## Classic Blues Licks - Get to the IV chord in Style!

Hello friends,  
Welcome back to Swiftlessons for another mini lead guitar tutorial. One of the best ways to grow as a guitarist is to focus on adding one simple but effective concept to your repertoire at a time. In today's lesson we'll be learning a beginner friendly chord transition lick that takes you from the I to the IV chord in the key of A major. Combine this idea with your favorite rhythms, or implement it into your solos and improvisations. Let's get started!

Standard tuning  
♩ = 70

A7      D#9      D9

### Practice Routine - 1 to 4 Transition Lick

A7      D#9      D9

### Embellished Version

A7      D#9      D9
