

My holiday pleasure...
It's to go shopping for clothes.

It's fun to try on different outfits and
think about how they coordinate...
There is one more secret pleasure that
I can't tell anyone.

I love being naked in the fitting room!

Taking your pants
off is exciting.

This store has a large opening at the top and bottom
of the door, perhaps to prevent theft.
If you peek a little, you can see it.
I love that and it is my favorite place....

Ugh, I'm totally naked!
I'm naked in the fitting room...!

I'm so excited...Everyone around me is clothed,
but I am completely naked....
It's so erotic...
It's also perverted that I left only my socks so as not
to be recognized by my feet....

Outside is full of customers....
I doubt anyone would notice a naked high school girl getting excited in a place like this.

I'm going to be recognized by the sound of my heartbeat...
My legs are wobbling and shaking, too.
It's dangerous, but I want to be more nervous.
Let's do it today, right here, let's masturbate!

I'm trying!
I'm masturbating!
Right next to people!

You can see it through the gap below....
They'll know I'm masturbating!

If I get caught, my life will be over,
but it feels so good I can't stop fingering it!

Ah♥Ah♥Ah♥

I can't... my voice is coming out...
If they find out, it'll be the end of my life.

But I want to be seen...

Somebody look! Look at all the high school girls
masturbating in this place!

I want to be seen! I want to come from being seen!
Tits, pussy... I want you to see all of me and come!
Ah, ah! I'm cumming! Aah!♥

Huh... huh...

I masturbated... and came. I've been found out...

I'm sure it will be uploaded on the internet soon, I will be exposed, exposed as a perverted high school girl, and my life will be over....

Wow, what the heck!

But it didn't matter anymore... it felt so good...

You're young and erotic.

It was so good to cum while being watched...

Are you okay!?

I'm a pervert...

That's disgusting!

Oh no, what is she doing....

I hear there's a pervert in the house?
