The Addiction of Bimbohood

The effects of a pill wear off after 8 hours then in a few minutes your body completely returns to normal.

Here, let me show you.

There are many flavors and varieties of products you can use, but for this I will use **Bimbo lite**.

And this **Bimbo lite** is vanilla flavored.

It's kickin' in real fast and it ...um... feels

Like...

OH MY GaWD!

The Addiction of Bimbohood

The Addiction of Bimbohood

Saturday evening...or more like Sunday morning, in the living room of the campus business Fraternity, where Paris and Louisa live and study...

Bimbo Lite and all other products of AmazCorp are not safe for work. Using more than one pill or while a similar product is active can cause unwanted side effects. AmazCorp assumes no liability for incorrect use of our product. Ask your doctor if it is safe to use Bimbo Lite or other Bimbo products, and always – enjoy responsibly.

Sunday morning...

mhh...
I love my black coffee.
The best thing about every morning, right before work.

Morning Lou, had a great evening?

Mine was very intense and extremely...relaxing. Maybe you'd like to try some tonight before we head to the exam tomorrow?

Mornin'

Hm, I don't know, Paris...seeing you like that...

The Addiction of Bimbohood

What do you mean Lou? I don't look any different.

True. There is no VISIBLE difference...except the white stuff around your mouth Paris. Some..cream maybe?

Oh...yesh... yes you are right my dear. Some tooth… cream I haven't washed off...

hehe...yea sure...Tooth*paste*. I bet it tastes a little salty...am I right?

Hm, I don't know, Paris...I still have a lot to review. I want to earn another good grade tomorrow.

You're funny. No, mint. I swear. So, why not give it a try Lou?

Just for today? A few hours of pure relaxation and a low stress level tomorrow, c'mon.

The Addiction of Bimbohood

A few hours later a completely satisfied Paris returns to her Room, where the effect of the pills run out and her body and mind revert to normal...but Brad has other plans with his new knowledge...

Yo, nerdy Nelson...what's up?

How often do I need to ask you <snort> please don't call me nerdy... what do you want?

Yea, yea, whatever Nelson. Listen, change tomorrow's exam grades so Louisa the loser fails with an, umm, a B--!

sigh Again? Now Louisa's grade? THAT is technically not possible, a B-- grade doesn't exist, but an A- would be logical...

Whatever, nerd. Just not an A! Do that and I will think about inviting you to the upcoming frat party...Deal?

WHAT? Really!? Alright... A- for Louisa this time. The usual B+ for you?

Duh! See you tomorrow, nerdy Nelson...

I told yo....

The Addiction of Bimbohood

Monday morning...

Morning, Louisa.
And? Are you ready?
What do you think? - Will
the exam be hard?

Morning <yawn>
Not very hard to be sure.
I understood every chapter...how about you?
What did you think?

I mean you
used those Bimbo Pills
quite often these past few weeks...
Are you sure you're
ready too?

Naaah, I'm
not worried. Those little
helpers are there to keep my inner
balance and they are doing a great
job. I think the next A I get
will be on this exam.

Of course. This will
be the last exam for the semester.
Every grade I earned was an A... this one
will be an A too...and with it my
final grade!

The Addiction of Bimbohood

A few hours and one Exam later...

hehe

Wow, you finished really fast. What did you think?

Oh...as expected. This exam was nothing and my next grade is a perfect score.

But if you will excuse me...there are some interesting studies waiting in the library...

See you later Paris. Bye.

Alright. See you later. Bye

The Addiction of Bimbohood

I..failed!

I'm a loser!

I had only one chance to prove myself . . . but, as always, I failed.

sob A- . . . What will my parents say? "Louisa – you're an embarrassment to your family!"

Hey, Louisa ... what's wrong? Why do you look so upset ... and are those tears?

Leave me alone...go take your stupid Bimbo pills...

No, I won't leave you alone. It's clear that you're sad and we aren't only just roommates – we are friends too, remember?

sob

So, what's wrong, Louisa?

The Addiction of Bimbohood

I earned an A-! It's a disaster! What grade did you earn?

An A- is still an A. Me? I got an A.

What score?

100%, why?

Please - leave me alone.

sigh If that's what you want, Lou.

How can she get 100% and I fail? She took those stupid pills nearly every day! That's not fair! I am the smart one here. Paris is just

Argh!

. . . how can it be that a part time Bimbo is better than me? How?

Oh...look. Aren't those Paris' Bimbo Maxx Pills?

hmm

I really want to relax, should I...?

The Addiction of Bimbohood

hmmm...
I have absolutely no idea how many Paris takes every time...

... on the other hand...these are the last 2 of 3 candies.

But....

Paris would say I think too much!

Lou? Have you seen my Bimbo Maxx Pills? I want to celebrate my exam result a...

The Addiction of Bimbohood

Those are my pills. I had no idea... enjoy the next few minutes, Louisa. They feel fantastic.

How long does it take until you feel the effects of the pills?

Then we can enjoy the evening together...in a much more fun way. You'll see.

Excuse me... did you say: Pills? Plural?? How many did you take Louisa?

Ummm... *giggle* two, I think?

Two? Why... Louisa...why didn't you ask before?

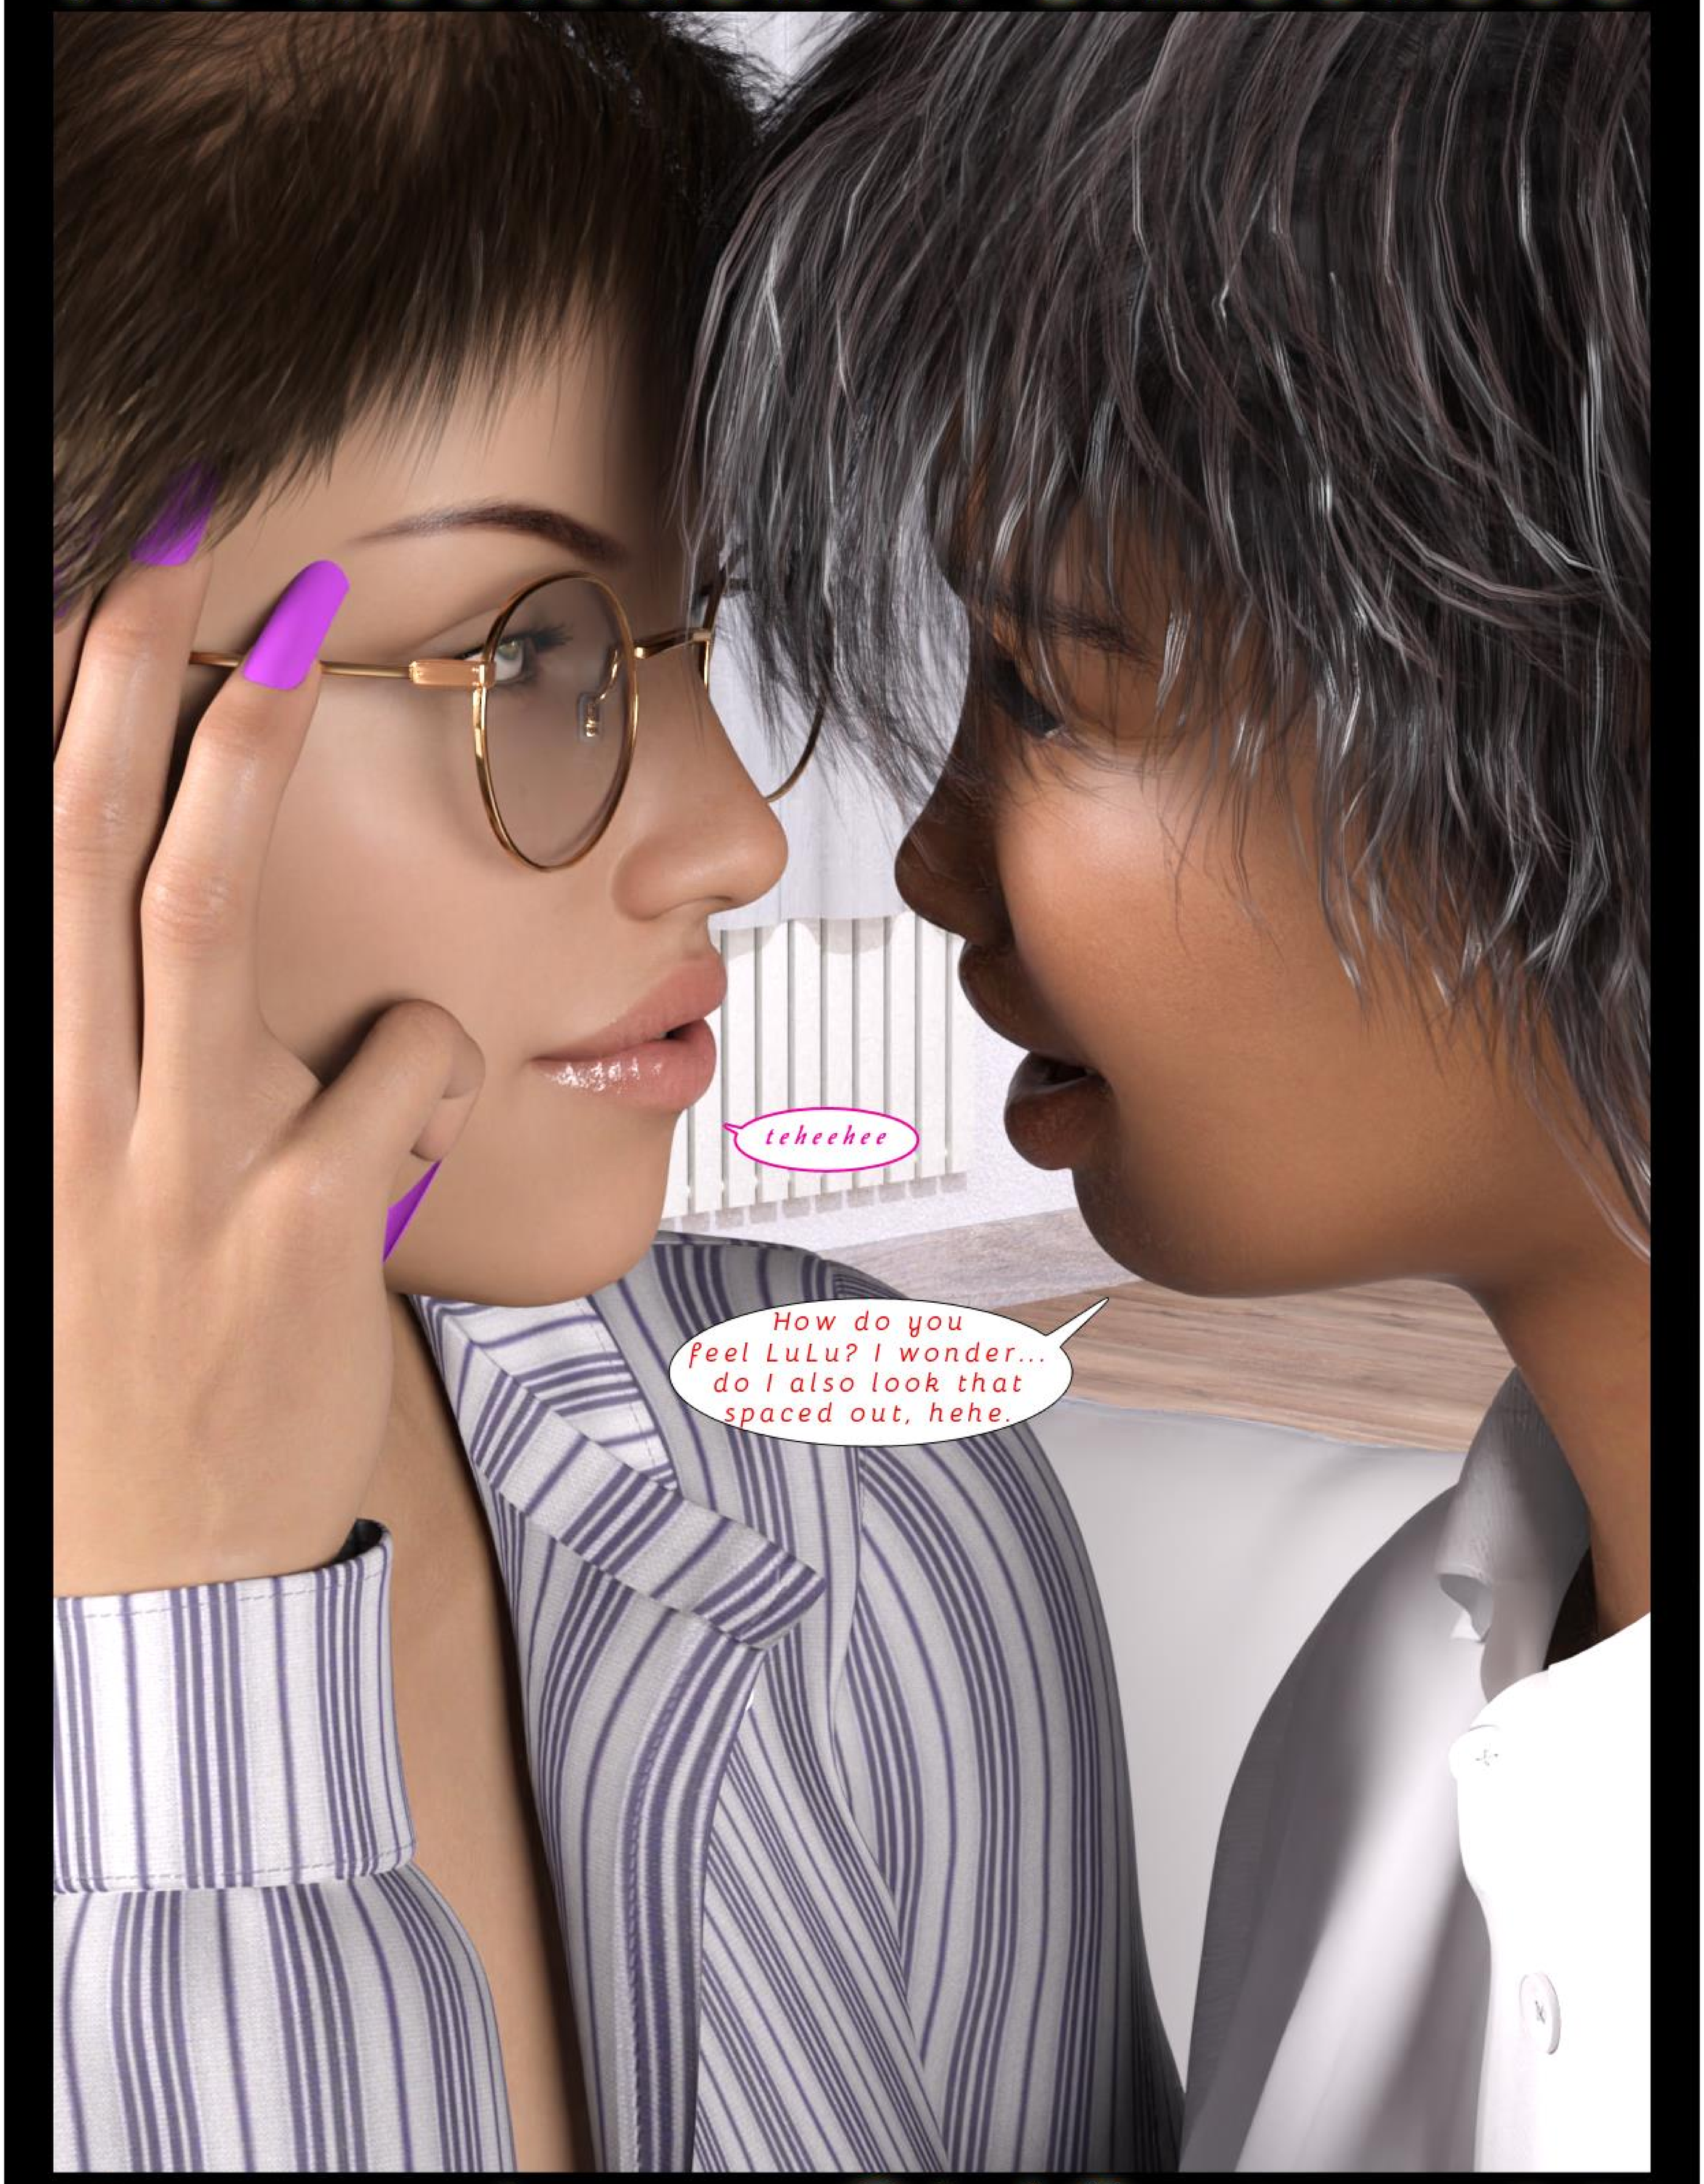
Huh? *giggle* Like, why?

But the pills are already showing their effects.

lengthen

stretch

Because there could be side effects if you take more than one pill in a day.
I never take more than one and I don't know what the side effects will be.
tehehe Like, side eaffeac...
Wow...I had no idea you'd dumb down that fast, Lou.
LuLu is like no dum dum! 'member, me am like very smarty an stuff!
Not for the next eight hours...or longer. Enjoy the time, girl.
giggle LuLu like totes likes you.



teheehee
How do you feel LuLu? I wonder... do I also look that spaced out, hehe.

The Addiction of Bimbohood

And while Louisa's body is still Bimbofying , Paris' conviction wavers.

I should take the last pill...no...I want to...I must!

Should I take the last pill? Is it too soon after the last BimboMaxx I took?

*I, *um,* can't remember. So I shouldn't… but I, *like,* want to.*

*And, *LuLu, like* needs a guide, so I *kinda hehe* have to…*

I must!*

The Addiction of Bimbohood

The massive increase in breast mass and sensitivity drives Louisa, or Lulu, crazier. And while her cravings for sex become overwhelming, more changes appear.

Lulu's eye lashes start growing longer and thicker, while the skin pigments around her eyes change to resemble heavy makeup. Her nose-tip points upward and its bridge shrinks while curving inwards...giving her a girlish looking snubby nose.

slurp
Moar! Mmmh need... mooaaar

Lulu's formerly pedestrian lips plump up, getting rounder, softer. The swelling awakens something else in her – the need to use her new cock pillows, the craving to suck, slurp, and slobber on something hard. Her finger is not enough...

And with hungry, pure lust-filled, but dull eyes, Lulu looks up at Paris.

Ohhh? U look wike soooo hawt baaabe. And, wike, what u have in ur hand?

But Paris' Bimbofication is much faster...after the many times she has used BimboMaxx.

The Addiction of Bimbohood

Through the early hours of the morning, when Paris finally falls into sweet slumber, exhausted and satisfied, as the effects from the BimboMaxx wear off.

Bwaddyyy... Lulu wants wike tots more funnn...bwut Paris...

I know. Good thing we found those panties! No other clothes will fit you right now. We're going to my room.

Yawn

Wow...that was...very intense.

I can take it easy, it's Saturday. But for now...

The Addiction of Bimbohood

Louisa isn't here. I'm sure she went to the library right after her BimboMaxx wore off.

I could join her, but the business expo is today. Either way, every day should start with a good shower.

HOVER FLOWERPOT

mhh?

Are they bigger then usual?

Nah, it is just like my imagination. How many days in a row have I taken BimboMaxx? Three? Five…? I can't remember..

The Addiction of Bimbohood

The Addiction of Bimbohood

Meanwhile in Brad's room...

Can we tots do dis againnn? Pwetty pweaseee?

Any time, Babe. The Bimbo version of you is far more likeable.

After a few hours of sleep, Louisa's Bimbomaxx has worn off and she returned to her normal state...

What the... oh...damn...anyone... just not him!

But it was kinda hot...argh... stop it Louisa!

Well...at least it was an experience for me. And a *fun* one too.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

Wow...Paris. That was a trip...

Ah, Louisa. Welcome back. Is that the shirt I forgot at Brad's?

I have never... never felt that free... or relaxed before.

But waking up at Brad's side... that was...

...Like surprising. And those...Like's and giggling are strange.

Sounds like an after-effect of your overdose, Louisa.

Hm...you mean that the substance lingers in the body?

The Addiction of Bimbohood

Maybe you're right Paris. I should go out more often...with some BimboMaxx.

Look at you...first time user and now you want to do it more often... Are you craving it?

Says the woman on a daily dose schedule.

Oh you... but first I have to order a new bottle.

I'll split the order with you if you order two bottles.

The Addiction of Bimbohood

What the...

That's not a sales promotion... I have never...

Ah whatevs. Louisa... I just won something.

As the 100,000th customer I just won a lifetime supply of all products from AmazCorp, including BimboMaxx.

The Addiction of Bimbohood

Both Louisa and Paris were distraught after this outburst of bimboish behavior. And while Paris goes for a walk to clear her head, Louisa goes for a shower... but unfamiliar thoughts distract her more and more. Or is it pent up lust breaking through?

The Addiction of Bimbohood

But what Louisa could not expect is that, due to her overdose yesterday, the effect not only lasted much longer... ... but also, now every time she gets horny, her body has a little metamorphosis. As if she had taken half a pill of BimboMaxx.

mhhHHH

The Addiction of Bimbohood

But even the hoped-for shower does not calm Louisa's desire and her unexpected transformation continues...

...but how much of a Bimbo will she be this time...without taking a pill?

The Addiction of Bimbohood

The Addiction of Bimbohood

The same happens with her legs, which from thin and scrawny fill out to...

I think I know like, exactly what to do...I totes wanna go shoppin!

The Addiction of Bimbohood

And so, with very low inhibitions, immoral and other impulses that Louisa blocked all these years...

Hi there, cutie... thanks for staring at my boobs...glad you like them... I like them too.

giggle

Girl! You are looking great! You'll rock da world with a body like that!

I like know, but you rock too, Babe. Ur so hawt I want to make out!

Like... ooopsie?

The Addiction of Bimbohood

Sunday morning...after a few hours full of intimacy, Louisa's body has fully returned to its original look. But something inside her has changed... Her style is more revealing, more feminine, more sexual...

Seriously, Lou. Yesterday's transformation. Did you find a lost Bimbo Maxx Pill?

Seriously, Paris. I have no idea. I went to the bathroom for a shower and my mind was flooded with images from last night. I got horny...

...like never before and with the hornyness my body and mind changed...bimbofied. But I was fully aware this time.

Ding
Dong

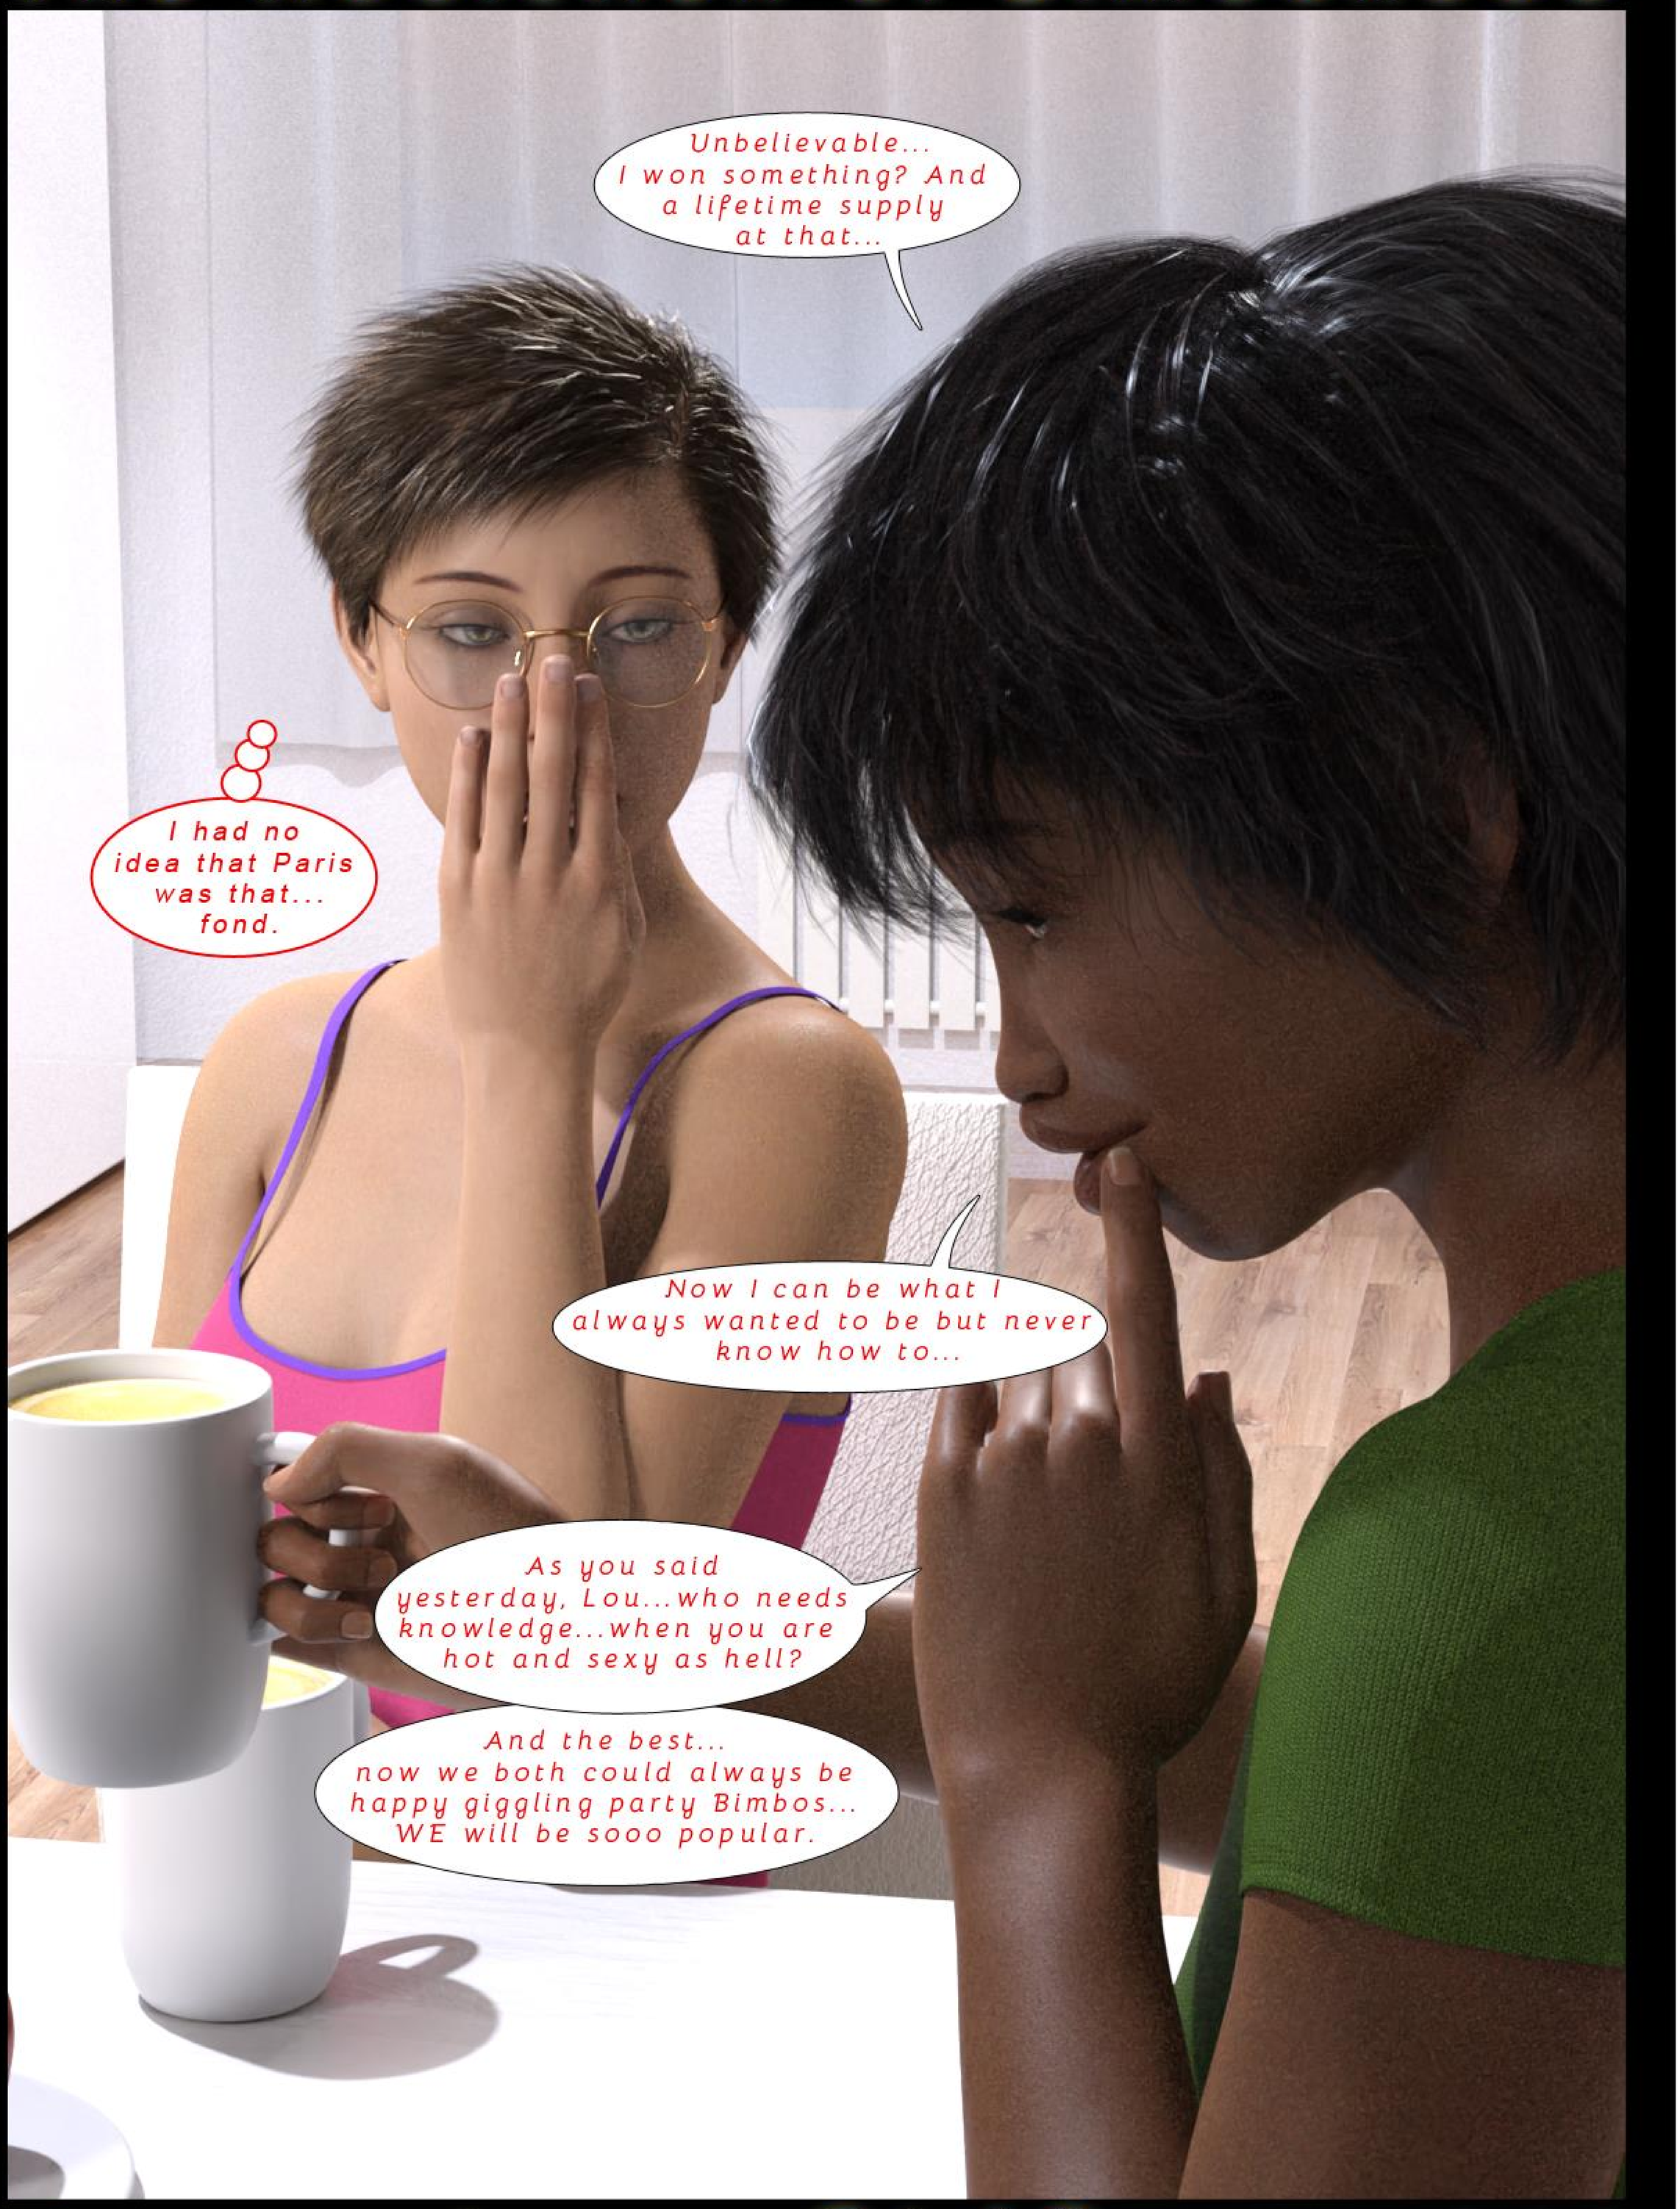
I see...but your tastes have...slightly changed...huh? one second.

What? Really?

That is AmazCorp... Lou...my last order was the 2k12 order they got... I...they..gave...me...

I...have won a lifetime supply of all their products, including our order from yesterday.

Also, instead of sending 10 bottles...they will send 10 packages...of each product from them...we're going to need some free space...



Unbelievable... I won something? And a lifetime supply at that...
I had no idea that Paris was that... fond.
Now I can be what I always wanted to be but never know how to...
As you said yesterday, Lou...who needs knowledge...when you are hot and sexy as hell?
And the best... now we both could always be happy giggling party Bimbos... WE will be sooo popular.

The Addiction of Bimbohood

But on the other hand... the thought of being needed... wanted...in demand...makes me aroused. A happy, carefree airhead.

Those two episodes being a Bimbo... relaxed me more than the best vacation...and why not?

suck

Hot...sexy as hell. Wanted and seen. Not always quiet in the background... Taking...relaxing...enjoying

WHAT?

AM I THINKING

WHAT?

AM I DOING

They were one time episodes. My parents...what would my parents say when I come home as a giggling dumb fucktoy...

I remember what I said yesterday to Paris..but that can't and will never be. I have my mantra, and that is: Knowledge is power!

The way my parents raised me all these years.

On the other hand... using sexiness would grant power too...

A penny for your thoughts, Lou... but I bet I know what's going on in your head.

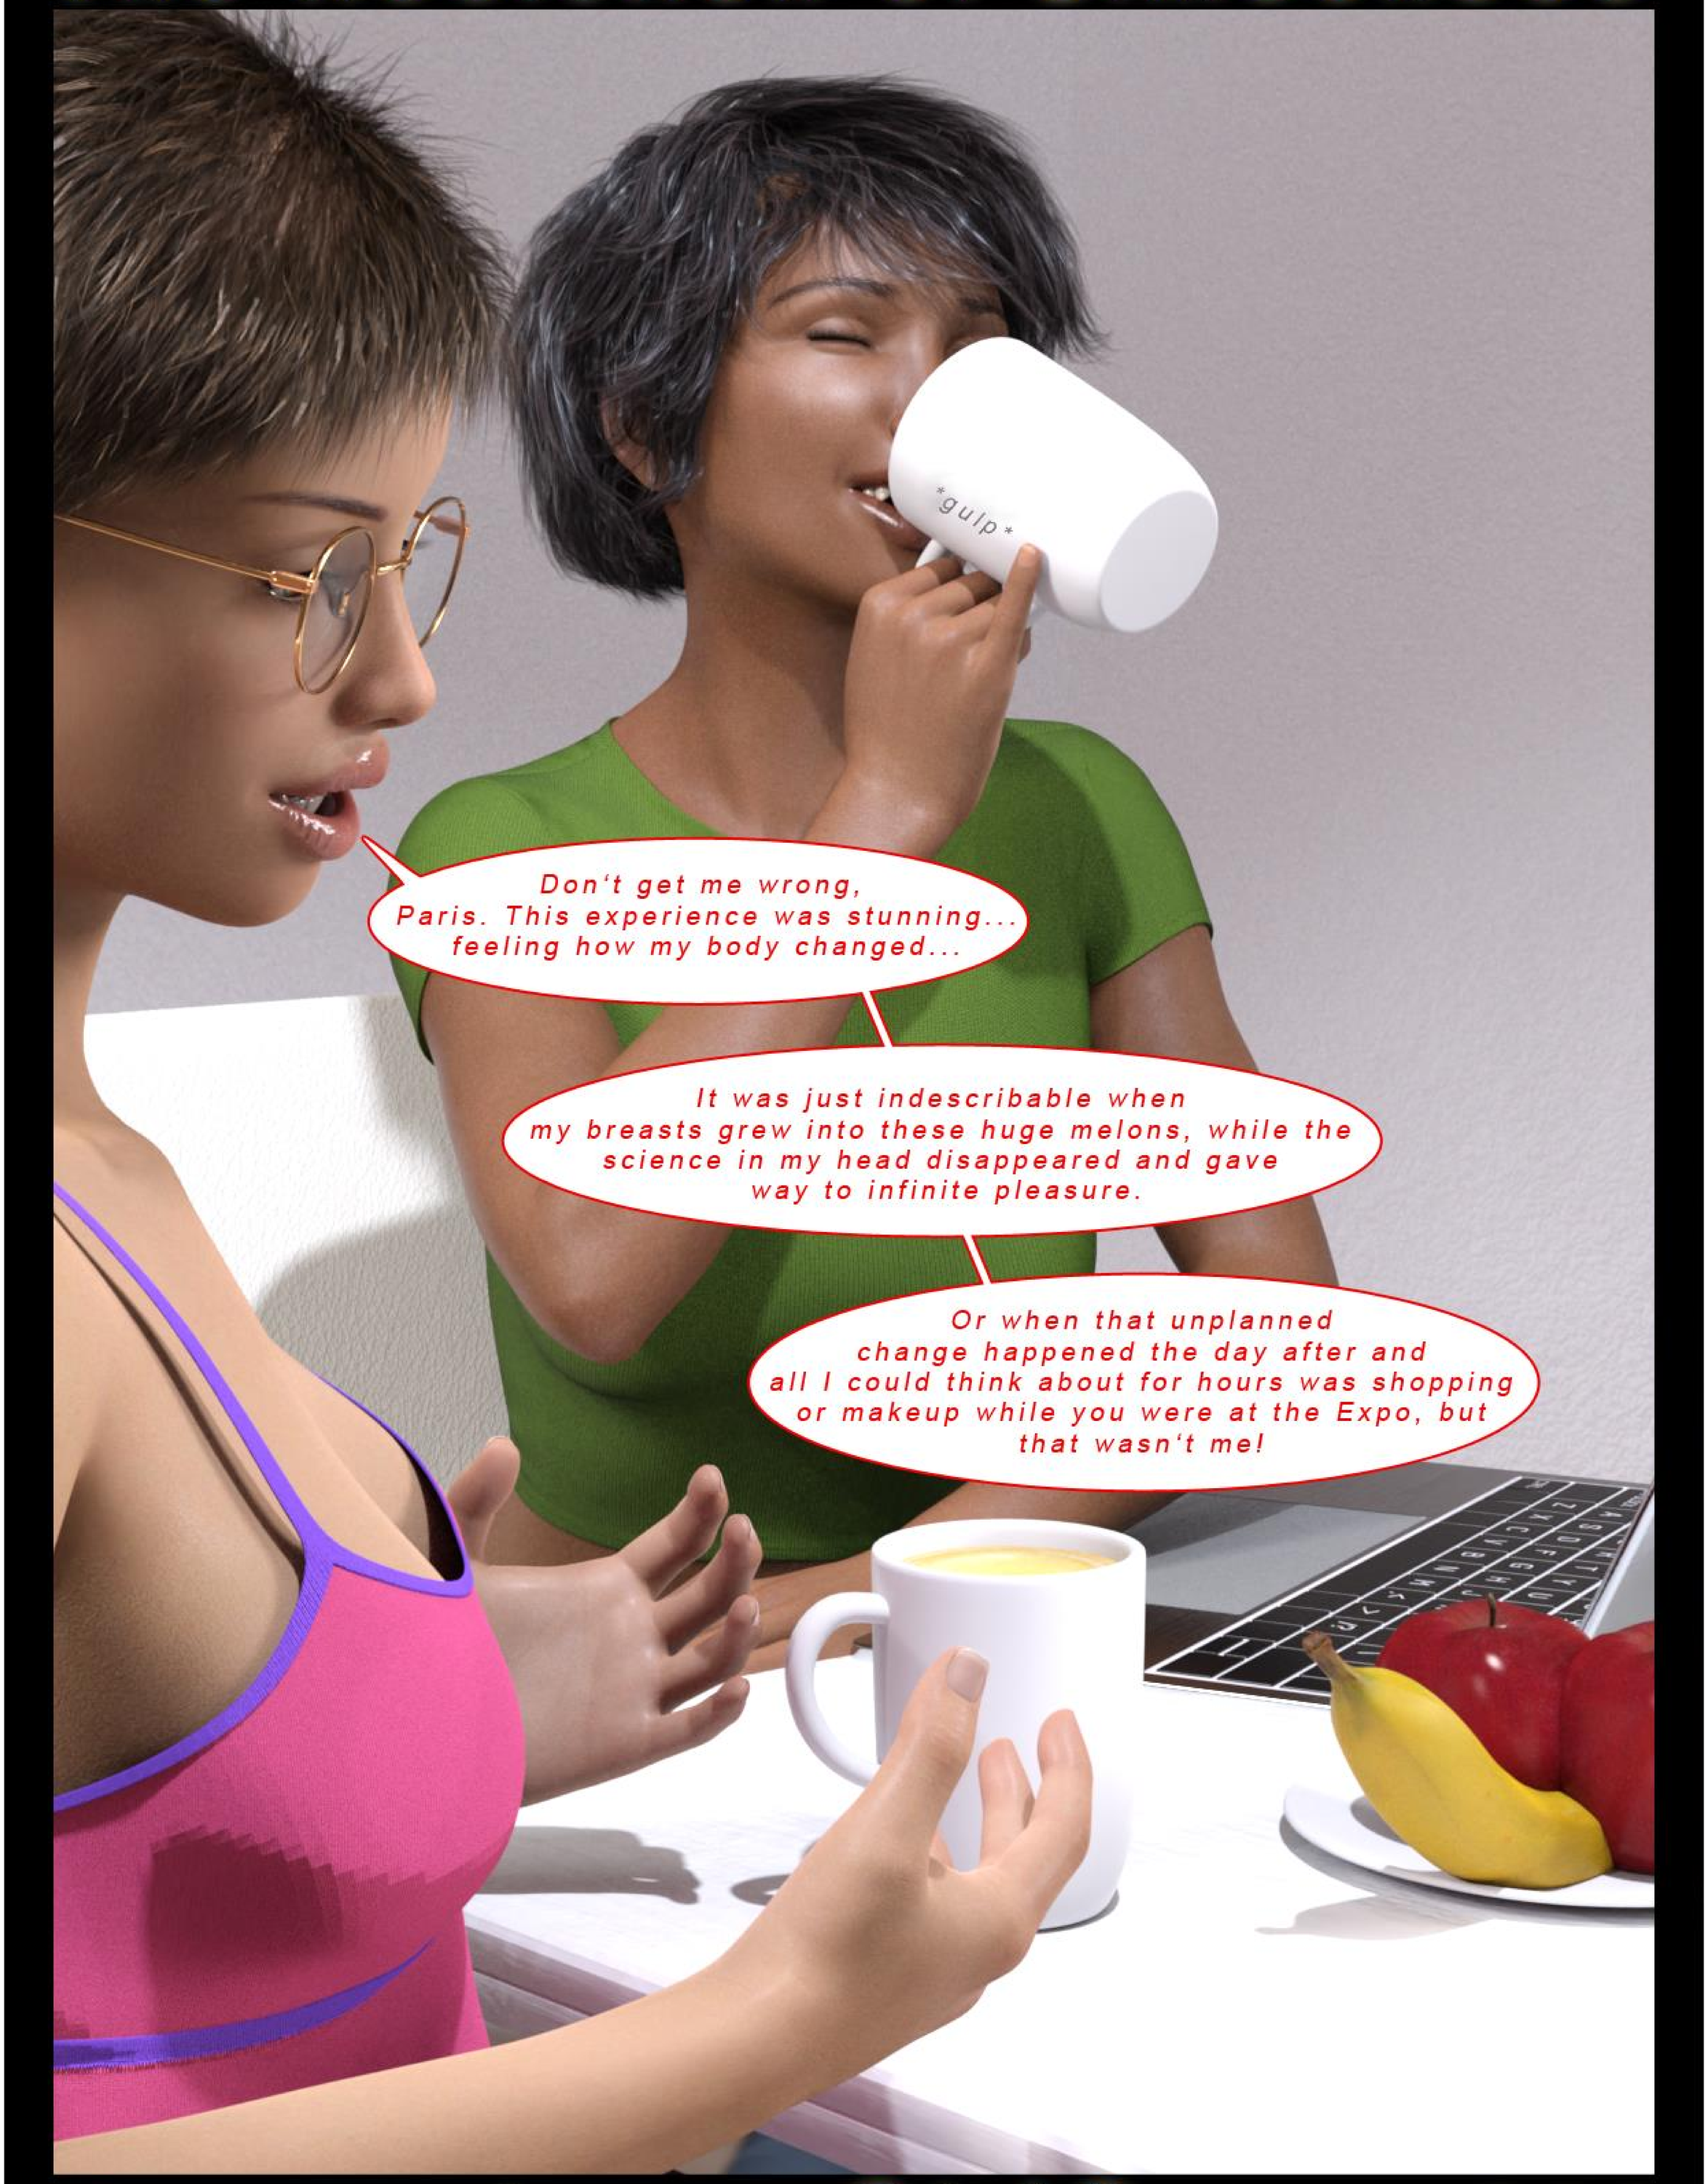
You are struggling with a choice...am I right?

YOU enjoyed it being a Bimbo...craving and hunting for huge cocks, clothes, make up... and sooo much more

...on the other side stands your parents...and what they want YOU to be.

The main question is, Lou:

WHAT do you want to be? You can choose. *snicker*



gulp
Don't get me wrong, Paris. This experience was stunning... feeling how my body changed...
It was just indescribable when my breasts grew into these huge melons, while the science in my head disappeared and gave way to infinite pleasure.
Or when that unplanned change happened the day after and all I could think about for hours was shopping or makeup while you were at the Expo, but that wasn't me!

I feel the same way, Louisa. And I want to live that lifestyle far more - with you. So, why are you struggling?
It doesn't matter what I want. It matters what my parents want, because they have the money and the influence. Without them I would be nothing, I won't give that up for simple pleasure.
I see. But you can have the same, without them.

I see WHY you depend on your parents, Louisa.

How old were they again? 65+, right? They are rich, but old. They fly on vacation, sit on their money and get their kicks exerting power over you and your life.

You can have all this and much more, even as a young woman. You may not be aware of it, but this lifestyle is not only a lot of makeup and fun. Many women who consciously go the bimbo lifestyle are not only in demand but also are popular. All your parents offer you are wrinkles, worries, premature gray hair and maybe an inheritance.

I realized very quickly when I took BimboMaxx for the first time. Some might call it addiction...but aren't you also dependent on your parents' money, Louisa?

I don't want to impose my way on you, but you will not be away from it. As soon as those pills are there, I'll pop some in and enjoy my new bimbo existence.

And you are my best friend. I would really like to have you by my side. Together we can achieve everything and much more - than slutty bimbos.

Is this an unusual lifestyle? Perhaps...but we no longer live in the 1950s, today we live in an equal society. And what men are allowed to do, we women are even more allowed to do.
That may not go down well with all the die-hards, but their numbers are shrinking. And basically, even they cannot resist a shapely female body with a bubbly mind.
Is her Ass bigger? Or just my imagination?
Look at Brad. He takes every opportunity to tease and humiliate you. When you were a horny bimbo slut sucking his cock, you could demand anything from him, right? And best of all, you did it on your own.
Hmmm

The Addiction of Bimbohood

After all, she's not wrong. This and many more possibilities would open up for me. Brad, for example, was putty in my hands...

I doubt he'll tease me like that again after that night.

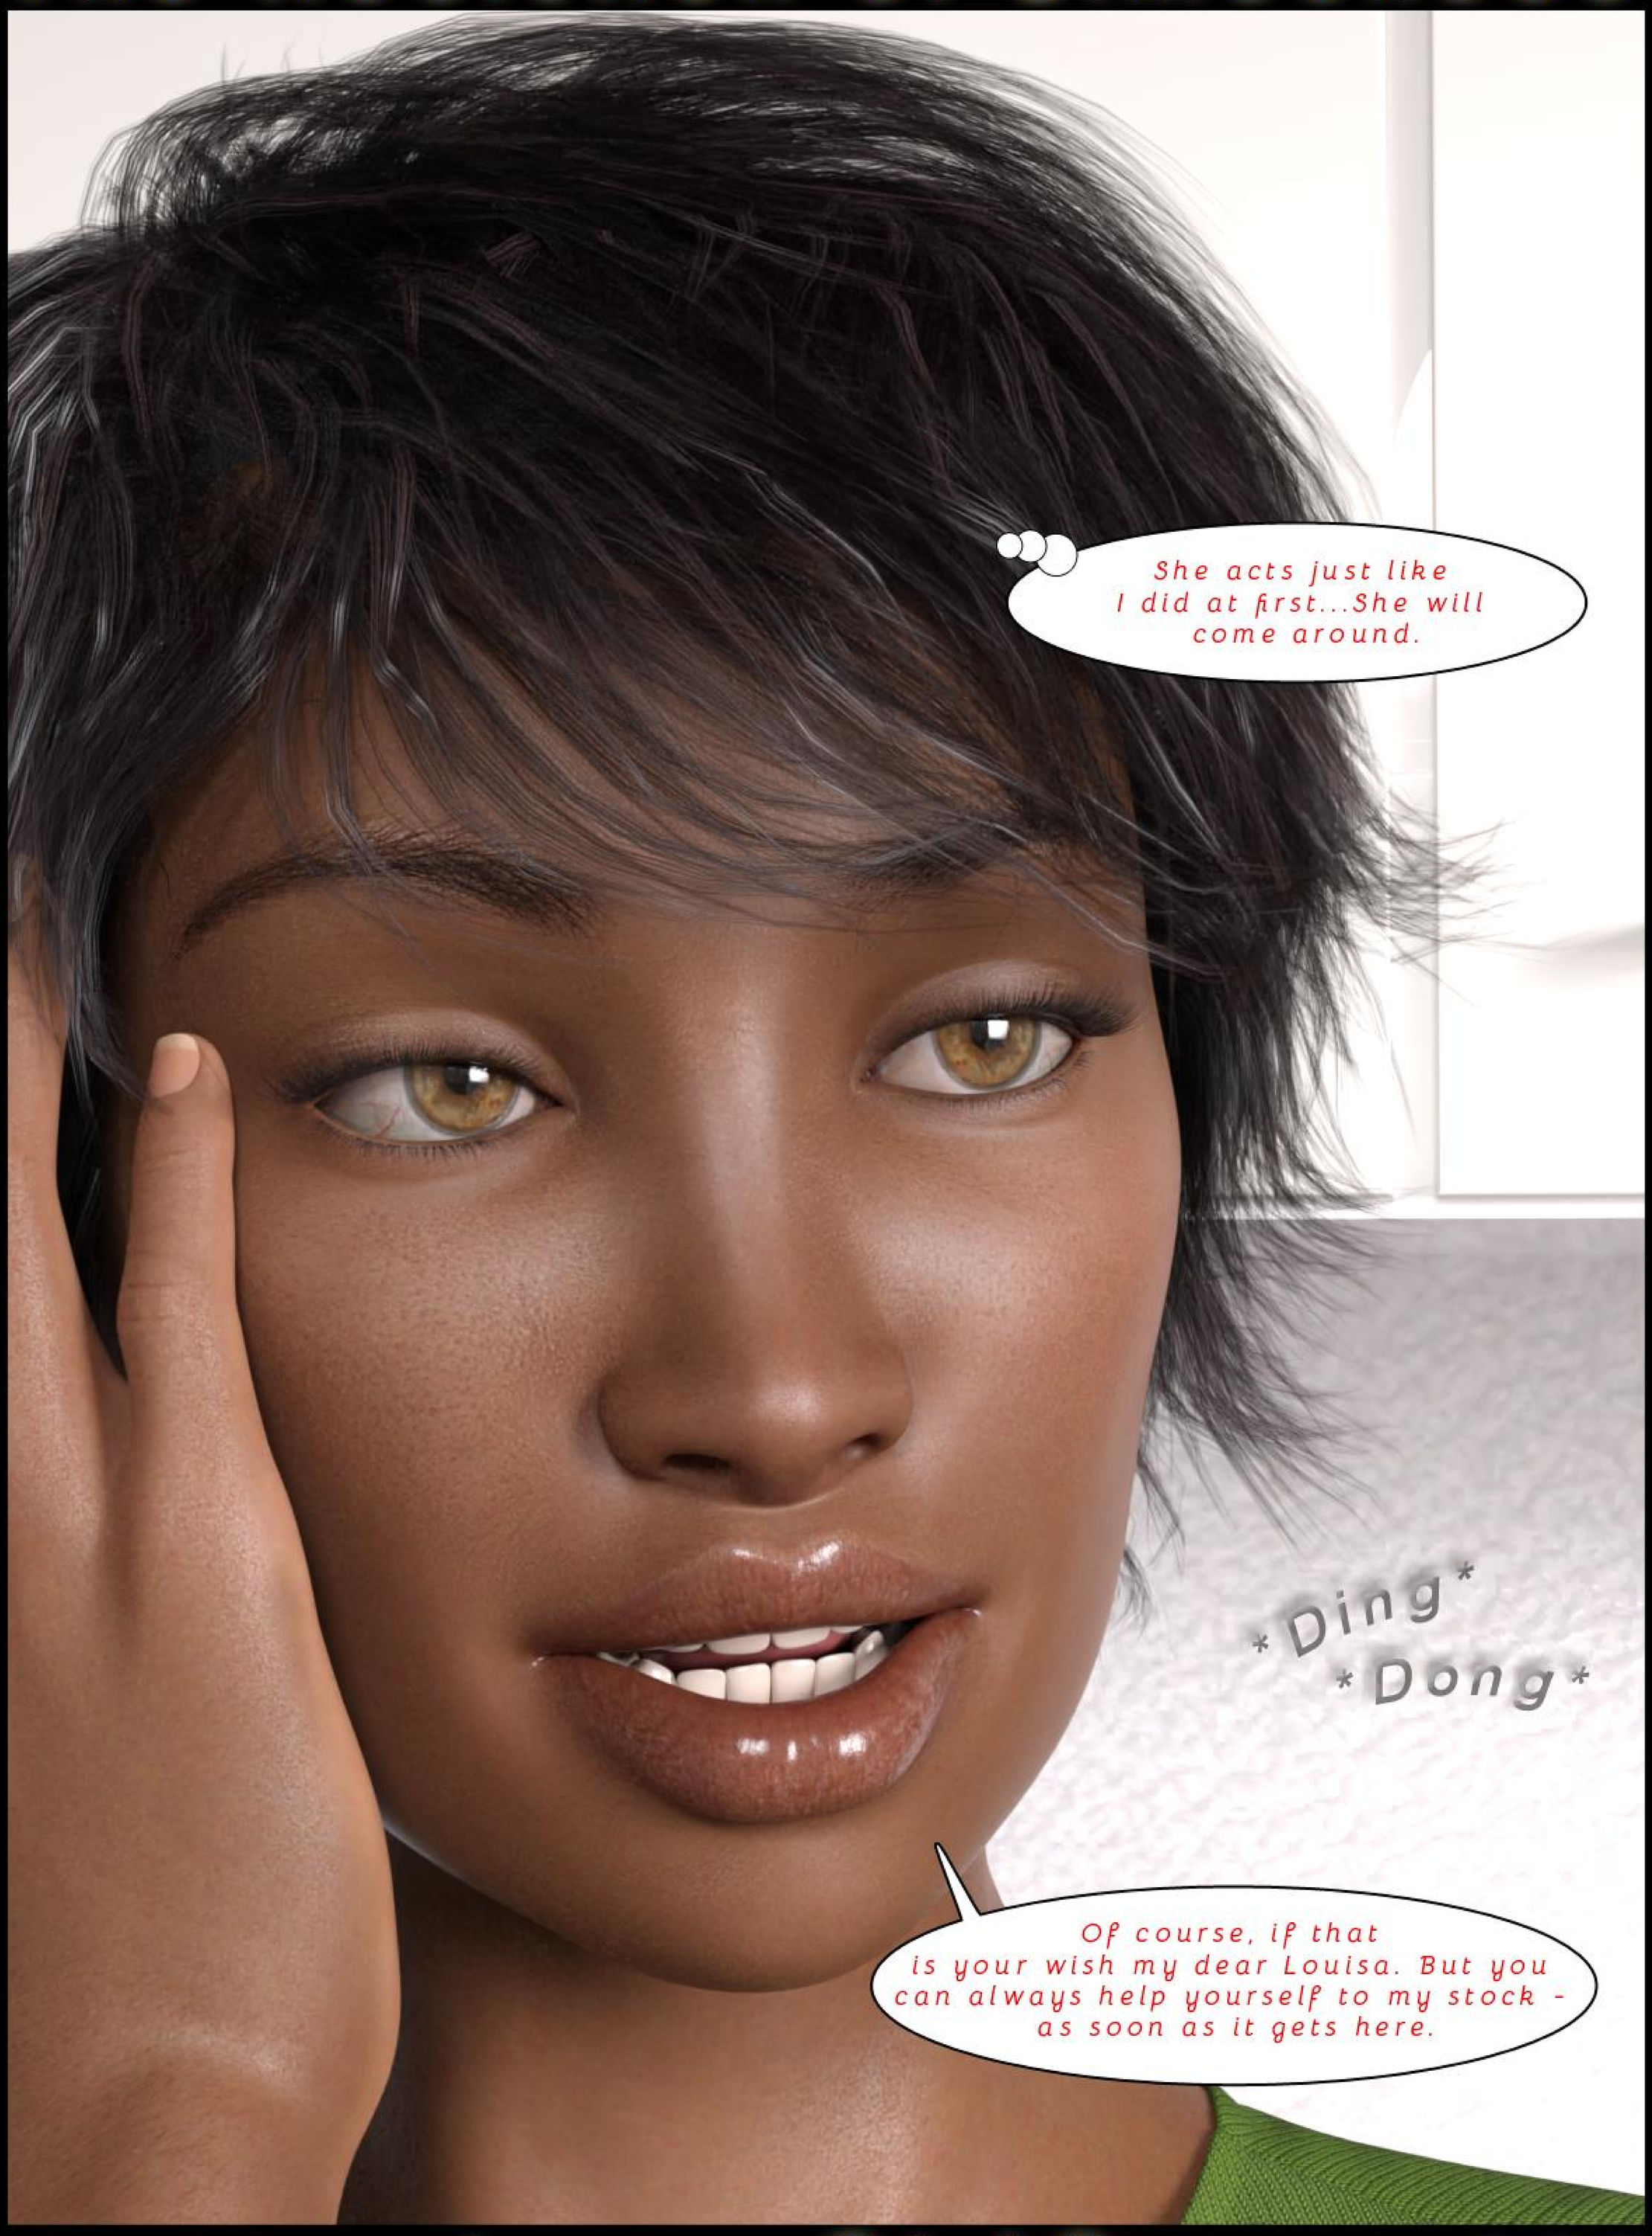
And, oddly enough, I absolutely loved the attention.

Maybe... it's tempting...Lulu the Bimbo.

Wait...is she grinning?

Knock that stupid smile off your face. You may want to go that way, I'm not sure. My parents would give me hell if I came back as a bitch without a brain, but with tits as big as pumpkins.

Huh?



She acts just like I did at first...She will come around.

Of course, if that is your wish my dear Louisa. But you can always help yourself to my stock - as soon as it gets here.

The Addiction of Bimbohood

Thanks to Wile E. ACME delivery service (meep meep) delivery is fast and reliable. Friendliness of the delivery man, unfortunately, is another matter.

But Paris isn't falling on her face, nor is she backing down. She remembers what she said to Louisa shortly before. Men are like wax when a woman does it right.

A woman's weapons are always effective. No matter whether intentionally or unintentionally. And in Paris' case, she is now consciously using these small, yet serious signals. She could also handle it differently...but she decided to be more seductive, more bimbolike.

Personal Note from Amaz:
I don't know about you, but this works for me every time. No idea why.

**In germany we call a wife, who is very bitchy to her husband as „Hausdrache", in english it would be „home dragon", „pet dragon" or „personal dragon". But I'm not sure, if you guys and gals also use / know this phrase too :)*

The Addiction of Bimbohood

How lucky am I ? Collect delivery fee and get laid by a young, hot bitch. A dream come true.

Always thought that female students would be completely buttoned up and prudish...thought wrong.

Thank you sooo much Mr. Delivery MAN... *giggle*

Always at service, Missy.

Who is Paris talking to? Oh...a guest?

What are you doing?

Me? Oh, proving to you that I was right earlier, Lou. You in?

Of course, Paris.

The Addiction of Bimbohood

Let's play a little?

Oh Roomie... here you are...I am like so hot. Wanna have some fun with me?

Like absolutely. I'm really hawt and all wet...

mmhhh

smooch

Oh my... this is so hot.

Am I in heaven? Did I die?

The Addiction of Bimbohood

Want to see more?

Of course he does. But surely he'll give us gals a moment to freshen up a bit and make ourselves pretty?

Of course! hehe

Yayy, wait outside pleaseeee.

We'll let you back in when we're ready Mr. Delivery man.

See? Like wax. And now imagine what power we would have over men like him as bimbos.

Without question. But how do we get rid of him now?

Haha! That's easy.

We leave him there. He'll realize we are not going to open the door and leave. We saved money and muscle power.

That was sort of...interesting.

He is still standing in front of the door and has been knocking for 10 minutes...

In that time, we unpacked the boxes and put away the bottles.

But he'll go in a minute, I promise.

Oh boy... The girls take a long time to freshen up.

How long have I been standing here now?

No one's answering.

Shit!

The Addiction of Bimbohood

I don't do this very often, but it went well... and if I'm honest, it was even fun! Men can be so simple.

I must confess... this game got me excited. My nipples are rock hard and concentrating is extremely difficult for me.

There are enough pills now...I might try something new or pop a BimboMaxx. It's still early enough, the effect will have worn off by tomorrow.

The Addiction of Bimbohood

hm...which one will it be...MilkMade, Bimbo Maxx or light, BootyBadonk...or should I try something new? There are so many to choose from.

Oh, I see... we both had the same idea.

Will you give me one BimboMaxx, please?

Oh? I thought you didn't want to become a Bimbo anymore.

Of course, I'm just...doing research. This is only for testing purposes.

Of course. For testing purpose, Lulu.

But I understand you, Louisa. Here is your 8 hour bimbo fun ticket.

I'll try something new...MilkMade.

Why'd you take your shirt off?

Of course, I don't want to ruin it.

I see. I will keep mine on for now... I can wash the milk out later.

That's not an option for me...and I don't know how huge my tiddies will be

This feels strange Louisa...I... can feel my breasts filling up...
