First Week:

Early Saturday Morning

Wake up scene, you have one choice

Choice:

"Peek down her robe": You can raise Jacky's libido points by one, but you also lose one affection point

"Gross!! That's just weird!": No consequences.

Completed Event 1: Tony's in jail, shit's fucked up

START: You start out the game in the MC's room, you have a lot of places you can go. Events happen in the Kitchen, Lauren's Room, and the Lounge.

Kitchen: Not essential, but you get another opportunity to peek down Jacky's robe.

Lauren's Room: Also not essential, but you have a small intro to Lauren, and have an opportunity to see that Ryan is a pretty normal young man, with no interest in banging anyone in his household. (yet).

Lounge: You have to click on the portrait to continue, and then click on Tony. You will get a little back story, and after getting through his info you can continue with the game. You also can get backstory for each character, (recommended), but not essential.

You can now go to the warehouse via the map icon.

Warehouse: You meet Bobby, and learn more of the plot of the game. You are introduced to the main source of income for the beginning of the game. Bobby will give you \$300, and then you will make deliveries and make anywhere from \$200 - \$450.

Completed Event 2: Talked with Bobby

Evening:

Map: Go back to your house

House: Go to the Kitchen

Kitchen: You will sit down to dinner with Jacky and Lauren, You can either ask Jacky or Lauren about their day and raise their affection points by one,

-ask Lauren- (recommended) You will have more opportunities to raise Jacky's affection, and you need Lauren's affection higher to trigger an event later on.

The mafia will come over and Jacky will go with them to their casino. Jacky will also take all of your money to use against the weekly mafia debt.

Strip-club: Ryan will follow them over, and Ryan will discover they've given Jacky the job of a stripper to raise the money that they were short to pay their weekly debt. He will have the opportunities to leave rather than watch Jacky strip.

Choice - Stay and watch - continues story

Go Home -ends game

Staying and watching Jacky strip will influence the MC psychologically to make him develop a sexual infatuation with Jacky. He will then have one more chance to leave.

Choice- Keep Watching - MC accepts the infatuation. Jacky starts to feel more comfortable stripping and even sexually excited

MC masturbates and jizzes all over the wall. Jacky spots him and feels ashamed of herself.

Jacky's affection - 5

Jacky's libido + 2

Jacky's submission + 1

Go Home -ends the game

Completed Event 3: Jacky's a stripper

Night:

Map -Go home.

Home Go to Lauren's room

Lauren's Room MC starts to contemplate his infatuation for Jacky and realizes Lauren is almost a mini version of Jacky, decides to try out some manipulation skills on Lauren as a way to practice seducing Jacky. MC decides to use subliminal messages to influence Lauren.

Lauren's Submission + 1

Sleep Go to MC Bedroom and click on bed. MC will sleep

Sunday Early Morning: Lauren will wake you up in bed to find out what happened at the club the night before. You will have the opportunity to cover up your morning wood, or to flaunt it.

Choice- Cover Up (recommended) Lauren's affection + 1

Lauren's Libido + 1 Affection points are harder to gain on Lauren than affection points. You will want them to trigger a scene later

on.

Why should I? You get 5 points for libido, but you get 10 points Towards Lauren's anger. This slows down your progress, but the anger points can be erased by buying Lauren presents later.

(Note: Each girls anger will decrease by one point every time you sleep.)

Sunday Morning: Go to Jacky's room

Jacky's Room: You have the opportunity to convince Jacky you still love her even though she's a stripper.

Jacky's Libido + 1

Completed Event 4: Comforted Jacky

Sunday Afternoon: At this point more options open up to you.

Lauren's Room: MC has a conversation with Lauren about how he is going to provide for the family now. Lauren doesn't believe him and makes a deal that she'll do anything he asks within reason if he is successful in providing for them and taking her shopping.

Go to Map

Map: Go to Warehouse

Warehouse: The best use of an afternoon is to make deliveries at Tony's warehouse to make anywhere between \$200 - \$450. Based just on chance. "**Make deliveries**"

Computer You can now use your computer to buy presents for the girls when you make them angry.

Chocolate: costs \$10 and takes away 2 anger points.

Hardnlong gift-cards: cost \$25 and takes away 5 anger points.

Flowers: (Don't use yet!!) They cost \$50, take away 10 anger points, and give 1 Affection point, but they can't be used until the girls affection points are over 50 Points (which is impossible in the first two builds.) If you use before you increase their affection, they will make the girls angry 2 points, and lose 1 affection point.

You can give the presents to the girls whenever they are in their rooms with the door locked.

All deliveries must be picked up at Tony's Warehouse.

You can also use the computer to look at **pictures of the girls** you have taken, and also to **jack off** to their pictures, which will advance time.

Bed You can now use your bed to sleep at night, or to look at memes during the daytime. Looking at memes advances time. You can also use the skip time button on your smart-phone to see memes and skip time.

Sunday Evening: Go to the kitchen to talk to Jacky first! If you go to the Lounge you could miss this event. This event also allows you to do dishes in the evenings to raise Jacky's affection.

Choice: **Hey Jacky it's good to see you up and about:** raises affection by one point

Are you drinking again?: (recommended) You lose one affection point, but that can be easily made up, but you gain 2 submission points for Jacky.

Go to Lounge:

Lounge: Scene where you help Lauren find TV remote. Lauren libido + 1
If Lauren's anger is 0, you can also sit and watch Game of Thots with her.
resulting in Lauren affection + 1, and Lauren libido + 1
If anger is greater than 0, you can see this scene another evening once you get her anger down.

Completed Event 5: Helped Lauren find the tv remote.

Sunday Night: This is a good time to visit both Lauren and Jacky to do subliminal messages.

Monday Early Morning: Not a lot to do, you can explore around and find two locked doors that inform you that Jacky does yoga in her room every early morning and Lauren takes a shower. Once you buy spy-cams for \$1000 each you can place them to watch their showers/workouts.

Version 0.05 Content:

Completed Event 6: Sidney came home.

Kitchen: You can look around and find that Jacky is in the shower. You can go to the Lounge (recommended) and watch Game of Thots with Lauren if she isn't mad at you.

Lounge: Going to the lounge most evenings is recommended. Each time you watch tv with Lauren you raise her libido points by 1.

This choice depends on the way you want to play the game.

Choice: **"Yes"** This option is available only if you have the \$1000 dollars. This is the best choice if you are trying to avoid any NTR content. However you can let Jacky go to the club 2 times without any consequences. If you choose this option Jacky is very grateful and gives you a tight hug in her sexy dress. This option gives you +10 in affection, it zeroes Jacky's anger if she has any, and +1 Jacky's libido.

is a good choice if you're going for the NTR route. This option plays out a scene at the club where Jacky catches and confronts you. Jacky's Anger +10, Jacky's Affection -10, Jacky's Submission +1

"No" This option is available if you don't have \$1000 in your inventory. You can go to the club and you don't get caught by Jacky. Jacky's Affection -5, Jacky's libido +3.

At this point in the game keeping track of days is difficult, so events will now be by character.

Jacky:

School: After you have sat through 3 total lectures from Jacky, you can now ask her for help with an assignment.

Afternoon: Classroom

Choice: **"Talk to Jacky about Oedipus assignment"** If you are currently on the NTR route, you will see that Matt and Megan are talking with Jacky, and you will join in on their Conversation. If you are on the Loyalty route, it will still just be Megan talking with Jacky. After the conversation, Ryan will ask Jacky for help with an assignment. She will tell Ryan to go wait for her in her office.

Once in Jacky's office Ryan will tell her about a video game he found that he thinks would work well on his Oedipus assignment, but wants to get Jacky's opinion. Ryan will show Jacky scenes from either Milfy City by Icstor, or Big Brother by Dark Silver. Which will fluster her a little, and excite her even more. +1 Jacky libido. There are three variations to this scene. Repeat it to see them all, and continue to repeat it to constantly raise Jacky's libido.

Spy-Cam Events Bathroom:

Early Morning: Jacky's Bedroom with Jacky at 10 libido: You can hear moaning from outside the door.

Choice: "Use spy-cam" Repeatable scene where Jacky masturbates on her bed. Jacky's libido -5

Night: Jacky's Bedroom if Jacky's Anger is >1

Choice: "Peek through spy-cam" Just a scene with Jacky sleeping on her bed.

Night: Jacky's Bedroom with Jacky at 10 libido: You can hear moaning from

outside the door.

Choice: “Use spy-cam” same repeatable scene of Jacky masturbating on Bed. Jacky’s libido -5

Completed Event 18: “Jacky Masturbated in bedroom”

1st Club NTR Event:

This scene is triggered from the lounge on Saturday evening, only after Jacky has visited the strip club 3 times after the initial visit. Whether Ryan lied and didn’t pay the DeCapos, or if he didn’t have the money doesn’t matter. This scene is non-repeatable. +1 Jacky’s libido

Completed NTR Event 15: “Lap-dance for Joey”

Buy Jacky a bikini:

If you pay Jacky’s debt for two weeks in a row, an email alert will wake you up in the morning, letting you know that you can buy Jacky a bikini in the online store. Make sure you buy the bikini before paying Jacky’s debt off for the 3rd week in a row, or you will fail this event.

Completed Event 23: “Bought bikini”

Loyalty Weekend:

After paying Jacky’s debt for three weeks in a row, if you have at least \$20 in your inventory, a new event will trigger on Sunday morning as you wake up. You will go to the kitchen to talk to mom who’s started drinking a little early.

Choice: “Talk to Jacky.” Keeps the event going.

“Just leave her alone.” This is a way to bail out of the event if you don’t have the bikini yet, and you want to see the bikini show. Just make sure you get the bikini and pay the mafia debt before the next time this event triggers.

If you chose to talk to Jacky and keep the event going:

Choice: “Mention her drinking this early.” This is the one to choose if you don’t have enough submission points to trigger the bikini scene. You need at least 5. You will lose 1 affection points, but they are easier to come by. Total points: Jacky’s submission +1,

Jacky's affection -1, Jacky's respect +3

"Just Let it be." Total points: Jacky's affection +2, Jacky's respect +3

Jacky tells you she wants to do something nice for her, and you tell her you want to go to the club pool, she agrees, and asks if there's something more she can do for you.

Choice: **"Can you show me one of the dances you did at the strip Club?"** This is the only option if you didn't buy Jacky a new bikini. Also when you choose this option when you have less than 6 libido, you will get kicked out of this event, raise Jacky's anger +1, and have to try again next week. If you choose this option with Jacky's libido above 6 you will gain Jacky libido +1

"Can you try on your swimsuits?" Available if you bought Jacky a bikini. If Jacky's submission is above 5 and her libido above 3 this choice will trigger the bikini show. If you don't have the required submission and libido points you will lose 3 affection points and jump straight to the club pool event.

Bikini Show:

Here Jacky will try on a pink bikini, and the blue bikini you bought her.

Choice: **"The Pink Bikini"** Not as good a choice as the blue. The blue is see through when wet. Plus you'll be able to convince her to lose the shorts.

"The Blue Bikini" It's a thong, it's see through when wet, plus you get an extra affection point. Why wouldn't you choose this one?

Completed Event 24: "Bikini Show"

Club Pool:

You reach this point by going through the "Loyalty weekend," and if you qualified, the "bikini show" events. Now at the club pool you run into Lauren's friend Kenzie, and Matt from school. Then you will have the option to buy Jacky some wine.

Choice: **"Buy a glass."** This is the only choice if you have less than \$100. Money -\$20

"Buy the bottle" If you can afford the bottle, this is the better option. It makes Jacky more uninhibited through the rest of the event. Money - \$100

“The next scenes are more fun if you bought and chose the blue bikini. You’ll talk Jacky into taking off her shorts and get to enjoy the sight of the thong, and her swimsuit is see through. Jacky will then start a game of Marco Polo with the MC, Kenzie, and Matt. The following choices don’t have a best option, just personal preference.

- Choice:** **“Ryan”** This choice will give Jacky +1 to libido, and if you only bought her a glass of wine, you will lose 1 respect point.
 “Kenzie” This choice will give Jack +1 to libido
 “Matt” This choice is only available if you are on the NTR path.

Completed Event 25: “Pool Party”

Version 0.04 content:

Catch Jacky masturbating in office:

This scene can be triggered after either the Loyalty event where the MC goes to the pool with Jacky (event 19), or after the NTR event where Jacky has to go back to the club and grinds Joey (event 10). To trigger this scene you have to go to school, and in the classroom where you have the option to “Talk to Jacky about Oedipus assignment,” you have to choose this event and repeat the following scene over several days. Finally you will get the option to;

- Choice:** **“Look for Matt and Megan,”** This option will complete a different event.
 “Resist the urge to peek. Just go see Jacky.” Choose this option to complete event 26. Choosing this option will take you to Jacky’s office.

Once in Jacky’s office you will notice she’s masturbating to something she’s seeing or doing on her laptop computer. You will have the choice to;

- Choice:** **“Pretend like you didn’t see anything.”** This choice has no Consequences.
 “Let her know you saw everything.” This is the better choice. It raises jacky’s anger, (Jacky’s Anger +1), but it also raises Jacky’s submission. (Jacky’s Submission +1)

After making either of these choices, you will see the scene play out, and be able to repeat it as many times as you want.

Completed Event 32: “Jacky masturbating in her office.”

Version 0.05 content:

Weekend Chores:

On Saturday and Sunday you can find Jacky in the Lounge in the late morning: Depending on your progress in the game, you will have the option of doing one of 3 chores.

Fix bulb: The option to do this chore has no previous requirement, just show up in the lounge on Saturday and Sunday (Jacky's Affection +1) (Jacky's Libido +1)

Completed Event 8: "Fix light bulb"

Fix sink: This chore is triggered the same way as the previous chore, but it's not available until after you've completed the previous chore and shown Jacky the porn-games in her office. There are two variations of this chore, and you will have to play them both before you can move onto the next chore. Jacky's libido will cause a couple variations in Jacky's reaction to the events. If her libido is 8 or higher, you will get rewarded extra libido and affection points.

Completed Event 16: "Fixed Kitchen Sink"

Fix washing machine: This chore is triggered the same way as the previous chore, but is not available until after you've done the previous chores, and Jacky and the MC have watched each other masturbate in Jacky's office at school. This event has several variations depending on if it's the first, second, or later visits. The way Jacky reacts is also dependent on her libido points, and if libido points are 8 or higher, you will receive additional libido points.

Completed Event 33: "Fixed the washing machine"

Reward for paying the Mafia:

This event is triggered by paying the mafia when they come to collect on Saturday. For the event to trigger, the MC has to have already masturbated along with Jacky in her school office.

Version 0.06 content:

More Night fun with Jacky:

This update lets you have a little more fun with Jacky during the night. Whether playing from a previous save or a new game you will have to visit her to get a prompt that you can continue the fun, but not until you get rid of her bathrobe. If you visit her at night again before you find it, you will get a similar prompt.

First you must have had breakfast with the family at least once where you notice her in her bathrobe. Go to the kitchen in the early morning to have breakfast.

Search Jacky’s room when she’s not around. You will find the bathrobe in her top dresser drawer, after which you will go and hide it under your bed.

Now you will be able to visit her room at night and continue the fun.

Completing this event also causes a major change at breakfast.

Completed Event 12: “Hid Jacky’s Bathrobe”

Continue to visit Jacky for several nights and you’ll be able to use her feet to masturbate yourself, and hotdog her ass. After two visits you can continue to return any time you want and you’ll have the choice to do either. Enjoy it while you can because soon there will be an event that will prevent you from having this kind of fun.

Completed Event 13: “Night Mischief with Jacky”

Back in Jacky’s Office:

Previous scenes in Jacky’s Office have been redone with new animations.

This scene has two different outcomes depending on if you have ntr content turned on or off. If you have ntr content enabled, you will have a chance to disable it.

Visit Jacky’s office again, and this time you will ask her for a handjob. She agrees and as you’re finishing either Matt or Megan walk into the room, depending on ntr options.

Whichever walks into the room will see Jacky finish you off, and then blackmail Jacky into being part of a photoshoot with Megan.

Completed Event 39: "Jacky got Blackmailed"

Commission a new Outfit:

Now go visit Sidney in the kitchen during evening time to commission outfits for Jacky and Megan. Sidney will have a little surprise of her own.

Choice: **"I have enough money for both."** This is the best choice, but is only available if you have over \$1,800. (Money - \$1,000)
(Sidney's Respect +1)

"Mom can just work it off at the club this week." Gets the event going, but you don't get the respect point (Money -\$1,000)

"You're right, I should save up a little more money first." If you really want to hold out until you have enough money for that respect point.

Fitting the Cosplay Outfits:

After several days, Sidney will be almost finished with the outfits, and as you walk into the kitchen in the evening, you'll see her making final adjustments to the outfits on Jacky and Megan. They will inform you that the best time to take pictures of them is on weekday evenings.

Perry Hotter Photo-shoot:

Now you can go to the warehouse on a weekday evening, access the photo-studio, and choose the broom to start the Perry Hotter photo shoot.

Completed Event 40: "Unlocked Perry Hotter Photoshoot"

More Perry Hotter:

This event should take multiple visits to complete, as you make Jacky's libido and submission grow, you will have access to increasingly lude scenes. The event will be very different depending on if you have ntr enabled, or not. Though the scenes will be different, the choices will not. Here are the choices and their requirements to unlock their scenes.

Choice: **"Have Megan lick Jacky's boot.:** (submission 5+ or libido 9+)
"Have Jacky rip open Megan's shirt.: (submission 7+ or libido 9+)

"Have Jacky tie Megan and humiliate her.: (submission 10+ or libido 10)

"Have Jacky gag Megan.: (submission 14+)

"Have Jacky remove Megan's panties and spank her.:
(submission 19+)

"Have Jacky remove her panties and pose with Megan.:
(submission 25+)

"Maybe we should end the shoot for today.": Good choice if you don't have enough libido or submission points.

After pushing Jacky to take the last picture on the above list, there will be a few very different scenes depending on ntr content. These scenes are repeatable each time you complete the photo-shoot.

Completed Event 41: "Finished Perry Hotter Photoshoot"

To trigger this event, Ryan must have paid Sidney \$400 to make Lauren's cosplay outfit and then waited for 3 days for Sidney to finish the outfit. See Sidney's section for this version of the game.

Ryan will have Mandy take some pics by herself.

Choice: **"Like, does the breastplate come off?"**(recommended) +1

Completed Event 11: "Photo-shoot with Lauren and Mandy."

Ryan's Room: After sleeping 1 night after posting the cosplay pictures, Ryan can access his computer at anytime, and it will trigger a scene where Lauren comes in and wants to know if the pictures are getting any attention. She'll be jealous that Mandy's more lewd pictures are getting more attention than hers, and will be committed to be a little less prudish during photo-shoots.

You will then tell her to run into the closet and go get changed. A new image map will pop up that will eventually have lots of options for different photo-shoots, but for now will just have one option. Click on the axe that’s leaning against the stool.

Completed Event 26: “Unlocked the Photo Studio”

How To Breed Your Dragon Photo-Shoot:

Here you will take pictures of Lauren to post on the Cosplay Heaven website. A couple of key factors will determine how many likes those pictures get. One being equipment that you buy from the online store, and the other how far you are able to get Lauren to go. You will only be able to unlock so many options before you buy the green-screen. After the purchase of the green screen, all options become available if you have enough submission, and, or libido. With each option you are able to choose and progress through, you will gain a submission point and a kinky point. Kinky points increase the number of likes on your Cosplay Heaven page.

Completed Event 27: “Started Photo-Shoot for HTBYD”

Some choices in the photo-shoot will end the shoot and make Lauren have anger points. If you know when to stop, you may get affection points. Once you build up

enough submission points you will be able to finish the event. Here is a breakdown of what you will need for each option.

- Choice:**
- Ask her to take off skirt:** Lauren submission ≥ 5 , or libido ≥ 9
 - Show thong from behind:** Submission ≥ 7 , or libido ≥ 9

Completed Event 28: "Finished photo-shoot for HTBYD"

Posting the HTBYD Pics:

After the photoshoot you will automatically start this event where you finish up some photo-shopping and post it to the Cosplay Heaven website.

Checking for HTBYD Likes:

The next day you can check your computer to see how many likes you got. Lauren will join you and be impressed by how many likes she received. If you were able to make it to the end of the event, this event will zero out any anger that Lauren might have for you.

Visit from Agent Diaz:

After you have started the "How to breed your dragon" photo-shoot with Lauren, on the following Thursday, you will get an early morning knock on the door. When you answer the door you will be introduced to Agent Diaz of the FBI. She will request a few words with you and Lauren. She will explain that she's in charge of the investigation against Tony, and that she's really in the palms of the DeCapo Family. You will find that she's acting in their interests, but also in her own, and one of those interests is Lauren. She requests that you pay her off each week for \$500, on top of what you're paying already to the DeCapos, but if you're unable or unwilling, she'll happily trade some time with Lauren for the \$500.

- Choice:**
- Pay \$500:** This choice will get you +1 in Lauren's respect, and she will show you her appreciation with a little dance, and some dry Humping. You will also see a scene where Diaz spies on you and Lauren in her car through your own spy-cams.

Completed Event 29: Pay off Diaz

Sidney Club Events:

After learning about Jacky’s return to stripping, Sidney becomes obsessed with seeing Jacky in the strip club, to the point where she sabotages the MC’s efforts to keep her out of the club. This event is triggered on the weekend when the DeCapos come for their weekly payment. It is triggered on Saturday evening in the lounge after the cosplay photoshoot with Sidney has been completed.

Completed Event 43: “I’m not the only schemer”

Once this first event has been completed Sidney will be able to work in the strip club every night except for Saturday. And she will have to work on Mondays. Every other day of the week, if you want Sidney to work, you have to tell her in the evening that you need her help to make money.

Kitchen Lounge Evening:

Choice: **“Ask her to work at the Club”:** This choice will make it so Sidney works in the stripclub serving drinks that night. This choice is not available on Mondays, since Sidney will be working in the club regardless, and it isn’t available on Saturdays, since Joey wants to

keep her out of the club when Jacky's working.

Strip Club Night:

The first time you visit the stripclub, you will meet Armani, who is Joey's niece. She will ask you if you wish Sidney was your girlfriend.

- Choice:** **"Yes":** (Sidney's Affection +1) probably the best choice since affection points for Sidney are more rare than libido.
 "No": (Sidney's Libido +1)

As you continue your conversation with Sidney, you will have an opportunity to get a closer look at her camel-toe.

- Choice:** **"Yes.... Peek!":** Choose this option if Sidney's libido is 8 or higher. (Sidney's Affection + 1) If Sidney's libido is less than 8 (Sidney's Anger +1)
 "No!.... Don't risk it!": This option is probably best since it gives you a respect point, which are rarer than affection points. (Sidney's Affection +1)

After you continue your conversation even further you will be presented with 3 more choices. All of these choices can and should be chosen in no particular order. After your first visit to Sidney at the club, these 3 choices will be presented every time.

- Choice:** **"Working for the Mafia":** The first time you choose this option you will be given another choice of who you want Sidney to grow close to, in an attempt to get information that will be helpful in resolving their Mafia problem in the future.

Choice: **"Joey (NTR Warning)":** There are no consequences of this choice in the current version of the game, but will trigger NTR content in future builds.

"Armani": There are no consequences of this choice in the current version of the game, but will trigger loyalty content in future builds

In the current build, choosing this option again, Sidney will just tell you that she needs more time to find out any information.

"Are you making good money?": The first time you choose this option, Sidney will inform you that she's taking most of the money she makes at the club and saving it up for her tuition to go back to fashion school. She also tells you that the money can be used for family emergencies in the future if the need arises. Subsequent visits will result in her telling you how much she has saved up in her tuition/emergency fund.

"Can we?.... You know....": This choice will trigger a blowjob from Sidney on the condition that her libido is 7 or greater, and that she

didn't give you one the night before. If you don't meet these conditions, you will trigger a scene where you get to talk to Agent Diaz and watch another girl stripping.

Completed Event 44: "Blowjob on the job"

Version 0.06 Content:

Special Sidney Event:

We finally come to the event where the MC's blueballs get a release. To trigger this event you will have to have reached the point in the game where Camille and Mandy have both moved in, you've played all your options in the park with Sidney, visited her at the nightclub and chosen all the dialogue options with her there. Once these are all complete the scene will trigger when you go to visit Sidney at the club Monday evening.

You will be a spectator for the first part of the event where a disgruntled mafia henchman decides he's going to kill Joey DeCapo, and gets Sidney, Armani, and Agent Diaz involved. When you finally enter the scene you will meet a new stripper who wants you to pay her for a dance. You then get a choice.

Choice: **"You have a deal! (\$50)":** If you have enough money, choosing this option distracts you for a while, giving the henchman time to mess with Agent Diaz. Don't choose this option if you don't want to see anything sexual happen to Agent Diaz. But if you don't choose this option, you will miss the strippers show. (Money -\$50 to \$90)

"Please... I don't have time for this!": If you just don't want to see anything happen to Diaz, or see a strip show, then choose this option.

"I don't have enough money.": This option only appears if you have less than \$50

"Tell me about yourself first." Choose this option if you want some back-story on the stripper. After learning about her you will be presented with the same options above.

You will now go find Sidney, Armani, and Diaz, and depending on your choice above the scene will play out a little differently. After you rescue the girls, Armani and Diaz will leave, after which Sidney will be extremely grateful to you. And the MC will finally lose his virginity to Sidney.

Choice: **"Fill her pussy!:** The game will keep track of how many times the MC chooses to shoot his load in each girl. There will be a tally kept which may or may not be used for future possible pregnancy

content.

“Don’t risk it.”: This will give you a scene of the MC covering Sidney’s ass and back. For this update it doesn’t matter, but it may be a way to avoid pregnancy in the future.

Armani walks in on you both naked after the sex event, and then you have a little conversation where Joey DeCapo thanks you. After this event, your friend the stripper is now available whenever you visit Sidney at the club.

Completed Event 53: “Lost my Virginity”

Now that Sidney has had sex with our MC, it only gets better. Now you can return to some of the older events and now you’ll find they’ve become even more fun.

Try going running in the park with Sidney again.

Megan:

So far Megan has played a small role in the game, but she came with an event you could complete if you were following the NTR route.

In this update you can see very similar content on the Loyalty route as well.

School Bathroom Blowjob:

This event is triggered after the first “How to Breed your Dragon” photo_shoot, and it triggers by visiting the school in the late morning. Megan will be waiting for you in the hall, where she will confront you and reveal that she wants to become famous like Lauren and wants you to help her by taking pics of her as well. To try to persuade you, she will take you into the bathroom stall and give you a blowjob. Megan will appear in a photo-session in the near future.

Completed Event 7: “Got a blowjob from Megan.”

Update Version 0.04 content:

Megan Fucking Matt in Locker Room:

This scene can be triggered after either the Loyalty event where the MC goes to the pool with Jacky (event 19), or after the NTR event where Jacky has to go back to the club and grinds Joey (event 10). To trigger this scene you have to go to school, and in the classroom where you have the option to “Talk to Jacky about Oedipus assignment,” you have to choose this event and repeat the following scene over several days. Finally you will get the option to;

- Choice:** **“Look for Matt and Megan,”** Choose this option, and then choose to look for them in the girls locker room to see this scene and complete event 25.
- “Resist the urge to peek,** Choosing this option will set you on the path to complete a different event.

Completed Event 31: “Caught Matt and Megan Fucking.”

Camille:

Version 0.04 content:

In the 0.04 update, you will be introduced to Camille. She is Jacky’s sister, Mandy’s mom, and married to Bobby who works with Tony.

Intro to Camille:

If you are playing this from a new game, Camille will show up on your doorstep 10 game days after the event where her daughter Mandy does a photo-shoot with Lauren. If you

are playing from a previous save, Camille will show up on your doorstep 10 game days after you started playing version 0.04. You trigger the event by visiting the kitchen in the evening after this 10 day time.

She shows up very upset because a mom of one of Mandy's classmates sent her one of the pictures from the photo-shoot. It's not a great first impression.

Bobby Leaves Town:

5 game days after Camille's first visit. The mc will wake up in the morning with a text that says you need to go see Bobby at the warehouse as soon as possible.

Go to the warehouse:

The mc can go to the warehouse to talk to Bobby any time of day except for night time. He will inform you that he's been tipped off that the FBI will be coming for him, so he decides to flee the country. He will discuss a plan to get you money every week so you can pay for Camille and Mandy's expenses, since he doesn't trust Camille with money.

Completed Event 45. "Bye Bobby."

Camille visits again:

2 days after your visit with Bobby, go to the kitchen in the evening to trigger this event. After Bobby leaves the country, Camille will come back to the house for some sympathy and advice. They will make a deal where the mc pays for her expenses in exchange for doing their house chores. Because she offends Jacky during this visit. Jacky will make her wear a revealing uniform for work as retribution.

Completed Event 46. "Camille is our new maid."

Camille tries on her new uniform:

Go to the lounge 3 days after Camille's second visit, and you will find her trying on her new uniform. You will also establish that in the late morning everyday, you will meet her in the kitchen to line her up for her chores for the day.

Camille does yoga with Jacky:

When you use the spy-cam on Jacky's room early in the morning, you will now be able to see Jacky working out with Camille.

Pick Camille's chores:

Everyday in the late morning you can meet with Camille to assign her a chore. The first visit will be a little different from the next times you come to assign chores, but the main flow will go like this.

- Choice:** **“Reprimand her for drinking so early.”** As long as Camille has less than 10 submission points, Camille will get a submission point for making this choice. (Camille’s Submission +1)
- “Let it slide.”** This choice will gain you an affection point from Camille. (Camille’s Affection +1).

Now you will have the chance to assign Camille a chore:

- Choice:** **“Bathroom.”** The first time choosing this, you will be able to take a creep shot for your new “Camille folder” on your computer.
- “Lounge.”** The first time choosing this, you will be able to take a creep shot for your new “Camille folder” on your computer.
- “Kitchen.”** The first time choosing this, you will be able to take a creep shot for your new “Camille folder” on your computer.

Choosing the bathroom:

Choosing the bathroom is important because it is the only choice that will get you libido points. While Camille is cleaning the bathroom, you will be presented with a couple more choices.

- Choice:** **“Pee in front of Camille.”** The first time you do this it will give Camille 8 libido points (Camille’s Libido +8), after the first time just 1 point each time. (Camille’s Libido +1)
- “Something more mischievous.”** Only pick this option if either Camille’s libido is 10 or if her submission is over 10. If you agree to her condition, it will cost you \$100. (Money - \$100) and Camille will lose 3 libido points. (Camille’s Libido -3)

Completed event 47: “Camille presses boobs on glass.”

Choosing the Lounge:

Here you will be doing homework while Camille is cleaning the Lounge, she will catch you staring down her shirt.

- Choice:** **“Sorry.”** This choice will get you an affection point. (Camille’s Affection +1)
- “Keep Staring.”** Only choose this option if Sidney’s libido or submission points are 10 or over. This choice will cost you \$150 (Money - \$150) and Camille will lose 3 libido points. (Camille’s

Libido -3)

Completed event 48: “Camille flashes Boobs in lounge.”

Choosing the Kitchen:

Here you will be doing homework in the kitchen while Camille is cleaning. You will have the choice to;

“**Criticize her work.**” Choosing this will give you a couple more Choices.

Choice: “**Don’t let her leave early.**” This choice will get you an additional submission point. (Camille’s Submission +1)

“**Make her a deal.**” Only choose this if Camille’s Libido or Submission are 10 or Greater. This choice will cost \$200. (Money - \$200) and Camille will lose 3 libido points. (Camille’s Libido -3)

Completed event 49: “Camille’s tits on a platter.”

Camille’s Finances:

Every Saturday you will wake up and pay Camille’s and Mandy’s bills this will also net you an additional \$200. (Money +\$200)

Version 0.06 content:

Camille’s Bathroom Events:

Camille will use the shower every weekday afternoon after she’s done cleaning the house. If you can get her libido points to ten, you can see her special bathroom event through the spycam.

Completed Event 56. “Camille Masturbated in the Shower”

Camille’s Bedroom Masturbation Event:

Camille likes to work out in Jacky’s room every evening. You can visit her there and get some eye candy, but be careful, she can be a bit touchy. If you happen to visit when her libido is at ten points then she’ll be doing a completely different type of workout.

Completed Event 57. "Camille Masturbated in Jacky's Bedroom"

Mandy:

Version 0.06 content:

New Roommates:

This event could go under every girl since it affects everyone, but we'll put it here since Mandy is going to be around the house consistently for the first time following this event.

After you've completed the bathroom flashing event with Camille, and progressed through the night mischief with both Jacky and Lauren, You'll get a knock on the door Sunday morning and Diaz will inform you that Camille and her daughter Mandy will be living at your house for the foreseeable future. After a brief conversation with Diaz you will have a dialogue choice.

Choice: **"If I can watch what happens in the van later, I will.":** Only choose this option if seeing Agent Diaz with other men doesn't bother you.

"Alright... anything to get that image of Diaz in the van out of my head.": Choose this if you'd rather not see Diaz with other men.

You will go to the lounge and have a conversation about logistics of two more guests living at your house. At this time, if you chose the first option above, Diaz will send you a text with a very explicit selfie, which will then delete itself. Jacky will then ask you and Camille to get along.

Choice: **"I'm in!":** This is the better choice. (Jacky's Affection +1)

"Only if Camille does.": Just swallow your pride, this is not a great choice. (Jacky's Affection -1)

This ends the scene and completes another phone event. After completing this event there is a new breakfast scene.

Completed Event 52. "Full House."

Mandy's Bathroom Events:

With the addition of Camille and Mandy to the house, bathroom schedules are tight, so on weekdays Mandy and Lauren have to share the shower in the early morning. There are two bathroom spycam events you can see during the week that trigger randomly. But to catch Mandy masturbating in the shower, it's a little trickier. First you have to get her libido points to ten, then you have to visit the bathroom on Sunday early morning. Mandy has the shower to herself since Lauren is sleeping in. If her libido is full, the shower will be much more entertaining. Also, Lauren's solo shower events will now be on Saturday mornings.

Completed Event 54. "Mandy Masturbated in the Shower"

Mandy's Bedroom Masturbation Event:

Mandy is always alone in Lauren's bedroom during the evening. There are a couple different scenes where you can talk to her in the room. If you talk to her during the week she will be doing homework and wearing her school uniform. If you talk to her during the weekend, she will be wearing her casual clothes and playing womb raider. There are a few different interactions for each. If you are able to get her libido points to ten, then when you go to visit her, she won't be there, so you'll check Jacky's bedroom across the hall. Through the spycam you'll be able to see Mandy's masturbation event.

Completed Event 55. "Mandy Masturbated in Jacky's Bedroom"

Truth or Dare:

Now that Mandy is sleeping in Lauren's room, night time mischief just became a little harder, especially since Mandy isn't drinking the melatonin laced tea, which you find out after visiting her and Lauren the second time. Just keep visiting until you're able to get into a game of Truth or Dare. The truth or dare game functions very similar to the photo studio events. Choosing truth will increase her libido, and choosing dare will increase her submission. Don't push her too hard before her submission is higher, or she'll end up angry. Once you get through the dares, don't quit because the ending progresses a little each time, until the third time.

Completed Event 58. "Truth or Dare"

Diaz Again:

Now that Mandy is sleeping in Lauren's bedroom, a confrontation between her and Mandy are inevitable on Thursday mornings. As soon as event 58 is complete, Diaz thinks Mandy is ready to be groomed. Now that she's blackmailing two girls, her price to protect them has doubled. You will now have to pay \$1,000 every week to keep both Lauren and Mandy safe from the sadistic hands of Agent Diaz.

Choice: **"Fine! Let me get your money.":** This choice keeps the girls safe but costs you \$1,000 dollars, but the result is two happy girls that are willing to reward you for your generosity and heroism. (Libido +6 for both girls) (Affection +1 from both girls)

Completed Event 59. "Saved their Asses"

"I cant pay that!": This choice gives the girls asses to Agent Diaz, the result is a spanking scene and a sore bum from either Lauren or Mandy. You get to choose. (Affection -1 from the girl you chose to have spanked) (Affection +1 from the girl you chose to save) (Submission +1 from the girl you chose to have spanked.) (Libido +3 for both girls.)

Completed Event 60. "Gave their Asses"

XMAS Event:

This event is a tribute to Charles Dickens "A Christmas Carol". It is skippable and has no consequences on the actual storyline of the game. It does give you some background into Jacky's and Tony's past, and hints as to what's to come in the future of the game. Should not be played if pregnancy content bothers you.

Christmas Past: The ghost of XXX-mas past will take you into the past where you will see how Tony and Jacky met for the first time.

Choice: **"Let Tony win. (NTR Warning)":** This choice triggers an NTR scene in the past, and will also have consequences in the Xmas future.

"Show that mother fucker who's boss.": This choice will trigger a blowjob scene between the MC and Jacky, and have loyalty consequences in the Xmas future.

Christmas Preset: The ghost of XXX-mas present takes you to a scene in your photo studio at Tony's warehouse, Agent Diaz shows up and you are presented with a choice.

Choice: **"Pay Diaz":** This option will get rid of agent Diaz, and the MC will proceed with the photoshoot with Sidney and Lauren. This choice triggers a scene with the girls, and has loyalty consequences in

the Xmas future.

“Shit! Did I leave my money at home? (NTR Warning!!)”: This option will allow Agent Diaz to take the pics for the photo shoot and trigger a scene where she takes part of it for one picture. This choice has NTR consequences in the Christmas future.

Christmas Future: In the Xmas future, you will find Jacky, Lauren, and Sidney pregnant. and you will reap the rewards of your choices in the Christmas past and present.

Jacky:

You will get a nice little animation of Jacky giving you a handjob.

If you made the NTR choice in the Xmas past, you will find out that Tony got Jacky pregnant.

If you made the Loyalty choice in the Xmas past you will find out that you got her pregnant.

Lauren:

If you made the loyalty choice in the Xmas present, you will find out that you got Lauren pregnant.

If you made the NTR choice in the Xmas present, you will find out that she got pregnant by somebody else.

Sidney:

If you made the loyalty choice in both the past and the present, or the loyalty choice in either one of them, you will find out that you got Sidney pregnant.

If you made the NTR choice in both the past and present, you will find out that somebody else got her pregnant.

At this point in the event, regardless of past choices, you will be able to have sex with all 3 of the pregnant girls, after which the event will draw to a close.

This is the end of our current game build. We are working hard already on the next one. Game development is difficult and time consuming, and the only compensation we get is from our supporters. Right now we are developing this game part time, as D.S.-Sama and myself both work full time jobs. We are very grateful to our patrons who are supporting us already. If you're not a patron help

us by supporting us on [SubscribeStar](#) and [Patreon](#). It would be our dream to be able to develop this game full time.
