# “HELP”

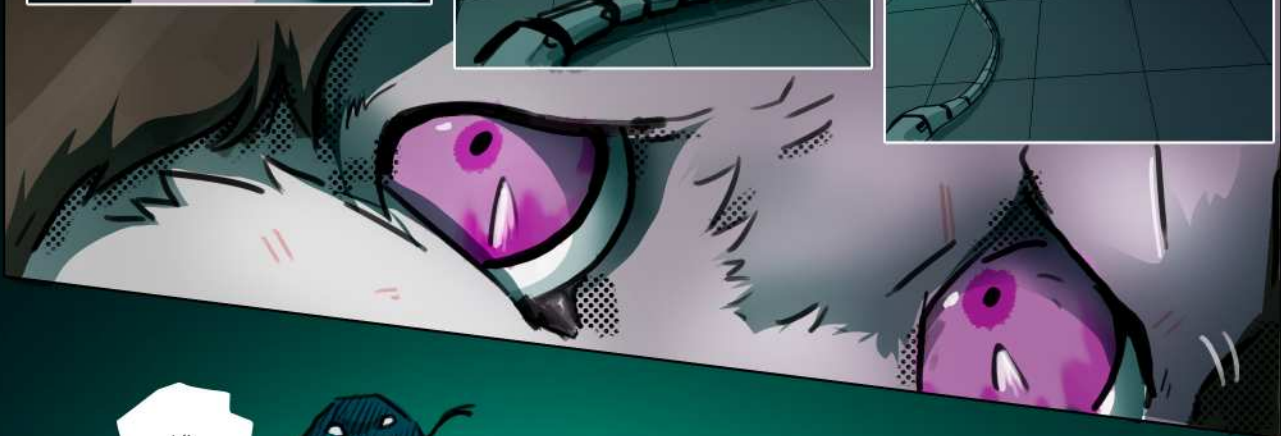

Ayuda

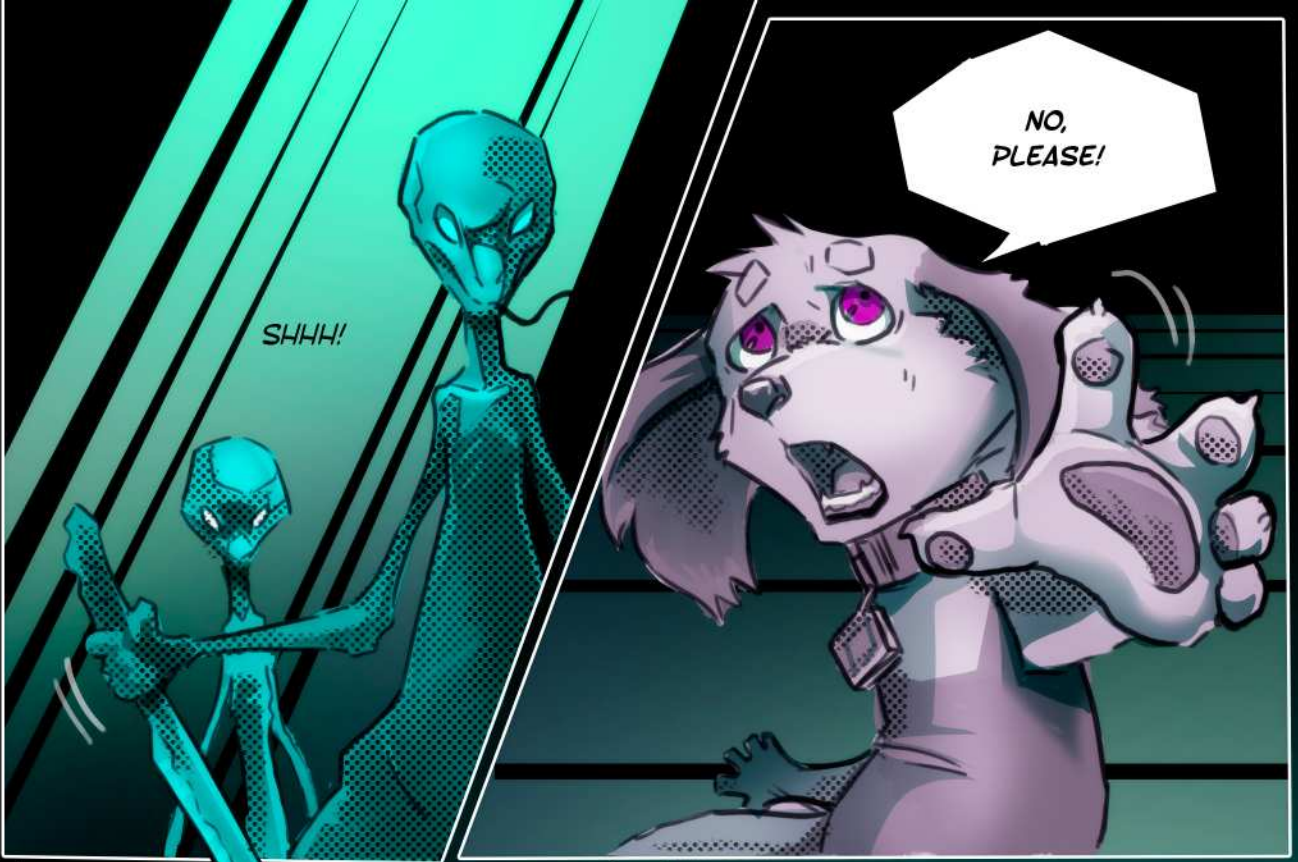

**The Void** has different levels of depth, the very first scientific installations are located at the upper levels, near the surface, from this zone many tunnels go under the earth and communicate the lower levels, several abandoned machinery and scientific equipment can still be found there.

The facility is a big and unexplored mystery, in its halls and laboratories lay many kind of dangers, it is said that the complex gets more dangerous as humans and xenos go into its depths, despite this fact, going there can still probe rewarding, as there are still safe places like supply depots with food and even working technology like armors or weapons.

As happen with the highest bets, the bigger the risk , the bigger the reward, that's how **The Void** use to work.

SHHH!

NO,  
PLEASE!

LEAVE HIM  
ALONE!!

HUH?

GET AWAY  
FROM HIM!

HUAAAAAAAAAAAA!

OR WHAT?!

OR ELSE I'M  
GOING TO-

I'M

**COWARDS!!**

**CRACK!**

**GRRRRR!!**

WHAT NOW?

WE ARE NEAR THE ABYSS, WE SHOULD PROBABLY HEAD THERE

I'VE HEARD THERE'S A NEW SAFE SETTLEMENT OVER THERE, IT'S JUST A RUMOR

BUT IF IT'S TRUE, YOU MIGHT HAVE A BETTER CHANCE OF SURVIVAL THERE

A SETTLEMENT?  
DO YOU THINK YOU CAN FIND IT?

AS I SAID, I'VE BEEN HERE A LONG TIME...

SO LONG THAT XENOS KNOW ME AS "THE ANCIENT"

I KNOW THIS ZONE

THE ANCIENT?  
MY NAME IS PIXI, DON'T YOU HAVE A MORE PERSONAL NAME?

NOT ANYMORE, I DECIDED TO FORGET MY NAME A LONG TIME AGO

BY THE WAY, WHAT'S THE NAME OF THIS LITTLE DOG?

I DON'T KNOW

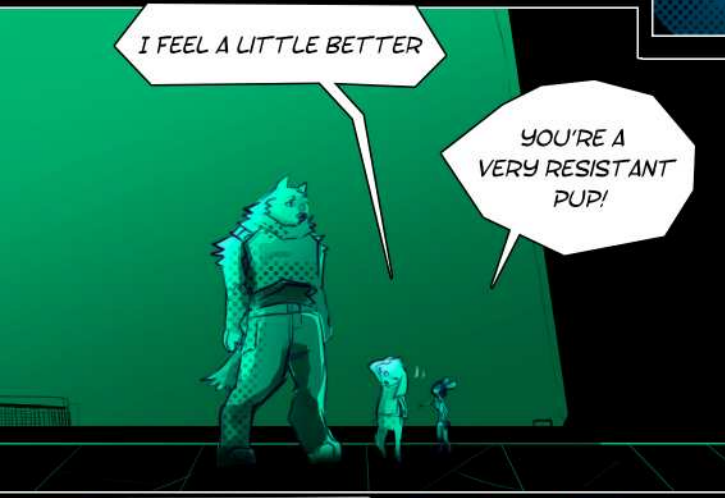

YOU DIDN'T KNEW HIM FROM BEFORE?

WOW!  
YOU'RE BRAVER THAN I THOUGHT

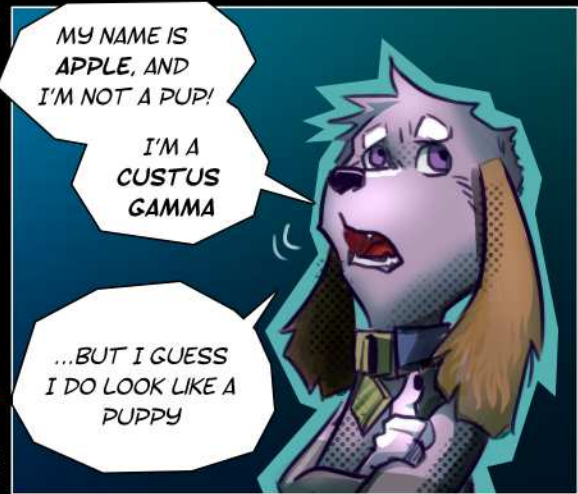

YOU SHOULDN'T HAVE GOTTEN INVOLVED

LOOK WHO IS AWAKE!

I FEEL A LITTLE BETTER

YOU'RE A VERY RESISTANT PUP!

MY NAME IS APPLE, AND I'M NOT A PUP!  
I'M A CUSTUS GAMMA

...BUT I GUESS I DO LOOK LIKE A PUPPY

CUSTUS GAMMA??

YOU ARE A PET?

"CUSTOM COMPANION XENO "

YES, I WAS A PET

A PET?

HOW DID YOU ENDED UP IN HERE?

FOR THE SAME REASON EVERYONE DOES, I GUESS...

I WASN'T USEFUL ANYMORE

BELIEVE IT OR NOT, I CAME HERE WILLINGLY!

THEN YOU MUST KNOW WHERE THE EXIT IS!

EH?

NO, YOU DON'T UNDERSTAND

THE THING IS THAT I WILLINGLY EXPLODED A WHOLE BUILDING

WHAT?!

WOW!

WOW, SOUNDS LIKE AN INTERESTING STORY I'D LIKE TO HEAR. BUT WE REALLY NEED TO START MOVING NOW

YOU-- DO REALLY THINK IT'S INTERESTING?!

I'LL TELL YOU ALONG THE WAY!

A BUILDING???

YOU SEE

I USED TO BE PART OF A MECHANICS AND TECHNICIANS TEAM

WE USED TO DO A LOT OF MAINTENANCE WORK

YOU KNOW,

MAINLY ARMORED VEHICLES, LIKE TANKS...

ONE DAY  
I SLIPPED INTO  
A CABIN...

...AND I SPENT THE  
WHOLE DAY FIXING  
THINGS IN THERE

WHEN IT WAS LATE  
I STARTED TO  
GET HUNGRY

AND I SMELLED  
SOMETHING DELICIOUS  
IN THE COCKPIT...

A HALF EATEN  
CHEESE SANDWICH!

SOME SOLDIER HAD  
SURELY LEFT IT INSIDE  
THE VEHICLE...

WE WEREN'T ALLOWED  
TO EAT HUMAN FOOD,  
BUT I FIGURED NOBODY  
WANTED IT,  
SO I TOOK IT

THEN I RUSHED TOWARDS  
THE SCIENTIFIC AREA

TO THE  
PERSONNEL LIVING ROOM...  
THE DINING HALL

AND THE  
MICROWAVES!

OHH!!  
I SHOULDN'T  
HAD BEEN IN  
THAT PLACE

BUT BACK THEN THE SANDWICH  
SEEMED MORE IMPORTANT...

xenos

KEEP OUT

I PRESSED THE  
BUTTON AND..

CLICK!

**BWAHOOOM**

A FRIGGIN'  
CHAIN REACTION!!

UNGH!

IT WASN'T ME!!

I WAS SO AFRAID THAT  
I HID INSIDE SOME CRATES...

...WHEN I DECIDED  
TO GO OUT I  
FOUND MYSELF IN  
HERE

THAT DOESN'T SOUND  
VOLUNTARY AT ALL...

WELL, THAT'S MY STORY!

WHO ELSE  
WANTS TO SHARE  
HIS STORY?

I SAY THAT  
THE LITTLE ONE SHOULD  
SHARE HIS PAST

WELL, I...

HEEEELP!!

I'M GOING TO INVESTIGATE!

YOU'D BETTER STAY BEHIND!

AHHH, DON'T LEAVE US ALONE!

HEEELP!

WHAT HAPPENED?

WHAT'S THE PROBLEM?

MY FRIENDS!

THEY'RE TRAPPED, I COULDN'T OPEN THE GATE AND THEY-

- THE SHADOWS!

BEHIND THAT GATE

THEY SEEMED TO BE FIGHTING JUST A FEW MOMENTS AGO...

I COULDN'T OPEN IT, I COULDN'T DO ANYTHING!

RRGGHH!!!

THERE THEY ARE!

QUICK, THEY ARE WITHDRAWING!

THOSE THINGS FEAR THE LIGHT!

WHAT HAPPENED TO THEM?

DEXTER IS MISSING, BUT HE SHOULD BE NEARBY

BETWEEN THE SHADOWS!

I'LL GO GET HIM

YOU TWO, HELP HIM TO CARRY HIS COMRADES OUT OF THE TUNNEL

YES SIR!

STAY NEAR THE LIGHT

BE CAREFUL...

I HOPE HE'S FINE...

THEY'RE  
STILL  
ALIVE

HE'S BACK!

HERE-

-HUNFI!-

HE IS!

...AURGH

ARE YOU ALRIGHT?!

YES,  
IT WILL NEED MORE  
THAN A DOZEN OF  
MONSTERS TO TAKE  
ME DOWN

BUT, OUCH,  
THIS SURE HURTS

DON'T WORRY ABOUT  
ME AND CHECK THE  
DEXTRA'S CONDITION

HE'S STILL  
BREATHING!

HIS ARMOR  
ABSORBED MOST  
OF THE DAMAGE

BUT HE LOOKS  
TERRIBLE

DEXTER  
IS A MEDIC!

MOVE  
HIM SO I CAN TAKE  
A LOOK INSIDE  
HIS BACKPACK

HE HAS TO HAVE  
SOME MEDICINE!

EUREKA!

HEALING SHOTS!

DO YOU KNOW HOW TO USE THEM?

I GUESS YOU JUST PLACE IT-

-AND PRESS!

GASP!

WOAH!

INSTANT EFFECT!

HOW DID  
I GET HERE?

WHERE IS MARTY?

DEXTER!

EVERYTHING  
HURTS

DEXTER,  
FOCUS!

YOU HAVE TO  
HELP THE  
GUYS!

MARTY!

THEY SEEM TO BE ALIVE  
BUT STILL UNCONSCIOUS

MY  
GENERAL!

DON'T YOU  
WORRY, MARTY

I'M  
HERE NOW

EVERYTHING IS  
GOING TO BE FINE...

TO BE CONTINUED...
