

Masculine Massage

Find your love for all things male as I guide you through your proper reactions to any man you may meet. Through my gentle, persuasive conditioning, you will find your desires moving towards surrounding yourself with sexy, dominant men of all shapes and sizes every day of your cute, happy, life. Find yourself emulating gay men and working “hard” for the affections of any hunky boy you might happen to meet on the street. Give yourself over to your desires as I take you through your masculine massage fantasy.

1. The Parlor

Enter the massage parlor. Excited to get a massage and relieve the stresses in your life. Discover how much more comfortable and relaxed you are whenever you remove your clothing.

2. Blue Room

Now that you have stripped down to your underwear, find yourself becoming more and more excited for your first massage. Become somewhat surprised when a man walks into your room. Find yourself drifting off and discovering your need to surround yourself with hunky men as much as possible.

3. Waiting

Tell the attendant that you would love another massage. While you are waiting, you pause to reflect on your experience. Find yourself anticipating being touched by another man intimately. Learn about the pleasures of constantly fantasizing and daydreaming about men.

4. Pink Room (Slut Exclusive)

The next masseur comes in and begins his massage. Feel yourself getting more turned on than you were before. Learn about all of the cute outfits you need to wear to advertise your body to the men that you desperately need to let touch you.

5. Grey Room

You put on the cute thong and become excited for the next massage to start. Surprised to see a woman walk in. She starts to give you a massage, but it isn't nearly as thrilling and sensual as the massages that you were given before.

6. Red Room

The attendant apologizes for the unpleasant massage and compliments you on your cute thong. He introduces you to another hunky man who begins the next massage right away. Feel yourself getting turned on the closer his masculine crotch gets to your eager face.

7. Oral

Learn the pleasures of taking a man into your mouth. Find yourself anticipating his every need and becoming excited about relieving his every stress and anxiety.

8. Complete Bottom (Slut Exclusive)

After coming on your face, you feel a new need deep inside of you as you bend over to take your new lover into your willing butt. Find yourself becoming aroused whenever you relieve the constantly empty feeling deep inside of your ass.

9. Repeat Customer

Leave with a lisp and a wiggle in your cute short-shorts. Remember that you need to come back to the parlor more and more in the future to learn how to relax and release the inhibitions better than you ever have before. Know that there is nothing holding you back from living your best life.

This file was made as a refresher for all of the girls that might be having trouble craving the attention and touch of a man as much as they know they should. Become awash in a sea of masculine bliss as you give in to your adorable new hobbies and fantasies.

❖ The Parlor

Deeper and deeper. More and more soothed by the pleasurable and relaxing sound of my voice. And as you listen to my words, I want you to find yourself sinking deeper and deeper into the void in your mind. Yes. And when you awaken, I want you to find yourself sitting comfortably in a well lit building. Soothing. Relax. Comfort. The room smells like fresh wood and the music playing gently in the background is pleasant and causes you to relax and go deeper and deeper with each and every beat. Yes. And as you try to figure out where you are, you look around and are surprised to find yourself sitting in a pleasant waiting room. Yes. You can feel free to look down the hallway that you just walked through to get to your perfectly comfortable seat. Happy. Loved. Confident. You suddenly remember where you are. You are in a massage parlor! Yes. You can clearly remember your friends recommending this massage parlor to you to help you get rid of the stresses and anxieties that you feel each and every day in your life. You just know that everything you experience while you are getting a massage by these seasoned professionals will lead to you becoming a better person and becoming more confident and at peace with who you are each and every day. Comfort. Excited. Desire. You smile in anticipation as an attendant comes out of one of the rooms and ushers you inside. He gives you a greeting and welcomes you to the massage parlor. He tells you to take off

your clothing and strip down to your underwear. Pleasure. Happy. Loved. You can feel waves of soothing pleasure wash over you as you slowly take each piece of clothing off of your body. Yes. You know that the stranger massaging your body will need the least amount of clothing possible in order to give you a professional massage and you find yourself getting excited at the prospect of a sexy stranger seeing you in just your underwear. Comfort. Peaceful. Soothing. You look around the perfectly painted blue room that you find yourself in and are surprised to find gentle music playing through the speakers in the corners. Yes. The whispers coming from the speakers seem to be telling you something, but the more that you listen for the deeper meaning in the words, the more you seem to find yourself drifting off and becoming more and more excited for your amazing massage. Yes. You know that you need to relax, and the more that you relax, the more comfortable and at peace you will be with everything in your life. Happy. Desire. Excitement. You can continue to get undressed and listen to the pleasant music playing in your ears on the speakers in your blue room. Waves of gentle pleasure assault you and you quickly remember how good it has always felt for you to take off your clothes. Yes. The idea is so obvious now, that you can't believe you haven't discovered it sooner. Taking off your restricting clothing will help you stay nice and stress-free and relaxed each and every day. Soothing. Peaceful. Pleasure. Walking around in your underwear or completely naked lets you quickly take care of your anxieties and not be tied down by the restricting burden that comes with wearing bulky, uncomfortable, outfits. Yes. You love living your life in your underwear or completely naked, because you love being happy and stress free each and every day of your future. Being naked means being at peace with yourself and who you are and you can realize the unnecessary stresses you have put on yourself each and every day by forcing yourself to wear uncomfortable clothing wherever you go. Comfort. Desire. Pleasure. You deserve to be stress free. You yearn to relax and be at peace with your body around the people that you love. Yes. And as the music plays on in the room, you are surprised to find that you have completely stripped down to your underwear. Happy. Safe. Relaxed. You can remember that you are throwing away your anxieties and stresses whenever you take off your itchy, restrictive, clothing, and know that you need to strip down to your underwear or become completely naked in order to truly become the comfortable person that you love to be. Yes. You can sink deeper and deeper into a soothing and relaxing trance and think about how happy and comfortable you are whenever you take off your clothing.

◇ **Blue Room**

Fall deeper into a trance for me as you find yourself standing comfortably in your

underwear. Soothing. Peaceful. Relaxed. You feel like you are in ecstasy standing almost naked in this strange room by yourself. Yes. With the anxieties and stresses that were holding you back completely taken away with your restrictive clothing, you can feel at peace with yourself and who you aspire to be in your increasingly relaxed and comfortable future. Comfort. Pleasure. Desire. You are so preoccupied with the music in the room and your own personal ecstasy that you don't even notice the stranger entering the door behind you. Yes. And as you turn in your semi-naked state, you are more than surprised to discover a man standing next to you. He is much taller than you are, and his rippling muscles and body stand out in his tight fitting shirt and pants. Yes. You might think that somewhere within yourself, you could feel uncomfortable with the situation that you find yourself in, but the music and your own nakedness let you relax and let you find yourself being overwhelmed with the pleasure and excitement of the situation. Yes. He tells you that he is going to give you a massage and you feel slightly relieved and comforted by the fact your stresses and anxieties are going to be taken care of so well by this seasoned relaxation professional. Comfort. Excitement. Soothing. The man tells you to lay down on the massage table, and you find your feet moving towards the cushioned piece of furniture in the middle of the room without any hesitation. Yes. And as his hands start to work their way into your tense back, you can feel the cares and worries and inhibitions about your life and who you are start to simply fade away. Happy. Loved. Comfort. You know you don't need to think about who you are or what you desire in life when you have such a talented massage professional showing you first-hand. Yes. And as you think about how comfortable and relaxing it is to have this man touch your body intimately, I want you to feel arousal and desire creep up through every fiber of your body. Pleasure. Confident. Excitement. You find yourself making a mental evaluation of your thoughts and actions as you feel the increasing pleasure and relief that comes with your massage therapist's every movement and touch. Yes. You feel a deep and powerful yearning to relive this experience over and over again and you start to think about how to remake yourself to feel the soothing pleasure of a man's strong touch each and every day of your life. Happy. Loved. Masculine. You know that by acting like a man that adores other men every day of your life, you can be assured that you will make yourself available to feel the soothing touch of as many men as possible whenever you want! Yes. You remember that you need to keep your wrists limp to show men how easy it would be to touch and use you in any way that they might want. Yes. You want to wear sexy clothing that entices men into staring and touching your cute body. Yes. You need to add a seductive wiggle to greet all the boys that might want to touch your cute backside as you walk by them. Yes. You can feel your thoughts drifting to masculine men and wondering about all of the fun and exciting ways in which they need to be seduced

in order to get them to touch your horny and tense body. Desire. Comfort. Soothing. The music continues to gently play in your relaxing, blue room, and you can feel yourself breathe out a sigh of pleasure at your new found goals. It all makes complete sense to you now. You need to advertise to everyone that you enjoy being touched by men in order to attract the attention of and be felt by more hunky, masculine, men. Yes. The solution to your problems and anxieties is so obvious and simple that you are completely surprised that you haven't thought of it sooner. Happy. Loved. Simple. You are confident in yourself and your life's goals as your stresses and anxieties fade away into nothing. You need to emulate men that attract the attention and desires of other men each and every day in order to find the soothing pleasure and happiness you need in your life. Yes. You need to be touched by men in order to relieve the tensions and stresses that inhibit your growth in life.. Comfort. Desire. Confident. You can move forward confidently in your hopes and desires as the man massaging you finishes and begins to clean up all of his equipment. Drift into your pleasure and love for everything masculine as you fall deeper and deeper for me into a warm and comforting trance.

✧ **Waiting**

Deeper and deeper into a soothing and pleasant trance as you see your sexy massage therapist leave you in the blue room in nothing but your underwear. Comfort. Pleasure. Happy. You know that you have enjoyed your completely sensual massage and you are ready for more stress relief and relaxation. Yes. You find yourself thinking about the pleasurable experiences you have had with your completely masculine massage professional more and more in your mind and know that you are beginning to anticipate and become excited about the prospect of a man touching you and relaxing you in the same ways again. Soothing. Desire. Relax. And as the gentle notes of the music whispers into your ears, you find yourself being transported to new levels of personal ecstasy as you come to terms with the simple truths about yourself. Yes. Being touched by strong, dominant, men makes you feel comfortable and relaxed and removes all the stresses and anxieties that you feel within your life each and every day. Loved. Excitement. Masculine. You know that you adore being around other men because you love how their strong hands and rippling muscles work to completely relax your body until you are entirely submissive and receptive to every command that they choose to give to you. Yes. Masculine men are simply more exciting and interesting than anyone else you could ever meet, and you find yourself daydreaming now about being touched and held by strong, dominant, men each and every day. You would feel so comfortable and at peace with yourself and your life if you only had a strong man to hold you and give you sensual massages whenever you wanted. Pleasure. Happy. Loved. Being

touched and held and aroused by men just feels so natural and right and you know that you would have to return to the experience over and over again every time that it happens to you. Yes. Masculine men give you comfort when nothing else can. Yes. Dominant men take care of your stresses and anxieties so that you don't have to worry about them. You find yourself being drawn to men each and every day and can find a deep relaxing pleasure in the strong and sensual touch of a dominant, masculine, lover's embrace. Excitement. Desire. Confident. And as you are thinking these true and correct thoughts about yourself, you find the door to your room being opened and you being greeted again by the attendant at the parlor. Yes. He enters the room and you find yourself checking out his physique and appearance. Desire. Happy. Excitement. The boy in front of you looks much smaller and weaker than the dominant, controlling, men that you prefer to have touching your body, and you know he simply wouldn't be able to satisfy you as completely and perfectly as a dominant, masculine, man would in the same position. Yes. You know that only big, strong men can satisfy your needs and desires and make all of your hopes and dreams and fantasies come true. Small and weaker men simply wouldn't be able to show you how to release your cares, desires, and worries as effectively as the hunky men that you prefer to be touched by and you can be assured in your mind that you are making the right decision each and every time you turn down a weaker man's advances for the dominant men that you clearly prefer. Loved. Desire. Pleasure. And as you are staring at the attendant and thinking these perfectly normal, pleasurable thoughts to yourself, I want you to hear yourself telling the cute man that you would like another massage right away. Yes. You know that you need to feel the touch of a dominant man as soon as possible to make you feel safe and relaxed and help all of your worries and anxieties and cares fade into nothing. Happy. Comfort. Peaceful. The attendant nods and tells you he knows the exact massage you're looking for. Leading you out of your comfortable, blue, room, the attendant wiggles his cute butt at you as you follow him to your next massage. Drift deeper for me as you fantasize about how relaxed and stress free you are going to be at the hands of your strong, dominant, lover.

❖ **Pink Room (Slut Exclusive)**

And as you drift deeper and deeper, thinking about all the fun and pleasant experiences you are having during your completely relaxing massage, I want you to see the attendant open the door to the next room, and find yourself surprised to see the walls painted a pleasant shade of pink. Yes. The attendant asks you to wait while he goes to find your massage therapist. Excitement. Relax. Safe. Deep down you secretly hope that your next relaxation professional will be exactly as hunky and soothing as the first. His

soothing, dominant, touch easily removing any anxieties and worries you may have thought you had. Yes. You can be surprised to hear the door open up and see another sexy, dominant, man coming in to greet you. Yes. This man is slightly taller than the first, and maybe even a little stronger, you observe as you stare deeper and deeper at his defined, rippling chest. Comfort. Loved. Relax. You know that based on the experiences in the last room, this man is sure to give you the comfort and stress relief that you so desperately desire. Yes. And as the man walks into the center of your adorably pink room, he directs you to lay down on the table in front of him. Desire. Pleasure. Happy. You can't help but contain your complete arousal and joy and lust for doing everything that this strong, confident man tells you to do as you obey his commands. Yes. You know that you need to be around dominant men to feel good about yourself and feel confident with the decisions that you are making in your life each and every day. Comfort. Relax. Loved. And as you lay down on the table you can feel wave after wave of arousal at the anticipation of being touched by such a powerful and knowledgeable professional, and know that any steps you can take towards getting touched by strong, masculine, dominant, men each and every day is a correct step that you make towards your perfectly relaxing future. Yes. You can feel his strong, masculine, hands work his way down your body, as you anticipate your arousal climbing to new heights. Desire. Pleasure. Soothing. The commanding massage tells you instantly that this man knows what he is doing, and you can feel comfortable letting yourself fall completely into his trusting hands. Yes. His strong touch combined with the soothing cadence of the music in the room works to quickly lull you into the soothing and relaxing fantasy of being surrounded by strong, dominant men of every shape and size every day of your perfect life. Happy. Loved. Masculine. You just know that you would do anything to entice men into touching you in real life as they touch you sensually in all of your fantasies. Yes. You are aware that men are visual creatures, and in order to be desired and touched by them, you need to become as attractive visually as you possibly can. Comfort. Pleasure. Confident. You smile to yourself in satisfaction and excitement at having discovered a new solution to your problems. Yes. If you were appealing enough for every man when they first see you, you would also be desirable enough for every man to want to touch and feel and hold as soon as they possibly can. You smile to yourself at your happy discovery as the strong man behind you kneads your lower back and starts working on your calves. Happy. Desire. Soothing. The combination of the music and pleasure at the totally confident and professional massage therapist being so close to your arousal is turning you on isn't it? Yes. You know that you are feeling the anxiety and stresses of your life just fade away at the thought of this man's strong hands massaging and caressing your naked body. Yes. Men bring you comfort. Men take away the stresses

and worries of your life so that you can just worry about being yourself and making the world a better place. Pleasure. Peaceful. Masculine. The massage therapist steps in front of you and begins to rub your neck and shoulders. You can feel yourself becoming even more aroused as you look at his rippling muscles underneath his skin-tight shirt and smell the erotic, masculine, musk emanating from his body. Yes. The gentle music continues to flow into your ears as you feel the tensions completely draining from your body. You can't remember the last time you were this carefree, and you can be inspired to make a mental note to return to this state in your mind again and again to experience the soothing, relaxing, pleasure of a man's touch as much as you possibly can in your future. Soothing. Comfort. Pleasure. The hunky man in front of you tells you that he is done with his massage and asks you how you feel. Happy. Horny. Comfort. You tell him that you absolutely loved his work, and would do anything for him to keep touching you and removing your stress for as long as possible. Yes. He tells you that he is about to go on a break, but lets you know that there is another massage therapist available that could help you with your stress problems. Excitement. Soothing. Safe. The prospect of being touched by another hunky man makes you horny beyond belief and you can feel yourself sinking deeper and deeper into a trance as you imagine what your next pleasurable experience is going to be like.

❖ **Gray Room**

Relax with me now as you fall deeper and deeper in a completely obedient and receptive trance. Yes. And as you drift and fall deeper into a completely obedient state in your mind, I want you to find yourself back in your relaxing massage room. Aroused. Desire. Masculine. You just know that you would do anything to entice completely sexy men into touching and holding and commanding you as much as possible and are excited when you notice a cabinet in the corner of the room with various massage outfits you can wear while you are experiencing the completely comforting relaxation that you know you are going to need more and more every day. Yes. You approach the cabinet in your underwear and look inside. The drawers contain lots of outfits, from skimpy and sensual to bulky and boring. Excitement. Happy. Confident. You just know that wearing the skimpiest, most enticing outfit that you see will lead all kinds of sexy men into wanting to touch your body as much as they possibly can. Yes. You can be free to feel pleasure and arousal as you quickly remove your underwear and replace it with the skimpiest, most revealing thong that you can find. Pleasure. Loved. Cute. You look at yourself in the mirror in the corner of the room and are aroused by the sexy person that you see. Yes. You need to be the boy that men want to go out of their way to touch and dominate whenever possible. Yes. You yearn to turn the heads of all of the hunky men that you are

interested in with your tight clothing and sensual new look. Confident. Masculine. Loved. And as you are posing in the mirror, admiring your cute, new, underwear, you are happy to see the attendant enter the room again. Yes. Maybe he can help you get touched by the big strong, masculine, men that you adore, you think as you follow him into the next room. His cute short shorts wiggle and sway with his seductive walk, and you make a mental note to buy something equally as cute and revealing as soon as you possibly can. Pleasure. Cute. Happy. As you enter the next room, you are surprised to find the walls painted completely grey. Yes. The music is different too, and you realize that something seems off about the experience in general. Alone. Bored. Relax. The cute attendant blows you a kiss as he sashays out the door and you find yourself wondering how you can walk in the same way to advertise how open and available you are to any man's advances that wants to use you and touch you like you love to be touched. Yes. And as you are thinking these completely normal and true thoughts in your happy, stress-free head, I want you to look up and see a woman walking through the door. Uncomfortable. Empty. Bored. As she walks over to you and tells you to lay down on the table, you can immediately tell that the massage isn't going to be nearly as erotic or sensual or pleasurable as your past experiences were. Yes. And as her hands touch your body, you can feel your arousal and comfort slipping away and your stresses and anxieties quickly returning. Alone. Afraid. Itchy. Her hands just aren't as strong as the hunky men you simply love touching you as much as possible. Yes. Her tiny body doesn't make you feel as safe and secure as you always want to feel in your life and her overpowering, feminine, perfume just makes you want to gag. Pain. Nausea. Bored. Her every touch is like an uncomfortable needle on your skin and you just know that you never want to live through anything like what you are experiencing right now ever again. Yes. The soothing music plays on in the room as you come to the simple and true realization that a woman touching you is a complete and total turn off. Ugly. Uncomfortable. Nausea. You can't imagine anything more revolting than letting a weak, delicate, woman touch you in the places only a strong, dominant, man should be allowed to touch. Yes. You can remember that it is completely inappropriate for you to let a woman anywhere near your naked body and you quickly realize your mistake as the massage therapist gets closer to your genitals than you think is appropriate. Afraid. Alone. Uncomfortable. You tell the woman to stop what she is doing, and politely ask her if there are any men who could touch your tense body instead. Yes. She smiles reassuringly as she tells you that she will get the attendant to help, and leaves, shutting the grey door behind her. Uncomfortable. Ugly. Alone. You can feel yourself reeling at the revolting experience of being touched by such a gross, feminine, woman and can find pleasure in your trance as you sink deeper and deeper to the soothing sound of my

voice.

❖ **Red Room**

Deeper and deeper into the warm and comforting bliss that comes with obeying my every command and following my words and suggestions completely towards your perfect life. Yes. And as you think about the incredibly uncomfortable experience you just had being touched by a gross woman, you can see the cute massage parlor attendant returning through the door. Happy. Comfort. Excitement. He apologizes for the completely horrible experience and tells you that the salon would love to offer you a free massage for your troubles. Yes. You feel completely excited and overwhelmed with joy at the prospect of being so relaxed and stress-free again that you agree to his offer instantly. The cute man jumps up and down in his adorably tight, outfit as his flashy jewelry jingles around his wrists and ankles. Happy. Confident. Cute. You can see the outline of his flirty thong through his short shorts and know that you absolutely need to ask him where he shops for his adorable fashion. Yes. The flirty attendant leads you to the last room and opens the door. Soothing. Comfort. Excitement. This room is completely red and fills you with arousal at the thought of getting a strong, dominant, man to hold and massage you like you have always desired. Yes. You can feel your pleasure and desire begin to grow as you are greeted by your next massage therapist, bigger and stronger and more masculine than any of the other men that you have encountered in the parlor until now. Happy. Pleasure. Excitement. You can feel your desire grow even stronger as he orders you on to the table in the strong, commanding, tone that you always love. Yes. His large, soothing, hands touch your delicate, completely stressed, body, and you can feel your worries and cares and anxieties completely draining away. Happy. Loved. Relax. His overpowering masculine scent is overwhelming as his body moves closer to yours. The bulge in his tight pants can barely contain his unmistakable manhood as he moves his caress towards your neck. Yes. You can barely contain your excitement at having his most intimate parts so close to your delicate and wanting mouth. Pleasure. Comfort. Pink. You are having a hard time not fantasizing about how perfect his sizable cock would feel in your mouth and he seems to not notice you staring as he goes about his business. Yes. And as the gentle music drones on in your ears, you can easily find yourself remembering times in the past where you have wished the sexy, dominant, men around you would take off their clothing so that you can look at their chiseled, fuckable bodies underneath. Desire. Happy. Excitement. You can find yourself easily and completely throwing away any memories that you may have thought you had of not wanting to see a hunky man's sexy body. Yes. You know now that men's bodies turn you on more than anything else in the world and

you will work every day to make sure that you have a strong, hunky, man to hold you close to his rippling abs and order you around like the submissive little bottom you love to be. Pleasure. Soothing. Adorable. It makes you happier than anything else in the world to have found this part of yourself and admit your love for something completely natural so willingly and honestly. Yes. The hunky massage therapist gets behind you and starts to rub his crotch into your delicate, lace, thong and ass as he works to remove stress in places that you didn't even know that you had. Desire. Arousal. Passion. You feel your skin light up with pleasure from having such a dominant, masculine, man hold you down and use your body in all the ways that he desires. Yes. And as he works harder to massage the tough, stressful, knots in your shoulders and back, you can feel yourself drifting off to the pleasant music playing from the room's speakers. Comfort. Relax. Peaceful. This is how you have always wanted to live your life. Yes. You have always needed a strong man to touch and command and control you in any way that he pleases. Pleasure. Happy. Soothing. You know that you are committed to being held and massaged by the completely sexy hunks that you love to surround yourself with and can fall deeper and deeper into trance imagining this life as your reality each and every day of your perfect future.

✧ **Oral**

Find yourself sinking deeper and deeper into a completely calm and relaxing trance on the table in your pleasant red room. Comfort. Desire. Happy. And as you feel your body awash in horny, erotic, bliss, you can sense the man on top of you moving his strong, dominant, body off of your back and walking around to the front of the table. Yes. You can sense the arousal building within yourself as your face becomes pressed up against his hard, masculine, bulge, and you lick your lips in anticipation at the thought of getting close enough to his manhood to see what he tastes like in your mouth. Desire. Arousal. Masculine. The more the gentle music plays from the room's speakers into your willing ears, the closer you feel the hunky man getting to your face. Yes. The tension is excruciating as you wish the sexy man in front of you would just pull down his pants so that you can taste his manhood completely. Yes. You love to look at and fantasize about the packages and bodies of every man that you meet. Loved. Safe. Comfort. Looking at the crotches of all of the hunky men you see in order to judge the size of the masculine bulges inside is one of your favorite past times and you can now clearly remember fantasizing over the packages of practically every cute guy that you have ever met in the past. Yes. That's why it's always felt so arousing and completely safe for you whenever you have been around other men hasn't it? Yes. Strong, masculine, men bring you comfort and soothing relaxation and help make you feel safe and protected with their big

muscles and deep manly voices. Comfort. Pleasure. Loved. You love making the men around you as stress and anxiety free as they make you feel when they are encouraged to touch your cute body each and every day. Yes. And as you feel your adorable, delicate, memories driving you completely into a state of horny hysteria, you can feel your sexy man's package start to harden as it gets closer to your eager lips. You know that if you could just taste him in your mouth you could help satisfy him and relieve stress and anxiety in the same ways that he is relieving your own stresses and anxieties through his sensual massages. Desire. Arousal. Yearning. The hunk notices you staring at the size of his hard cock and smiles as he begins to pull his tight pants to the floor. Yes. His massive member pops out from his clothing and hits you in your cute nose before you manage to put it into your eager mouth. Pleasure. Confident. Loved. The taste of this hunky man's cock is more arousing than anything else you have ever experienced in your life and you start moving your mouth faster and faster over his engorged manhood. You just love the feeling of a dominant man's hard cock in your cute mouth. Yes. You just can't get enough of tasting all of the sexy, dominant, men that you find completely desirable and are able to touch you in all of the commanding ways that love to be touched. Happy. Desire. Masculine. You adore the taste of a hunky man's hard cock and know that relieving the stresses and anxieties of the men around you will lead them towards wanting to touch and massage you in all of the ways that you love to be turned on. Yes. Enticing dominant, masculine men into fucking your adorable mouth is one of your favorite past times and you know that you need to return to this experience again and again in order to be truly happy in your perfect life. Pleasure. Excitement. Loved. The man above you grunts and tenses before shooting his dominant come down your horny bottom slut throat. You know that you have pleased your man completely and have given him the release from his stresses and anxieties in the same way that he is releasing you from yours with his pleasurable massages. Yes. You smile to yourself as your hunky man's come drips down your face and onto the padded massage table. You know it wouldn't be appropriate for a complete bottom such as yourself to let any man's come go to waste, and you can feel proud of your commitment to your favorite lifestyle as you lean over and scoop the rest of your dominant lover's come into your willing mouth. Happy. Confident. Arousal. You are completely turned on by the experience, and the man in front of you smiles as he removes his shirt to reveal his chiseled pecs and rock hard abs. You just know that you would do anything that this beautiful man tells you and find yourself becoming unable to look away from the perfectly chiseled body in front of you. Yes. Drift deeper for me now as you fall deeper and deeper into your perfectly normal fantasies of masculine bliss and submission.

❖ **Complete Bottom (Slut Exclusive)**

Fall more and more into a receptive trance as you fall deeper and deeper to my words. And as you drift back into the present you can see that you are still staring at the completely hunky and seductive man in front of you. Yes. His tight shirt is off and you can still taste his deliciously masculine come all over your lips. Pleasure. Desire. Loved. You moan like the delicate little bottom you are as he moves around you towards the back of the table. Your ass is so empty and you know that you need something big filling it up in order to be truly comfortable. Yes. You can remember that being around sexy men just makes your ass feel naturally empty and horny, and you can feel confident in knowing that these traits are both good and desirable for your life and future as a lover of all things masculine. Happy. Relax. Horny. You feel him remove your cute thong and start to rub some lube around your horny ass and deep into your eager, empty, hole. Yes. You can feel free to experience waves of soothing and comforting pleasure and joy at the completely real prospect of being able to relieve this man twice in such a short period of time. Desire. Peaceful. Arousal. You need his large, masculine cock deep in your ass and know that the prospect of getting fucked by a hunky man in your completely horny bottom always makes you moan like the delicate little gay slut that you love to be. Yes. Your dominant lover mounts you from behind and begins to fuck your ass like it's always craved to be fucked. Happy. Full. Comfort. The empty feeling that you were experiencing before is completely gone, and you can feel yourself moaning in pleasure as you move to meet your lover's manly thrusts. Yes. Your body is completely on fire with euphoria and desire and you can feel free to experience ultimate arousal as your hunky lover calls you all of the slutty, demeaning, sexual things that you love to be called while you are getting your ass fucked by the dominant men you crave surrounding yourself with. Pleasure. Arousal. Adorable. You can hear your high pitched screams of pleasure align with his manly grunts and know that you have never felt this good in your entire life. Yes. You need a hunky, dominant, man to fuck you in the ass as much as possible and remember how empty and alone you feel whenever your ass is unable to satisfy the sexy men you anticipate seeing every day in your life. Comfortable. Full. Happy. And as your sexy lover's cock penetrates the deepest horniest, parts of your ass and begins to pick up rhythm, you can feel free to let out a high-pitched squeal as you feel him tense and come into your willing boy pussy. Yes. His hot, manly, come fills your horny hole to the brim, and you can now feel free to experience your own orgasm from pleasing and satisfying this hunky man so totally and completely. Pleasure. Comfort. Loved. Your strong, masculine, lover walks around you and tells you that he loved fucking your adorable face and soft, inviting, ass and hopes that he can do it again soon. Yes. You nod enthusiastically as you sit up on the table, careful not to let any of your

dominant lover's come drip out of your slutty bottom. Happy. Desire. Soothing. You pull your cute thong up your legs and see the completely adorable attendant return through the room's door. He holds up a pair of short shorts and a top that looks exactly like his, and tells you that the clothing is free for being such a fantastic customer. Loved. Pleasure. Cute. You let out a high pitched squeal in desire at the completely cute and adorable outfit the attendant is holding up to you that will make every guy that you meet want to touch you and let you put their cocks down your horny throat or into your adorable bottom slut ass. Yes. You can feel waves of soothing pleasure wash over you as you pull the pants up your legs and pull the tight shirt over your head to cover your cute, completely hard, nipples. Happy. Confident. Excitement. The outfit is so completely cute! And you are sure that you can go out cruising with your new best friend to find all the horny men that want to use you like the complete bottom sluts that you both are. Yes. And as you walk out of the room and back into the massage parlor, you can feel your lover's come dripping out of your ass and down your smooth legs. You smile to yourself at the fact that you have pleased your man so fully and completely and can drift deeper to the soothing and peaceful sounds of my voice as you experience your complete and perfect life.
