

Back at the
playground, same
time as last...

Let's see if that weird
void shows up again.

yaaawn
Ugh, this is so boring.

It's been a few days
and still, no show!

Ah, there you are! It's about time, Mr. weird portal!

Don't you know I'm going to need to be *extra* pretty and powerful if I'm going to show up that bitch Hypergirl tomorrow!?

Now, let's see what a second spin can offer me!

Alright, class. Please pull
our your textbooks and
turn to page-

Wait, what are you all
staring at?

Holy shit!

Did she go through a second
puberty or something!?

She's so hot!

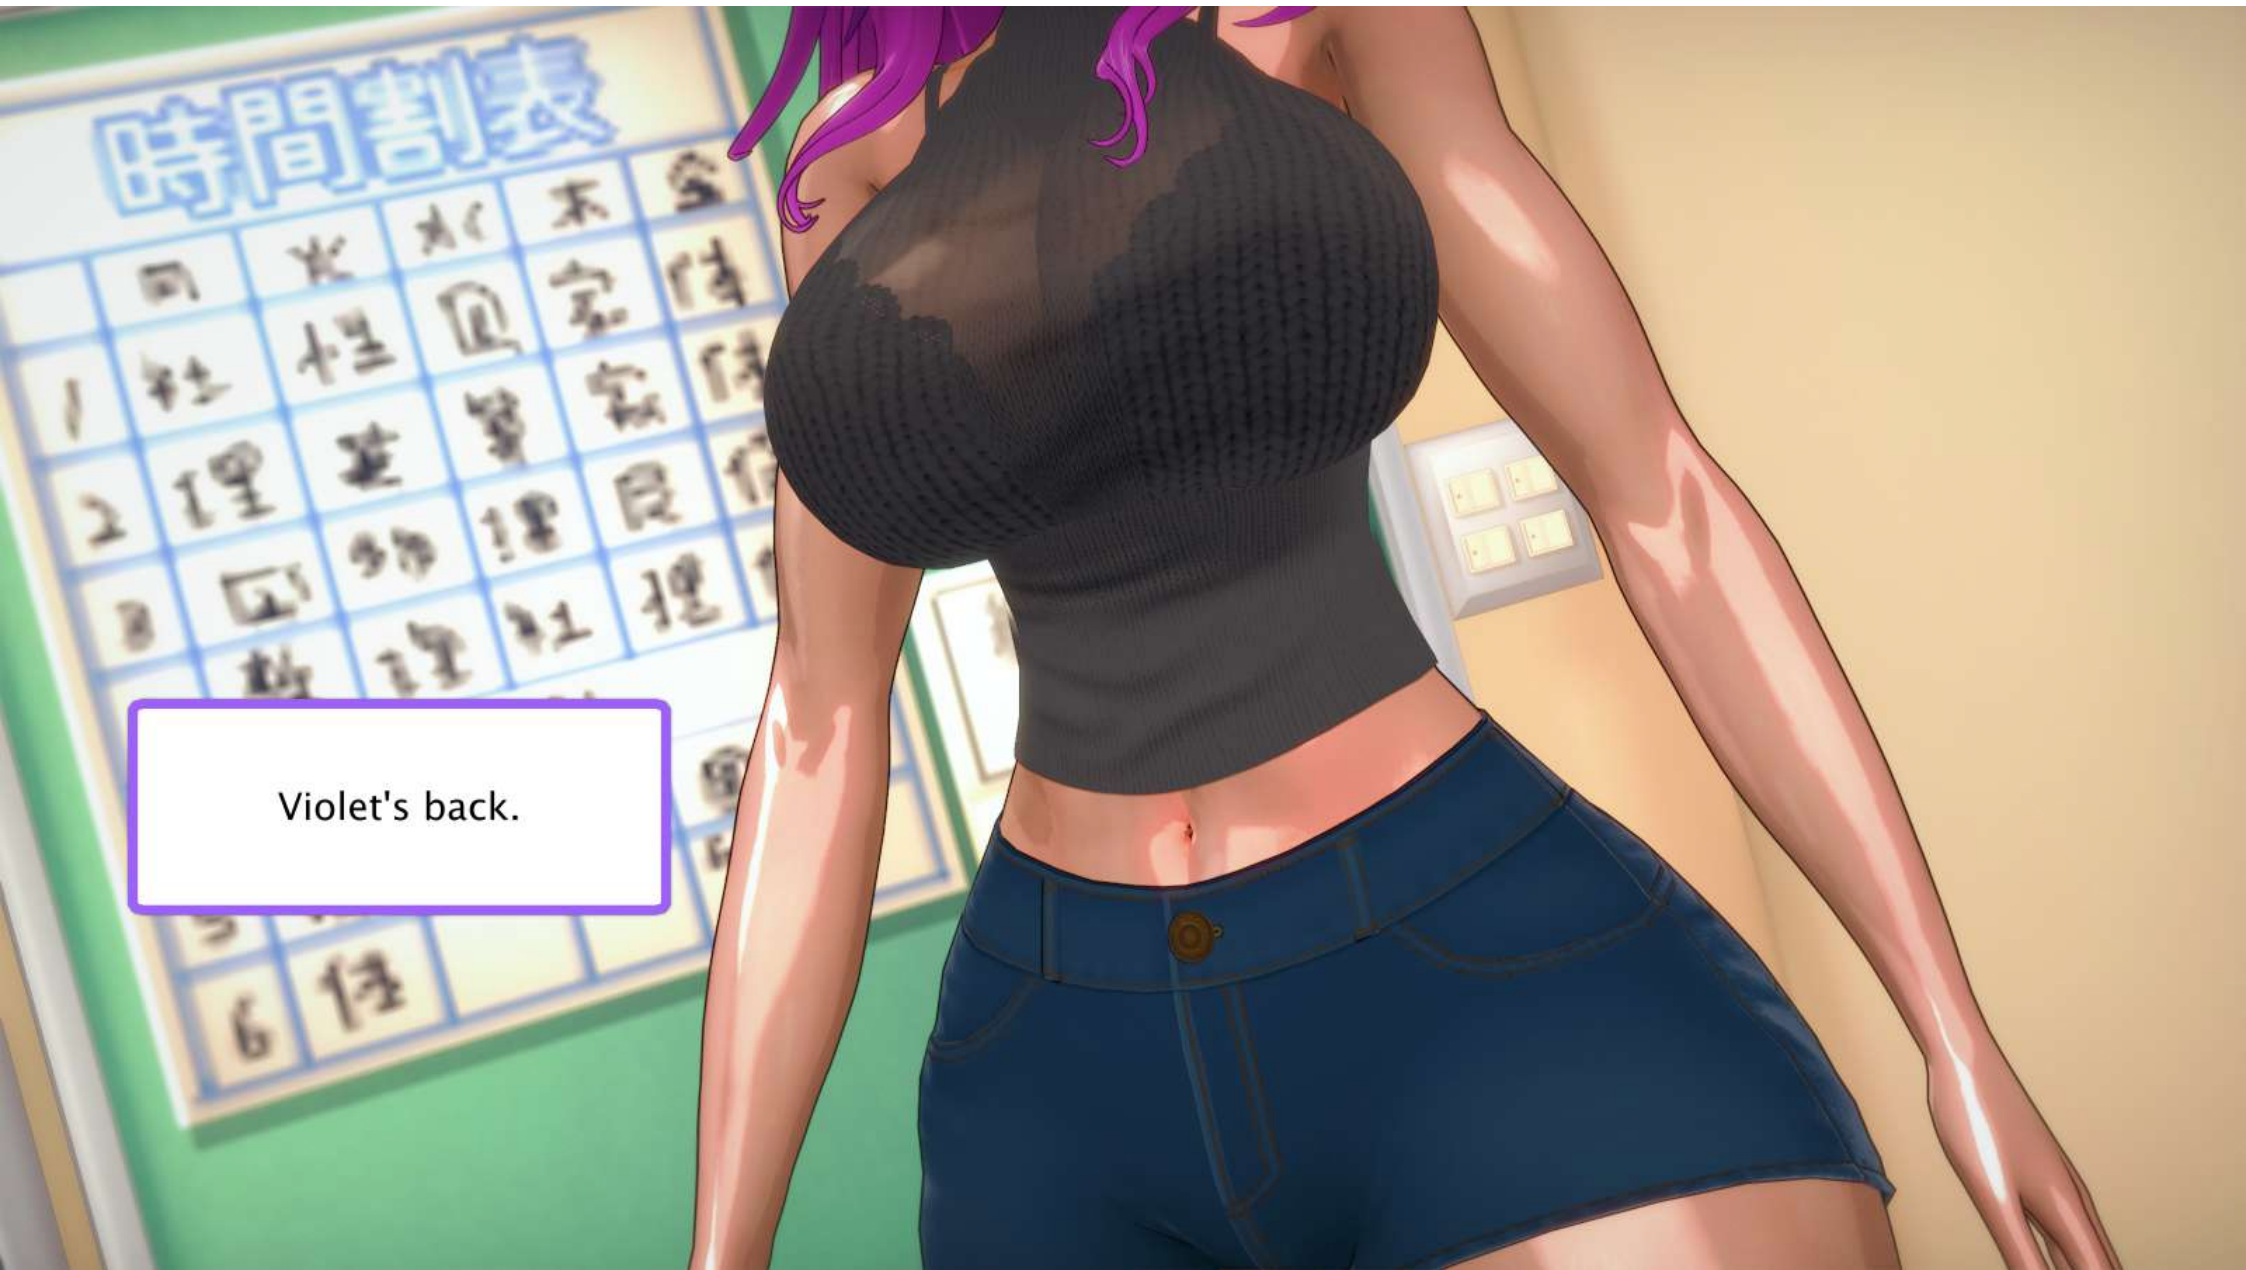

Is that Violet!?

Marry me, mommy!

That's right, fuckers.

Violet's back.

That hyperbitch should
be able to read *this*
from the sky!

HyperGirl VS Violet
Show up or Ur a Fraud
TOMORROW

A blonde anime-style woman with short hair and blue eyes is looking suspiciously at a chain-link fence. She is wearing a blue jacket over a white collared shirt and a black pleated skirt. Her right hand is on her hip, and her left hand is near her face. A speech bubble is next to her.

Shit, I'd better respond to this or people might start getting suspicious.

Wait... did she...?

...did she get even
stronger!?!

Sup, hyperslut.

She must've found some way to enhance herself yet again!

This is suicide if I face her head-on! I'll take to the sky to think of a better way to-

Aww, what's wrong? Flying away so soon?

Not so fast!

Wh-no way! You caught up to me!?

Going somewhere, Hyperbitch?

You bet I caught up...

And you're going down!

Unf!

SLAM!!!

Pfft. Still throwing
around these easy-ass
punches?

Ngh! L-let go of me!

Alright, I'll put you down...

SMASH!!!

Down into the dirt!

Get it now? **This** is
what happens to heroes
in MY school!

Way to go, Violet!

Yeah! Kick her ass!

Keep stomping her!

Violet's the. best!

Make sure she doesn't get
back up!

Show that hyperloser who's
boss!

Get it now? *This* is what happens to heroes in *my* school!

Who the fuck just said that!?

Speak up again and
you fucking die.

Vooooom

That's what I
thought.

...

And with her emblem in my grasp, I declare this bitch vanquished!

And now that I've made Hypergirl my bitch, the school's next.

THE NEXT DAY . . .

That's right, everyone. Clear the way. Make room for your undisputed queen.

Damn, I've been so fucking horny ever since I smashed that hyperbitch into yellow paste. What's gotten into me?

You. Tell me your name.

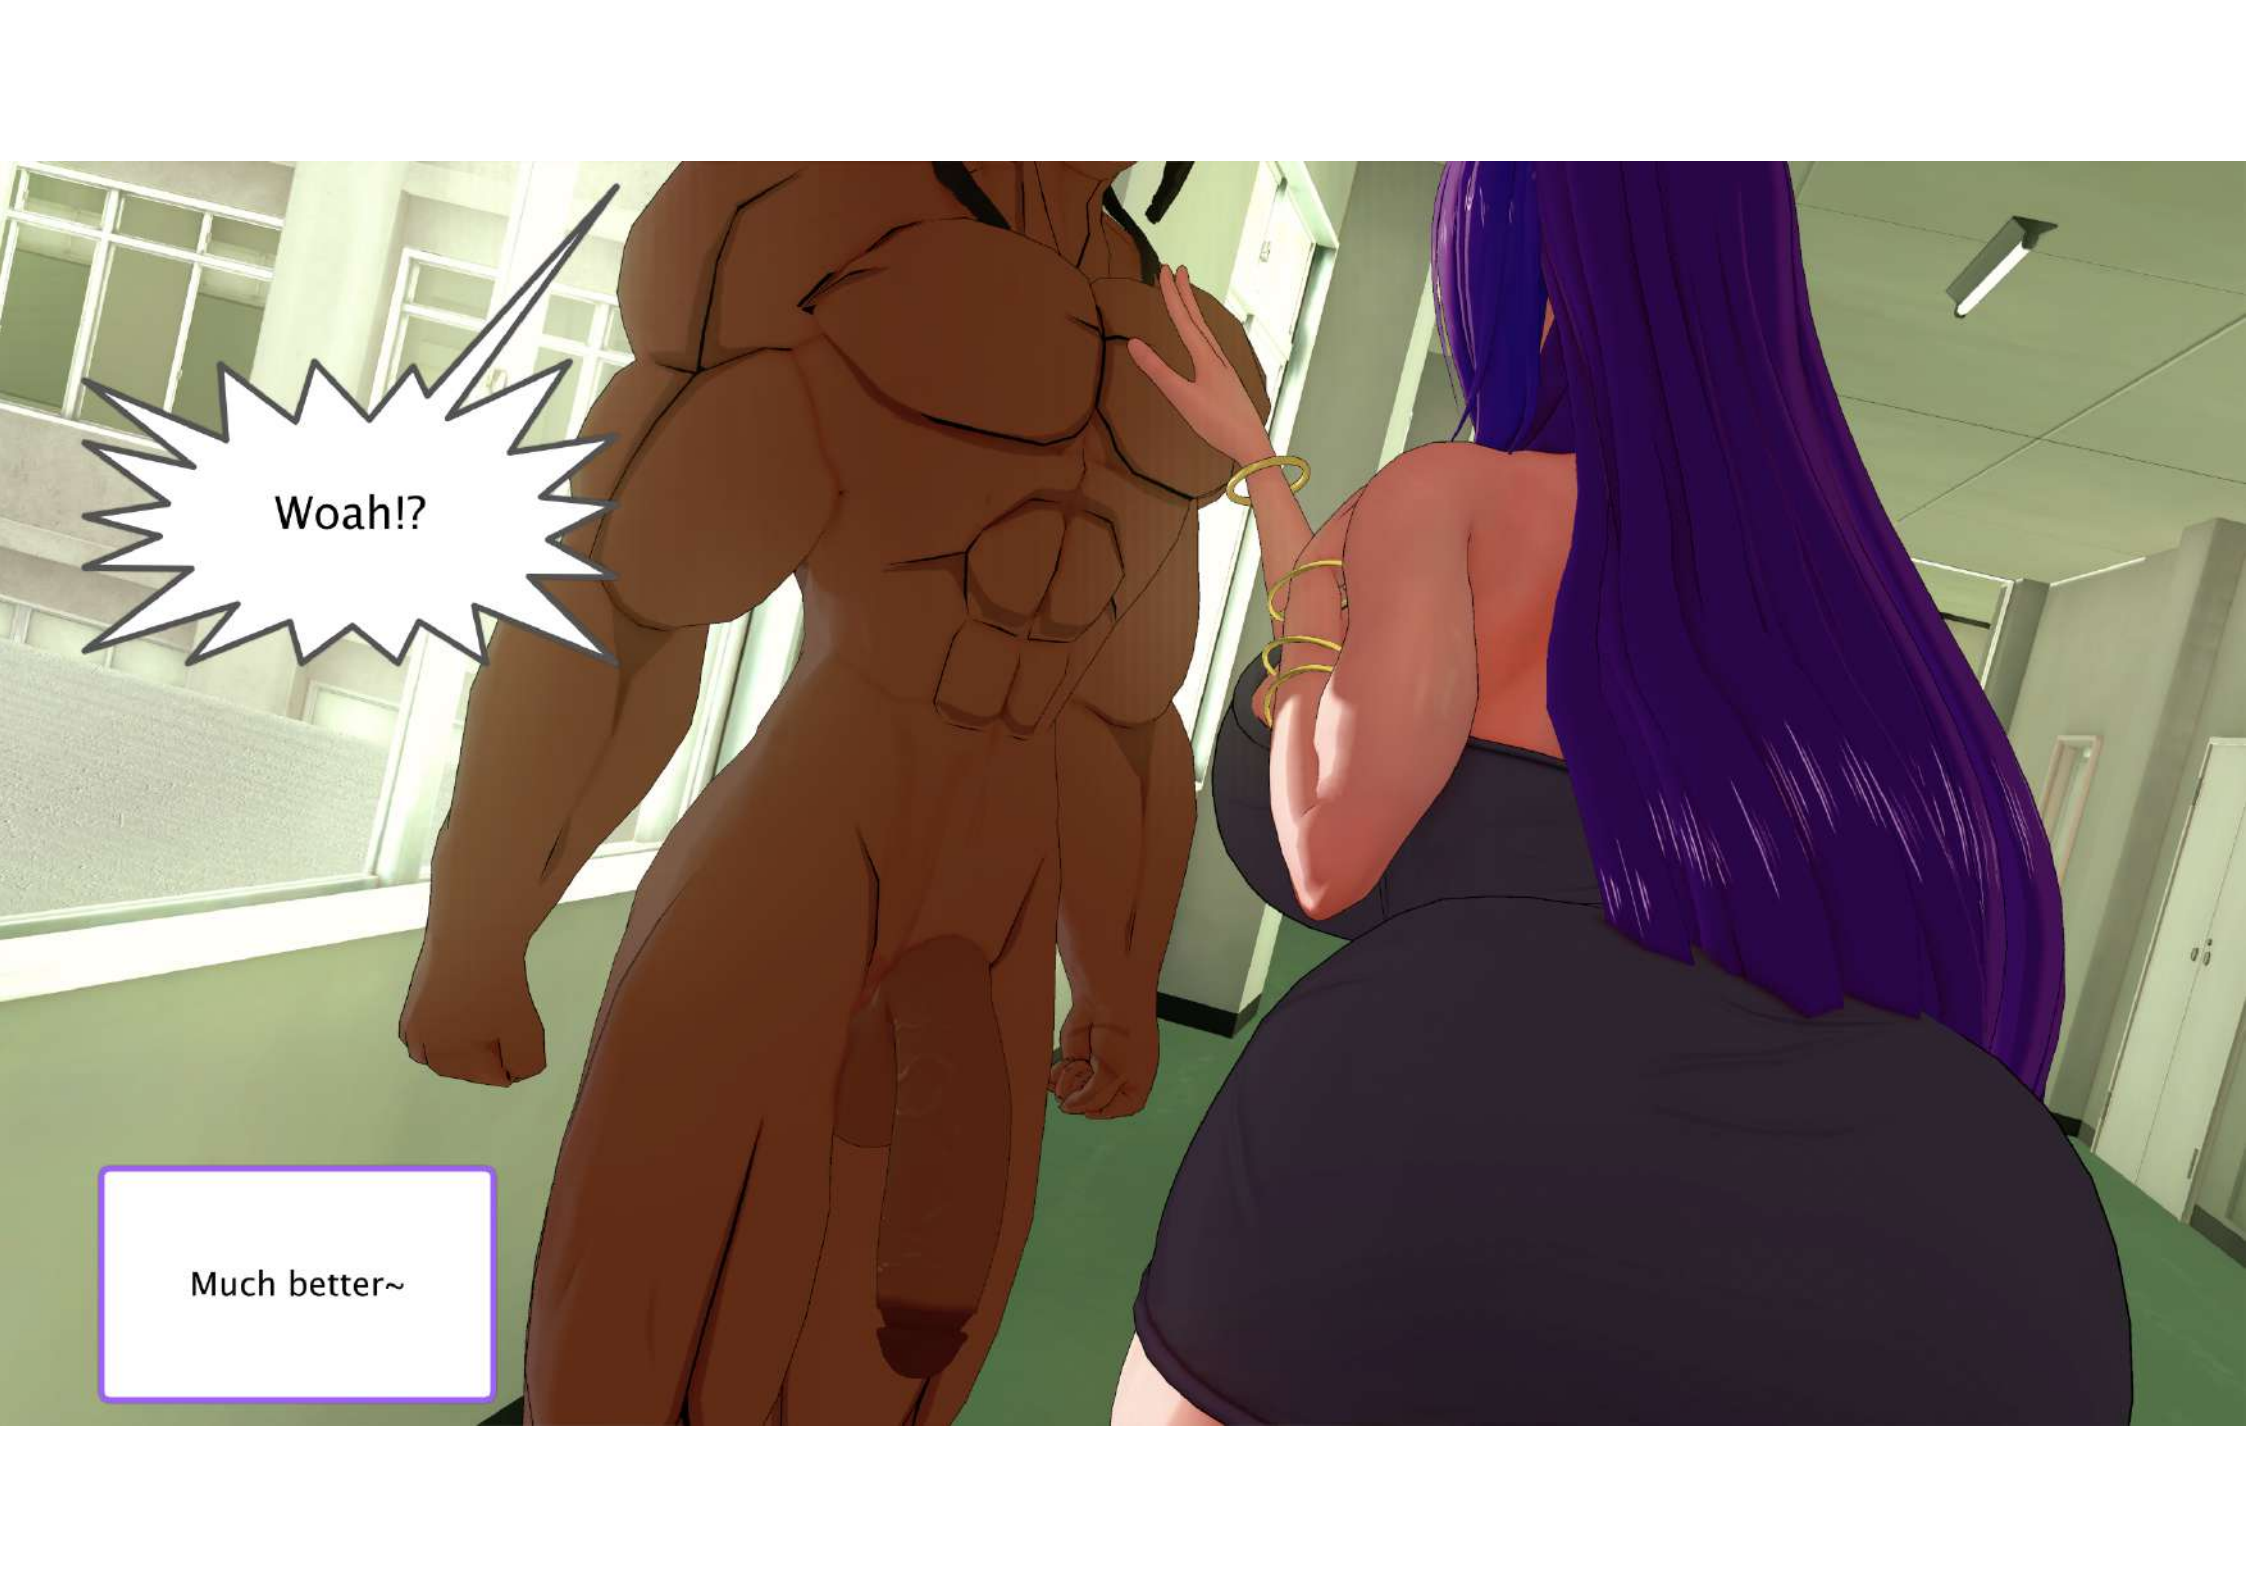

N-Nathan...

Hah. Nice to meet you, "N-Nathan"

Hmm, you're cute, but
you're missing
something.

Huh?

Woah!?

Much better~

Oh yes~
Oh fuck~
So good!

Unf! This has got to be
one of the best fucks
I've ever had!

And topping such a powerful
person...

...I wonder how Hyperslut
would react in this situation?

She'd probably be
overwhelmed by my body.

Stunned into silence by my
perfection...

I bet she'd look really cute as some studious bimbo...

Ugh! Where are these invasive thoughts coming from!?

She'd be such a good, loyal follower...

And why are they so... Enticing?

Damn, did I really just envision myself with Hypergirl during most of that fuck sesh?

Damn, did I just enjoy myself fantasizing about Violet!?

It must be some evolved pheromones she possesses or something!

A sneak attack might just be the only way to stop her, but I'll need a plan...

If I'm going to have a complete grip on this school, I'll need my lackies to match up!

We get some of your power?

Are you sure this isn't dangerous...?

THE NEXT DAY...

Heh, you doubt me? Once your flesh caresses mine, all those doubts will be washed away!

No! I'd never doubt you!

Y-yeah! You're our awesome leader!

Like hungry calfs to the trough...

Tastes good, doesn't it?

Suckle
Suckle

Suckle
Suckle

S-so pleasurable...

Sooo perfect!

In your fucking dreams, Brooke! My tits are soooo much bigger than yours!

Heh, I think my boobs edge yours out a bit!

Vi, we're sorry for ever doubting you!

If you want to repay me, it's simple... track down that bitch, Camilla, and remind her who the prettiest, most powerful girls in this school are!

Seriously, we totally owe you for this!
