*Hello everyone. This is me...Cole. I am sure that you do not know me...nobody does, because I am the local egg head...or in short nerd, here on the campus. There are a few like me, but I am the top egg head. My life was...as most nerds can tell you...mostly normal until this day.*

*Oh, by the way: This is me... a regular day here on campus it is really quite boring for me so i often spend the time solving riddles or doing other intelligence testing activities...*

*But there are always things I do not see coming...and if I did I would be far to weak to block it...*

Is my homework done, Egghead?

Ughhhh!

# The mischievous Bimbo Genie

That is how very intelligent, but socially isolated computer fans, or should i say: Nerds...Some one like me got treated every day...

I'm sure you don't want me to fall through the school year, right?

Tom... \*sigh\*

So as usual. Put my homework into my mailbox. And if I'm not at home, don't ring the bell...

teehee... oh yea like totally... we will have sooo much fun.

Cassy here and I want to have some privacy.

Tom-boy... name is Tina...not Cassy. \*giggle\*

Tina, eh? Who cares... Cassy was a good fuck like you.

...and of course those guys always got the hottest babes...and what do I get?

# The mischievous Bimbo Genie

...but all this will change very soon...but right now I did not realize how my future will be changed in this moment...

Well...the life of a Nerd...but one day...

Wow...what for a nice piece of work...

It looks... antique. It would fit into my live stream as fun prop...

# The mischievous Bimbo Genie

But even nerds don't hesitate long when they see something that arouses their interest.

And then, when an inexplicable phenomenon suddenly occurs, they look for logical answers...

***\*sigh\****  
**Another mortal?**  
**Very well...I am the**  
**Djinn of the Lamp ...**

Fascinating.  
A Djinn? You...I thought you  
Guys only existed in fairy tales  
from the Orient.

**Um... no?**  
**I'm standing here, so I'm**  
**not a fairy tale. So... shall I**  
**now fulfill your wishes by**  
**singing and dancing**  
**for you?**

Sure, but first I want  
to know your name, Djinn.

**What?**  
**Really? You disturb me from**  
**watching the final episode of**  
**„Swami's next Topmodel“ just**  
**to know my name?**

Yes, this is a  
question of courtesy.

***\*sigh\****  
**Very well...my name is...**  
**um...was...I can't remember. I**  
**had one once...but nobody**  
**ever asked.**

Okay, okay...  
and how many wishes  
do I have?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

**You have interesting taste in woman, Mortal. I have never seen women with such big breasts.**

Well...thank you Djinn. And I already know what my first wish will be.

I often feel inhibited to talk openly with men. So I wish that you were a woman who fits my taste and fullfil my wishes.

**Interessting choice, Mortal. Granted!**

**But don't faint. You have never had a woman so close to you.**

# The mischievous Bimbo Genie

*Even for me  
it feels...fascinating you  
should know...*

*Female Breasts  
are not only for enjoyment...  
they are so important for humankind. But  
a college of mine put his personal home  
into one females breast...as his powers  
grew, her boobs grew too.*

*Ah yes...  
a tight pussy...waiting for  
more...but not for you mortal.  
You can only watch, but  
not touch.*

# The mischievous Bimbo Genie

*Wish done,  
Master...Do you have  
another wish?*

That  
was unexpected Djinn...  
but I think now with this look the  
name Jenny would suit  
you well.

Djinn in female  
would be Djinni...or for  
todays terms...Jenny.

*That is not a wish,  
but I accept the name...  
for now.*

# The mischievous Bimbo Genie

Damn!  
Holy gazongas,  
Batman!

*Stop! As  
I said before,  
Master...*

*Touch them...  
and I will grant you  
your own pair of huge,  
wobbly jugs!*

*And you can be sure  
that yours will be far bigger  
and heavier than my  
girls here.*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

You know, Jenny,  
I really want to trust you.  
But my trust has been betrayed  
many times.

*\*gulp\**  
*But it is my nature,  
Master. A Djinn has  
to be mischivious!*

My last wish  
for today, Jenny. I wish that,  
everytime you try, or think about  
twisting my wishes...your body and mind  
will become a little bit more  
like a sluty, empty minded  
Bimbo with huge curves

*Granted...  
Master.*

Good night, Jenny. Oh and about  
touching you...I can wait. There WILL  
be a time where YOU will want  
to be touched.

Like all the  
fools who mobbed me. They  
will all be my slutty  
fuck dolls. hehe

And while Jenny indulges in her thoughts, Cole sleeps the sleep of the righteous. And finally, the next morning... begins with entering the school, the usual routine.

Hey look...  
there's our homework  
coming to us...

Listen Clyde!  
Come over here before we  
come to you...where is our  
homework you did  
for us?

Tom, he is called  
Cole...not Clyde.

I don't care  
what this clown's name is, Josh.  
He is an egghead. Nobody  
cares about that piece  
of shit.

# The mischievous Bimbo Genie

*Master, these people seek to harm you for their pleasure, how about we change that?*

Good idea, Jenny. Let's start with my old childhood friend Dick...he betrayed my friendship years ago.

I wish that he would turn into a strongly cum addicted Girl, that every time, she drinks cum become more and more a Cumslut Bimbo, with huge tits, wide hips... the whole package.

Oh, is he ignoring us?

*Granted, Master.*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

I think I must have eaten something bad guys!

Dick...you run like a Girl!?

Yo, man, is it just me or does his shirt looks larger...I mean then usual...

These are...argh... stomach cramps! I'll... urk...see...

...you later. I need to get to a toilet now!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Hole shit! Damn!  
My body! After all those hours of exercising  
to lose weight and gain muscles it's  
finally paying off...

Though why am I getting  
a boner in this situation?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Thank god...my  
penis is still there...

But it feels smaller...  
is it sh-shrinking?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Damn! I look cute...so damn cute!

I'm a cute fucking Girl!!!

You sure do look like a Girl to me...and you are also standing naked in the boys toilet.

# The mischievous Bimbo Genie

WHAT THE!

Oh, Damien...  
it's y...

You know my name?  
But...I can't say I remember  
yours. But there is a slight  
similarity to a guy  
I know...Dick.

eeEEEEK!

Do you know him?  
Is he here? Did  
he bully you? Is that  
why you are naked?

# The mischievous Bimbo Genie

No...no...I...ahm...  
he did not. He is a good  
guy you should know...  
always funny.

Always funny you  
say? I would say: Always  
hungry...hehe.

I should go...  
I need...um...some clothes.  
See you, Damien.

Yeah he really is  
always hungry...teehee...  
And I am hungry too.  
Hungry for...

Excuse  
me?

\*PANT\*  
...cock?!  
\*PANT\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Dick's, or rather be now Ricky, can't explain her transformation into a woman...but that doesn't change the fact that her desire for Spunk is rapidly skyrocketing.

Which in turn causes changes to your body as soon as it comes into contact with the liquid.

# The mischievous Bimbo Genie

And while her growing blonde hair frames her uplifting face, her thinking ability is declining alongside her intelligence, which will lead her into becoming the new Cumslut Bimbo Cole wished for...

Give me a moment  
Girl...I am exhausted.

*\*pout\**  
THAT was it? Awww,  
come on...

*\*giggle\**  
Look...there is still  
like some yummy spunk  
coming!

# The mischievous Bimbo Genie

*Dude, look at  
this bitch. Move aside  
it's my turn now.*

*Have fun, Pal.  
She blows like a pro It's  
Unbelievable!*

# The mischievous Bimbo Genie

Meanwhile, Cole sits in the subject of sexual Ed and does what he does best... discuss.

Mr. Plast, your theory of Sexual education is outdated and just plain stupid. You say it's God's will, I say it's humbug.

LGBTQ Enlightenment is needed and you say it should be forbidden because, a not existent God created Male and Female?

Where are your arguments? Where are the facts? All you have is your old book... the oldest porn ever.

What is „SIN“?  
For me it is a Sin to add a 2 where only 0 and 1 exist.

Oh, but we can discuss this later. I need to visit the restroom.

Master...you should go to the restroom. There is a surprise waiting in there.

# The mischievous Bimbo Genie

I've never seen such a slut, Stacy. I went into the restroom and BANG...

...a naked Girl jumped at me and asked me if she can suck my cock!

Before I could react my pants were down and...she started sucking like a pro.

Even better than me?

# The mischievous Bimbo Genie

Unbelievable...  
the wish it worked, and pretty  
well I might add. What a  
view Damn.

Like O! M! G!  
What is happening  
to me? THIS must be a  
dream...no a  
nightmare.

That is easy, Dick.  
You are turning into a Cumslut  
Bimbo. Sexy as hell, dumb and craving  
for sex and cum. Every drop of ejaculate  
you consume changes your body  
and mind more and more.

Huh? Cole?  
Where...did you...ah...  
now I like totally  
see it clearly!

THIS is your  
fault! What did...how  
did YOU do this  
to ME?

# The mischievous Bimbo Genie

Because I wished that this would happen, Dick. And believe me. This is just the beginning for your journey as Cumslut Bimbo.

I will slap you so hard for this!

What the...

Am I shrinking?  
What da fuck?

Oh...it seems that the cum in your stomach counts too. Interesting.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*Damn it.  
I failed again?*

*Now I am worried...  
how much more will my body  
bimbofie this time?*

But Ricky, the soon to be Bimbo is not aware of the Djinn or her worries...Ricky is more focused on much more important meaty things

*It may be  
tiny...but it looks  
sooo yummy...oh?*

*\*Giggle\*  
THAT is what I call  
a CAWCK!*

*Oh...it's  
like totally growin  
an stuff?*

*I can feel  
the taste of your  
cum already...*

# The mischievous Bimbo Genie

Interesting...I guess to women it is the size that counts after all.

Ohhh...yes! Delicious cum... come to me!

# The mischievous Bimbo Genie

And while Ricky and Cole have some fun, Jenny the Djinni, clearly feels the fruits of her attempt to deceive Cole.

*How could it have come to this? I fell into his trap like a rank amateur.*

*I can feel the magic starting to work...*

*My thoughts are starting to get...simpler? Why do I suddenly care so much about Make up?*

*Is that what a Bimbo feels like? Empty headed...*

# The mischievous Bimbo Genie

*I like  
totally have to  
find a way out  
of this...*

*But it is a  
magic contract. If  
I leave my Master I will  
cease to exist...*

*But if I try  
to be mischievous like  
I usually am, I  
bimbofie...*

*Like O-M-G!  
I feel another wave  
of pressure in my  
chest...*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Huh?  
What now?

Haven't I changed  
enough already? These melons  
on my chest aren't exactly  
light as a feather.

\*JUGGLE\*

\*JUGGLE\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*Look at that  
piece of Ass.*

*I've turned  
into a hot chick who's look says:  
Hey...I'm ready for hant and  
steamy sex if you are!*
