

Well, how
am I to you?
You like me?

*I am delighted
with your body.*

I will try to bring you to orgasm

You must will feel what a female orgasm is.

Of course, if there are no problems with the connection to the suit

*So far I see
problem on your end.*

Hehe, you are
wrong my sweety.

The closer I am to you,
the more I want you.

*Do you feel
the same?*

Not only that... Ah
And your fingers... Mm...

Ah... this is great...
Those breasts
are so sensitive.
