Somewhere in  
Metropolis

A few days after  
Brainiac's defeat

Diana is the only survivor of the former Justice League. Brainiac's indocrination led all members to become puppets, but thanks to her divine powers, more precisely Athena's wisdom, Diana is immune to any form of mental control...

However, Brainiac's manipulation was not stopped but diverted by her immunity, a deviation that was not foreseen. As Brainiac has data on several species and beings, something unknown was inserted into Diana, something that gave her a gigantic penis!

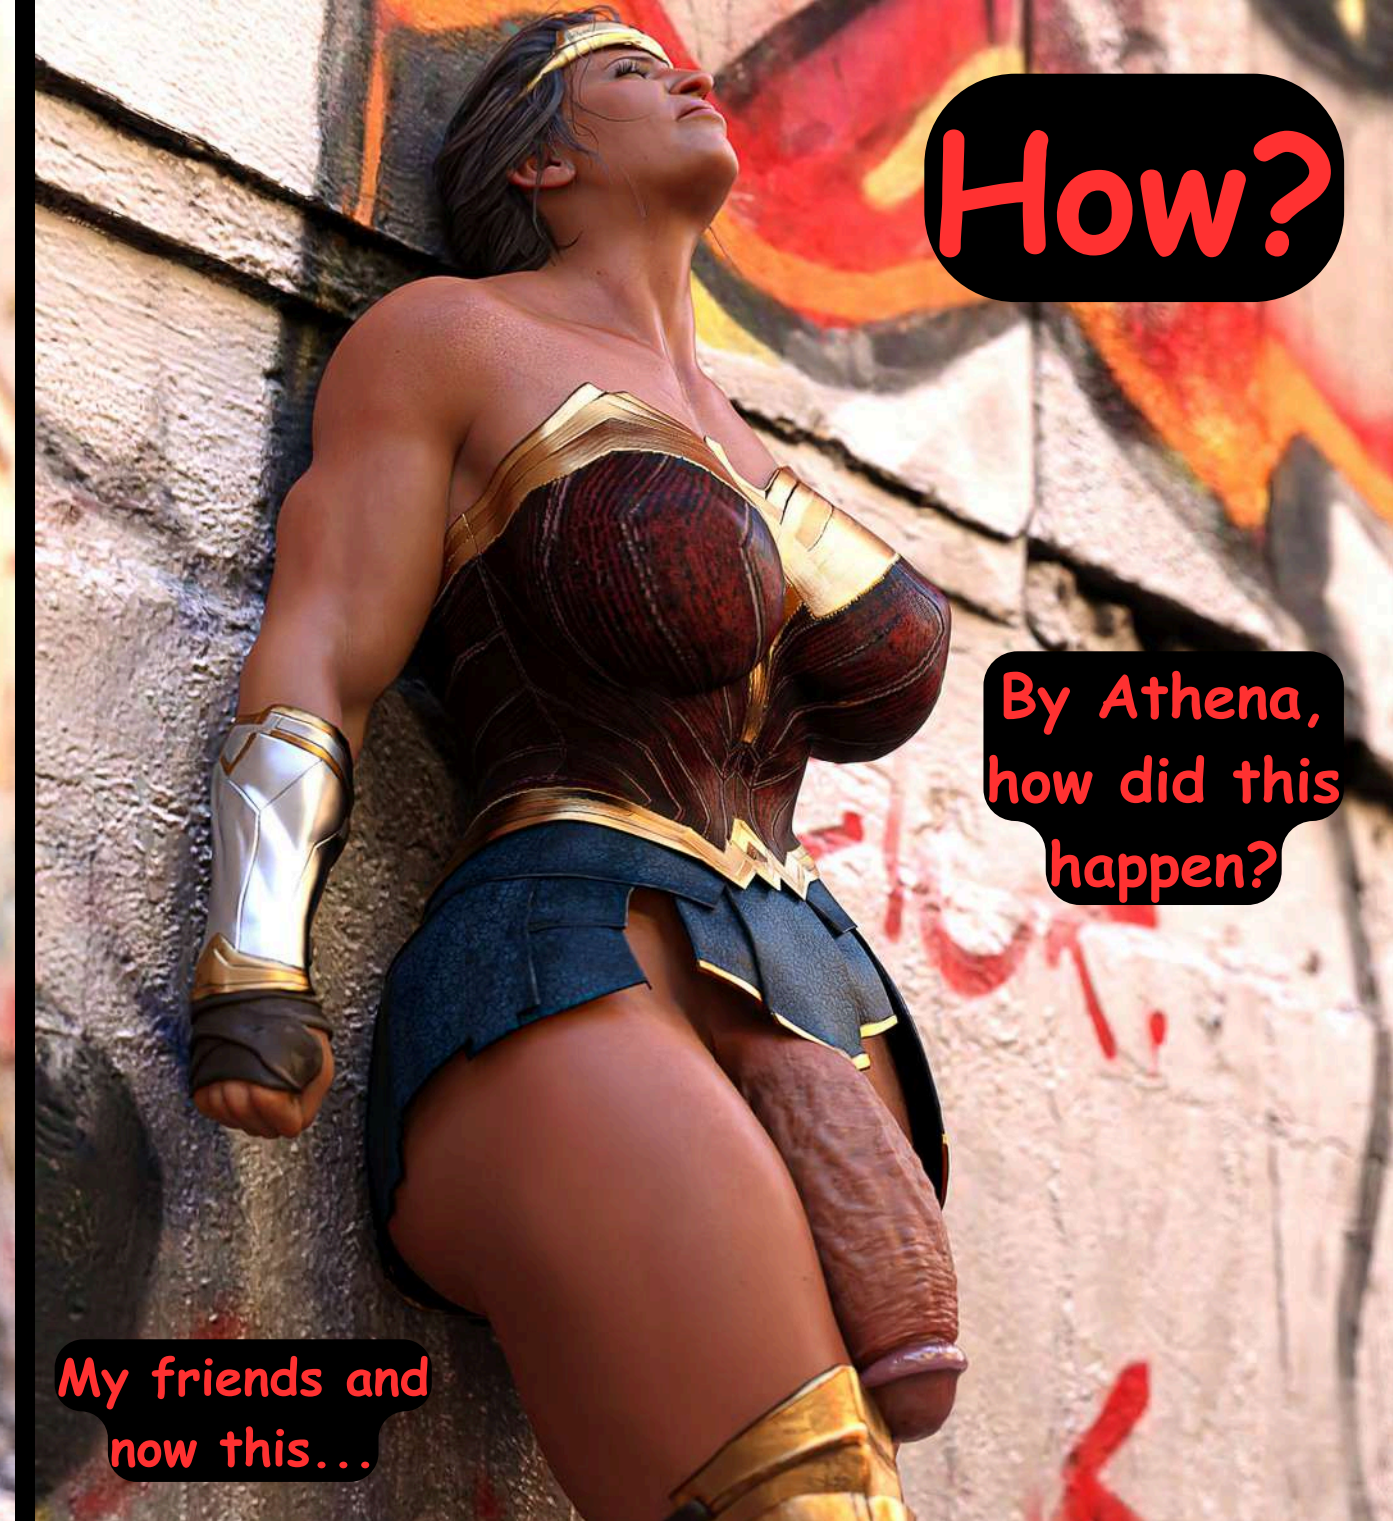

Diana felt hopeless. With the league destroyed, how would she live now? How would she continue being a hero? What would people think of her? What could she inspire other than shock and embarrassment?

How?

By Athena,  
how did this  
happen?

My friends and  
now this...

How am I supposed to  
fly around with this  
thing between my legs?

It is huge!

Could it be that  
having divine powers  
influenced the size?

I can feel it pulsing  
like it's some kind  
of wild beast.

I can feel the heat  
of it on my thighs!

I can't return to Themyscira like this  
, how would the other Amazons view me?  
I need to reverse this.

Uh, uh, uh, Wondy!

Huh?

A close-up shot of Princess Kagura from the game Tekken. She has blonde hair styled in two large buns, one red and one blue. She is wearing a blue and red outfit with a black and silver pauldron on her right shoulder. She has a confident, slightly smug expression.

**Oh, it's  
you clown!**

**What are you doing here?  
I'm not in the mood  
for stupid jokes.**

**Oh, Princess!  
Don't be so grumpy!**

**Roll your tongue, clown!**

**Even with this curse, I am still an honorable Amazon!**

**And it is up to me to defend and help those in need.**

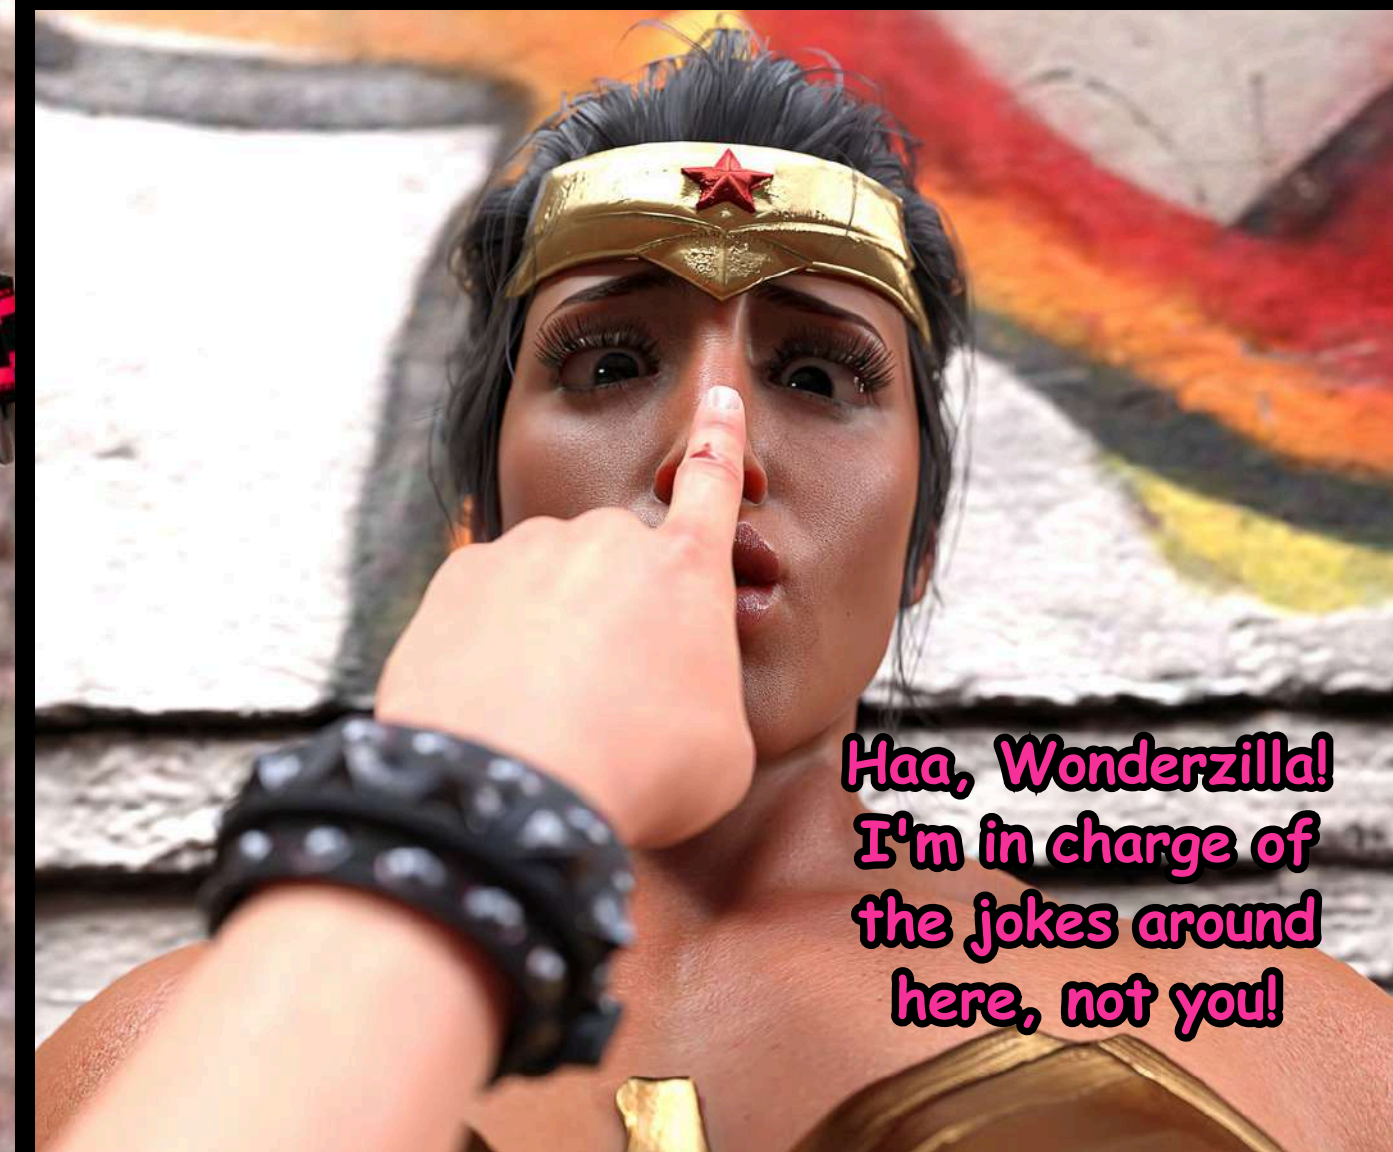

**I will carry on the legacy of my friends and will be hope for the weakest.**

**HAHAHAHA!**

**What are you...**

**Are you serious?**

**Haa, Wonderzilla!  
I'm in charge of  
the jokes around  
here, not you!**

A close-up shot of Harley Quinn from the DC Extended Universe. She has her signature blonde pigtails, one of which is dyed blue. She is wearing her black and red leather jacket over a white and pink top. She is pointing her right index finger directly at the viewer with a confident, slightly smug expression. The background is a blurred outdoor setting with stone or concrete structures.

**Do I need to remind you that  
we were the ones who kicked  
the worm brain's ass?**

**Things are back  
to normal because of us!**

A medium shot of Harley Quinn and Poison Ivy. Harley is on the left, wearing her red and black jacket, looking towards Poison Ivy. Poison Ivy is on the right, wearing her dark, form-fitting, high-collared outfit with gold accents and a gold headband. She has her hand near her face in a thoughtful or listening pose. The background shows colorful, abstract patterns, possibly part of a building or a mural.

**This hero stuff is  
a thing of the past!**

**All it takes is a bunch of  
misfits to save the world...**

Speaking of misfits...

He...HEY!!

This giant, hideous thing  
doesn't suit a heroine.

Wow, it's heavy!

I can even imagine  
what your stories  
will be like....

The poor little Amazon  
princess, she used to  
swing swords to defeat  
her opponents...

OH!!

but in the end she  
swung her giant dick  
through the streets,  
frightening her enemies!

Why you...

Even the Amazons  
would be scared of you!

**HAHAHAHA!**

Enough of your  
silly jokes!

I will find a way  
to reverse this!

TO REVERSE!?

Oh, give me a break,  
will ya?

There must  
be a way!

You defeated Brainiac, did you  
discover anything that would  
reverse this? Come on! Say it!

**Stop playing games!**

**That's not the right question, good looking.**

**The right question is...**

**Do you want to revert?**

**Wha..what...you... ?**

**I'm crazy, not  
stupid, D.**

**How about a  
magic trick?**

**I can feel  
it in you.**

**What?**

**You're w...wrong, I...I would  
never want to have something...**

**"LADIES AND GENTLEMEN!  
GET READY FOR HARLEY  
QUINN'S MAGIC SHOW!"**

**SHE CAN  
MAGICALLY MAKE...**

**TWO GIANT  
BASKETBALLS...**

**APPEAR OUT OF NOWHERE!**

**HAHAHA!**

**What did you think?  
I've been working on  
this trick for a long  
time!**

**CRAZY BITCH!**

**ARE YOU OUT OF YOUR MIND?**

**PUT YOUR CLOTHES BACK ON, QUICK! BEFORE ANYONE SEES US!**

**Hey! Where are you going with this big boy as tough as a boulder?!**

**AHH!**

Mind your fabulous  
footsteps, Wondy!

**OUCH!**

Look at that, I didn't  
even need to use the  
lasso of truth on you.

**HAHA!**

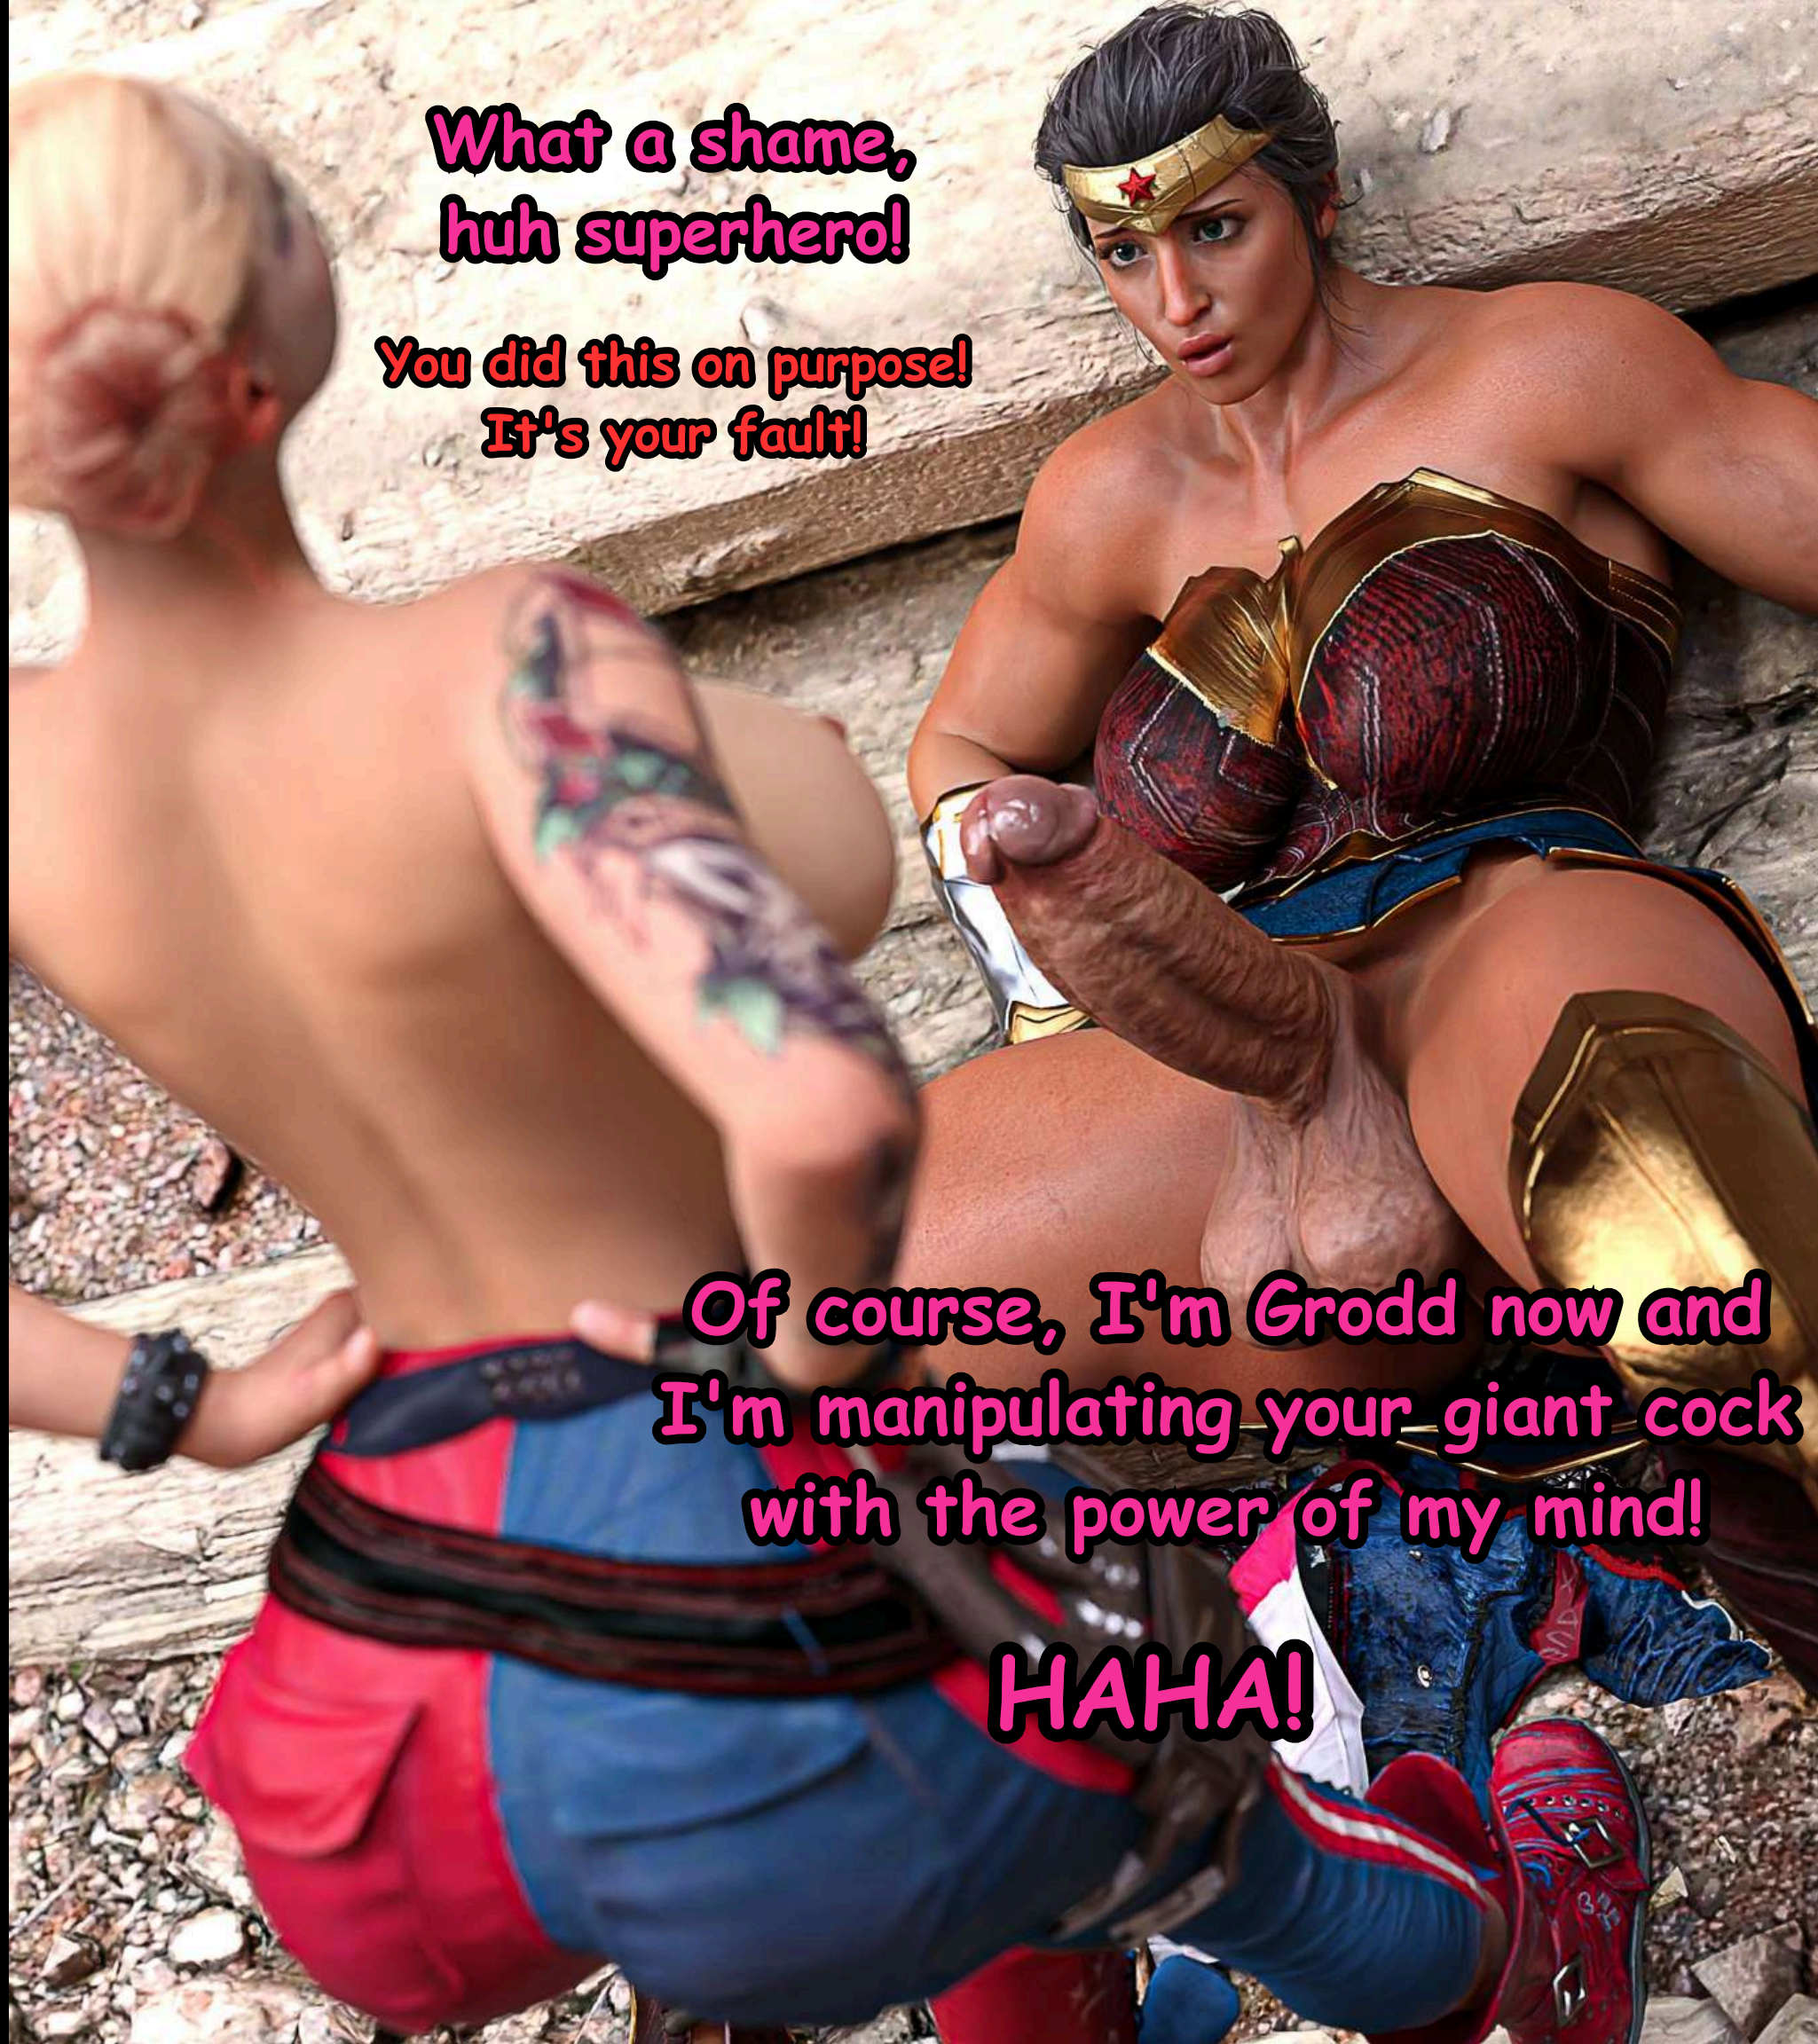

**Just one glance  
at my booba spills  
all the secrets!**

**Hard as a...**

**ROCK!**

**Damn!  
I was careless!**

**This thing  
won't go down!**

**What a shame,  
huh superhero!**

**You did this on purpose!  
It's your fault!**

**Of course, I'm Grodd now and  
I'm manipulating your giant cock  
with the power of my mind!**

**HAHA!**

Hmmmmmm....

By the way....

Since you have super strength, maybe this dick is super powerful too!

Her breasts are huge and her nipples are pink...grrr  
Focus Diana!

Let's test something!

Hmm hmm hmm, hmm  
hmm hmm...

What is she doing?

**WOW,  
look at this!**

**Hey!**

**What?  
What is she...oh...**

**I'm giving it all I've got,  
but it's just not budging!**

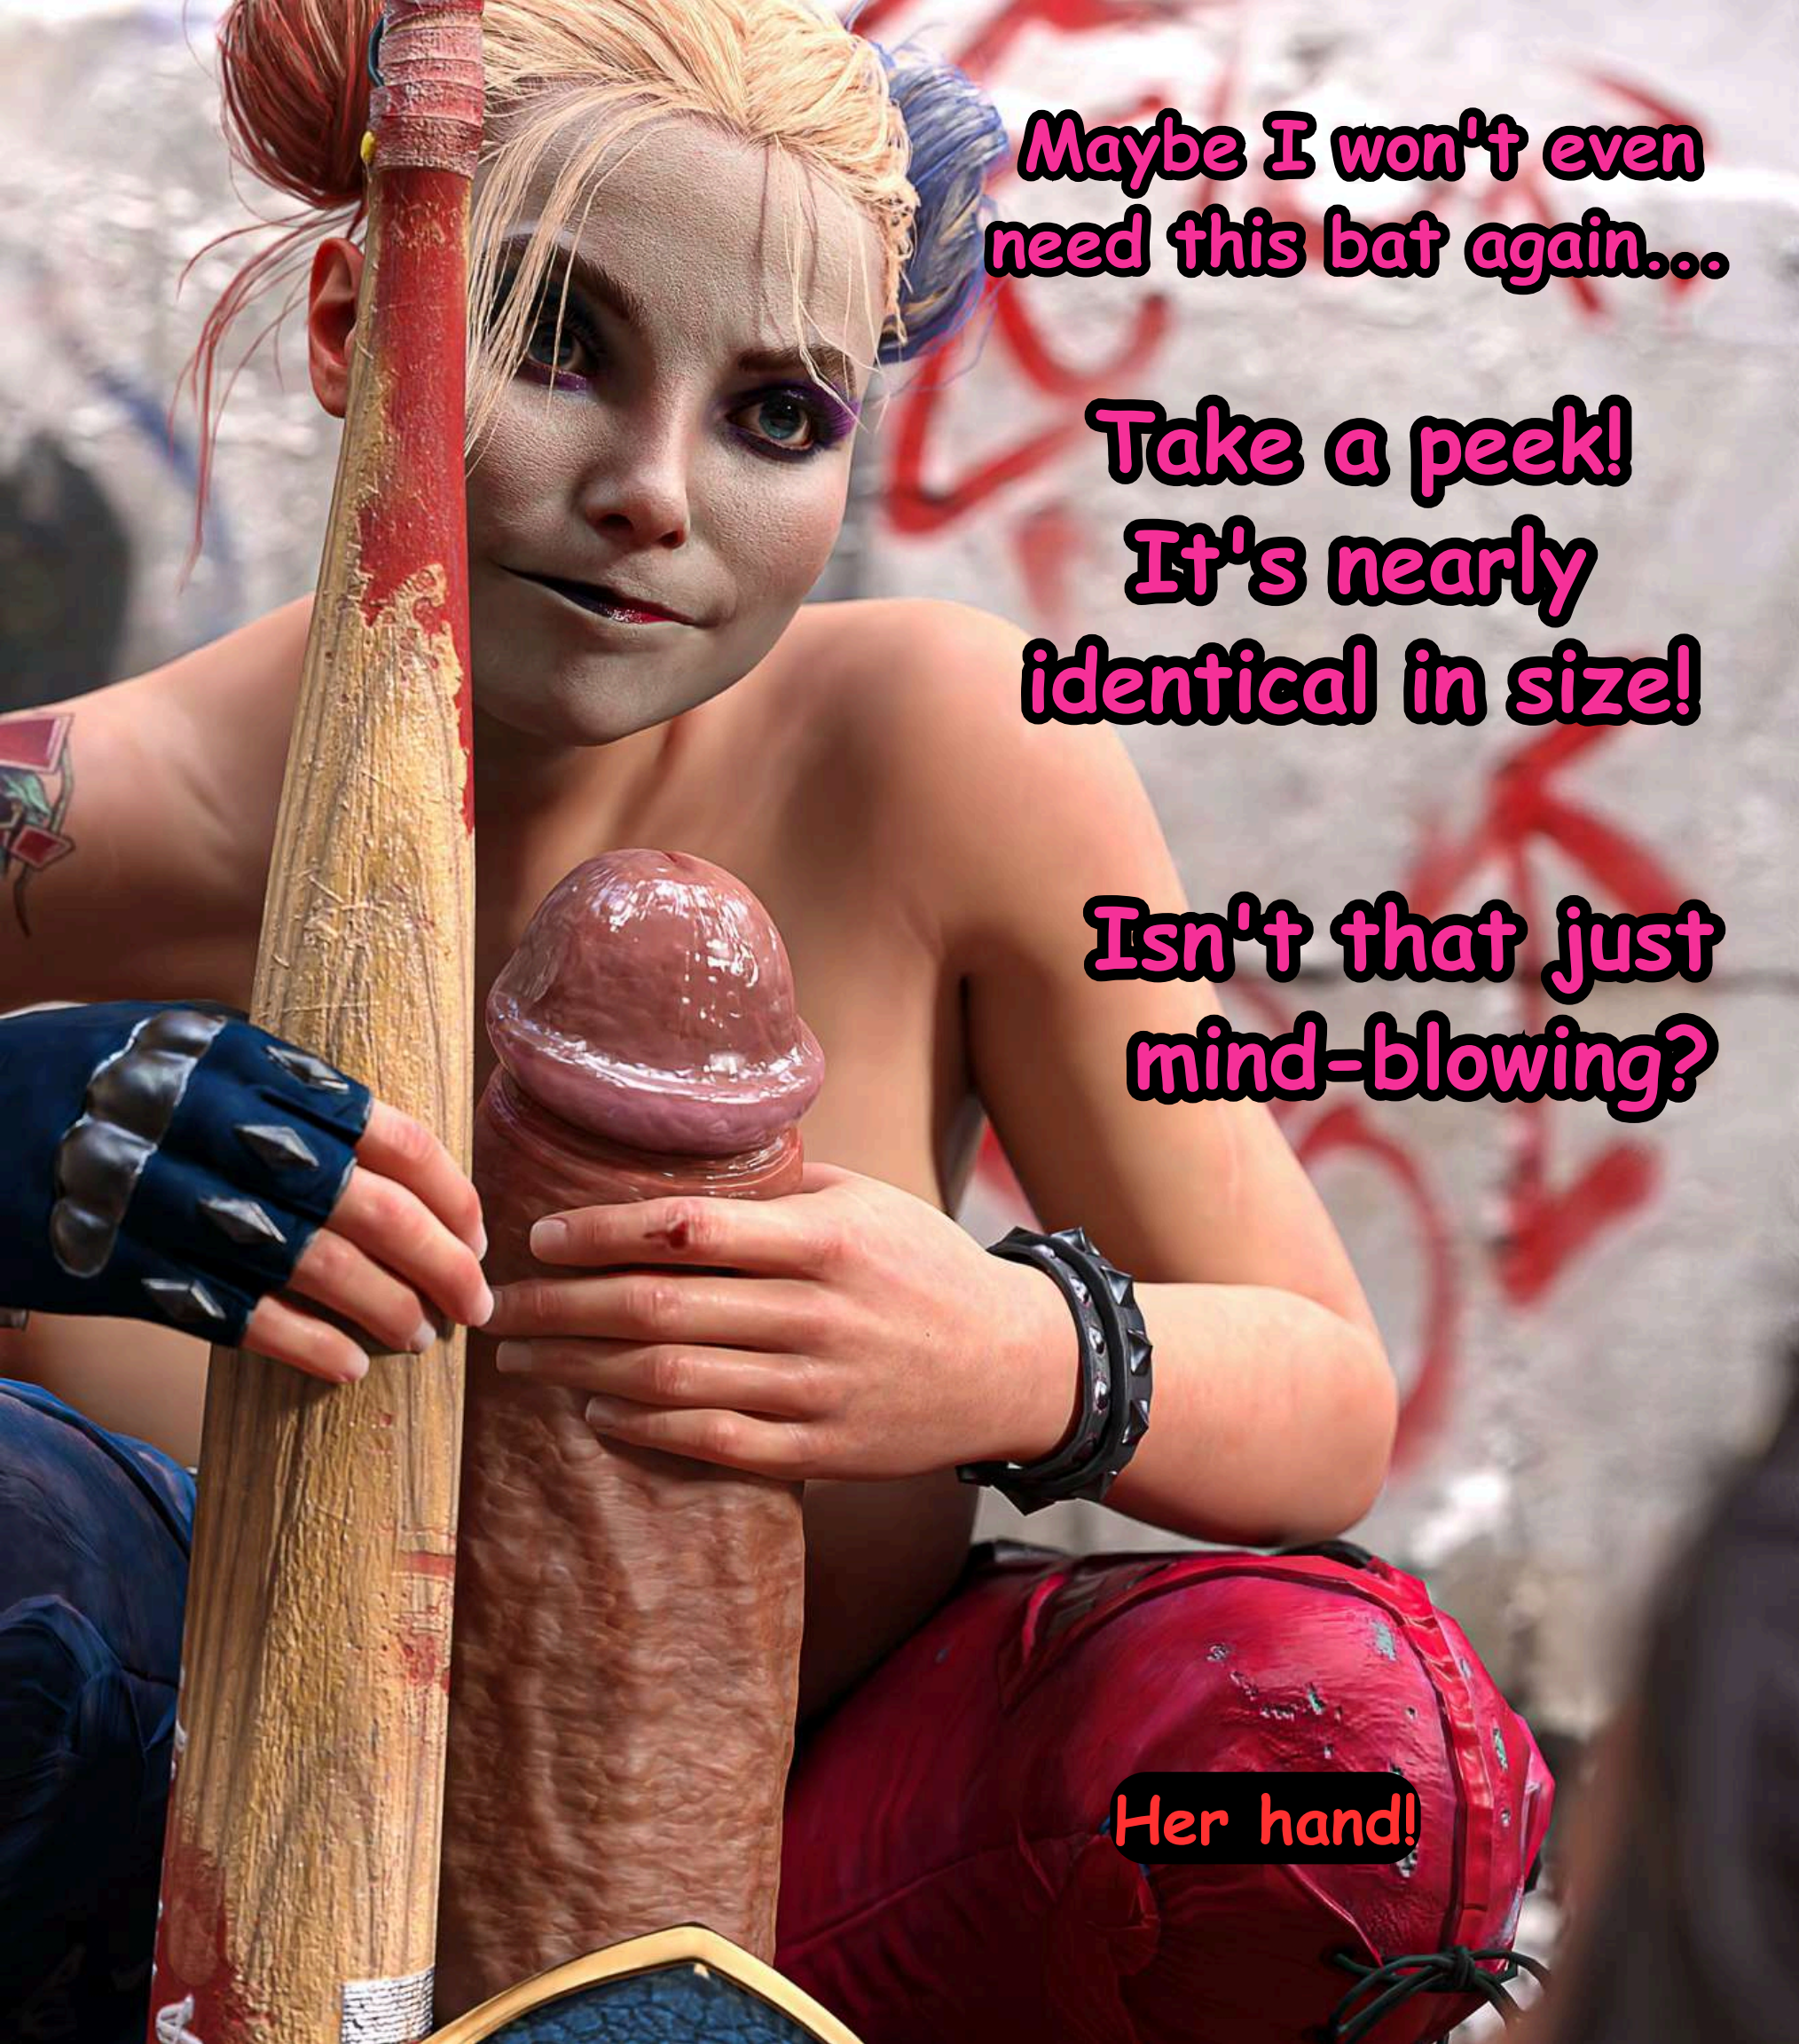

**Ohhh...**

**Ohhh...**

**Is this  
turning me on?**

**It's one hell of a  
Wonder Dick, isn't it!?**

**Damn, this thing  
is too sensitive!**

Maybe I won't even need this bat again...

Take a peek!  
It's nearly identical in size!

Isn't that just mind-blowing?

Her hand!

It's so soft and warm!

I mean, I could knock anyone out with this new "bat", don't you think?

Ha...Harley..

Oh, Athena!  
So this is what it's like to have your cock touched?

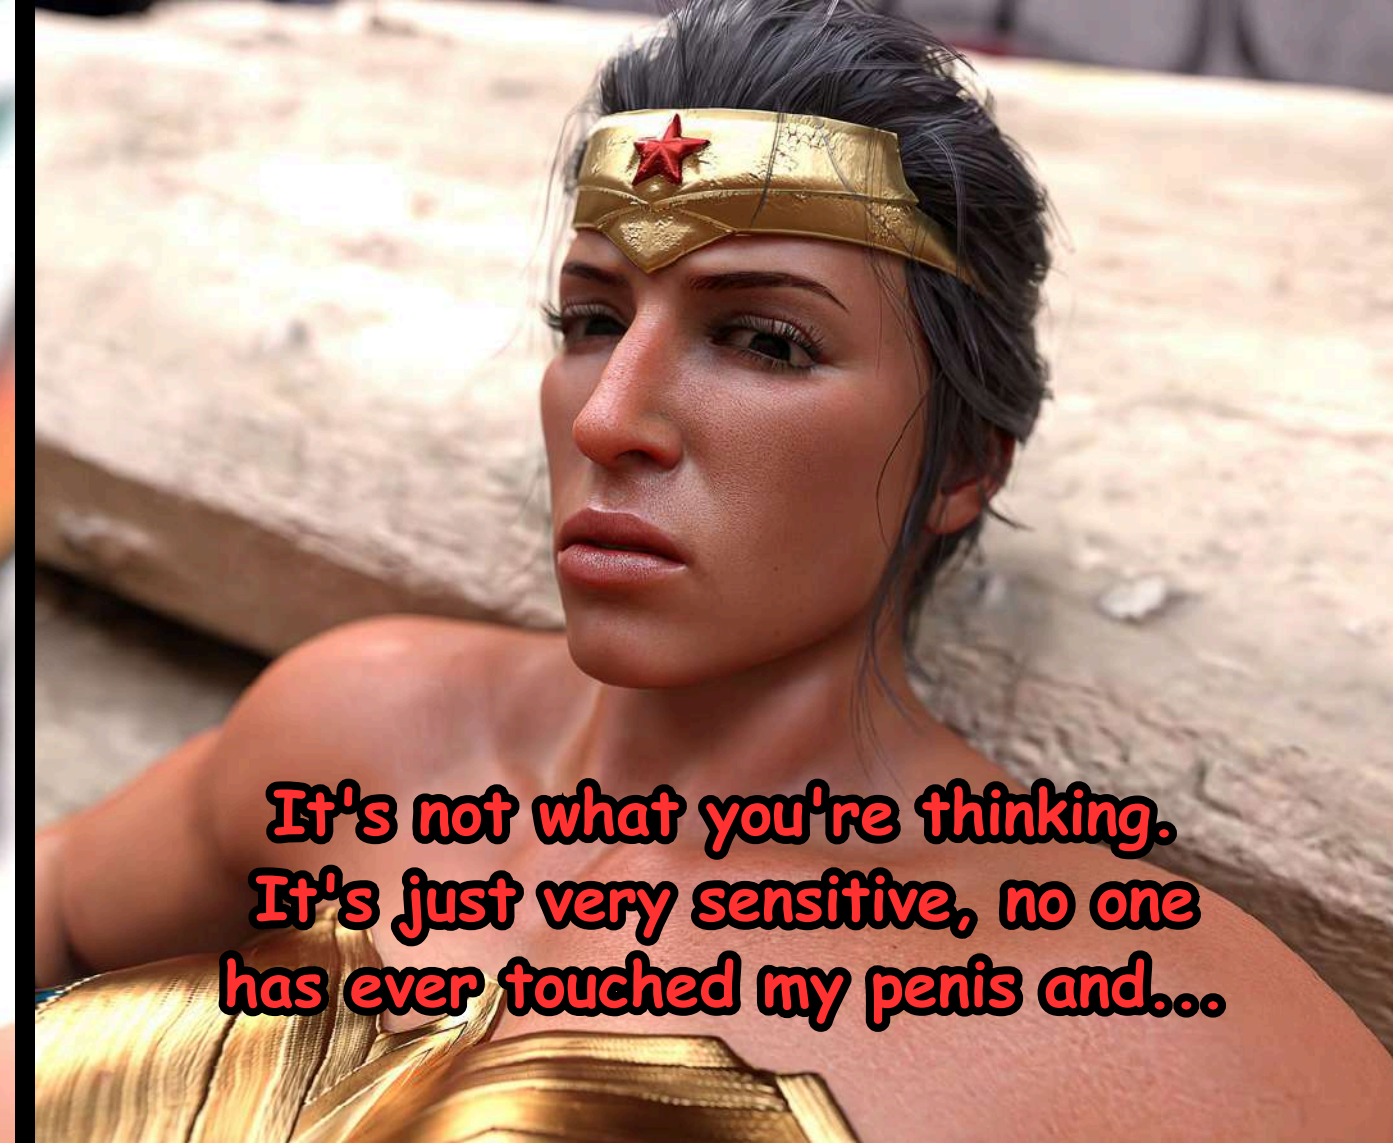

What!?

**Well, well, well  
someone is very horny!**

**HAHAHA!**

**Oh, no...**

**Just by me holding your  
dick has you started  
leaking pre-cum?**

**It's not what you're thinking.  
It's just very sensitive, no one  
has ever touched my penis and...**

**Hum!?**

**What are you doing!?**

**Doo wop doo wop!**

A close-up shot of a character with pale, white skin and vibrant purple eye makeup. She has long, thin, blonde hair. Her expression is one of intense focus or desire as she looks towards the camera. A hand is visible in the foreground, holding a small, clear, gelatinous object between the thumb and index finger, with a thin strand of the substance stretching from it towards her mouth. The background is blurred, showing hints of other characters and a colorful, possibly outdoor setting.

**Damn! Why does she have to be so cute!?**

**Wooooow....So gooeey!**

A close-up shot of Wonder Woman's face. She is wearing her iconic gold tiara with a red star. Her dark hair is pulled back, and she has a serious, determined expression. Her eyes are looking slightly to the right of the camera. The background is a bright, outdoor setting with some architectural elements visible.

**Yum, that sounds delicious!**

**Sound what?**

**Will she do what I'm thinking? No! She won't!**

**Hmmmmmmmm!**

**She did it!**

**Ohhh! What....are...**

**So yummy!**

**I can't believe what I'm seeing! She just swallowed my cum!**

**It tastes wonderfully horny!  
HAHAHA!**

**This...crazy bith...**

**That turned you on a lot, didn't it? I can see it by your face.**

Har..Harley!

The funny thing is that I didn't do anything special and you're already cumming...

Ahhh!

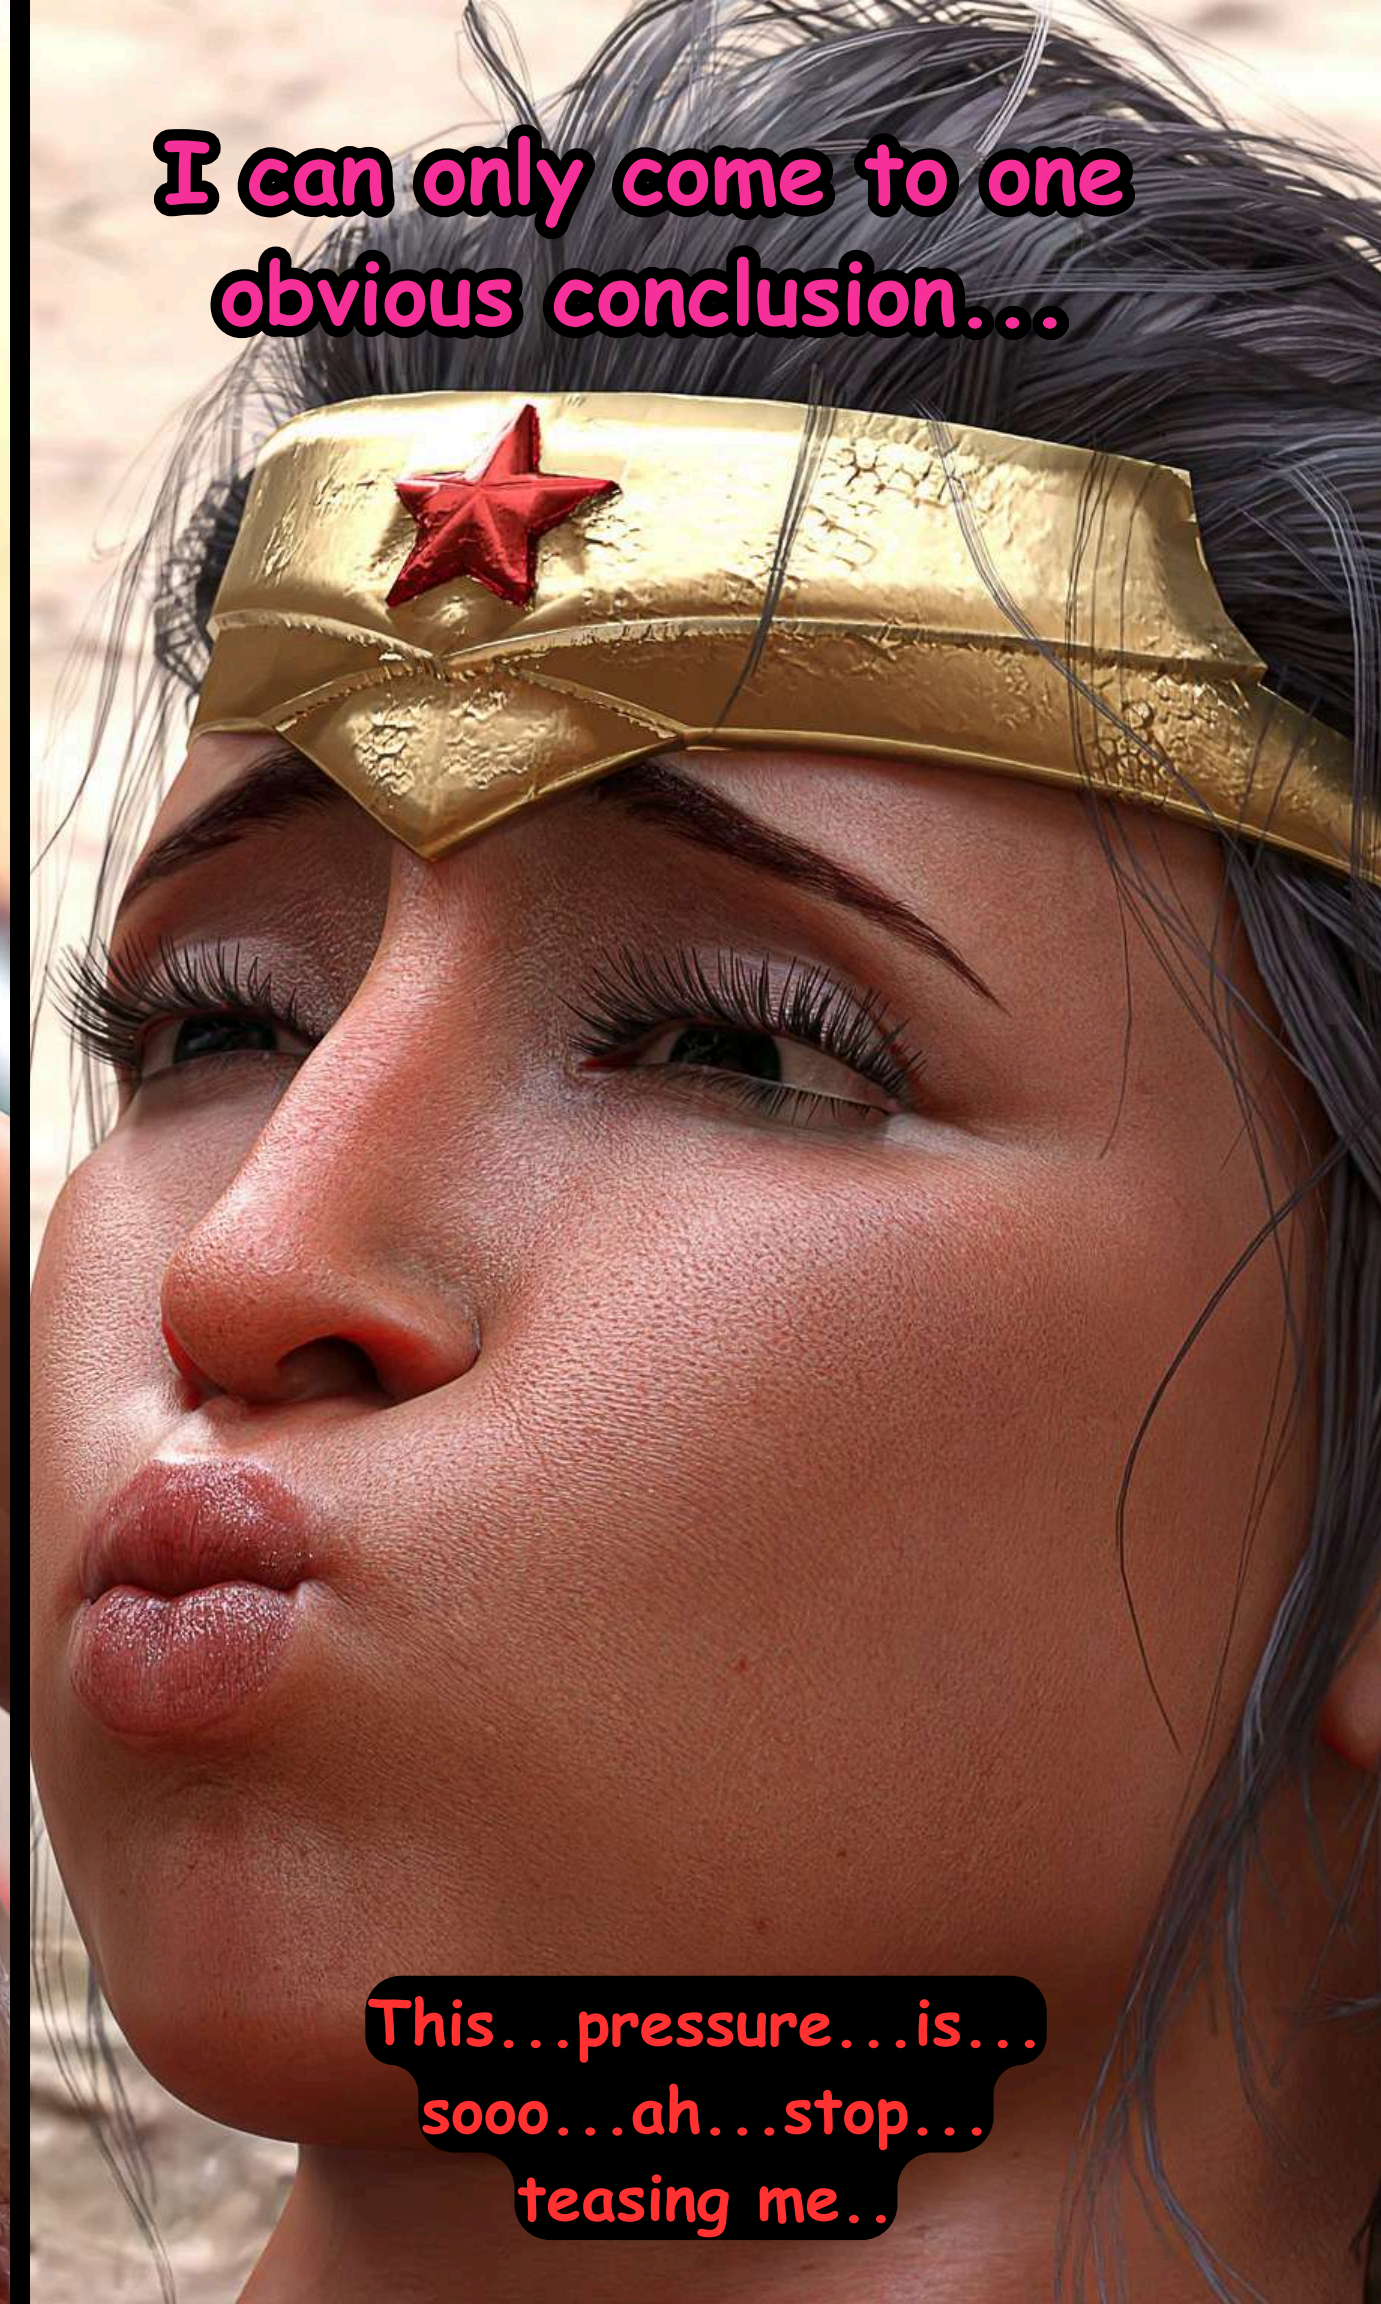

She took me by surprise!

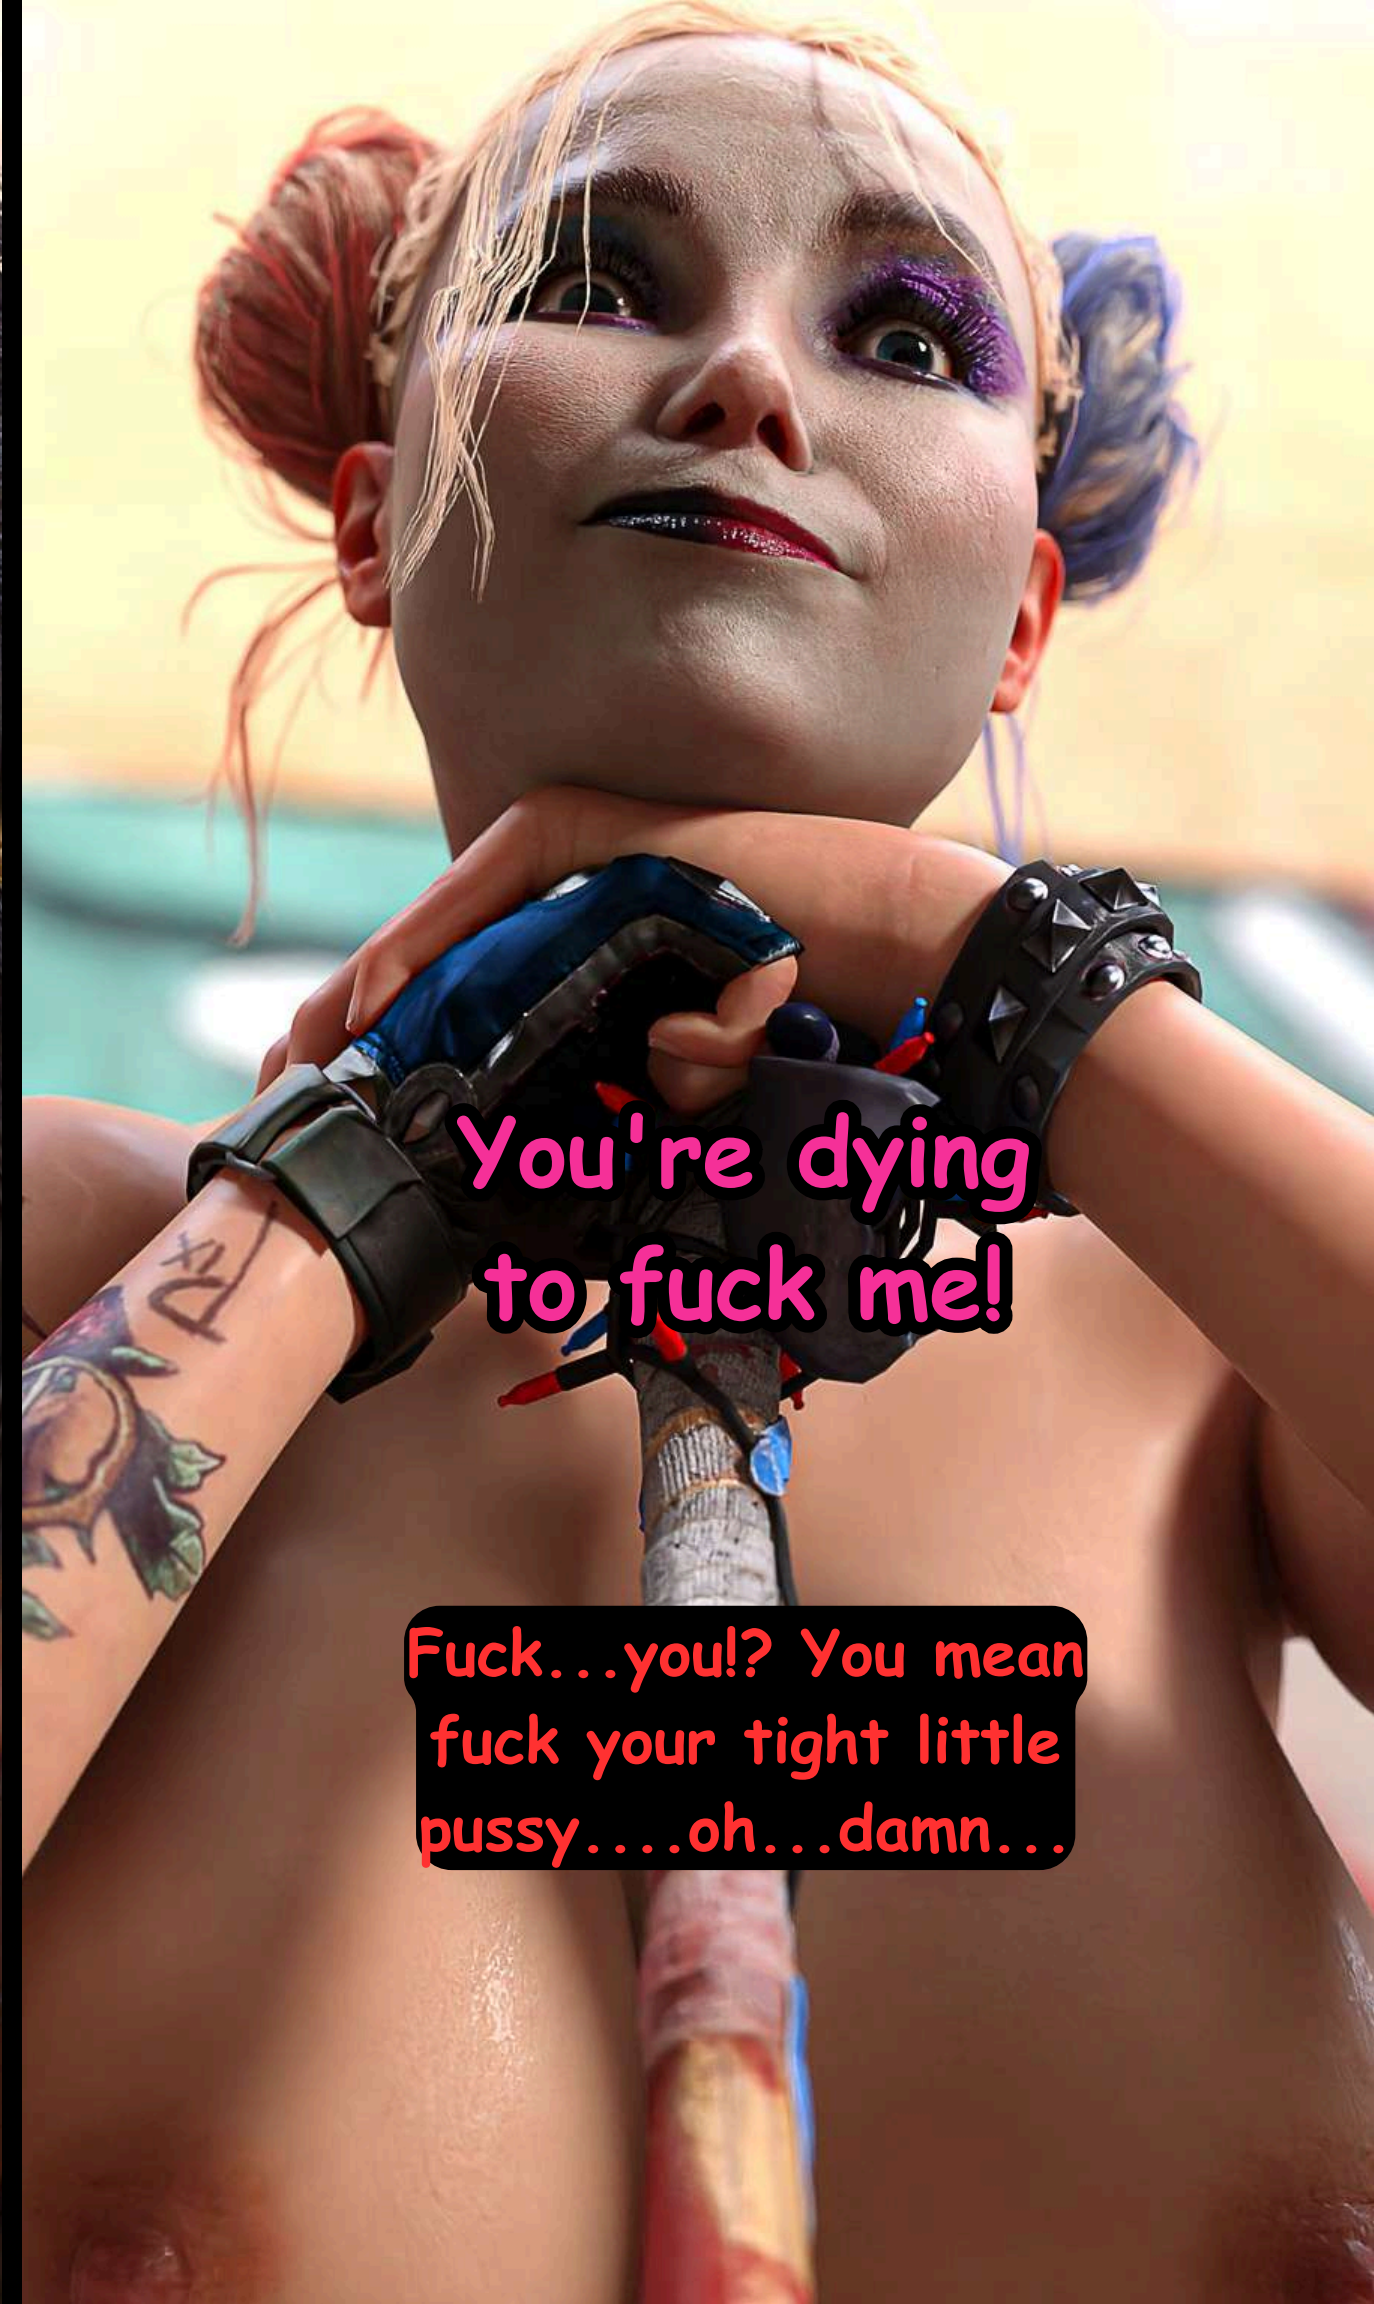

Hmmmm....

Taking all this into consideration...

I can only come to one obvious conclusion...

This...pressure...is...  
sooo...ah...stop...  
teasing me..

You're dying to fuck me!

Fuck...you!? You mean  
fuck your tight little  
pussy....oh...damn...

But then I keep thinking,  
gee, but what about her  
honor as an Amazon?

Harley!

She said she wanted to be  
a hero again and beat up  
some bad guys....

Har...ley..

Oops!

WHOOAA!!

Is it possible that the powerful  
Wonder Woman wants to fuck  
this crazy clown here?

I can't take  
much more!

That quickly, Wondy?

WHAAAHI!

AHHH...

**OH!**  
**OH!**  
**OH!**

**Wow, what a mess!**

**Was this all because of me?**

**Do you forgive  
me, Wendy?  
Please?**

**We're just getting started!**

**I've come across some beefy folks in the Asylum, but Wondy, you're in a league of your own!**

**Ah...Ah..**

**I...can...**

**Imagine...**

**This is a mass orgasm-  
making weapon!**

**Only a completely insane  
person would dare to  
have sex with you!**

**I...agree...**

**Well, well,  
well...turns out  
I'm a certified  
lunatic!**

**In that case...**

**Hum?**

**WOW!**

**THIS TONGUE!  
THIS MOUTH!**

**Whoa, she's  
a giant!**

**Feels like I'm trying  
to swallow a missile!**

**I can feel  
her tongue!**

**Damn,  
I'm a hero!**

**It's as if one wrong  
move could turn my neck  
into a twisty noodle!**

**I like it!**

**But I  
want MORE....**

**Harley...**

**I will make  
you eat my dick...**

**But I'll be  
gentle, okay?**

**Aw, look at her,  
attempting to rein  
in her superpowers!**

**She's fully aware she has  
the power to shatter me  
into a million pieces...**

**I want  
to go deeper...**

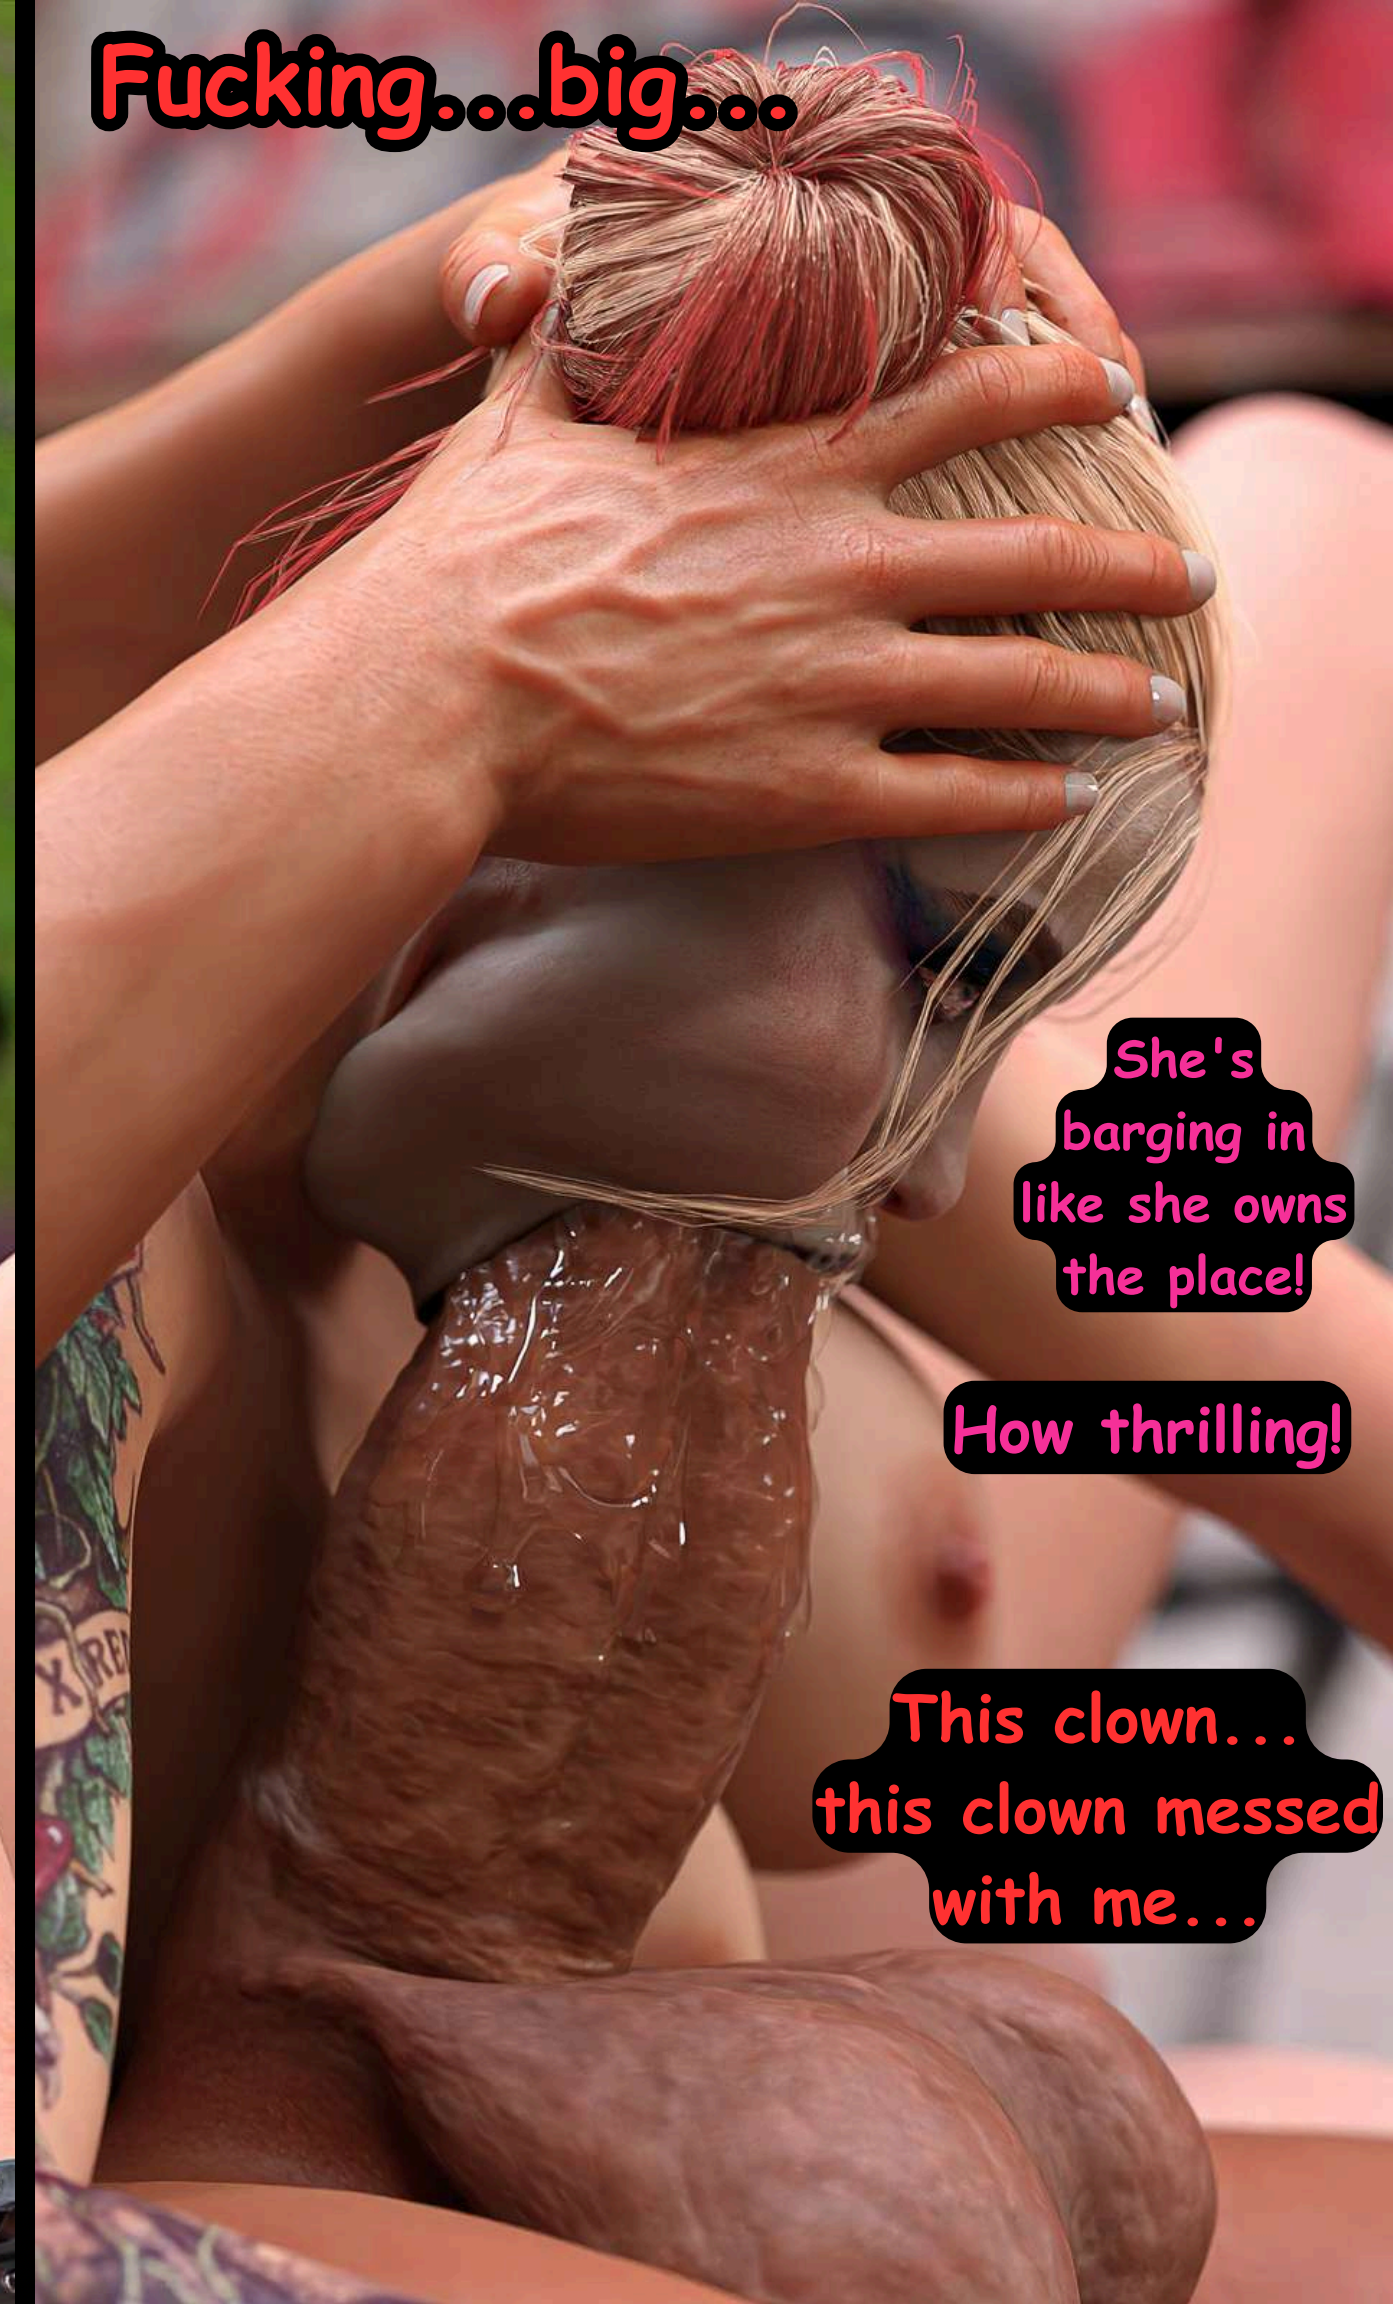

I want to feel her throat...

**EAT IT!**

But does she not get that it's a big 'meh' for me?

**Eat my...**

**Fucking...big...**

She's barging in like she owns the place!

How thrilling!

This clown... this clown messed with me...

**COCK!**

**WOOW!!  
HAHA! YES!**

**FUCKING SWALLOW MY  
HUGE AMAZON'S COCK!**

**My mouth may have  
just caused her a  
total mind meltdown!**

**I'm gonna....

**WHOA!!**

**WHAA!**

**AHHH!**

**HARLEY!?**

**Ahh..**

**HARLEY!?**

**Ahh..**

**Ahh..**

**OH, NO!**

**TALK TO ME!**

**Damn it, what  
have I done?**

**I'm an Amazon and I shouldn't have sex with mere mortals...**

**Their bodies are very fragile and I was reckless!**

**THIS WAS AN ABSOLUTE BLAST!**

**WHAAT!?**

**I LOVED IT!**

**I LOVED IT!**

**Ha...Harley!?**

**I LOVED IT!**

**I LOVED IT!**

A close-up shot of a woman with short, dark hair and dark lipstick. She has a serious, intense expression and is looking directly at the camera. The background is blurred, showing some white and grey shapes.

Both are obsessed with the other.  
It's as if they can't live separately  
now and are just one being.

A close-up, low-angle shot of a woman's face, focusing on her nose and dark lipstick. She has a slight, enigmatic smile. The lighting is soft, highlighting the texture of her skin and the gloss of her lips.

Interesting...
