A vibrant, stylized illustration of a modern elementary school. The building features a mix of white, blue, and orange architectural elements. Large windows with blue frames are prominent. In the foreground, there is a paved courtyard with a circular garden bed containing various green plants and a large grey rock. A white gate with blue pillars is open, leading into the school grounds. A tall black flagpole stands in the courtyard. The sky is bright blue with a few white clouds.

In Japan, where the birthrate is declining, remedial measures are being implemented. Sex education was actively incorporated from elementary school. The effect has been outstanding. Nowadays, physical education is one of the most popular classes for elementary school students.

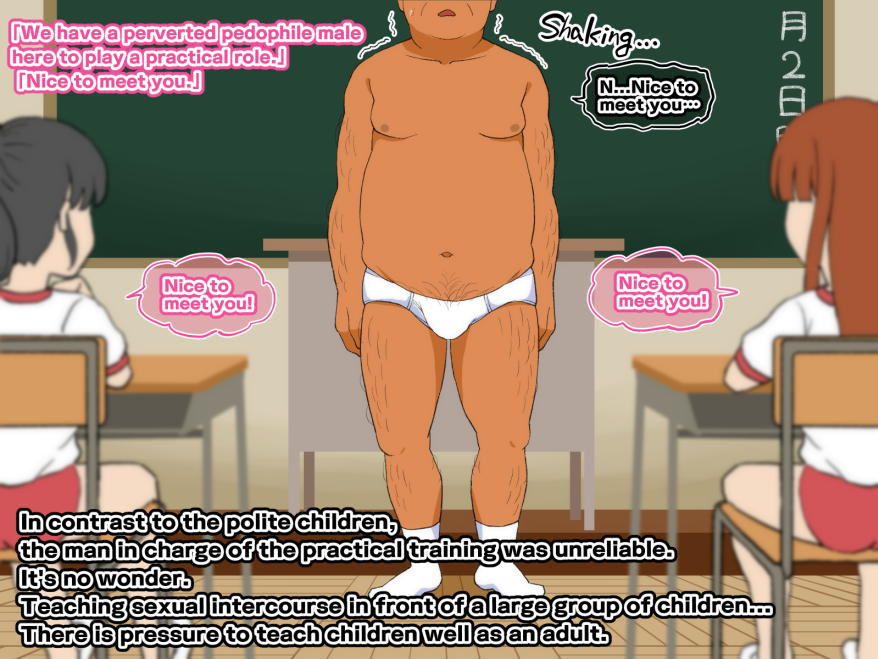

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) instructs that "sex education should be conducted from the lower grades". Today, let's take a look at the insurance physical education classes that are also held in these elementary schools.

「Today's Health and Physical Education class is
"Adults and children having sex..」
「Japan is in a difficult situation.」
「Because there are a lot of perverts who like children.」
「So, I would like to ask you, the female children,
to be proactive in talking to the Adult male.」

In health and physical education at this elementary school,
boys and girls are separated into separate classrooms for instruction.
The content of the classes is left to the discretion of each school.
They bring in pedophile adults to work with the girls in
grades 1 through 6.
The principal of this elementary school has very good taste.

[We have a perverted pedophile male here to play a practical role.]
[Nice to meet you.]

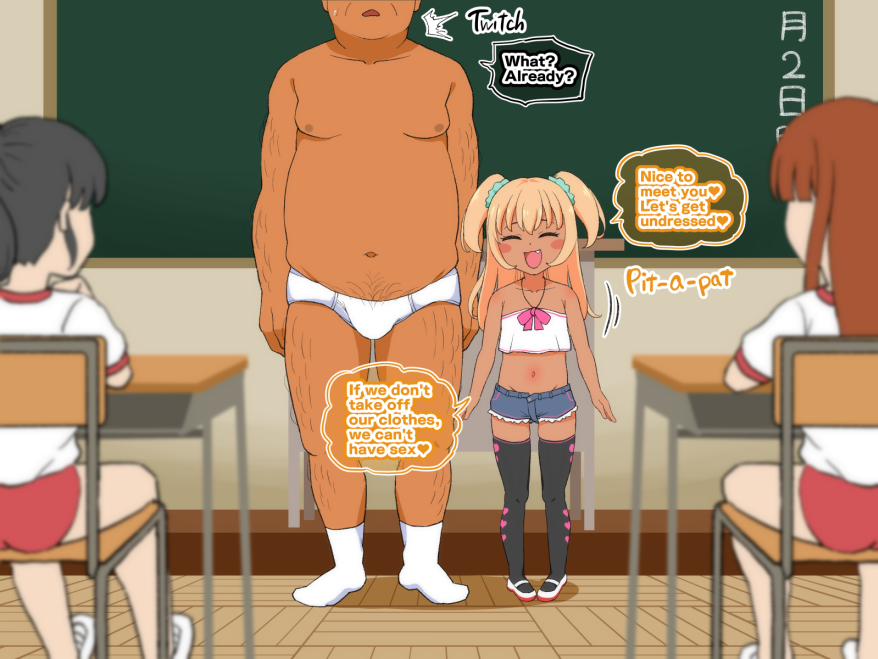

Shaking...

N...Nice to meet you...

Nice to meet you!

Nice to meet you!

In contrast to the polite children,
the man in charge of the practical training was unreliable.
It's no wonder.
Teaching sexual intercourse in front of a large group of children...
There is pressure to teach children well as an adult.

Twitch

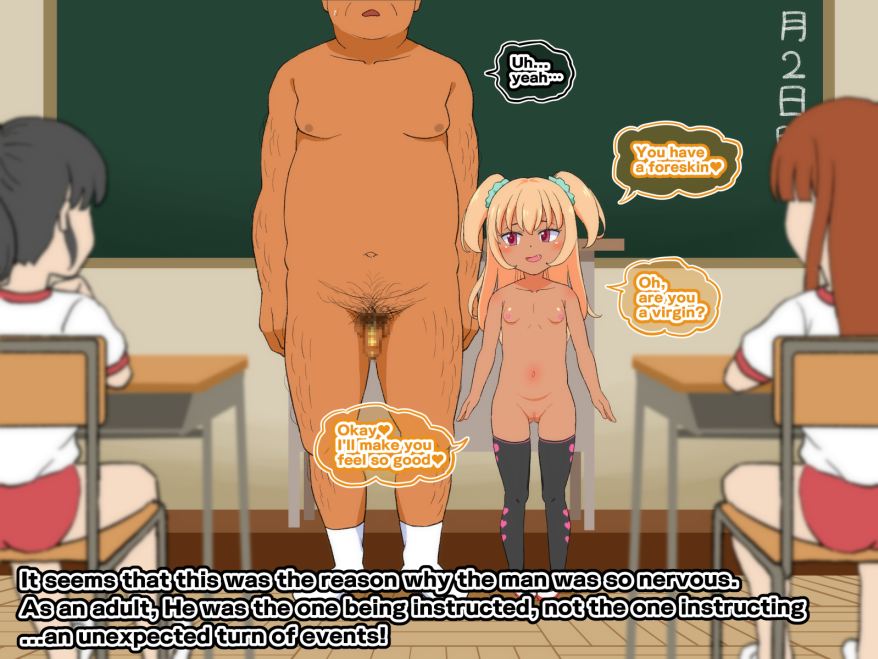

What?
Already?

Nice to
meet you♥
Let's get
undressed♥

Pit-a-pat

You have
a foreskin♥

Oh,
are you
a virgin?

Okay,♥
I'll make you
feel so good♥

It seems that this was the reason why the man was so nervous.
As an adult, He was the one being instructed, not the one instructing
...an unexpected turn of events!

We are an
adult and a child

Let me
introduce myself♥

I am 43yo

I'm Inori,
12yo, a
6th grader

know better,

just from being
touched♥

Brrt...♥

Ohu

I might cum
just from

a child's
slutty words♥

You really
gave me a
boner♥

Oh, my God...♥

Twitch

You
underestimate
adults just
because you
