

**Hnggh, where is
everyone!!!
Come on!**

**It wouldn't be that bad
if I had something to fight!**

Hm? I smell an enemy!

Show yourself!

Maki!
It's me, Dianne~

Dianne?

Ahaha~

Ohh~
It's really you,
Dianne~

I finally found
someone~

**I'm really happy to
see you, too~**

**Hm? Did you
fight anything?
You're sweating.**

Ah~

Yeah, as soon as the teleportation
was complete, I was attacked by slimes.

Ahaha~
You really like to fight.

For real?
Nothing happened for me.
Not even one enemy
to fight.

Well, of course~
Fighting is the best
thing you can do.

And don't forget,
I still need to get
stronger so I can
decide for myself
who to marry.

Right. You know ...
I encountered a really
strong person after the
teleportation.

He was too strong
for me alone to fight.
I couldn't even lift a finger
and I already lost.

But it wasn't that bad.
I got a new body with that
and on top of that, I now
got 3 more bodies that
are waiting for me to get~

Dianne?
What do you mean?

An anime-style illustration of two female characters. The character on the left has long, dark hair and is wearing a black dress with long black gloves. The character on the right has long, light-colored hair and is wearing a white and gold dress. A speech bubble is positioned above the character on the right, containing text. The background is a dark, textured grey.

Well, obviously,
I mean you and the
other 2 party members~

I should probably
start with you now~
Just accept me~

W-What?

M-My body?!

I-I can't move!

I-It entered my
body ...

Urgh~

I ... My body ...
It's ev- everywhere.

Ahaha~
Just accept it.
You can't win~

Aahhh~
Finally done~

Hm~
Her body feels quite strong~
Even though it looks weak.

A character with short, straight black hair and large, vibrant red eyes is shown from the chest up. She is wearing a black, sleeveless top with a high collar and black gloves with silver, sparkling cuffs. She is adjusting a pair of black cat ears on her head with both hands. The background is a dark, textured grey.

And I can hear a lot more
with these ears~

I wonder how they feel~

Whuaa?!

W-What was that feeling ...

T-They're really sensitive~

**Next, the tail ...
It feels weird to have a tail.
Angh~ It's really sensitive
too~**

Well, don't forget~
We have to give you
her memories~
