

Script ideas

possible title "fuck of the wild"

10 page divided in to 3 part

1st page

We meet a lone boko sitting at a camp fire. link present himself to him in a boko mask. He then presents Zelda in boko marking all over her body. Maybe I will have Zelda doing a commentary over the whole comic.

2nd page

The lone boko is fucking zelda while link is making food. It end with link fucking a passed out Zelda

3rd page

In the morning, Zedla and link wake up to find that the lone boko has wandered off. There is smoke coming from the hyrule castle, Ganon is attacking.

4th page

Link and Zelda soon find a black boko that give them something to smoke.

Link become a drooling idiot as Zelda is fuck into bliss by the black.

5th page

Ganon has killed the male hero and has Urbosa held up with one arm as he rips her clothes off

Meanwhile Zelda is fucking the black with link dancing in the background around the fire

Maybe its implied that a few day go by with this boko

6th page

Maybe Realizing that Link would become a complete junky if they stay with the black boko

Zelda leading a crackhead link away while waving goodbye to the black boko

maybe they come across the aftermath of the battle and the castle and zelda is more interested in finding another boko cuck to fuck

At night we see her riding link who is still out of it but enjoying it. Zelda seem more worried than anything.

7th page

maybe implying that it took a few day for link to sober up.

they are looking for boko and come across 2 of them together.

8th - 9th page

we see Zelda getting fuck anyway imaginable by the two boko while links looking on or cooking food.

A panel of Ganon with the fish girl, he has tentacles coming out of him that are fucking her.

maybe have Zelda hoping for to have boko babies by this time.

10th page

we see a contented Zelda getting fuck by link. maybe she is suck on some boko cock. she seem happy

panel of Ganon sitting on the hyrule throne. the heads of the king and the other male hero are mounted on the wall behind him, Urbosa is attached to him as a cock sleeve and The fish is in a water tank behind being molested by his tentacles
