

You have to walk out of this place as her so it won't raise any suspicion

No problem!

Come, Let's dress up and get out of here!

He hasn't come to work for a week

That's weird...

Maybe he already quit the job

No way, he loves the job, and if he really quit.. I'd know

He didn't tell you anything? Maybe you should go see him. You know where he lives right?

What about Megan? have you seen her?

A 3D rendered male character with short, layered brown hair and a well-groomed goatee. He is wearing a white, collared button-down shirt. The character is positioned in the center of the frame against a dark, textured background. A white, elongated speech bubble with a black outline is positioned horizontally across the middle of the image, overlapping the character's chest. The text inside the bubble is written in a black, sans-serif font.

Nope, She rarely comes here except for important events or meetings. And you already know this

That's true..

Like I said, you should pay him a visit and ask him

Oh, don't forget to turn off the lights when you're done, okay?

Got it!

Alex.. what are you doing?

YOUNG
ME

Come on, there must be something valuable in this place..

YOUNG
BEKED

Wait, is that...

A sex doll??

A man wearing a black balaclava and a black face mask is looking at a sex doll lying on a surface. He is wearing a black long-sleeved shirt and black gloves. The scene is dimly lit, with a bookshelf visible in the background.

*I've never seen a sex doll like this before, It looks so real..
this must be expensive as hell*

Well.. since no one is there..

A man wearing a black balaclava and a black face mask is looking down at a white rectangular device on a shelf. The scene is dimly lit, with a greenish-yellow light source. A speech bubble points to the man's mouth.

I should try it for a little bit..

Wow, it's like I'm kissing a real person!

The skin also feels very real..

A close-up, high-angle shot of a man with a beard and a black cap, wearing a black t-shirt. He is looking down and to the right. A white speech bubble is positioned in front of him, containing the text "I wonder where he got it from..". The background is a dimly lit room with a painting on the wall and a lamp.

I wonder where he got it from..

Oh, trust me.. you don't wanna know

What the...

Wait, you can do that?

I'm a wizard, remember?

What should we do with this thief?
