

No baby.  
You misunderstand  
me. I really don't  
mean that.

Ah, I see. You have said enough. Women like the feeling of being forced.

Oh. I don't mean that...

Check out my cock.  
It's so hard. You're  
so horny, baby.

? !

No way. That gigantic thing is going to stuff into my body?!

Hell no. Am I going to be fucked in the bed like a girl by a dude? That's not what I want!

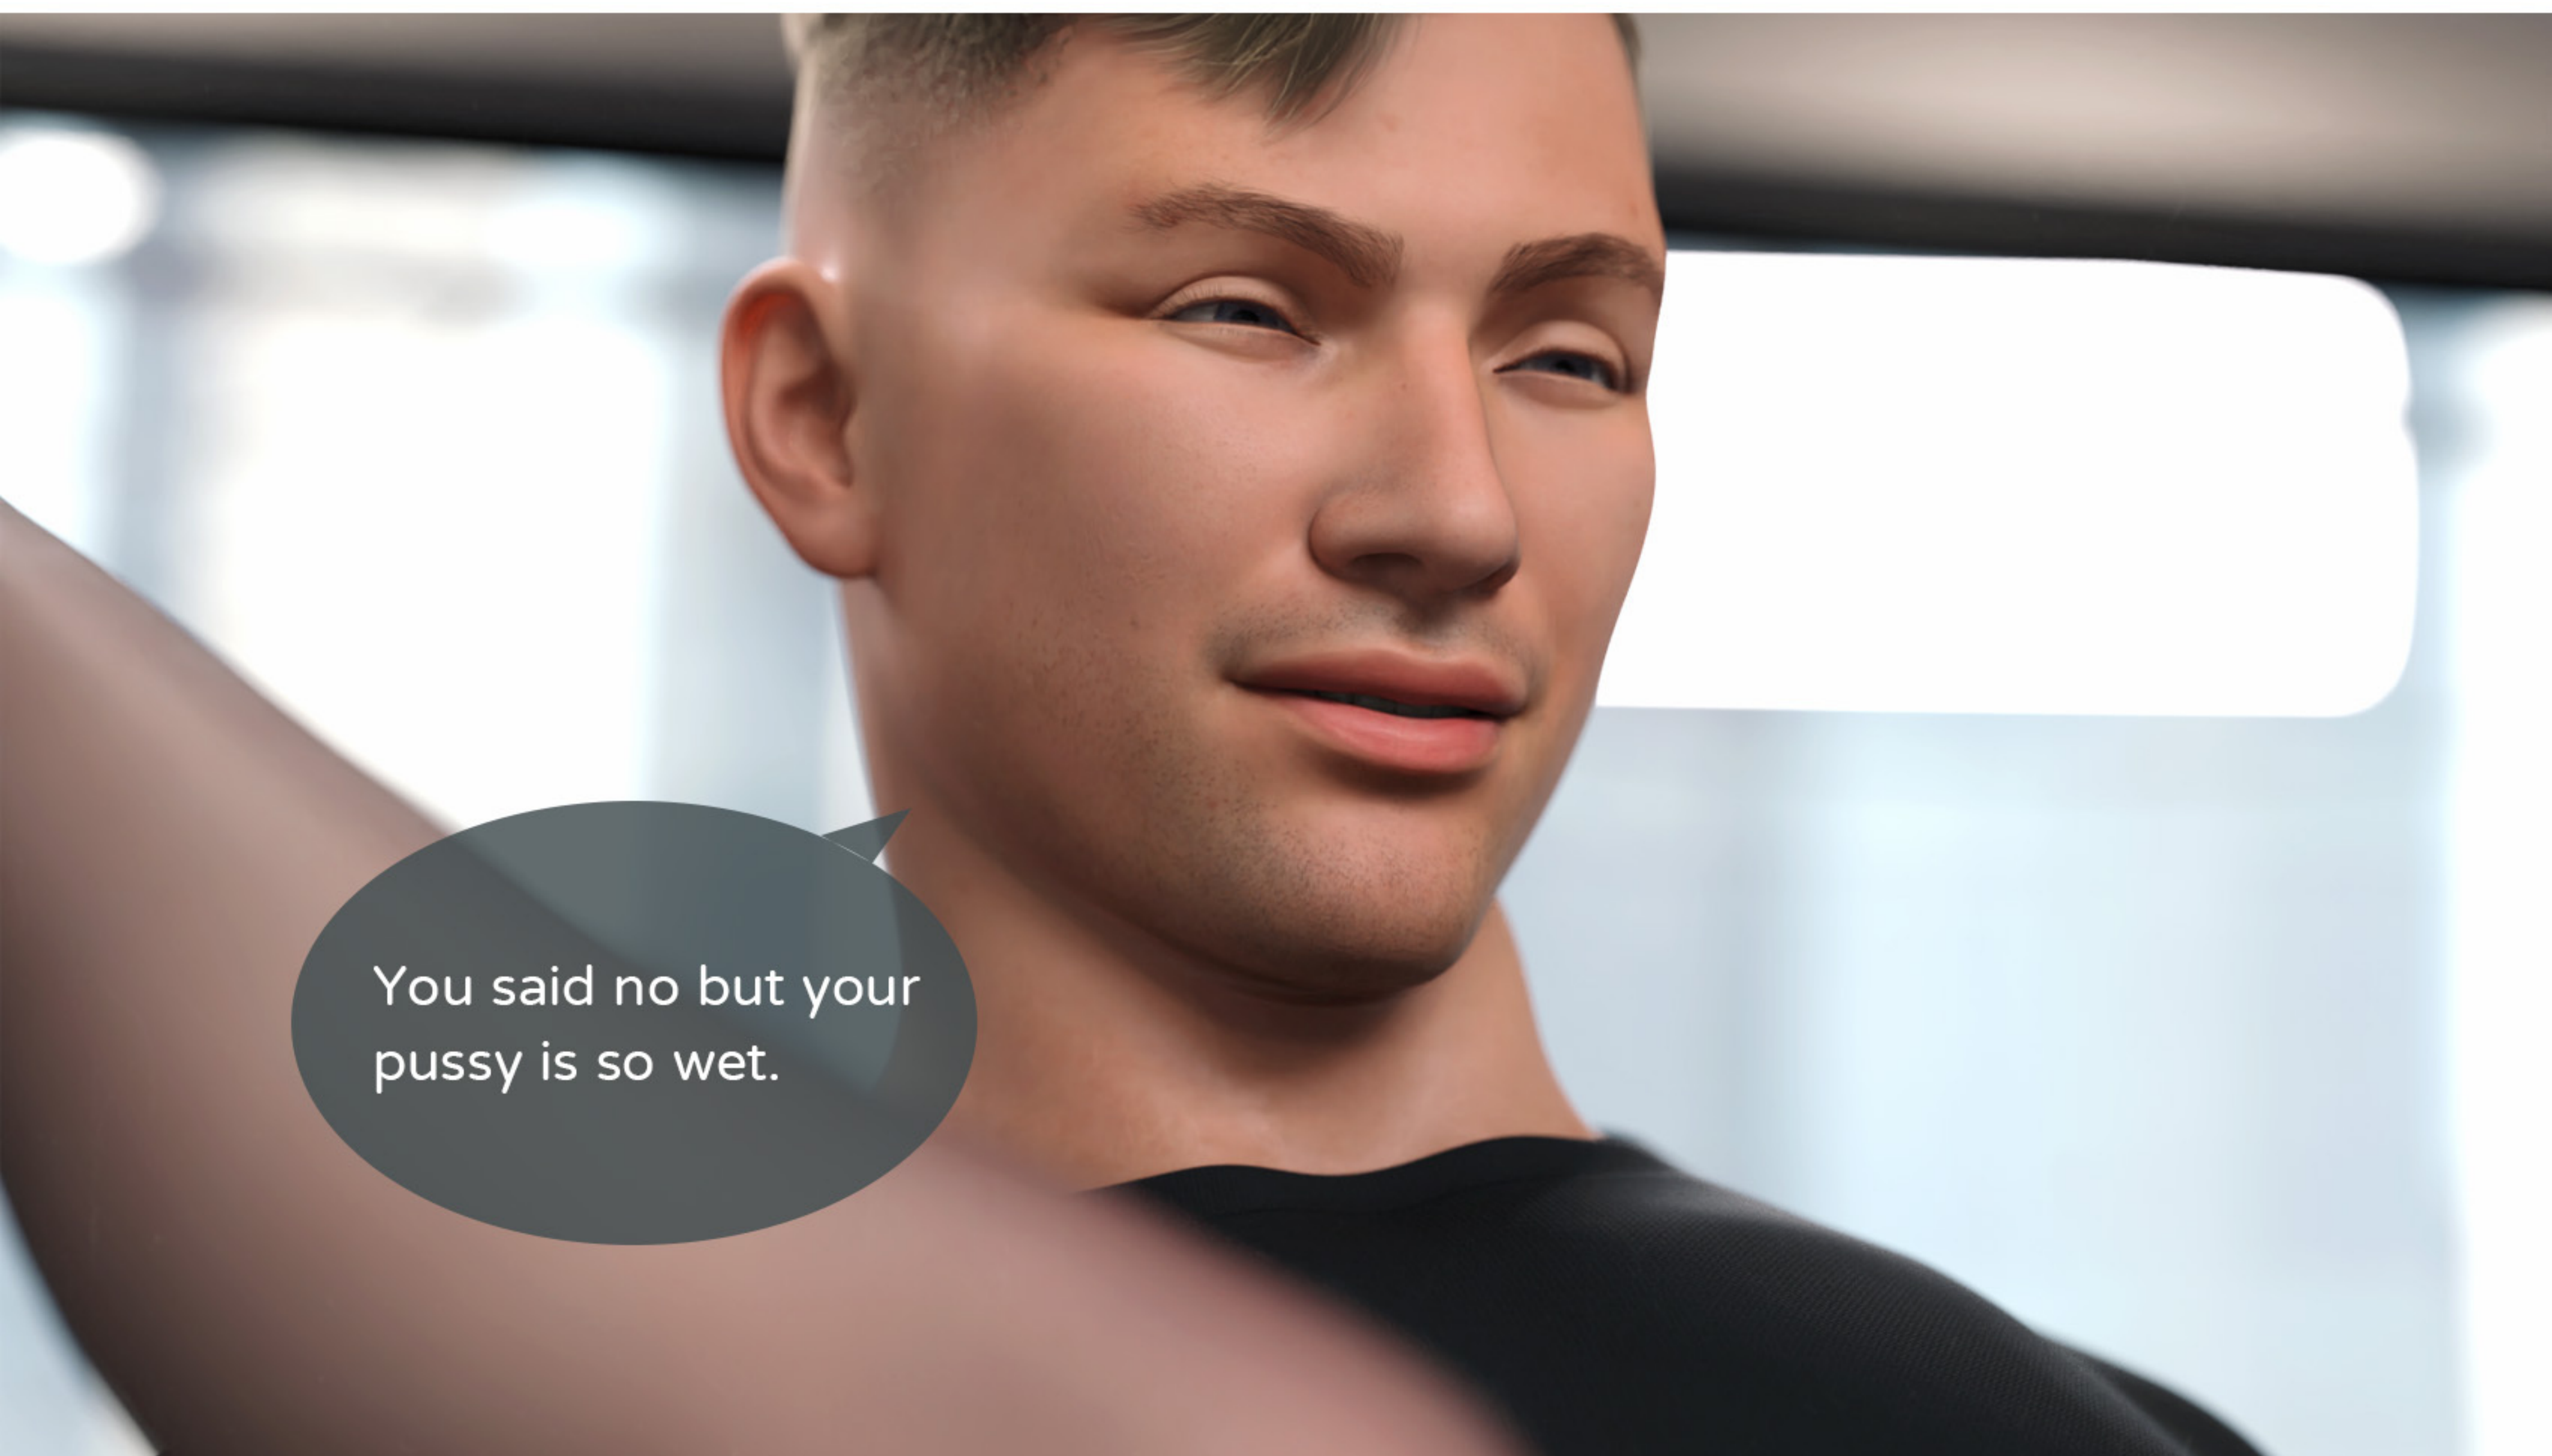

Hi, baby. Here I am!

?!

Insret

Oh. It hurts.

You said no but your pussy is so wet.

Ahahahah

Snapped! Snapped!

So this is the feeling  
of a woman being  
fucked? His dick  
crams my pussy.

I am a man but get  
fucked like a woman.  
Ah. He screws me so  
hard that I can't think!

Do you think that's  
over?

Grab!

What do you want?  
Let me go!

The more you  
fight the more I'm  
aroused. Let's move  
to the next phase.

Oh my god. I can't  
break free from him.  
Are girls so weak?

I don't know why this  
body seems to desire  
to be controlled.

Lick

Shit. Being harassed makes me feel comfortable and happy.

He he. I'm so  
blessed to have an  
attractive and sexy  
girlfriend.

Do the new female  
genitals assimilate  
me into her lust and  
mind?

I don't want to be  
a woman forever.

Take off

I love baby your  
small and bouncy  
boobs.

Rub

Oh my god. Female's  
nipples are so great and  
sensitive. Here comes  
the electrifying sensation.

I'm going to give up.  
The body craves for  
male bodies.

My male heart and  
woman body are in  
conflict. My head is  
going to explode!

No. I can't think anymore. The female body is too sensitive.

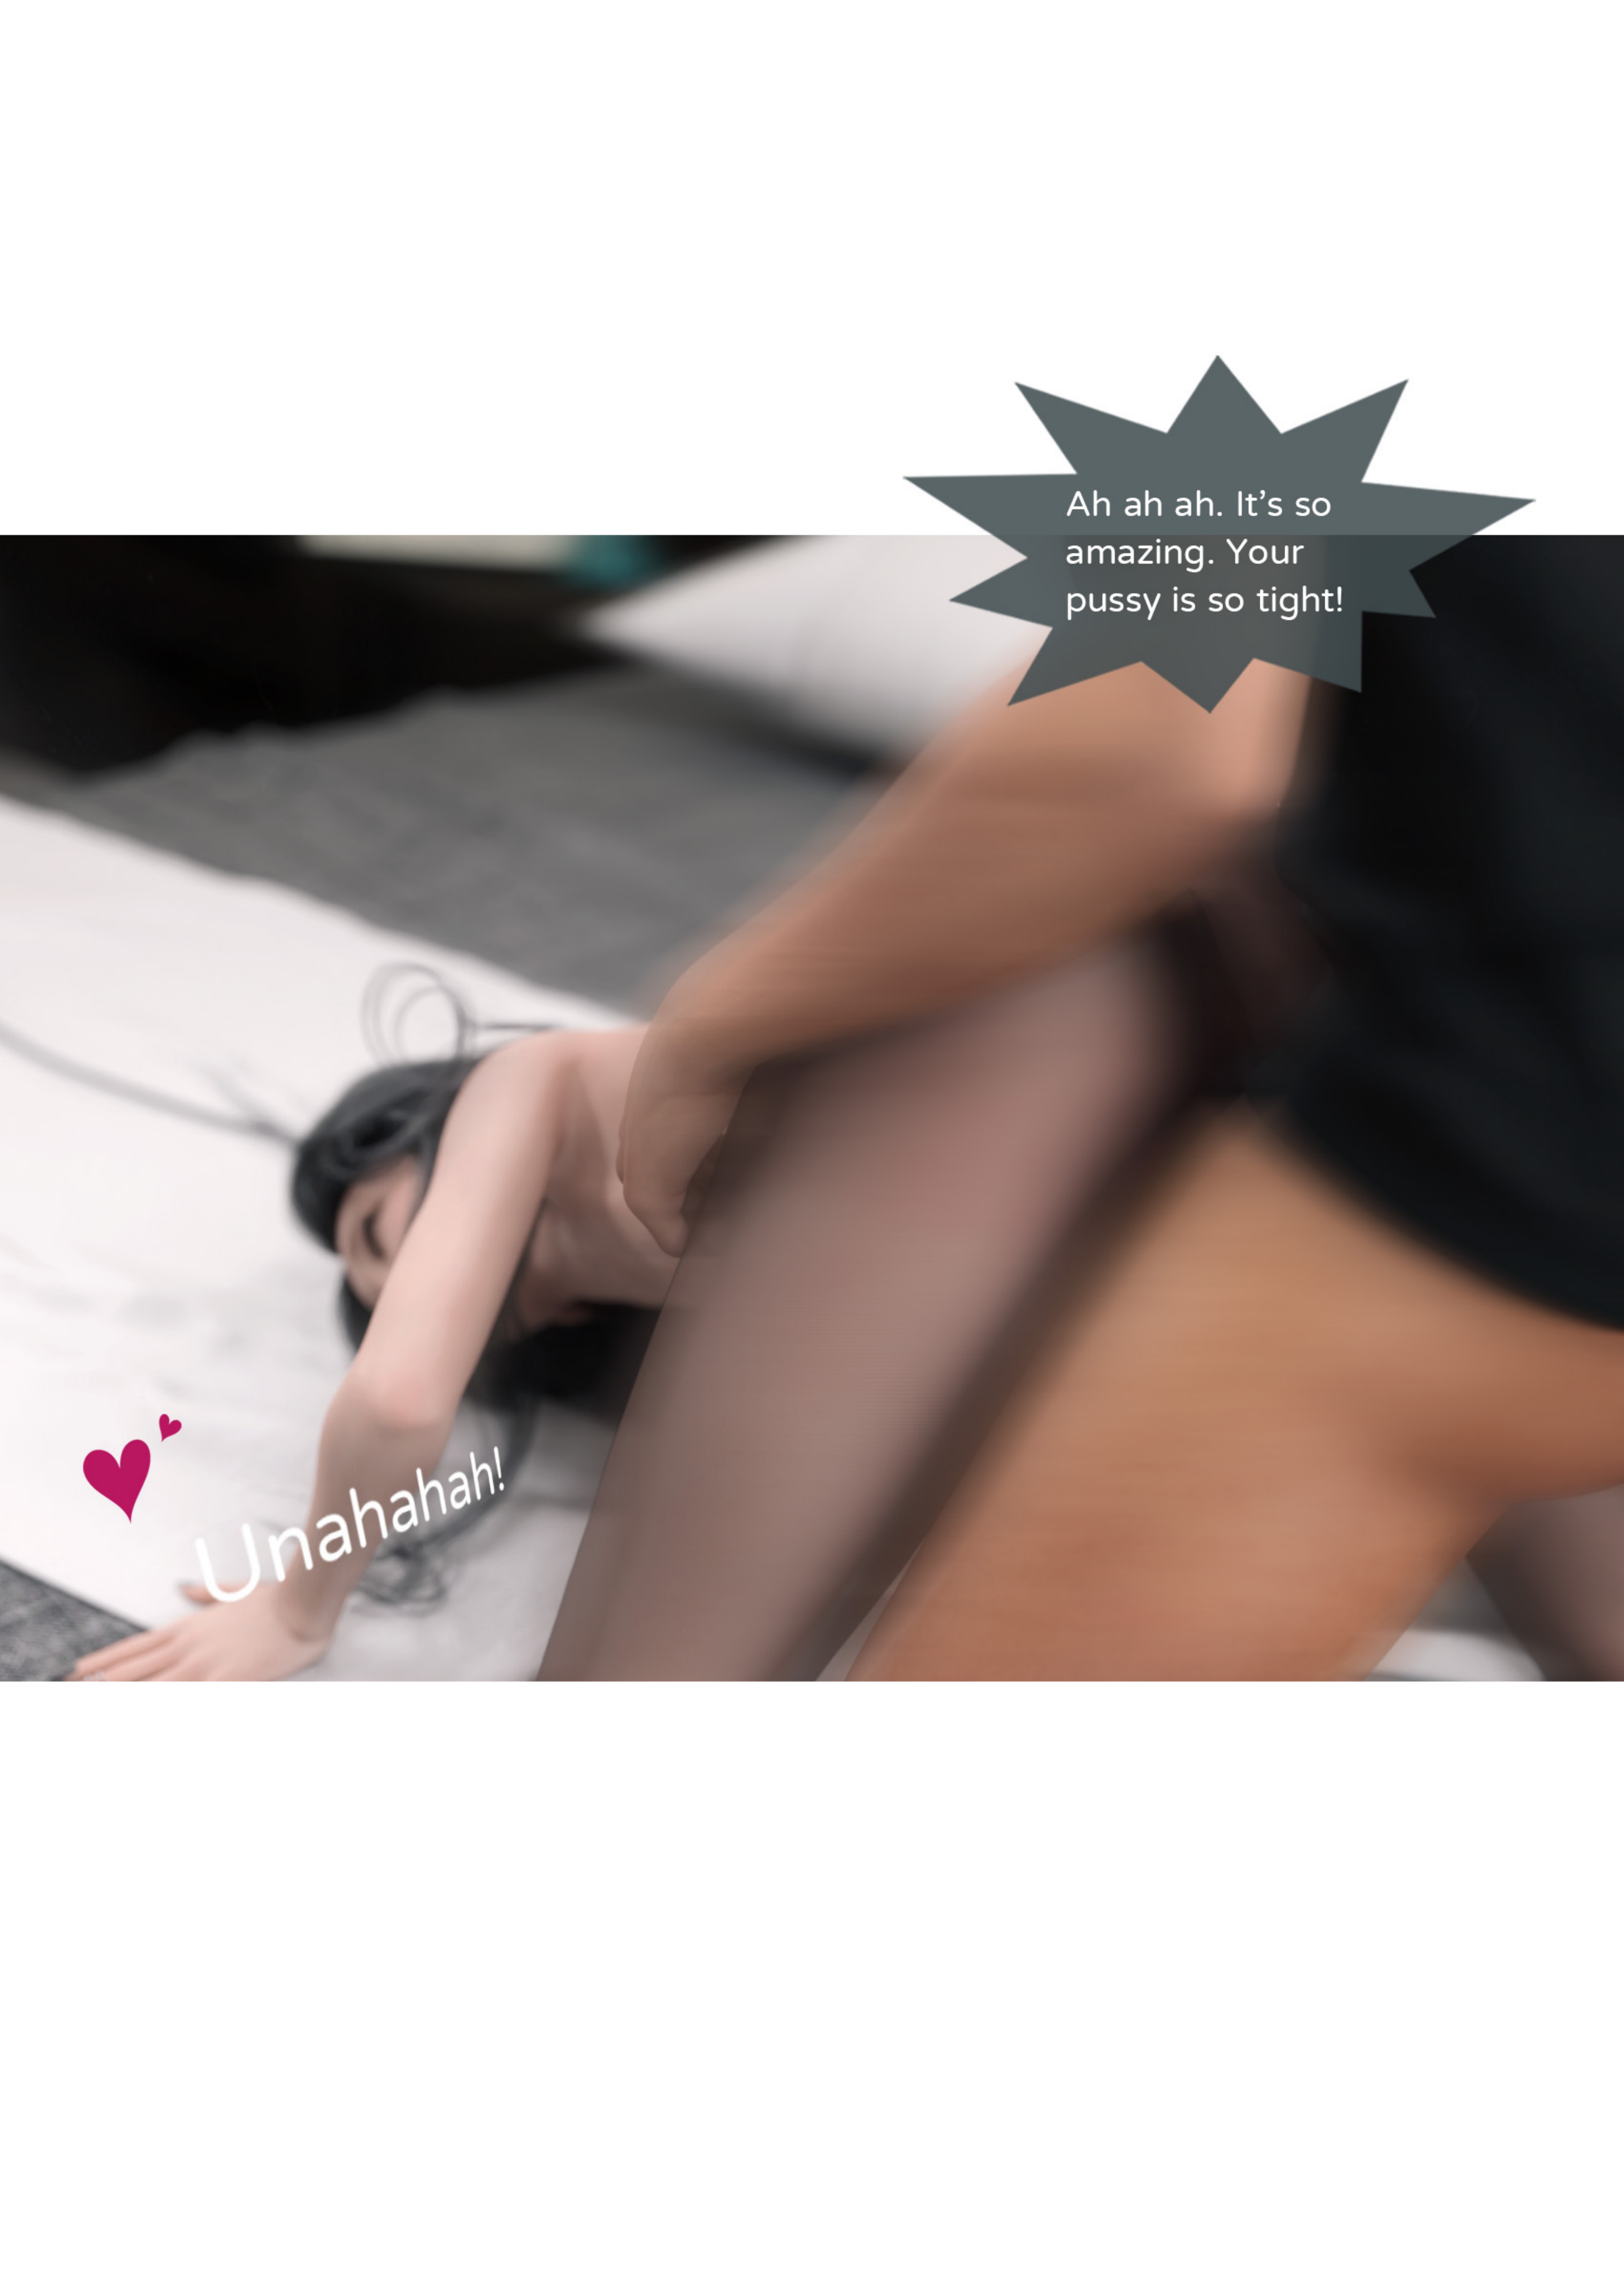

I am under his control...

Get down on the ground and put your ass up like a bitch.

Woo...

Snapped! Snapped!

Ah ah ah. It's so amazing. Your pussy is so tight!

Unahahah!

No. This body is way too sensitive. I need to use the APP to lower the sensitivity.

The cellphone is right there. I can almost reach it.

Why do you want to grab your phone during sex? Just focus on the sex!

I won't let you get distracted.

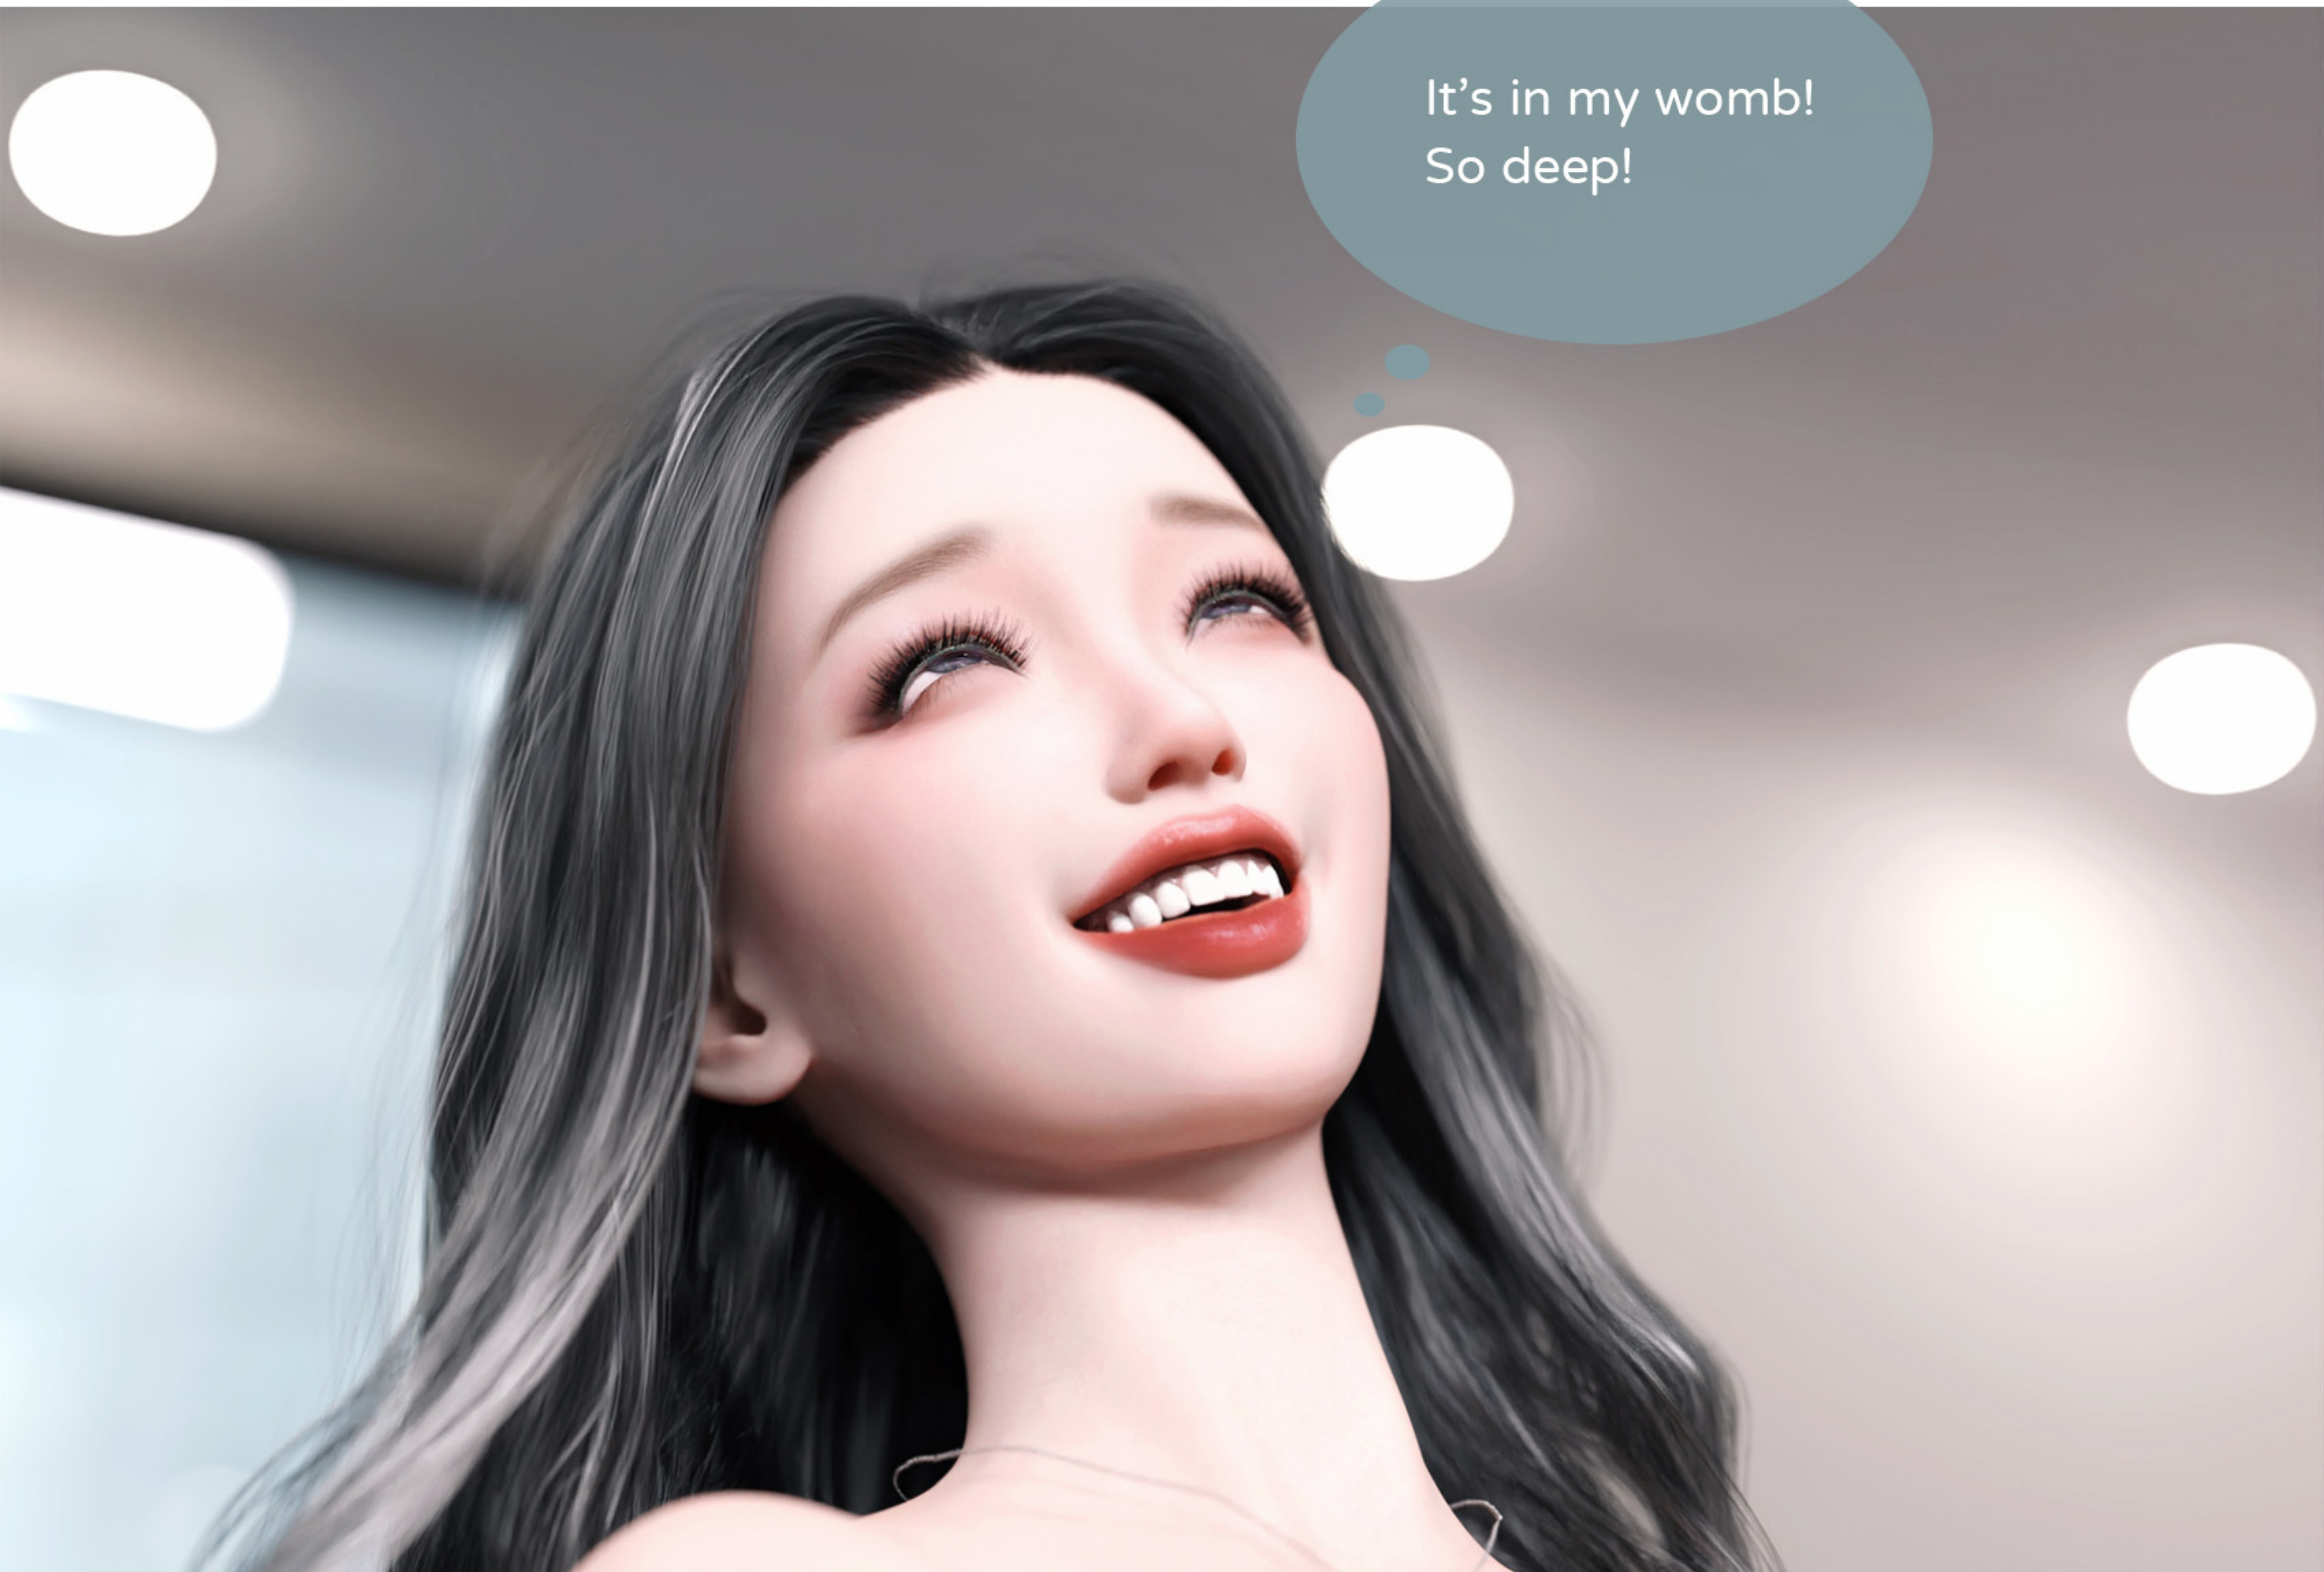

I...I'm going to  
meltdown.

Snapped! Snapped!

I'm gonna fuck  
you up!

It's in my womb!  
So deep!

I never thought that  
fucked by a man is  
so wonderful!

Harder! Harder!  
Fuck me till I'm  
climax.

Wow. Why do  
you become so  
aggressive?

It's so good.  
I just don't care  
anymore.

It's so deep.  
I'm dying!

I'm cumming! 

...I got "creampie".  
He fucked me while  
considered me as  
his goddess and  
cummed inside.

After all this, am I  
still a man? This's  
so humiliating.

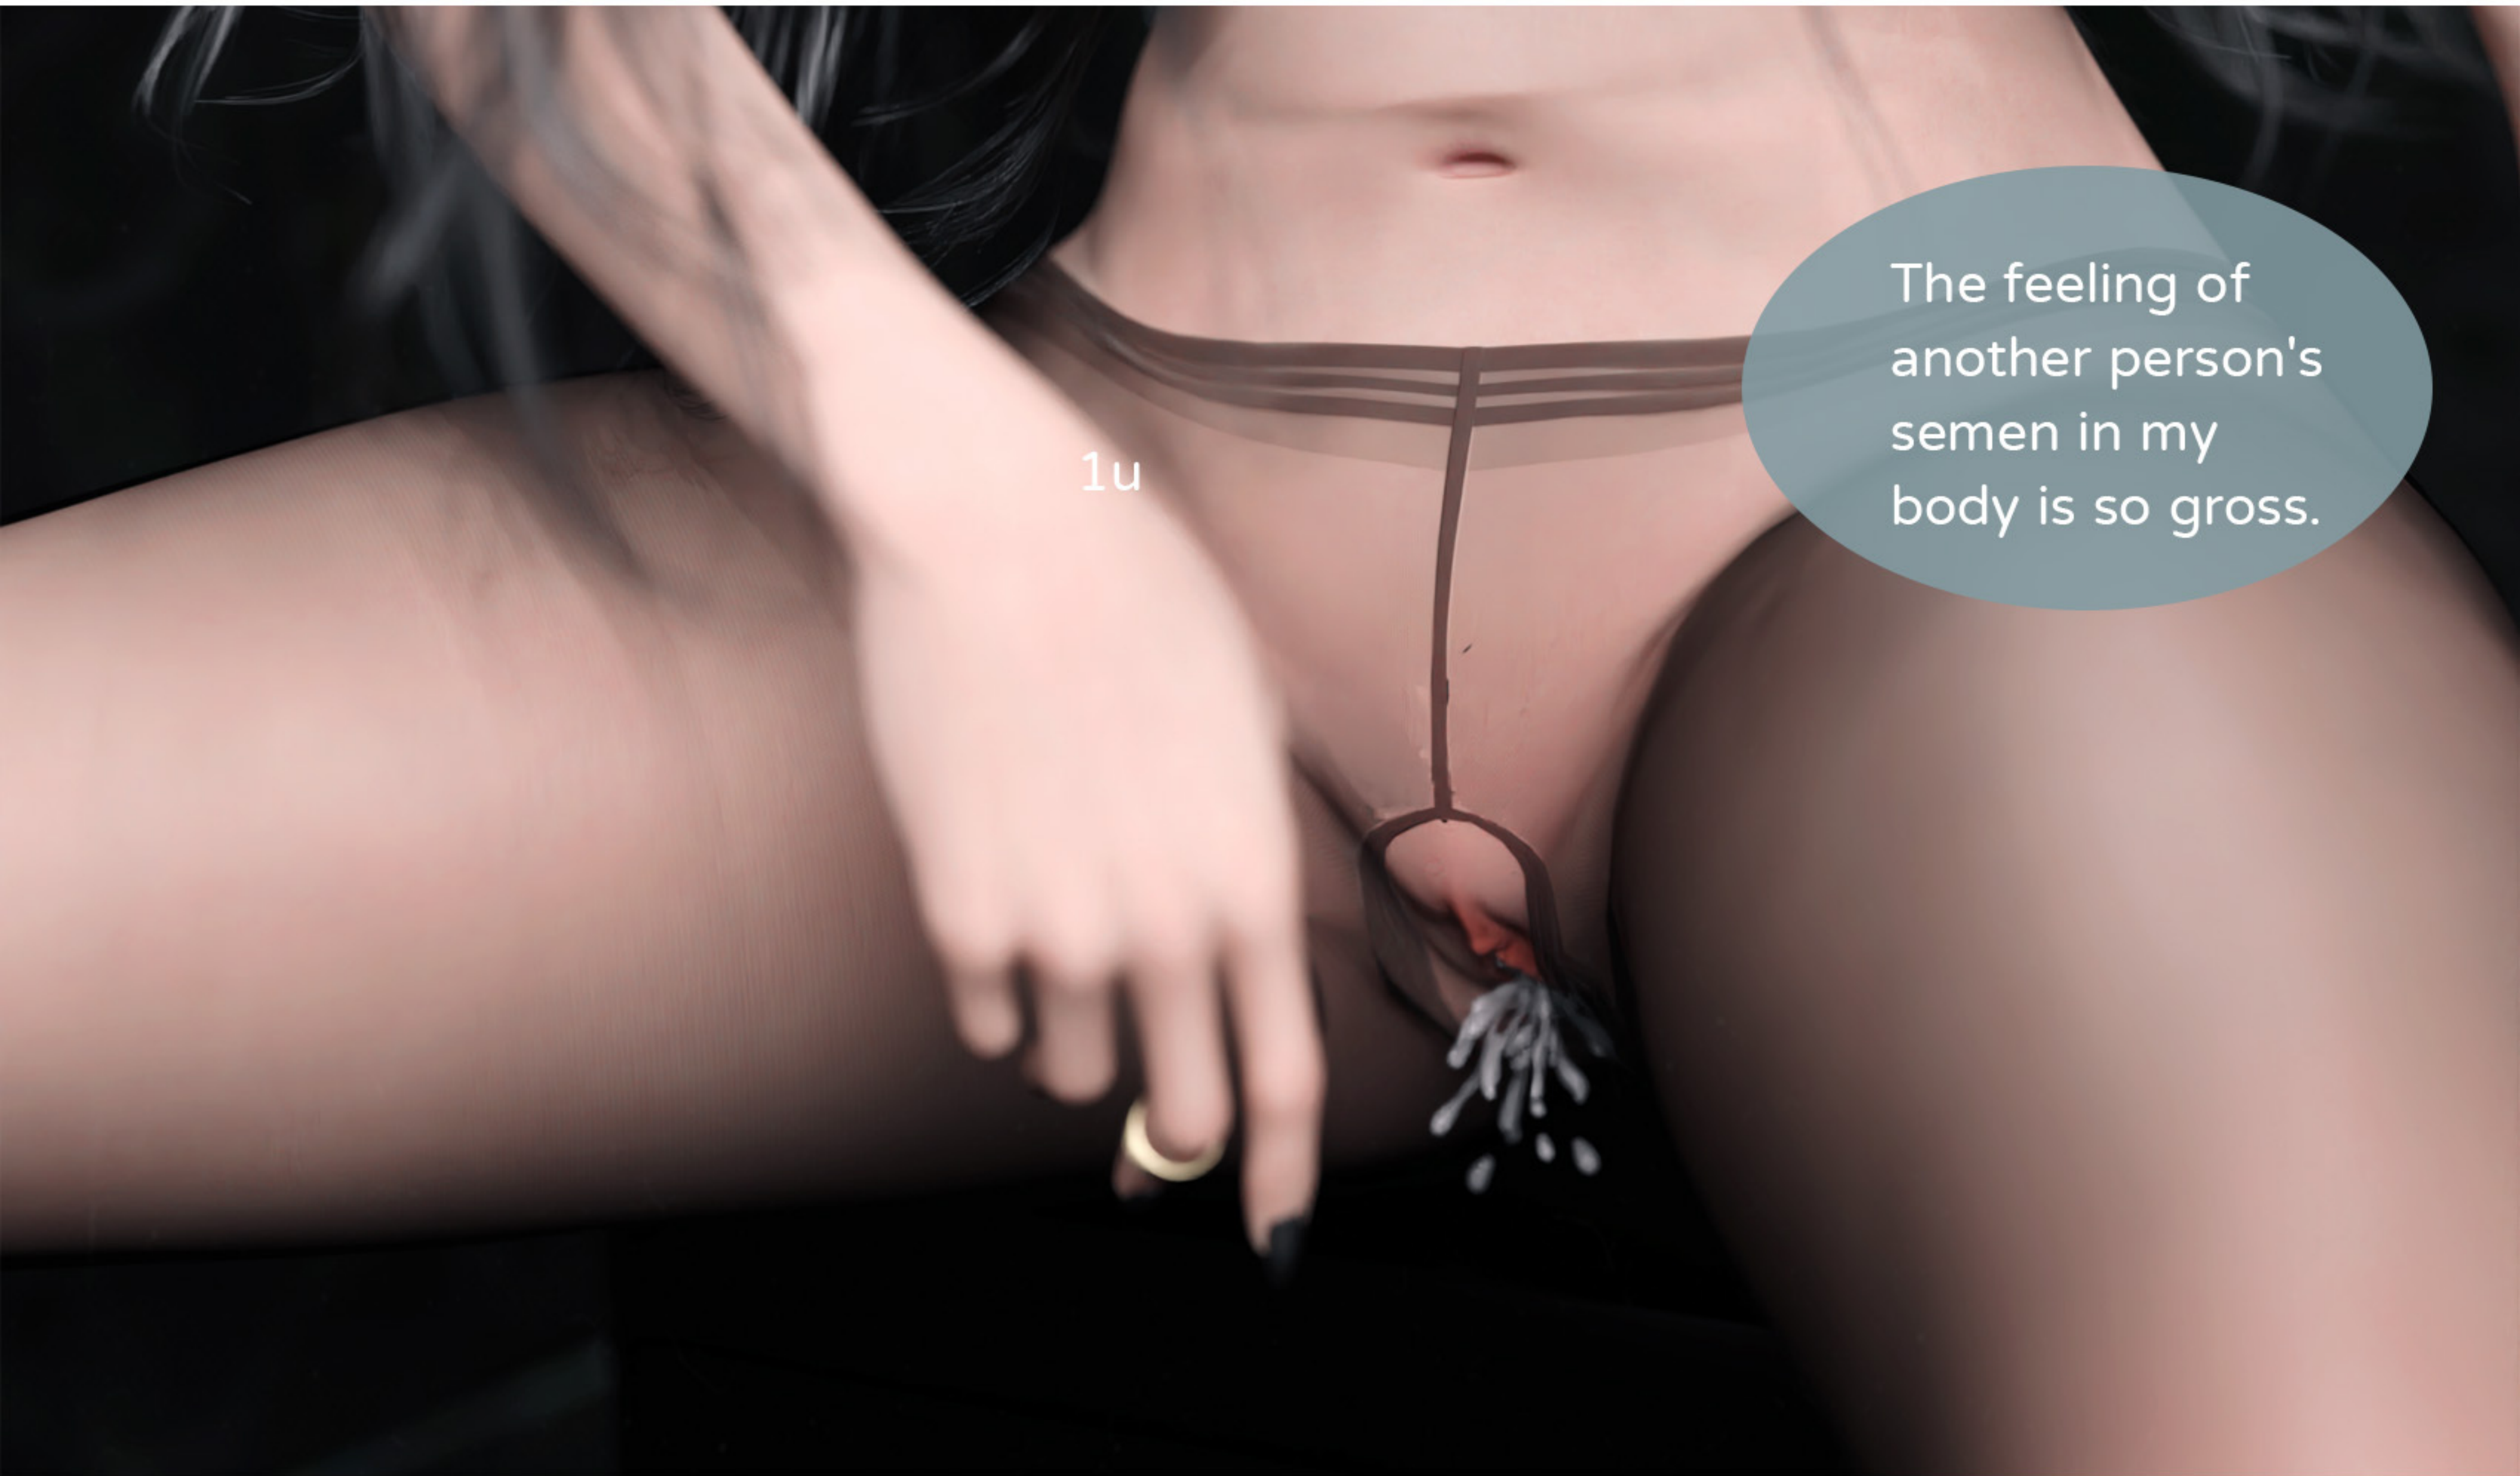

Oh. How do I get  
to this point?

I got fucked  
like a woman...

...and internal  
ejaculation.

1u

The feeling of another person's semen in my body is so gross.

My body enjoys it but my mind rejects it. My Identity, body and mind are in conflict. This creates a paradox.

Huh? What's the message? It's from the hospital.

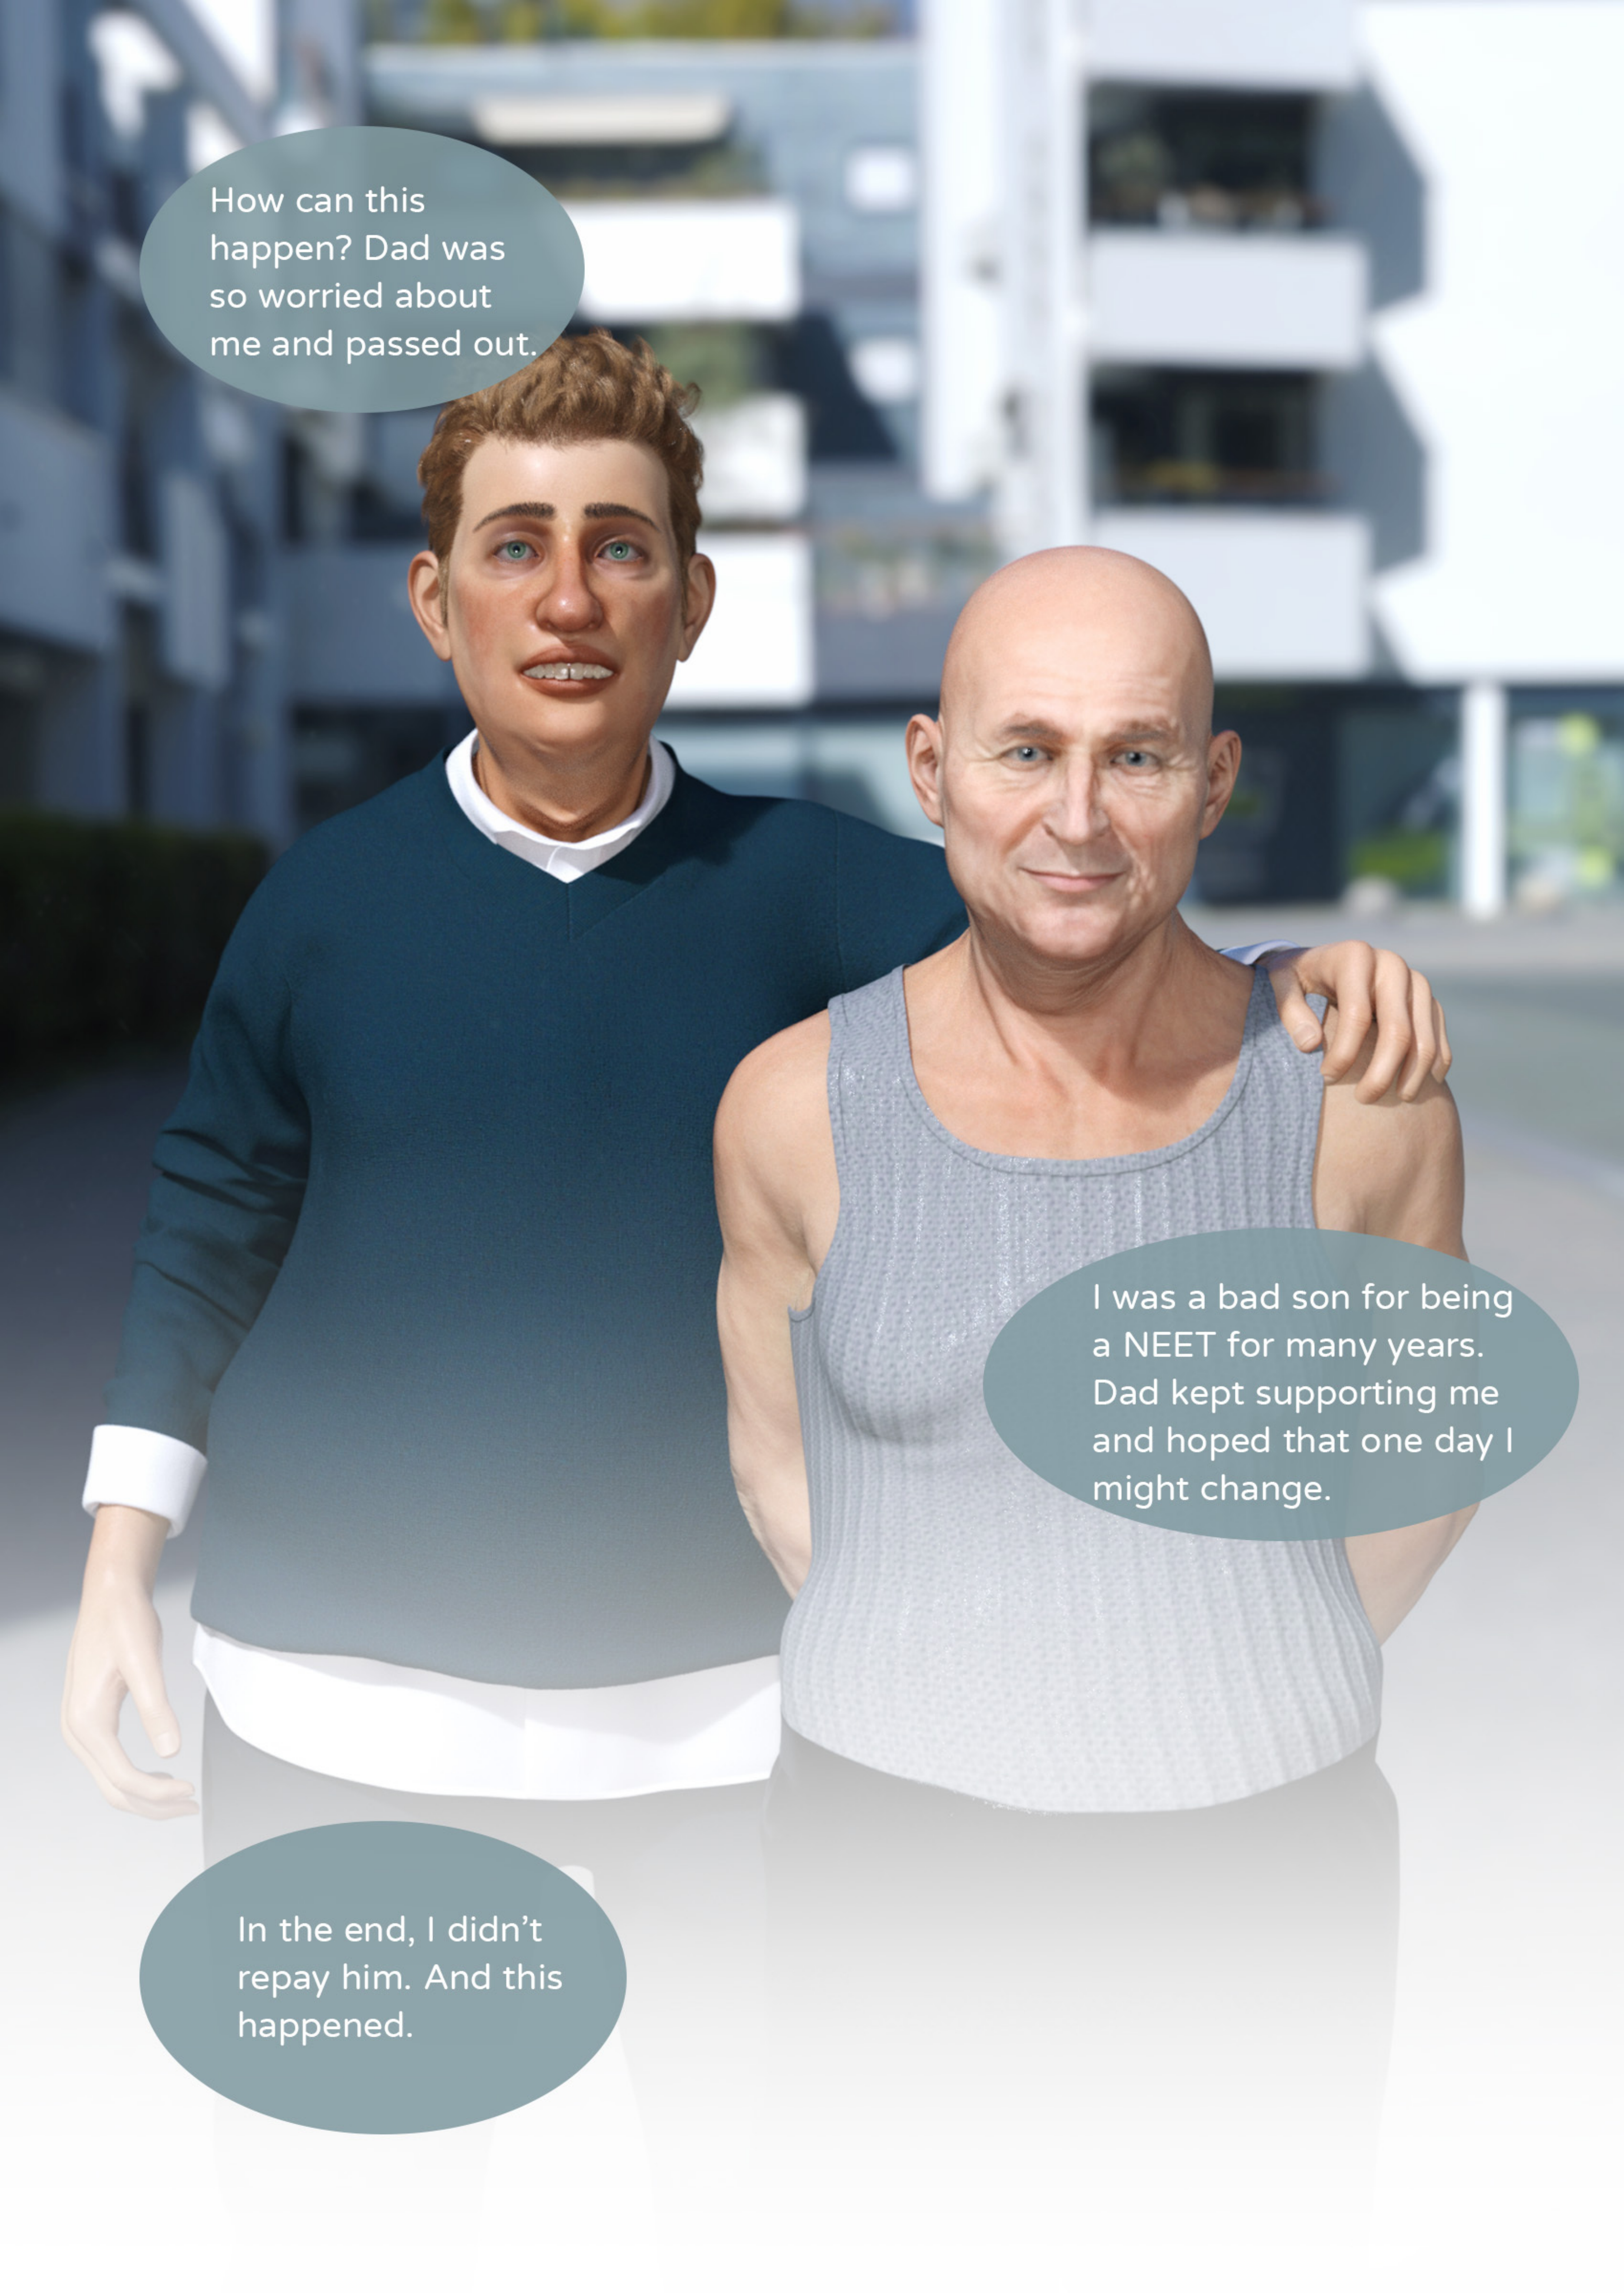

Did something happen to dad?

A woman with long, wavy black hair is sitting and looking down at a black smartphone in her hand. She is wearing a black top and black underwear. The background is dark and out of focus.

Dad suffered a stroke and was sent to the hospital?! What? It's so out of the blue.

It's because his son was arrested and caused a major shock to him.

It's very serious. Because of the stroke, he might be a vegetable.

How can this happen? Dad was so worried about me and passed out.

I was a bad son for being a NEET for many years. Dad kept supporting me and hoped that one day I might change.

In the end, I didn't repay him. And this happened.

A long, brightly lit hospital hallway with a tiled floor, white walls, and several blue chairs lined up on the right side. The hallway leads to a set of double doors at the far end.

Wait for me, dad.  
I'm coming to the  
hospital to see you.

A close-up shot of dark brown curtains tied back, with a window in the background showing a blurred cityscape.

You must hold on...

Dad...are you ok?  
I came to see you.

Although my  
look is different,  
I'm your son!

A photograph of a man lying in a hospital bed in a dimly lit room. The man is bald and appears to be resting or sleeping. He is wearing a white hospital gown. The room has dark wood paneling on the wall, a window with brown curtains, and a yellow cushioned chair. There are medical call buttons on the wall, one with a red cross. The lighting is soft and focused on the bed.

Dad, can you hear me? If you could hear me, respond to me.

Dad, you're not moving. Are you...

Dad, please respond to me!

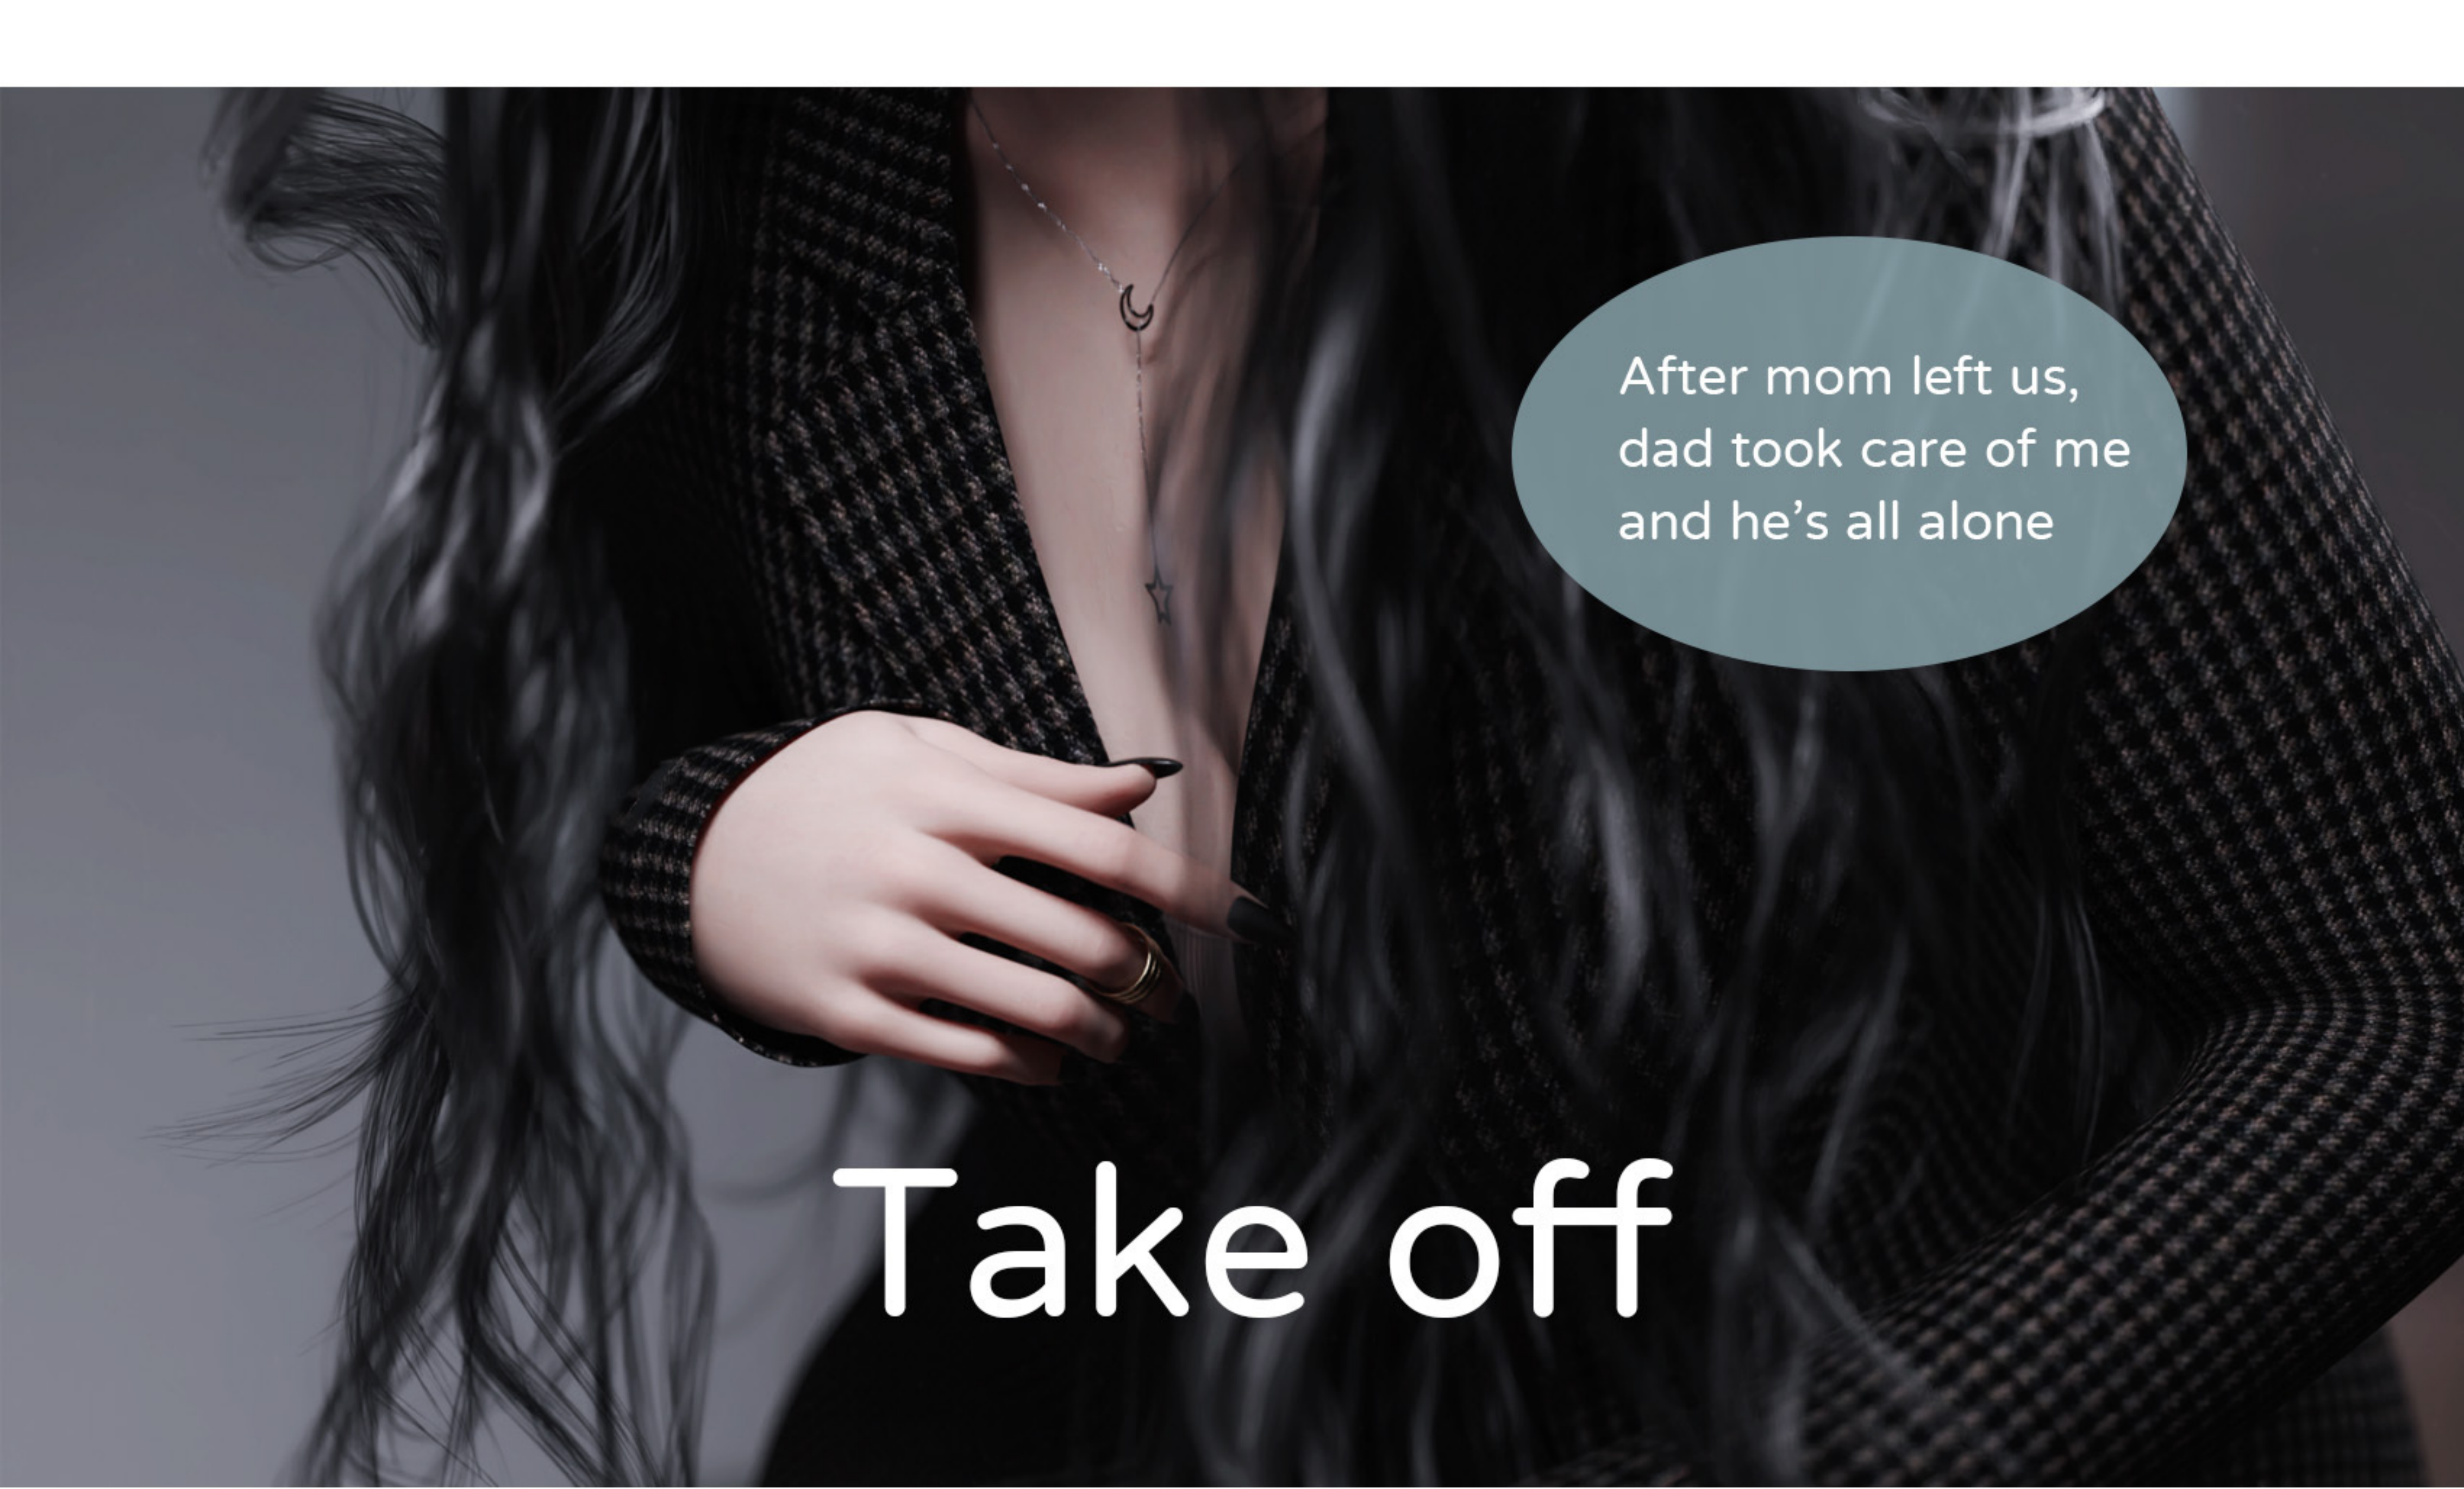

Dad, I'm so sorry.  
It's my fault that  
you're a vegetable  
now.

I'm such a bad  
son. Woo.....

A woman with long, wavy black hair is sitting at a table in a restaurant. She is wearing a black, textured, long-sleeved top. Her hand is resting on the table, and she has a thoughtful expression. The background shows a window with a view of a city skyline. The lighting is soft and natural, coming from the window.

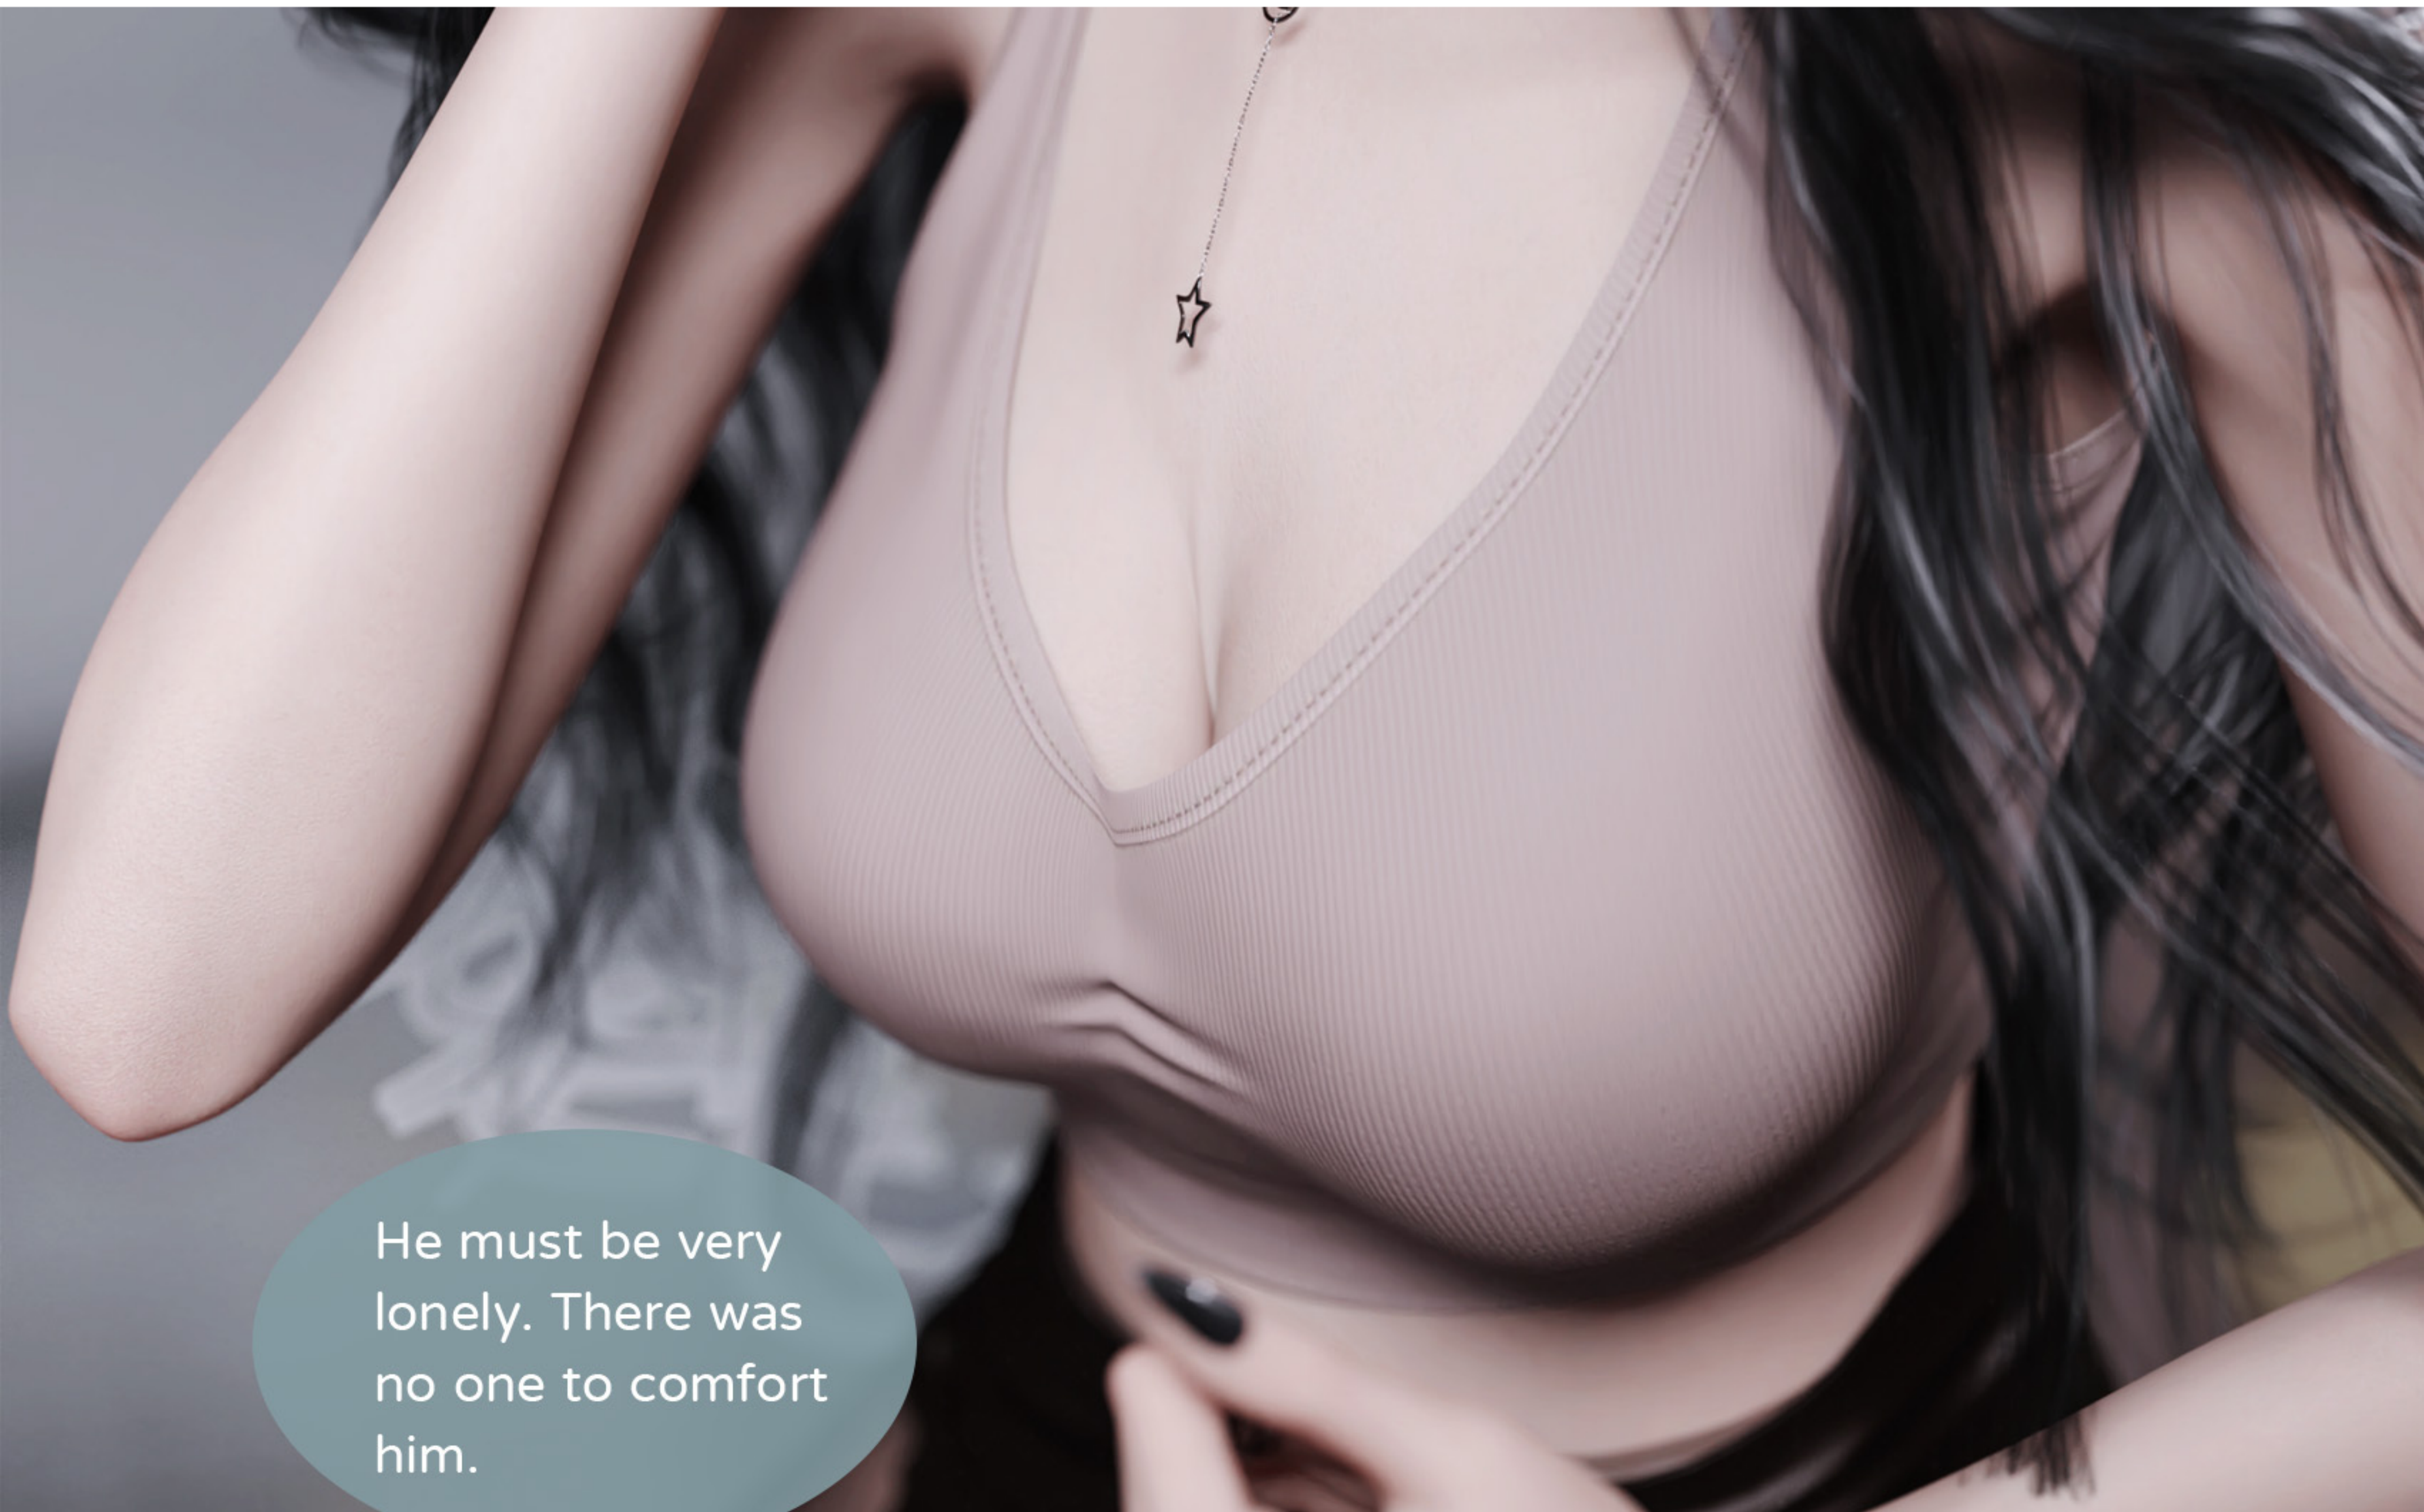

Only if my life  
could start over.  
I'm so regretful.

If I could, I would do  
something for dad.

After mom left us,  
dad took care of me  
and he's all alone

# Take off

He must be very  
lonely. There was  
no one to comfort  
him.

The new me should be able to do something for him.

Use my goddess body. I'm sure that dad would like it.

Dad's body is reacting. It is caused by my woman's voice and scent.

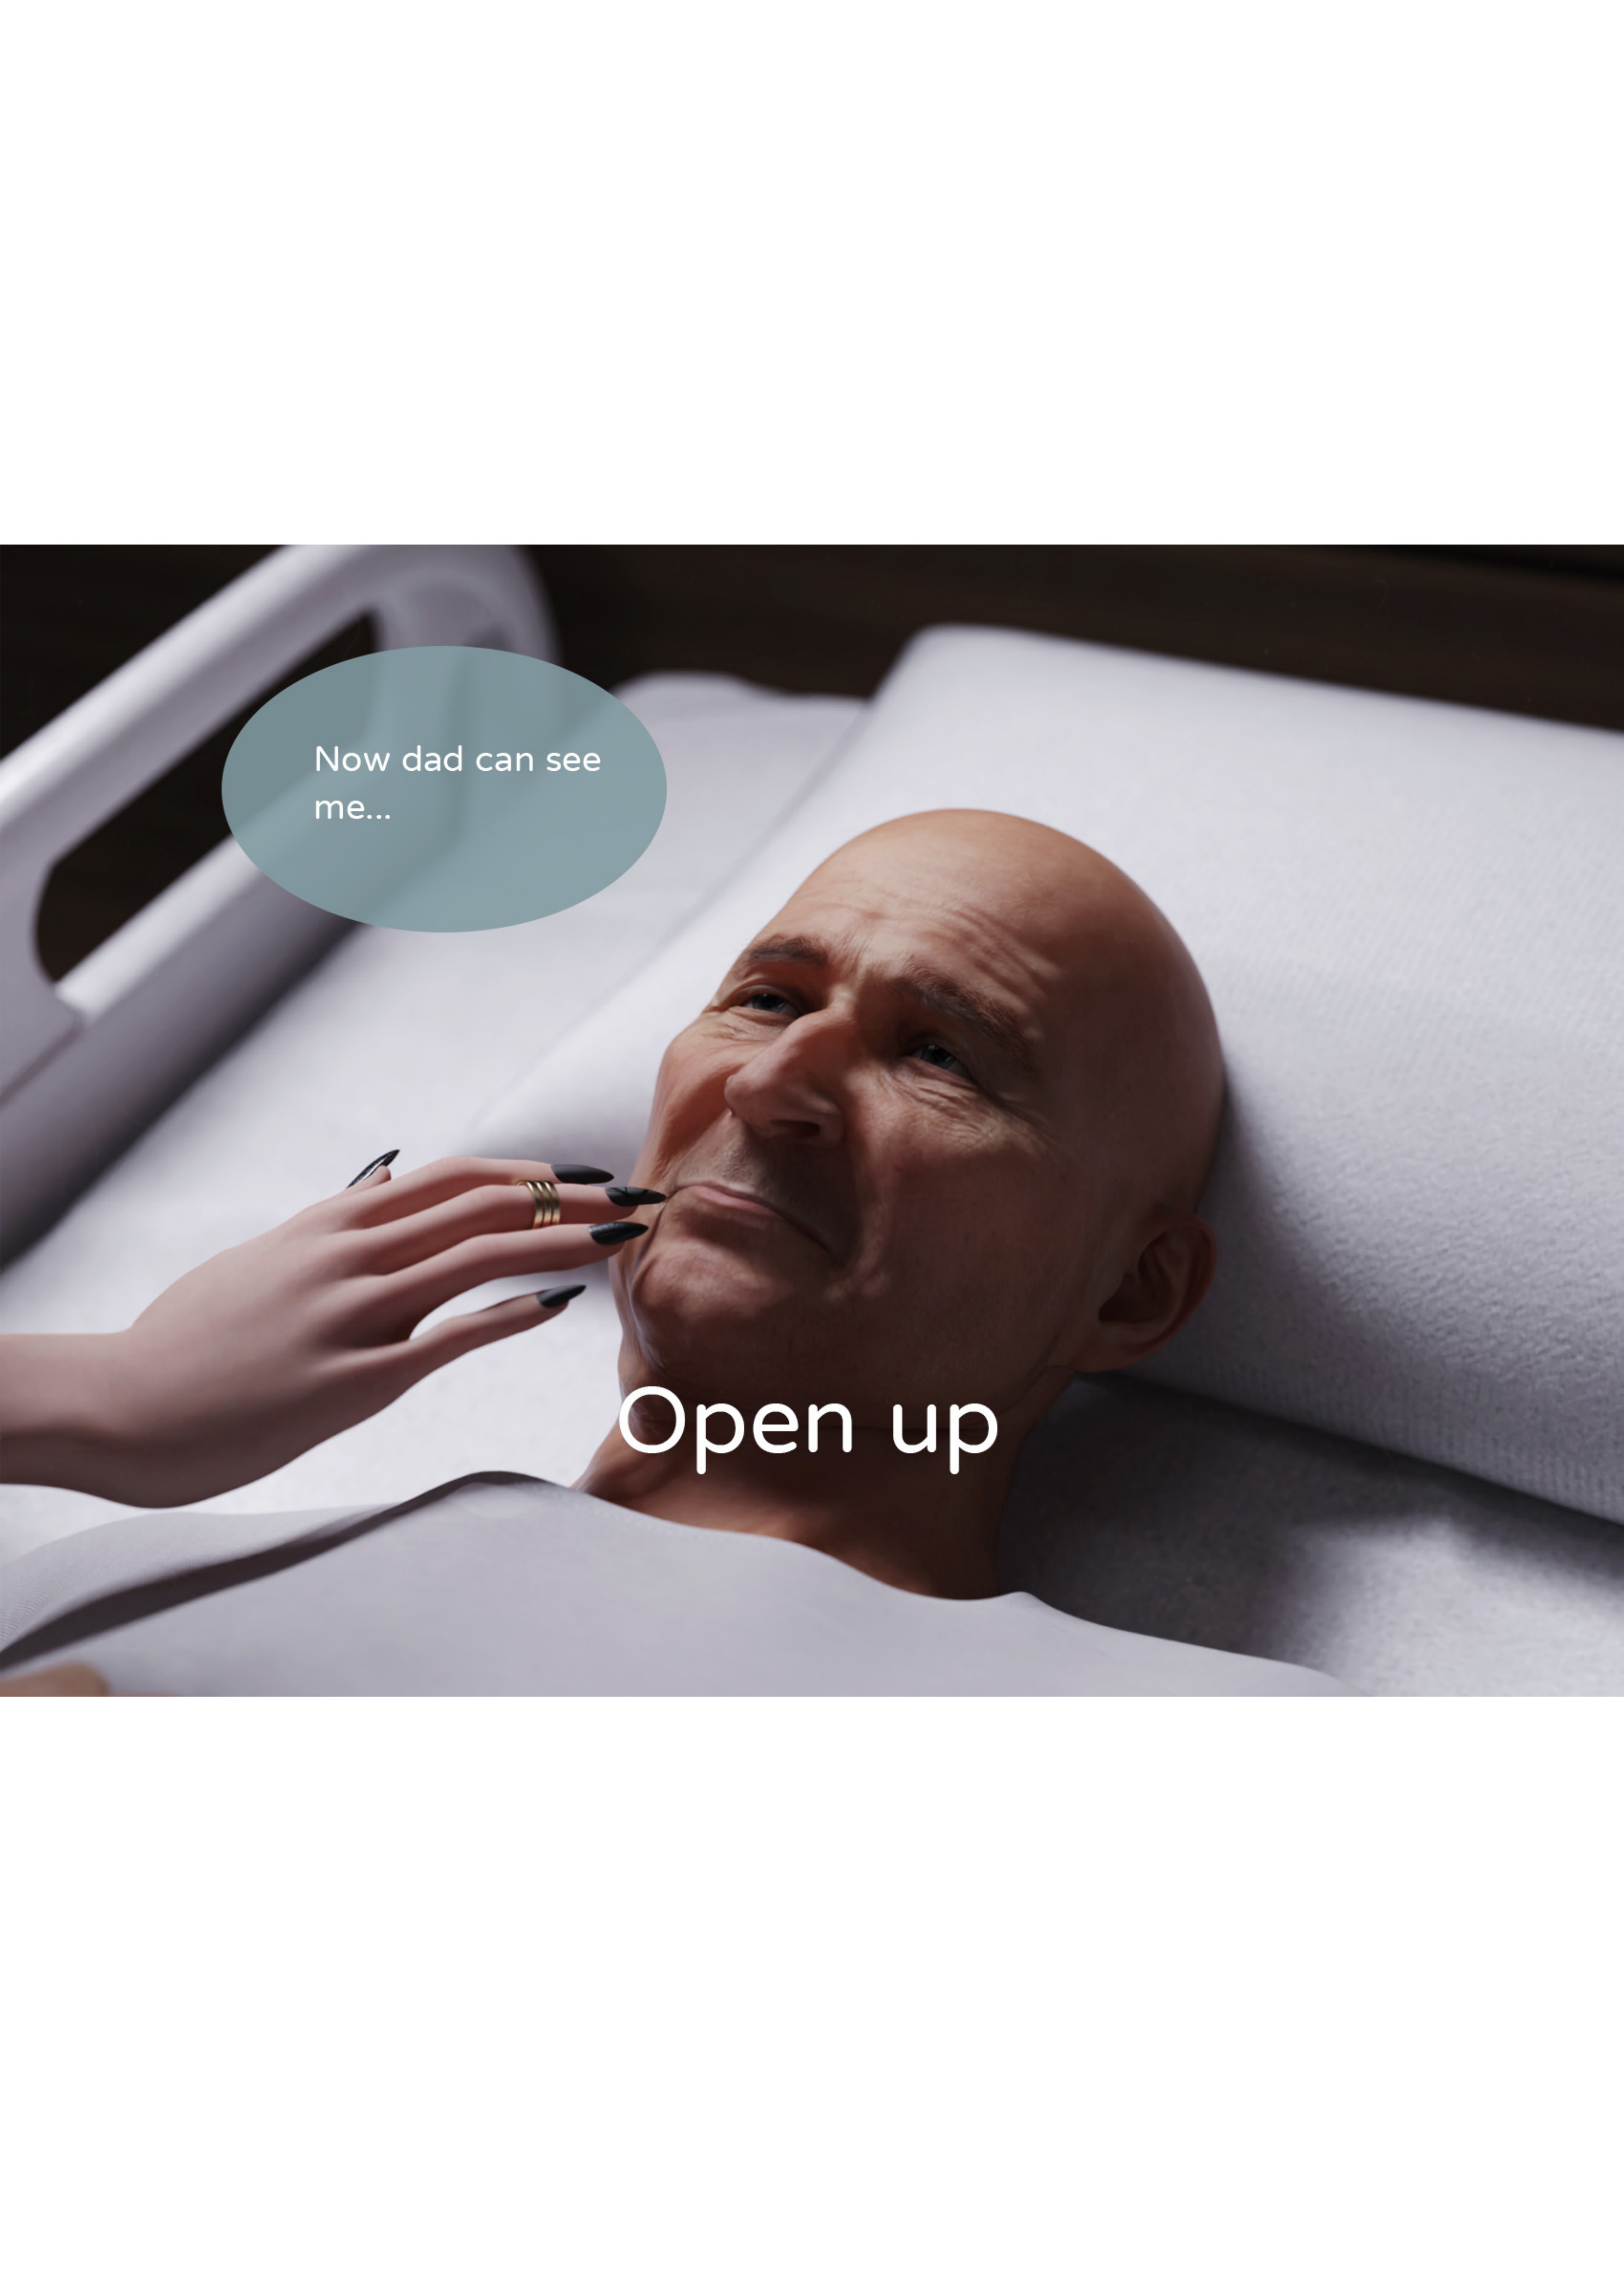

It means that dad can't move his body but he's still conscious.

A woman with long, flowing black hair and a goddess-like appearance is shown from the chest up, leaning over a bald man who is lying down. She is wearing a light-colored, low-cut top and has her hands near the man's face, with one hand touching his forehead. The man is wearing a white t-shirt and has a serene expression. The background is dark and out of focus.

If I open dad's eyes and make him see me, it would be more effective.

After men are visual animals. Now I have a goddess appearance, it should be very easy.

A close-up photograph of an elderly man lying in a hospital bed. He is looking upwards with a contemplative expression. A woman's hand, adorned with black nail polish and a gold ring, rests gently on his cheek. The scene is lit with soft, natural light, creating a poignant atmosphere. A teal speech bubble is overlaid on the left side of the image, and the text 'Open up' is centered at the bottom.

Now dad can see  
me...

Open up

Dad's penis is getting harder.

It shows that he's still conscious.

A woman with long, wavy grey hair is riding a man on a hospital bed. She is wearing a black, shiny, form-fitting skirt with a high slit on the left side and a light-colored crop top. Her hands are resting on the man's body. The man is lying on the bed, covered with a white sheet. The background is a blurred hospital room. A teal speech bubble is overlaid on the left side of the image.

A gorgeous goddess riding him must make dad pretty happy.

I feel his cock is getting harder. No man can resist this attractive body.

And I wear a short skirt and stockings.

Don't be nervous, dad.

Although you probably don't recognize me, you can trust me.

From now on, all you have to do is to be laid-back and enjoy the ride.

You never touch a hot chick like me in your life, dad.

You are alone for too long. I'm deeply sorry about that.

A woman with long, flowing black hair is shown from the chest up, leaning over a man who is lying on his back. She is massaging his back with her hands. The scene is dimly lit, with a focus on the woman's hair and the man's skin. The woman has a soft expression and is looking down at the man. The man's face is not visible, only his back and shoulders are shown. The background is dark and out of focus.

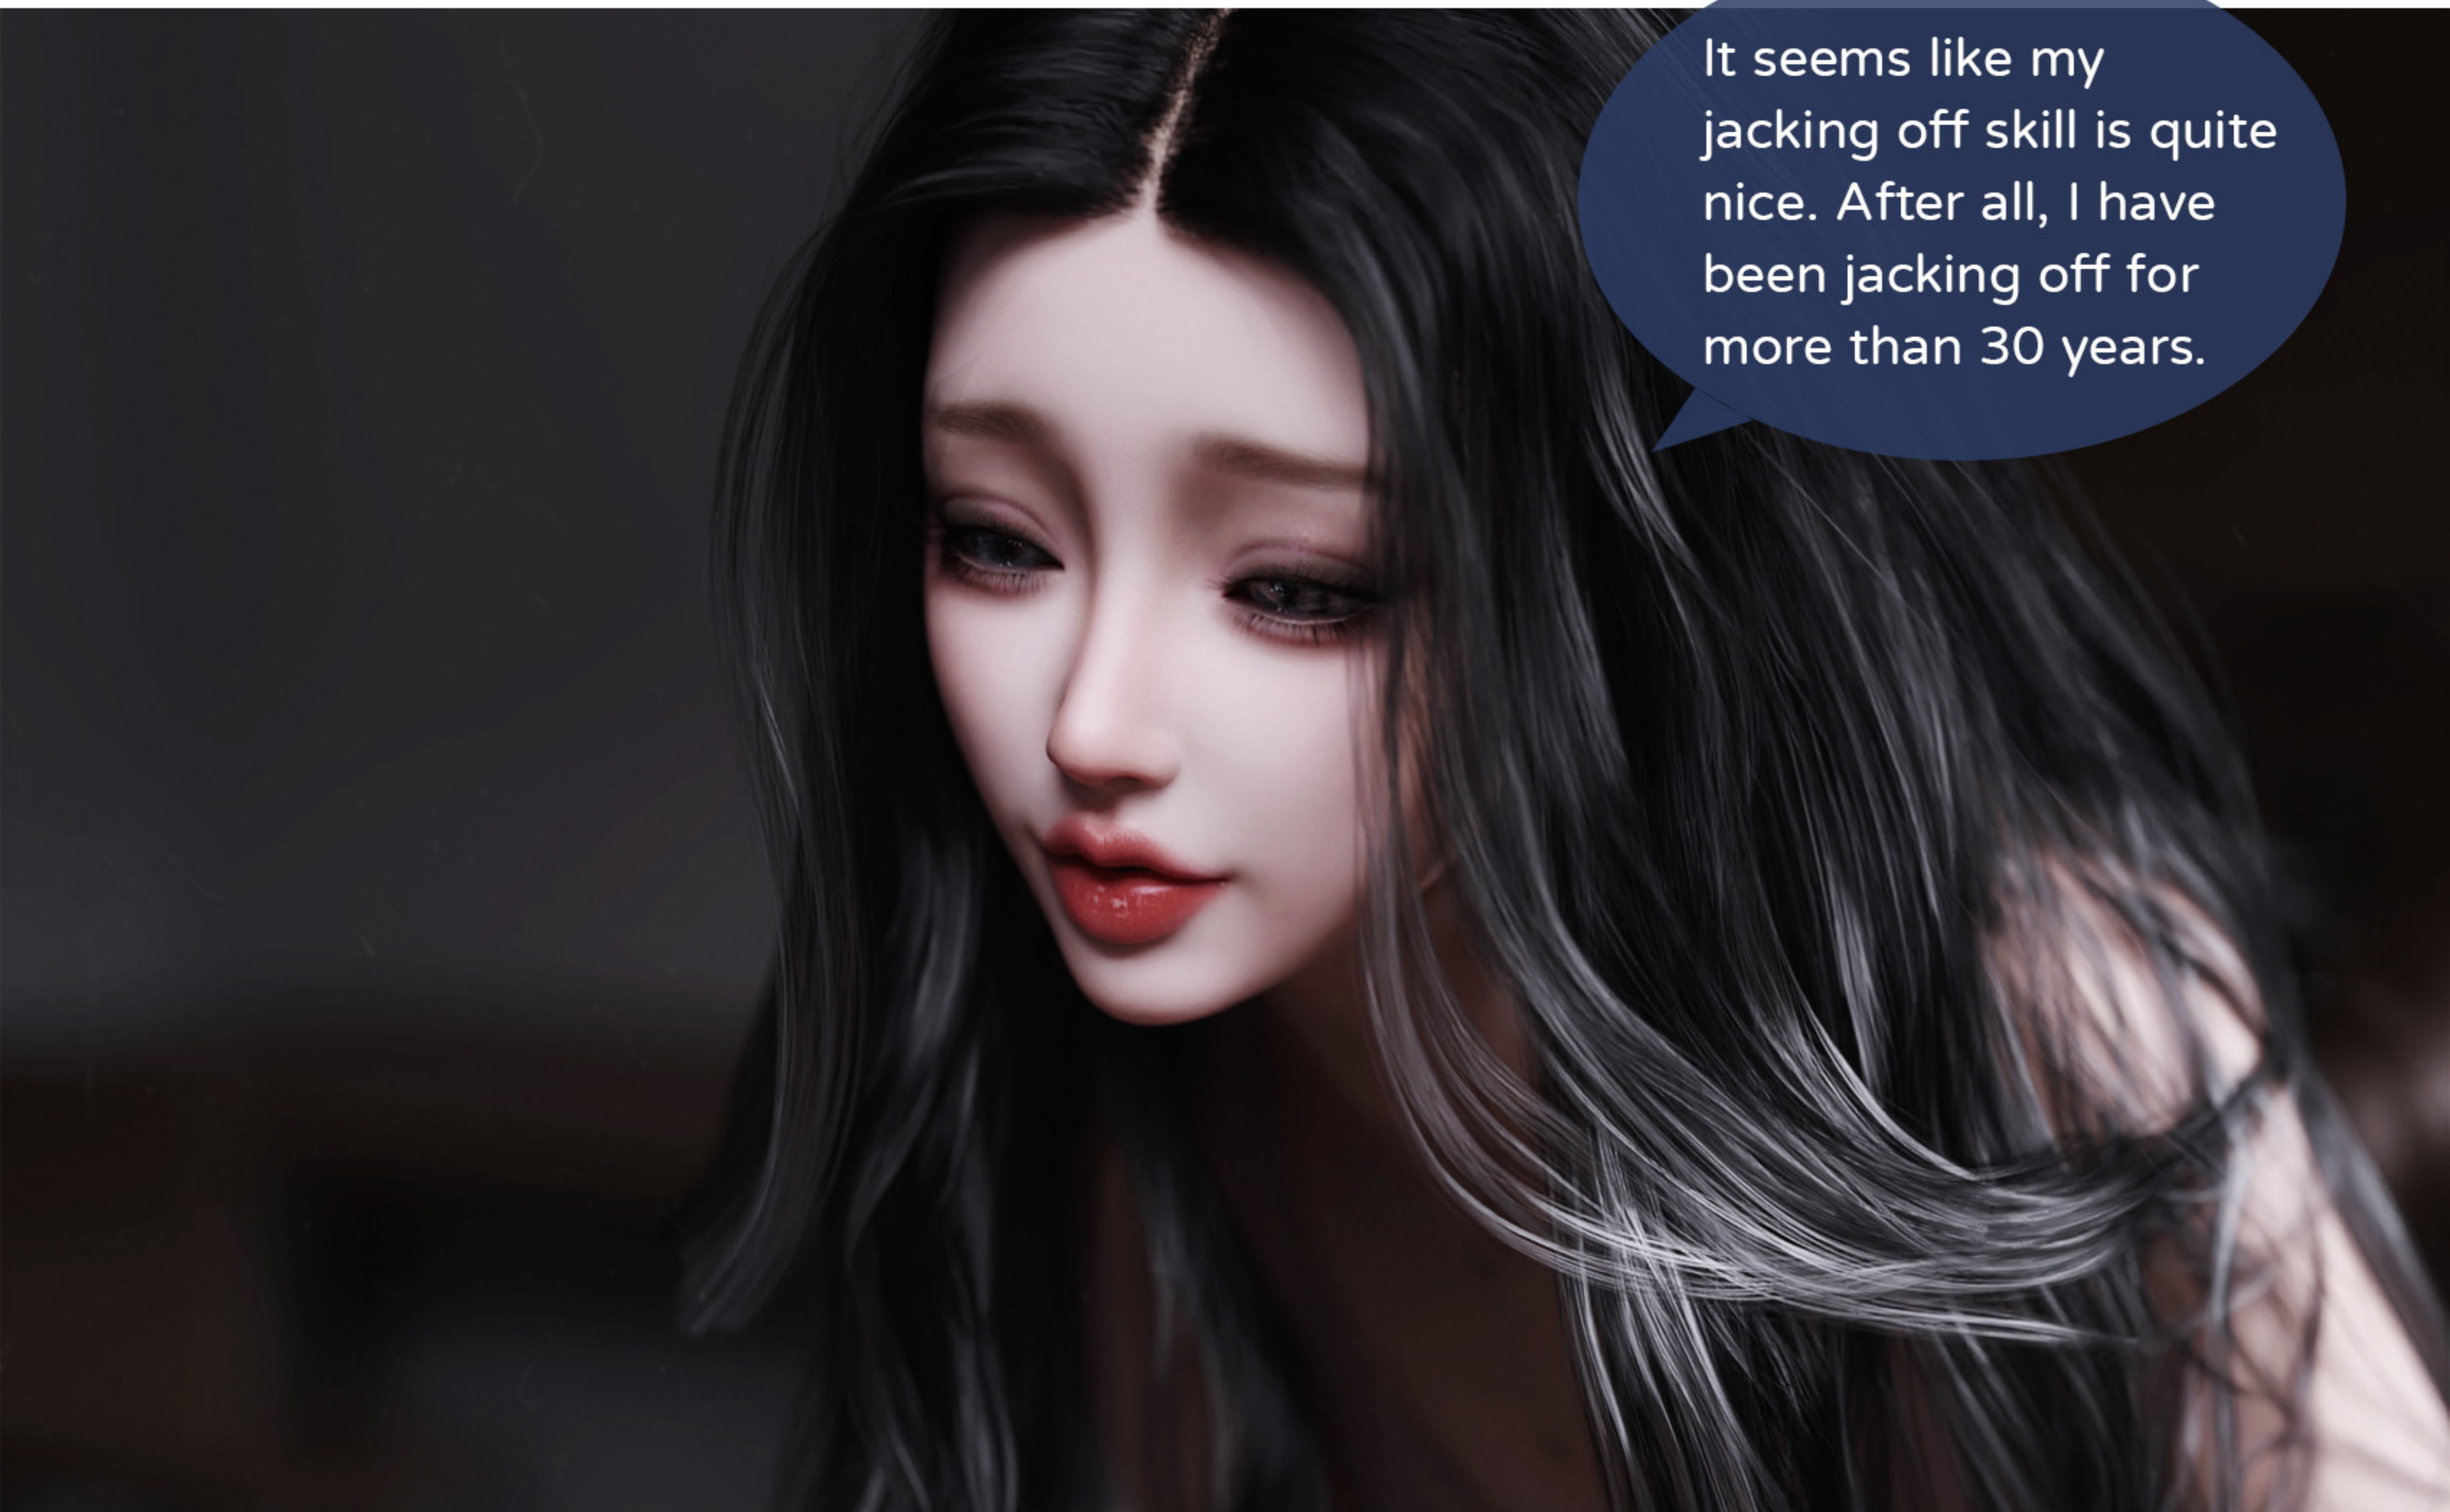

After some  
caress, your dick  
is even harder.

Rub

Do you want to  
fuck me, dad?

Erecting

It seems like my jacking off skill is quite nice. After all, I have been jacking off for more than 30 years.

A close-up photograph of a chocolate penis, which is a confectionery item shaped like a penis. It is placed on the back of a person, likely a child, who is lying down. The chocolate penis is dark brown and has a realistic appearance, including a head and a shaft. The background is dark and out of focus, showing the person's back and shoulders.

In dad's age, his  
penis is not bad.

It's such a pity  
that he didn't  
have a chance to  
use it.

I will try my  
pantyhose legs.  
Maybe dad is into  
pantyhose.

Rub

A woman with long, dark, wavy hair is sitting on a bed. She is wearing a light-colored, ribbed, V-neck top and dark shorts. She has a necklace with a star pendant. Her right hand is resting on her chin. In the foreground, a man's feet are visible, with one foot pointing towards the camera. The background is a dark, paneled wall.

Looks like dad's reaction to my pantyhose legs is very good.

I never thought dad have this kind of fetish,

You're a pervert too, dad. You're excited about your own son's legs.

Playing the dick that gave me life is so incredible.

Although you can't move, you must be very joyful, dad!

Next I will use my goddess's cunt to please dad.

Finally, I can repay  
what I own to dad.  
I'm so glad.

Ah. Daddy's cock  
is so large. It makes  
me want to moan.

Insert

Wooh... The penis  
gave life to me is  
now in my body.

The paradox feeling  
is so exciting!

A woman with long, wavy black hair is sitting on a hospital bed. She is looking down at a man lying on the bed, whose head she is holding. The scene is dimly lit, suggesting a hospital room at night. The woman has a somber expression.

Dad, can you hear me? Your son is not in jail.

Your son is right in front of you. He's alive and well. Don't worry about me.

You can just cum in  
your son's body, dad!

Don't worry about  
impregnating. It's  
fine.

A woman with long, wavy black hair and blue eyes is sitting on the back of a man lying on a hospital bed. She is wearing a light-colored, low-cut top and a black skirt. She has a surprised or excited expression on her face, with her mouth slightly open and her hands near her chest. The man is shirtless and has his eyes closed. The setting appears to be a hospital room with a white bed and a blurred background.

Ah. I will...climax  
again...

Dad, your son is  
going to climax  
on you.

Squirting!

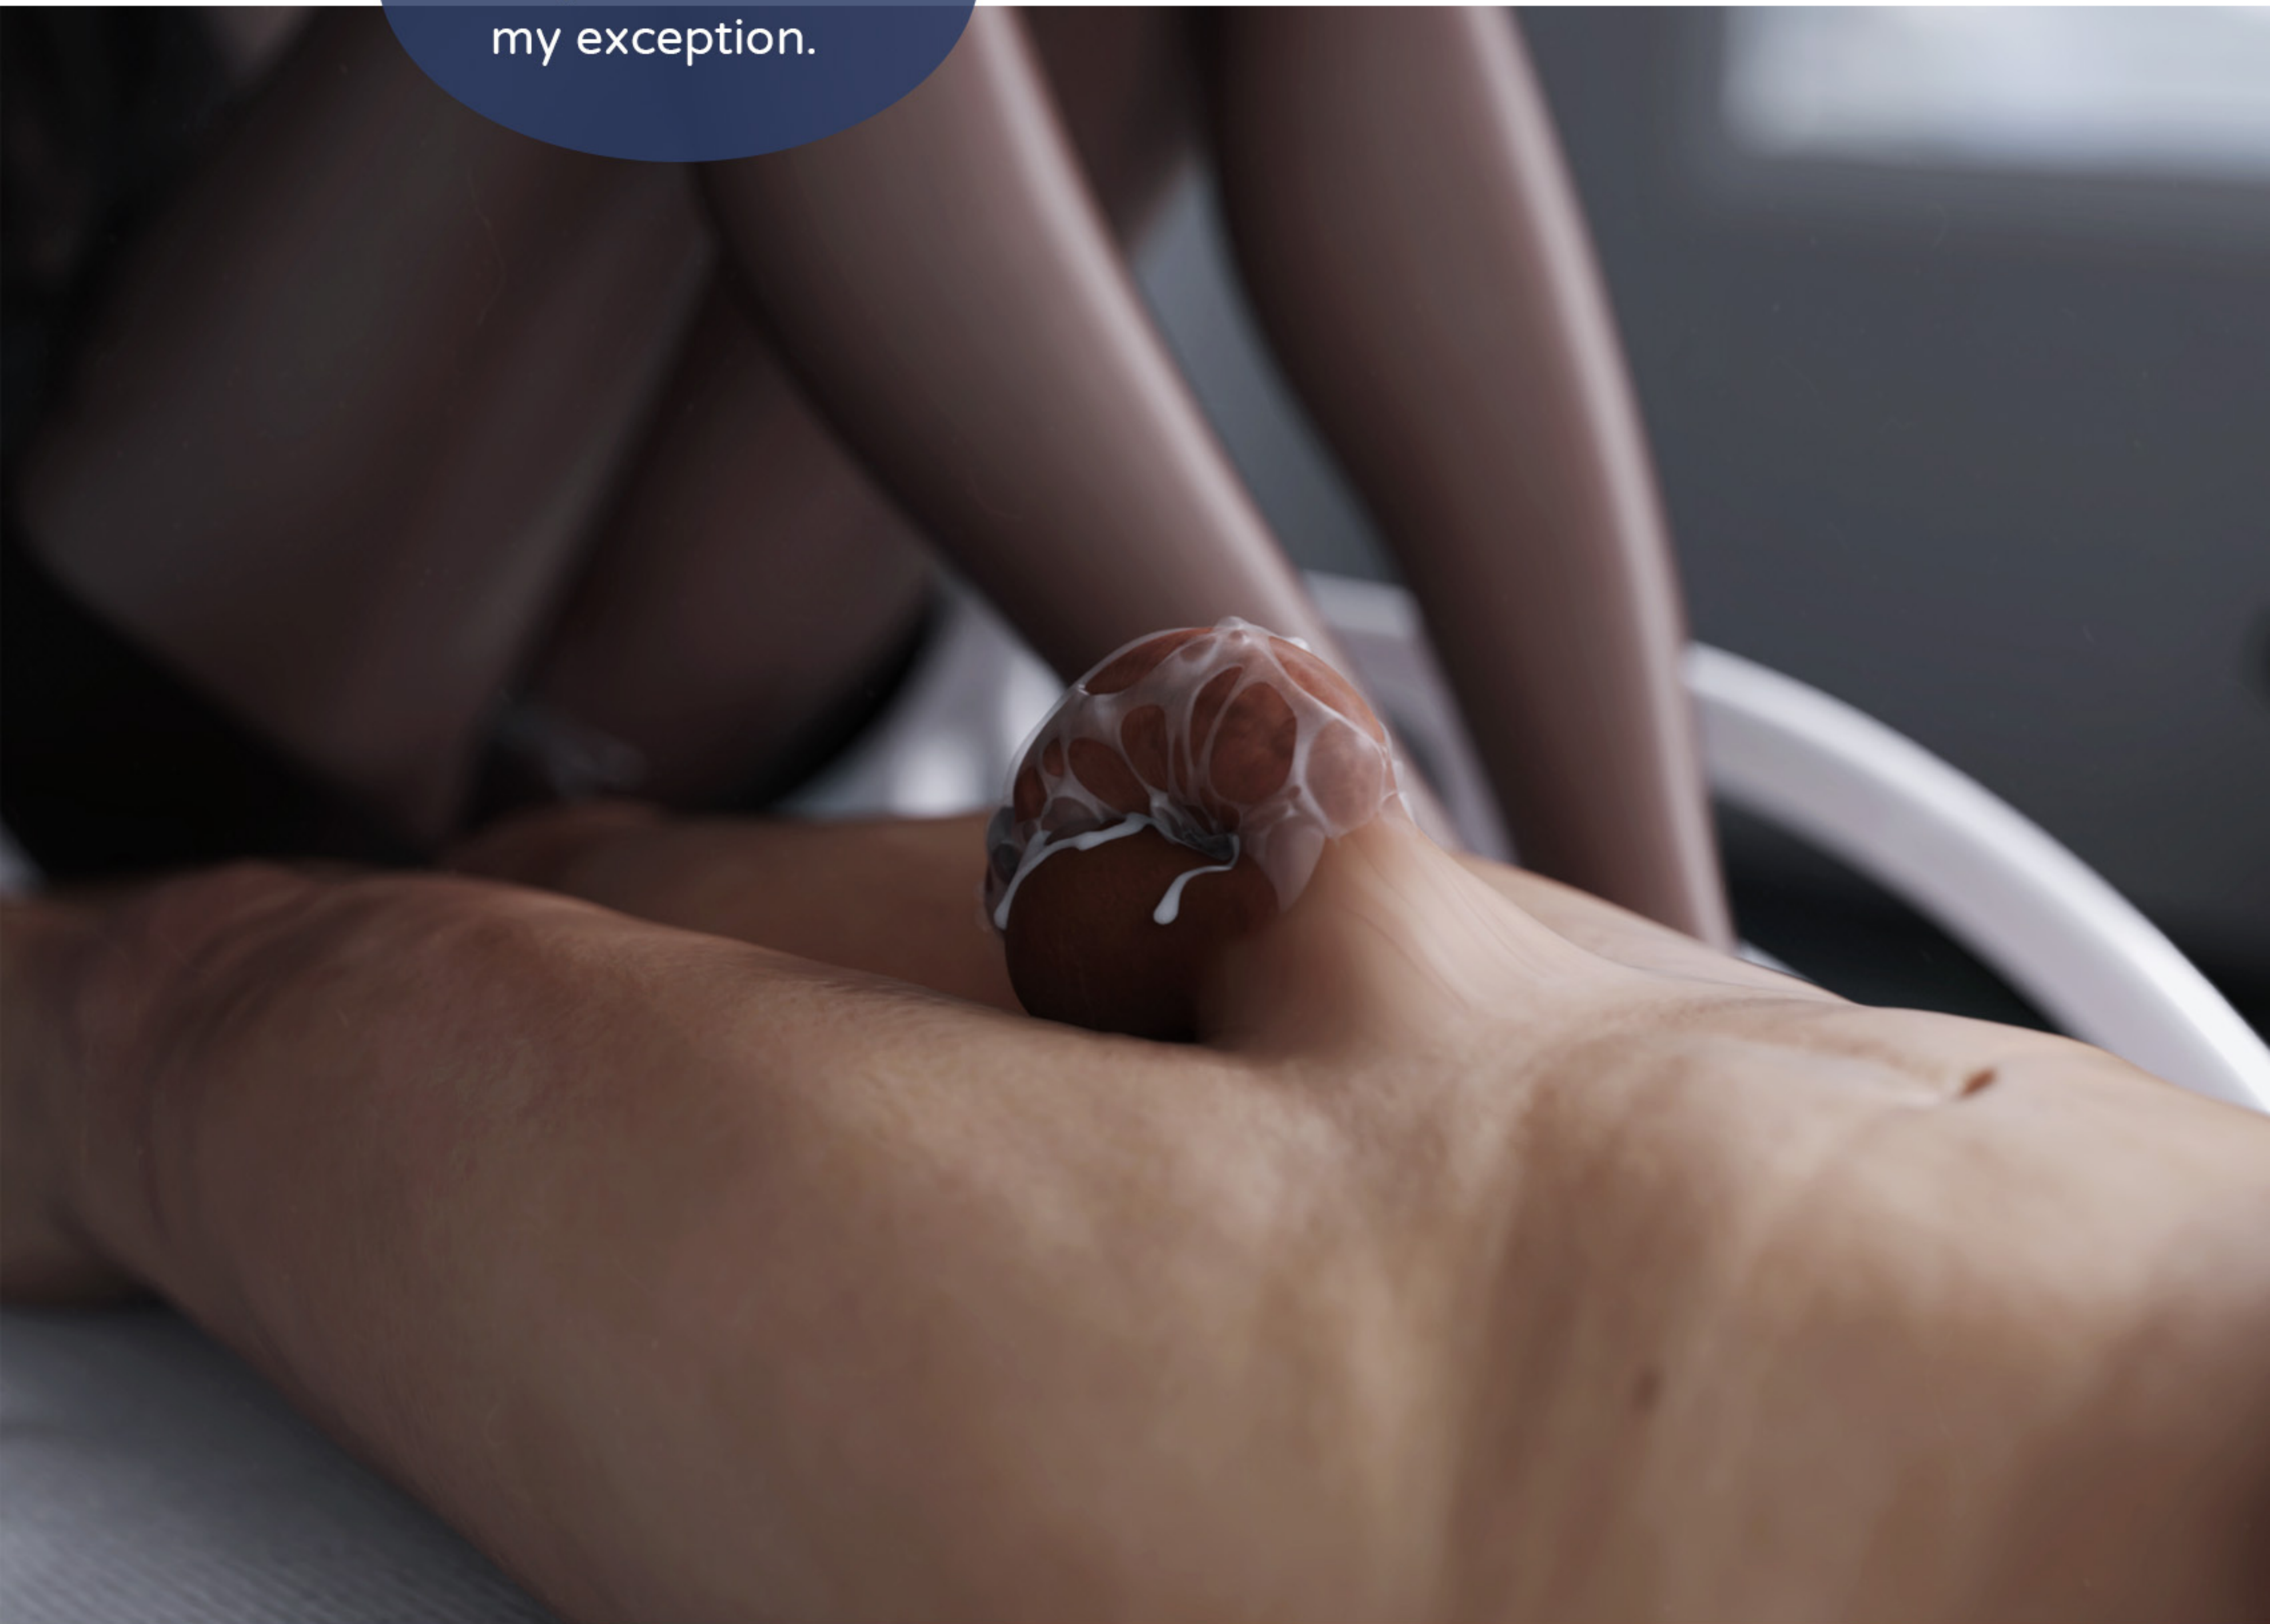

Ah ah. The father  
and son cum  
together!

A woman with long, straight black hair and red lips is looking upwards and to the left. Her right hand is raised to her chin, with her index finger pointing upwards. She has a thoughtful or perhaps slightly shocked expression. The background is a soft, out-of-focus grey.

I made dad cum. I finally did something for him.

As long as dad's happy, I will do anything.

Dad's cumload is way more than my exception.

He must be abstemious for a very long time.

A woman with long, wavy black hair is sitting on a hospital bed. She is wearing a light-colored, possibly white, spaghetti-strap top and dark, possibly black, shorts. Her hair is spread out on the bed around her. She has a sad and thoughtful expression, looking down and to the right. Her hands are raised to her hair. The background is a plain, light-colored wall. There are two speech bubbles overlaid on the image.

Although I allowed  
dad to blow off some  
steam, the happiness  
is short lived to him.

Does dad have to be  
in a hospital bed for  
the rest of his life?

No. That's too cruel for him. I must figure a way out.

Can the APP fix this kind of brain damage?

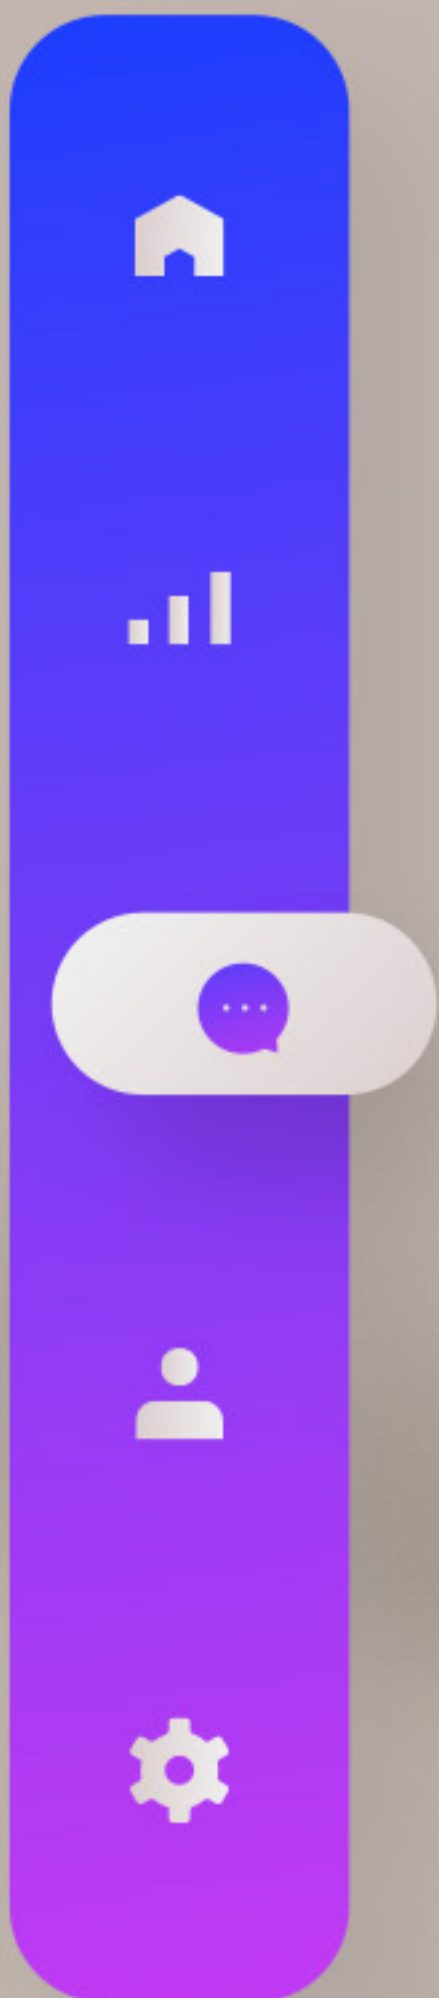

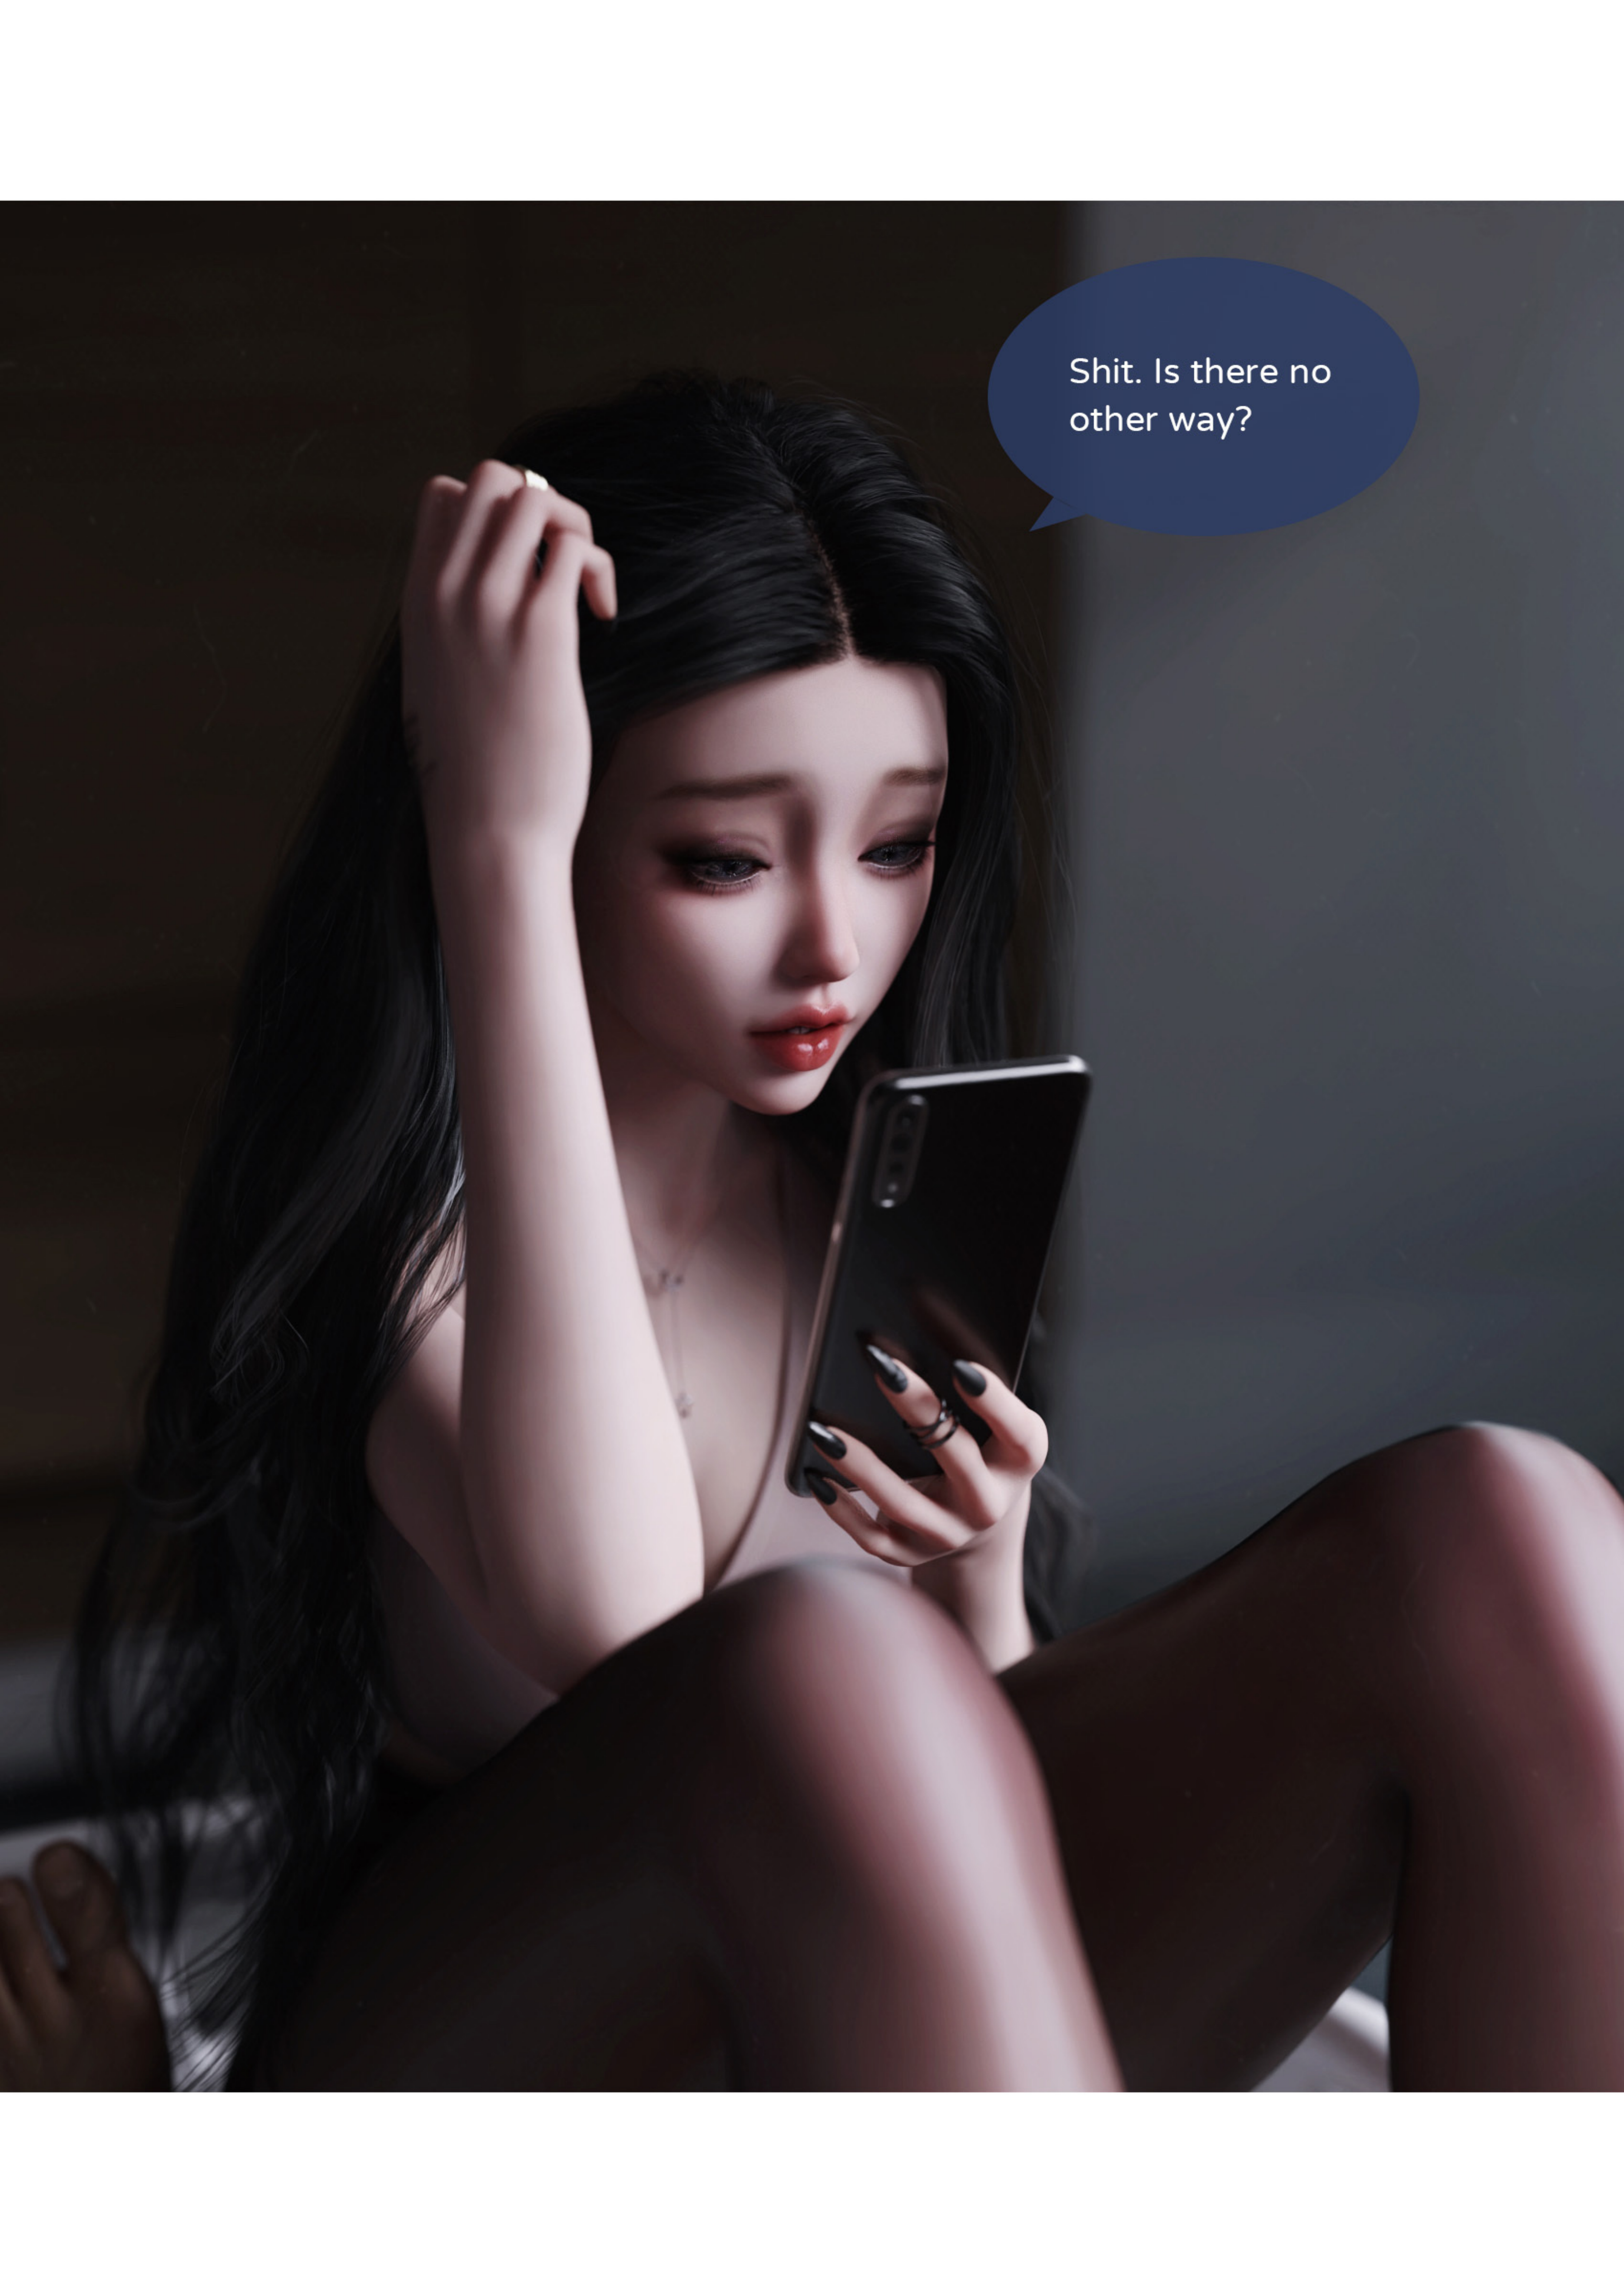

ID : Dad8645

Damn it! The APP doesn't have the option of fixing brain damage.

After all, it is just a facing swapping APP.

A woman with long, dark, wavy hair is sitting and looking down at a smartphone. She has a concerned expression. Her right hand is raised to her hair, and her left hand is holding the phone. She is wearing a dark top and has dark nail polish and a ring. A speech bubble is positioned above her head.

Shit. Is there no other way?

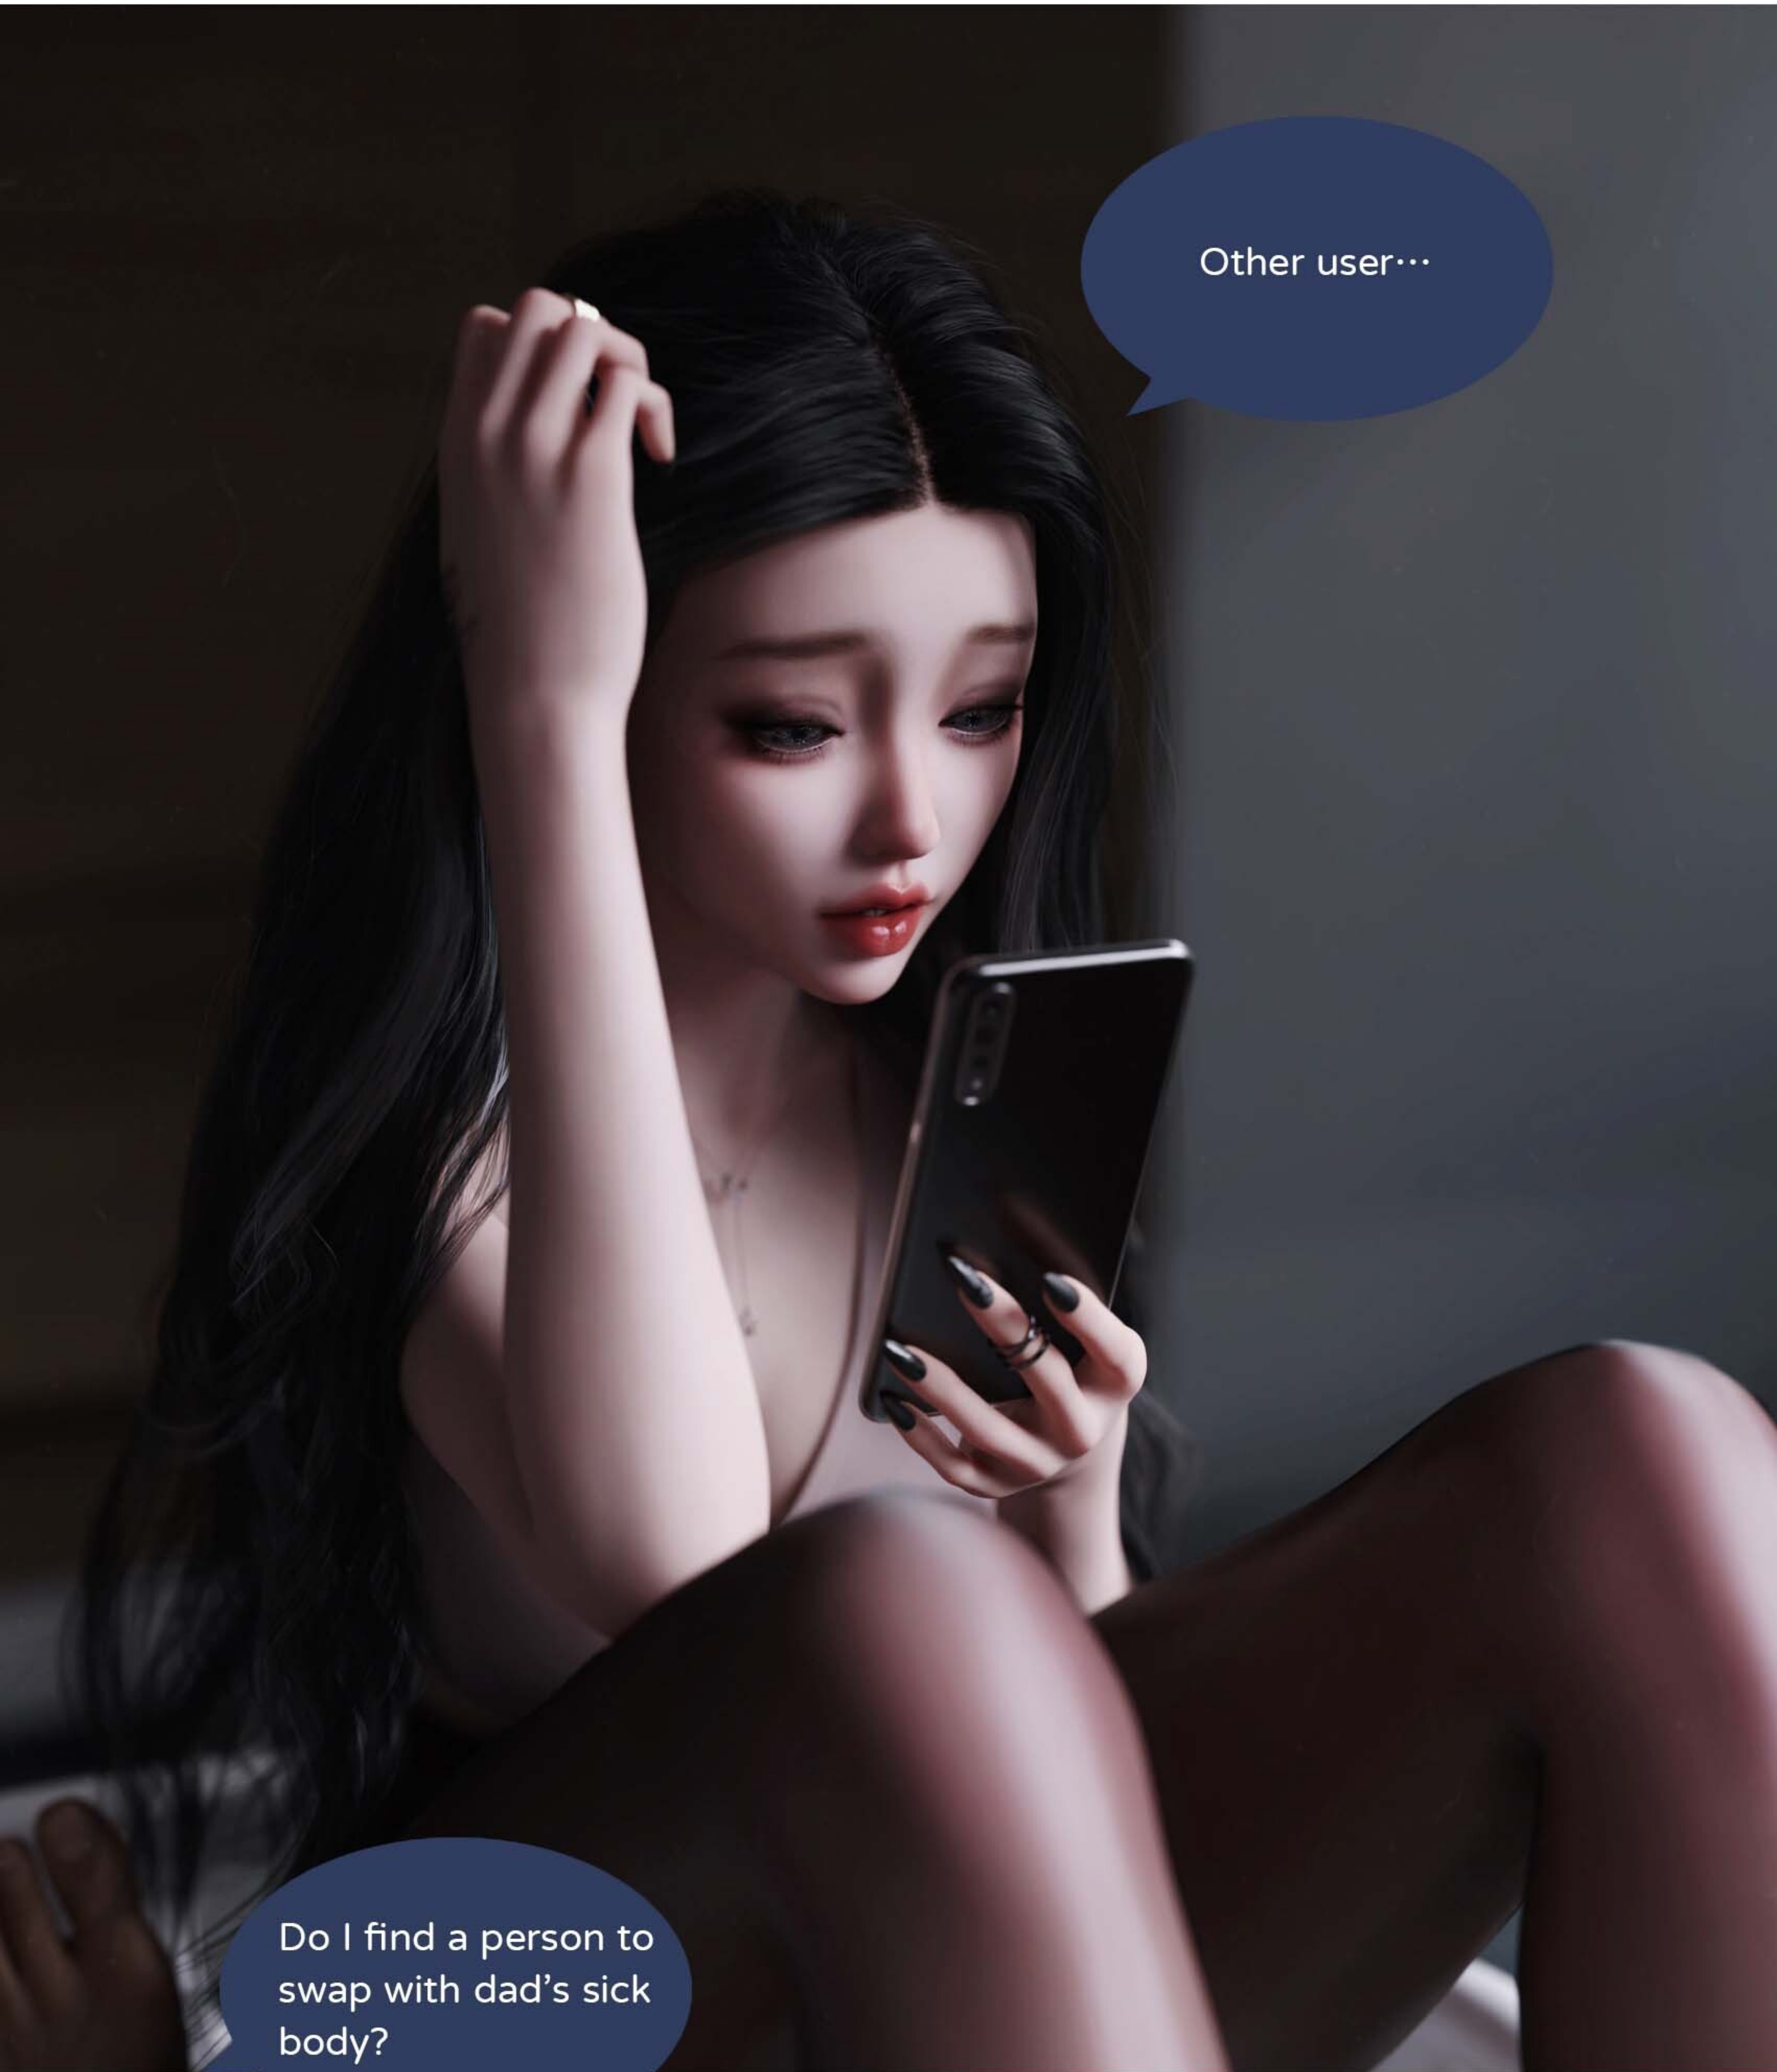

ID : Dad8645

Huh? The function is... Is there a swapping function?

Can this function exchange body part with other users?
