

Hey, you! Adventurer.
Wait up...I need your help!

Who are you...and be quiet!
There is a Gablin nest nearby!

Yeah, I just came from there!
One of the little basterd bit me!
I thought we were just having
a little FUN!

I said to keep your voice down...
Bit you...a little fun? Hmm.

I just need help getting back to town,
i need to get to the alchemist...for...
a potion...

You are looking a little green
around the gills...and a little thin
on your head of hair...are you turning?

Just get me to town, I am feeling...
weird...I need a morning after
potion...like now!

You are, you are turning...and...
you are away from the nest too!
Wait, morning after potion...
You fucked a goblin!
On purpose!

Well, Yeah...he was kinda cute.
In a Goblin sort of way. Please,
my dad is a wealthy merchant
There will be a reward!

Hmm, we will just have to see what
kind of Goblin you are destined to be
Warrior...and your dead! Some of
the others have...uses!

Please, I just wanted to disappoint daddy...
I don't wanna be a Goblin!

You might now want to be a goblin
but you are about to BE a Goblin.
At least you left the nest...you won't
join their family!

If you get me back to the alchemist
before I turn...he can fix it.
I swear...I'll give you anything!

You better control yourself...already
hairless...your ears are getting
pointy...Just hope you don't
turn rogue!

Ungh...My skin...oh, god! I feel so...
Sensitive. Am I turning green! I feel
like my titties are getting big!

You better hold yourself together!
Town is a long way away...and
you are looking...compromised!

You know...if a human transforms into a goblin...they will get a role. Warrior, berserker, thief...violent beasts...all of them!

I swear, I am not going to be like that...I feel...oh, nevermind. But its not violent...its something else!

You better not! I see your eyes
turn red and that will be the
end of your little skanky
adventure!. Let me see
you!

NO, No, no! I am fine...I would never.
See, look at me...I am not going to
turn evil...i swear...i want to...
SERVE!

Its all in the eyes...you can always
tell a goblins type by its eyes.
Pray to be a merchant...a
bard...a fisherman!

I feel...Is soaking into my soul...
What am I becoming...Please,
don't leave me like this!

Oh my...HA ha...HA HA HA...
You have no nest...and your eyes
changing you into...this! I am
a lucky woman...and so are
you...Well, Kinda

Well, thats kinda cryptic...
What do you mean you are
lucky and what about me!
TELL ME!

Just keep walking, you aren't going to an alchemist or your father...I have a guys that will want to see what you become!

Ahh, Tell me...you can't man handle me like this...my father... He is a very powerful...*COUGH...
A powerful man! HEY

What the fuck just happened
to my voice...I sound...Tiny
and high pitched...And my
titties...ARE FUCKING
HUGE!

Yeah, I can tell. You are just getting
closer and closer to your final form.
You will be a very rare Goblin indeed...
and with no loyalties to a nest!

AH, back into town! Remember, you are my
slave...otherwise, a loose goblin in
town...is put to death!

Oh, my god...You are right...please
get me to a cure I can't
stay this fucking horny
for long!

A woman with long brown hair, wearing a dark and silver medieval-style armor, stands in a cobblestone town square. She is holding a green goblin by the neck of its small tunic. The goblin has large breasts and is looking up at her with a frustrated expression. The background shows traditional European-style buildings with timber framing and flower boxes.

Oh here you go...do you hear that...
you are starting to speak in
goblin gibberish...no-one really knows
what you are saying...but you...
are disappearing.

Stop my home is there...right
