

Possession  
Drink 2

... and it felt amazing.  
It was unbelievable.

For real?  
Wasn't that just  
a wet dream?

Okay, then after school,  
come to the clubroom and wait  
there for me.  
I'll try to get 2 from the drinks.

And then when it's over,  
you'll know what I meant.

Sure? I still think  
you had just a wet dream.

After school

Huh. I can't wait  
when he gets back  
and got nothing to  
show.

I found them!

Huh?!

I even got 2 of them!

Well, here is yours.  
I promise you this  
will be really awesome.

TSF? Tea in a can?  
Hm? It was made by  
Shiyin Corp.

Doesn't matter.  
I already know the  
effects.

If you say so.

A character's face is visible through a lens-like opening in a dark background. The character has light skin and dark hair. The lens is a horizontal oval shape that tapers at both ends.

Huh? I was sitting ...

T-That's me?!  
Did it really work?  
Did I really just leave  
my body?!

Where is Eito?  
If I can't see him  
after he left his  
body, it will  
be difficult.

It worked and  
I can see you.  
Perfect.  
Just follow me.

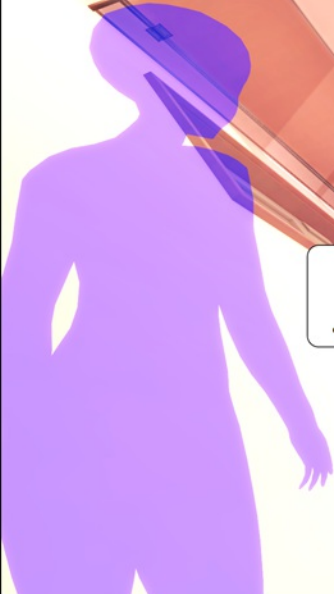

Let's check the girl's toilet.  
Maybe there are some girls we can possess.

I still can't believe this.  
It has to be a dream.

... you know it already.

... but that's just unfair.  
You know I never can  
win against you.

Oh, look at them.  
As I see it, they're the only girls in here.  
Isn't that perfect~  
I'll take the blonde~

H-Hey. That's not fair!  
... Well, okay, you gave me the drink.

You should  
believe more  
in your looks.  
But you are right.  
I am beautiful~

Hahaha. And guess what.  
I'll have fun with your  
beautiful body~

Ah?! S-Something ...  
is entering me.  
W-What is this?!

A manga-style illustration showing two characters. On the left, a girl with long, straight pink hair is shown in profile, looking towards the right. On the right, a girl with shoulder-length brown hair in pigtails and bright blue eyes looks back at her. She has a slightly concerned or questioning expression. She is wearing a light purple school uniform with a red bow. A speech bubble is positioned above her head.

**Rio-san!**  
**What's wrong?!**

Wow. This looks weird.  
But he really just flew into her.

Hmm. You should worry about yourself.  
... Okay, she is definitely a cutie herself.

It sounds so girly.**

**Eh, you are a girl  
right now, ehm, Nina-chan~**

So this is ... This feels  
so strange~ I like it~

I did say it works.  
And you answered with  
"it was just a wet dream."

Okay okay. I know.  
You said the truth.

Well, what do you think?

Beautiful legs

A skirt instead  
of pants.

And then the tightness  
underneath the skirt~

Yeah, this is definitely amazing~

I never thought  
it would feel like this  
to be a girl.

Haha~ Now you know  
what I was talking about.  
I didn't really take a good  
look at your new body,  
but you sure are cute~

But I definitely chose the right one.  
Just wow. I'm unbelievably cute~

Oh my god your skin  
is so smooth~

Huh. I really envy  
you right now. You  
got a beautiful body.

And if you look closely, there is a toilet.  
You can lock the door~

I never took  
off girls clothes.

I can't wait to see

It's a cute one~

Mhm~ S-So this is  
how boobs feel~

W-Why are you  
showing your breasts here?

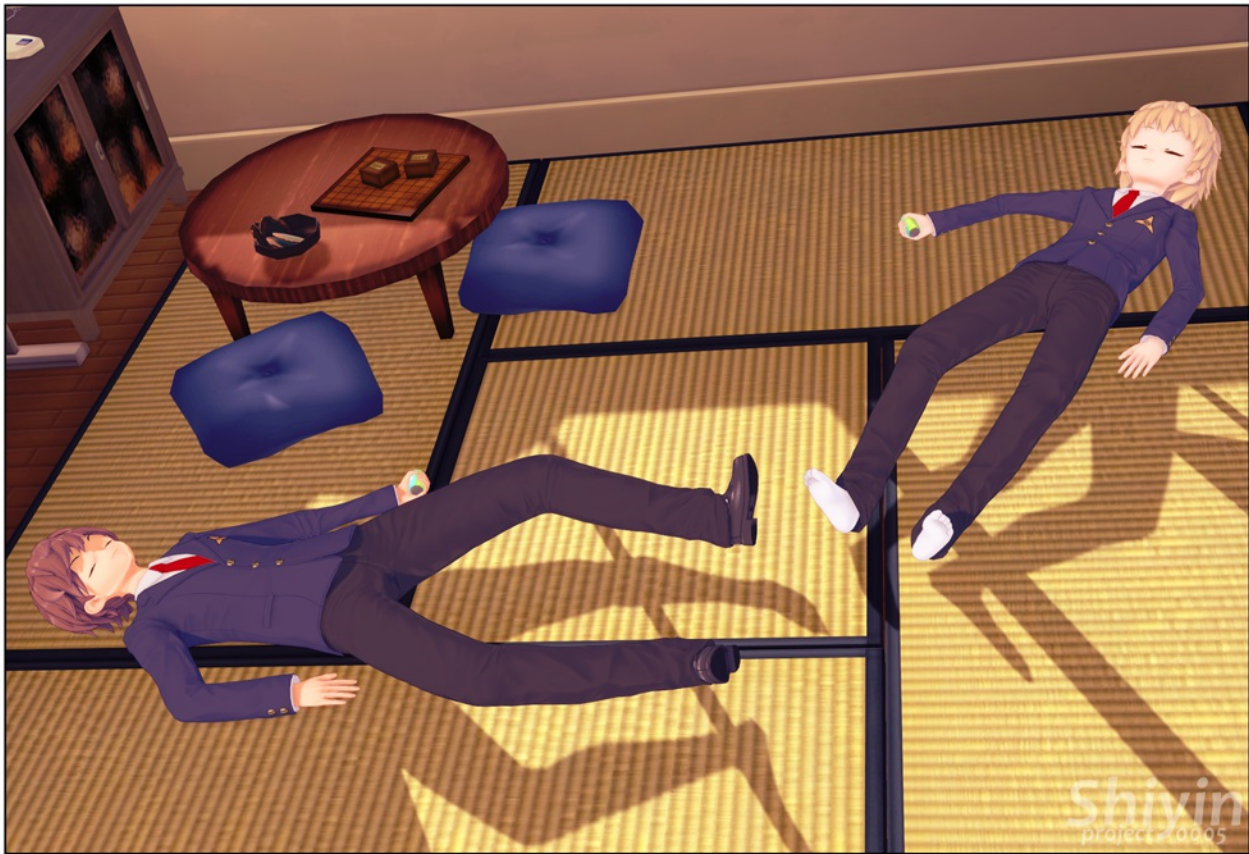

Huh?! You are showing  
your breasts, too.  
What happened?!

A-And urgh.  
Why are my legs sticky?!

I-It doesn't matter!  
We need to clean this.

Mine too!  
And I feel a bit weak in the legs.  
It's hard to even stand.

We definitely need to do this again!~

Yeah, I think so too.

Let's possess some sexy teachers next~

And we should get some "toys" for more fun~

That's a good idea!
