

A RUN-DOWN AREA OF  
GOTHAM CITY - THE  
DYNAMIC DUO ARE  
INVESTIGATING A GUN-  
RUNNING GANG!

Careful, Teen  
Wonder!

These men are  
particularly  
desperate!

Gotham City  
2156 - The South Docks

Always am,  
Batman! Stun rounds  
ready to go!

**Batman**  
WITH  
**Robin the Teen Wonder**  
IN  
**Bye-Bye Bird**

THE GANG'S  
PROTECTOR  
EMERGES!

Batman and  
Robin! You guys ain't  
on the boss's list! So I  
gotta kill ya!

A military  
clone soldier!

Batman!  
He's gotta be nine  
feet tall!

I got  
this!

Robin!  
Wait!

THE COCKY YOUTH  
RUSHES  
FORWARD... AND IS  
SENT SPRAWLING!

Crack!!!

**ROBIN!**

**Dammit!**  
That cocky kid is  
going to get himself  
**killed!**

Stun ammo  
isn't **powerful**  
enough! Not for this  
**monster!**

BOOT!

piff!  
piff!

ONE PRECISE KICK FROM THE COWLED CRUSADER, AND THE GIANT TOPPLES!

We'll talk about this later, Robin! Right now... how can a gang like this afford a former special ops military construct?!

Men like him are lethal and have millions in bio-enhancements! Him working here is like Superlad working as a carnival strong man!

Whew, Thanks, Batman!

Gosh, he's mad! And Batman seldom talks about his military past! It's like... he knows this guy!

A MYSTERY FOR ANOTHER TIME! AS THE JANITORIAL BOT SUDDENLY FIRES POISON DARTS INTO THE DYNAMIC DUO!

Robin! Fast-acting paralytic! Can't.. get to my bat-belt quick.. enough...

Batman! I.. I.. ughh...

PifPifpif!

BATMAN SLOWLY AWAKES.. TO INTENSE SENSATIONS AGAINST HIS GROIN!

B-Batman?  
Where are we? I can't move!

Agghh!  
That vibration! So intense!

You like the vibrating attachment. Batman? Just relax and let it do it's work! You should be glad! Your genetic code will help me make my super-soldiers even stronger!

I need you and the boy awake for this, so the darts will keep you.. confused for a time! Just enough for me to drain those bat-nuts! Hehehe!

bbbbbrrrrrrrrrr

Uggh! Batman!  
Something, um, against..  
my groin! What is he doing  
to us?!

Milking us like cattle,  
Robin! It's how he creates  
his clone minions!

Your massive cock  
needs to be kept in check,  
Batman! I cannot have you  
cumming until the precise  
moment you can stand it no  
longer!

*Suburrrrrrr*

*Suburrrrrrr*

THE MYSTERIOUS DOCTOR  
ENCASES BATMAN'S  
THROBBING MEMBER IN  
PAINFULLY-TIGHT LEATHER  
STRAPS!

While Batman enjoys my machine, I have bad news for you, Teen Wonder!

I have a report back from my lab! While Batman is a highly advanced military ninja template, you, pretty boy, are just a normal human! And so, useless to me!

Santiago! You only need me! Let the boy go! He... he has nothing you want?

What are you doing to me?!

Holy family secrets! Batman is a military ninja? A trained killer!? Why didn't he ever tell me?!

Batman **knows** this dude? What.. what else has he not told me?!

AUGHH!

Time for your first milking, Batman! The first of thousands! The rest will be bottled for my experiments, but I am not unreasonable! Your first will give you mindblowing pleasure!

You military guys are all hung like fucking bulls! I'll take care of that... after I've dealt with Robin!

Aww, the drugs still have you confused, don't they, Robin? Don't worry, not for long!

So.. dizzy and wobbly..

ROBIN IS FREED, BUT THE TEEN TORNADO MAKES NO EFFORT TO FREE HIMSELF!

Time for you to die, Teen Wonder! But by my hand, and slowly! Very slowly! I want to feel you struggle as life leaves your body!

\*choke!!\* NO! AUGH! NO!

SANTIAGO SELDOM GETS HIS HANDS DIRTY BUT HE HAS LONG DREAMED OF KILLING ROBIN WITH HIS BARE HANDS!

ROBIN SUDDENLY UNLEASHES A MASSIVE JET OF CUM OVER HIS LEAN TIGHT TORSO!

I wish I had time  
to fuck you as I killed you,  
Robin, but I have a tight  
schedule!

Time  
to die, Teen  
Wonder!

SANTIAGO TOYS WITH  
THE DRUG-ADDLED TEEN  
WONDER! SLOWLY  
INCREASING THE  
PRESSURE, AND CHOKING  
ROBIN TO DEATH!

ROBIN'S  
STRUGGLES  
SLOW,  
THEN.. .STOP!

**HAHAHAHAHAH!**

FINALLY HE STRANGLES ROBIN WITH HIS TIE, AND LETS THE YOUTH'S LIMP BODY SLIP TO THE FLOOR!

That felt so goof!  
The way his young body bucked as life slipped from him...

**AUGH! NOOOOO!**

You're  
dead, Santiago!  
DEAD!

Get back,  
Batman!

ZZZZ

Glad to see you've been paying attention to your training, Robin! You held out long enough to make him think you were dead!

Let me get you back to the batcave, son...

COUGH!  
COUGH!

Apologies to Stan Sakai :)

THE LEATHER-CLAD  
LIBERATORS HAVE  
ANOTHER PROBLEM,  
THOUGH!

First,  
though... you need  
to get this thing off  
me!

I will when you quit  
squirting bat-ninja-jizz in  
my eyes, Batman!

Yeah,  
we need to ...  
talk...

**End!**
