## Blues Guitar Lesson – SRV STYLE - Patreon Lick of the Week for 5/16/16

Hello friends,

Welcome to another Monday Lick of the Week! This time around I'm breaking down for you a Texas Blues guitar lick in the style of Stevie Ray Vaughan. I'll show you how to play the E pentatonic scale up the guitar neck, before demonstrating a series of repetition double stops and blues bends. This lick is beginner friendly and sounds fantastic, making it a must know for any serious blues guitarist. Let's get started!
