We offer him a ride,

came here.

Tell me, human.
What do you want?

I'm not here for war or harm any of you..

If you recognize
this watch, it has
showed me the way.

So.. the beacon
that I recieved was
from you.

Where is he?
Did you human
already experiment
on him?

I don't know, but he
left this watch for
my sister, Haruka.

A female character with long brown hair and pointed ears, wearing a black and gold futuristic suit and goggles on her head. She is standing on a balcony or platform with a large green glowing ring above her. The background shows a blue sky and some industrial structures. A speech bubble is positioned to her left.

Oh? Haruka? He told us to trust her. Even that, how can I trust you?

Me either. But to save your people and my sister..

..I'm begging for
your help!

Please! I will
do everything
you asked!

Stand up.

I won't help,
but I will be side
by side with you.

And I don't want to
get any attention
that I'm an alien..

Gulp..
Gulp..

Gulp..

Kona? Is everything alright down there?

A close-up, cinematic shot of a woman with long, straight black hair. Her eyes are closed, and she has a serene, slightly pained expression. The lighting is dramatic, with strong highlights and deep shadows. In the background, there is a blurred, warm-toned environment, possibly a ship's deck or a similar industrial setting, with some fire or light visible on the right side. Two speech bubbles are overlaid on the left side of the image.

I'm fine. Won't be
back for a while.
Guard the ship for me.

Uh.. Your voice
sound a bit
different..

A close-up, cinematic shot of a character's face. The character has long, dark, straight hair and is looking slightly to the right. Their eyes are a striking, glowing blue color. The lighting is soft, highlighting the character's features. The background is a blurred, warm-toned outdoor setting, possibly a field or a forest edge.

I just snatched
a human body.
Any objection?

N-No.. Stay
safe out there.

Meanwhile..

One more step
and I will blow off
your head.

A cinematic scene from a video game featuring two female characters in futuristic, dark-colored armor. The character on the left has short brown hair with blue circular ornaments and is speaking. The character on the right has similar hair and is looking towards the speaker with a somber expression. The background is dark and appears to be an outdoor setting at night.

We have waited
for a while.

Just shoot me
already, I
won't resist.

この先行

We soldiers have our orders! No more talking and follow me!

Please.

Okay. I will go
with you in peace.

Madam? What are we going to do with him?

Tell the System, we got the package.

Our team are on it, madam.

A character in a dark tactical helmet and mask is speaking to a woman in a futuristic uniform. The woman has short brown hair and is looking down with a somber expression. The character's speech bubble is positioned above the woman's head.

Then regroup
with others, I
have something
to talk with him.

A character in a dark tactical helmet and mask is speaking to a woman in a futuristic uniform. The woman has short brown hair and is looking down with a somber expression. The character's speech bubble is positioned below the woman's head.

Yes, madam.
Stay cautious.

Please don't worry.
I won't harm or
torture you. Just talk.

You are so kind
compare to your
outside, but thanks,
I'm fine.

Do you want a
drink or something
to eat?

I have one question.
What is the System?
And why did you work
for them?

They are the people who have powers, with that they can order my team around.

"Betray the orders
mean betray your
own country."
That's why.

Well, I'm impressed of how alien can make a skinsuit out of me.

But it's time for
you to put that
skin away and
face me.

You are not a
bad person, just
followed orders..

But I'm afraid to
say that..

I-It's you..!!??

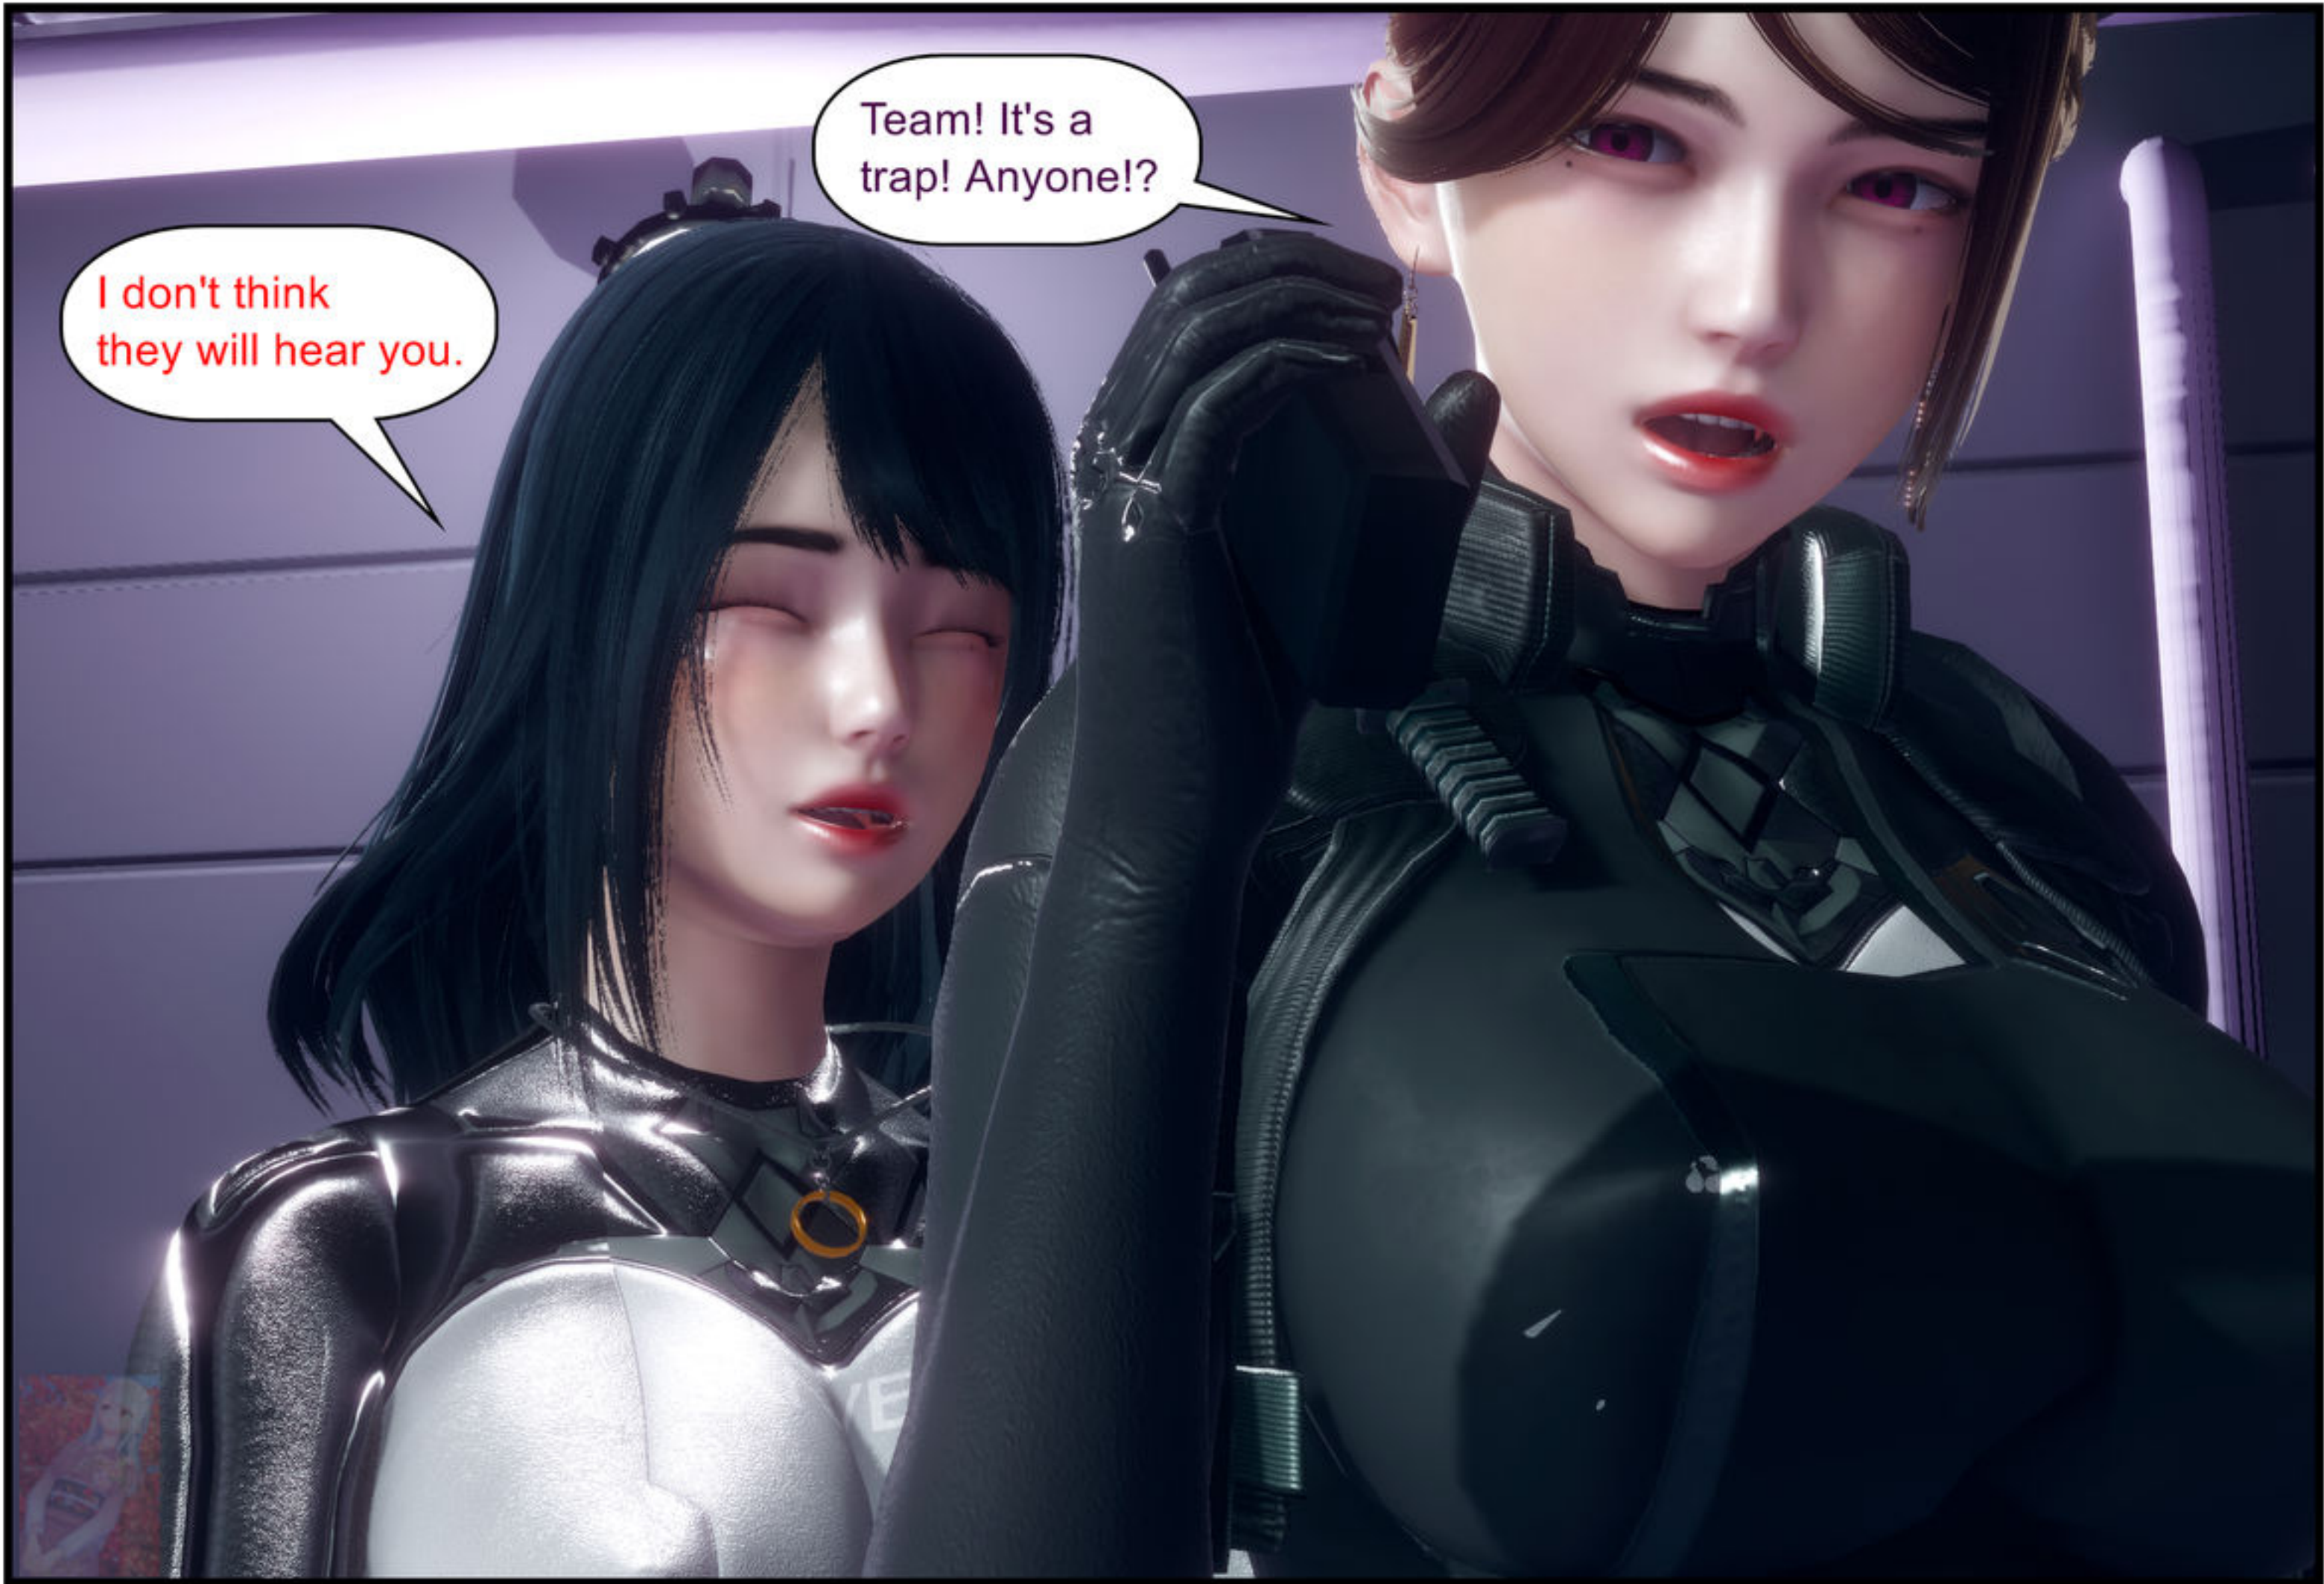

A close-up, cinematic shot of a woman with long, straight black hair and striking red eyes. She has a serious, slightly weary expression. The background is dark and indistinct, suggesting an indoor setting. A white speech bubble is positioned to the left of her face.

Yes, wrong person.

I don't think they will hear you.

Team! It's a trap! Anyone!?

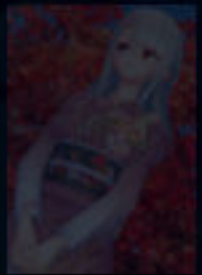

My sister had put
them to sleep already..

Does anyone
copy!? Someone!!

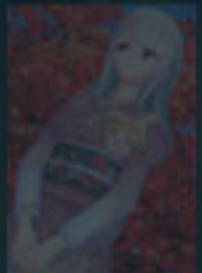

AAA...

Or.. the one who
is using her body.

Damn it!! Pick up your radio!

"Tsk.. Human's
tech are so noisy."

LOT-734

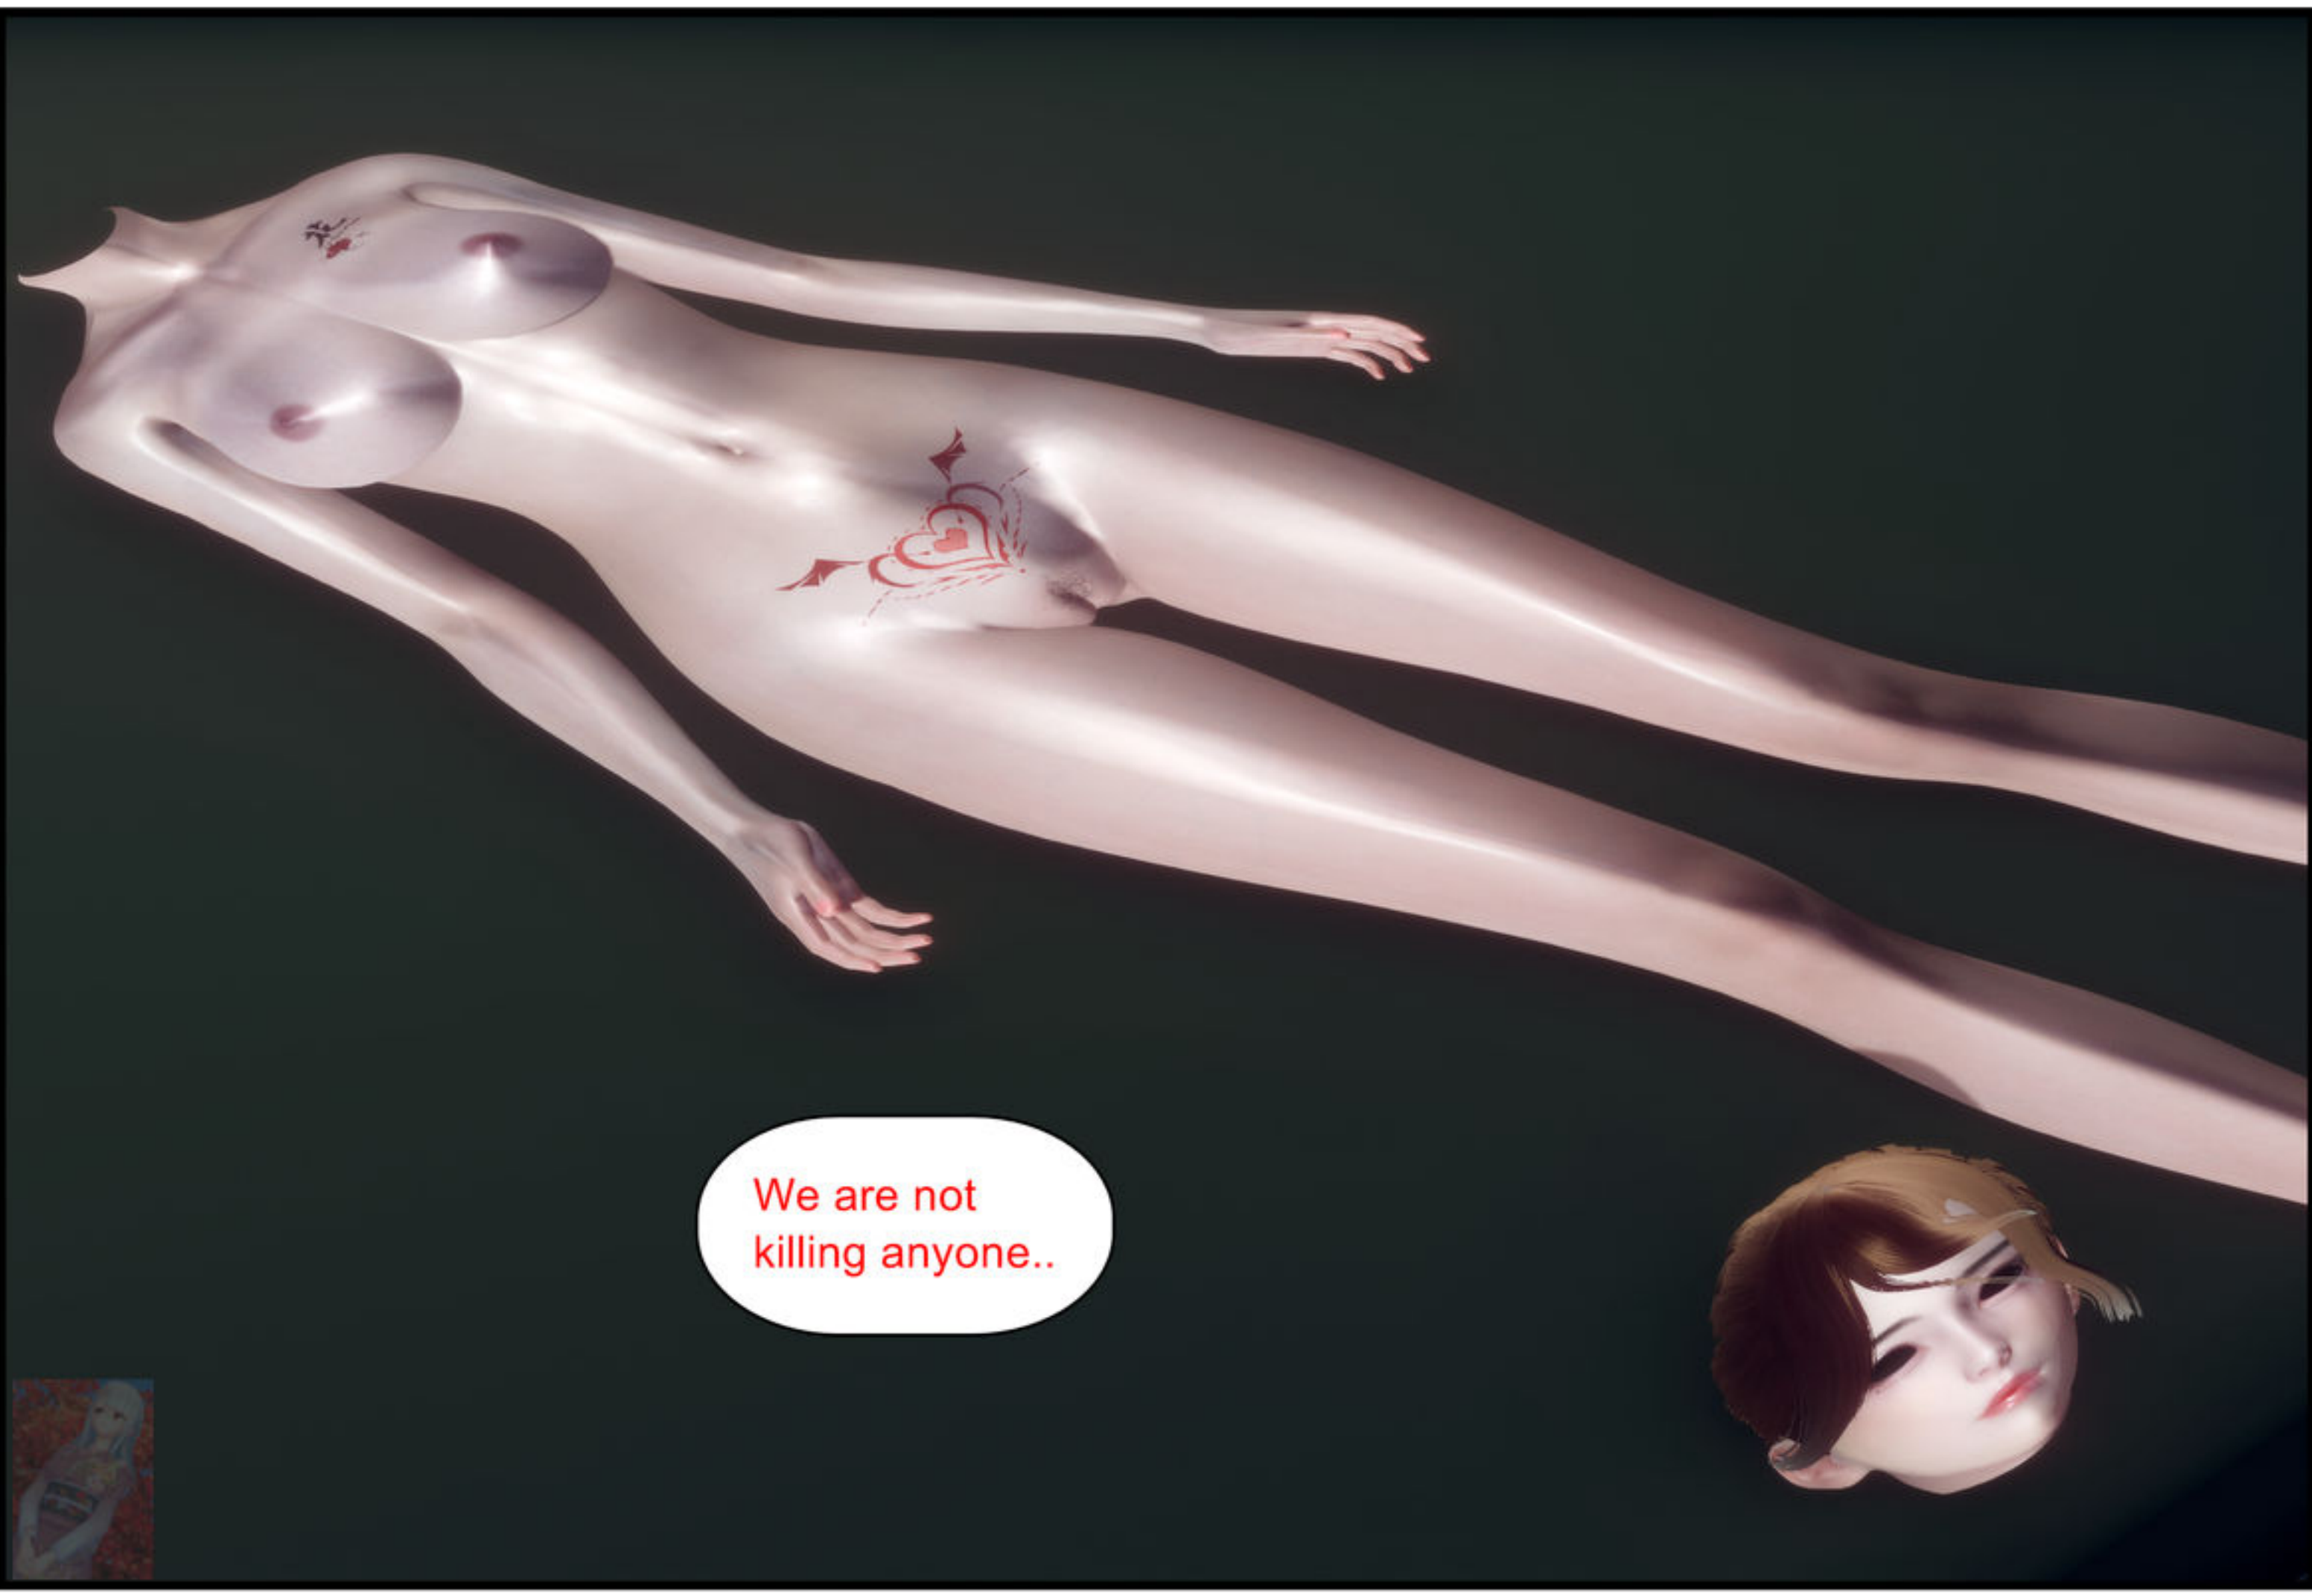

You! Hands up!
Don't move!!

A speech bubble is positioned to the left of the woman.

Hah.. Shame
that I have to
put you to bed.

Y-You.. *static*..
Ahhhh!!.. *static*..

We are not
killing anyone..

Just hold you
here for a while..

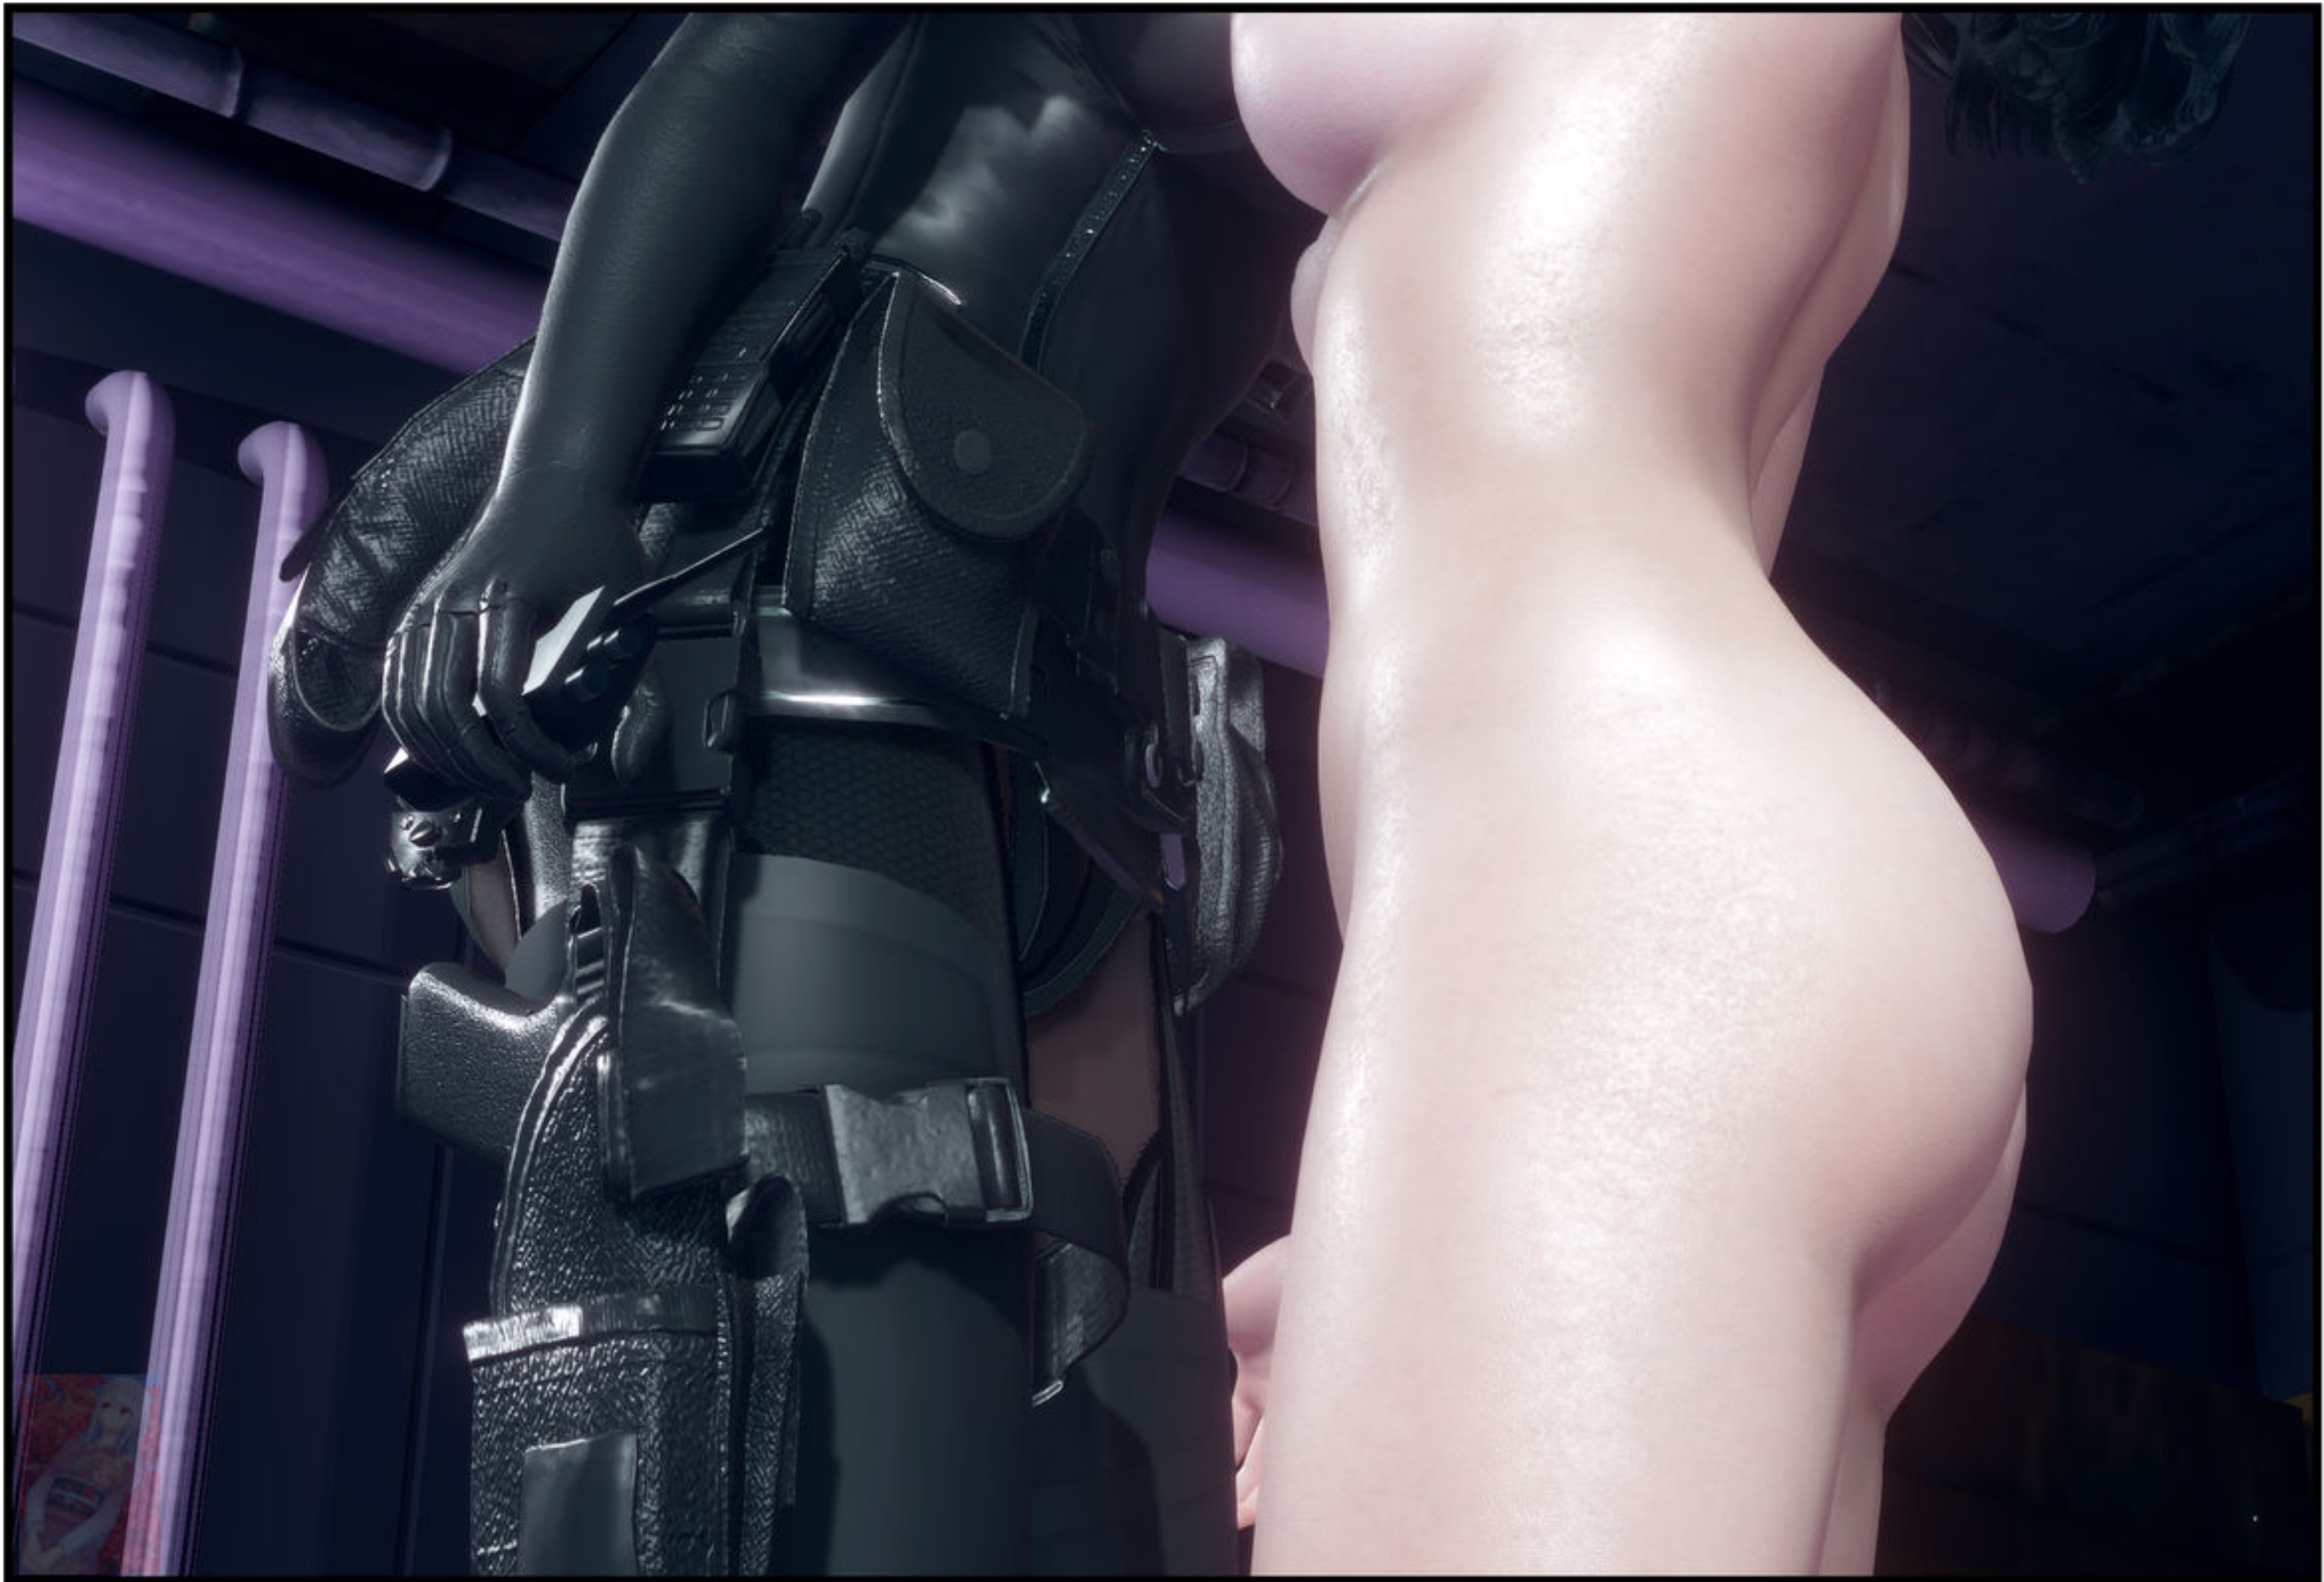

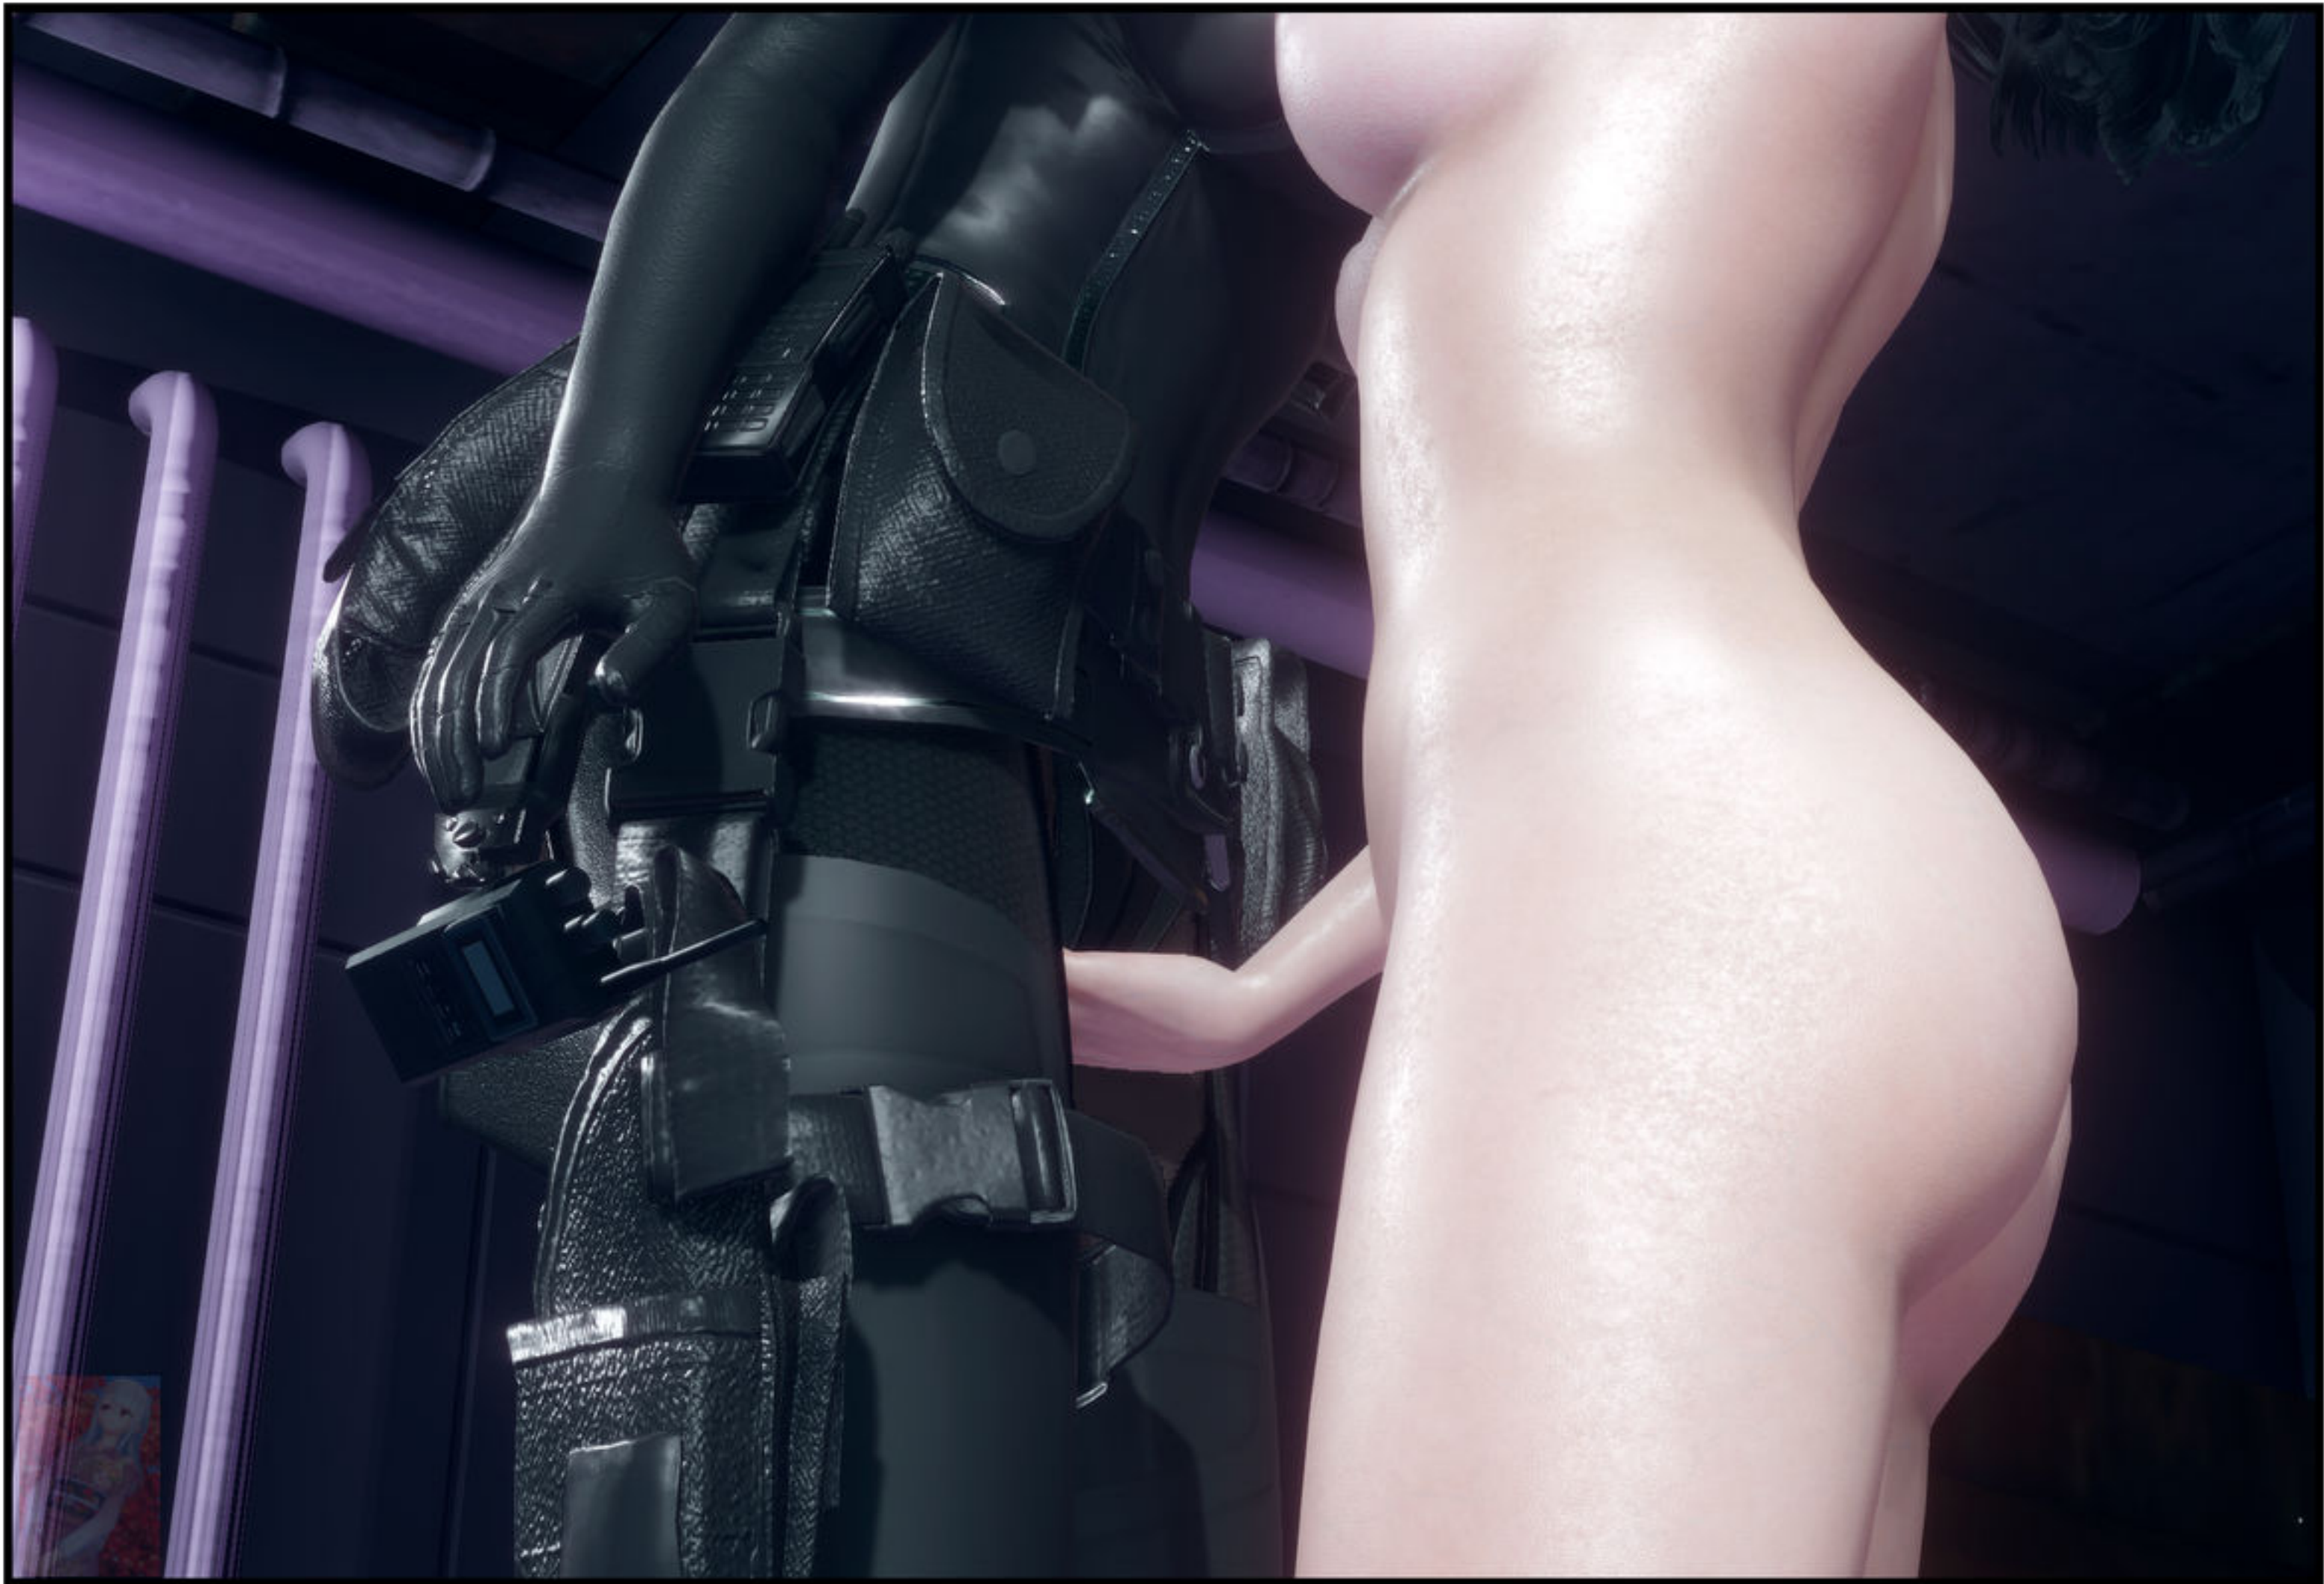

"What did she..
just do.. I can
barely move.."

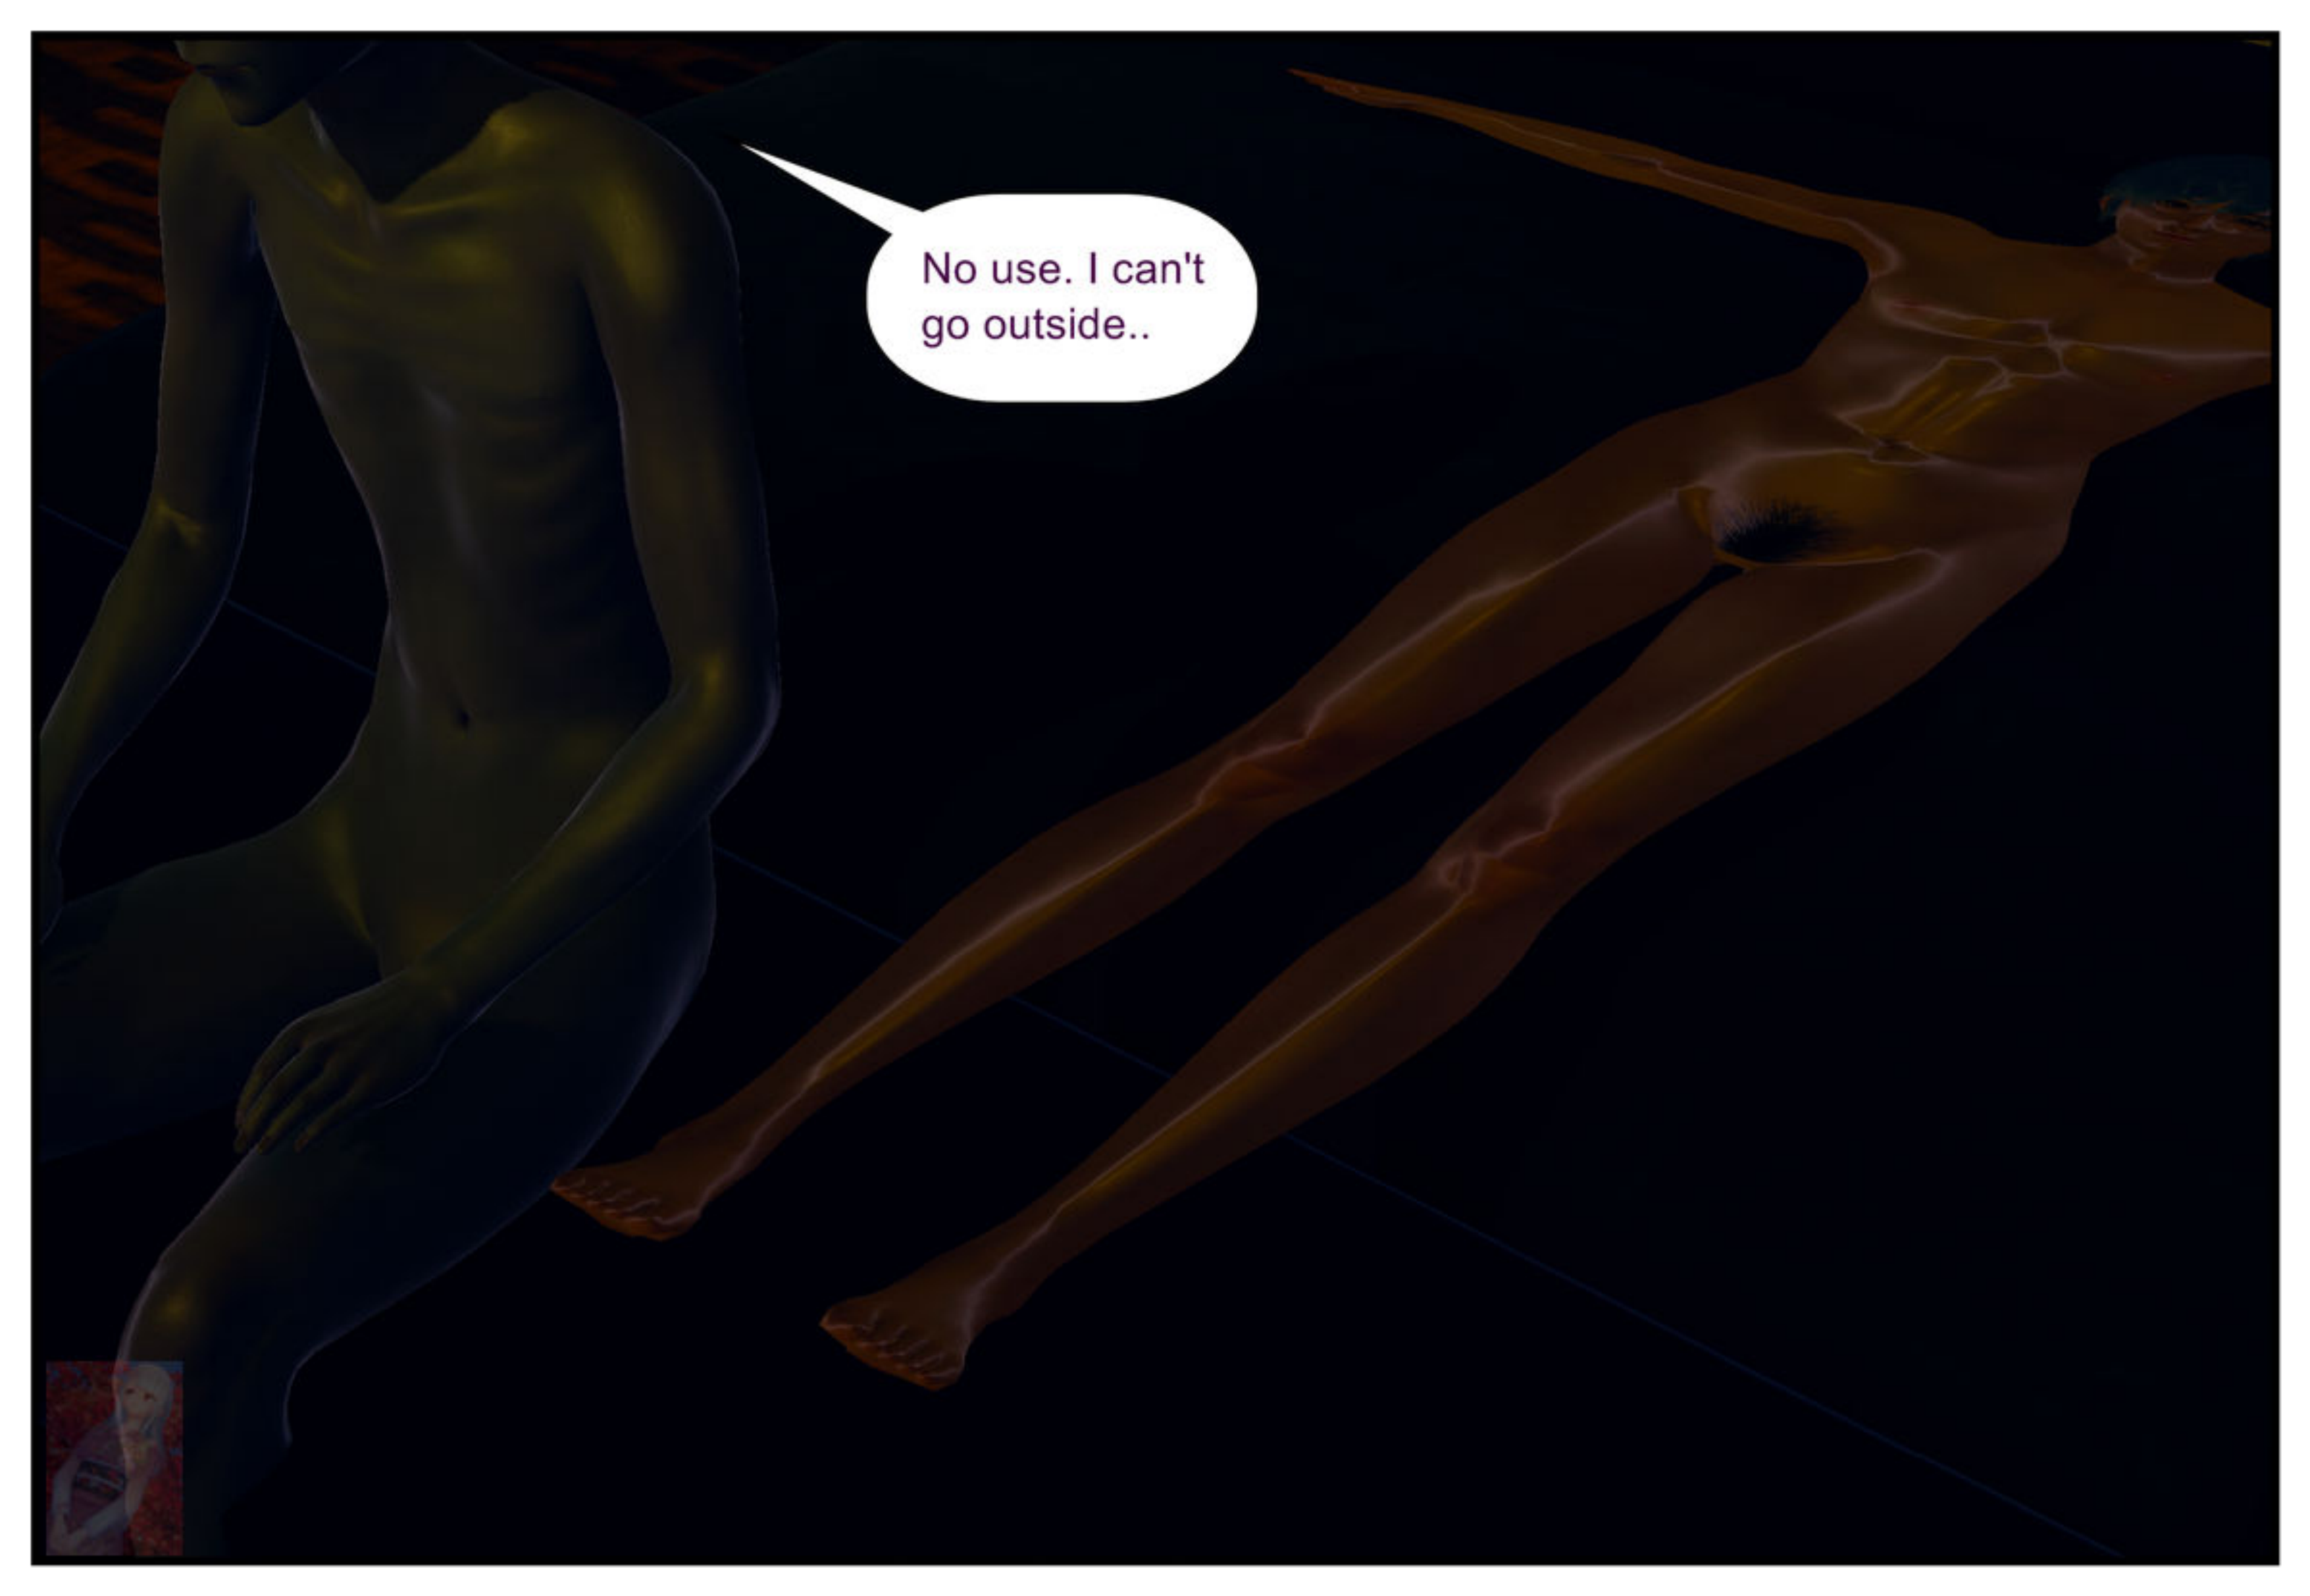

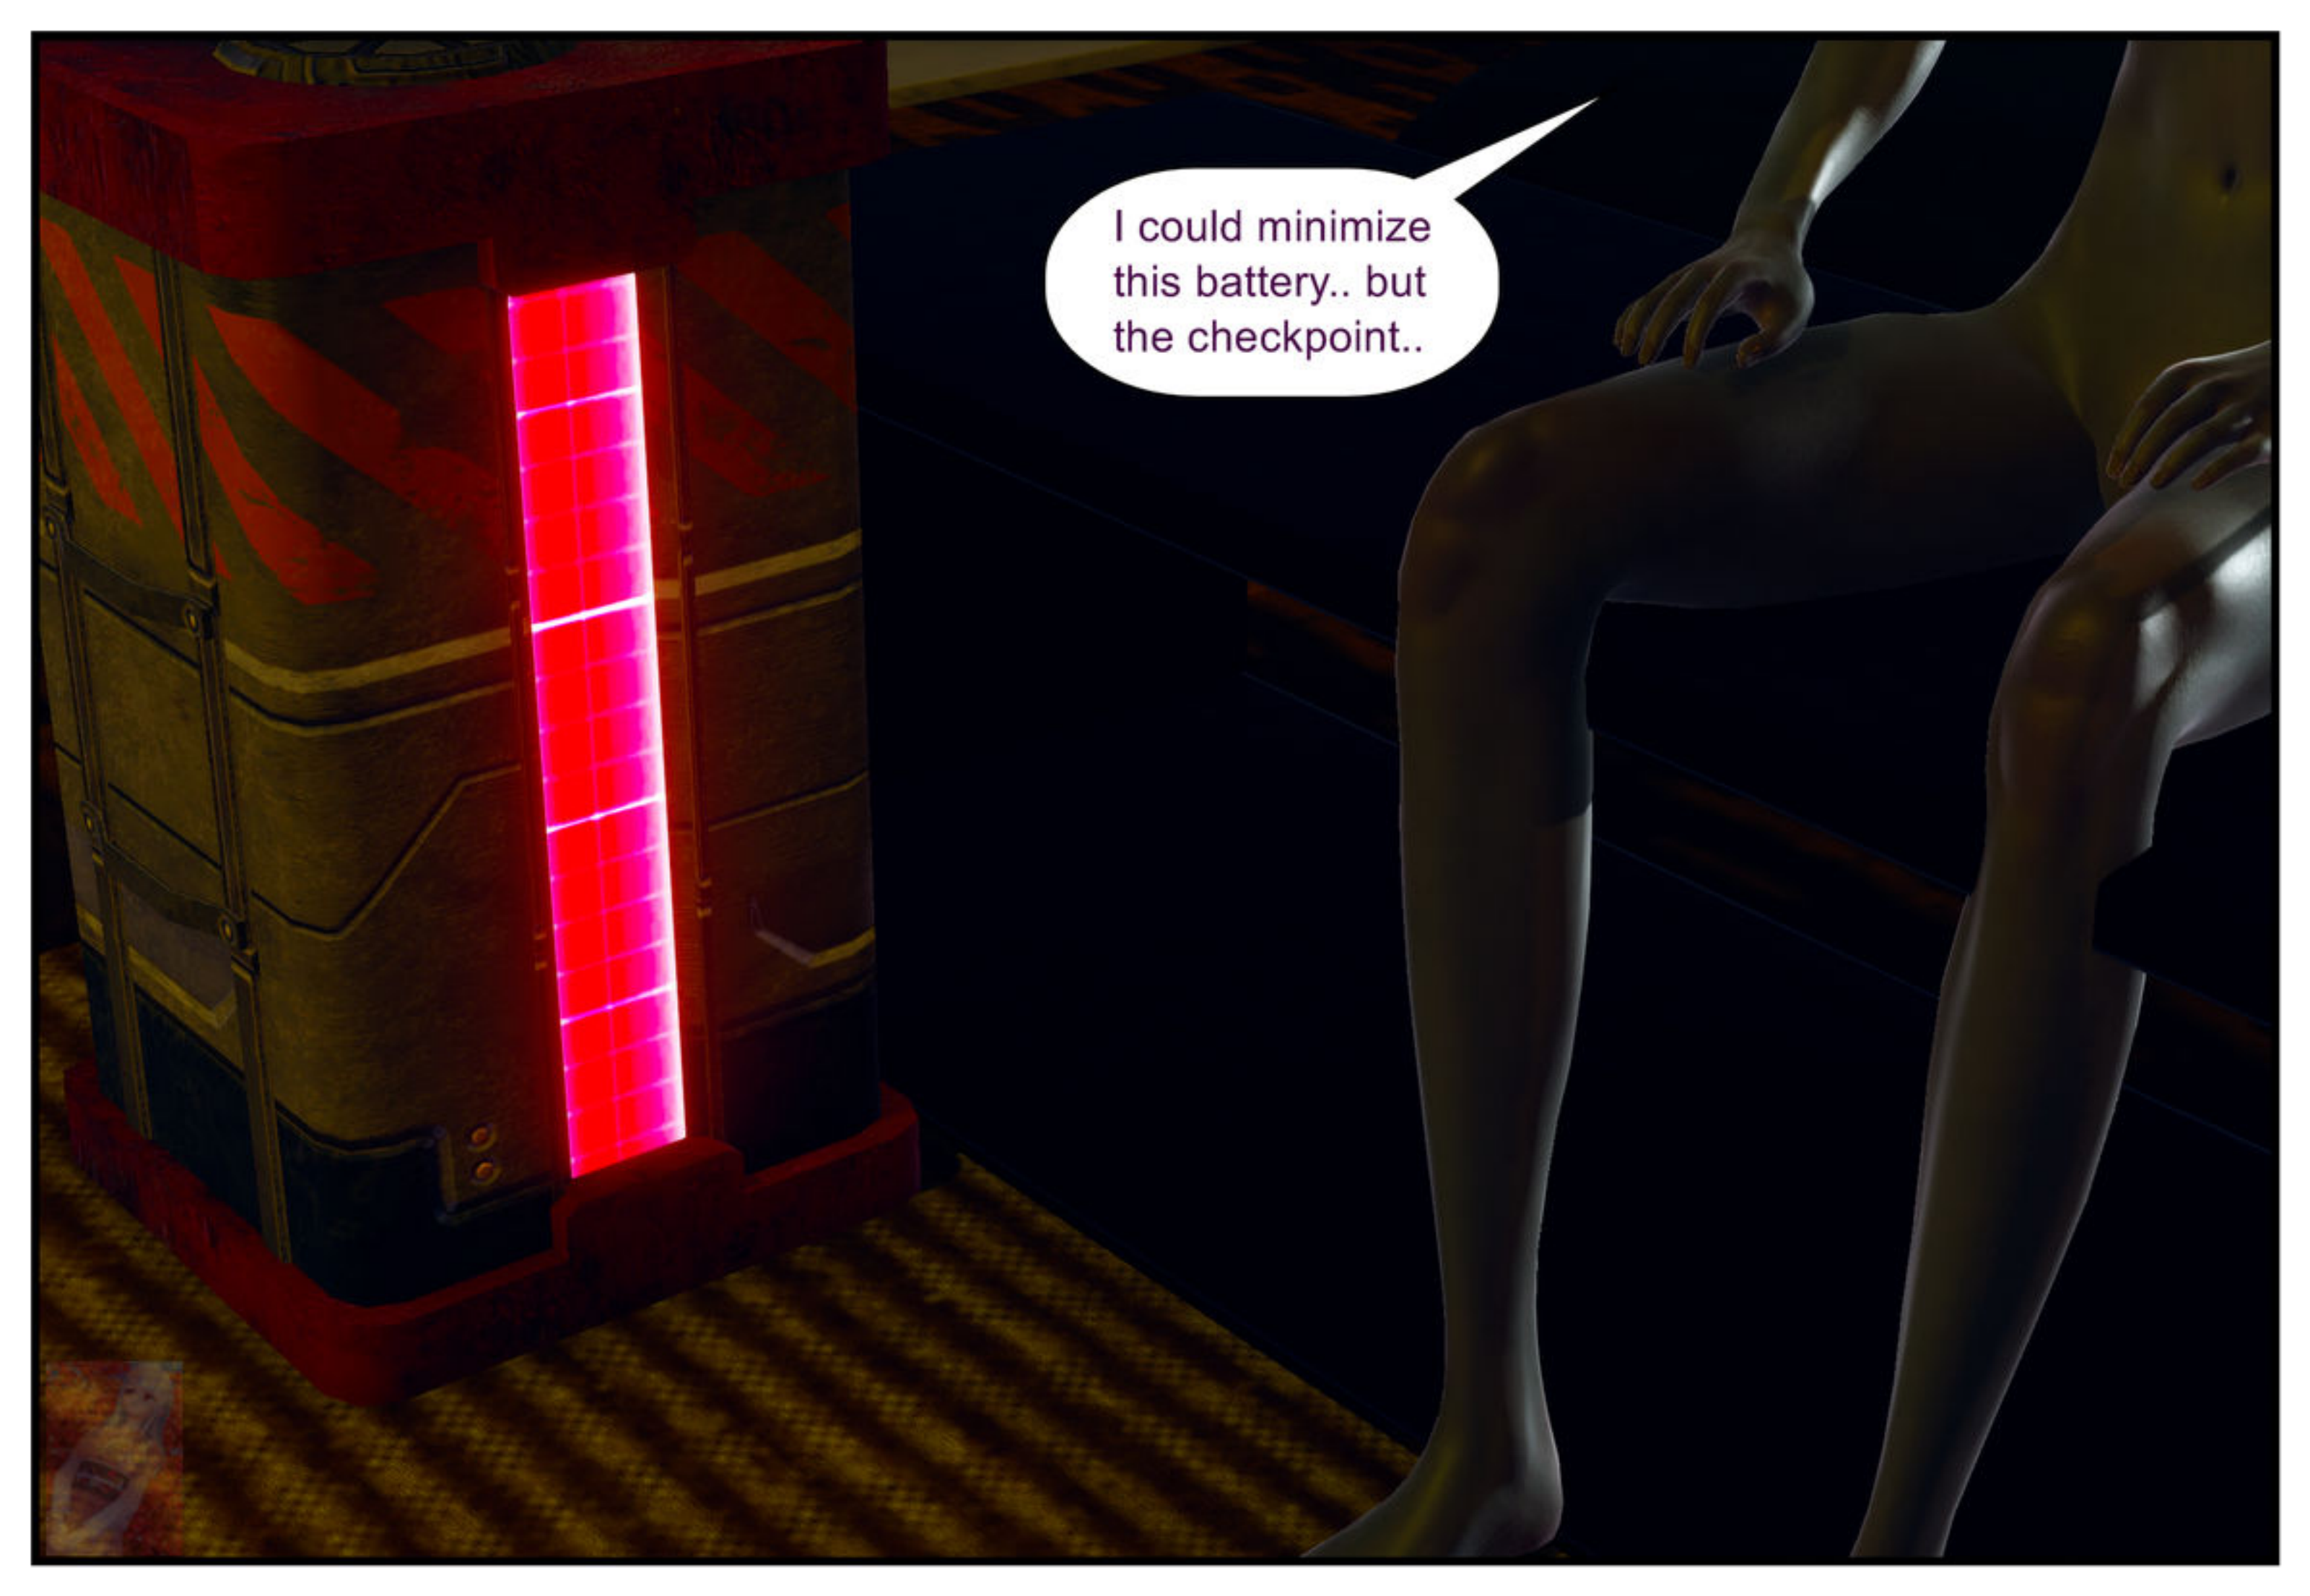

Slurp.. Slurp..
Uhm.. Slurp..

No use. I can't
go outside..

A character with pale skin is sitting on a dark, metallic surface. To their left is a large, rectangular unit with a glowing red vertical bar in the center. The unit has a dark, textured surface with some yellow and red markings. The scene is dimly lit, with the red glow being the primary light source. A speech bubble is positioned above the character's head.

I could minimize
this battery.. but
the checkpoint..

Then, you will need some help?

Y-You!? How did you find me?

We used to have sex in this room. Remember?

W-Wait!? So that was not Haruka!?

We suspect that
you would come
back here..

We already cut all of our connection! You two don't have to involve with me!

Haruka still trusted
and wanted to help
you. I respect that.

I think.. you still
have place to be,
right?

Really.. Aren't all human.. this bad..

..to return to your home planet?

A digital illustration of two women in a room. The woman on the left has short black hair and is wearing a black leather-like button-down shirt under a light-colored cardigan, paired with blue jeans. She has her eyes closed and a somber expression. The background is a dark room with a wooden door on the left and a dark wall on the right with some papers pinned to it.

You gave my sister
to see the light. As
her sister, I'm truly
in your debt.

I will do to repay
that for you. Then?
Let us help?

The background is a dimly lit room with a white sink and a black shower head on a stand. The lighting is warm and low-key, creating a intimate atmosphere. A speech bubble is positioned above the man's hand.

I promise I won't
push you in danger.

You two will do
the diversion. I
will on my way
to the ship after that.

But.. we are just
civilians..

That's why, I already
contact with my
mothership, you will
try to get her help.

You are civilian, but
it was perfect for her..

A character with long, light-colored hair, wearing a dark, tactical-style jacket with a harness, is shown from a high-angle, rear perspective. The character is in a dark, industrial-looking environment with a floor vent visible in the background. A white speech bubble is positioned above the character's head.

..since she is other
alien's type who can
parasite into anything..

..just let her snatch your body. Kona don't want much attention.

Hm.. Human body surely interesting. I can even know what she is thinking.

My part is finished.
I wonder how others
are doing.

Haruka will be
the bait in this skin.

They might have set up an ambush at that place.

Oh and that watch..

..please give it to your sister, Haruka.

S-Sorry. You left it in my room along with the skin so..

Everyone remember
what you will do?

花
Hana

Let's do it!

It was.. your
plan all along..

His. We just
followed it.

The Earth would be in danger if you captured him.

Is.. that so..?
Well.. I failed.

"This is HQ. Missiles strike is a go."

After this end,
please go with us..

Look like..
they already
got him through
the satellite.

Missile!? What
is this!?

Target confirm. In
a female skin, at
the ally way.

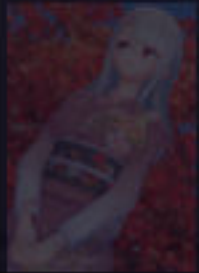

C-Can't you
stop it!?

It's the System.
They can no
longer wait..

No.. This..
can't be..

"So.. all of our
effort.. will
gone wasted?"

Weird.. No one
answer to confirm..

"I'm sure they
are doing fine.
Kona still with
them. I'm sure."

H-Haruka!? Is that you? I can't hear you!

Y..o..u *static*..
ge..t.. mis..le..
static.. ru..n..

H-How was he!?
Is he doing alright!?

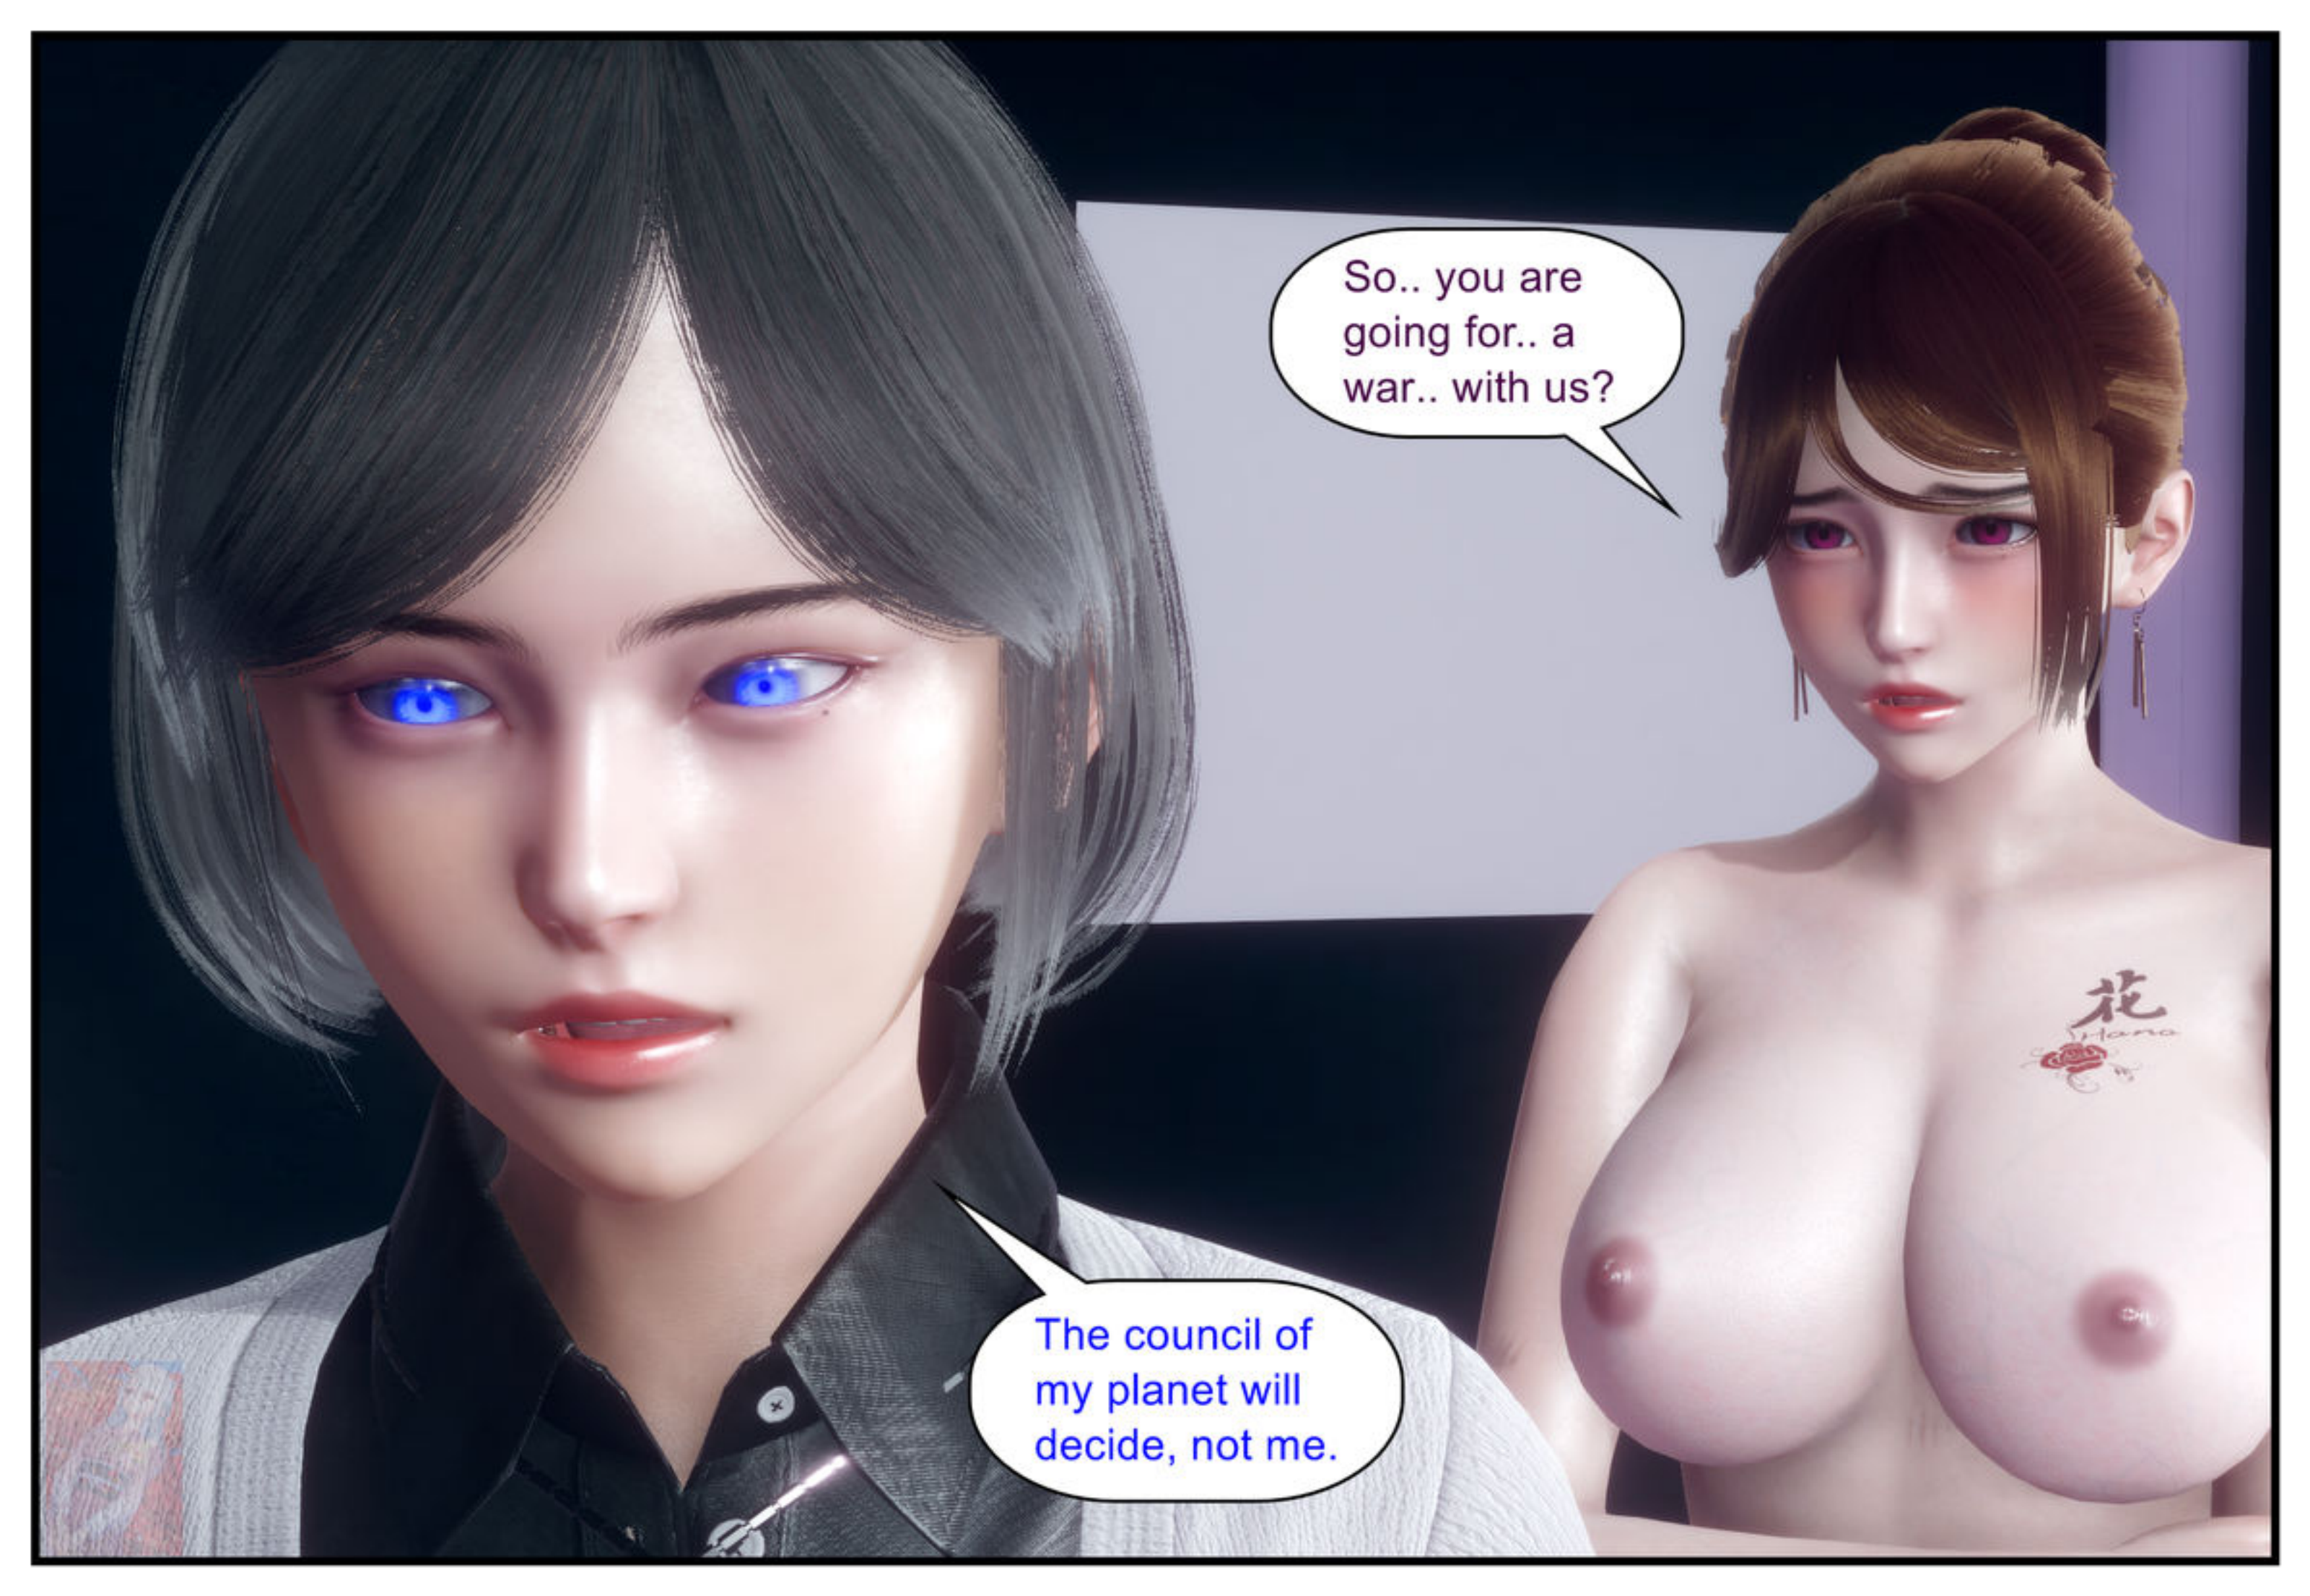

N-No.. I don't..
believe it..

So.. They have
gone this far.
Kill civillans just to
have his pieces.

I can't.. feel his
watch.. many
normal people
died also..

So.. you are going for.. a war.. with us?

The council of my planet will decide, not me.

I-It's..!!

"Uh.. *static*..
Anyone.. *static*..?"

"You taught me how to become a slime to snatch a body. So.. I got myself under the sewer. I belived."

How could you still alive? I thought..

"I already arrived
at the destination.
Safe and sound."

"Also, would you mind take those two to here?"

Got it. Hang
tight where you are.

Welcome, my savior!

Because of you,
we have gone
through many troubles..

At least, we are
all doing fine.

A 3D rendered scene set in a desert environment. In the foreground, a large, white, featureless mannequin-like figure is seen from the back, looking towards two women. The woman on the left has short black hair and glowing blue eyes, wearing a black shirt, a light blue cardigan, and blue jeans with rips. The woman on the right has long black hair and is wearing a light blue off-the-shoulder top and matching pants. They are standing in front of a rustic wooden structure. A speech bubble points to the woman on the left.

I couldn't come
this far without
these two sister.

By the way, was it
the time you should
get out of her body?

Oh? I almost forgot
that I'm in human body.

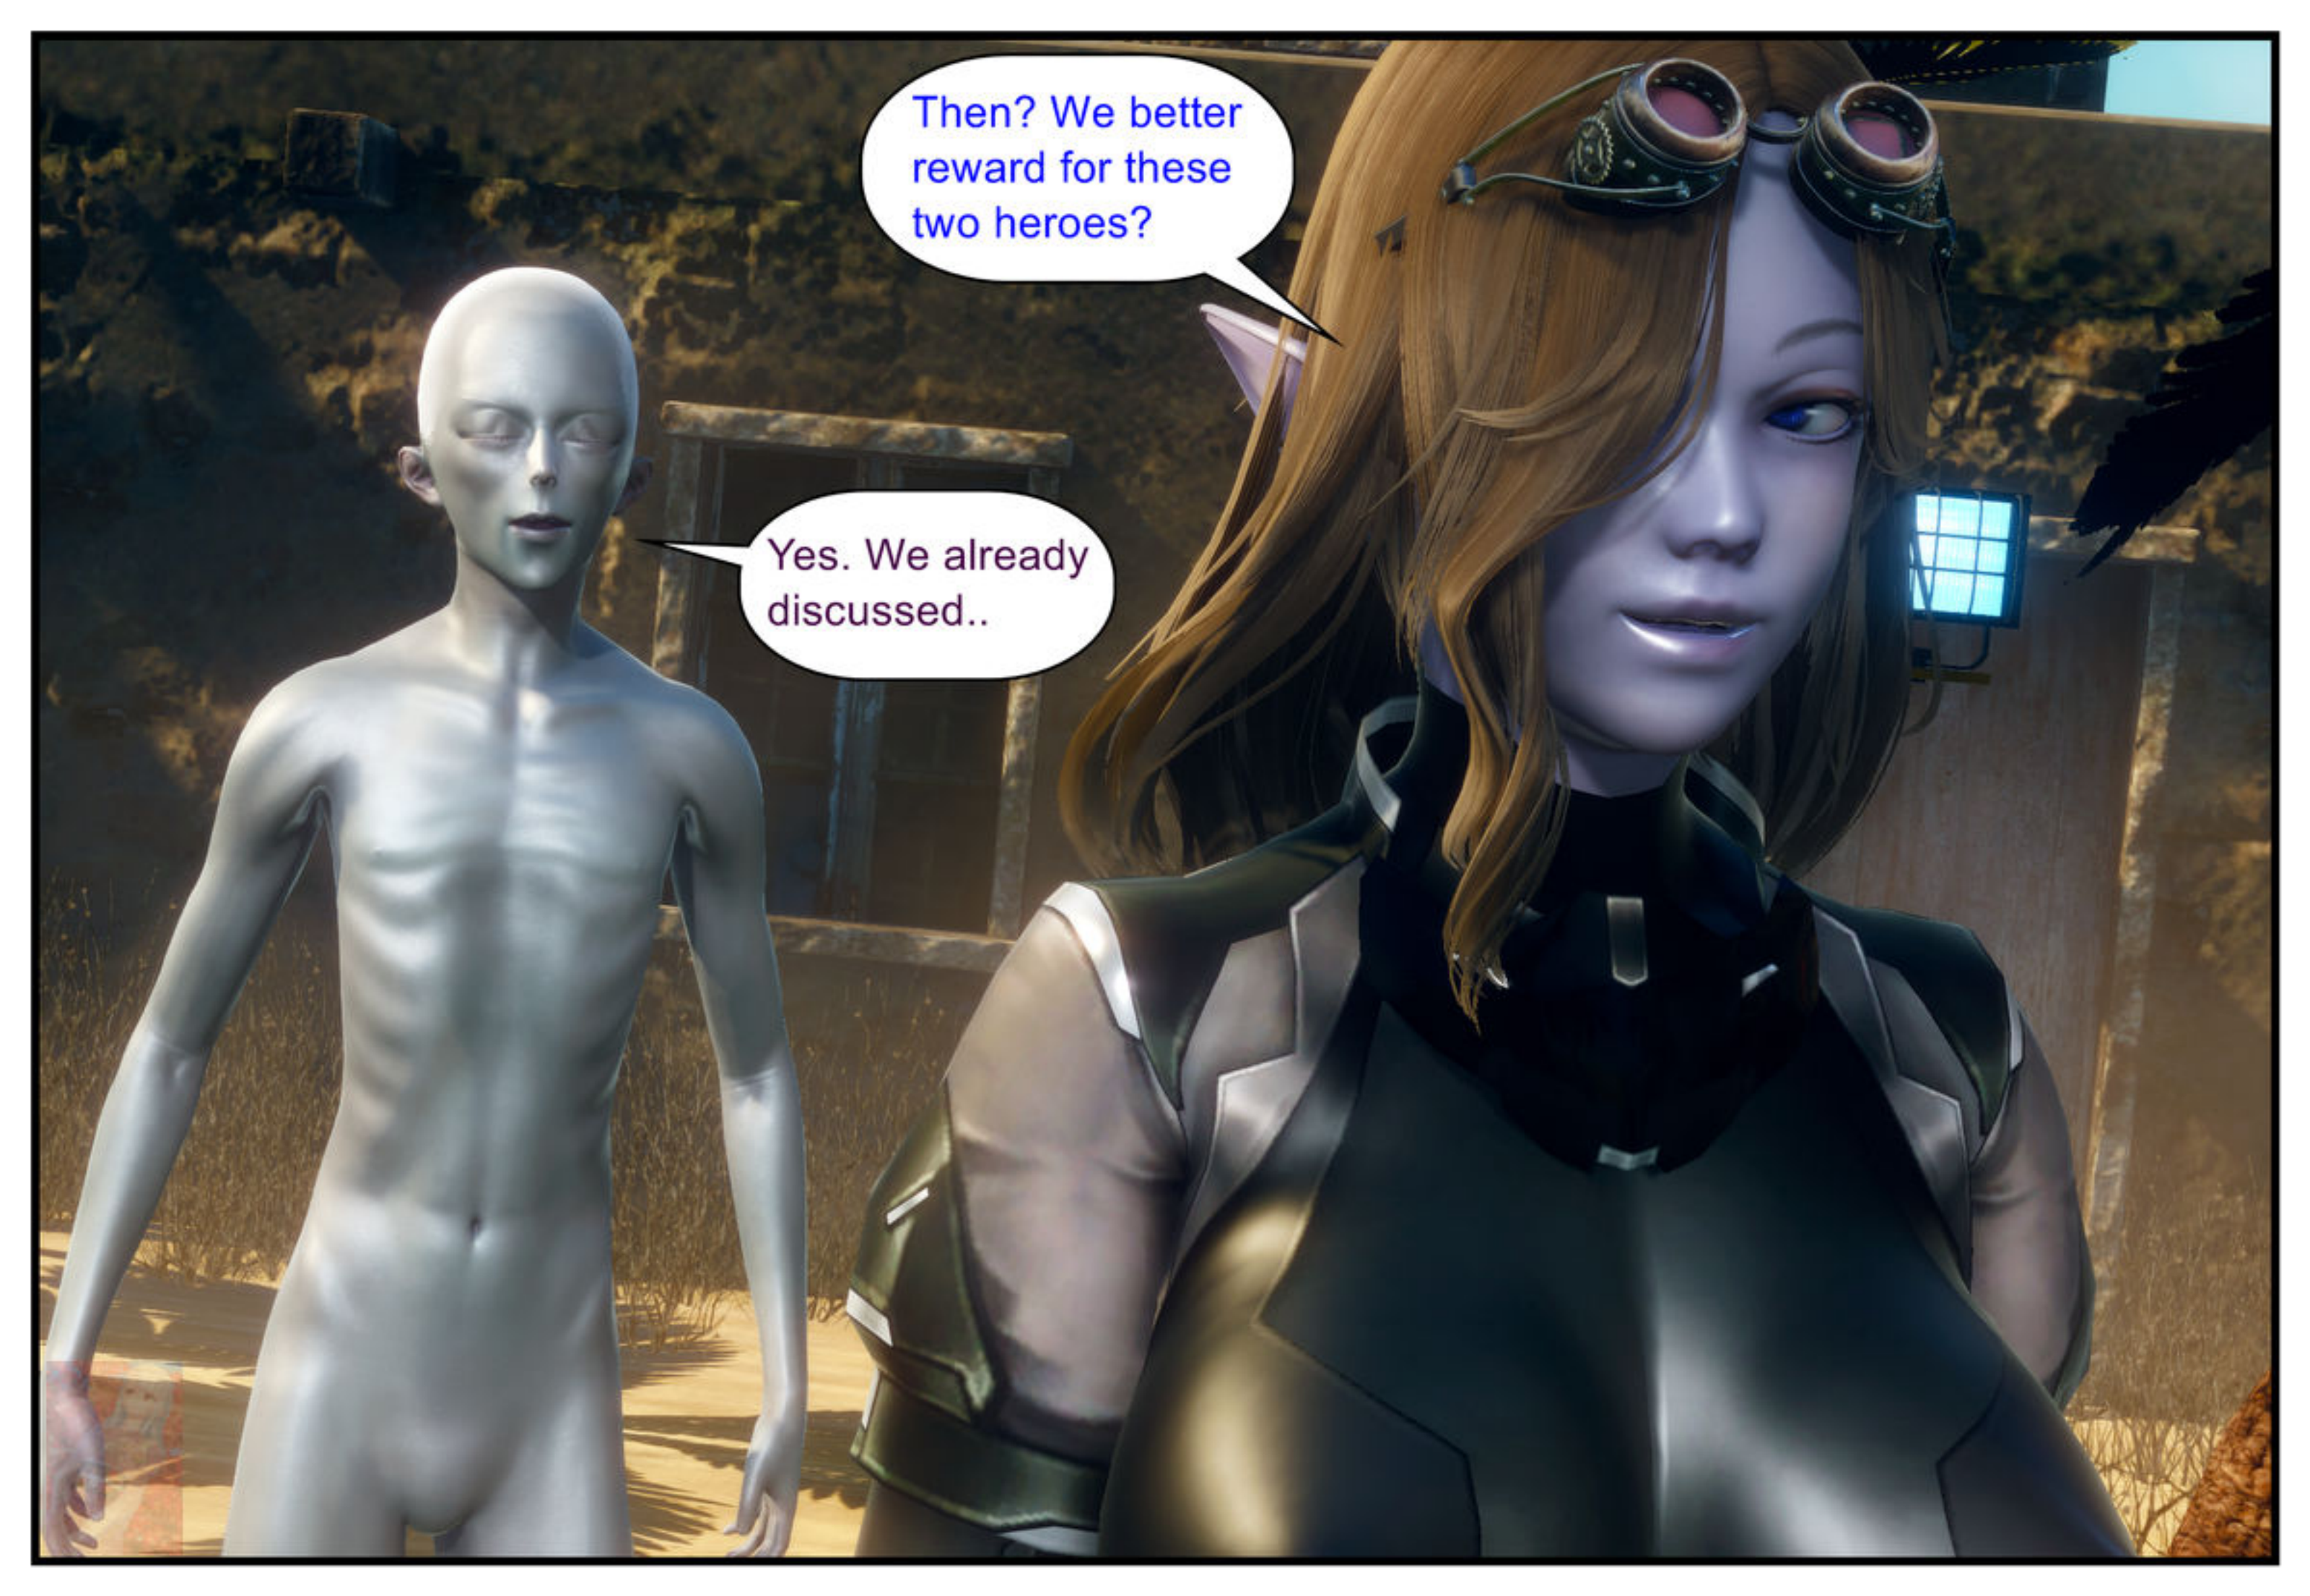

Phew.. What a interesting trip inside your body.

Are you.. alright.. Sis?

Then? We better
reward for these
two heroes?

Yes. We already
discussed..

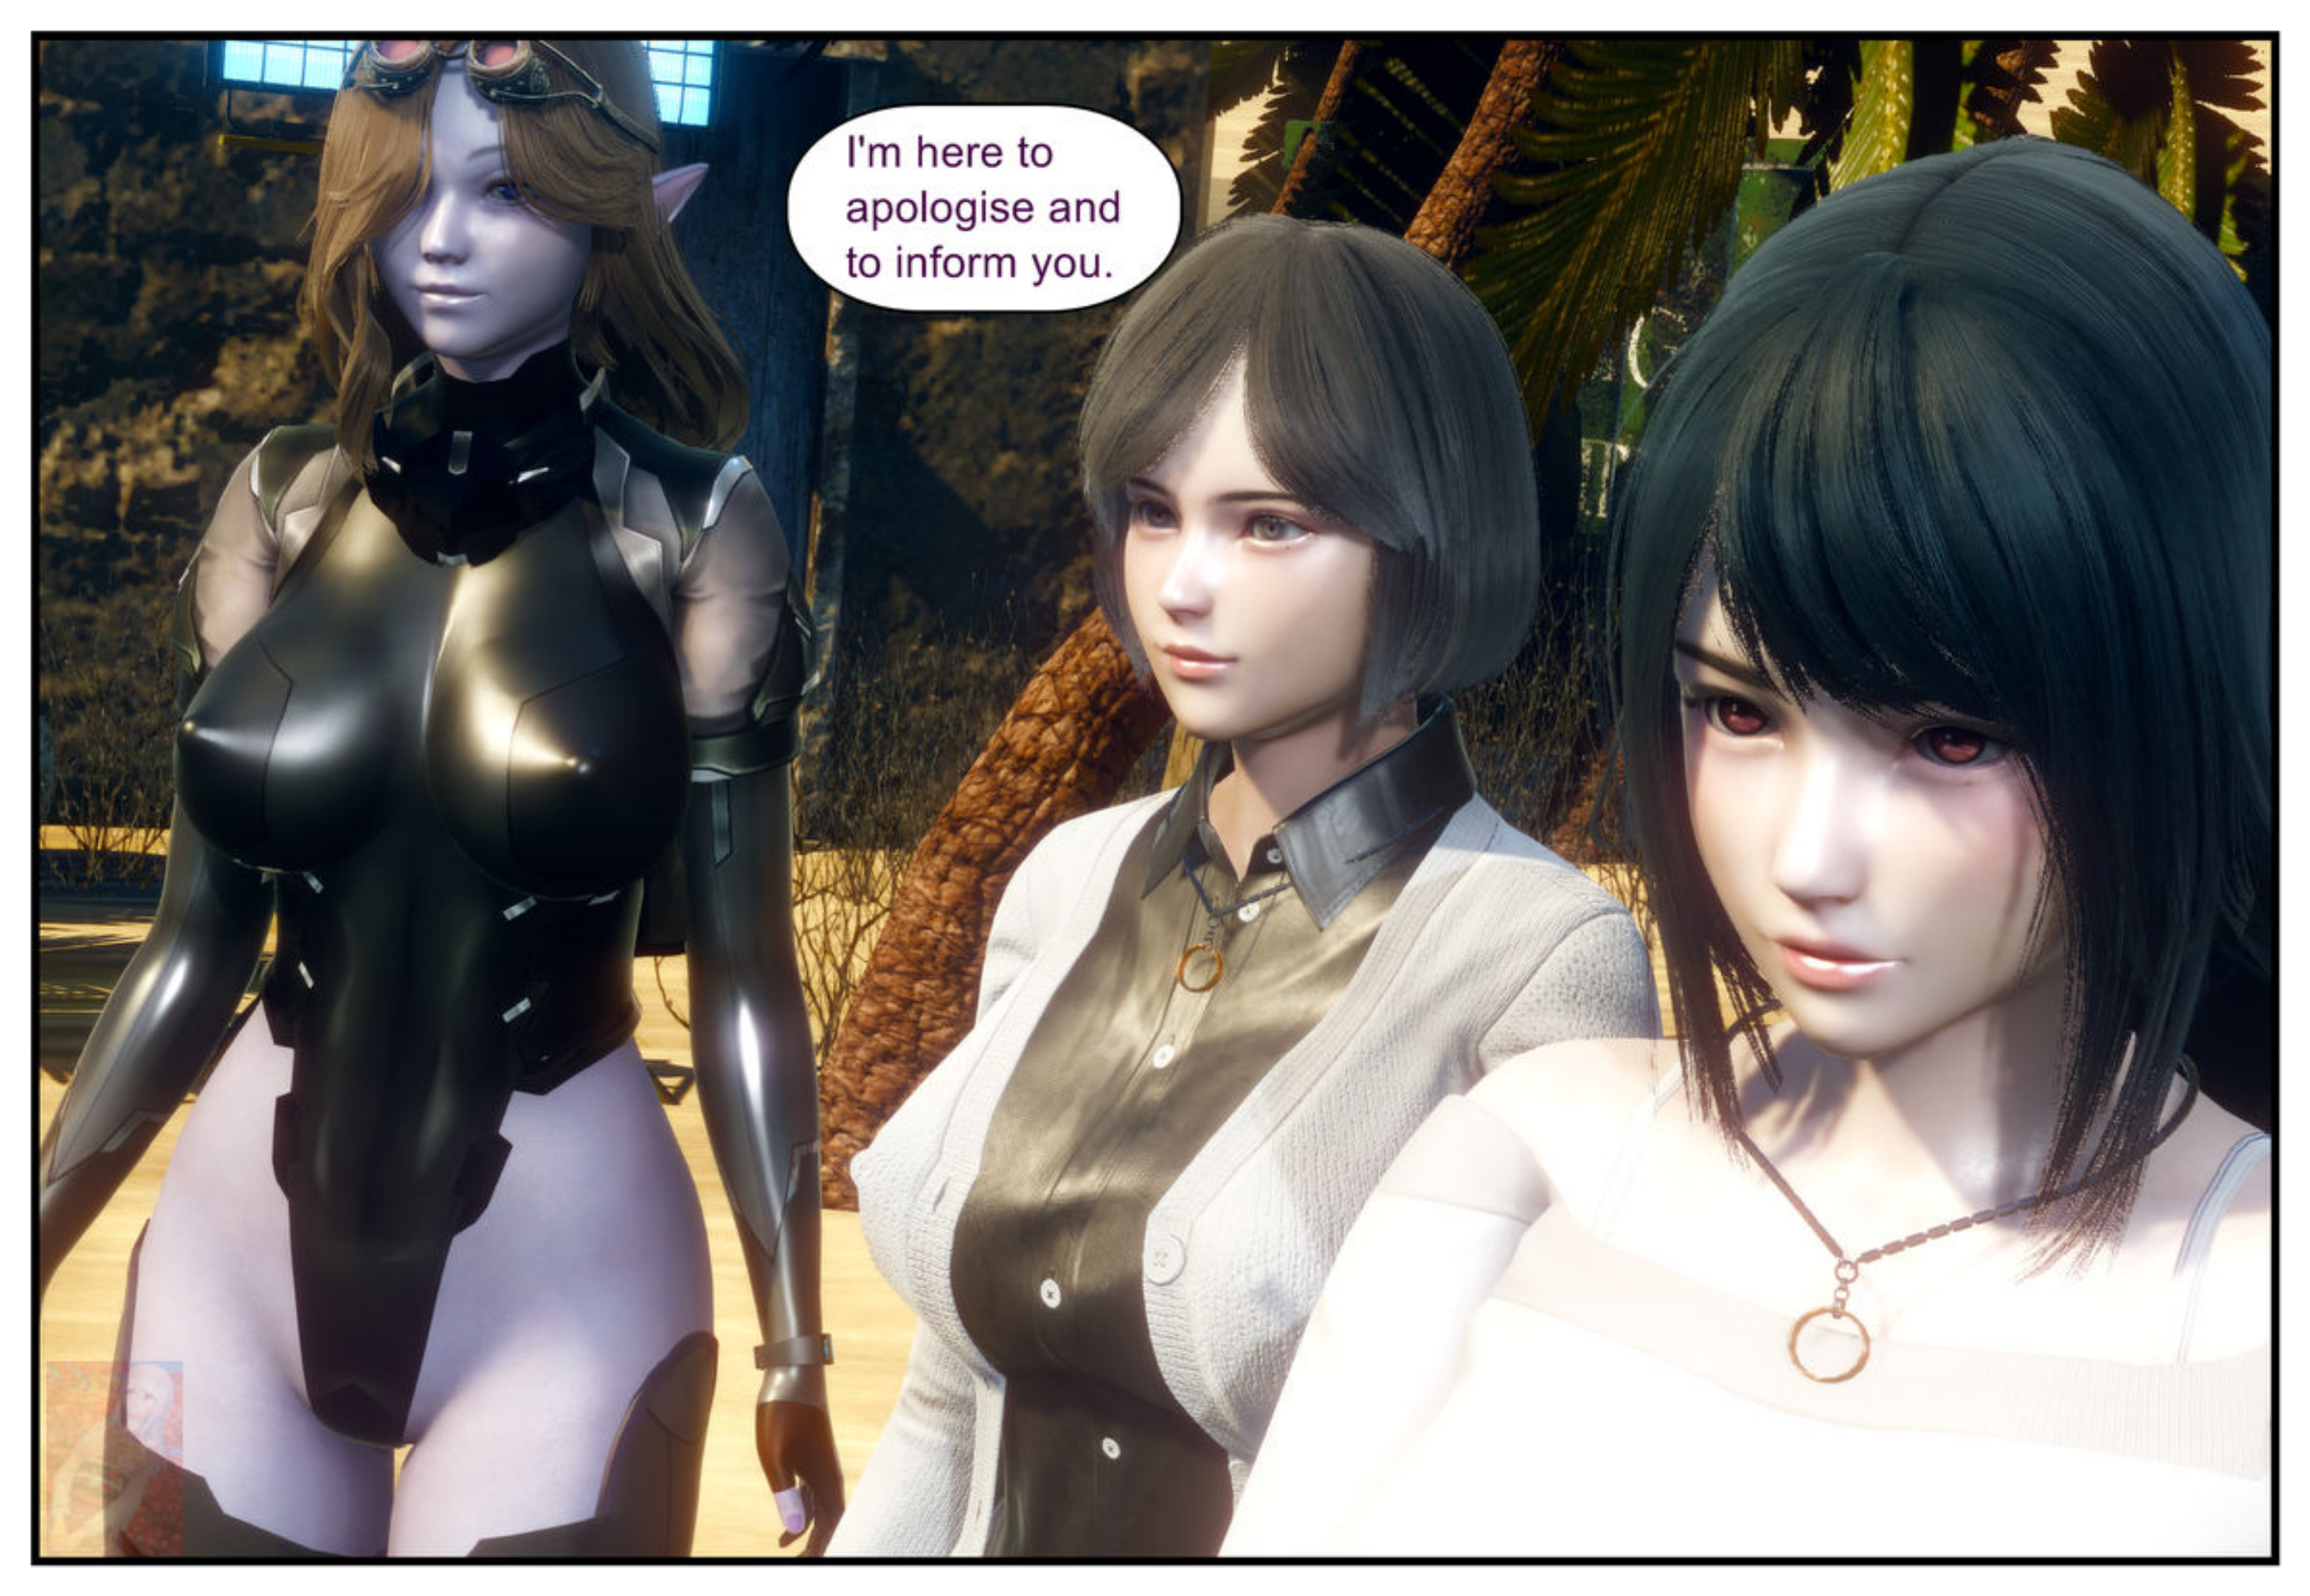

Our heroes won't ask for anything else. As Haruka can see again.

You are..

Am I.. late?

I'm here to
apologise and
to inform you.

The System will be standing before the court for their action.

Also.. my team was dismissed.
I'm sorry for all the troubles that I caused.

Well, you can come with me to my planet.

W-What..?
Me?

I supposed you
have nowhere
else to go?

Well, I have some use for your body.

I still.. remember when you going down my throat..

S-She did..?

Sorry, but I refuse the offer. Haruka already invited me.

I'm no longer a soldier, but a family member.

Very well then.
I respected your
choice, friends.

"If there's a chance,
that we will see each
other again.."

"Farewell, my friends."

So.. what are we going to do now?

She would moving around inside and control your body.

I wonder what did that aline mean "my body"?

Just glad you
didn't follow her.

Go home, have a meal and get some rest.

Haruka? What do you want to do now?

To celebrate new family member!

I wonder how
was the landlady?

Hah..? Where
am I..?

**Alien Skinsuit..
End.**
