

Oh my,
what just
happened?

Did I really fall down?

Why am I still so horny?

Hey
angel. Did
it hurt?

What?
Excuse me?

When a cutie
like you fell from
the sky?

Good
grief, that
line.

They
are packing
though.

Well, it
did for a
moment.

Though
I am really
confused and
could use some
help.

Well, my place is right up there.

Why don't you come along?

Name's Dee, by the way.

A short hike later.

Well,
home sweet
home.

That's
a nice place
you got.

Thanks. Now
about helping you.
You wanted to learn
about your
pussy?

I didn't
pick you for
one interested in
that. But here
we go.

Let's
change you up a
bit. How about we
start with the
hair?

And
that lanky body
you got?

Let's
round that
out a bit.

There we go, almost there.

That's
more like it.
Nice and
fuckable.

Oh god.
These are so
heavy.

Almost forgot. Some nice dick sucking lips.

A close-up photograph of a person's buttocks. Two anal plugs are inserted into the rectum. The top plug is a long, tapered, pinkish-red object. The bottom plug is a shorter, wider, pinkish-red object. The skin is light-colored and has some hair. The background is a white, textured surface.

Don't
need to do
anything with
that pussy.

It's
already wet
and wild.

So what do you say, honey?

You
ready to ride
some Dee?

Your pussy says yes, looks like.

Ooooh.
Yes. Do it. I
want to
know.

Dang girl,
you been horny
for a while
haven't you?

Get ready
for this. Here
goes.

Fuck. I
can
feeeeeeeeeel
iiiiiiiiit!

AHHHH.
It's inside.

My, precious. You are a tight one.

Have you ever had anything inside that pussy?

I have noooooot!

This... is my... first.... TIIIIIIIIIM EEEEEEE EE.

You came already?

You did need that badly, huh, princess?

Don't
worry. There's
more.

Moooreee.
Sooo.
Hoooooot.

Caaaan't.
Handle.

Toooo.
Muuuuuch.
