

Lustful Escape

Natsu, Gray, Elfman, and Gajeel take a mission and end up overestimating the mage and the mistake will cost them their clothes.

Migiri was a mage who loved using forbidden magic on people, his once so-called innocent pranks became serious crimes. Migiri was called insane, a mad man, a menace, and overall dangerous as the forbidden magics he was dabbling in had ripple effects. His bounty was high and it was recommended to not take the mission alone. So Natsu, Gray, Elfman, and Gajeel agreed to team up and take the guy down, although it was more like a competition. Whoever caught him got the full reward.

It didn't take long for the quartet to start bickering and arguing, trying to one-up each other in bringing the wanted wizard down.

However, since they weren't working together they weren't succeeding in catching him. Migiri was having problems as well. Because they were all equally strong Migiri was having trouble surviving let alone getting away. 'These guys don't know the meaning of restraint do they?' he thought as the wizards' wild attacks were causing more collateral damage as Migiri slipped away again and again. Elfman had no problem punching through walls trying to cut him off.

The four males eventually chased Migiri into the woods, leaving a trail of chaos in their wake. Migiri's clothes were torn, slashed, burned, and his shoes had been frozen so he had

to break them to escape. Migiri was panting. ‘These boys are quite persistent.’

“Get back here,” Natsu shouted his fist coated in flames. Migiri growled.

“What is with this guy?” Migiri said before dodging an ice spear. “The ice wizard too!”

“Hah, now I got you,” Gray said aiming his ice magic seal at Migiri. Gajeel pushed Gray out of the way.

“He’s mine.” Gajeel covered his hands in iron and rushed towards Migiri. Unfortunately, Gajeel collided into Natsu and they began to fight on the spot. “Out of my way Salamander!”

“I was gonna hit him!”

Elfman attacked Migiri from the side but Migiri flipped out of the way. “We can’t let him getaway! As men let’s hit him with everything we got.”

“Fine!” The four stood together all ready to attack.

Migiri growled. ‘I know just the thing to get these guys out of my hair.’ he smirked.

A dark seal appeared in Migiri’s hand. “Now forbidden spell Lust Desert.” The powerful magic turned the trees and the boy’s clothes into dust within a specific range. Then a blinding light erupted from the ground and the boys were knocked out. Migiri stood in now a barren field surrounded

by trees. The spell only went so far but it was time to escape. Migiri fled leaving four naked boys in the clearing.

A few hours later the boys began to stir. Natsu groaned and rubbed his head. “Oww what hit me?” He looked around. “Oh damn it where did Migiri go?” Natsu stood up, ignoring his nudity and walked over to Elfman. “Oi, Elfman did you see where Migiri went. Hey, you’re naked, oh crap I’m naked.” Natsu realized his clothes were missing and that wasn’t all he was rock hard.

Elfman groaned as he stirred awake, and he blushed to see Natsu’s naked and aroused body next to him. ‘So manly!’ he gulped and felt his manhood twitch at the sight of him. Before he could say anything they heard Gajeel’s laughter.

“Gihihi, look at that, Salamanders gotta little hard on.” Gajeel taunted. Natsu turned and glared at the naked iron dragon slayer before smirking.

“You’re one to talk the iron dragon has a little hard rod.” he pointed at Gajeel’s tool, making the raven blush. Elfman stared at their hard bodies, his cock starting to leak pre-cum. Gajeel growled and stomped over to Natsu.

“I’m bigger than you Salamander!” They got into a staring match, sparks flying between their heated gazes.

“No way I’m bigger.” They brought their cocks together. “See I’m bigger!”

“Are you blind, clearly I’m bigger.” They are the same length...

The two rubbed their cocks together as they got closer and closer. The two blushed and unconsciously started rubbing against each other harder. The heat was spreading through their loins, making them get into it bit by bit. Natsu’s hard 10-inch cock started leaking. Gajeel was also 10 inches but he was a little thicker, he was overflowing.

It was looking like Gajeel was gonna cum first, but in the end, Natsu blew his load first, Gajeel following suit a few seconds after. The two dragon slayers were still hard despite the powerful orgasm shared between them their crotches and abs were a mess with their juices.

“You lose quick shot!” Gajeel smirked and Natsu growled. Natsu tackled Gajeel onto the ground and quickly pinned him to the ground and with one hand held Gajeel’s arms behind his back. Gajeel groaned as his cock rubbed against the hard ground. “Oi!”

Gajeel wiggled and Natsu playfully smacked his ass. “Ahh!” Gajeel’s moan caused a surge of dominance in Natsu’s brain, adding fuel to the fire of lust.

Natsu used his free hand to tease Gajeel’s hole. “Oi, what the fuck do you think you’re doing Salamander?” Gajeel growled

out. Natsu was shocked to feel that Gajeel was well lubricated. His insides were throbbing and slicked up.

He added another finger and another, Gajeel moaning and bucking back. Natsu's fingers stirred up his insides driving Gajeel wild. The raven-haired man drooled. It was just fingers but Gajeel was loving having something scratch and rub his insides, his dick ready to blow again. Gajeel groaned when he felt Natsu's fingers leave him. "Oi, what the hell are you doing Salamander?!" his tone far more lustful now and more annoyed that Natsu had stopped.

"I don't know what it is, but I really wanna fuck you." Natsu slapped his cock against Gajeel's ass. Gajeel shivered and he then moaned when he felt Natsu's very hot cock slide along his crack. The heat of his length licking along his entrance, his very empty entrance.

Natsu had let Gajeel go awhile ago, but Gajeel didn't want to get away or stop what was happening. His big warm hands gripping his butt cheeks and squeezing them together creating extra friction on his penis.

"Damn it then fuck me!" Gajeel was horny very horny. He wanted to have sex and now. He wanted Natsu's long hot cock inside him, filling the void. Natsu positioned himself at Gajeel's hole. The tip rubbing and nudging his entrance, his

warm pre-cum slipping inside his channel. ‘It’s like warm water!’

He entered Gajeel slowly he hissed as Gajeel clamped down on him. “You gotta relax or you’re gonna tear.” Natsu covered his body with his own, his warm breath tickling Gajeel’s ear.

“Your cock is fucking hot you baka.” Natsu started licking and nipping at Gajeel’s neck. “Nnnhhh!” Gajeel groaned and then whimpered when Natsu started stroking his cock. “Oh shit your hands are hot too.” he began to pant, pleasure helping his body relax.

“You like that?” Natsu started stroking him faster, using his thumb to rub and tease his cock head.

“Oh yes.” Gajeel moaned he pushed back onto Natsu’s cock, arching his back a bit. Natsu’s free hand pinched one of Gajeel’s nipples, giving it a tug when Gajeel moaned for more.

Redfox’s inner walls kept squeezing and hugging his cock, making more pre-cum leak out and sink deeper inside him. It was making him hot and tingly, paving the way for his cock to dive deeper.

Dragneel was soon fully seated in Gajeel’s tight heat. “Ohh yeah, your ass is so tight!” Natsu purred rocking his hips, having his cock dig into his channel and churn up his insides.

Gajeel was moaning as Natsu's hot cock felt amazing in his ass, but Gajeel wanted to be fucked now.

“Move damn it!!”

Natsu started humping Gajeel without a second thought. Gajeel moaned as his sweet spot was found and hit again and again hard. Gajeel was bucking back to meet Natsu's hard thrusts he felt so good. The friction inside was insane, and it was spreading through his body until he could feel it through his fingertips and toes.

Gajeel came with a moan of Natsu's name. “That's it scream my name as you cum, so sexy!” Gajeel tightened around Natsu.

‘Fuck!’ Gajeel's eyes rolled up, his words were like hot wax being poured onto his soul. Natsu kept thrusting into his clenching heat, increasing the intense friction.

“I'm gonna cum!”

“Do it inside, now!” Natsu moaned and then bit Gajeel's neck as he came, filling him with hot cum. Gajeel moaned as Natsu's seed filled him, and the heat from Natsu's mouth marked him. Gajeel came again his seed making a nice little puddle beneath him.

Both males were still hard, but Natsu pulled out of Gajeel. The raven whined at the loss. The male dipped his fingers into

his wrecked ass pulling them cum coated fingers and bringing them to his lips.

“Natsu!” Natsu turned hearing Gray’s voice, his eyes shined with lust at what he saw. Gray was naked, on his back his legs spread his cock hard and leaking. He had been watching them for a while and had cum on his abs and pecs. “Fuck me Natsu.”

“Gray?” The ice wizard was fingering himself.

“It’s not fair you fucking Gajeel and not me, I’ve known you longer damn it!” Watching Natsu and Gajeel fuck filled Gray with a mix of emotions, one of which being jealousy. Despite the sexy show, Gray was filled with a powerful urge to be fucked. ‘I want to have sex with Natsu!?!?’ these words repeated in his head growing more appealing every time.

“You are right.” Natsu was over to Gray in an instant he moved between Gray’s spread legs. “Let’s fix that.” His fingers were removed and he positioned his cock at Gray’s well-lubed hole.

Natsu pushed in and the two males moaned. “Natsu!”

“Gray!” Natsu growled. Gray started working his 8-inch cock. Natsu buried his cock deep into Gray’s ass and Gray came with a loud moan.

“So good, so good, cumming!” he howled his cock shooting more semen some splattering his face, pecs, and abs. Natsu chuckled at him and Gray blushed.

“Just shut up and fuck me,” Gray said his hand still working his hard cock until Natsu slapped his hand away.

“Oh I will!” he leaned in close making Gray blush, only for his face to go completely red as Natsu licked his face, licking away his cum in the process. “Gray!” Natsu purred and licked his handsome face clean, before kissing him.

“Mmm!”

“You are so sexy, play with your nipples for me!” Gray shivered.

“Pervert!” he snapped but began to play with his hard nips.

“That’s hot!” Natsu smirked and started fucking Gray hard. Gray arched his back and moaned as Natsu’s heated cock slammed into him again and again. His heavy balls smacked his ass with a heavy clap.

Natsu’s gaze was burning, Gray’s body was flushed and sweating, his cock bouncing with every thrust, his pink nipples turning red from Gray’s toying. The ice wizard was coming undone and melting with every thrust. The pink-haired man burned the sight into his mind.

Gajeel was pissed that Natsu left him, he was gonna attack but found the scene before him too hot to interrupt. This provided him a special chance. Natsu's plump dragon booty was jiggling as he pounded Gray into the ground, making Gajeel's rod twitch.

He moved up behind Natsu. "I wasn't done yet Salamander, this time I top," Gajeel said before pushing his fingers into Natsu's body.

"Gajeel...damn it..." Gajeel was impressed by how well Natsu's ass took his fingers, and the tight heat squeezing them made his penis throb.

"Don't bitch, you pounded my ass good, let me return the favor." he kissed Natsu's neck as he lined himself up and pushed his thick rod inside.

Natsu moaned as he was filled with Gajeel's hard cock. "Fuck Gajeel." He stilled inside Gray as his ass was claimed.

"So hot so tight!" Gajeel shivered, it felt like his rod was melting inside the incredible heat. "You take my dick so good!"

"Natsu!" Gray whined. "Move!"

"Good idea, let's do it together!" Gray moaned as Gajeel started fucking Natsu hard-driving Natsu harder and deeper

inside him. The three formed a rhythm and the three were moaning.

Gray came first. He moaned Natsu's name as his seed splashed over his body. Natsu hissed as Gray clamped down hard on him. He buried his cock deep inside Gray and blew his load. Gray moaned and came again as he was filled with Natsu's seed.

Gajeel bit down on Natsu's neck as he came with a growl. He filled Natsu's tight heat with his cum and growled in pleasure as Natsu whimpered. Gajeel pulled his still hard cock out of Natsu's ass. He gave his cock a few strokes and he released his seed splashing onto Natsu's back.

Natsu slumped forward and bit Gray's neck, marking him as his. Gray groaned when Natsu pulled out of him. The two dragon slayers jerked off above him and showered him in seed.

“Oh, man!” Elfman moaned. “You guys are so manly I can't take it!”

Natsu's attention turned to Elfman. He had been watching the three fuck and working his large 11-inch cock. He had cum on his chest, abs, and his cock was slick with cum. The man had a huge puddle of semen before him. “You should have joined in Elfman, and you call yourself a man?”

Elfman blushed. “I...I...I...”

Natsu pounced on Elfman. He moaned as Natsu kissed him. Their hard bodies pressed and rubbed together, Natsu rolled his hips grinding his cock against Elfman's larger one.

“Ohhh!” Elfman moaned. His hands groped his pecs while Elfman's hands moved down to grope his ass.

“I want you inside me!” Natsu growled upon breaking the kiss.

“Natsu ride my cock.” Elfman ordered and Natsu smirked.

“You were naughty Elfman a man should have joined us not sat back and watched,” Gray said sneaking up behind Natsu and grabbed Elfman's cock. “Ice Make Cock Ring.” Elfman moaned as the cold ring clamped down on his cock.

“I'll ride your cock but you're not allowed to cum.” Natsu pushed Elfman's cock inside him.

“Tight ohhhhhh, this is the ass of a MAN!”

Natsu chuckled and started riding his cock hard, his hard cock slapping between their manly bodies. Elfman moaned as the heat from Natsu's ass squeezed his cock. He was weeping so much pre-cum it was like his cock was melting. The ice ring held off his release.

The white-haired male grunted and groaned. His balls were itching to release. Natsu moaned as the man's heavy cock

filled him wide and deep. “Oh ohh so good so good, I’m cumming!”

Natsu came, his cock erupting and showering Elfman’s beefy pecs and abs in semen.

Gray hung back for a second, just long enough to turn all the cum Natsu put in him into a big dildo. He shivered and pumped his cock. “You want more cock Natsu?”

“Hell yeah!” He moved back up behind Natsu and pushed his cock into Natsu’s ass along with Elfman’s. Natsu cried out in pain and then moaned in pleasure. The pain was drowned out by pleasure. He had two dicks inside him, his inner walls hugged them and squeezed them together.

Gray moaned as his cock was doubled pleased, the heat from Natsu’s ass and the friction from sliding his cock along Elfman’s. “Fuck yeah tight!” Gray let loose pounding into the stuffed hole, his balls slapping against Elfman’s, adding an extra surge of pleasure.

“Please Natsu I need to cum.” Elfman moaned.

“Not yet.” Natsu snapped and pinched one of Elfman’s nipples. Elfman moaned. Gray was chanting Natsu’s name as he started moving harder and faster. He reached around to play with Natsu’s nipples and kiss his neck.

“Fuck Natsu I’m going to cum.” It was like the perfect combo of frotting and amazing sex.

“Yeah, do it fill my ass with cum.” Natsu said as he tightened upon them. Gray moaned and came filling his ass with cum, while Elfman whimpered his penis twitching angrily. Natsu got to cum again, Elfman opening his mouth to catch a few spurts as they splashed his face some more. Gray didn’t get to enjoy it long as he was forced out of Natsu and pushed out of the way.

“Hey!”

“My turn runt!” Gajeel lined his cock at Natsu’s filled hole and pushed in. The three males moaned as Gajeel buried his cock alongside Elfman’s. Gajeel was bigger than Gray but smaller than Elfman, but their combined girth was stretching Natsu’s ass to the maximum.

“Fuck this is awesome.” Gajeel moaned as he started fucking Natsu roughly. Elfman and Natsu moaned loudly. Gajeel reached around and started fisting Natsu’s cock. He moaned and clamped on the two cocks inside him. Gajeel and Elfman moaned Natsu’s name.

Gajeel worked his dick while pinching one of his nipples. “So tight, your ass is incredible!” Gajeel chuckled and nibbled on his ear. He moaned into his ear as a slap was heard. Gray was back and wasn’t too happy with Gajeel.

“Your ass is mine!” Gray thrust in and began pounding Gajeel’s ass.

“Didn’t know you had it in you!” Gajeel grunted.

“Double stuffed dragon slayer, your insides are so sloppy!” Gajeel said, paying Gray no mind and focused on pounding the stuffed fire dragon cave.

“Ass!” Natsu growled.

“Wanna try it Gajeel?” Gray smirked and did an ice make dildo creating a cock in the perfect shape of Natsu’s length and girth.

“Wait!” Too late Gray double stuffed him, the ice dildo had an intense contrast compared to Gray’s length. He buried the dildo deep and continued fucking Gajeel’s ass.

Natsu felt Gajeel get harder. “You seem to love your ass stuffed too!”

“Shut it ohhh!”

Tears were spilling from Elfman’s eyes. “Please let me cum as a man I beg you.” All the extra manliness was too much!

“You can cum when you have Salamander’s cock in you.” Gajeel snapped and started fucking Natsu harder. His balls slapped Elfman’s sending ripples through his crotch making his dick twitch.

Natsu and Gajeel came together both moaning loudly, with Gray cumming after them. Gajeel pulled out and Natsu pulled off Elfman's cock. He flipped Elfman over and positioned his still hard cock at Elfman's hole. Elfman was on his hands and knees his aching cock still bound by the ice ring.

Gray took care of Gajeel pulling the cum dildo out of his ass and gave it to Gajeel to suck on. The taste of Natsu's semen and Gray's ass was making this Popsicle a tasty treat as Gray continued to pound Gajeel's ass, the new position allowing his balls to spank his cheeks.

Natsu pushed his cock into Elfman's lubed ass. As soon as he was fully seated in Elfman's ass he broke the cock ring.

Elfman moaned Natsu's name as he came. He released one massive spurt of cum. Natsu held Elfman's hips and started to pound his tight ass hole. "Yes pound me, use my ass like a man!" Elfman arched his back, howling in pleasure and lust.

Elfman moaned as his ass was filled by Natsu's heated rod. It didn't take long for Natsu's fucking to milk Elfman of another orgasm. Natsu kept on pounding no matter how tight Elfman got, making his cheeks jiggle and bounce.

The sound of skin striking skin echoed around them, moans and grunts as the boys went wild on each other, Gajeel's moans a bit muffled until he finished his cum pop. Gray came

and pumped Gajeel of more seed. Elfman watched them go and come again.

“Fuck Elfman your ass keeps squeezing my cock as a vice did you just cum again?” Elfman blushed.

“He did the guy’s busting huge loads over here,” Gajeel said and turned to look at Natsu. “I’m still horny.” He pulled off Gray’s dick but kept the ice dildo in his ass. A brisk walk, his cock bouncing and bobbing as he got closer. He poked Natsu’s cheek with his still hard cock.

Natsu opened his mouth and took Gajeel’s cock into his mouth and began sucking him. “Oh shit yeah, that’s nice, yeah suck it.” Natsu used one hand and fucked Gajeel’s ass with the ice dildo. Gajeel moaned in pleasure. “Fuck your mouth on my dick and a cock in my ass this is living!” he moaned.

Gray got up and got behind Natsu. “Natsu I’m still so hard, I need to fuck you.” Gray pushed into Natsu’s ass and moaned as his cock was encased in his heat. It was so nice to have his ass to himself for a bit. Natsu moaned around Gajeel’s cock.

“Ohh yeah, baby!” Natsu’s moans and sucks were heaven on his penis.

Elfman cried out Natsu’s name as his sweet spot was found and hit savagely again and again. “Oh, Natsu your cock is making my insides melt I can’t stop myself I’m cumming

again.” Elfman came and tightened around Natsu’s cock. Natsu let out a muffled moan and came. He filled Elfman with his hot seed. Gajeel and Gray came at the same time.

Gray came as Natsu’s ass clenched around him. “Shit Natsu I’m cumming.” Gray filled Natsu’s ass with even more cum.

Gajeel came as Natsu’s moans sent pleasing vibrations through his cock. Natsu’s fingers had found his sweet spot and were rubbing it viciously. “Fuck Salamander I’m cumming drink my cum, chug it down.” Gajeel moaned as he filled Natsu’s mouth with cum. Natsu drank down Gajeel’s seed.

As the boys had their release the lust magic that had affected them had worn off. Their cocks went soft and fatigue washed over them. Natsu had slipped from Elfman’s ass, and Gray had slipped from Natsu. Elfman collapsed but was able to roll over onto his back. Natsu collapsed on top of him and pulled Gajeel and Gray with him.

They couldn’t move, hit with exhaustion and mild soreness.

“What happened to us?” Elfman asked.

“That damn wizard charmed us,” Gray muttered his body tired and spent.

“That fucker, using lust magic to escape us,” Gajeel said but he was too tired to move.

“Do you guys regret what we did?” Natsu asked. The boys blushed and after a brief pause...

“Hell No!” The three said in unison.

“Good...me neither!” Natsu said with a smile and with what little strength he could muster wrapped an arm around Gajeel and Gray and held them close. Elfman snaked his arm around Natsu and hugged him close. The males couldn't give chase even if they wanted to, for now, they would rest. Basking in the warmth and the smell of sex of each other.

Migiri would get caught later, and the guys would never get a chance to say thank you. His little trick forged a bond between them and their new cooperation made their little team a living hell for evil wizards.
