

Shit this place is scary, we shouldn't have come

yes

@Reclusive_Ghost

They say that this "marquis" doesn't sleep because he spends all night doing rituals of necromancy...

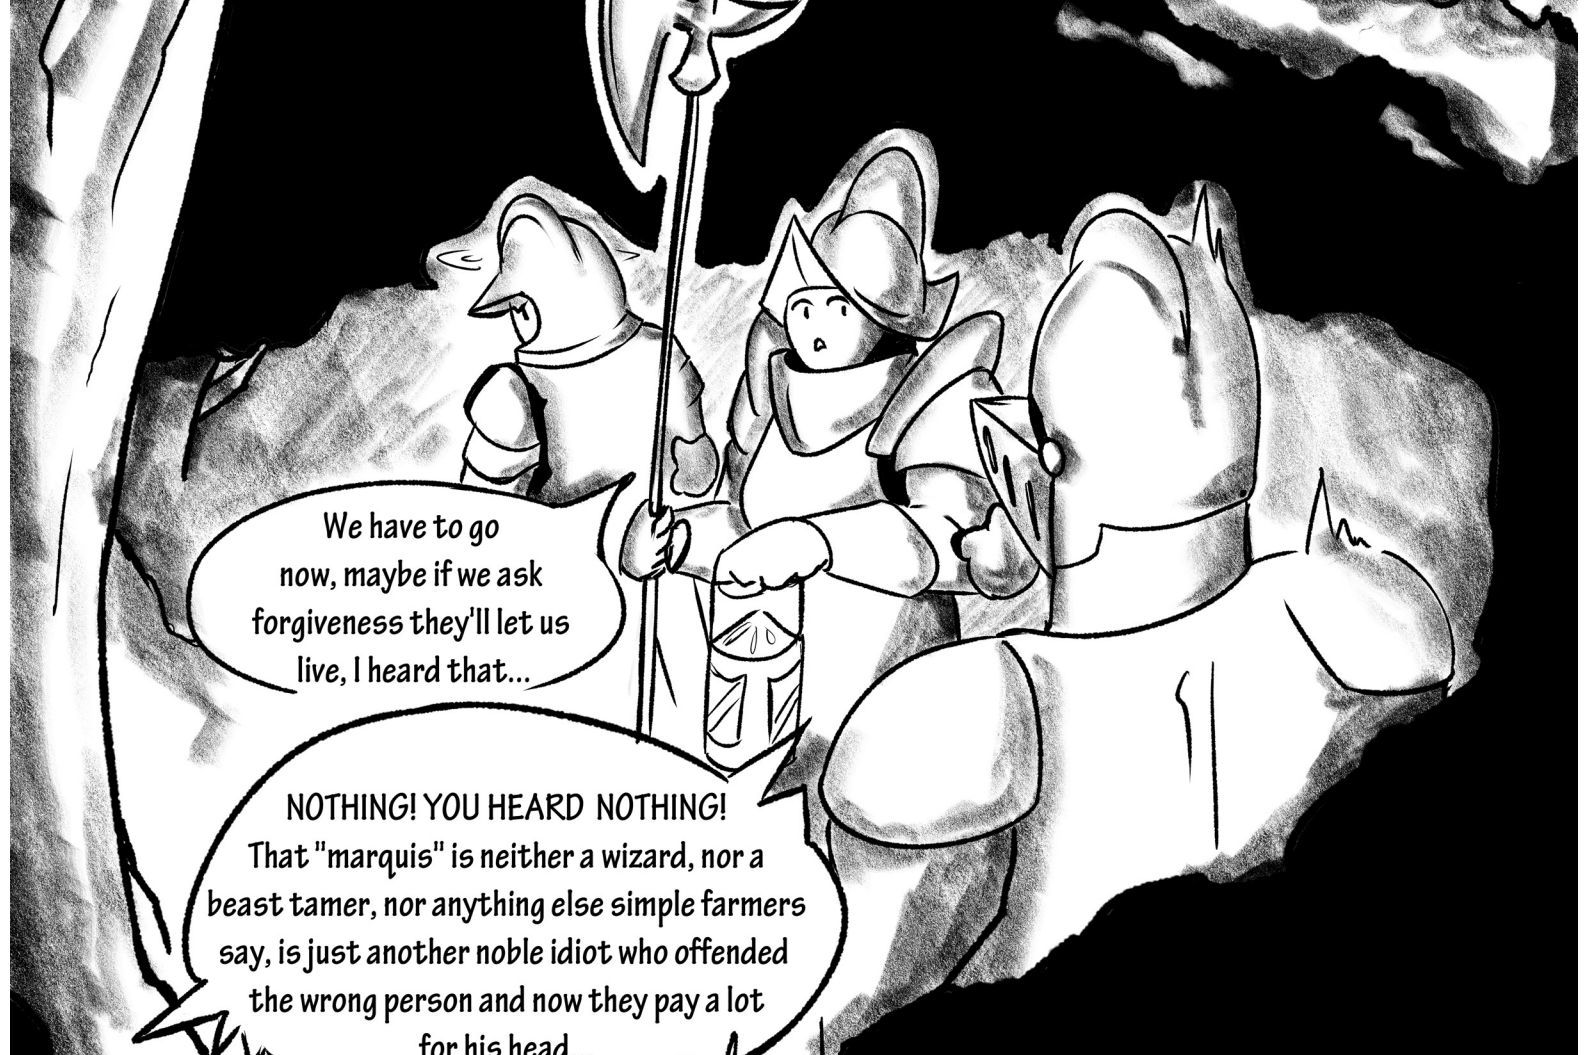

it is also said that he has two beasts that protect him...

Ho no...

CRACK

Hear that?

They are the beasts of the marquis know that we are here!

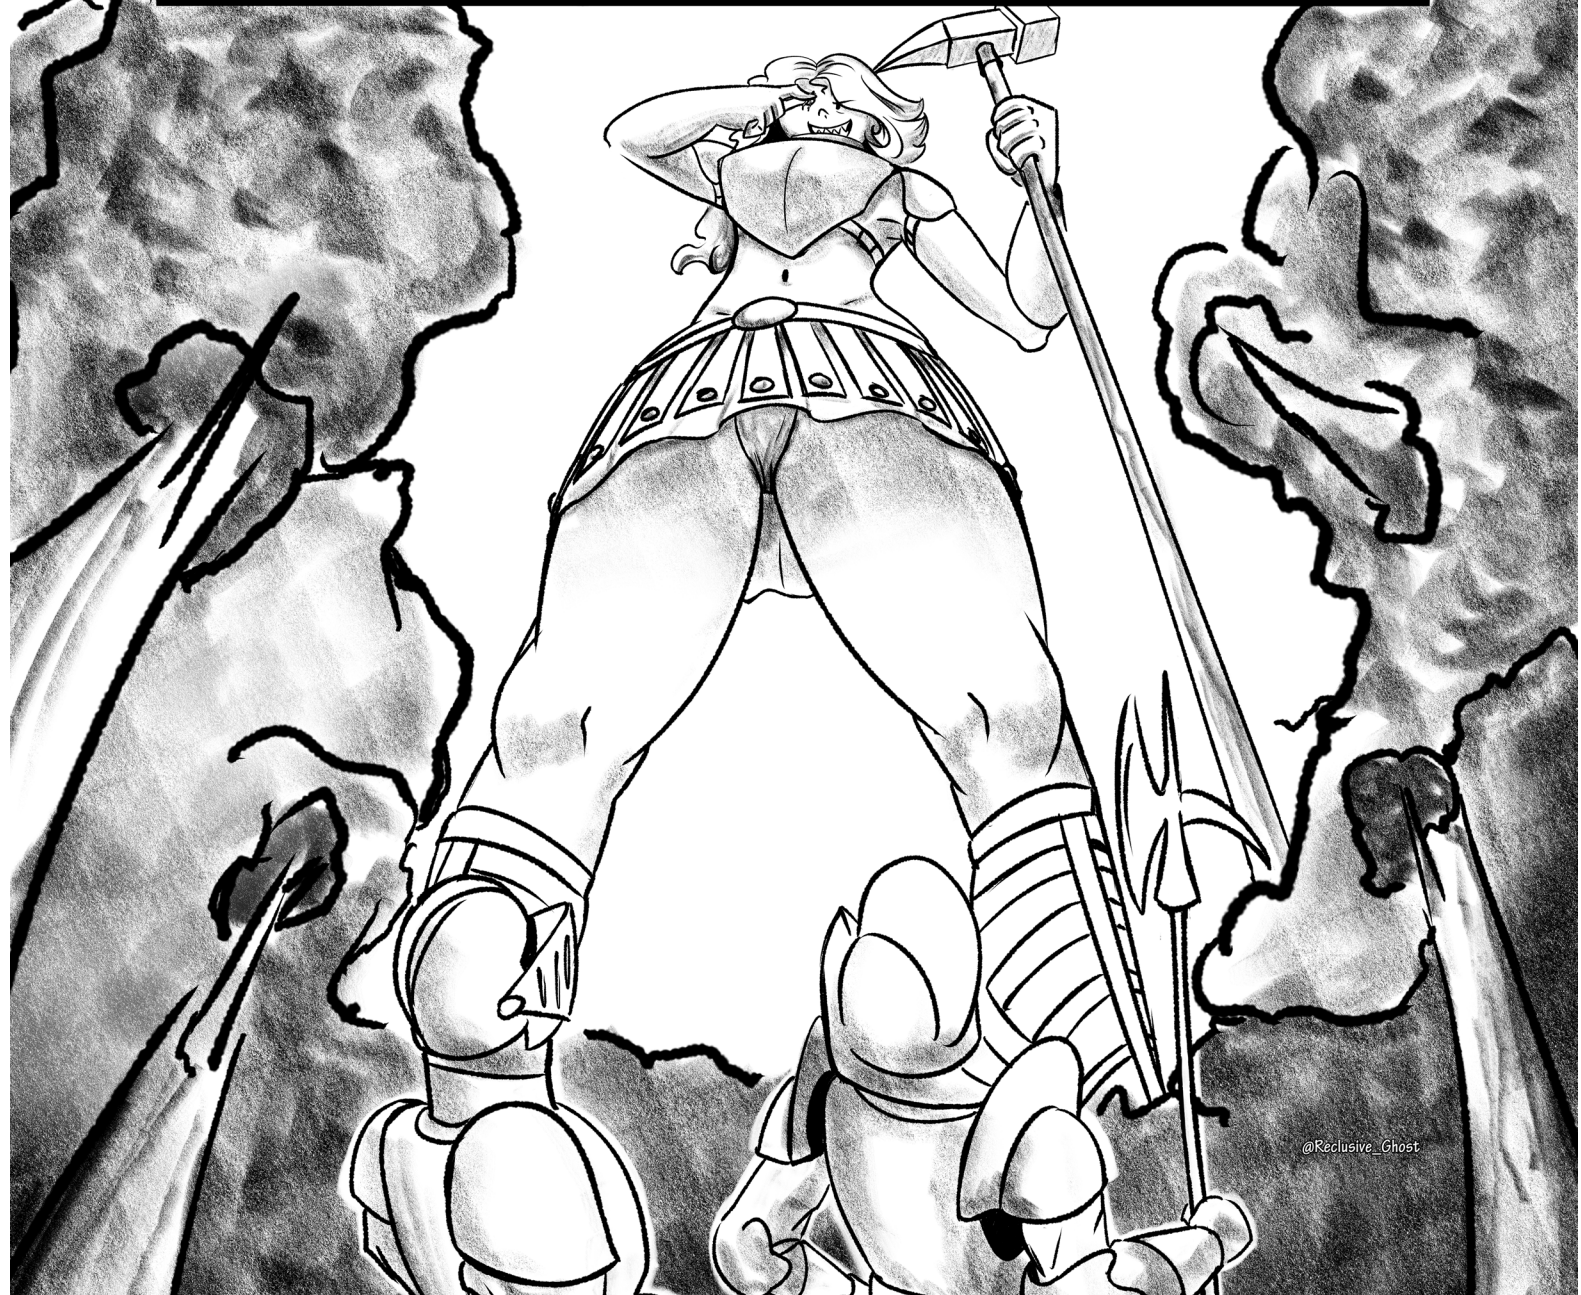

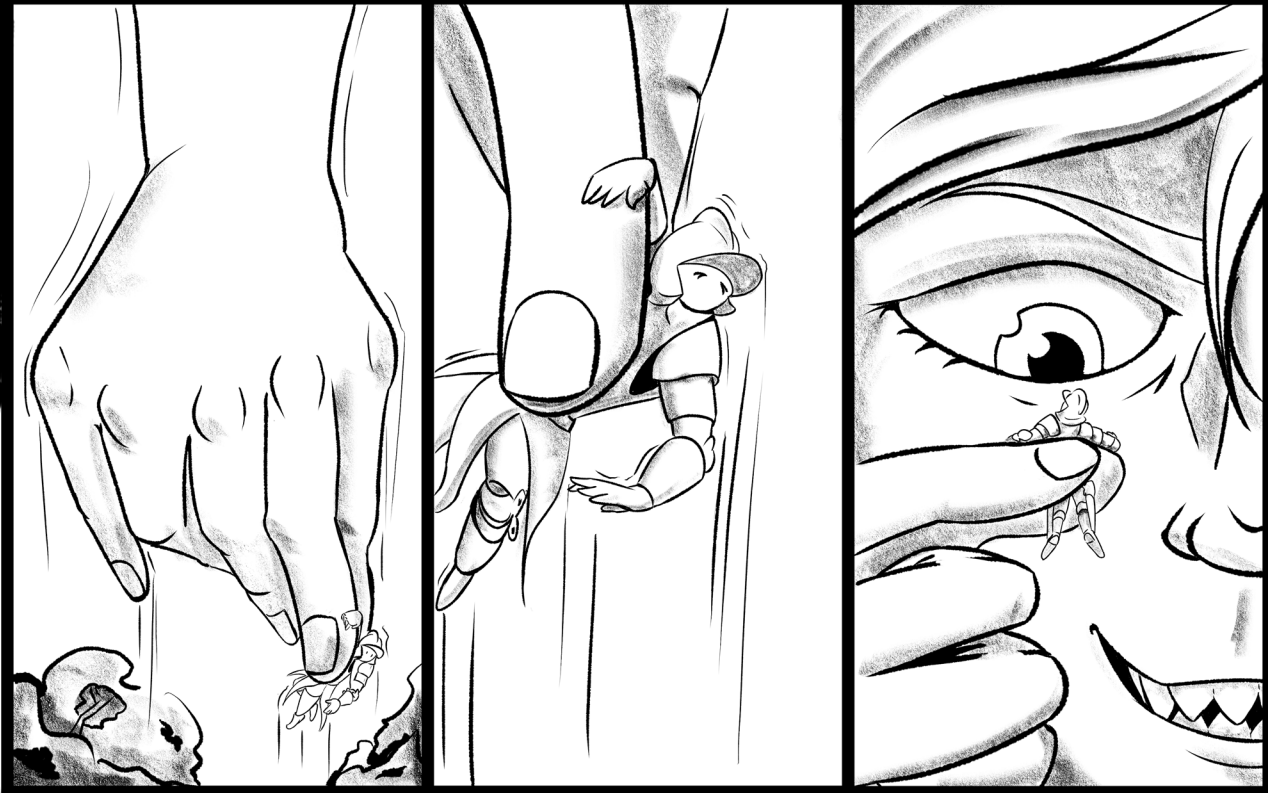

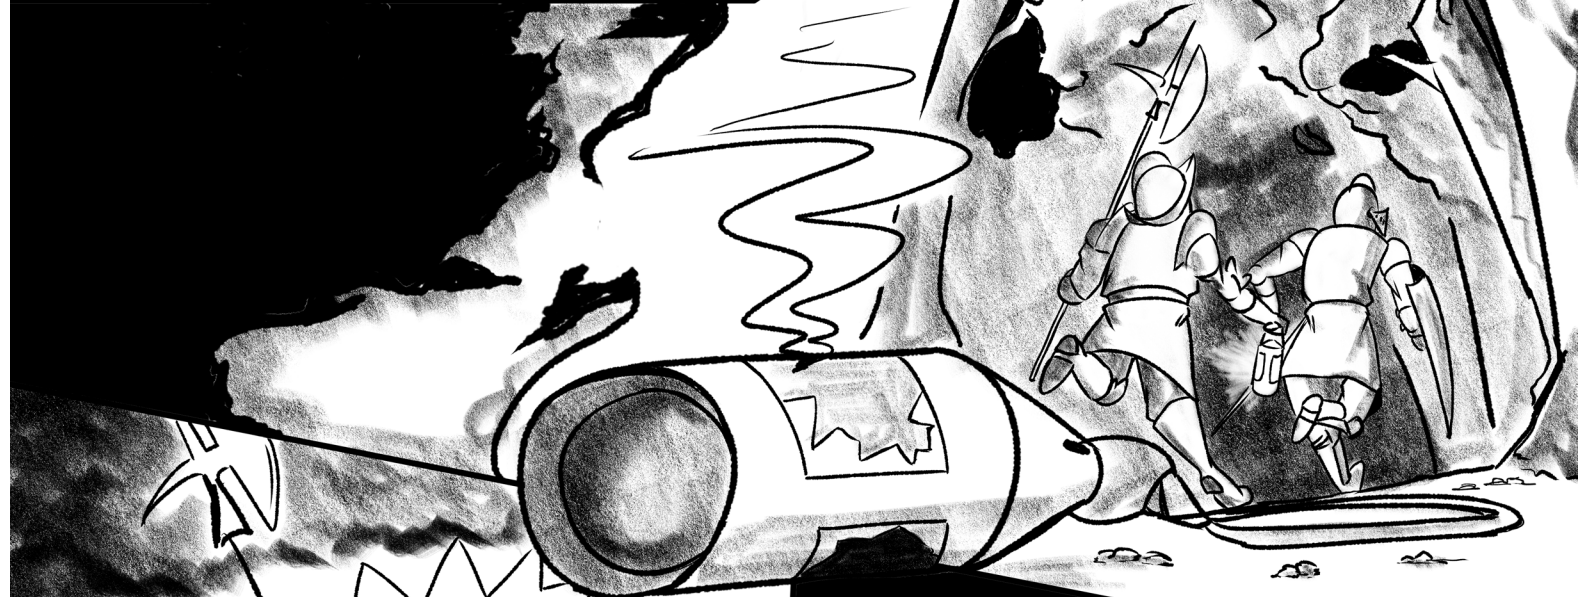

We have to go now, maybe if we ask forgiveness they'll let us live, I heard that...

NOTHING! YOU HEARD NOTHING!
That "marquis" is neither a wizard, nor a beast tamer, nor anything else simple farmers say, is just another noble idiot who offended the wrong person and now they pay a lot for his head...

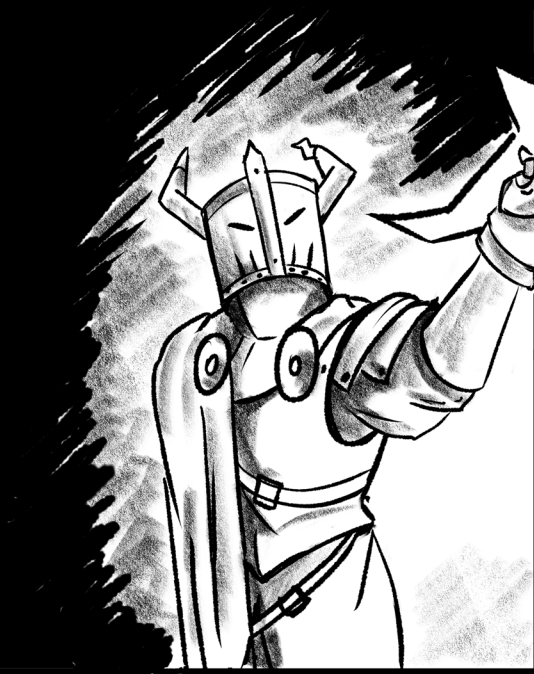

So pair of cowards, what was heard was probably just some animal, but just in case be on the alert I don't want any...

ABANDON ALL HOPE, YE WHO
ENTER HERE!!

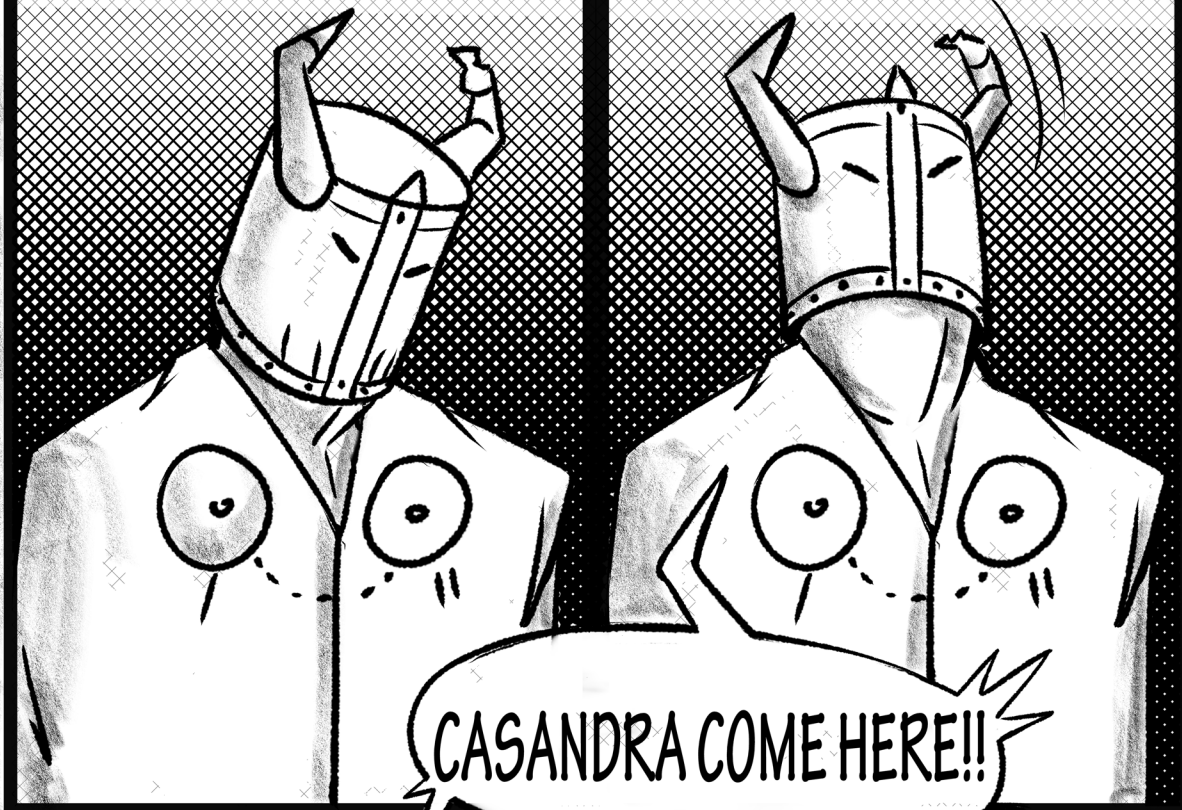

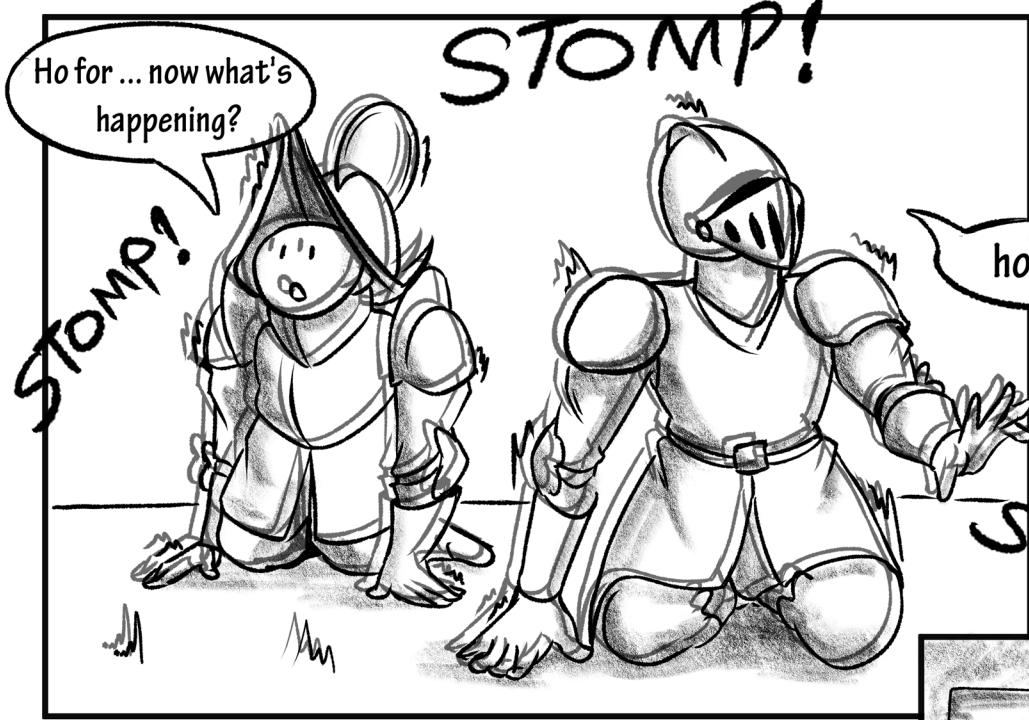

Lord, we are very sorry
for having entered your land
without permission, please let us
go and we promise never to
return...

yes

How pathetic, at least
they they used to
fight a little...

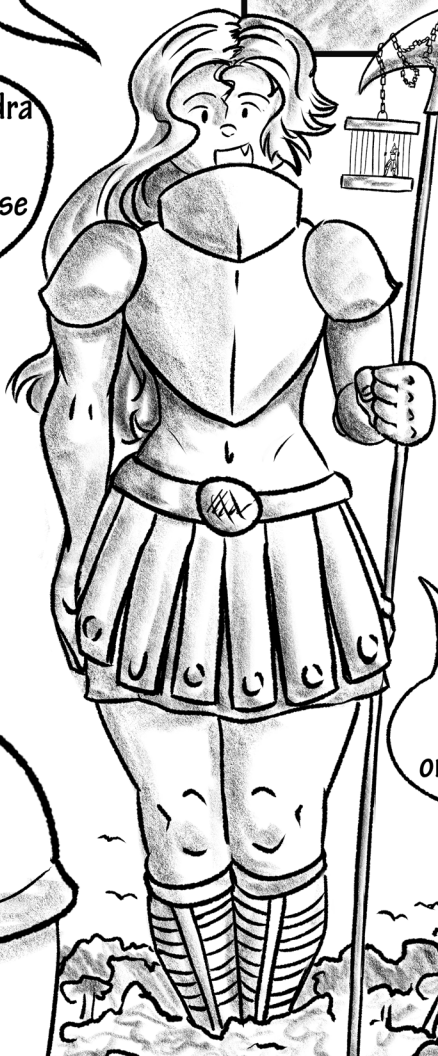

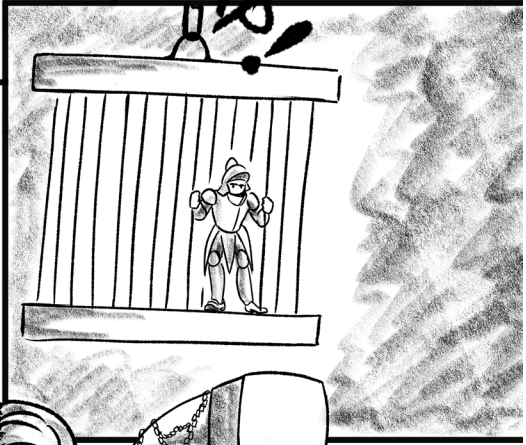

CASANDRA COME HERE!!

Here I am my lord, I caught and locked up the intruder as you ordered

Well done Cassandra please do the same with these two

as you order my lord

You two come here insects!

Well let's go now it's about to get late and I don't want to be late for dinner

@Reclusive_Ghost

and next time
could you ride on
my shoulder?

No...

What? Why?
it's always Halia's

because she doesn't
run away if she sees a duck
by a pond just to
pet it

You are very
bad...

Hey! thank you very much for reading dear reader, I hope you liked this comic that I made with a lot of love for you, it was a long way, since I started drawing I always wanted to make a comic and well now I can say that I fulfilled that dream and of course I wouldn't want this to be the only one, but the first of many (or as many as my mental health can) I would also like to thank Marinette, White Hood and Lode Star for helping me with the realization of this project, both for their feedback, correction of spelling mistakes or simple and support as friends, so well without anything else to say, I will say goodbye, until next time little spirits :B
