No, it is Miss Semele for you.

I understand your points, Cornelia. May I call you Cornelia?

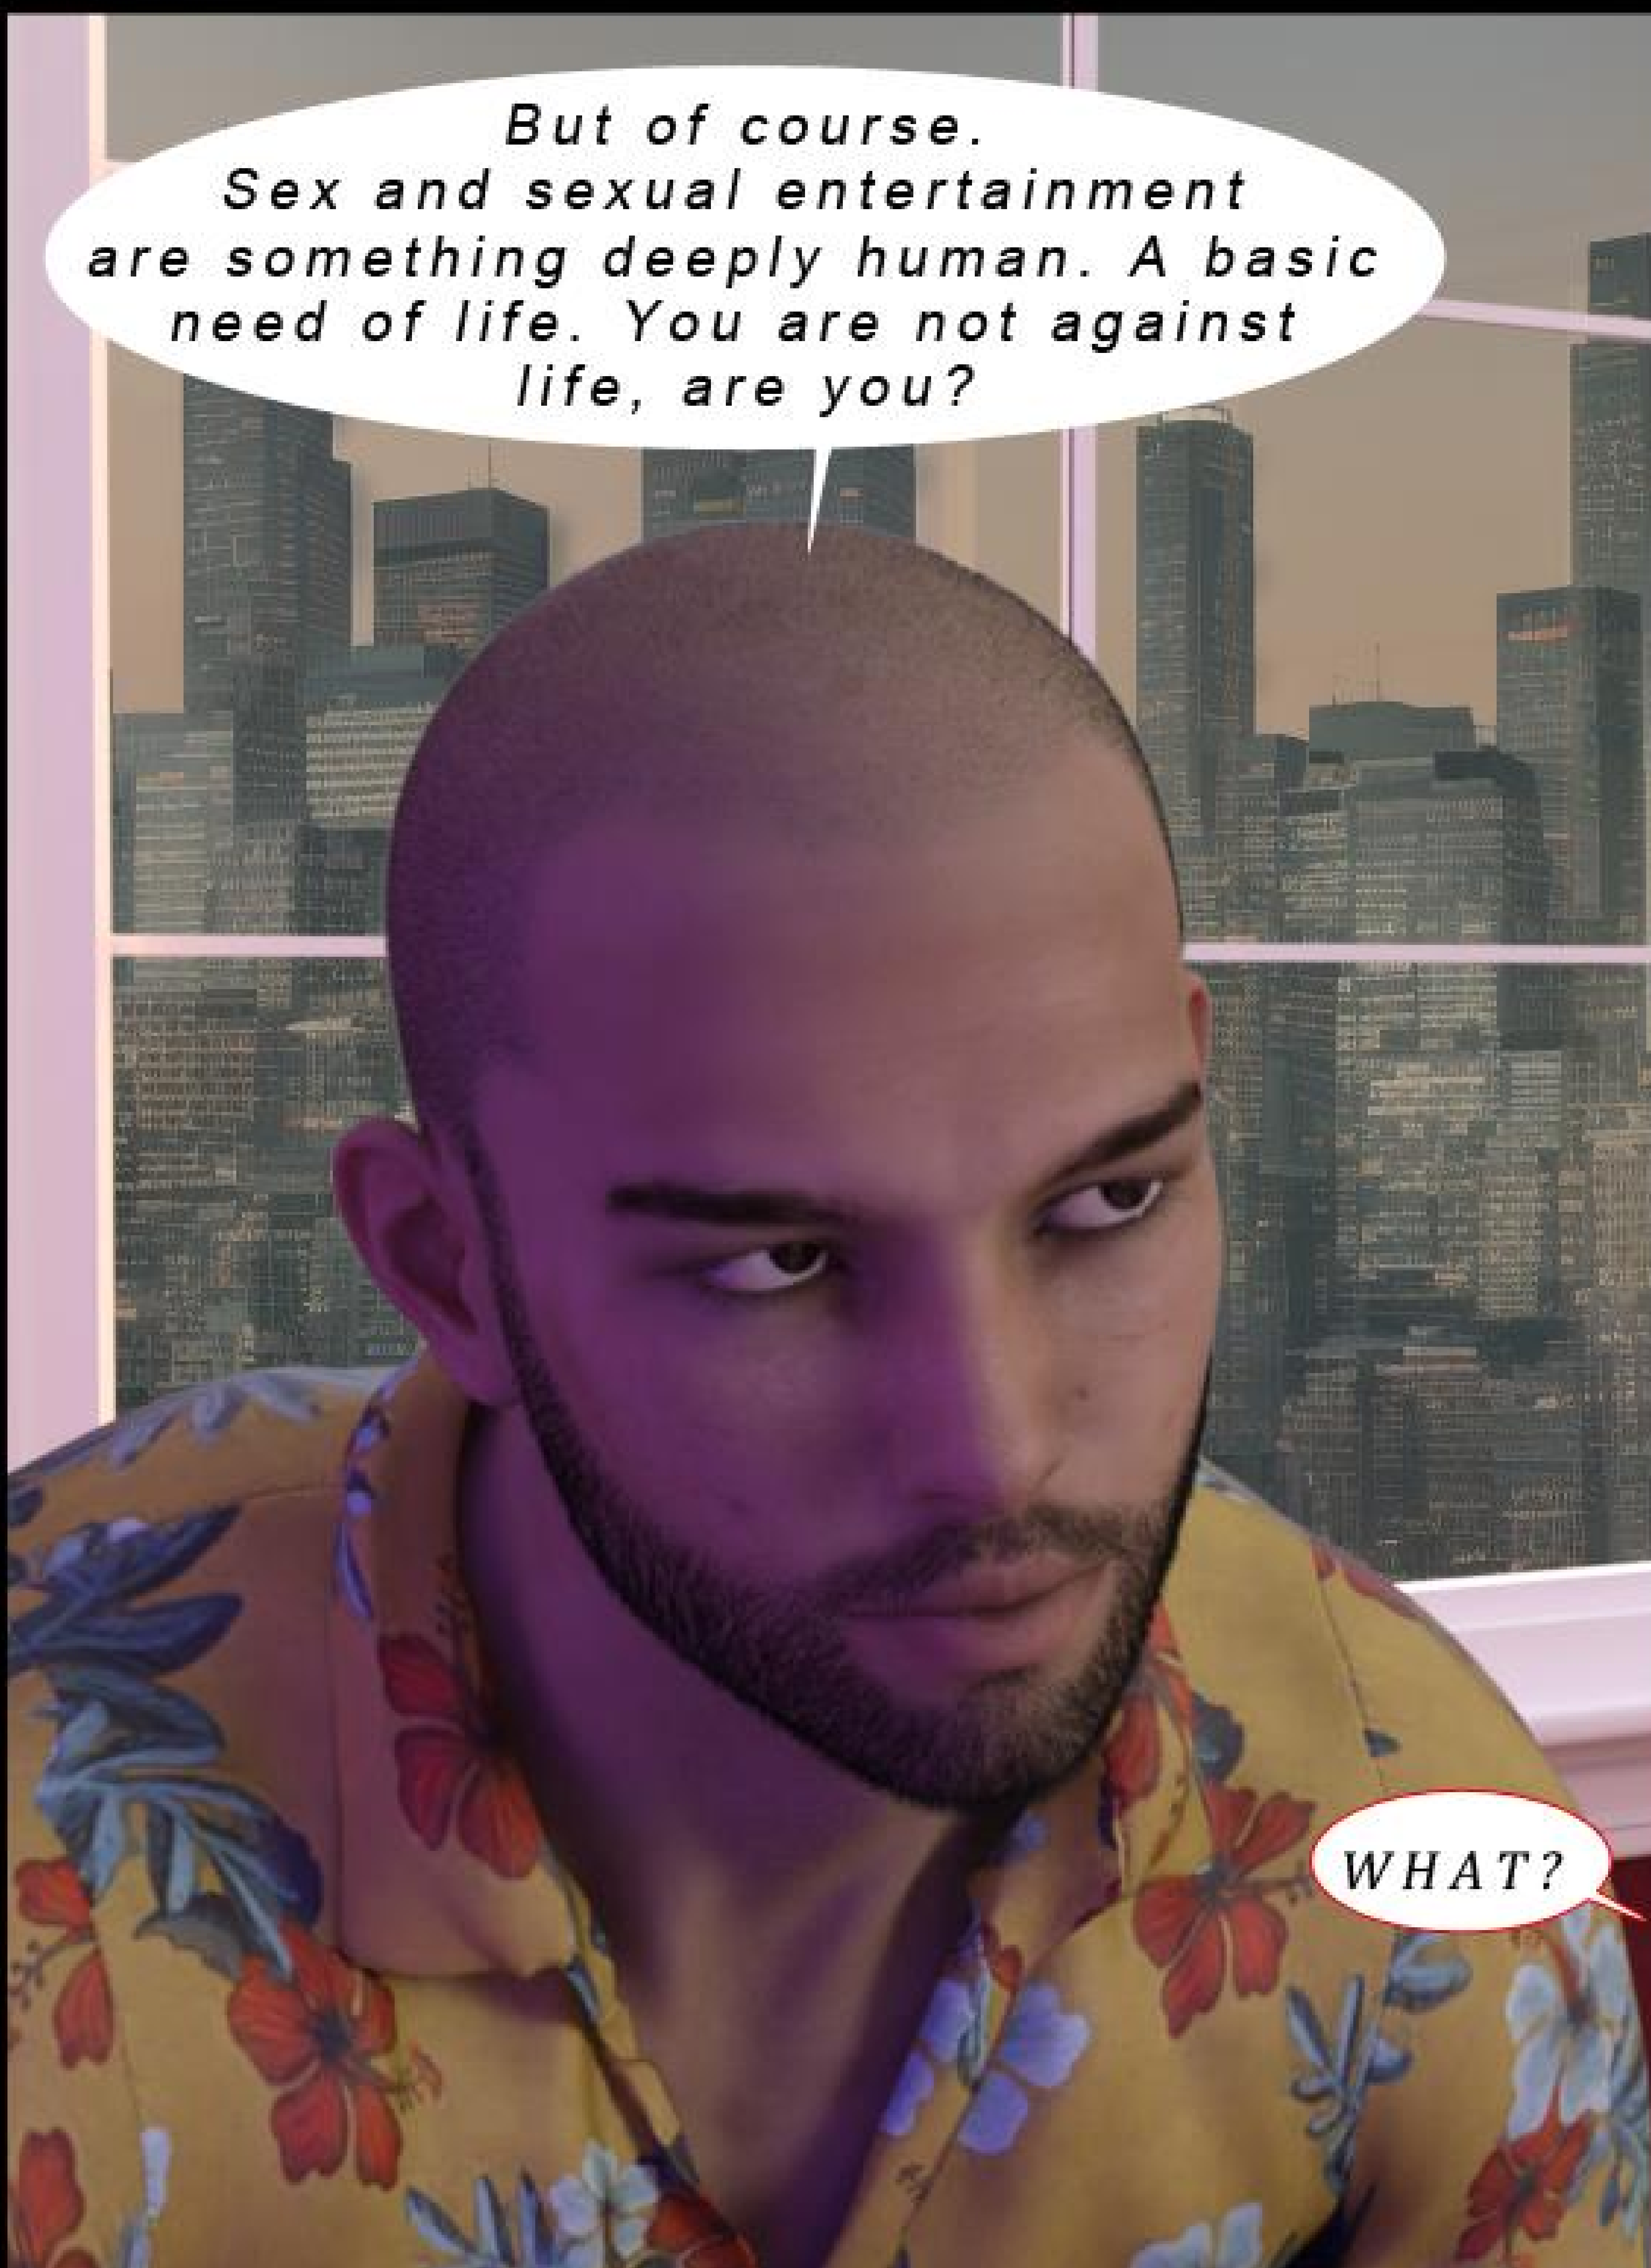

But you see... your accusations are unfounded. All the people in this club that Ava and I run, work here entirely of their own free will.

The are paid excellently, get to keep tips, have a luxury health insurance... do you have health insurance, Connie?

Name is Cornelia Semele for you!

Each of my employees has their own large apartment where no one has access.

But you are offering sexual entertainment here. Your employees fuck everyone who pays! And so much more...

But of course. Sex and sexual entertainment are something deeply human. A basic need of life. You are not against life, are you?

WHAT?

Of course not! How odd to even utter such a thing. I...i...

Where's the toilet here?

Not far away.
Out the door, on the left,

my trick questions was
recognized and countered,
even used against me.

I should
investigate...there
always is a weak
point.

But that can only be an illusion. Fingernails do not grow so quickly or color themselves

These fingernails would suit women in this establishment.

But I now know his weak point. Somehow it evokes hallucinations... probably an odorless gas?

The Bimbo within?

For a woman of your age you have very impressive, fake curves. How did you pay for it?

teehee...

You also know how to make money and how to invest it. Last question Yun, can you work with other woman?

The Bimbo within 2

You can call me Ava, by the way.

Thank you Ava.

The Bimbo within?

It was a good idea on Ava's part.
That one activist could have ignited a powder keg
of misinformation. And damn, how my
darling changed that woman....

The Bimbo within?

Thank you so much Sheldon...

You see...One of the girls told me a little rumor about you and Ava. This rumor is that you have a machine that allows you to change a person's body at will without surgery.

I love working here. But unlike the others, my tips are rather meager and most customers are drawn to the others. The reason is obvious, isn't it?

I have a clear idea of how I want to look...but I can't afford surgery. Can your machine help me?

Oh...and I am willing to pay...everything you want.

The Bimbo within?

And why do you think this rumor could be true, Brandi?

I researched. According to your school's yearbooks, you were rather slight and Ava was very unassuming and boring... even shy. Look at you now.

And a few minutes ago an asian hot babe left your office with Ava. BUT... before she went to the restroom she was completely different.

She was not alone in the Restroom. I had to go and when she changed I looked over the edge of the doors and saw everything.

Good point. But you are right. I can show it to you...when you truly want...

The Bimbo within?

This „machine“ is a prototype Brandi. I will fulfill your wishes...

Thank you, Sheldon.

...but in return you must tell me which of the girls spread the rumor. Deal?

Of course.
It was Laura. She tells from time to time that she is actually a man and that you have changed her with this machine. Is that true?

Ah, Laura.
No, that is not true. She always was a Girl.

The Bimbo within?

Welcome to Ava's and my Research Laboratory.

Wow...look at all that science stuff. Mr. Spock would love this place.

I'm sure he would. You like Star Trek? You surprise me Brandi.

Of course. He is sexy, smart and beat Kirks anytime.

The Bimbo within?

This project is based on an App I've programmed years ago. The mobil version did a good job, but this station have a lot more options for the user.

This console is used to set the parameters for the upcoming transformation. In your case, I leave the pleasure to you, since you have a clear idea. Meanwhile, I'll sit at the station in front and start the process as soon as you enter the chamber and monitor the progress.

So many choices. Sheldon...you and Ava are genius. This makes surgery useless and you very rich. Let's see...

Interessting choice. But I will change her settings a little. Knowing the truth about me, Ava and this machine and with it my LifeChanger App...there is to much risk.

The Bimbo within?

Ready Sheldon?
Start the engine and
Make it so, No 1.

As you wish,
Brandi. Ready for your
dream New U?

Oh by the
way...Brandi Wild is just
an Alias of mine...

Oh?

Does Geraldine Topazi
still mean anything to you?

Of course. She was
in my class and got mobbed
by the most because
she was ...

...real fat and
ugly as hell...called
Blob. Yep...That was
me.

No way...I'm
sorry...but I haven't
reconized you...

Nobody has.
But this day I had
this one dream...and
now I can fulfill
it.

Brandi's dream seems to come true. She worked hard as a teenager to loose her body fat and as young adult her obsession for beauty and erotic dance became stronger and stronger...so that she startet to work at the Kitty Lounge. Now she got the chance to change her body as she want to look and only 50% are done...

...but right now she is unaware that her voice seems to getting higher while she sounds more and more like an airhead Bimbo. Or was it part of her wanted changes too?

The Bimbo within?

And look **like**

The Bimbo within?

But even Sheldon's newest Machine takes its time to rewire such a complicated organ as a brain and completely change a personality, so...

Geraldine can't think straight anymore....

... it's so hard to have a clear thought that doesn't revolve around sex, fun, make-up or shopping...

Brandi was always Geraldine's imagination. She wanted to look like this for years - but to completely align her personality with this figure never crossed Geraldine's mind.

The Bimbo within?

However, because she lived her fantasy daily for many years, the process of resistance was very short...

Like who
is Ger... al... dine?
Me Brandi...

... Brandi Wild!
teehee

Where Geraldine once was, Brandi Wild took place. Gone are the years of education or painful memories being an outsider... Brandi has always been the center of all attention and she enjoys using her body accordingly.

The Bimbo within?

While lust and passion dominate her mind and body, all more complex thought processes are just a colorful something - hidden in a pink cloud. For Brandon and Ava, she no longer poses any threat of ever exposing their game or going public with it.

Ohhh...
i feel like sooo
funny... wanna dance...
and I feel like sooo
empty...

... can we
like totally fuck
an have some
fun?
