

Chapter 21

Between Connection and Jealousy

Moments later...

Unbelievable, it's just impossible.

She kept her word.

happy

Finally some men's clothes.

This is the happiest day of my life.

I'm already looking forward to trying it all out.

But first, precautions.

I don't need anyone to bother me.

Moments later...

Well, yes, I should have expected this.

It doesn't fit, it's way too big on me.

But even so, because of my breasts, I am unable to fasten the last few buttons.

I have to get rid of them somehow.

I hope that at least the pants will fit better.

After all, everyone has the same butt.

Because so far I look like I stole a sweatshirt for my boyfriend.

Nyan

Moments later...

I know I've recently started eating more sweets.

But that my ass got so fat right away.

Mad

Come on!

Ufff~Finally.

I guess I need to cut back on my candy consumption.

Strange, have I always had such wide hips?

I think I really need to diet.

Although it's not that bad.

I think a good diet will solve most of my problems.

....?

Maybe even my breasts will shrink a bit.

I better wait with this diet surely there are other ways to be more manly.

What.
This is the vibrator
I got from Nino.

So this is
where I lost it.

I remember I was
supposed to throw it
away.

Hmmmm.

I know I shouldn't
do that.

But it's
just stronger
than me.

Besides,
I guess one
time won't
make much
difference.

embarrassed

I just hope
Nino left me some
Vaseline.

Dry runs
can be a pain in
the butt

Moments later...

I've seen myself naked many times before.

But it is still strange to me how it looks now.

Especially the fact that I now have breasts.

Although I'm slowly getting used to it.

And that's what worries me.

Even though I lack the essence of feminine feelings.

Hmm~

Why does it have to be so pleasant?

Enough is enough, I need to focus.

Determined

I'll do it quickly and the problem will be over.

Wow, it's been a long time since he was this big.

Surprised

Maybe the masurbation idea wasn't so bad.

Hmm...
I wonder what
would happen if
I did two at
once?

embarrassed

Hmn!

Oh no,
I have to be
a little quieter
because they
will hear
me.

But I'm not able
to do anything it's
just too pleasant.

Just a little
more!

AH

AH

I'm coming!

Yes, yes.

Finally.

Ah~that was great.

I wonder how a real penis would feel.

happy

What am I thinking about again!

Shocked

Meanwhile, in the bathroom.

Ey,
Itsuki maybe we should finally say for Mutsumi-chan that we hear him moaning as he does it.

Better not, let him continue to think we don't know anything.

After all, you remember what Naomi said the better he gets to know the female body the sooner he will accept being a girl.

I remember, but if it goes on like this, the neighbors will start complaining.

And the worst thing is that he does it without me!

Yes. I understand that he is one of us now but he should control himself a bit with the whining.

Besides, what will happen if his dad finally catches him.

Alright I'll talk to him later. Okay?

Although, on the other hand, I've already heard strange sounds from your room a few times too.

embarrassed

This . I hit my big toe

Why are you bugging me?

Should I say what you were doing?

What am I doing?

What?

Surprised

Why did you wear Mutsumi-chan's bra?

Don't you see that it's too big on you?

I don't know it's probably because she wore that bra at the time.

Couldn't she wear one of us bras at the time, whose bra was it anyway?

I have no idea.

If I'm honest, I'm a little jealous of Mutsumi-chan myself.

jealous
Unbelievably, I'm jealous of the fact that a boy has bigger breasts than me.

Retrospect...

Once again, sorry that Mutsumi-chan tried it on.

Yes, you could even say that it fit her perfectly.

Are you sure, it seems new?

Nothing happened, and it fit her at least?

Hehe, in that case you can give it to her, it's too small for me anyway.

Yes, I don't want Onee-san to see again that another bra is too small for me.

The next day at school...

Why? I'm sure they would give you some advice.

Just remember not a word to my sisters.

No thanks, I don't want them to know about it.

What should we not know about?

You know very well that sisters shouldn't keep secrets from each other.

That Mutsumi-chan's bust has grown recently.

I'm sorry Mutsumi-chan but you shouldn't hide such things from your sisters.

What, but my breasts have not...

Oh, I see.

Sorry girls,
but something came
to my mind.

I think I need to
talk to the girls. From
what I remember Mutsumi-chan
was supposed to be like us and
not be better than us.

And she's
gone.

That's okay.

Yes, sorry
for that lie
with the bust.

Then, as
I promised,
I'll come to you
somewhere at 6
in the evening,
then I'll help you
choose something
for your date.

It's not a date,
he just invited me
to a restaurant.

Anyway, don't
tell anyone about
it and especially
my dad.

He hates Zian.

embarrassed

I'm sure he'll be furious when he finds out I'm going out to a restaurant with him.

Wow, true forbidden love.

Excited

Sure, I'll keep quiet as the grave.

No problem, after all, that's what friends are for.

I'll make sure your date goes perfectly.

It's better for him not to even try it.

Thanks.

I already told you it's not a date. Besides, he can still cancel it.

A few hours later...

Hmm... Strange,
is this surely the
right address?

Asuna,
you're finally
here.

I was
afraid you
were lost.

Mutsumi-chan,
do you live here?

Er... Yes, is that
a problem?

Because
I'm not.

No, just...
You never said you
were rich.

In the apartment ...

You must be joking.

If it's not a problem, then tea.

And there we are , make yourself at home.

Would you like something to drink perhaps?

Ymmm... Ymmm...

Who gave the tea so high again?

I hate being short.

You know what, however, I don't want to drink.

Let's go to your room better right away.

Hi Asuna.

But today we can go to study with you.

Me too.

Sorry Nino but today I really can't make it, I have some important things to do.

Ichika, it's great that you're here, you'll go to study together with Mutsumi-chan.

Sorry but I already have plans for the evening.

Should I tell my dad what you got from your last chemistry test?

After yesterday's fun, I just left it on the bed.

I was supposed to hide it in the morning, but I forgot.

It will be my end if any of them see it.

Mutsumi-chan, what are you doing?

Are you trying to hide something from us?

I have to hide it quickly before the girls see it.

For the first time, I'm glad I have such a big bicus.

If I can fit a packet of chips in there, such a small vibrator will go in there without a problem.

No worries, we are all girls.

You don't have to hide anything from us.

In fact, it is only Asuna who is a real girl here at the moment.

Because me or Mutsumi-chan can hardly be called real girls at the moment.

I'm not hiding anything, it's just been a tiring day.

Then maybe in that case I let go of this learning today.

And instead do something pleasant.

What, when she?

Shocked

How did she get there so quickly.

Is this your plan?

Surely, if I agree, Onee-san will notice right away that something is wrong.

Shocked

I have no choice, in fact I didn't want to try on any clothes anyway.

No, We were supposed to study for the test and not waste time on silly things.

Meanwhile,
at the girls'...

Yes, although
I was hoping
we would be
alone.

So you've
also arranged
to meet with
Naomi

Me too.

I need
to ask her
something
important.

So it
looks like
we are here
for the same
reason.

And
tell me, have you
thought about your
wish yet?

That's
great, and it
has something
to do with
Mutsumi-chan?

Yes, I already
have a great idea
what I'm going to
use it for.

Yes, and I'm
sure he'll like it.

Oh I see Naomi.

Strange , looks like something is bothering her.

A moment later...

What? you're on a date.

Sorry, we did not know.

Nothing happened, I'm even happy to see you.

So what's the problem?

Wow, you never said you had a boyfriend.

Is he handsome?

Actually, he is my fiancé not a boyfriend.

And yes, he is handsome, he is also rich as if you wanted to know.

You don't seem to be happy about it.

Because I don't love him, I'm only with him because my parents forced me to.

It's about Mutsumi-chan.

But let's put that aside, what is this problem you were talking about?

What has he done again?

jealous

Can you finally do something about her breasts?

She was supposed to be one of us and so far she's better than us.

And you Itsuki?

I wanted to ask you to do the same.

jealous

Can't you somehow make her breasts smaller so that they are the same as ours.

Of course I can.

So why change it. By the way, I myself like girls with large breasts.

But in my opinion, repairs look great with a large bust.

Although also those with smaller are cute.

Mad

Mad

Okay, I think there is one potion that can fix that.

Great, and when can you make it?

I think it will be ready for tomorrow.

Great, and now my wish.

I want you to undo all mental changes at Mutsumi-chan.

Can you do that?

Well, I can undo all the mental ones that are the result of magic.

Surprised

But of course, I can't restore his knowledge of what his name is.

But are you sure you want that?

Yes, I've thought about it for a long time and I'm sure of it.

I know, and that's exactly what I want.

I want that Mutsumi-chan will become our sister, and not that some girl who is her will take his place.

But you know that then he can be again as he used to be?

Back to Fuutaro...

Asuna
may have had
enough of these
trysts.

embarrassed

Besides,
we've already
tried on all the
clothes I have.

It's getting
late.

embarrassed

And anyway,
why are you
covering up all
the time?

What are you
talking about, we're not
even halfway through.

You really don't
have to be ashamed
of anything in the end
we are all girls.

You really don't see anything strange about us?

The only thing that is strange to me is that you are hiding from me all the time.

confused

As if you are hiding something.

Asuna Pov

Other than that, I don't see anything unusual.

Onee-san looks like she didn't notice anything.

Yes, it probably looks like that.

I wonder what they are talking about?

Hmm...
Never mind.

But we should still be careful.

Some time later...

Okay
Girls, which
one now?

Looks like
it's over for
today.

The next day...

You don't have to understand, just do what I tell you to do.

I still don't understand why all this dating?

Mad

But what sense does it make.

For me it does. And you if you want your body back you have to do what I tell.

Fine.

I'm glad you understand, your date is on the right side.

disconnected

What?

Surprised

Hi, who did you talk to?

Did something happen?

No, just... ymmm.... you look great.

Er... thanks. My friend helped me choose this outfit.

embarrassed

What is with me, why his compliment embarrassed me so much.

What is with me?

embarrassed

Why do I say such things, after all I am not a lesbian.

Let's go on this date maybe better.

Sure.

I want to get it over with as soon as possible. Why did I even agree to this date?

Or maybe I'm reacting this way because I know that Mutsumi-chan is actually a boy?

If I go on a date with a boy but I know he's actually a girl then I'm gay?

Wait, doesn't that mean it's a normal date?

We just switched roles.

Well... I guess not

Click

Click

It seems that everything went according to plan.

Some time later...

Please, your order, Nyan.

Will someone come up to table 15?

I'm on the way.

Yes, I thought you would like it. After all, guys like such places.

A cafe with girls in costumes?

Surprised

Er... Yes, I'm just a little surprised that you chose such a place.

I chose this place especially for you.

After all, I know you probably like such places too.

Thanks.

I hate such places.

A while later...

Yes, I would like one Nyan box please.

Hello my name is Hina could I take your order? Nyan

A friend said they are very good.

Yes, they are really good. Nyan.

And for the lady? Nyan

Just a salad for me.

Recently I have put on a terrible amount of weight.

I need to lose a few pounds if we want to fit into those pants

Nyan box and a salad is a terribly small order.

With such an order, I can't count on a tip.

You know, we have special sets for couples. Nyan.

Really?

Yes and they are just a little more expensive.

What is she doing!

Mad

Gosh, that must have really pissed her off.

I've never liked pullers.

You should be grateful to me.

As for you and your behavior...

Shocked

I told you to watch out for couples.

I forgot.

Er... I'm sorry. How about I pay for your order in return?

So you admit that it was your fault.

Meanwhile, in the monitoring room...

She seems to be doing better and better.

Yes, she just kicked your Hina-chan's ass. hehe

proud

Don't be so happy, soon the roles may be reversed.

In any case, the most important thing is that she is happy.

You mean his sisters?

Well...

Definitely, but what about the others?

Yes.

In the meantime...

Shocked

Did you see the same thing as me?

It looked like Mutsumi-chan was jealous that that girl over there was flirting with Zian.

Shocked

Yes, and I can't believe it.

You must be joking.

How else can you explain it?

confused

This has all gone way too far.

I can see that the commander is having a great time.

But not for long.

To be continued...
