What you want from me?  What you want from me?
   Em                                          D
I tried to buy your pretty heart, but the price too high
                     G
Baby you got me like oh
                Am
You love when I fall apart (fall apart)
              Em
So you can put me together
                        D
And throw me against the wall
                 G          Am
Baby you got me like ah, woo, ah
                Em
Don't you stop loving me (loving me)  Don't quit loving me (loving me)
          D
Just stop loving it babe (loving me)
```

[Pre Chorus]
```

                   Am
And it keeps cursing my name
     Em
No matter what I do  I'm no good without you
        D
And I can't get enough
                         G
Must be love on the brain

What do I gotta do to get in your mother*****' heart?
