

LEAVE ME  
THE HELL  
ALONE!

What did you  
say, you lil shit?

LIL SHIT?!

Wh-what's  
going on?

She  
finally snapped.  
This oughta  
be good. Scream  
for the camera,  
Retsuko.

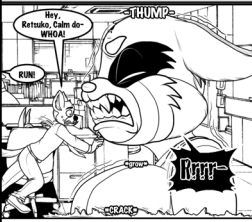

RAWWWWWRR!!!

Thank you. By  
the way, I think we  
should start running,  
Haide.

What is with all of that commotion? Sounds like a party! And I wasn't invited. Hmph. I'll have to talk to my secretary about this.

Hey, Retsuko, Calm down- WHOA!

RUN!

Rrrr-

CRACK

What the heck?!

CRACK

grow

Whew. Thankfully, that didn't crush anyone...right?

CRACK

THUMP

Sounds like a bunch of stuff is breaking up there.

Oh, dang. I hope nothing too bad's happening.

Rrrr-

..Wow. Haida. Never thought you'd take advantage of her during a weak moment like this.

Fennekol I fell in! This wasn't on purpose!

CRACK

Suuuuuuure. But now I may have to upload this on a fetish site because of your...falling in there. But where, hmmm?

CRACK

UL SHIT?  
CALENDAR!  
I'll call you two  
"Clock" then, huh?  
'Cause your minutes  
are numbered!

R-retsuko?  
You don't have  
to apologize,  
d-dear.

Uh, Retsuko?  
Are your boobs  
growing more than  
the rest of you  
or is that just  
my imagination?

Then again,  
you two can be my  
literal "UL SHIT"  
HA!

*-PLOP-*

*-PLOP-*

Goff!  
Such a pain  
in the ass!

烈

*-poke-*

*-thurrp-*

Mmm-  
Rage never  
tasted so  
damn good.

**\*GULP\***

Damn women  
in the workplace  
can be so over-  
sensitive. Over-  
reacting all  
the time!

**\*gurrrrrgle\***

**-GLORP-**

Mr. Ton?  
What do we do?!  
Also...I can't see  
anything without  
my glasses, but...  
is that spit or acid  
down there? Can  
you tell?

Rrrr-  
She's gonna  
end up caged  
for this, the  
stupid female!

**\*gurrrrrgle\***

**-GLORP-**

**URRRP!**

Ew-  
Also, if I  
get angry,  
can I get big  
boobs  
too?

I gotta  
say, this has  
been the best  
thing to ever  
happen to me.  
Lemme soak  
this in.

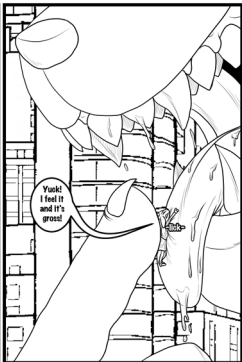

Mmph!  
F-fennekot!  
Help me out  
of here!

I knew I  
should've  
said good-bye  
to my plants  
this morning.

**BRAWR!!!**

FEEL MY RAGE!!!

Doubt anyone  
will treat me  
like crap after  
this, huhuh?

\*BUMP\*

\*CRASH\*

\*CRUMBLE\*

Well...at least  
I'm safe in here...  
She oughta calm  
down, eventually.

Haida?

\*SHORE\*  
And I'll be here  
when she's  
calm.

Haida?

H-huh?

Fennekot Retsukol H-hi! Uh, sorry.  
Hope I wasn't snoring or anything.

It was like a  
buzz-saw was  
going off in here.

Mainly wanted  
to tell ya that  
Mr. Ton would be  
back in a few moments.  
Don't want him to  
catch ya sleeping.

Thanks.

You were  
talking in your  
sleep though. What  
were you dreaming  
about?

Um, no one.  
I-I mean, nothing.  
I mean...I can't  
remember.

Very  
smooth,  
Haida.

THE END
