

Hiya Barbie!  
Hi Ken!  
You free for dinner?  
Sure, Ken!  
Jump in!

I'm a Barbie girl, trapped in Barbie world  
It's a prison, of Mattel's invention  
You can torture me, have fun dismembering  
Your creation, is now my damnation

Come on Barbie, I'm so hungry!

I'm a Barbie girl, trapped in Barbie world  
You control me, I have no autonomy  
You can shave my head, color me blue or red  
I'm just a doll, not human at all

Call me Pink Riding Hood, entering a dark wood  
Got a basket of shit for my Gran  
Pay no mind to the fur, there's no way i'm a wolf  
I'm a cool very chill human man  
You seem normal, you seem nice  
I see no issues here ooh ooh

(horror movie vibes intensify)

Come on, Barbie, let's go party

(Ken gets metal)

You're a Barbie girl, playing in Ken's world  
It's society, there is no escaping  
Here's a big surprise, your grandma fucking died  
You are just a plaything that I'm manipulating

Come on, Barbie, let's go party / *what big eyes you have*  
All the better to see you party / *what big ears you have*  
All the better to hear you party / *what big teeth you have*  
You're a woman Barbie, the whole point is I can do whatever I want and you're on the menu

*(ooh ooh, ooh ooh)*

-Oh, I'm having so much fun!  
-Well, Barbie, we're just getting started!  
-Oh, I love you Ken!
