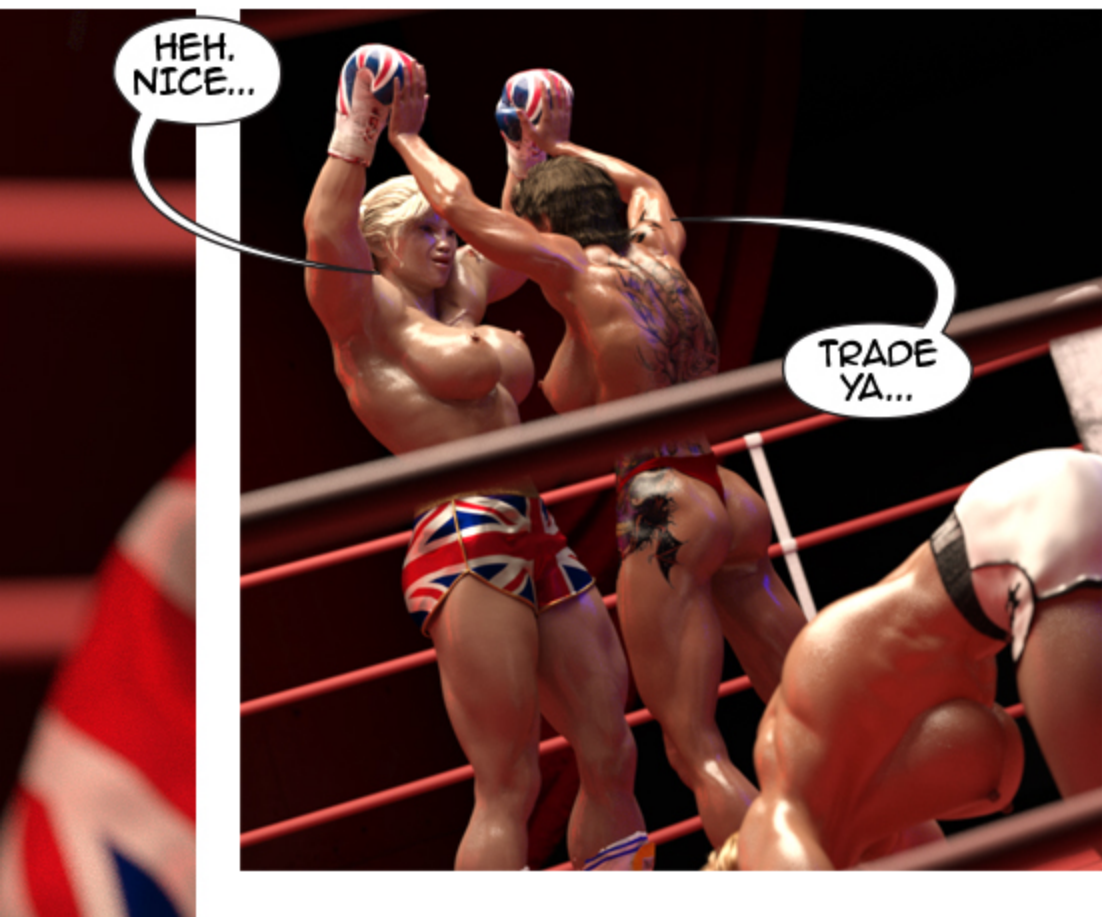

IT'S
LIKE YOUR
VAGINA HAS
AN EASY
BUTTON!

Rox, meanwhile, hasn't even bothered with the beanbag and is having her way with Stevens in the middle of the ring!

OOOH!! Cooper surprises Stevens with a massive right hand to start round two!

ROUND 2:

That nose looks broken for sure!

DINGDINGDING!

Stevens was absolutely flattened by that right hand! Cooper isn't willing to wait for a count, however...

Hoisting the big girl up...

Hanging her up against the ropes...

...And giving her a grand tour of POUNDTOWN!!

Rox, meanwhile, works the smaller Stevens over in her own particular way in another... *generous* reading of the rules...

And Cooper just gives the larger Stevens a thorough beating until the bell!

AAGHH!

MMPHH...

DINGDINGDINGDING

Welp, there goes Stevens' trunks...

And Rox dives in headfirst to find the center of that tootsie pop, to Stevens' pleasure and dismay!

...NNN...
AAHHH... OH,
GAWWD...

...MMM...

"Micro" Stevens, however, has been reduced to a shuddering wreck and can do little more than limply caress Cooper as she patiently awaits the next round!

Cooper looking fairly unmarked...

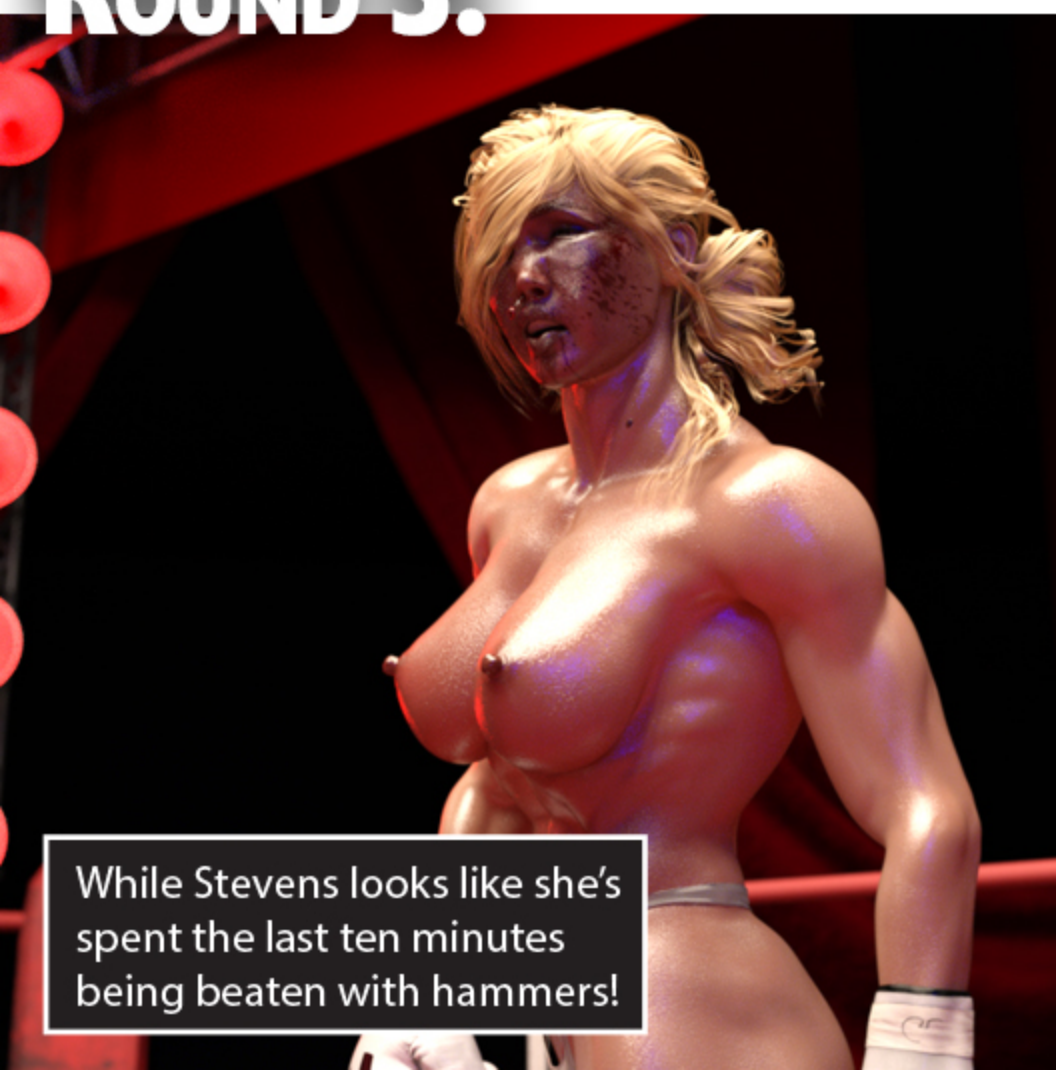

And starts to unload fight-ending blows!

LNNHH!

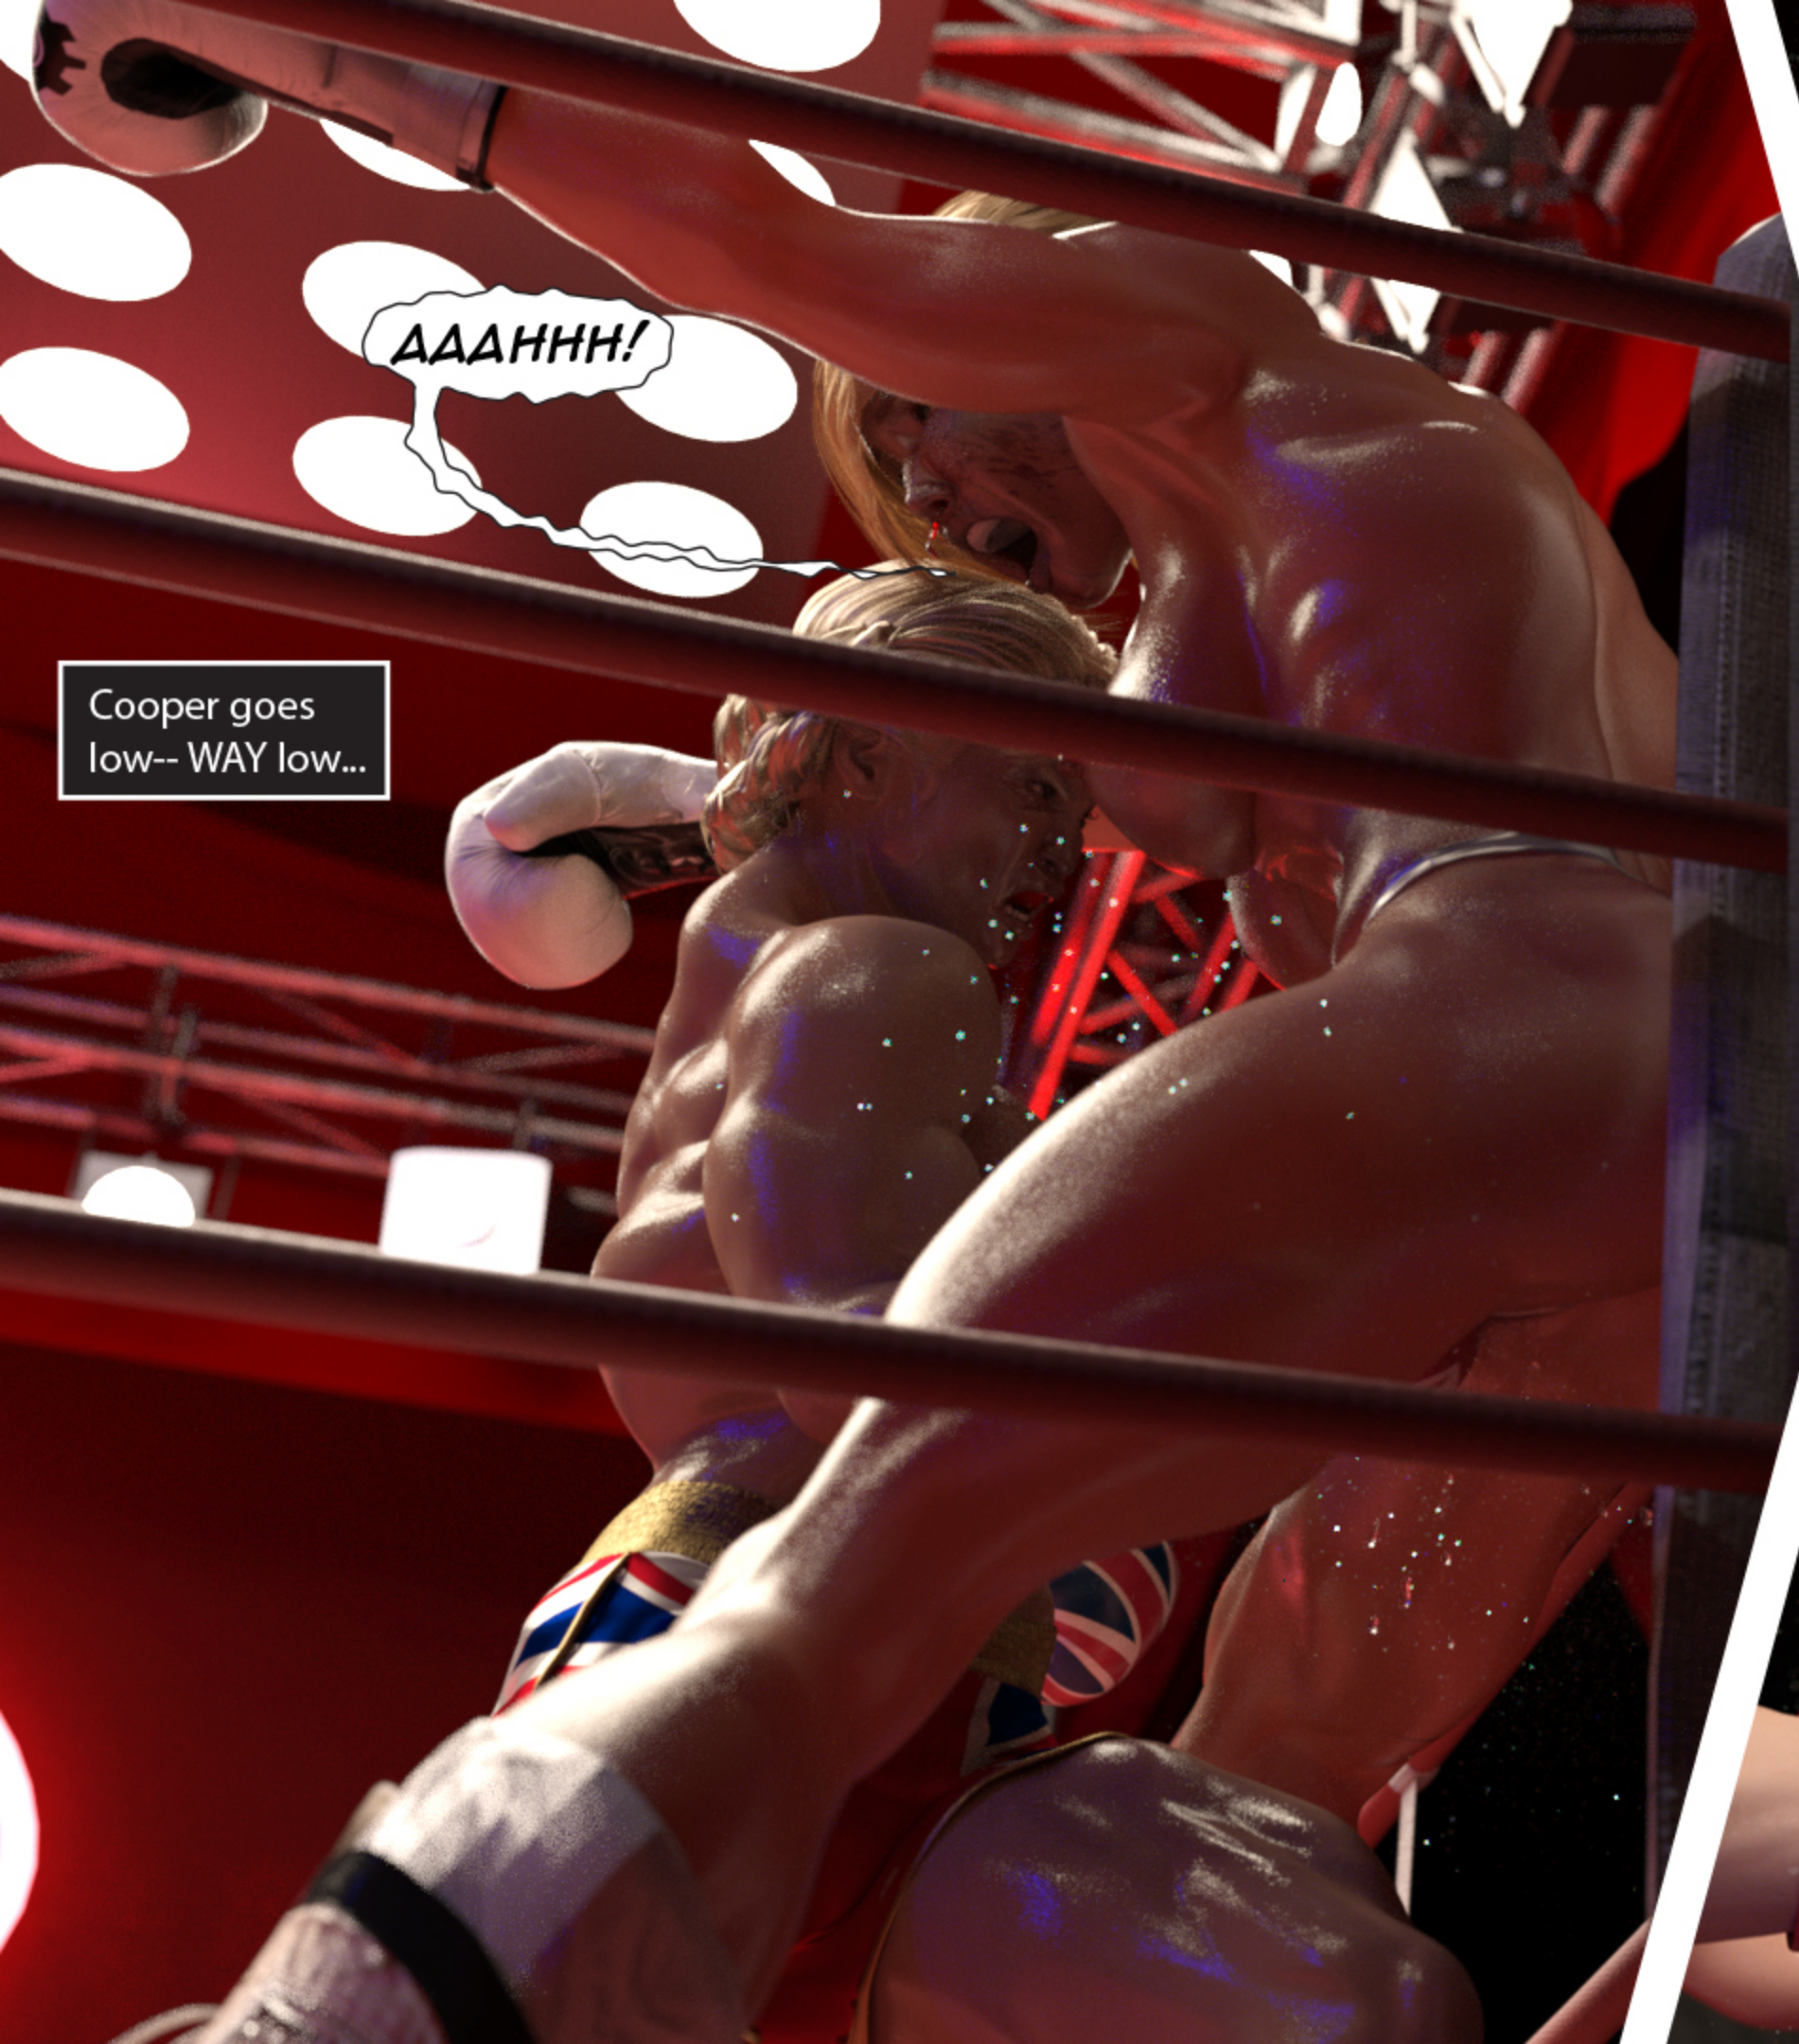

ROUND 3:

While Stevens looks like she's spent the last ten minutes being beaten with hammers!

It looks like Cooper's done playing as she spears Stevens into a neutral corner...

AAAAHHH!

Cooper goes low-- WAY low...

...and BOMBS her way upstairs!

WHO ELSE WANTS SOME!?

YEAH, BABY!

YOU ARE FUCKING KIDDING ME!

It looks like that last uppercut did the trick...

...Cause Stevens is down, and DONE!!

THUMP!

END.
