[Verse 3]

G
I start to part two halves of my heart
in the dark and I
Am
Don't know where I should go
And the tears and the fears begin to multiply
Em
Taking time in a simple place
In my bed where my head rests on a pillowcase
D
And it's said that a war's lead but I forget
That I let another day go by
G
I want to be afraid but it seems that these days
Am
I'm caught under water and I'm falling farther
Em
My heart's getting harder, I'm calling my father
Am I screaming to an empty sky?
G Am
Empty sky, no way, that's me 'cause one half of my heart is free
Em D G
Empty sky, no way, that's me 'cause the other half of my heart's asleep.
