Thank you so much for being a Patron!

****!*!HOORAY 18+ AVIALAE DOUJIN!*!****

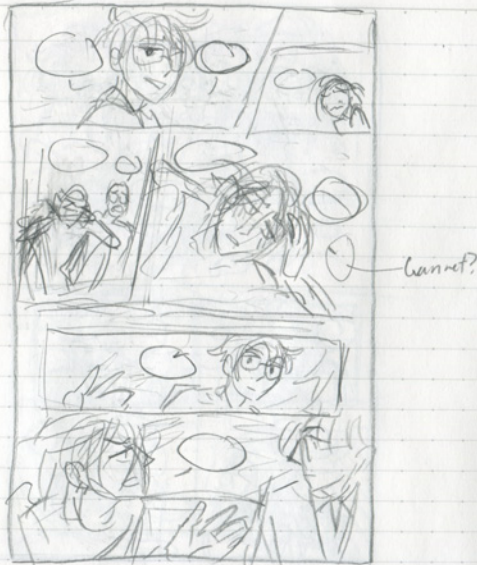

As you may have heard, I passed not one but two goals on Patreon recently!! You're probably sick of me saying thank you, but really, thank you. This means I get to start doing short NSFW Avialae comics! These will be exclusive to \$10+ patrons, and \$15+ patrons will get physical copies. They will be released quarterly (every 3 months), and the first one should be up by June/July.

This is a preview of the preview for the first story: Cupid's Kiss! Gannet is a slutty cupid. :3c (The full image is already posted for \$10+ patrons.) The first few of these might be AUs since I don't want to spoil something before it happens in canon.

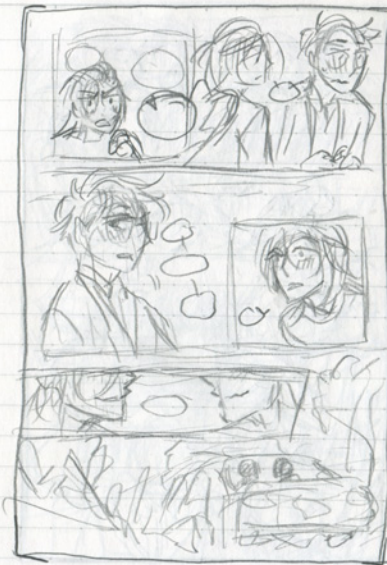

AAAA I'm so excited to start these. It's so tempting to apply doujinshi logic to the actual story, but I've been restraining myself because, well, character development and plot or whatever.

- 3: He might... know something about my wings.

- 5: Sure. Except I hate the guy and I never wanted to see him again.

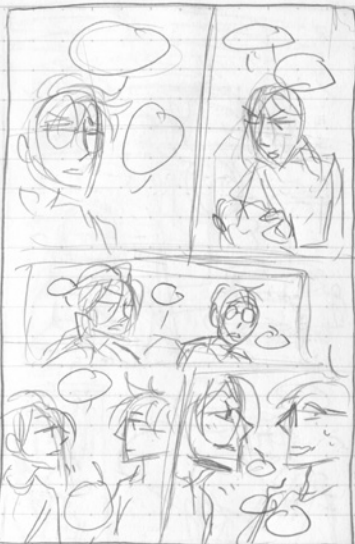

That was... my uncle's ex-partner.

Avialae - Ch 2 - Pg 61

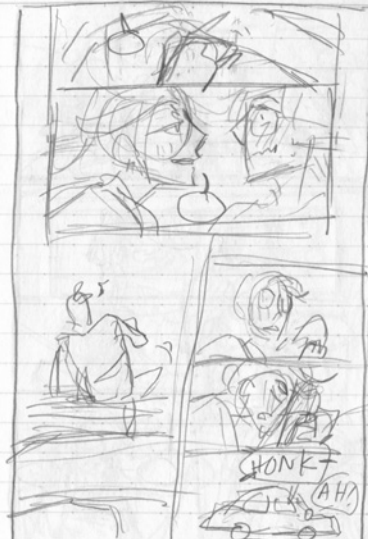

- 2: I'll take you to Chicago to see that guy about your wings.
- 3: You sure? That's like a six hour drive.
- 4: Yeah. Jamie just moved there recently and I've been meaning to visit him. I'm sure he'd let us stay at his place for a night.
- 5: Hm.

Avialae - Ch 2 - Pg 62

- 1: It might be worth dealing w/ your uncle's ex if that means finding out what's happening to you.
- 2: You're right. I don't really have many options left at this point.
- 3: I'll go. Thank you for what?

1: Is it bigger than a bread box? Could be... but generally, no.

2: It's made of synthetic material... so does it require electricity?

3: Depends. But no, if you're creative.

4: You know you're supposed to answer w/ yes or no.

5: Fine, fine. I was just being helpful.

6: Okay, so... is it a tool?

7: Yes.

Amicalar = Ch 2: Pg 68

7: Ok, your turn. I don't want to play anymore. Aw, common!

1: For some reason I don't think you mean a tool you find in a garage.
so...

2: Would it be used in the kitchen? (No)
Bathroom? (No) Office? (No.) ... bedroom?

3: Yes.

4: ----- is it a dildo?

5: How the hell did you guess that?!

6: I know what a dildo is.

6: Yeah, but I thought you'd never get it. Guess you're not as innocently naive as I thought.

This chapter is gonna be...long. I always knew it was going to be over 100 pages, but uh, the whole birthday in a handjob scene was supposed to be just a makeout session...so now it's longer. -w-;; OH WELL. It physically pained me to make them stop lol.

I finished the Kuroo x Tsukishima doujinshi I was working on as a solo project through Lucky Juice. Here's the cover and the first 8 pages of the book.

Here's a synopsis:

The only thing Kuroo thinks he wants after the summer training camp is to rile Tsukki up a bit. But as they remain in contact and get to know each other better, he finds he wants something far more genuine.

\$10+ patrons will be getting a PDF of this since it's a solo book!

Maybe it was because he didn't respond to my initial provocation...

Or maybe it was because he seemed so calm and collected for a first year.

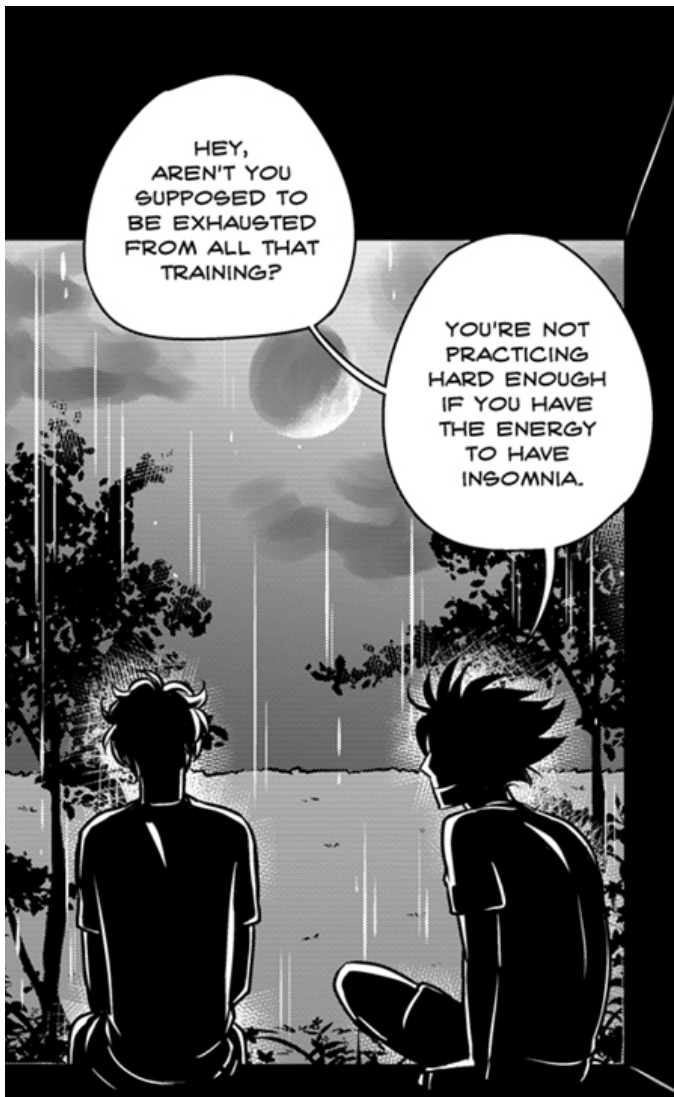

But after that day...

...all I wanted was to find some way to rile him up.

HEY, AREN'T YOU SUPPOSED TO BE EXHAUSTED FROM ALL THAT TRAINING?

YOU'RE NOT PRACTICING HARD ENOUGH IF YOU HAVE THE ENERGY TO HAVE INSOMNIA.

I AM EXHAUSTED.

I JUST...

COULDN'T SLEEP.

WET DREAM?

...NO.

WILL YOU STOP TRYING TO PROVOKE ME?

IT'S NOT WORKING.

WHY?

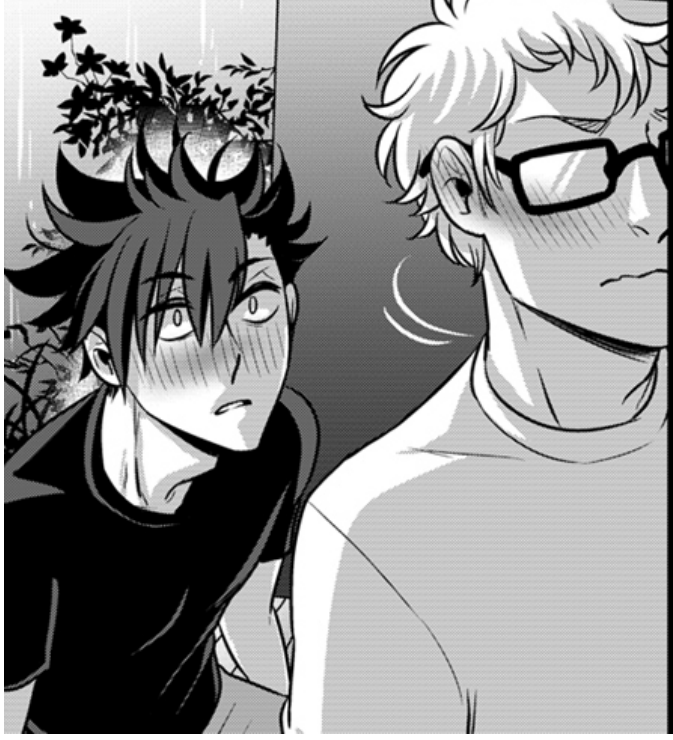

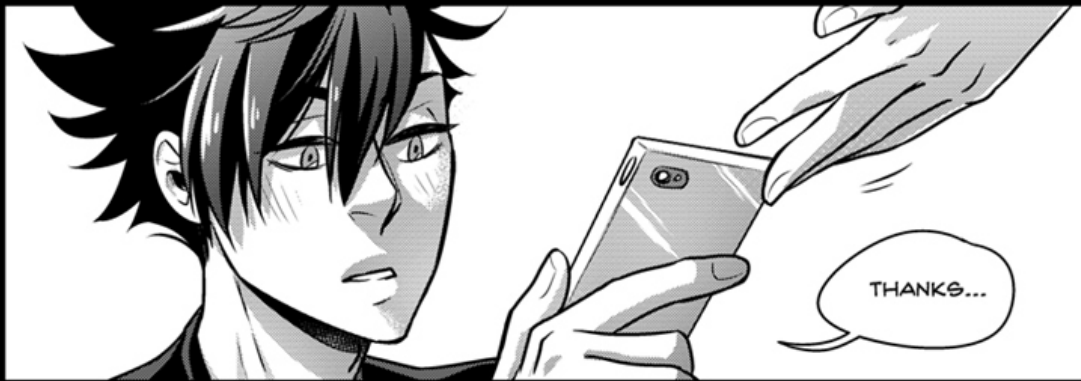

WELL...
I FIND YOU
INTERESTING.

PLUS...

YOU'RE
PRETTY
CUTE.

I didn't think he'd turn red like that.

I want to do it again.

The next Lucky Juice doujin is an Iwaizumi x Oikawa book. :^)
Oikawa wears a skirt and is v slutty I am SO EXCITED!!
