We start chapter 20 this week with a shot of the closed dressing room doors. Josephine and Maya are inside with their individual piles of clothing. I wonder what is going on inside of there? Shall we take a peak do you think?

Let's see, which one first?

Hmm, which one to pick?

The camera splits into a two screen view, and then each slowly fades through the door of the separate changing rooms. As each door fades away, we see both of our ladies trying to decide which item from their selection to try on first.

Maya and Josephine strip down to their underwear and take a moment to admire themselves in the full length mirror provided in each room. Maya is wearing a cute strapless number, while Josephine is sporting something that is a little more conducive to her more active lifestyle.

I don't really see what's wrong with what I'm wearing.

This one certainly fits very nicely, but what about...

I mean I like the strapless, but maybe one a little more sexy.

A sport bra for when I'm working out hard.

While they are both fairly happy with their current look, you don't come to a store like this and not try something on. Maya tries on a strapless number similar to what she was already wearing, but quite a bit more sheer and revealing. Josephine's first option is a sports bra and corresponding panties.

But maybe I should be a little more adventurous while we're in here.

Hot damn! Look what this push up number does to my boobs.

In a similar vein, it is difficult to not try on some items that might be a little more revealing than what you would normally wear. Maya tries on a sexy silk slip in black with white lace, and a matching bustier. Josephine is even more audacious and goes for a slinky push up bra and panties in hot red.

Wow!
This one
is really pretty. I
wonder what
Chris would
think?

But once the adventure begins, it is difficult to make it end. Josephine especially uses this opportunity to get really experimental, as she tries on the super slinky number from earlier. Meanwhile Maya tries on a very sheer top that is almost like a teddy.

Oh
yeah! Now
we're talking. I
liked the white one,
but I'm glad I
grabbed the
pink.

Umm, Josephine? Did you sneak a few things into my pile?

Mmm! I wonder what Chris would think if I walked out there right now in this. Sorry, what Maya?

But things get really surprising when Maya tries on the next outfit in her pile. She doesn't remember picking up the incredibly revealing and suggestive lingerie. Josephine, on the other hand, gets a thoughtful look on her face as she thinks about how Chris might react to what she is currently wearing.

Oh my gawd Josephine! This thing has barely any material at all. It's like wearing a hanky.

giggle
You should see what I'm wearing right now!

Josephine doesn't admit anything, but it is pretty clear some sneaky shit has been going on. The next outfit that Maya pulls out is even worse. She tries on a bra and thong that are barely even there. The lace provides the most cover. Josephine's is even smaller. She's wearing little more than some thread.

Finally though, Maya finds a treasure near the very bottom of her pile. The blue bra and panty combination that she was eyeing up earlier. She poses in the mirror and admires how it looks on her slim frame.

Wow!
It really
is cute and very
alluring. I love
it!

The camera pans around to show Maya's saddened face in the large mirror of the dressing room. She sees her reflection showing her the truth, that she is far too small for the lingerie she is wearing.

Yet...
I am still
too small. I was
kind of hoping
it'd somehow
fit.

Hmph!
I should text
Chris to give me
a little help... but that
would be stupid of me to
just message him so
I can fit into
some--

A pouting expression crosses Maya's
face as she ponders texting Chris to
ask for a wish so that she can see what
it would be like to properly fill this
beautiful lingerie. That one size fits
all stuff is bull shit!

Her thought is interrupted though.
Her expression turns to one of
shock, as she gazes at something
before her. What could it be?
What has stunned her so in this
small dressing room?

Lingerie?!?!

Mmm!
I can't
believe it fits!
I thought I might
actually be too
big for
it.

Our camera spins around to reveal her reason to be surprised: in the mirror is a reflection of Maya, but it's a Maya with a sexier body type that fits perfectly in the lingerie. Full breasts fill the bra, pulling it tight against her chest.

A woman with dark hair and a blue headband is shown from the back, looking into a mirror. She is wearing a blue lace bra and matching blue lace underwear. The room has pink walls and a pink lamp is visible on the left and right. A speech bubble is positioned to the right of her head.

Gosh!
Any bigger
and I'd be spilling
out for
Chris!

Still focused on the reflection, we see Maya showing off her shapely rear with the sexy panties practically glued to her body. A sexier hair style and incredible curves compliment the the bounty filling the blue lingerie.

Or perhaps he can make me bigger? Hehe, bigger tits cupped in a small bra!

Ma... ya...

Mockingly the reflection presses her large chest against the glass and licks her lips. She chuckles a little internally at the thought of using the other Maya's idea to ask Chris for a wish to fill the bra, or overfill it in this case. We can also hear Josephine in the other room.

Maya stares at her curvier reflection in the mirror with a dumbfounded expression. Josephine continues to try to get her attention and starts to knock on the wall of the dressing room. Just to make sure that she is okay.

.....

Knock!

Hellooo?
Maya? You
there?

Knock!

Josephine's words and the noise from next door finally pierce through into Maya's awareness. It pulls her out of her reverie and she turns to answer her friend, letting her know that things are perfectly fine.

Oh!
Y-yeah sorry
Josephine. I'll
be right
out.

Is
everything
okay in
there?

A woman with dark hair in pigtails is shown from the back, looking into a mirror. She is wearing a blue lace bra and matching underwear. Her reflection is visible in the mirror, showing her from the front. She has her right hand on her neck. The room has pink walls and a pink lamp with a red shade. A pink door is visible in the background.

Yeah!
I was just
lost in my
thoughts.

After answering Josephine and reassuring her, Maya turns back to the mirror. All she finds in her reflection however, is her normal self wearing the loose lingerie. She takes one more look, wishing it fit her better.

Geez
Maya! Get
it together girl.
Though maybe
Chris wouldn't
mind.

Giving her head a shake at the odd day dream, Maya takes the sexy lingerie off and begins to get dressed in her usual street clothes. She puts her own underwear back on, steps into her skirt, and then pulls her shirt on over her head.

In the meantime, Chris has started to wander the mall again. The girls are taking a little longer than he expected, and it was pretty clear that just sitting outside of the lingerie store was getting him some pretty odd looks.

The story will
continue in the
next part.
