Our first contact

Hi there. My name is "Raycess" and this is my question.

"Will there be a sequel for double possession?"

Thank you for questioning us, "Raycess".

Double possession  
require some drawing  
so I will delay it until  
I know how to draw better.

And here is the next question from "Melina third" sent to us by letter.

- Will the SAO stories be finished?
- Will you ever make a fairy tails possession story? In future?

Of course, we will finish SAO but Fairy Tails, we don't have any plan yet.

We didn't know much about Fairy Tails also.  
Forgive us about this.

Okay. Next is from  
"Camo King".

"Will there be more  
military theme corruption  
or possession? If then,  
what kind of concept  
you want to put in those?"

That's a great question!  
Of course we do!

Conepts? Defeat the  
evil who stand behind  
using black magic.  
Her code name, as  
far as we know,  
is "Death Crown".

Also, there are 2  
same questions  
came from "Xodid12123"  
and "奕舟 骆"

"Will there be a sequel  
for Ruined King the Alter?"

I will leave this question for our first special guest.

Ms. Eula? I thought  
Mr. Viego will come?

No, my Master is too busy. So..

..he told me to  
come here instead.

Wait.. Is Viego.. controlling her?

Sort of. More like brainwashed her.

As you can see, Ms. Eula here represent for where the next story continue.

Uhm!?

Woah.. They  
kissed each other!

Uhm.. Ah..  
Slurp.. Uhm..

Slurp.. Uhm..  
Slurp.. Slurp..

Now, it's time for special event.

I and Ms. Eula will do.. some lewd poses.

And the camera  
start shooting!

Ehem! That's  
enough! Can you  
release her?

Sure. I will take my leave and return to Viego now.

Thank you for  
coming today,  
Ms. (brainwashed)  
Eula.

Wha-What just happened!!??

Alright. We will  
come to the next  
question from  
"Mrmiro177".

And where are  
my clothes!?

"Where does your idea  
creating stories came from?  
Any movie based?"

PC

A character with short purple hair and glasses is shown from the chest up, holding a large, detailed black assault rifle. She is wearing a blue and white patterned scarf and a blue jacket. The rifle has a green 'Z' on the magazine. In the background, there is a whiteboard and a window. A blue water bottle is on a table to the left. A speech bubble is positioned to the right of the character.

Of course, my squad was created base on FPS game that Shizumi played, and the request from our supporters.

Well.. I wish my squad will fight with Venom.

My story was based on Venom, and also C-2000 was from Terminator's franchise.

I have watched  
and knew what  
is your weakness.

Hold on. Why the  
air become so  
cold suddenly?

Who the heck  
threw my clothes  
at the hallway?

And next question  
is from "Quân Trần Duy".

"Will you continue  
Genshin possession  
or any Baby related  
stories?"

Of course we do.  
I was about to  
travel to Teyvat  
for a trip.

Venom versus  
Raiden Shogun?  
I supported for Ei!

Come on! We worked together so at least stand on my side!

If about Baby related stories, we will have a special guest.

Well.. I'm trying to reach her here.

Hm? She haven't arrived yet?

She didn't answer  
the phone?

Hm.. I texted her.  
Let's wait by coming  
to the next question.

Okay. "Quân Trần Duy" asked if we can do tentacle stories?

Allow me answer  
that question.

A character with short grey hair and glasses, wearing a dark blue tactical vest over a black and white patterned shirt, is speaking. She is pointing her right index finger towards the right. To her left is a piece of equipment with a screen and buttons. The background is a brightly lit room with orange and yellow tones.

First thing, tentacle  
is something  
complicated in KK  
and HS2.

And second thing,  
it will take time to  
do tentacle stories.

Eh!? She is!?

Hah.. I can feel  
our Captain is  
being possessed.

Well, it's fun to possess someone like this.

These minds are  
so weak and easy  
for me to take over.

I can hear you asking "Metamor". About who is our favorite FGO char?

Of course, I love Tamamo! And the Tamamos Gang!

Just because you are also a fox?

Okay. Thank you for answering 2 of our fan's question.

Oh? Here she  
come! Our fourth  
special guest!

Tamaki, the Succubus  
is your fourth guest!

You can drop the  
act now. Do that  
while the original  
still here?

Aiko,  
the Witch?

Ho? Then who  
transformed into  
me while I wasn't here?

I also specialize  
in making skinsuit.

I suppose you must be very surprised, right?

Okay, since you  
two are here now..

"Will you do one long story or many short stories in a month in 2022?"

Question came from "Trollamar xd".

You know that we usually do many short stories in one month.

Yes, and part of a series for each month.

Then, we will talk  
about our project.

I and Aiko will  
collab together!

It's an series.  
My story alone  
wasn't very good  
so..

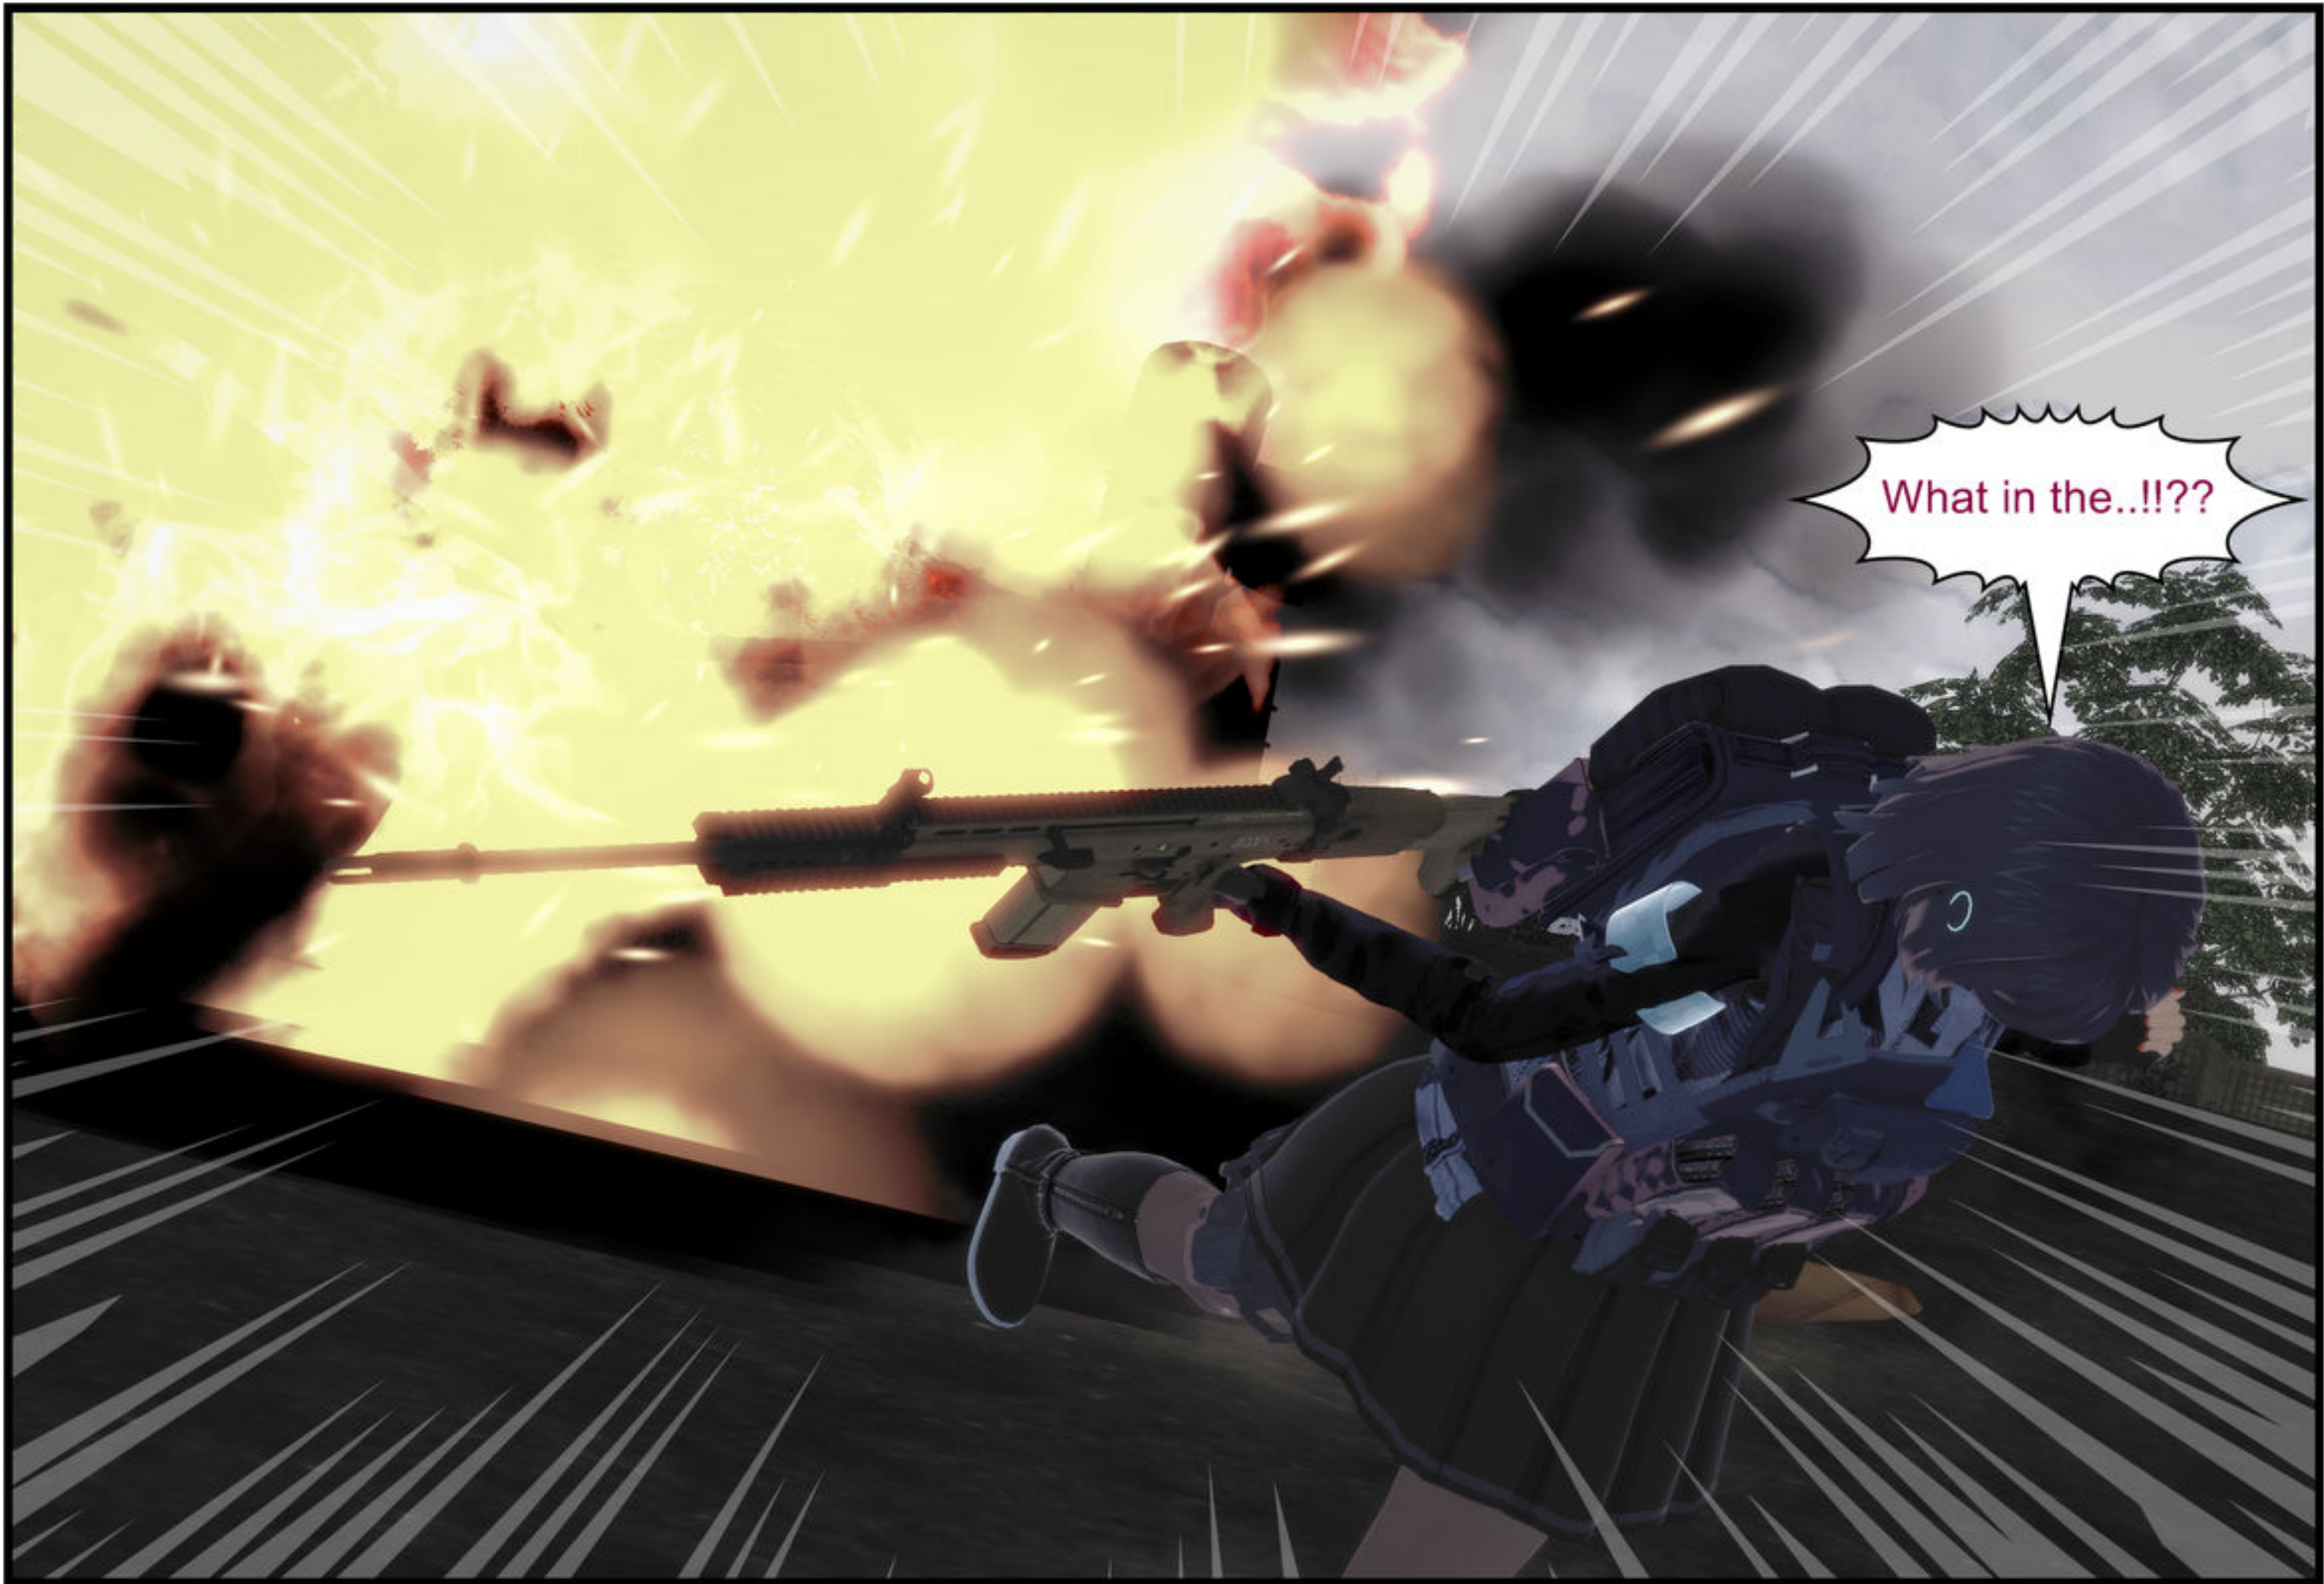

I hope everyone  
can stay tuned  
and like our story.

Okay. Thank you for your coming today. And next, we will show the rest of short story.

I'm starting to get angry with these flies!

What in the..!!??

No.. We are doomed!!

Noooo!! Spare us!! Please!!

Run for your life! Far away from here!!

The military are useless!!!

A 3D-rendered scene featuring two anime-style characters in tactical gear on a rooftop. The character on the left has short, light blue hair with a small tuft on top, wears black goggles, and a black tactical vest. The character on the right has shoulder-length dark blue hair, wears glasses, and a blue tactical vest with a white and blue plaid shirt underneath. They are both looking towards the right. The background shows a cloudy sky, green foliage, and a portion of a building's roof.

Captain! We have  
to move!! Snap  
out of it!!

Incoming!!  
Watch out!!

Uhm!! Uhm!!

Captain.. You need to.. run..

You still there!?  
Hey.. Wake up!!

Haha.. I don't  
feel so good..  
My body.. is  
burning..

Don't say that! I  
will get you out  
the here!

A close-up illustration of a character with short, light blue hair and black-rimmed glasses. The character is shown from the chest up, wearing a dark, textured garment. They are coughing into a dark cloth held over their mouth. Their eyes are closed, and there are several white droplets on their face, suggesting tears or sweat. The background is dark and indistinct.

"Cough" It's.. no  
use.. "Cough"!  
Without the  
vaccine.. I..  
can't be saved..

..I won't make it..  
Just.. do me a  
favor.. If.. my squad  
return.. tell them..

A character with long, wavy blue hair and black-rimmed glasses is looking down at a document held by another person. The character is wearing a dark blue tactical vest with several pouches and a light blue scarf. The background shows a cloudy sky and some green foliage. A speech bubble is positioned above the character's head.

Don't worry! I  
will find them. What  
should I tell, Private?

Private..?

Ah~ Hah~ Just  
two tiny heli and  
some soldiers.

You really think..  
you can stop me?  
The Pandemic?

I crushed them to the ground, infected them, just like what I did with her.

Go on. Shoot me.  
You are already lost.

\*Click\*

This is the end  
of humanity!!

Die. You little bug.

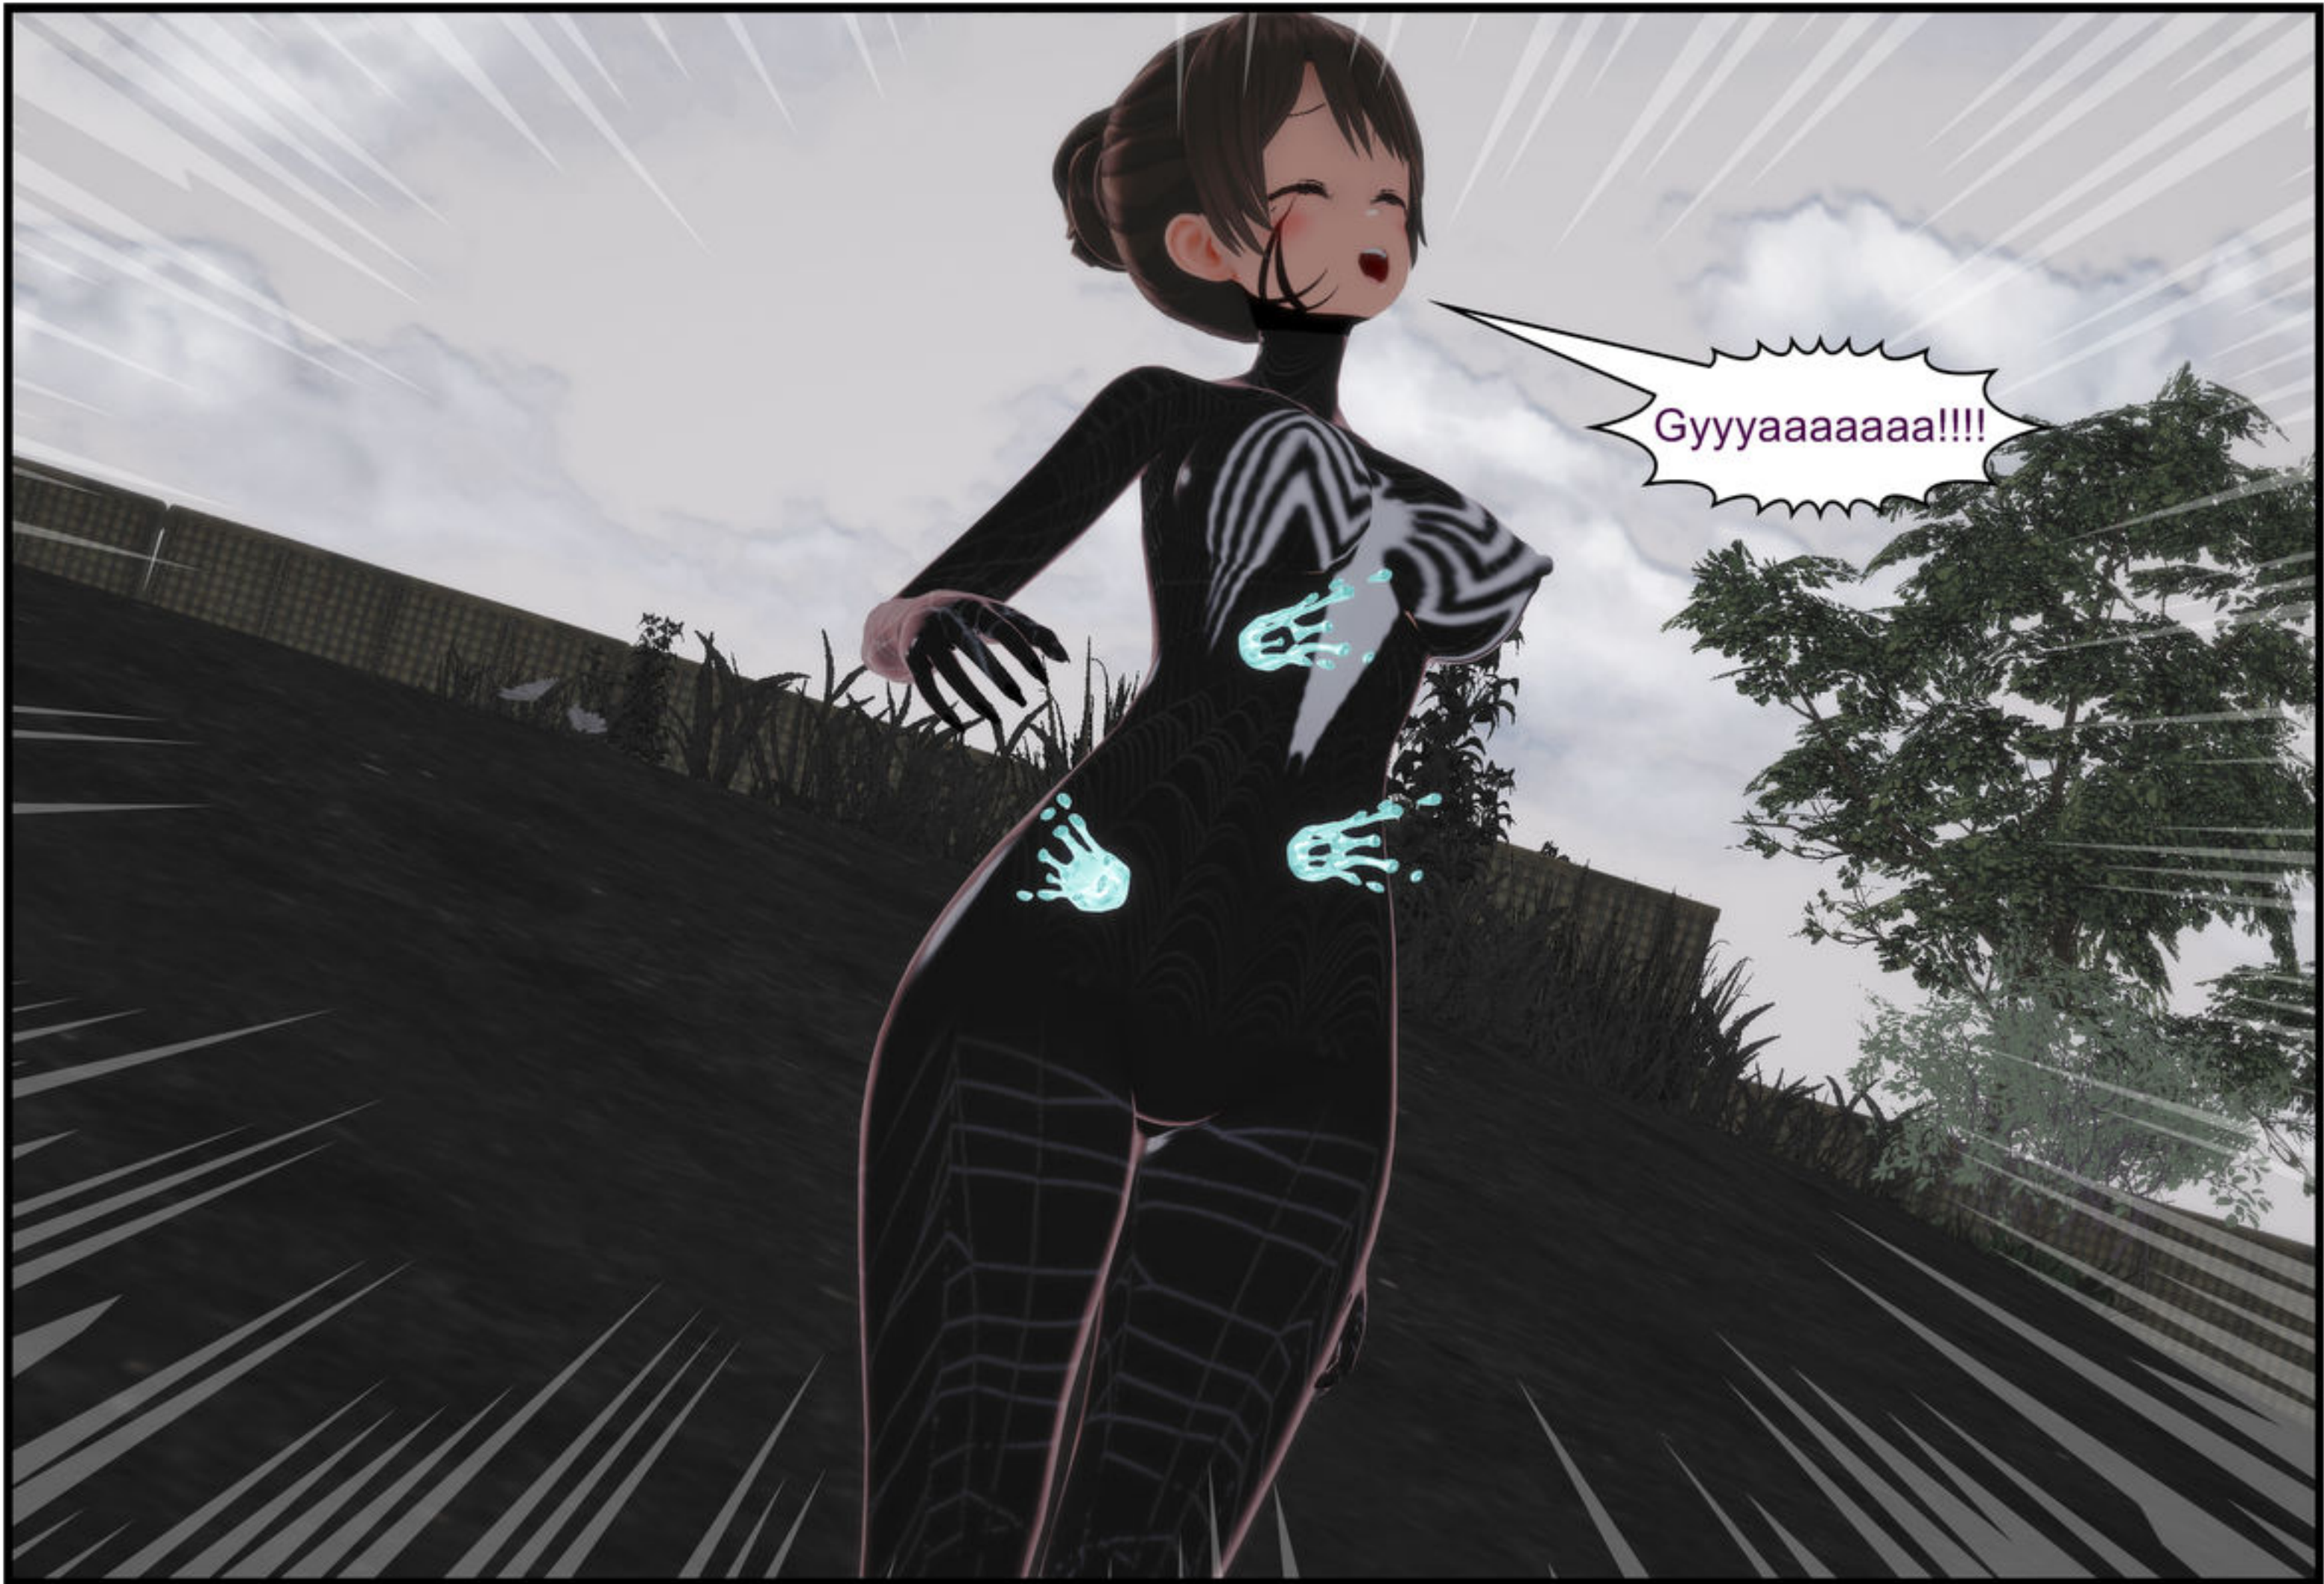

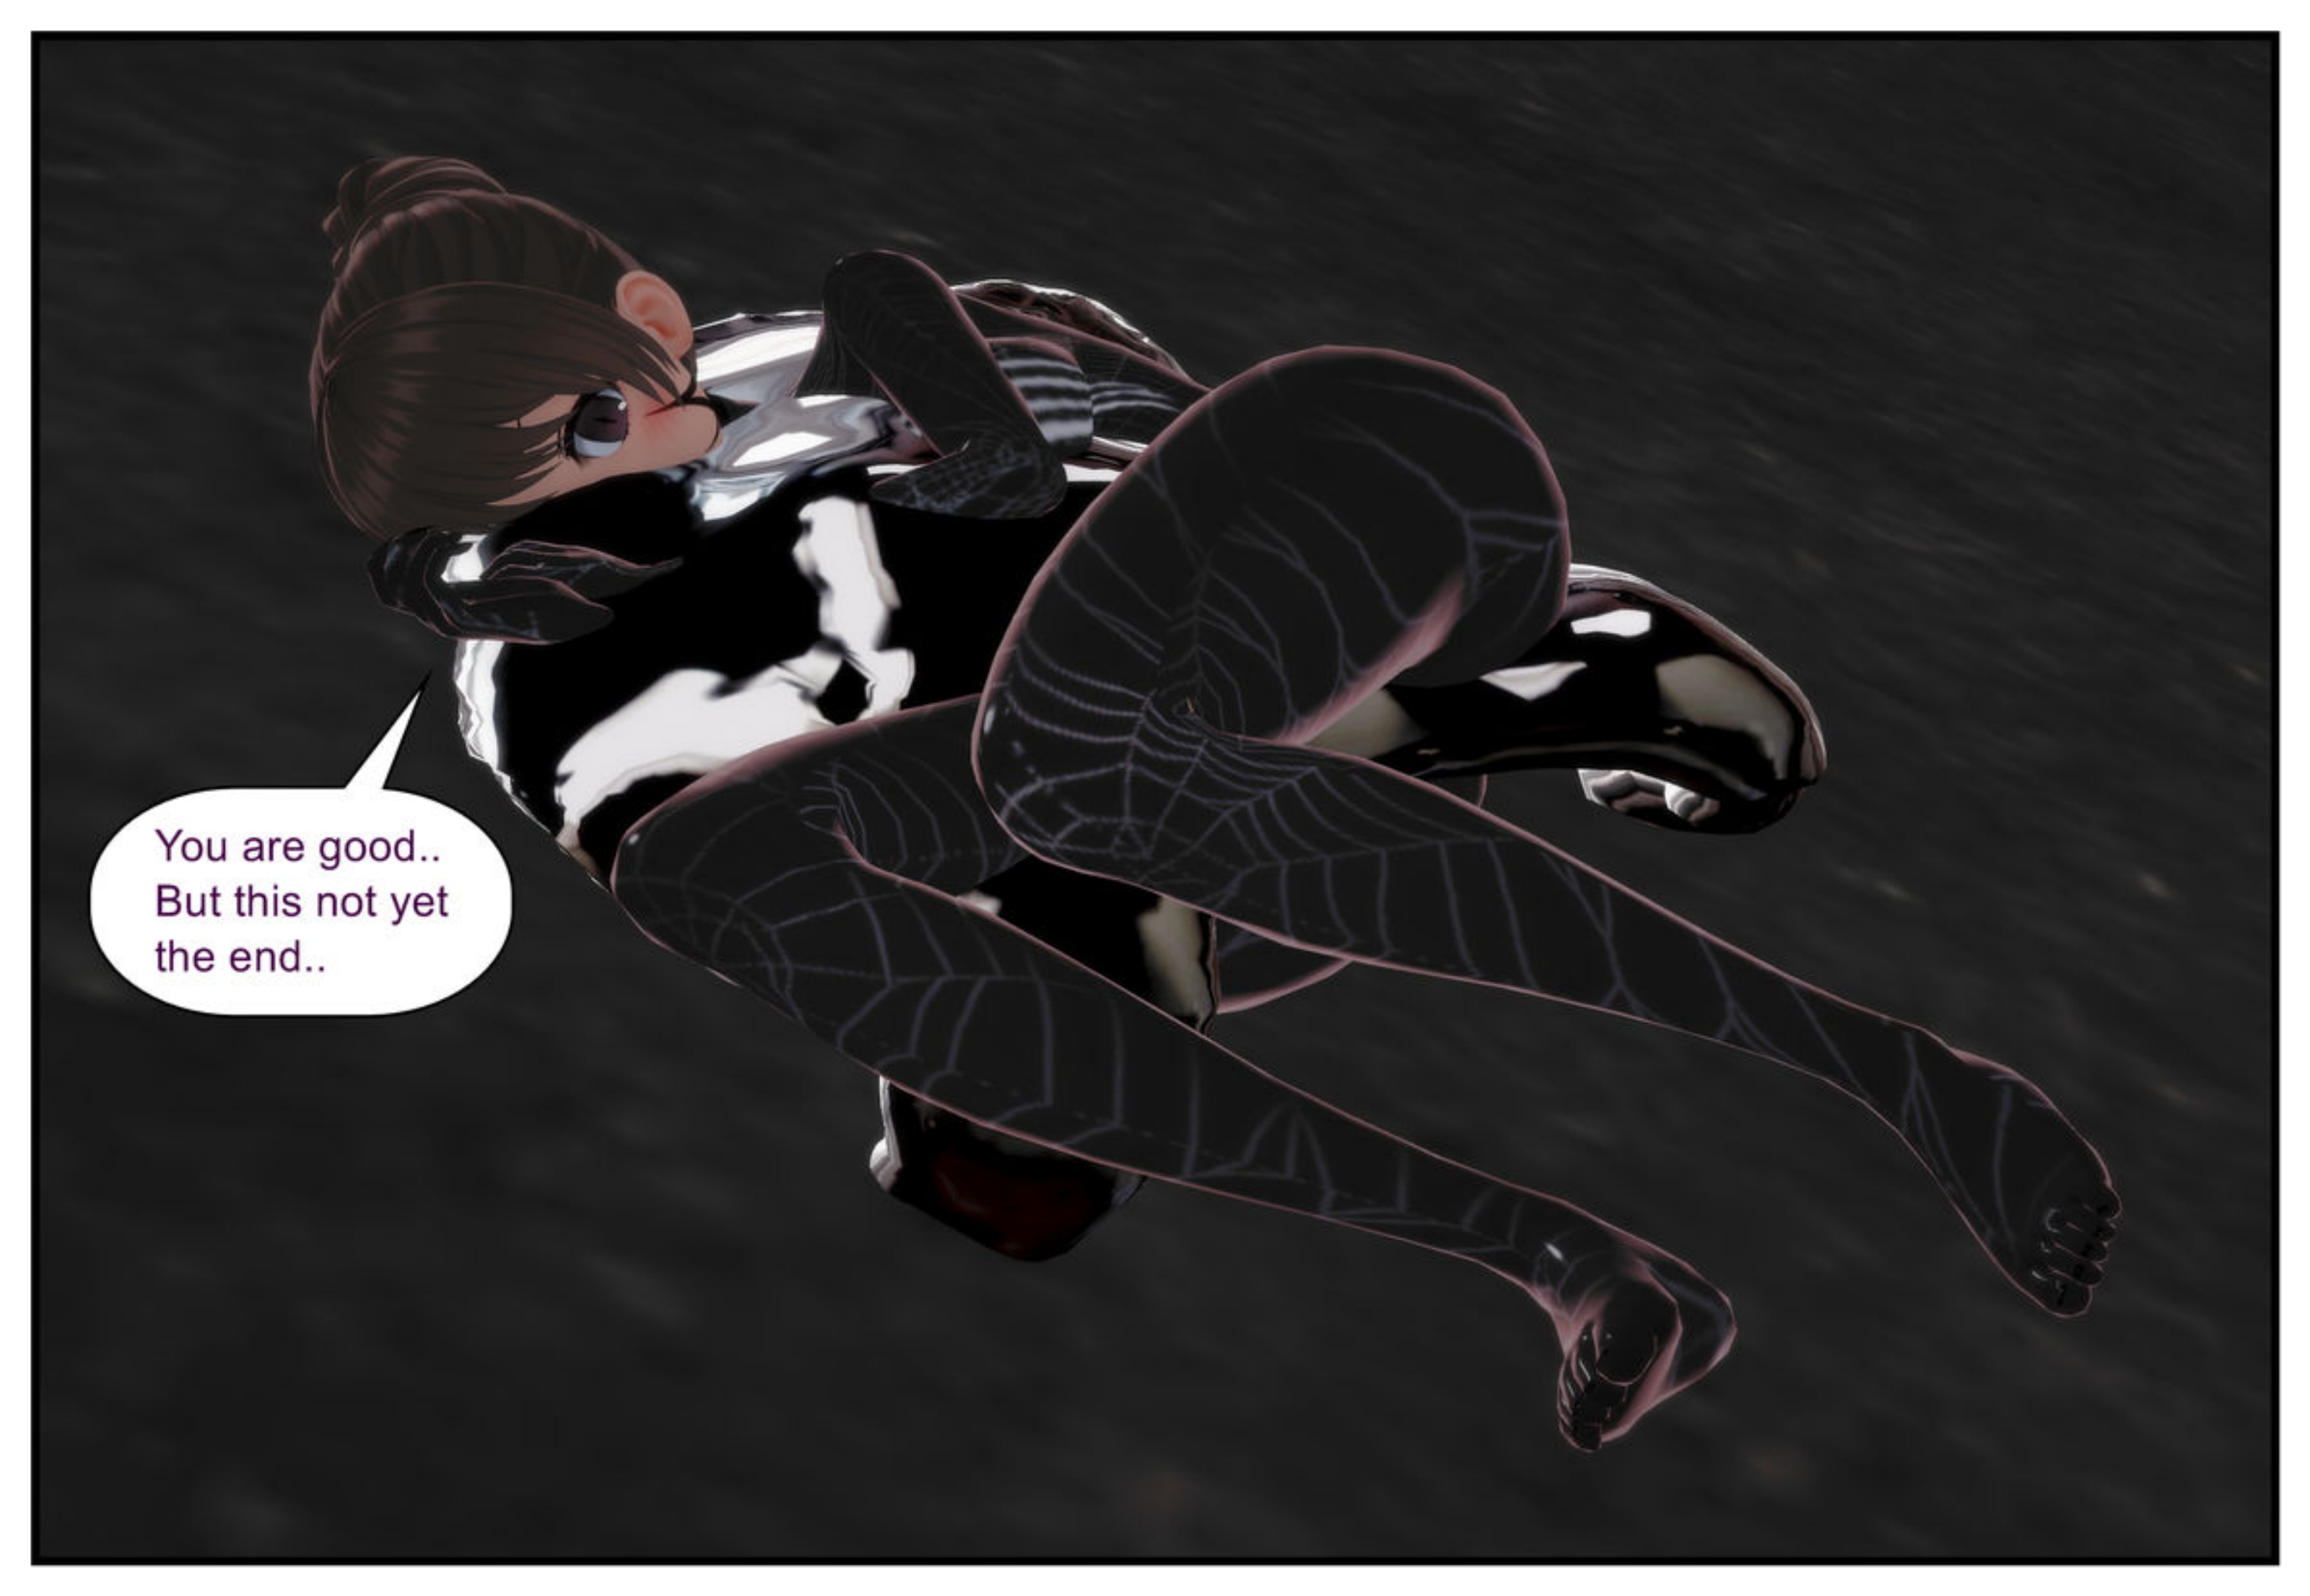

The vaccine..!?  
No way..

Delta Squad has present for you!!

Gyyyaaaaaaa!!!!

You are good..  
But this not yet  
the end..

There's still more  
of "me" out there..  
We will.. seek  
revenge in 2022!

The M.I.A squad  
that went out to  
look for vaccine!

You are..

It's all.. too late  
now.. Private is..  
No more.. vaccine..

You are wrong.  
We weren't the  
only one fighting.

There's still other countries are stand against the Pandemic.

I will go make a bury place for our Private..

You must be the Captain?

Yes, I am.  
And you are..?

I'm the scientist  
from other country.

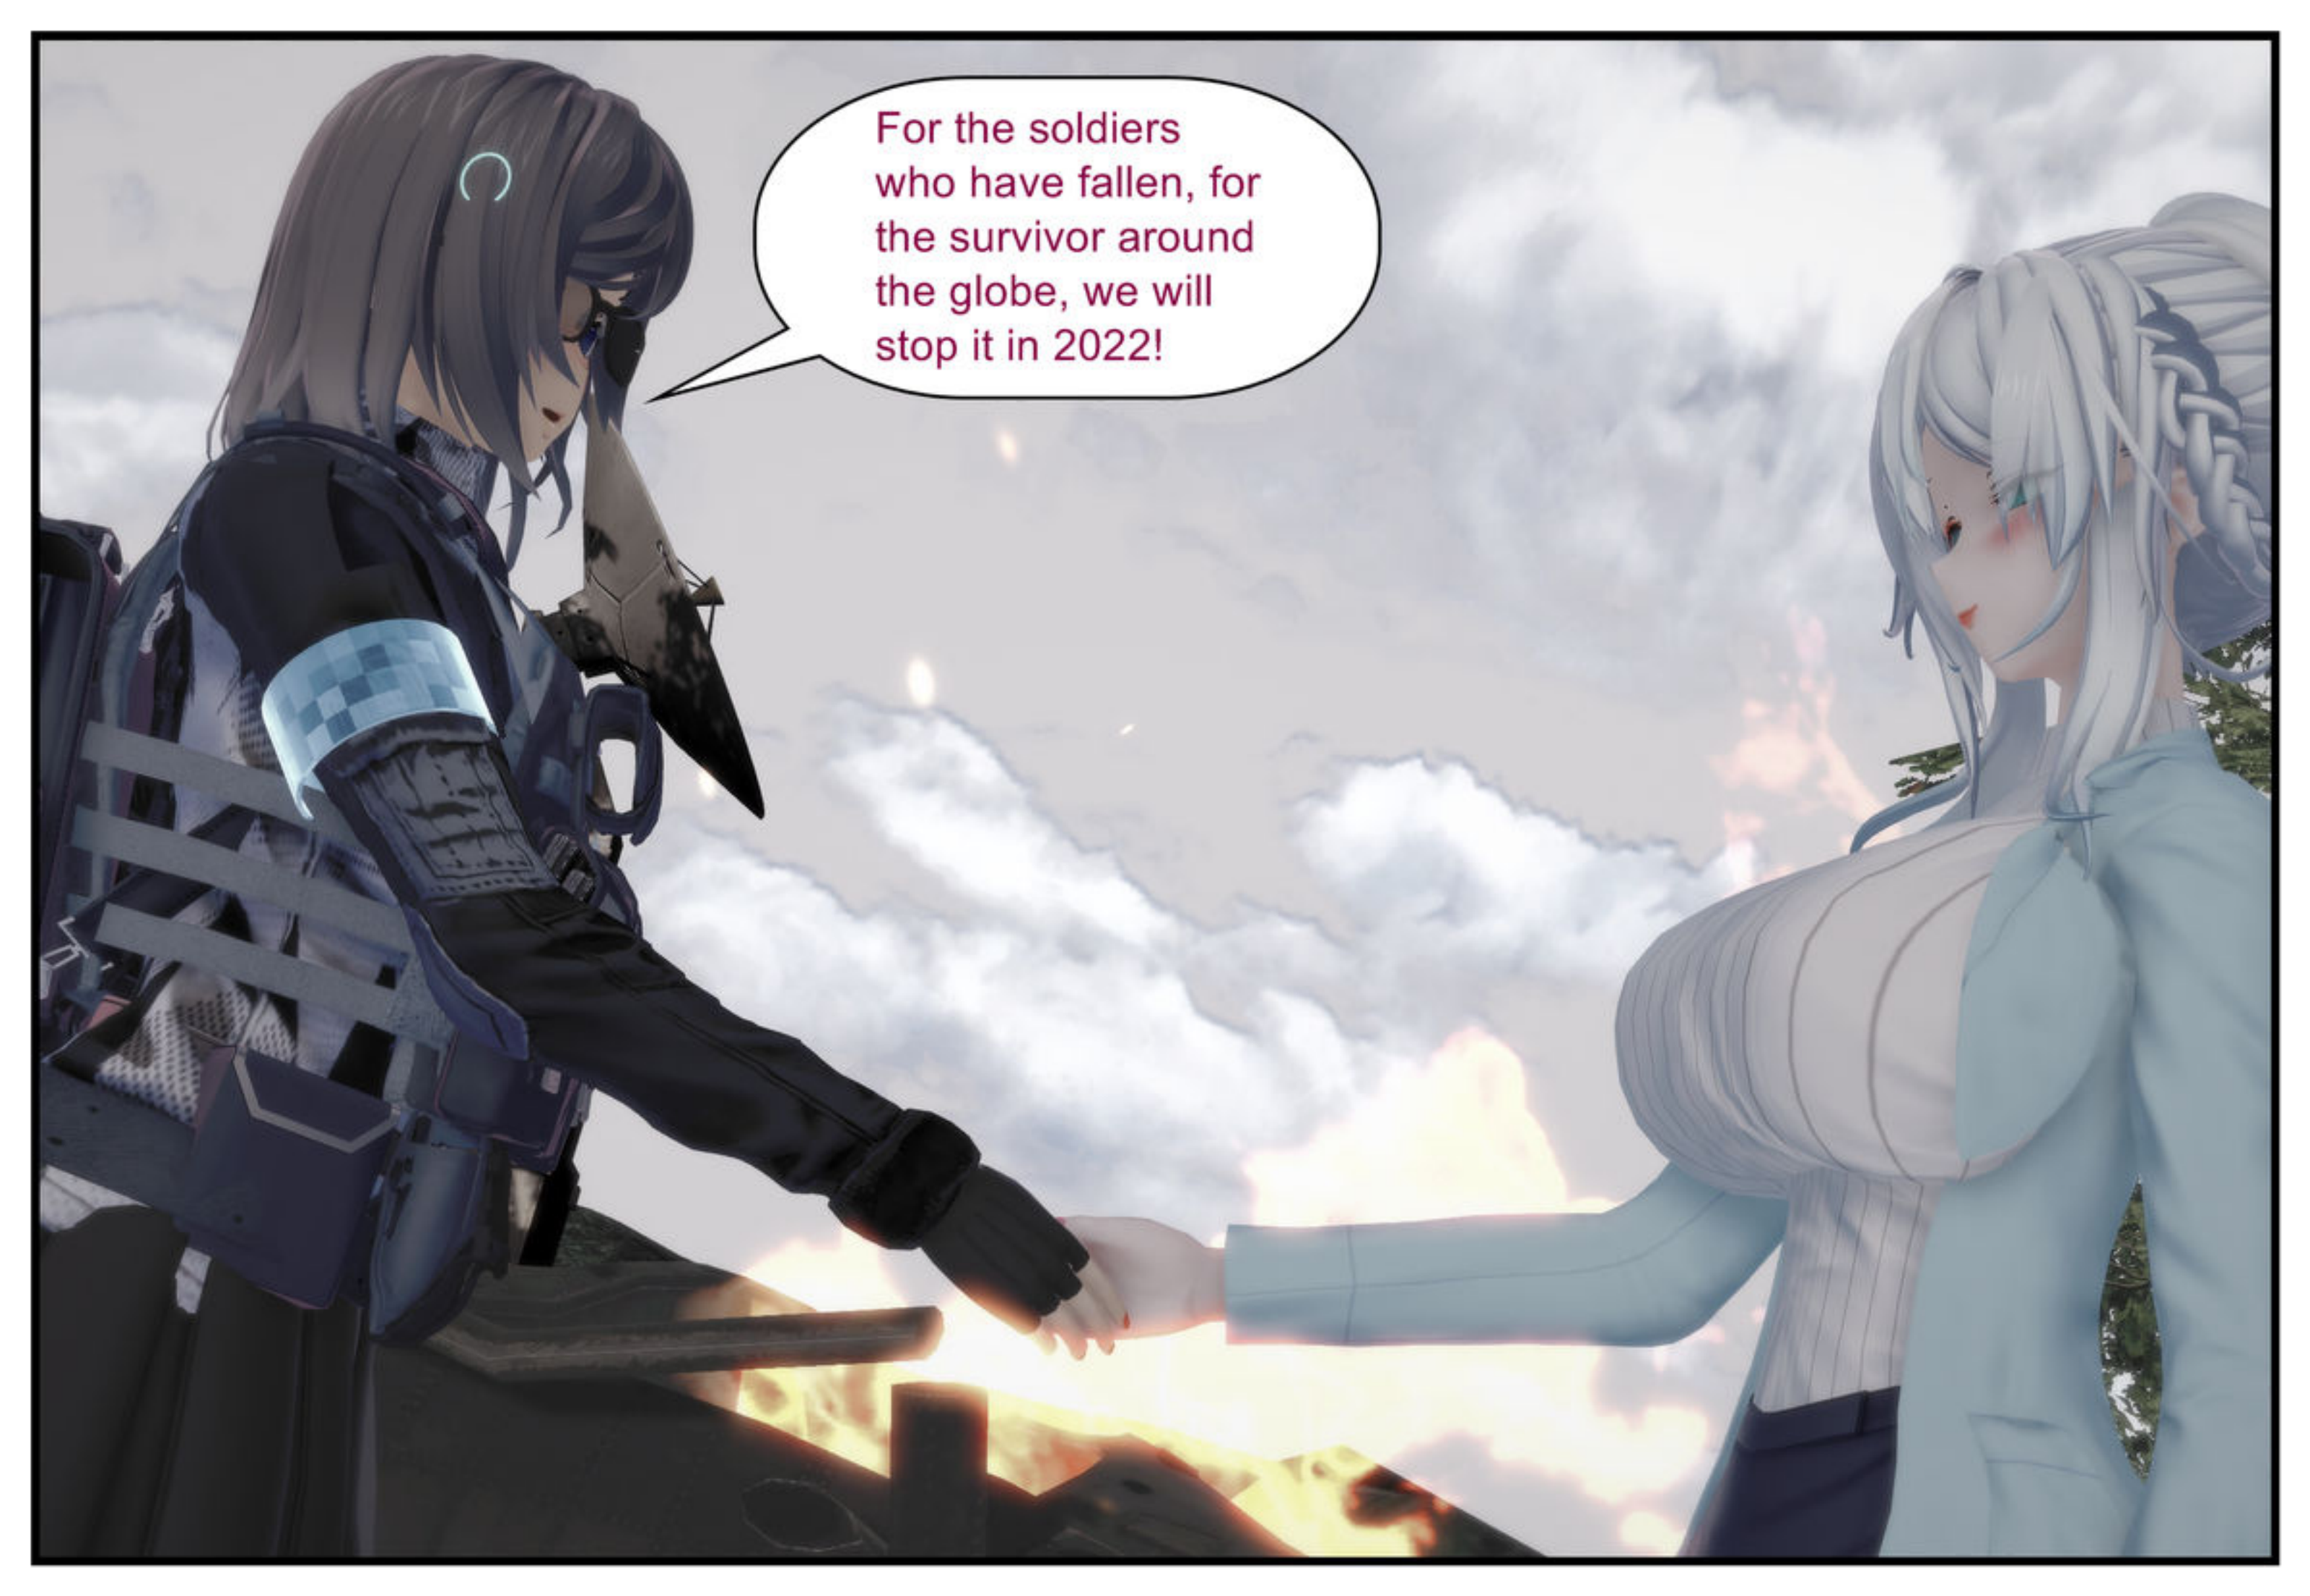

We made a cure  
for all of this. But  
we will need your  
talent leadership.

You find the right person for that. I'm in.

The image depicts two anime-style characters in a poignant moment. On the left, a character with long, dark purple hair and a small blue crescent-shaped mark on her forehead is shown in profile. She wears a dark, tactical-looking outfit with a blue and white checkered band on her right arm. On the right, a character with long, light blue hair styled in a braid is shown in profile, wearing a light blue, long-sleeved dress. They are holding hands, with their fingers interlaced. The background is a dramatic scene of a city on fire, with bright orange and yellow flames rising from the buildings. The sky is filled with white, billowing clouds, suggesting a sunset or sunrise. The overall mood is one of hope and solidarity amidst destruction.

For the soldiers  
who have fallen, for  
the survivor around  
the globe, we will  
stop it in 2022!

Argh!! Can't believe I was shot from behind!!

Told you.

That's the end of our short story section.

There's one more question from "Vvander45".

"Would a metal liquid girl be a slime type of girl?"

As far as I know,  
they are the same.  
But different in ability.

One can transfrom  
and one can even  
do both with possession.

Oh.. That's our  
time for the show.  
Ready to step  
into 2022.

Thank you  
everyone for  
coming to  
the show.

Before we end.  
Let's spare a  
minute for our  
past 2021, together.

Pray for people who has died from Covid and their families.

With all respect to  
the frontline who  
kept us safe in 2021.

Everyone will never forget your sacrifice.

And rest in peace, bless us in 2022.

I wish everyone in  
2022 will have a  
wonderful start!

HAPPY NEW YEAR,  
2022!

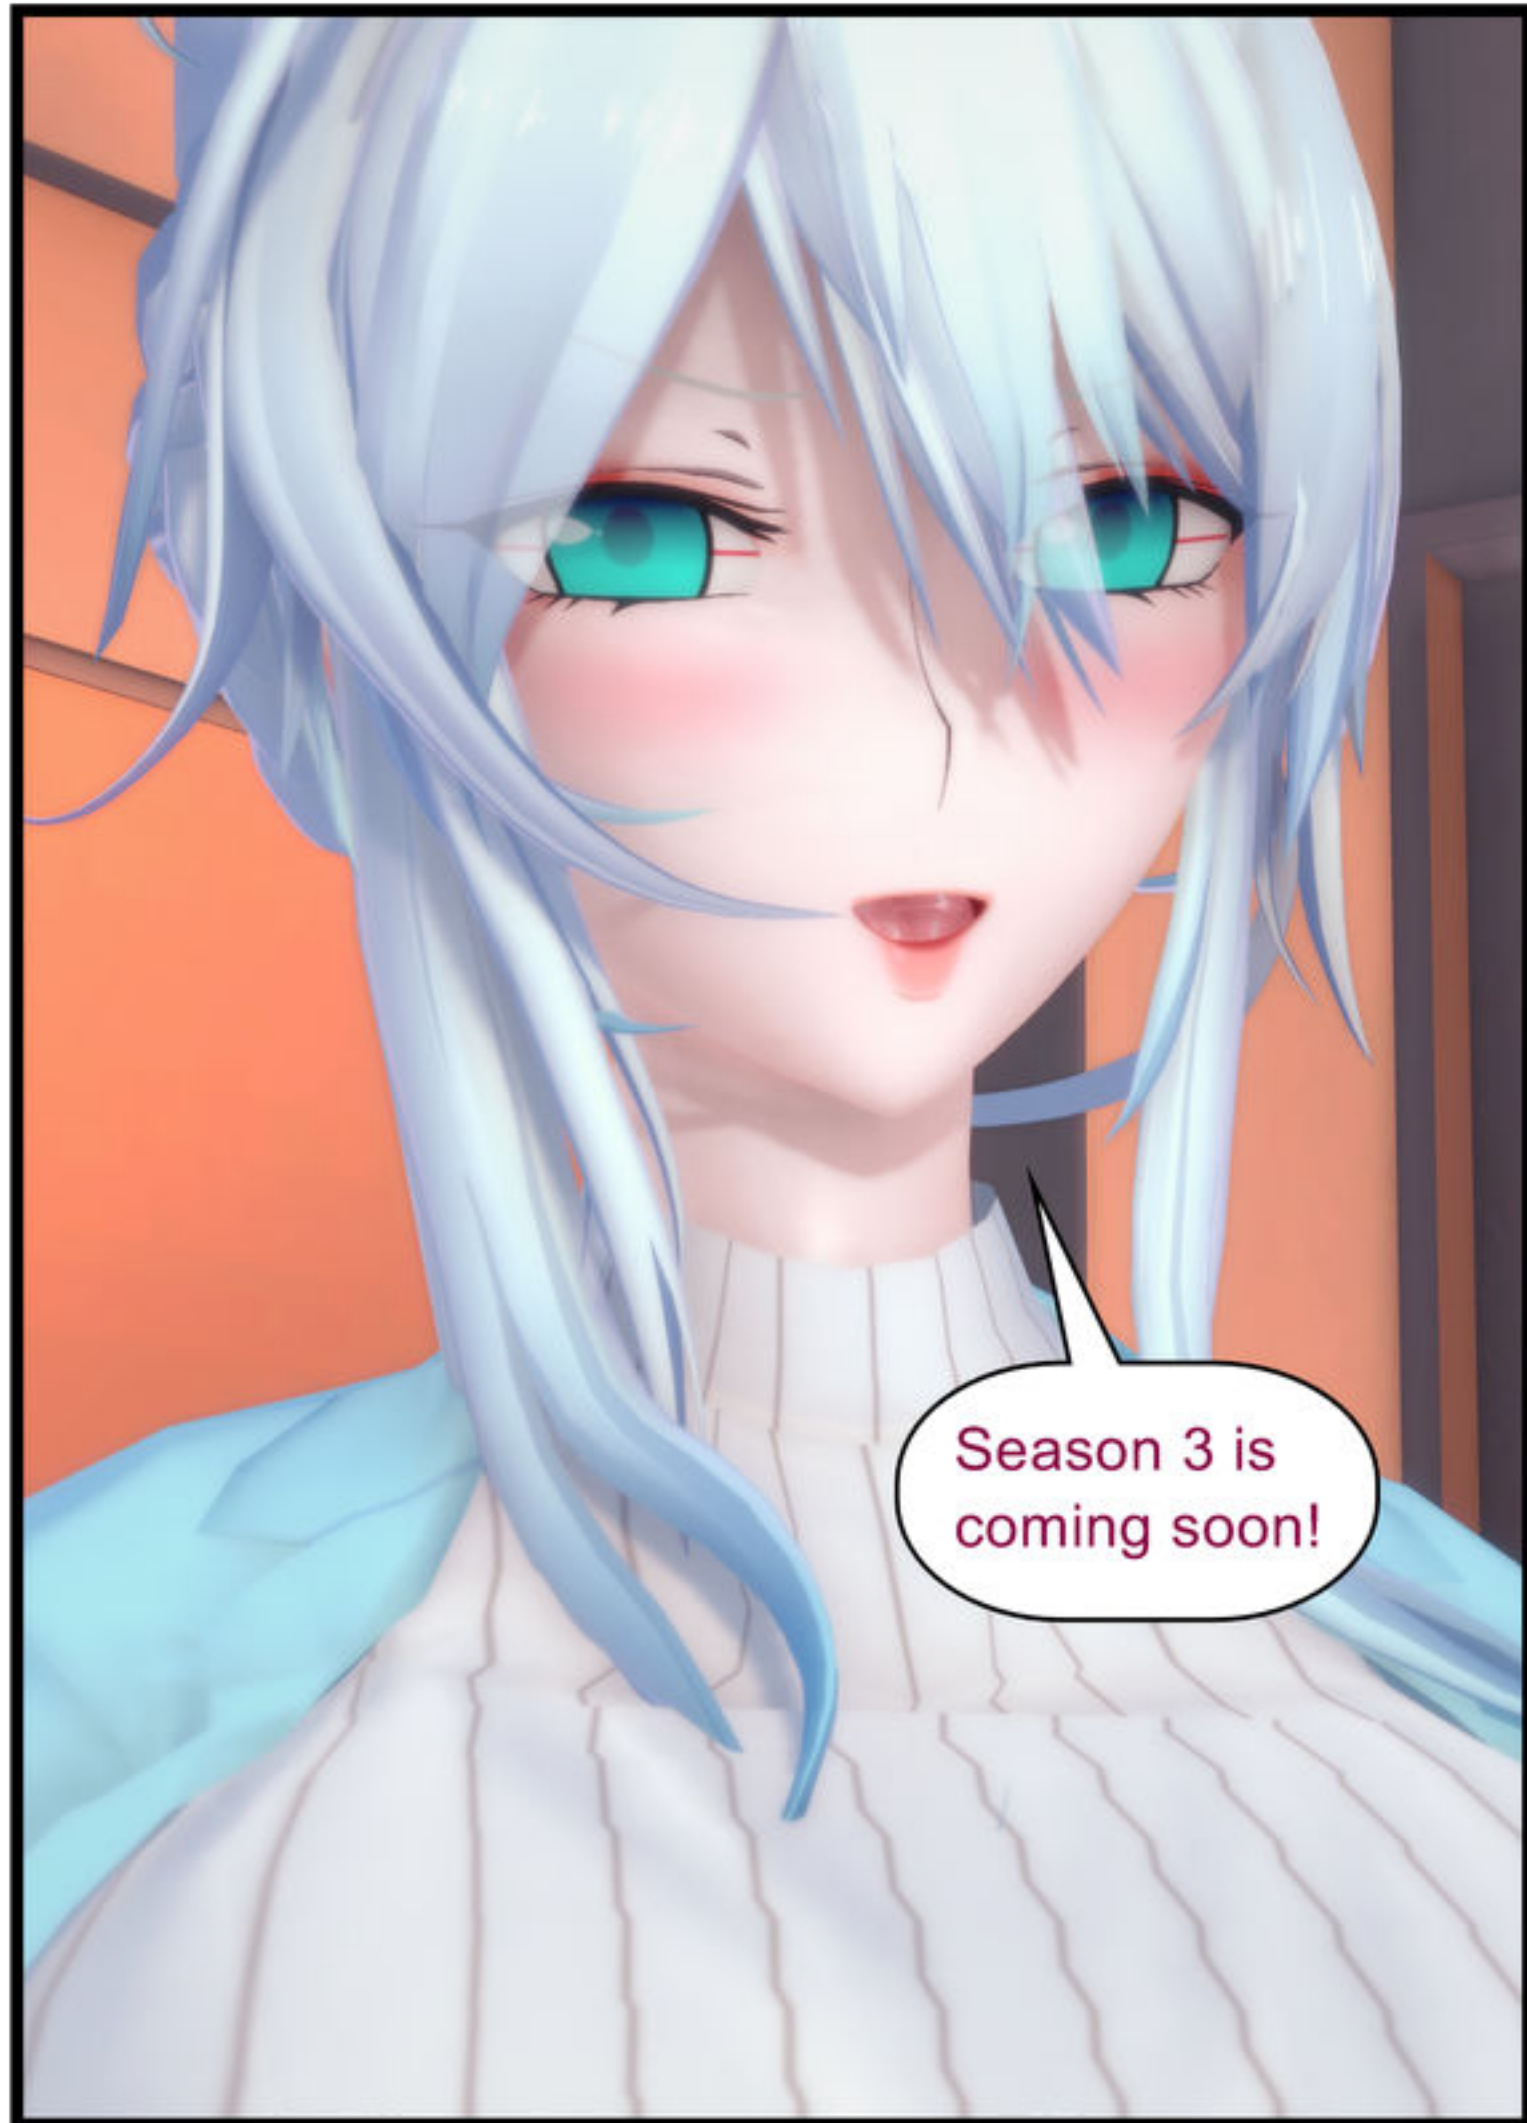

A 3D rendered scene of a woman with light blue hair and a blue coat standing in a room. She is positioned behind a long, dark table. On the table, there are three plastic water bottles. In the foreground, there are two black chairs. The background features a wall with a large window and a door. A speech bubble is next to her, containing the text "Oh? Look like I'm arrive late."

Oh? Look like  
I'm arrive late.

Well.. I wish everyone still here hear me say.

Season 3 is  
coming soon!
