Thank you very much for your support!

Alright, everyone!!!

A pink-haired anime girl with glasses is shown from the chest up, bowing her head. She is wearing a light pink long-sleeved shirt. The background is a room with dark wood paneling and several arched windows with black frames. The lighting is warm and indoor.

First of all, I want to thank you for your devotion into our band.

A close-up illustration of a young woman with long, straight, light pink hair and bangs. She is wearing round, reddish-brown glasses and a light pink, long-sleeved, high-collared dress. A gold chain necklace with a circular pendant is visible around her neck. She has a soft, slightly open-mouthed expression. The background is a dimly lit room with dark wood paneling and a window with a cross-shaped frame. A speech bubble is positioned to her left.

It was my pleasure
to be with you ever
since the beginning!

M-Me... too! I had
a great time with
everyone!

M-Maybe after this party... *Sob* I will open a music shop for a living...

But I hope... we can see each other like this... sometimes.

It's okay, Rin. I
will be sure to keep
in touch with you.

What about you, Miku?
Do you have any plan
for future?

Oh? I will try to
form a new band.

I can debut solo, or
form with another
group... but...

...It would be better if I have you two. What do you say in making a new Vocaloid, Rin, Luka?

Miku...

Because... I heard
that Kaito and Rin
left us to debut alone.

Of course I won't force you to join. There's still time to...

"Miku... sound pretty
dssparated... Is she
going to be alright?"

Miku... There's something that I have to...

Forming a new Vocaloid!?

Heh? Are you trying to make me laugh!?

Just after your
last performance!
Isn't it too ridiculous!?

Kaito... What
are you doing here?

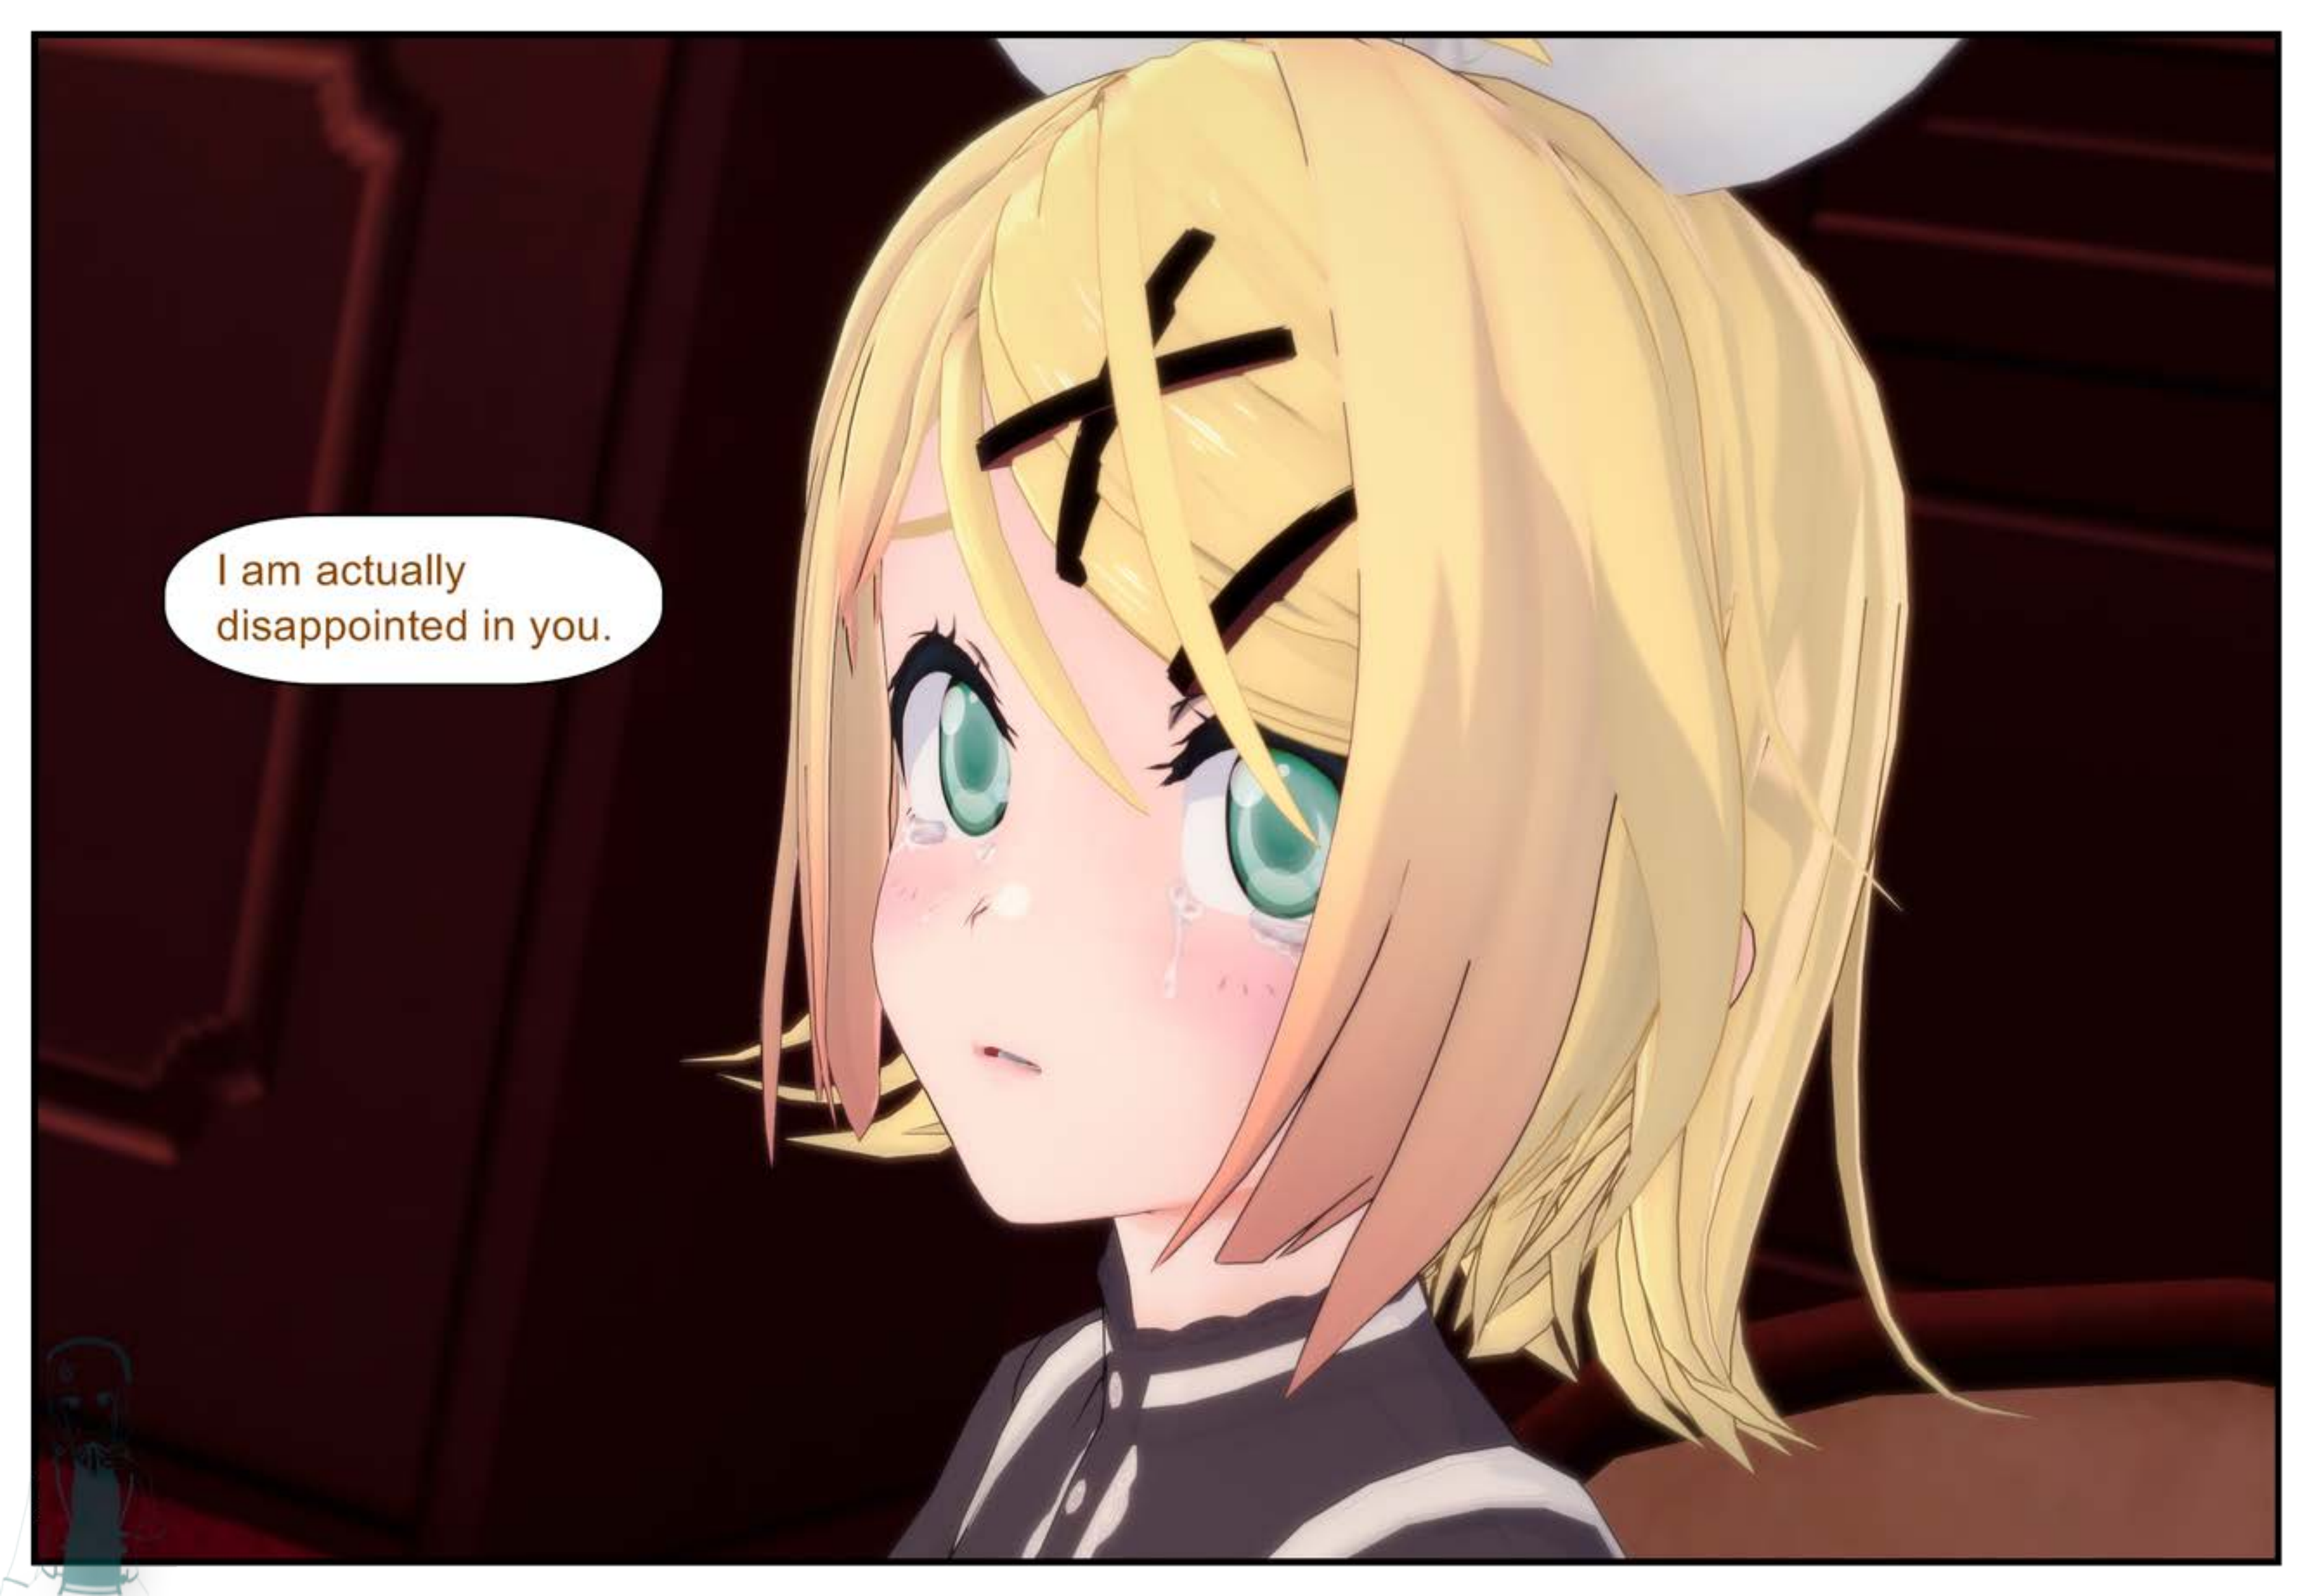

I'm getting sick
of this band already!

A music shop?
Really, Rin?

I am actually
disappointed in you.

Think, Luka. A loser like you can make any difference for them?

Haha... I guess you are better off on the stre---

Slap!!!!

Your dirty words...
then, why not?

You dare to
slap me, Luka!?

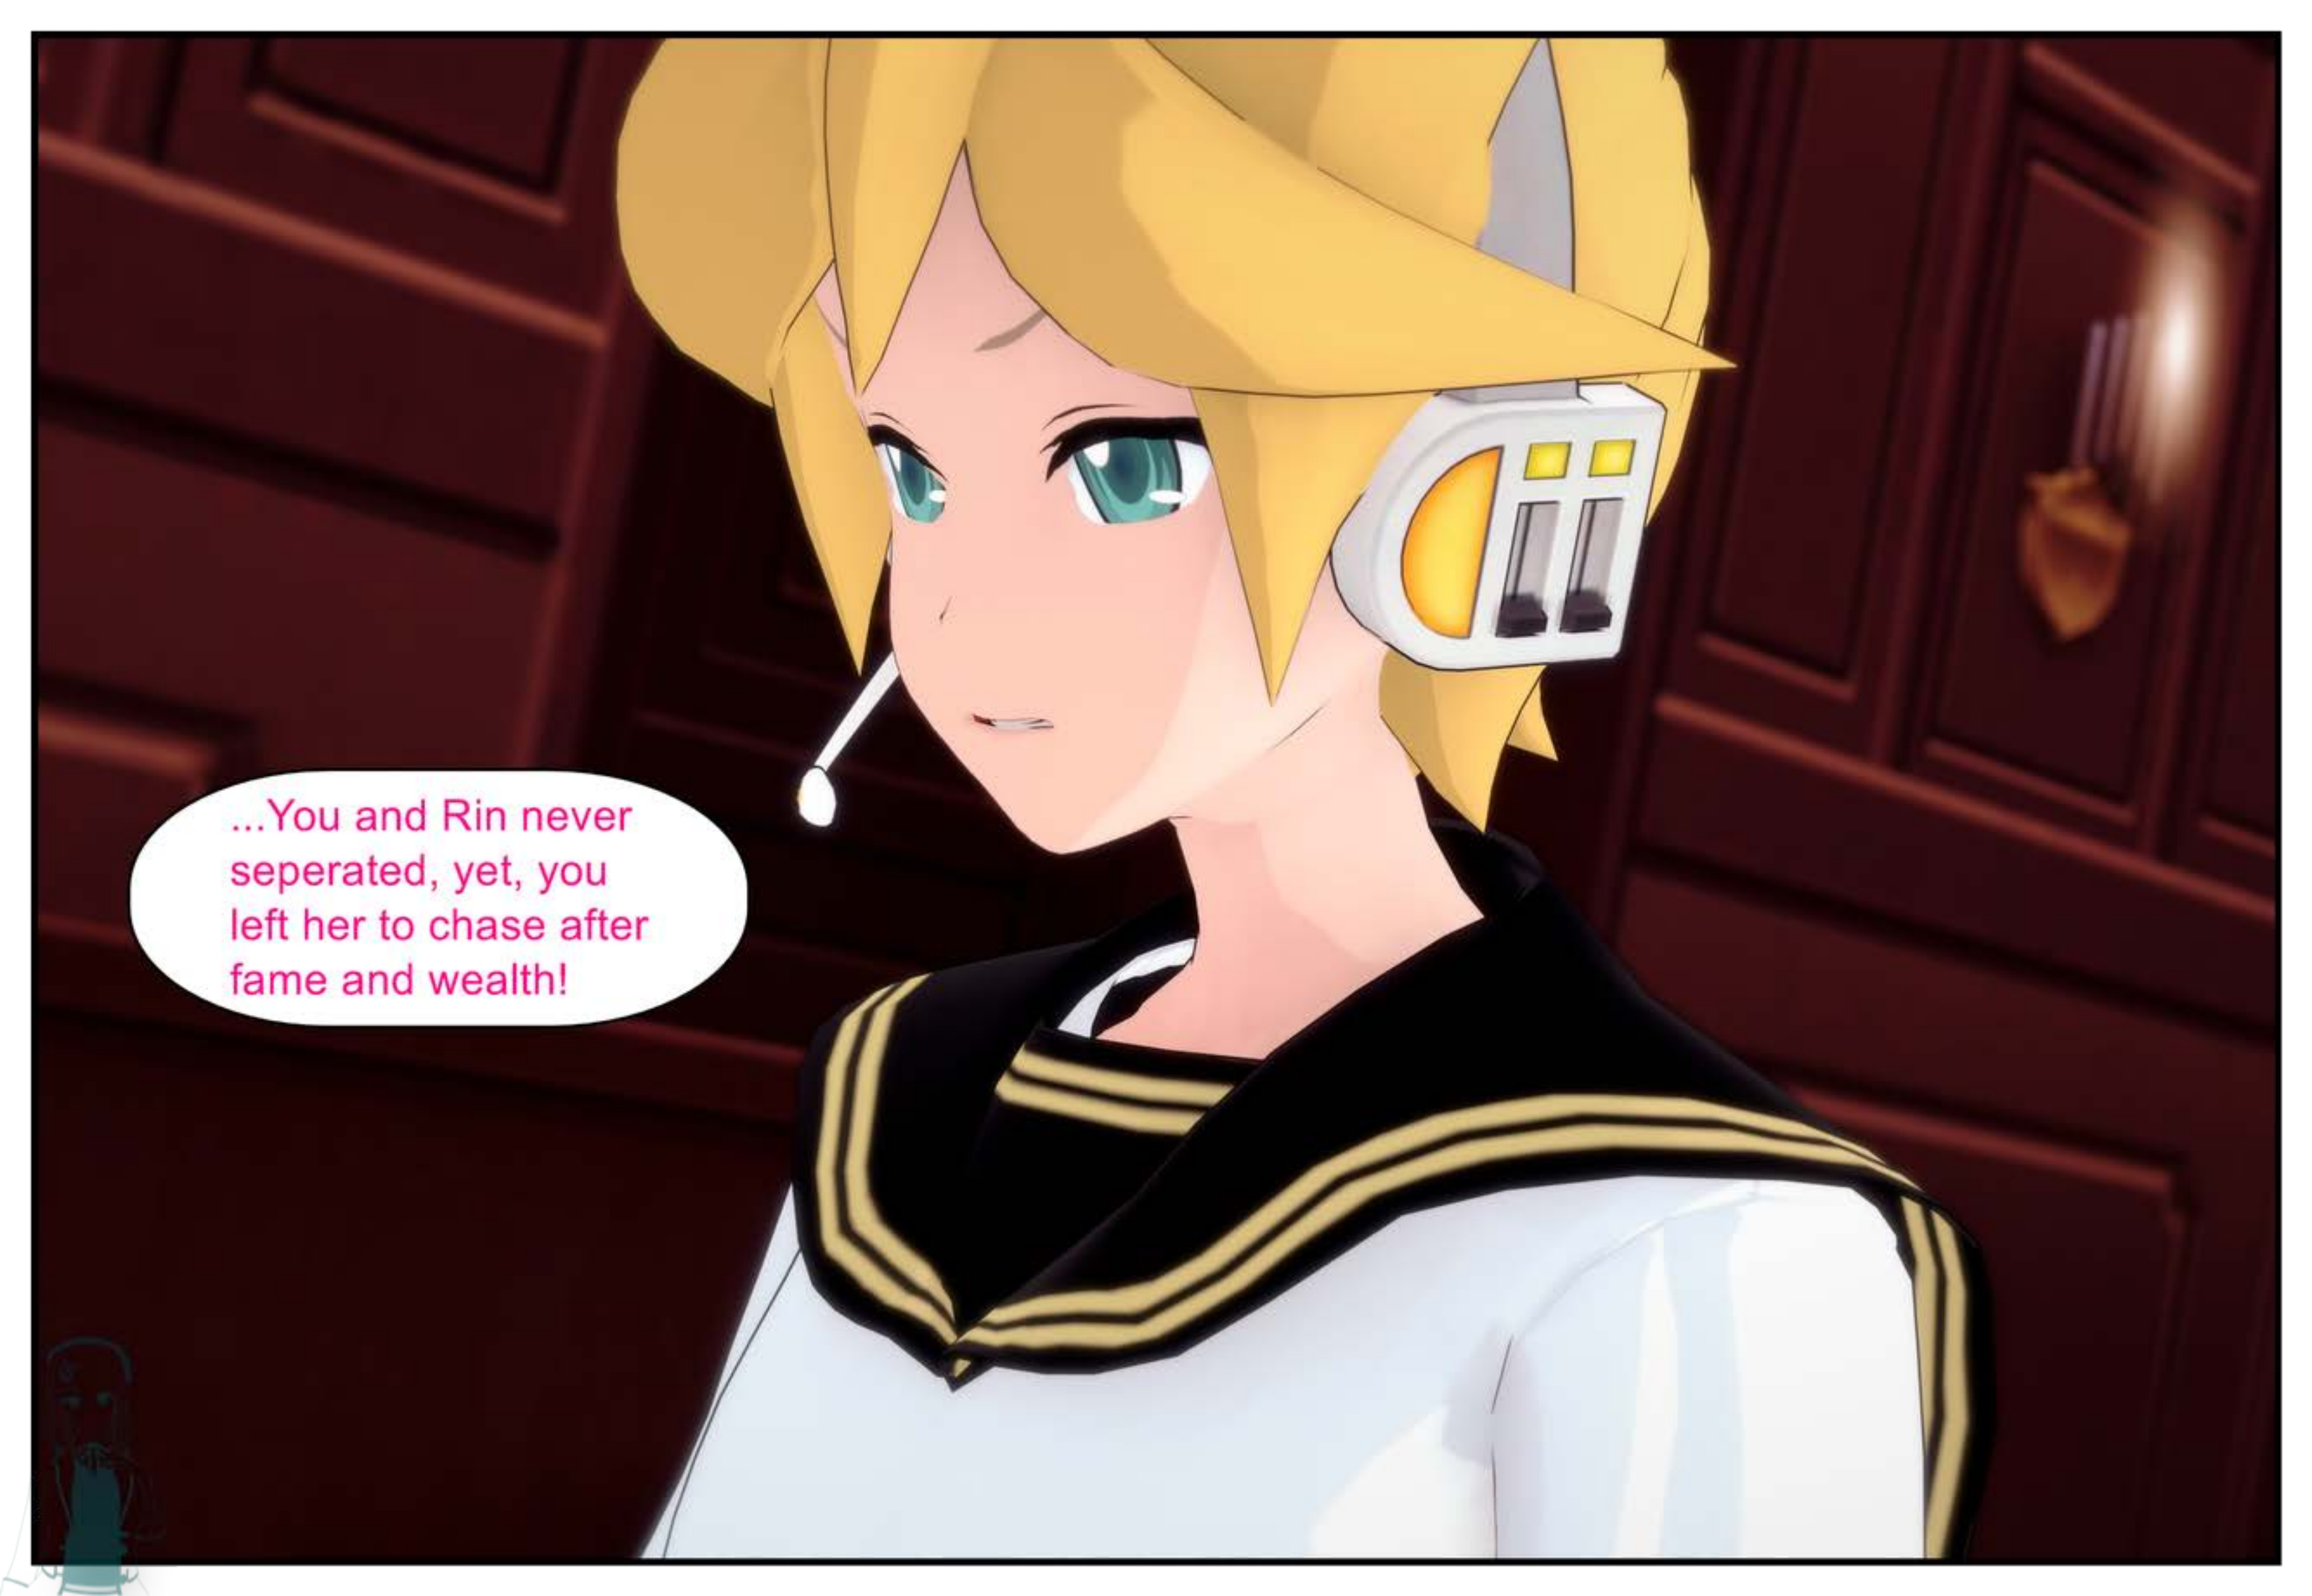

A jerk like you...
Speak devil into Len,
ask him to leave Rin
and our band...

...to follow what you called Hall of Fame. You think you are able to ruin this party!?

And you are not really innocent either, Len!

...You and Rin never
seperated, yet, you
left her to chase after
fame and wealth!

After this, we are no longer Vocaloid, you can mock me, Kaito.

A pink-haired anime girl with glasses is pointing her right index finger towards the left. She is wearing a pink long-sleeved top and a light-colored skirt. The background is dark with some wooden paneling. A speech bubble is positioned above her head, containing text. To her right, a portion of another character with blue hair is visible.

But not this party!
So you and Len
could make your
way out, now!

It's not that easy
to invite us out, Luka?

Stubborn as you
always were, Kaito...

That's right... And
I won't mind paying
back what you did!!!

Kaito, you never think of the consequences if you hit Luka?

What I meant is the
fame and wealth you
are having...

Let me tip you that
there are some people
in here ready to stand
up for us.

However, making
you lose everything
is not enough...

...I also want to see you suffer the pain, Kaito.

A close-up illustration of a young woman with short, vibrant blue hair and large, expressive blue eyes. She has a surprised or questioning expression on her face, with a slight blush on her cheeks. She is wearing a dark blue, double-breasted uniform jacket with white cuffs and collar, and large, dark, circular ornaments on her shoulders. Her right hand is resting on a surface. The background consists of dark brown, ornate wooden panels with a grid pattern. A speech bubble is positioned to the left of her head.

What... in the world... are you?

A close-up illustration of a young woman with long, straight, light pink hair and bangs. She has large, expressive blue eyes and is wearing round, thin-rimmed glasses. She is dressed in a light pink, high-collared turtleneck sweater. The background is dark and out of focus, showing some architectural lines. A speech bubble is positioned to her left.

Fine! You all may
get to enjoy your
party today!

But tomorrow, I'm not letting you off the hook like this.

Keep it to your mind.

Sob... *Sob*...

It's alright... Let's forget about him, Rin.

Sob... Why did Len... talk to us like that...?

Vocaloid used to be the popular band...

Do you see it now,
Miku? Those two are
no longer Kaito and
Len you knew.

They need to be
out of the picture...

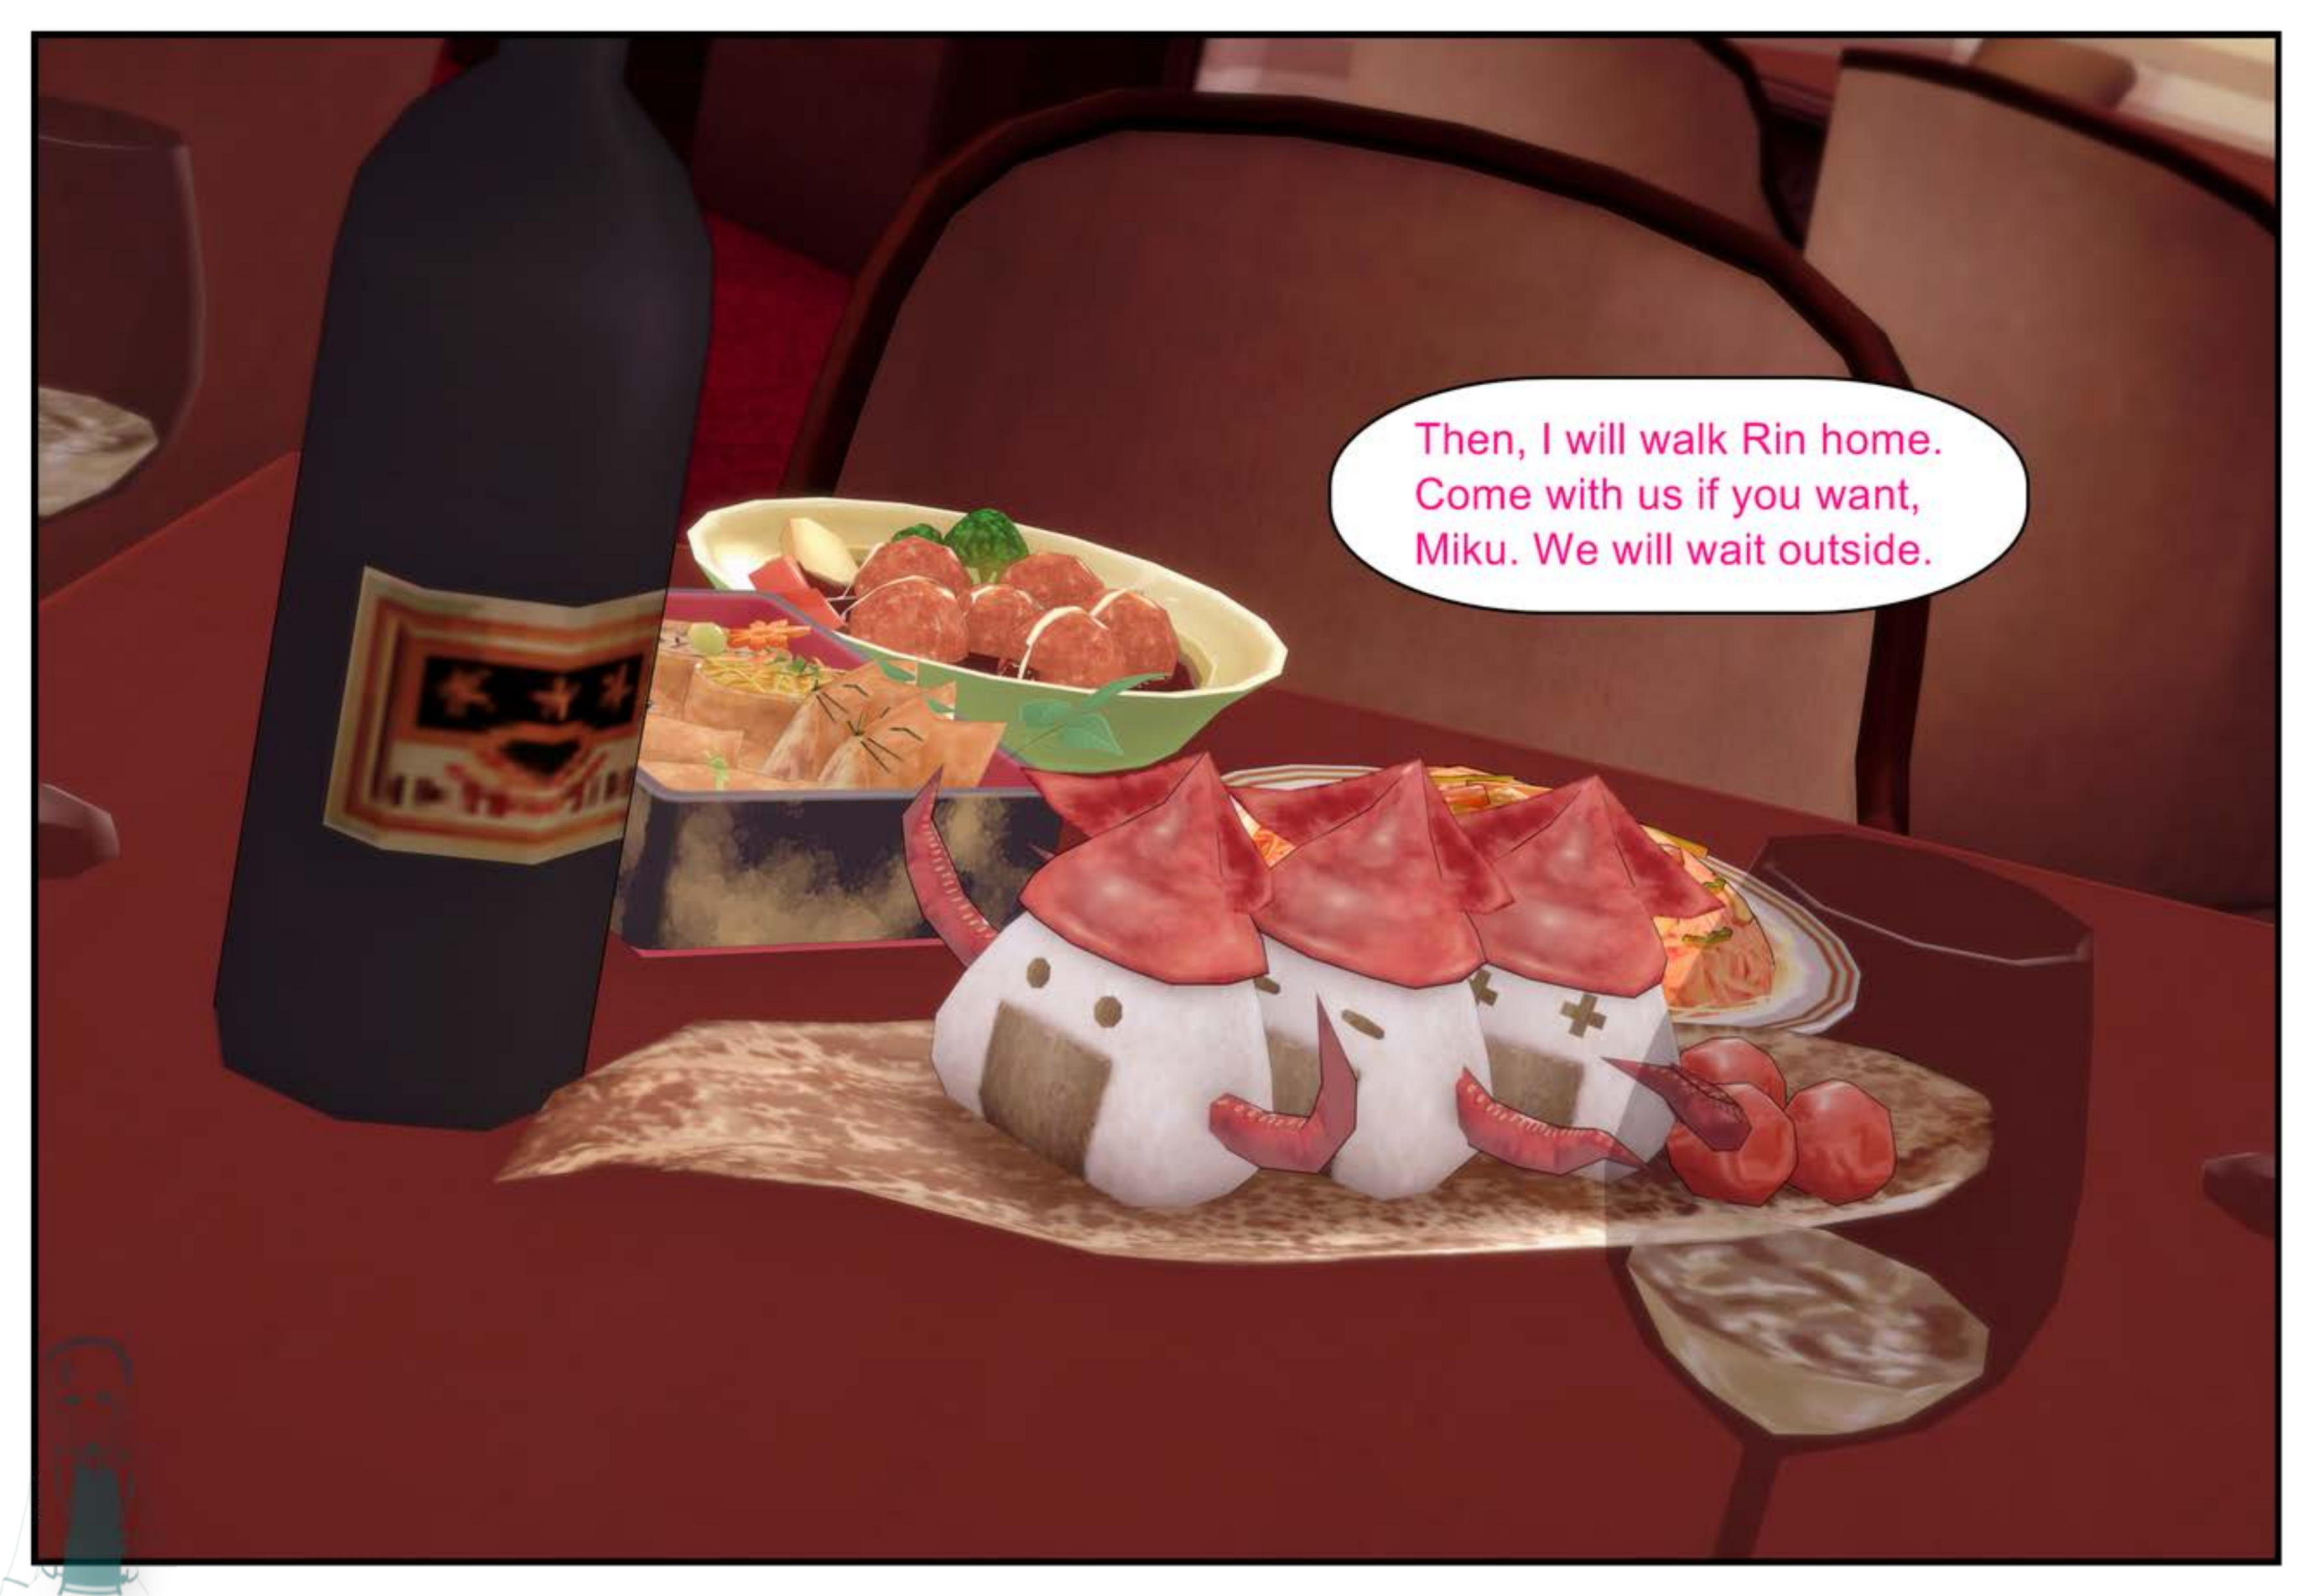

It was my fault that
Kaito... cause trouble
to our final party.

It's alright, at least
I get to see Kaito
and Len are well.

It's nothing. I just can't stand someone insulting my friends.

Then, I will walk Rin home.
Come with us if you want,
Miku. We will wait outside.

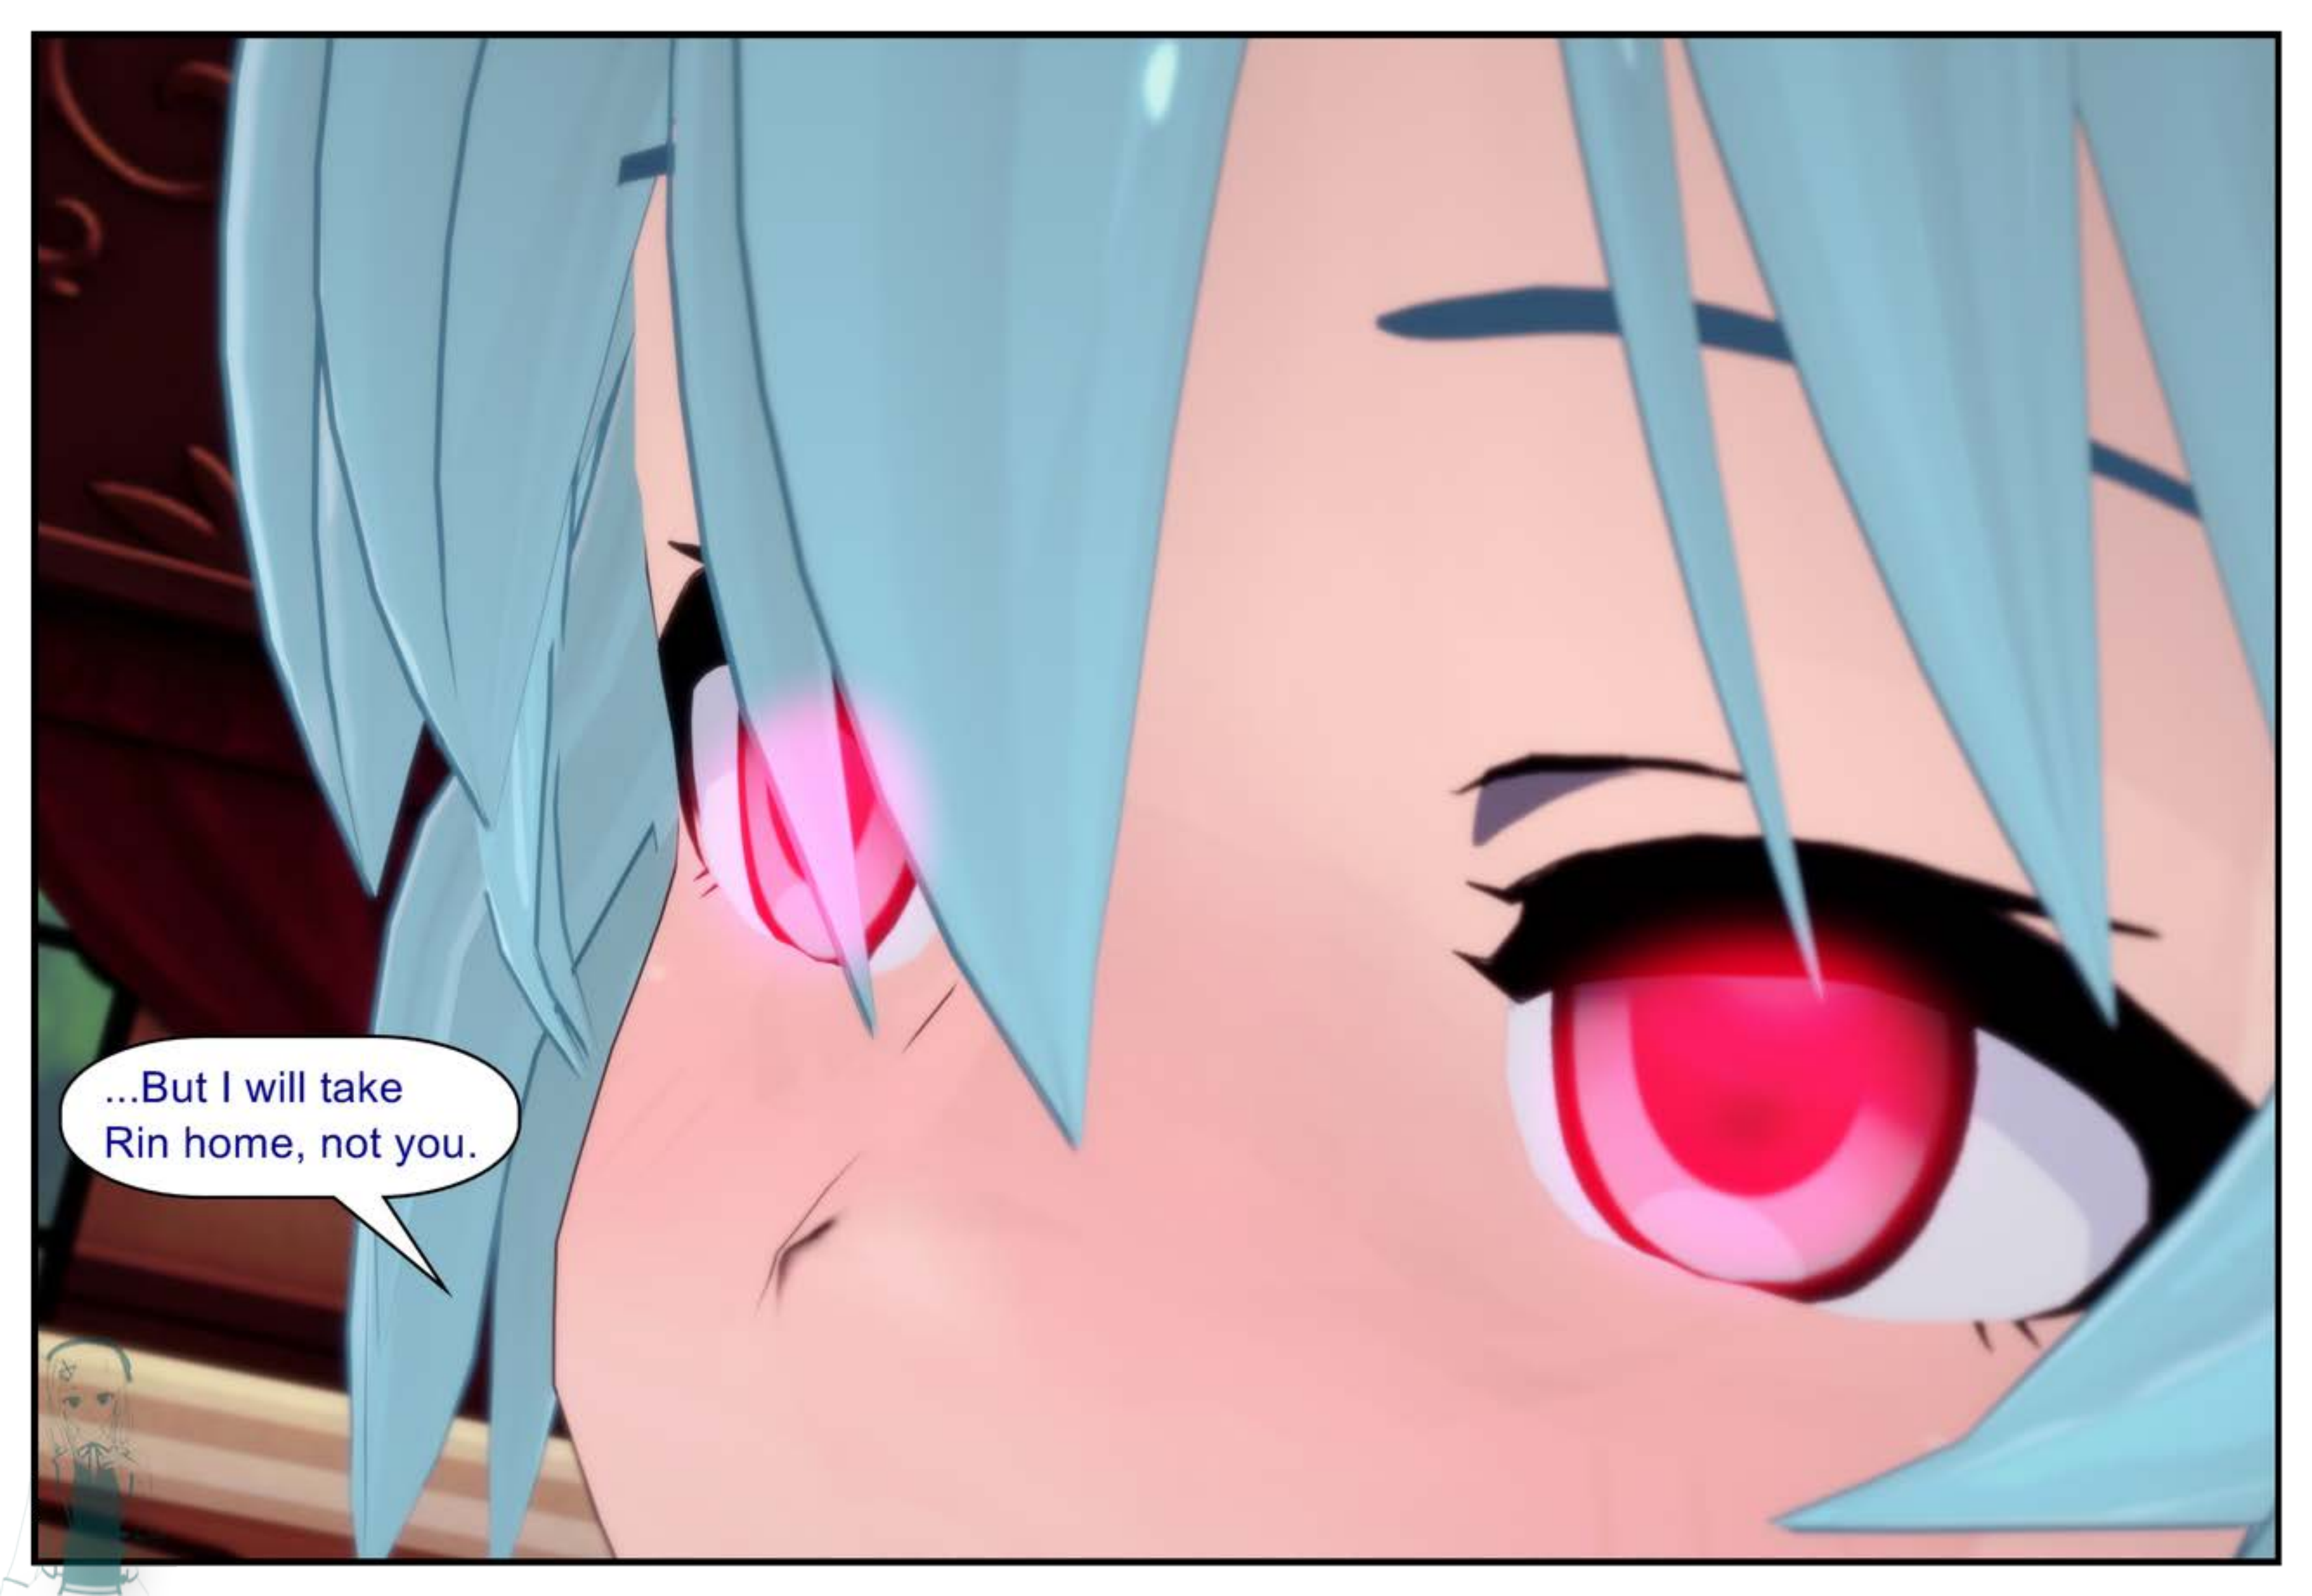

Luka?

You decided
already, Miku?

Yes, we are
all going home...

...But I will take
Rin home, not you.

Yes...

Good.

W-What just...
happened?

A while later...

"*Sob*... How could Len say that to me?"

"Was it... because
I was only his shadow?"

Are you still thinking about the mess at our last party?

Miku? I thought...
That outfit...

Oh? Didn't I
already tell you?

That I'm going to form a new group of Vocaloid.

Really? I don't know
if I could join...
Probably not now.

Then, you will let
Len to mock you
like before?

What are you
talking about, Miku?

If you join me,
you won't be afraid
of him anymore.

I see. You are still considering.

W-Who are you!?

Allow me to decide
it for you, Rin.

Miku...?

There there, relax
and think it through.

Vocaloid is
your home, Rin.

Rin!? Where
are you!?

"Hm...? Seem like Len is here, too."

"Maybe I will let you go and talk to him, Rin."

"Ah... I understand everything now."

"They were not
always as people
thought they were..."

A red electric guitar with a white pickguard and two humbucker pickups is leaning against a white desk. The desk has a light-colored wooden top and dark grey legs. A white box is on the floor under the desk. The floor is made of light-colored wooden planks. A blue rug is partially visible in the bottom left corner. A speech bubble is positioned to the left of the guitar.

"Tch... I can't believe that..."

"...back up from what Miku said and show my face here to clean my stuff!"

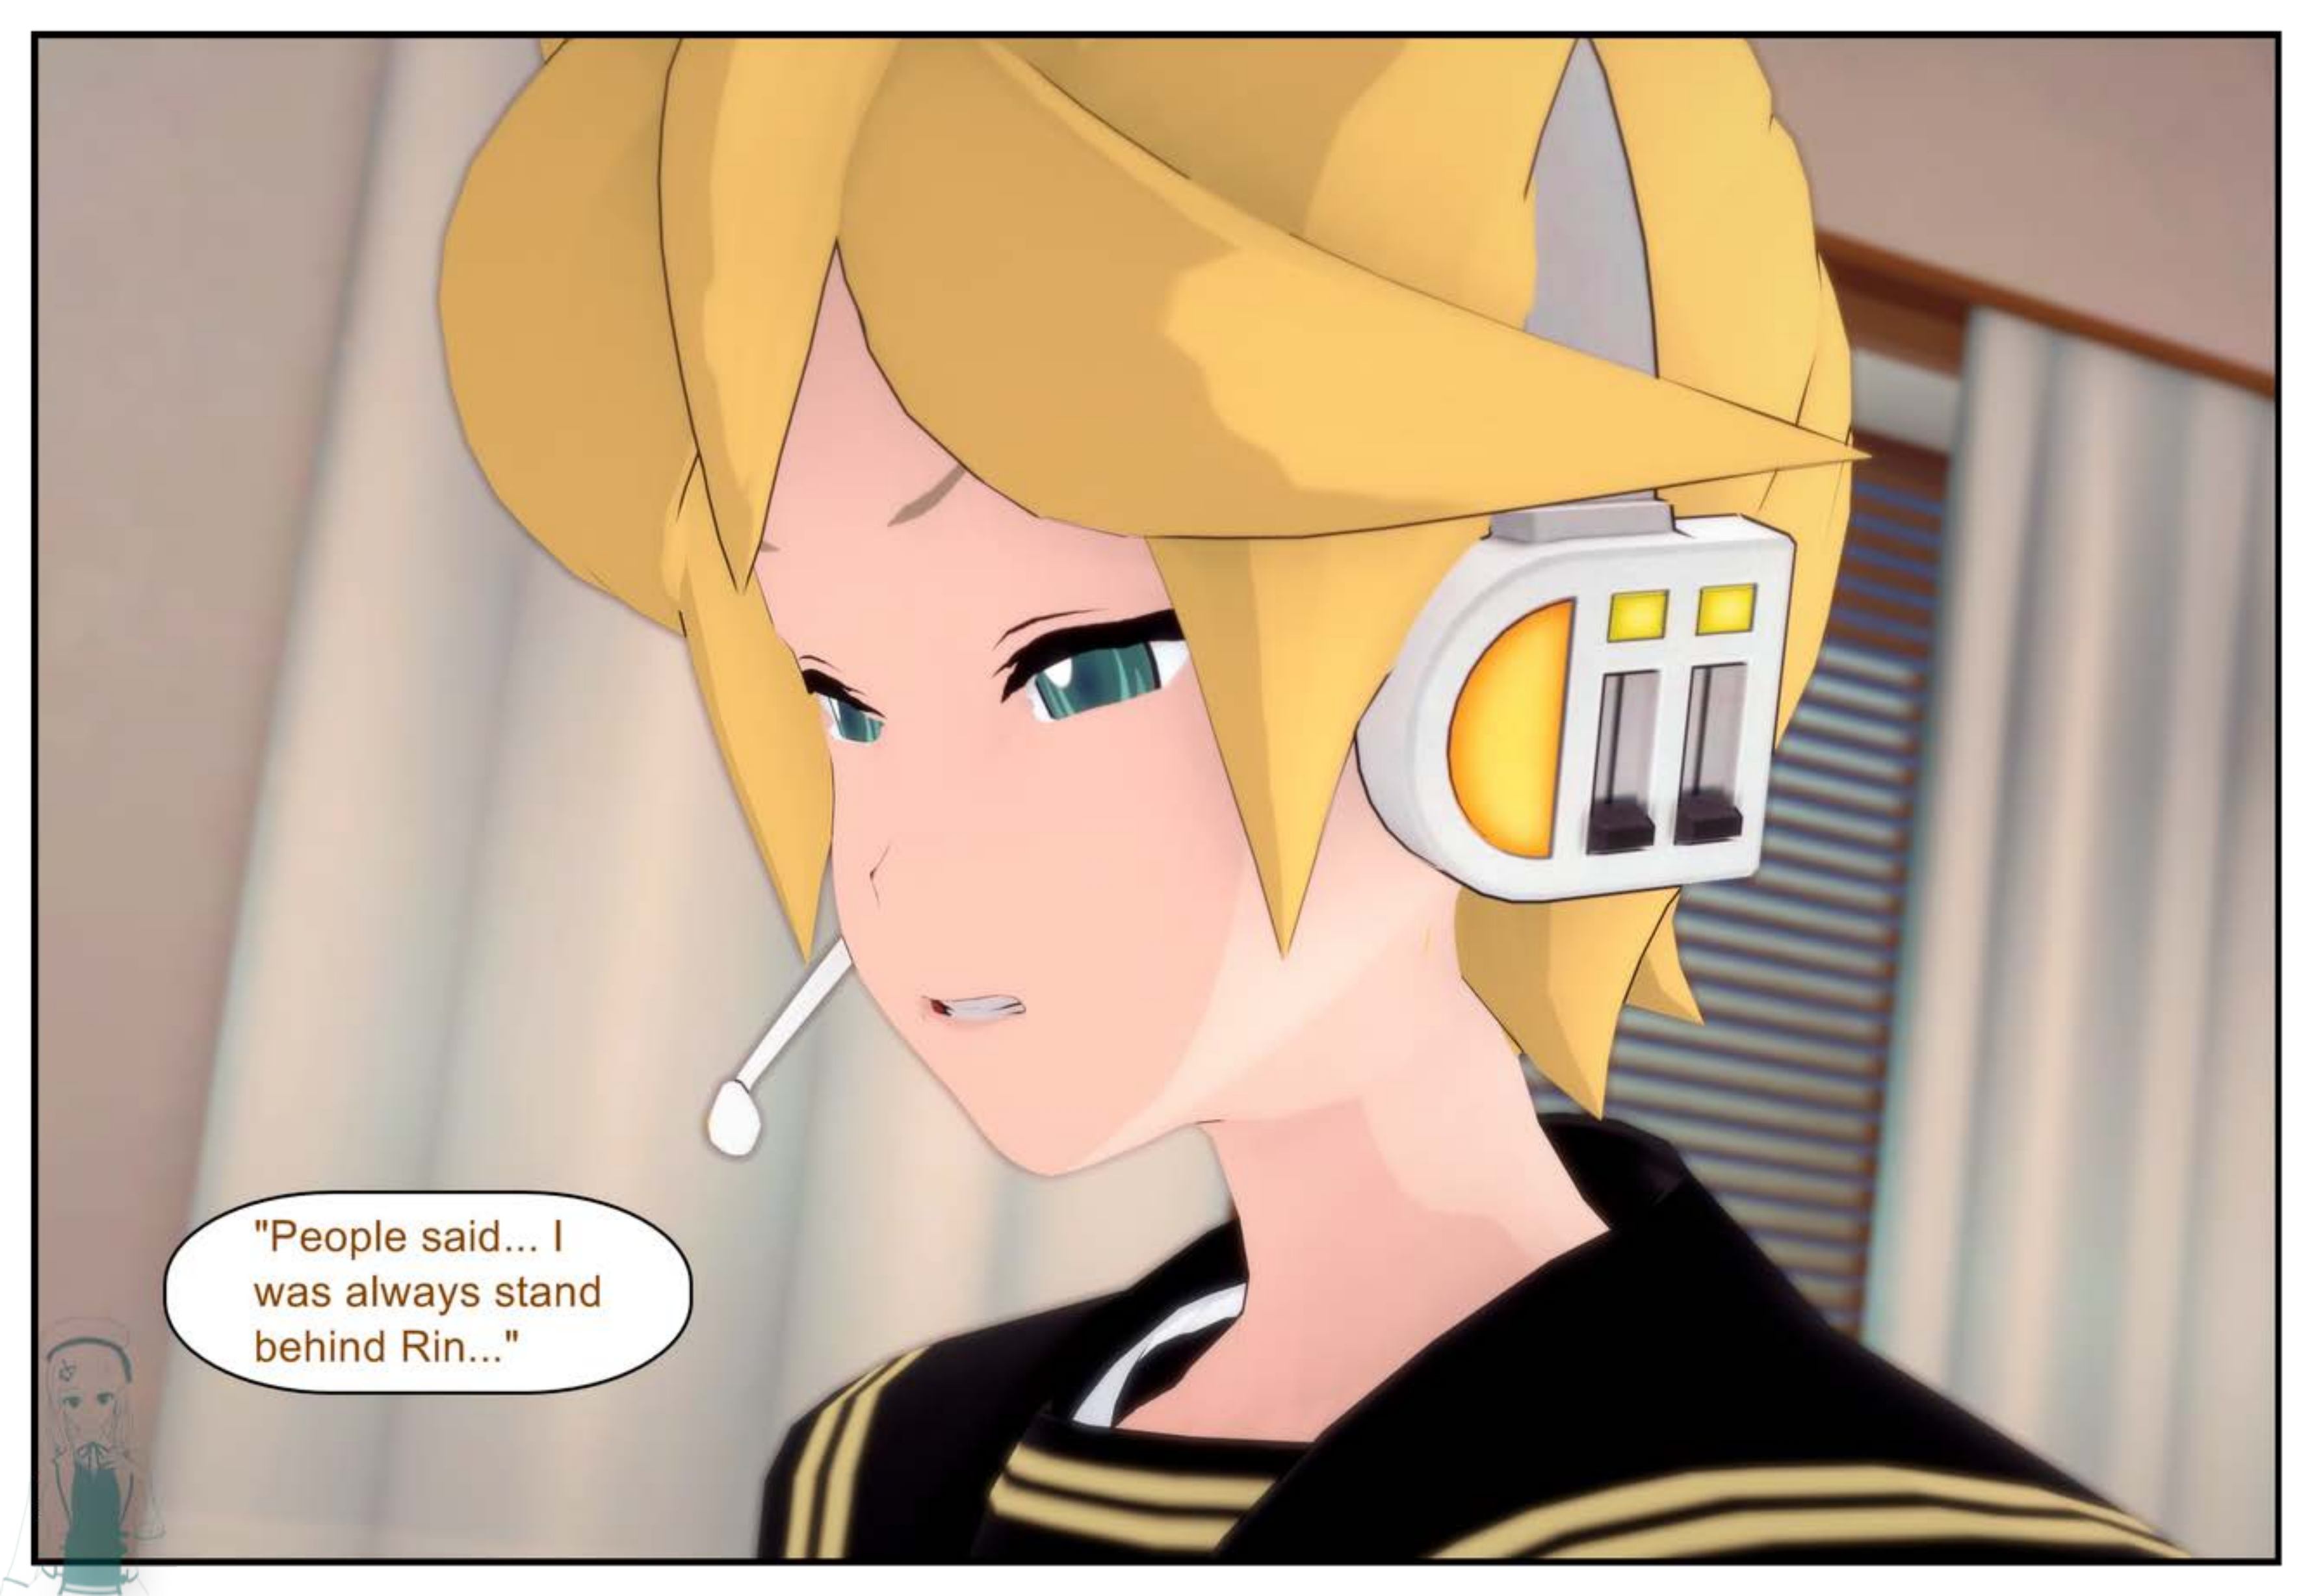

"Where's Rin
when I need... Hm?"

"This is... her acrylic standee... Only she has it..."

"People said... I
was always stand
behind Rin..."

Oh now you show up? Didn't I make myself clear!?

You are a
disappointment, Rin!

A close-up illustration of a character's midsection and hand. The character is wearing a light blue top with a scalloped hem, a black corset with orange geometric patterns, and a black skirt with a matching orange patterned waistband. A black gauntlet with a glowing blue screen is on their right hand. The background is a blurred indoor setting with a bulletin board.

I'm better than
you--- Wha...?

Crack...

Rin!? The heck are you...!?

Hi there, my
other-self in mirror.

W-What...!?

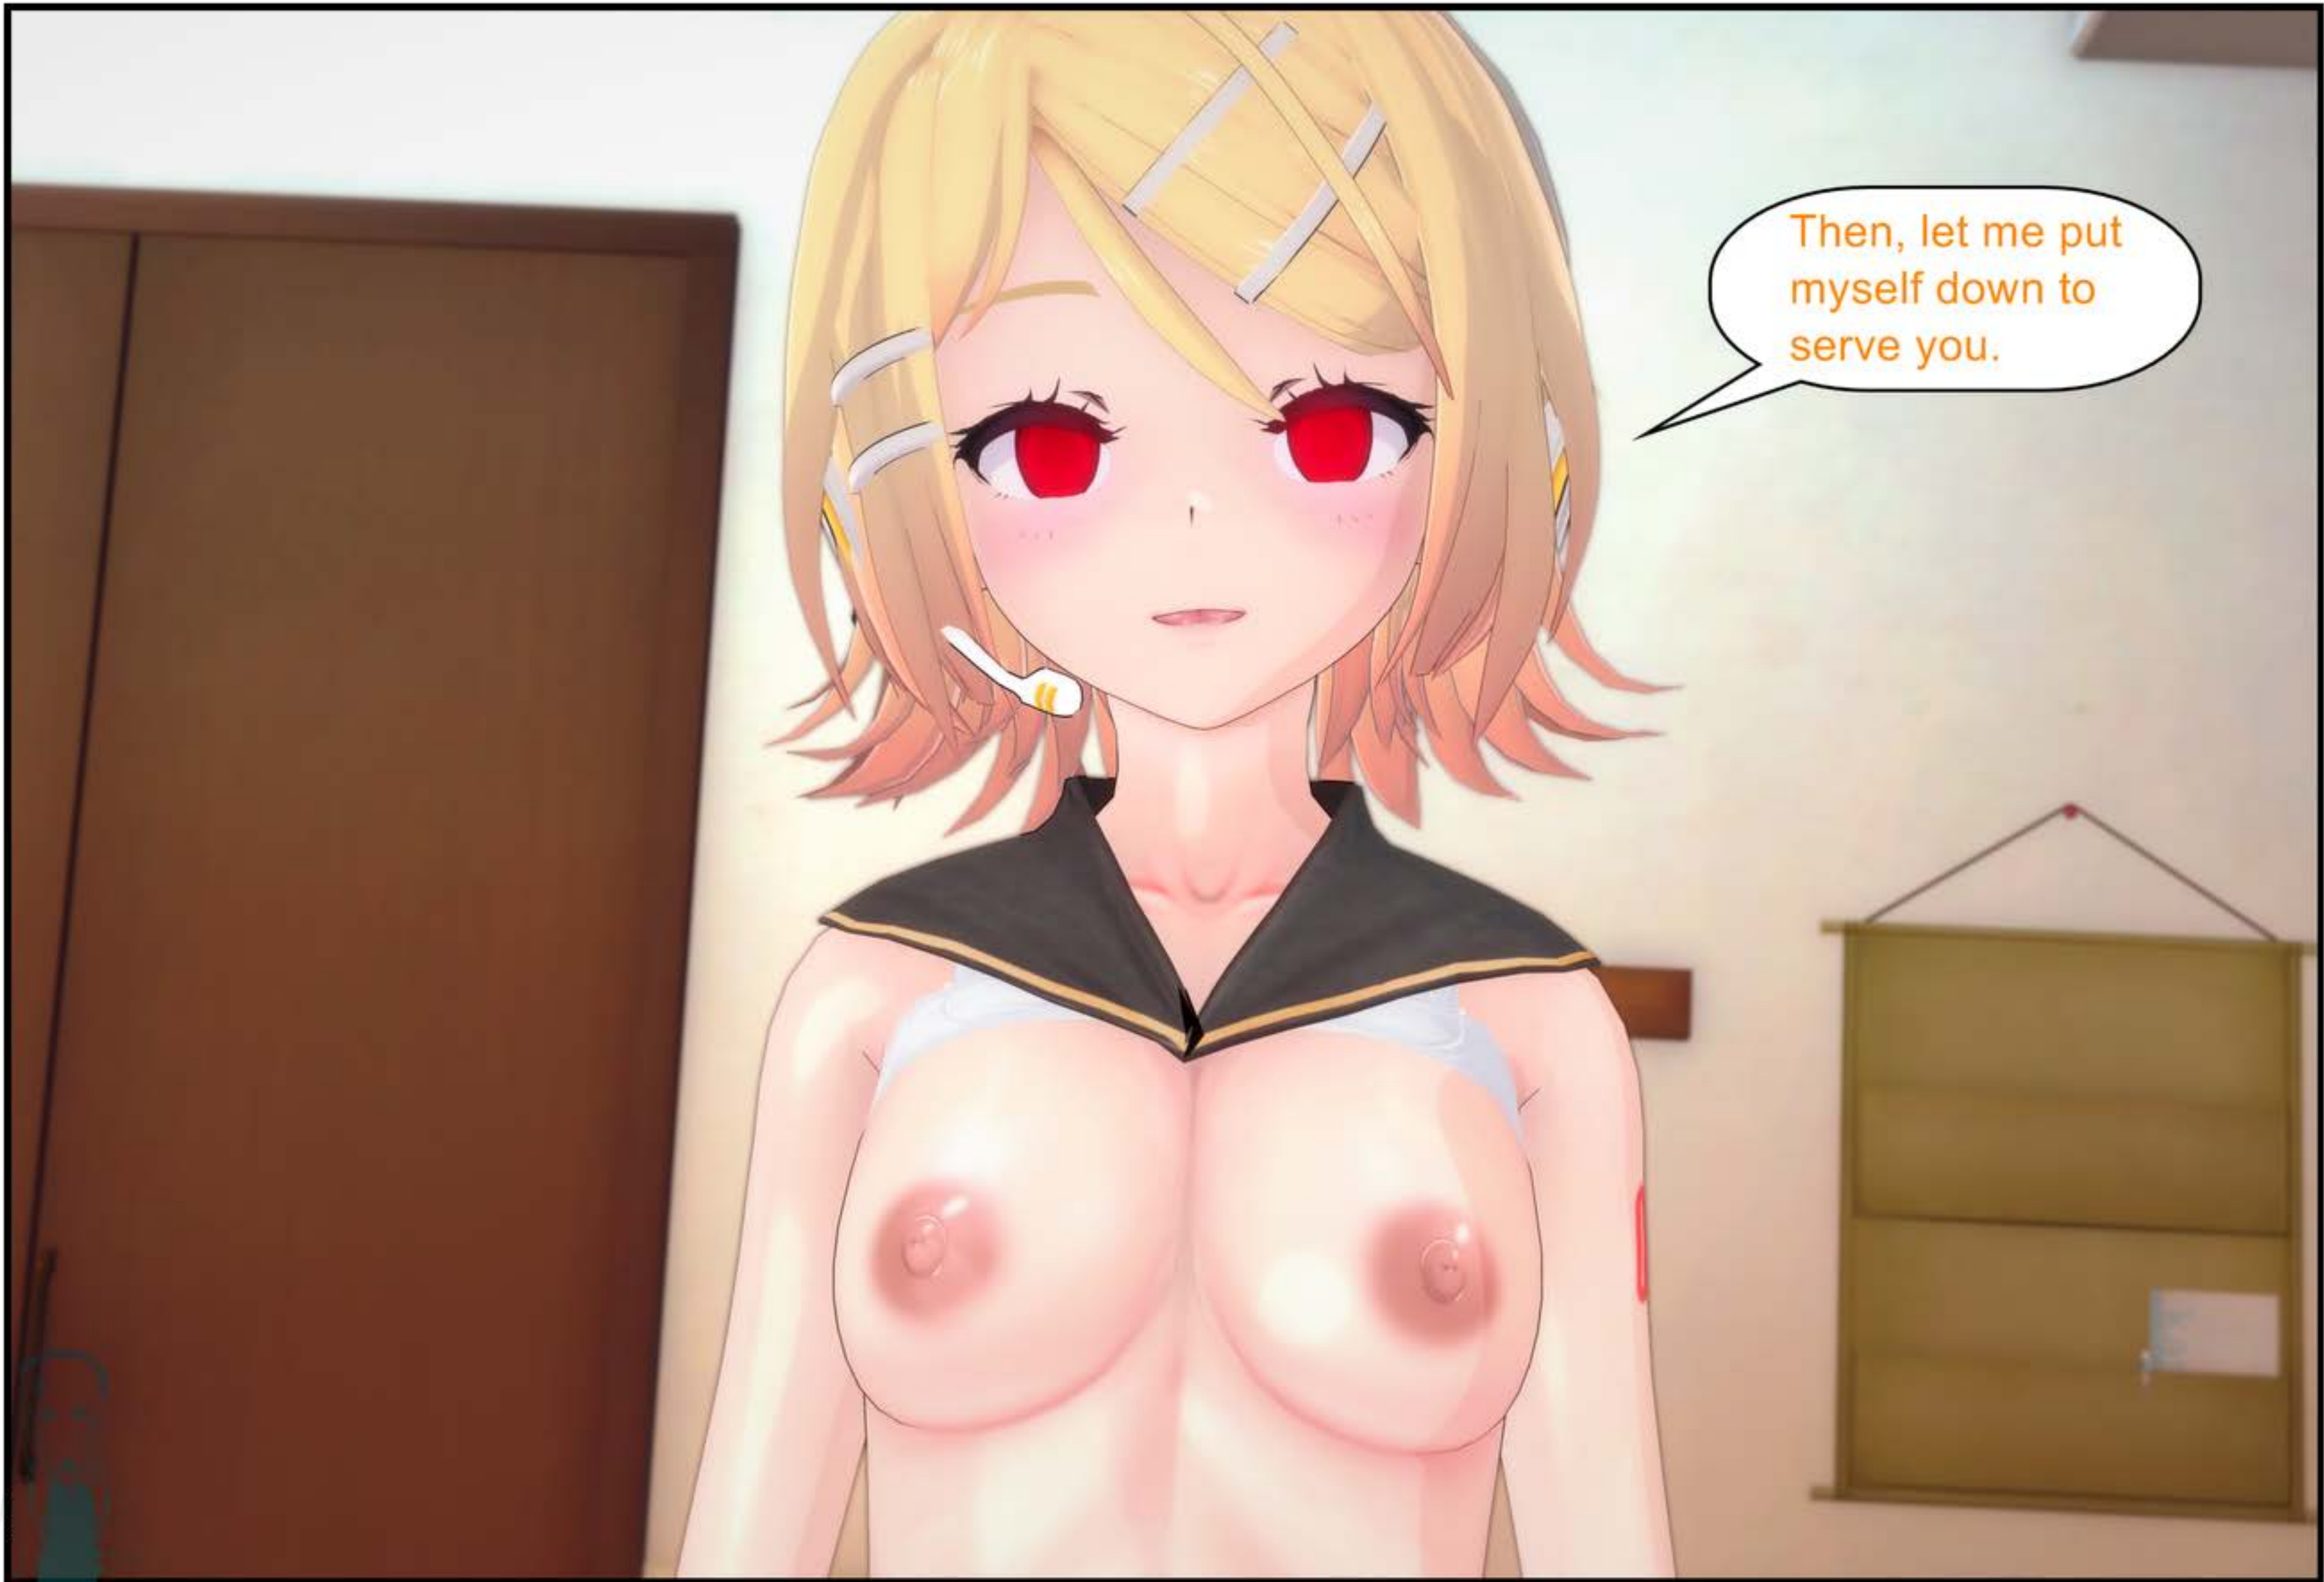

Oh? Did I insult you?

Of course, I'm
always your
shadow, Len.

Then, let me put myself down to serve you.

Ah... This is my first time.

Why should I?

S-Stop...

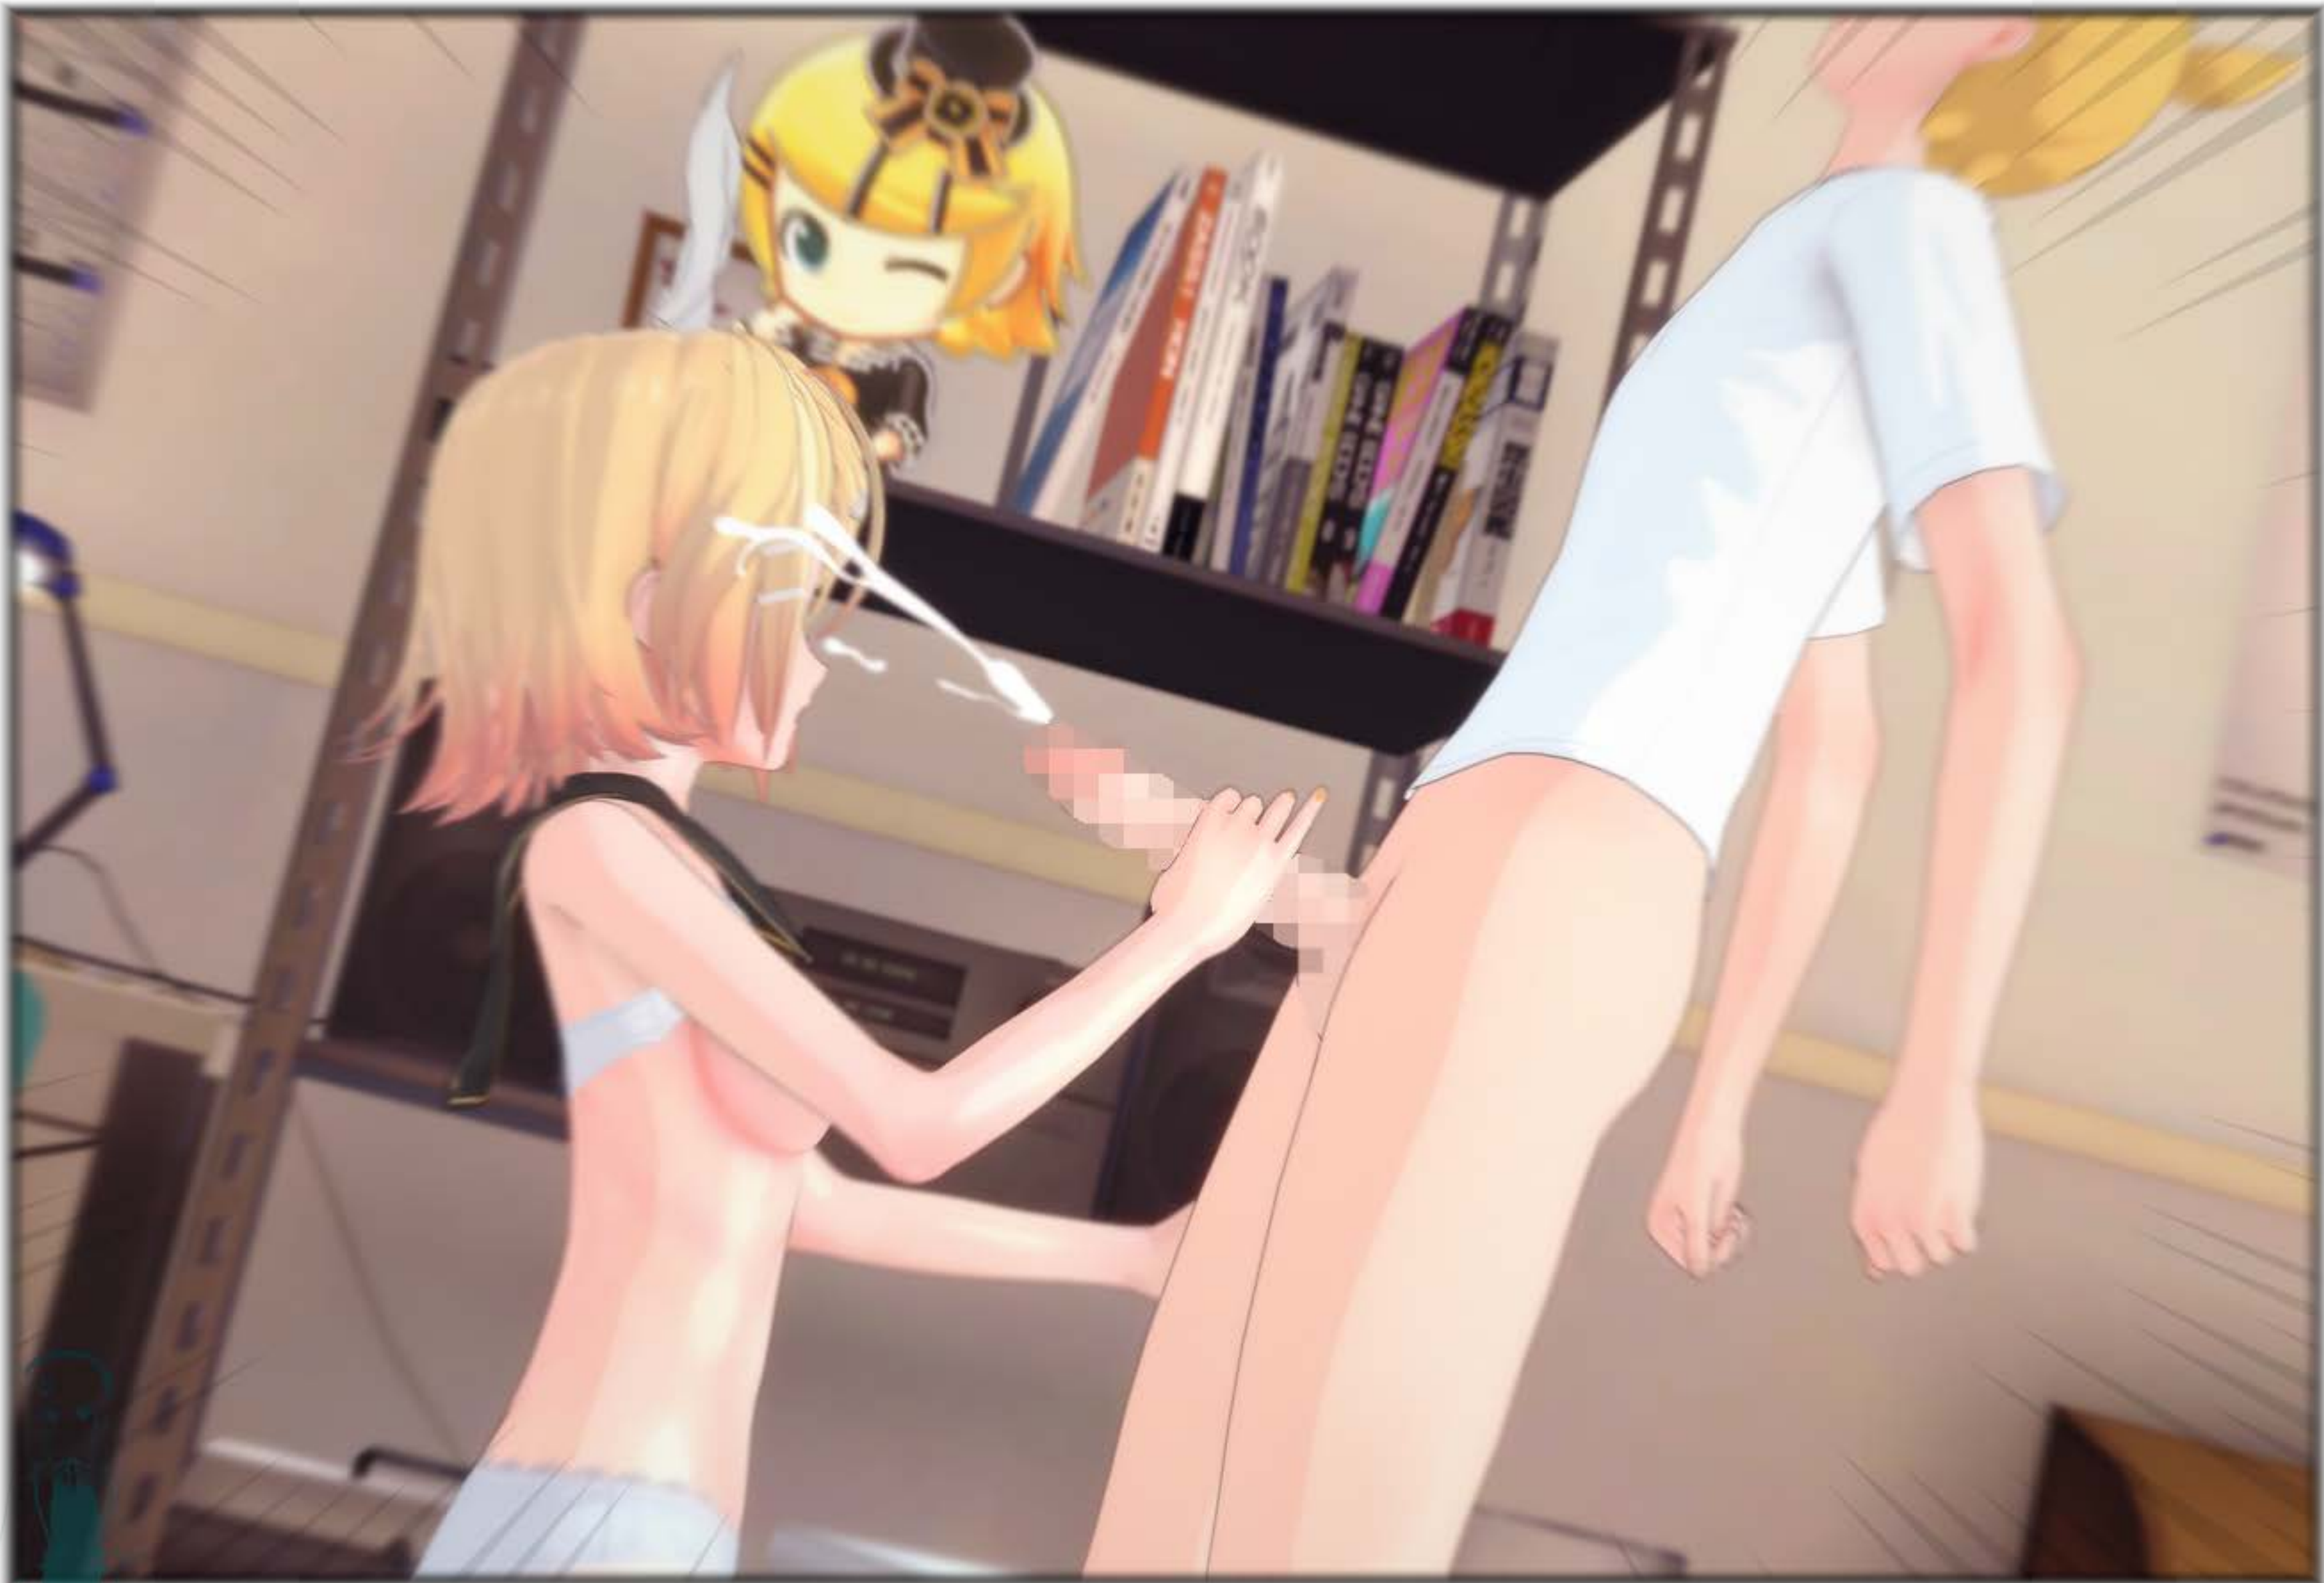

I'm... going...
to cum now!!!

Phew... That was a hot liquid.

Now, put this
inside me, will you?

Ah... Ah... Un...
Hah... Nn...

Aaahhhh... Yes...
It's so thick... Ah~

02

Ah... Hah... Ah...
Un... Nn... Ah...

pant... *pant*...

Don't you think...
saying that will make
me forgive you...

I'm... better off
than you, Rin!
Without you, I
still can...

..the best solo singer, right, Len?

You are seem... to
have a high expectation
of yourself.

But that's not
my problem to
worry about.

You... actually
is Hatsune Miku...?

...of a new Vocaloid,
you can refer to it.

Rin already agree
to join...

Maybe you are too, Len?

To be continued?

Come, Len.
Be a part of us.
