

Well ~ this flavor is quite appropriate.

If you're free, help mommy pack my makeup bag.

Babe~Mom is comming late~

Do you hear me?

I know, I know。

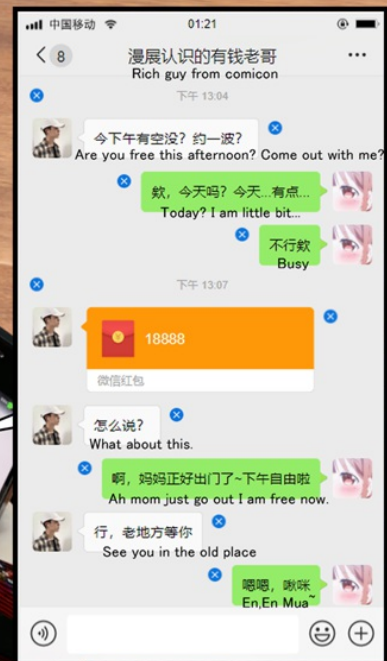

What time are you coming back?

Who knows, if I don't come back tonight.  
Sleep early!

Haha, not back just good,  
I can do anything I want.

Damn, such a big red packet!  
This guy is really rich. Fine...

I have not been crossdressing for a long time.  
Today, I will take it seriously.

Let's use mom's advanced cosmetics today~

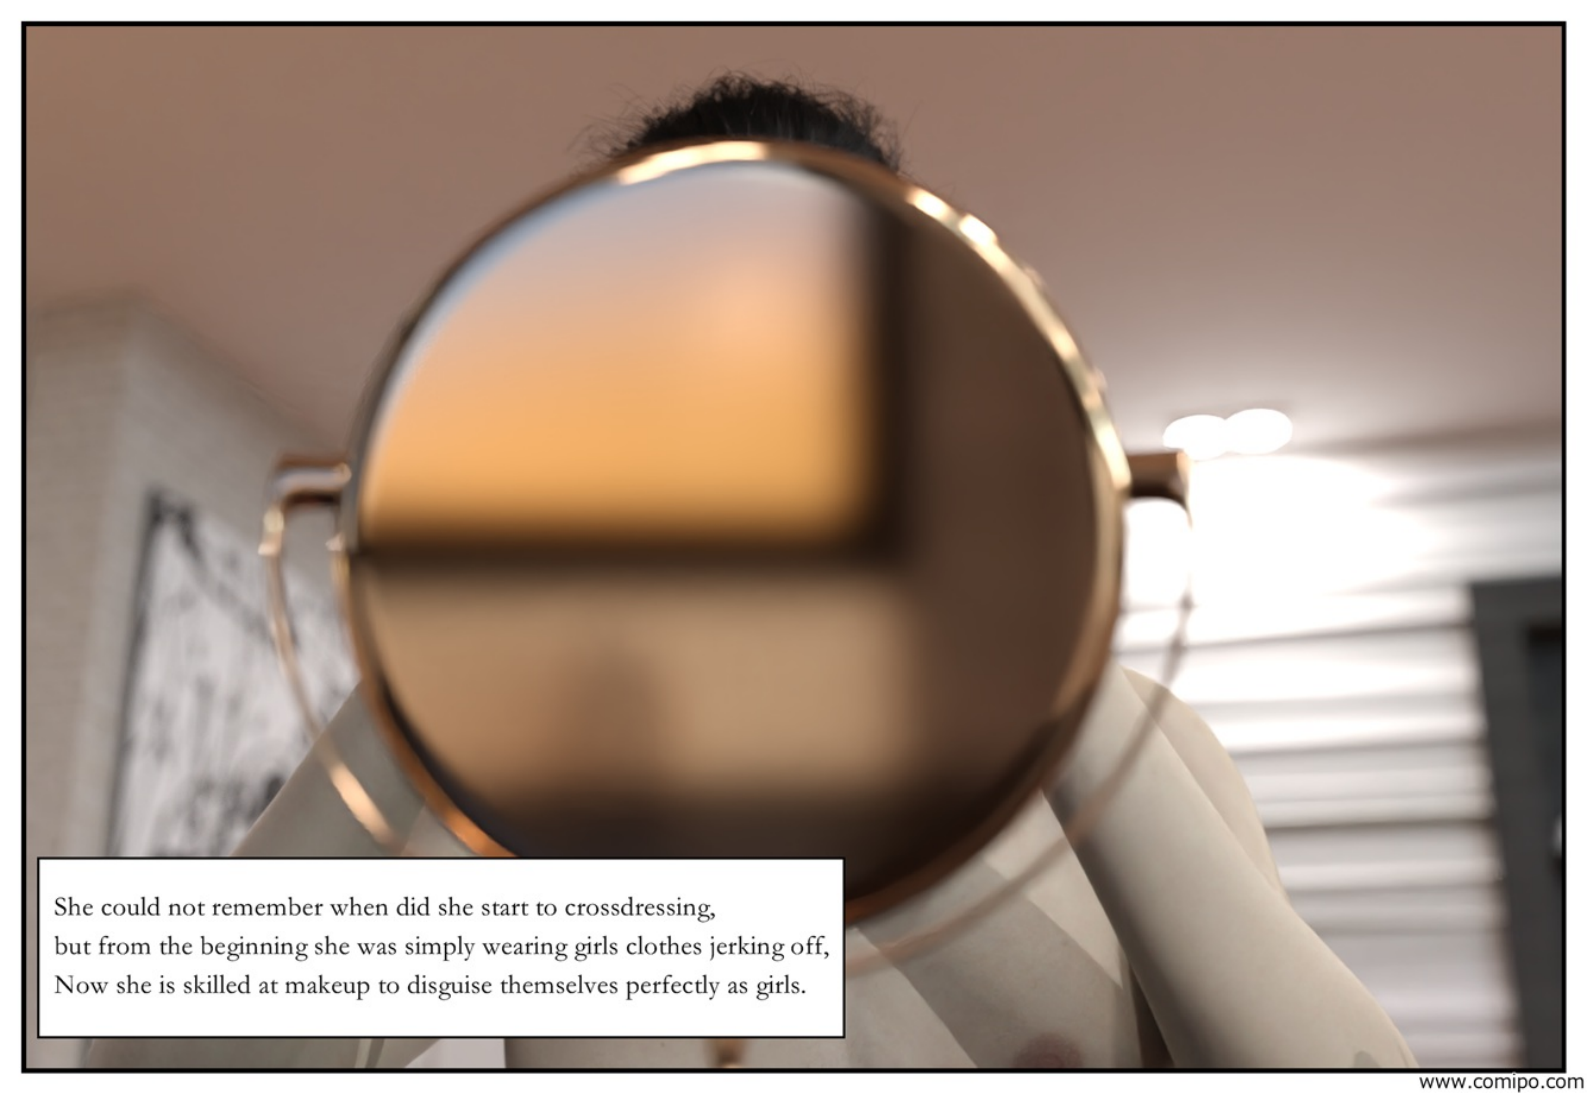

It's been a long time since I fixed them, my eyebrows are so messy!

Lin Zixi looks like an ordinary high school student. If I had to say that there is anything special, maybe he just looks a little more pretty than the other boys. But in fact, in private, he has another side that his teachers and classmates and even his own mother do not know...

Let's fix my eyebrows today too~

That is, he's actually a so-called porn star.  
And most of the time, he appears on the Internet as a girl,  
also known as a crossdresser.

She could not remember when did she start to crossdressing,  
but from the beginning she was simply wearing girls clothes jerking off,  
Now she is skilled at makeup to disguise themselves perfectly as girls.

A close-up photograph of a woman with dark hair pulled back, wearing heavy eye makeup and red lipstick. She is looking down at her hands, which are held in front of her. A speech bubble above her head contains the text "Nails, ok~". The background is a brightly lit room with white walls and a window.

Nails, ok~

When social media became popular, he opened his own account, and occasionally post crossdressing and daily enjoyment at first, but did not bring him many followers.

Until he shared a horny photo of himself, which brought him lot of likes and retweets.

Since then, he has mastered the secret of being popular.

The followers grow at a visible rate, and the content he posts becomes increasingly dirty.

Toenails are almost dry, right?

What wig should I bring and what clothes should I wear today.

Cute style can not go wrong, after all,  
being hit on when wearing the Loita dress before~

This wig is also very suitable ~  
Okay, that's it~

With the rise in his follower,  
he also received a lot of private messages  
from people who wanted to have sex with him.  
Although he had some concerns at first.  
But after seeing the prices offered by many people,  
he finally took that step.  
Making money while also satisfying himself.  
He really can't find a reason to refuse.  
Today, mom is not at home, and the  
richest guy happened to invited him.  
He dressed up for the dating

Hey, even so, it's not really a girl,  
if only I had the opportunity to  
experience it once.

Well, but it's not bad.  
Let's go~

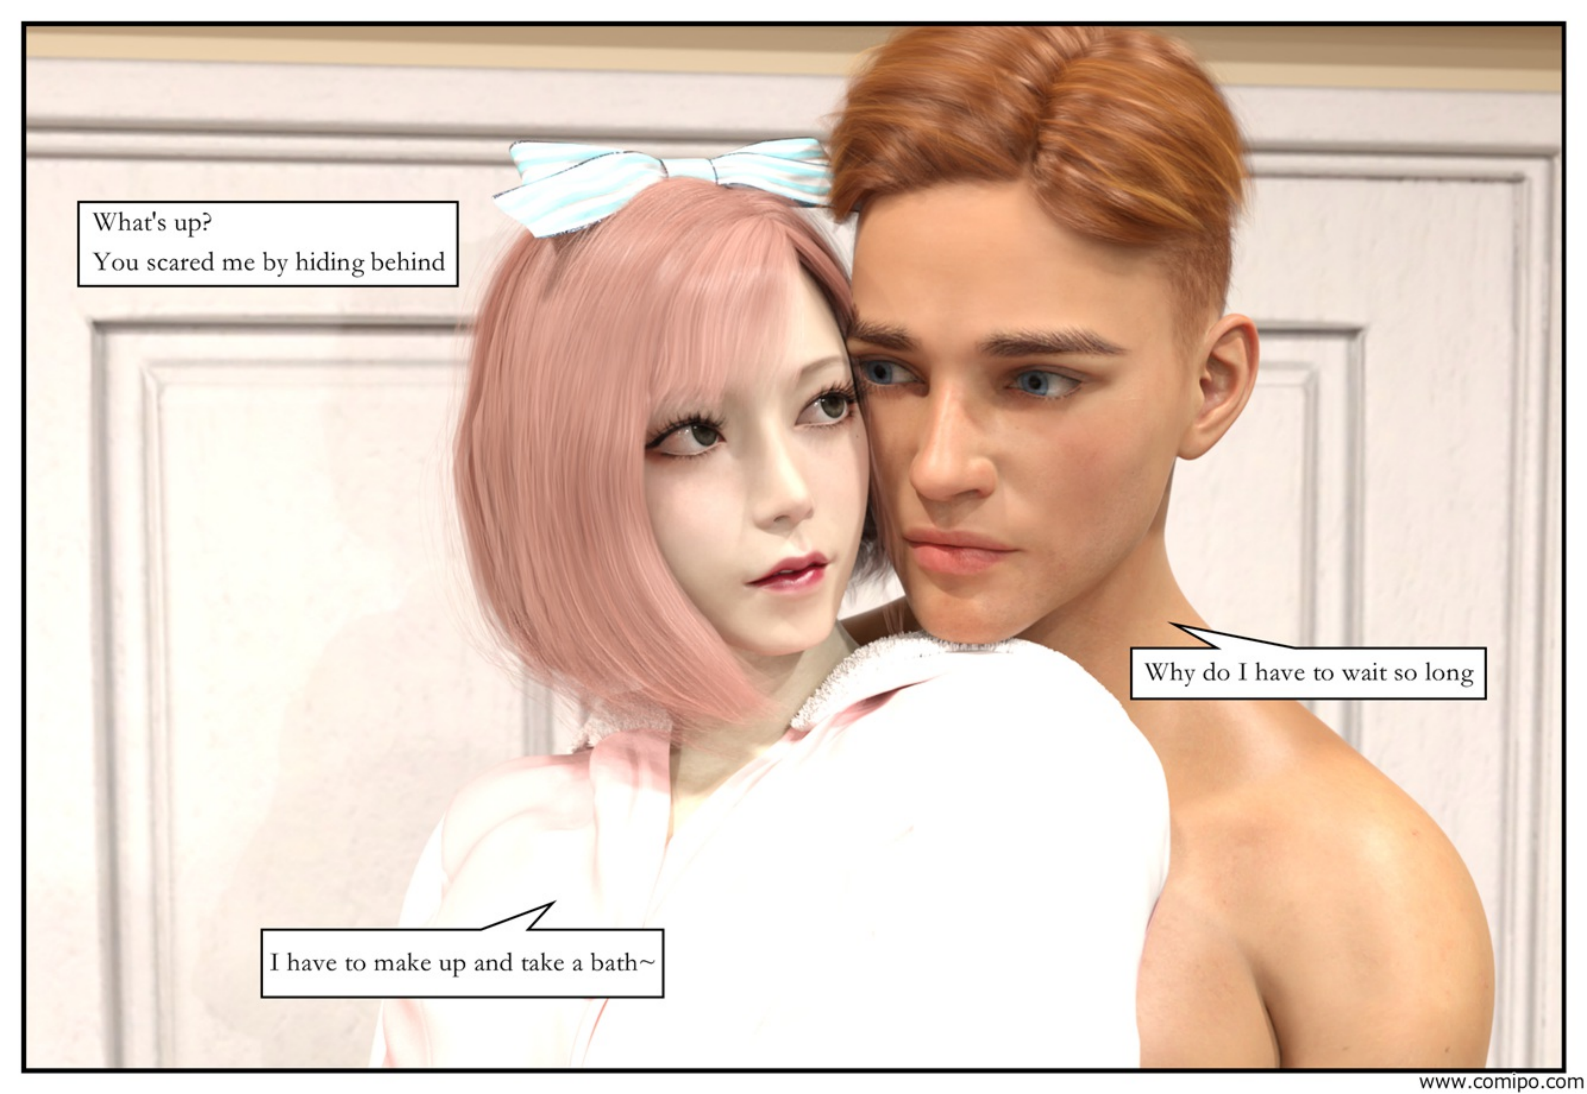

Hmm? Nobody here

Miss me? Lin?

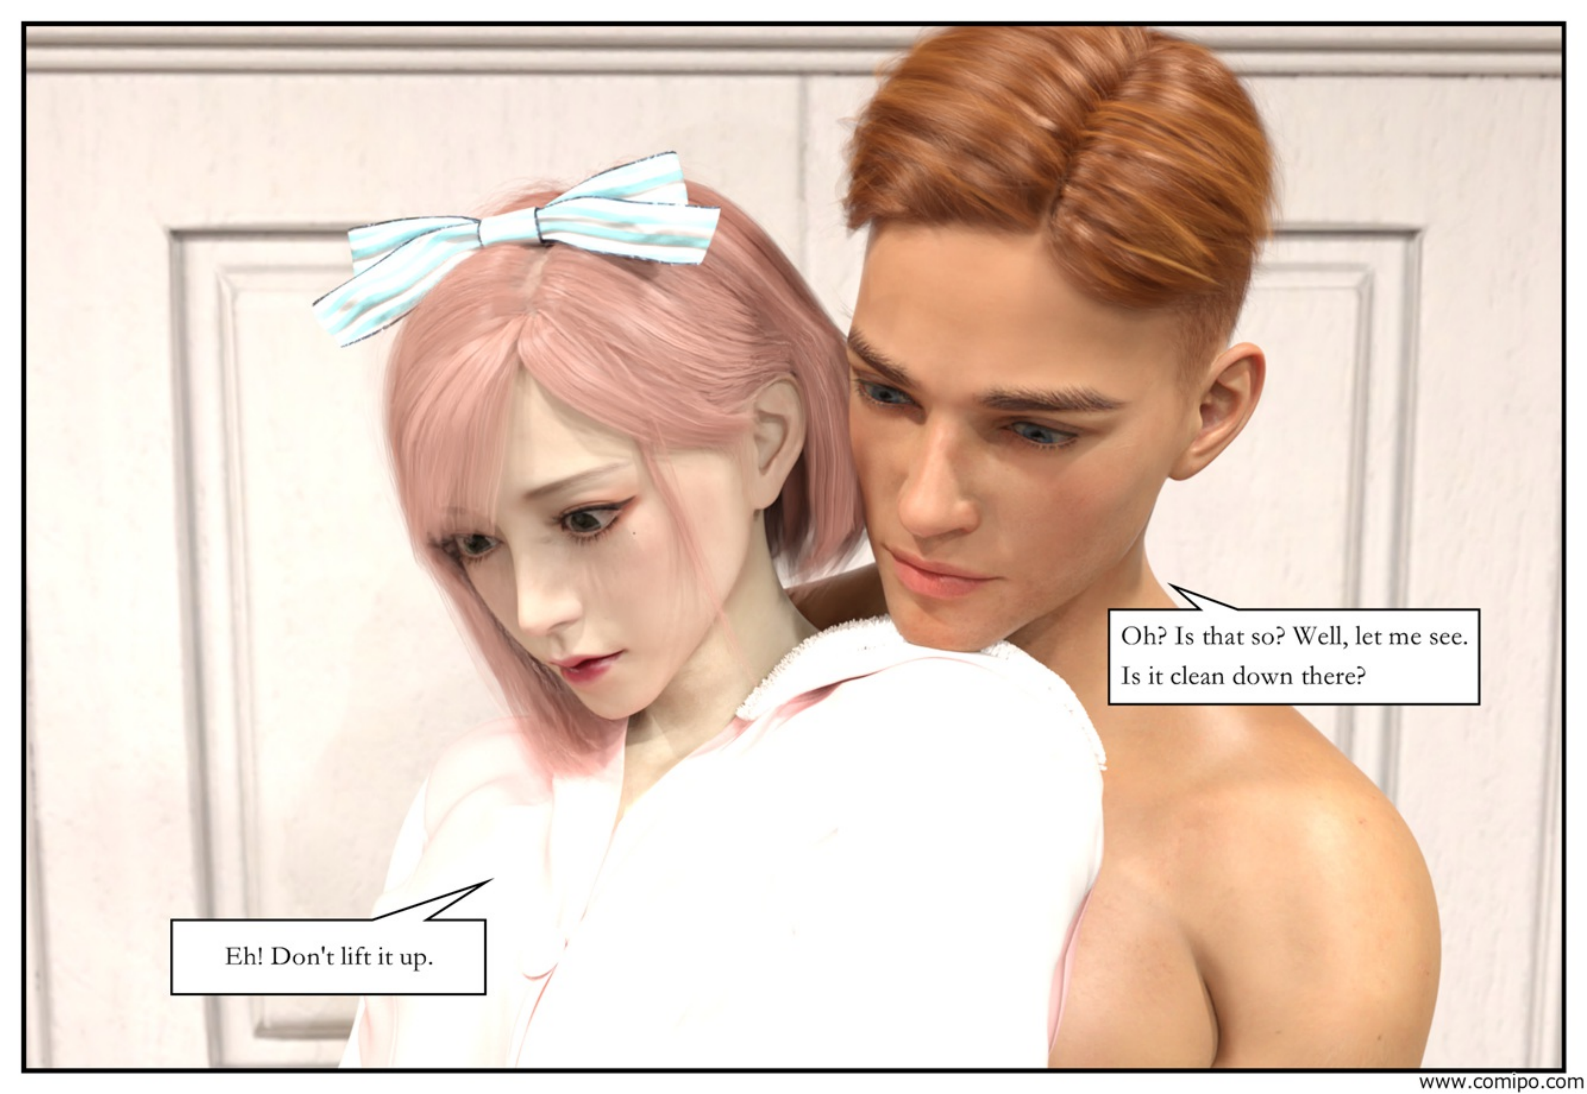

Ah!

What's up?  
You scared me by hiding behind

Why do I have to wait so long

I have to make up and take a bath~

Eh! Don't lift it up.

Oh? Is that so? Well, let me see.  
Is it clean down there?

Wow, wearing such cute pants ah.

I know you like it~

Good, good, good, quick,  
I also prepared the  
sailor suit, put it on..

Okay~

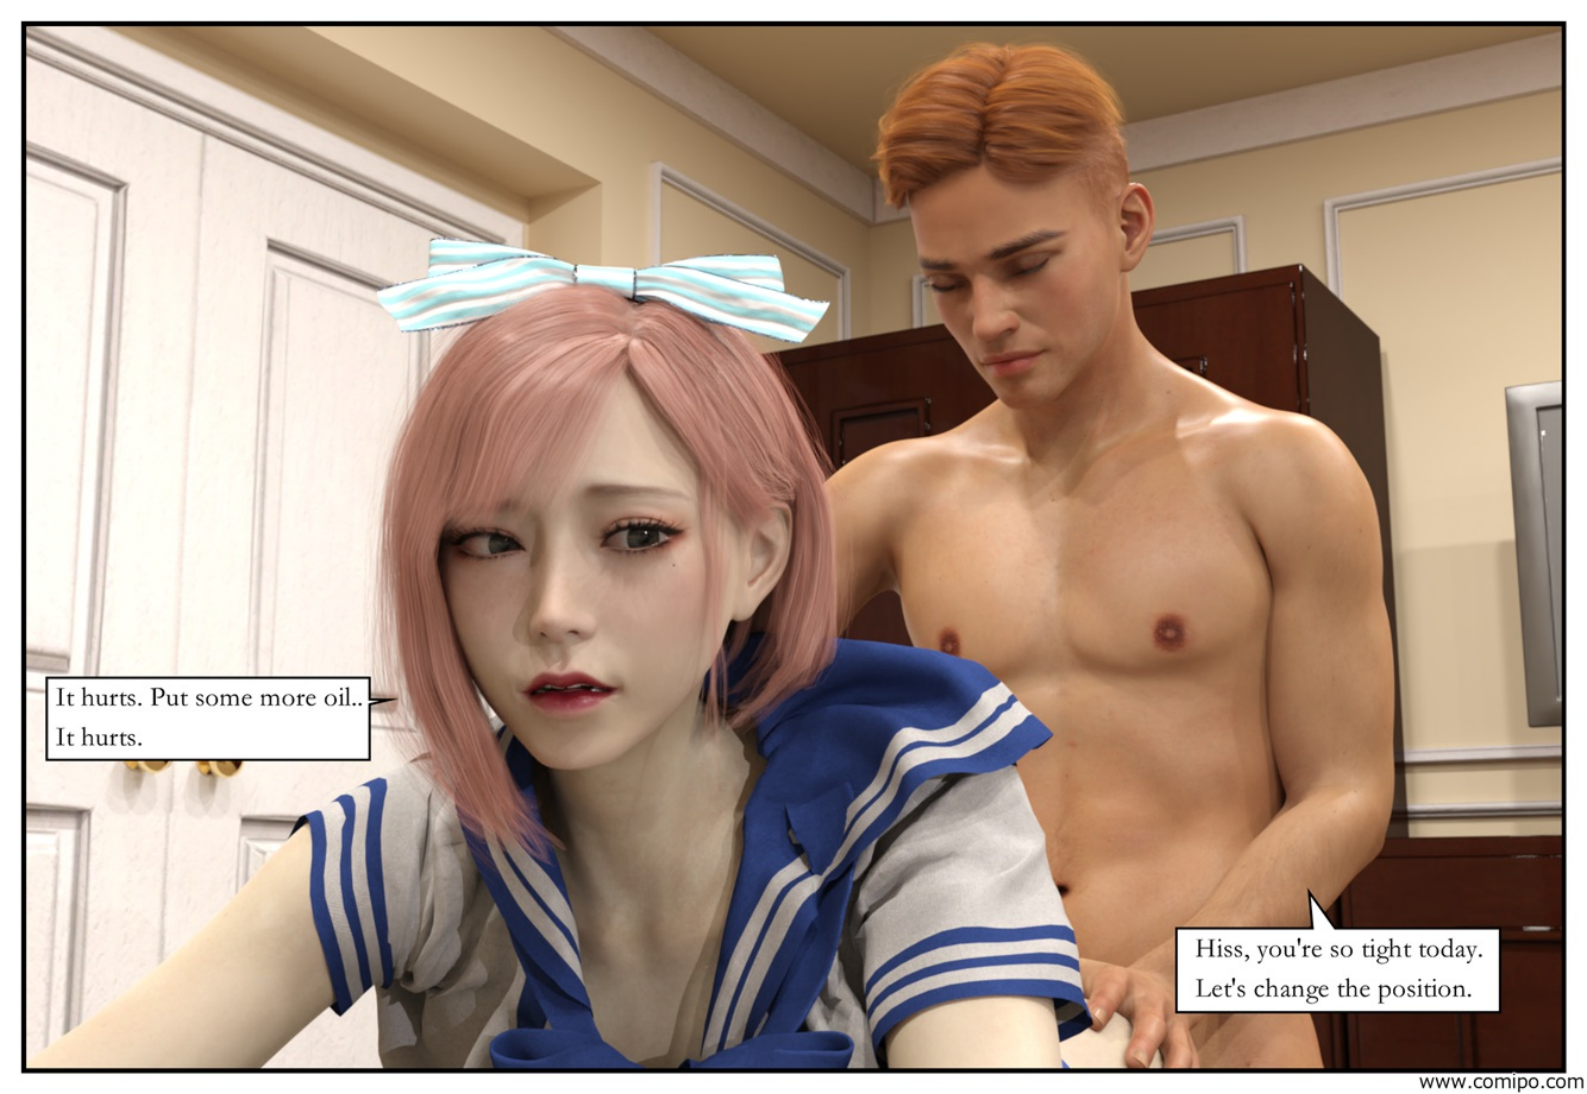

Slowly... Slow down a bit.  
It's been a long time since last time.

Well, know that I will be gentle.

En..

It hurts. Put some more oil..  
It hurts.

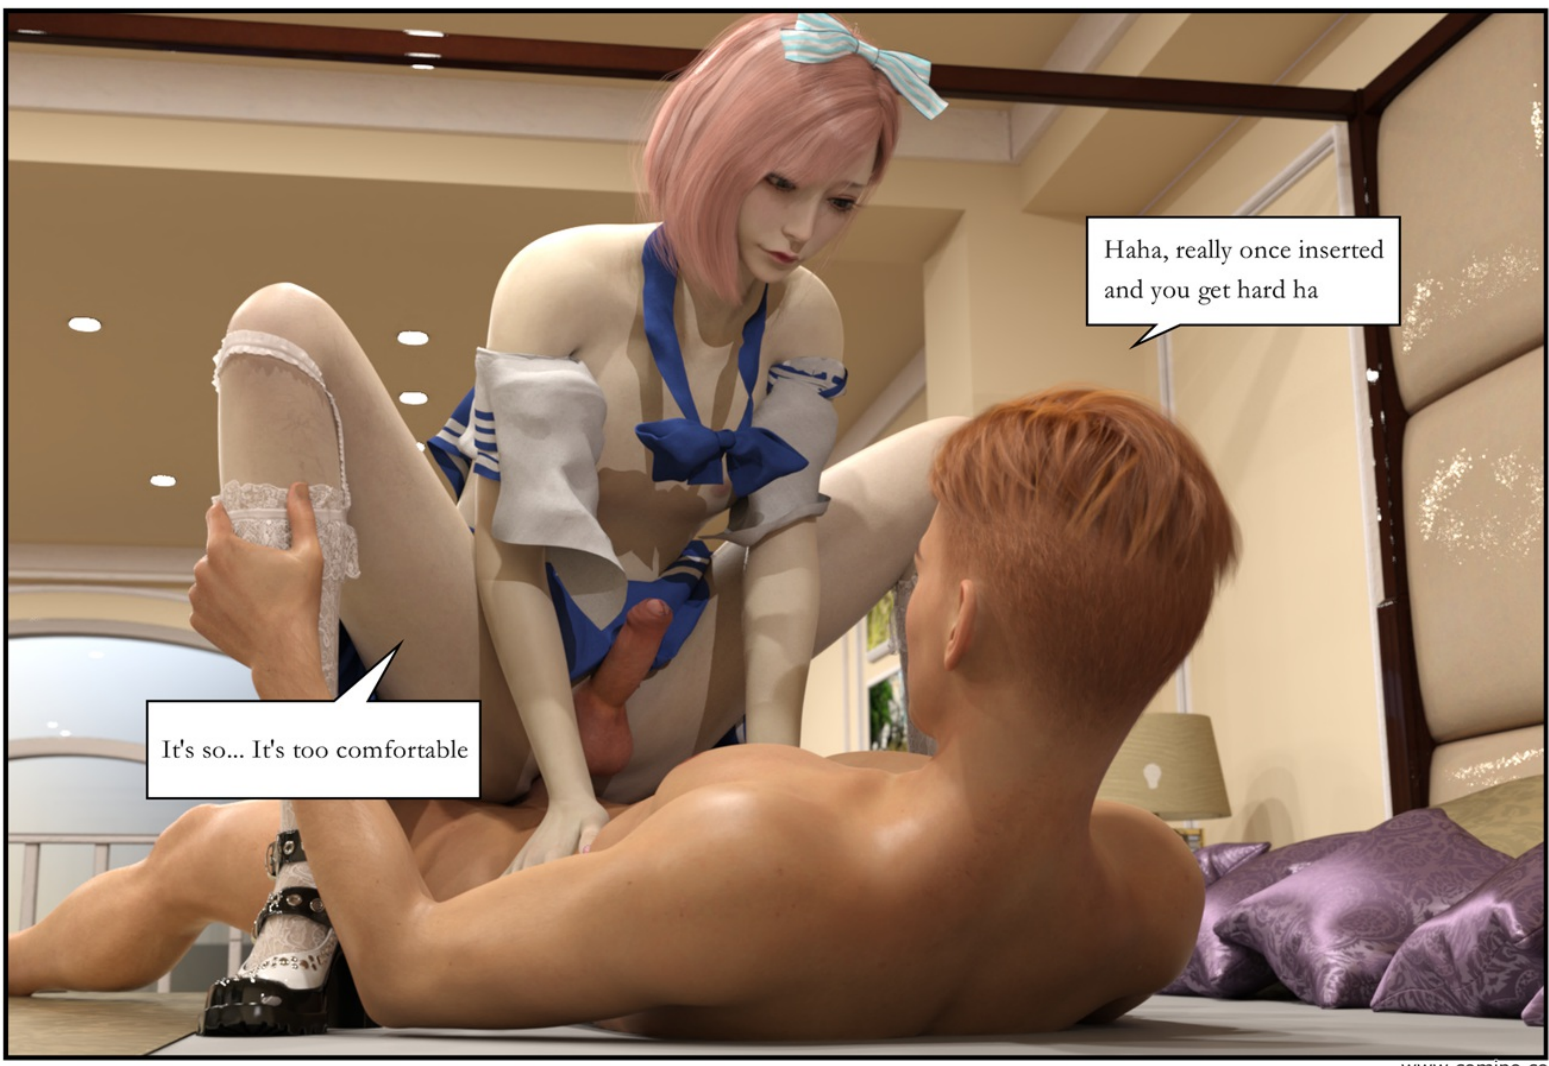

Hiss, you're so tight today.  
Let's change the position.

Going in.

Ah, crap. Sit down.

Haha, really once inserted and you get hard ha

It's so... It's too comfortable

Take it easy.

You are on top, you do, do not move so fast ah,  
I, I can't do it to.

I'm also... I'm going to cum too~

No, I'm cumming!

A 3D rendered character with short pink hair and a light blue bow, wearing a pink and white cheerleader-style outfit. She is carrying a yellow bag and looking down. A speech bubble is positioned to her left. The background features a wooden floor, a staircase, and a wall with a black and white abstract pattern.

Damn, so much  
ejaculation in my body...

A 3D rendered character, likely a cheerleader, is shown from the waist down. She is wearing a pink, pleated skirt with dark brown trim and white lace thigh-high stockings. Her hands are clasped in front of her. A speech bubble points to her lower body. The background is a modern living room with a white brick wall, a dark wood TV stand with a television, and a dark grey sofa. A floor lamp is visible on the right.

And took my underwear away...  
The semen was dripping down my legs.

What are you talking about!

Mom? Mom!  
I thought you said you  
weren't coming home tonight!

Come on... , drink!

... Scared the hell out of...  
ly, she was drunk...

Why did you drink like this...  
The clothes are also messy...

At least take your shoes off and lie down properly.

This is..

Mom just took off her panties...

Mom's clothes can be said to be his initiation of crossdressing. But after growing up, he likes to spend money on his own clothes. However, seeing the underwear that his mom just put off he has strange impulsion.

Ah, this is the taste of mature women ...  
If I wear it... I will also be  
tainted with this smell, right?

\*Pumping\*

By the way, I remember there should be...  
The underwear she changed out of earlier.

Sure enough, hey, it's been a long time since I wore my mom's clothes.

It would be nice to have boobs to hold up.

As soon as the words left his mouth, a strange sensation filled his chest. That feeling was something he had never experienced before, not to say that it hurt nor was it comfortable.

AAA, this is...

Uncomfortable...

\*Expansion

\*Expansion

Ah? How are the boobs... Wait...

This feels... It's not over yet.  
Hiss... So strange...

\*Expansion

Ah? What the hell is this...  
Are these my boobs?

He looked in the mirror in panic,  
and in the mirror he did indeed  
have a pair of huge, plump breasts.  
And the soft warmth and touch of his hands  
reminded him of the reality of these breasts  
unlike previous prosthetic breasts.

Why did it turn out like this?  
Is it because of the wish I made  
when I put on my mom's underwear?  
In that case... Try this again?

Eh, if only there wasn't a bulging penis  
It would be nice.

Although he only complained with the attitude of trying,  
but sure enough, the same feeling as just appeared in his lower body.

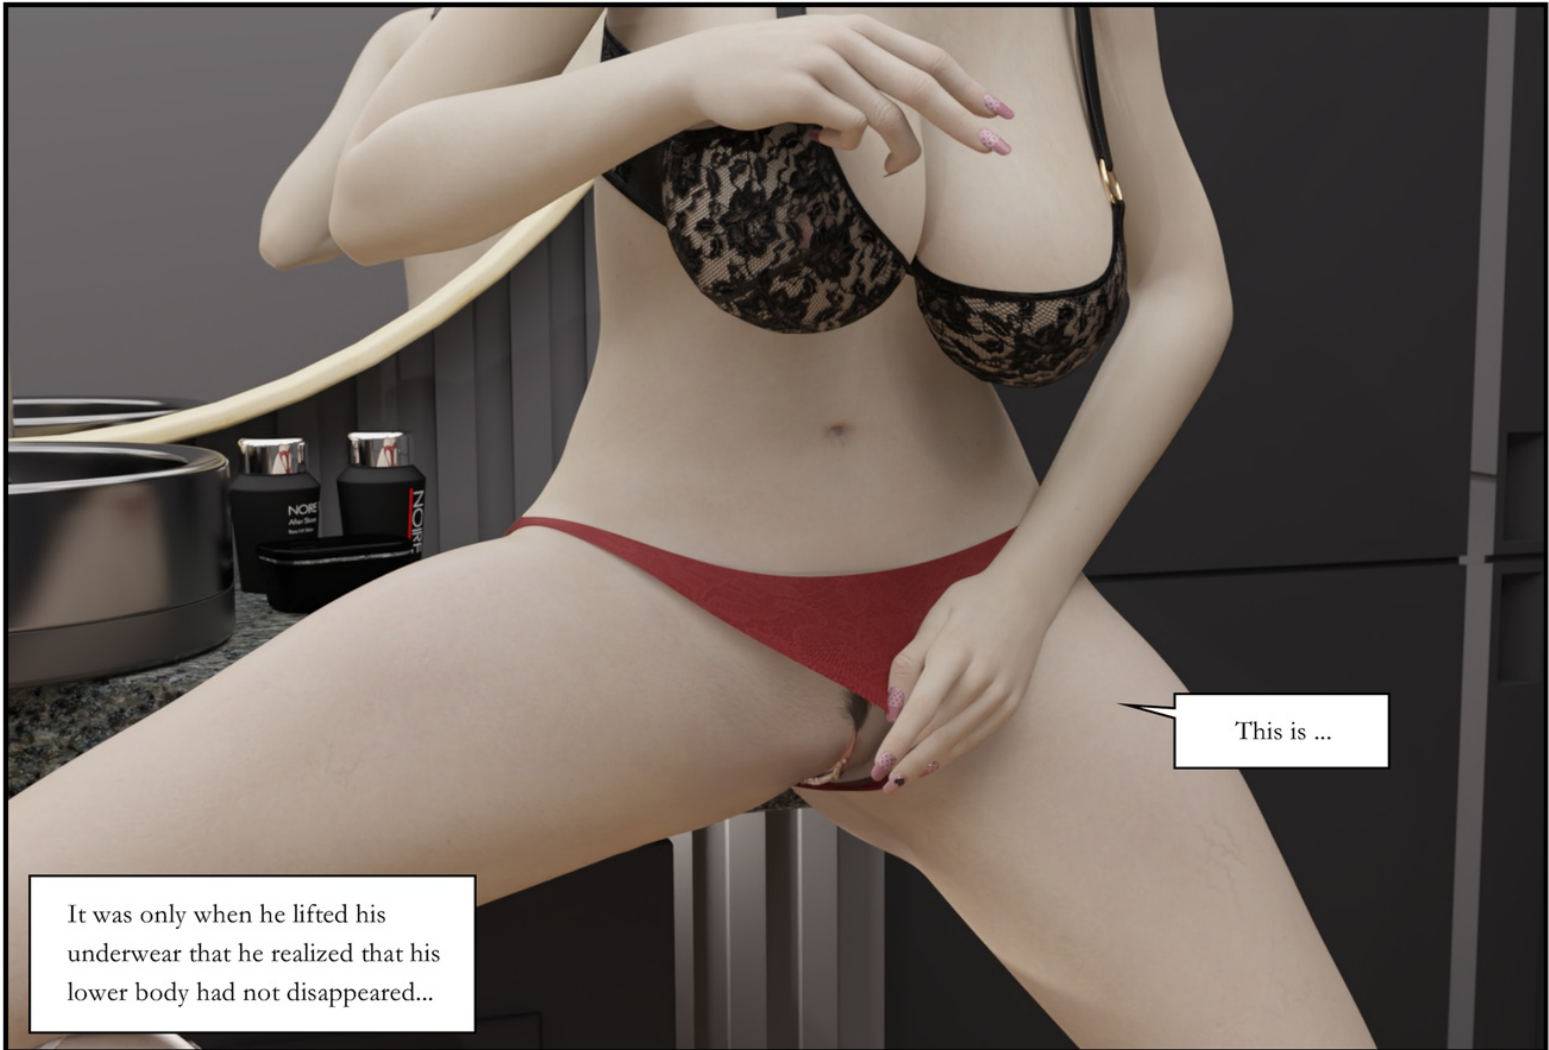

Shit shit, Oh my god.

His lower body just disappeared in front of his eyes.

Oh my God, my dick.  
It's gone?  
How am I supposed to pee then.

This is ...

It was only when he lifted his underwear that he realized that his lower body had not disappeared...

Instead, it becomes a woman's pussy.

pussy....?

Although he grew up fantasizing many times to become a woman. But when this really happened it was still quite astonishing to him. And he's still curious about how it all happened. He only secretly put on the clothes that his mother wore. How did he become a woman?

He suddenly remembered that he had previously read novels in which he could swap corresponding body parts by putting on clothes. But can this kind of fantasy really happen in reality?

In that case, wouldn't mom...

After thinking about it, he decided to go to the living room to take a look. See if there are any changes in mom's body.

Wow, is this what breasts feel like.  
So strange. Hehehe.

Luckily, mom didn't seem to wake up...

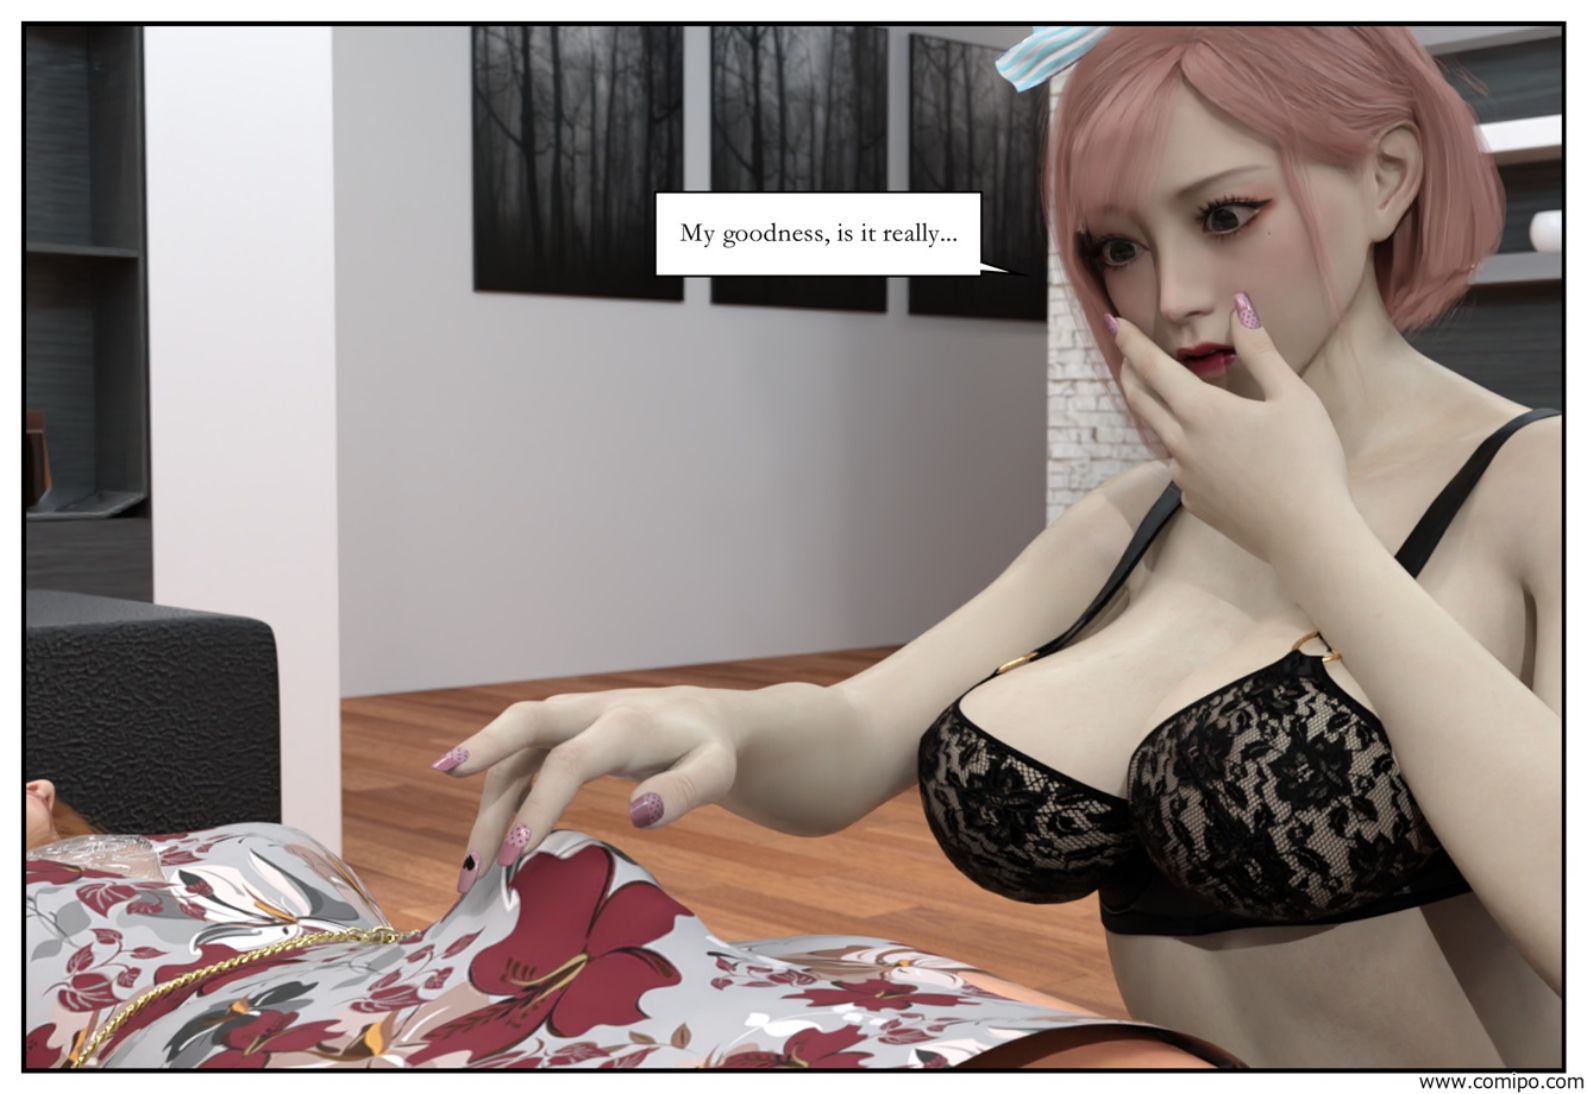

No! Mom!  
Does it mean...

\*dashing

A 3D rendered female character with short, wavy pink hair and a light blue hair tie. She is wearing a black lace bra. She has a surprised expression, with her right hand near her face and her left hand resting on a patterned surface. The background shows a modern interior with a wooden floor and framed pictures on the wall.

My goodness, is it really...

Sleep so dead, she should not wake up.  
This... Even the breasts are so flat...

\*  
掀  
开

It's!... My dick?!

\*晃动

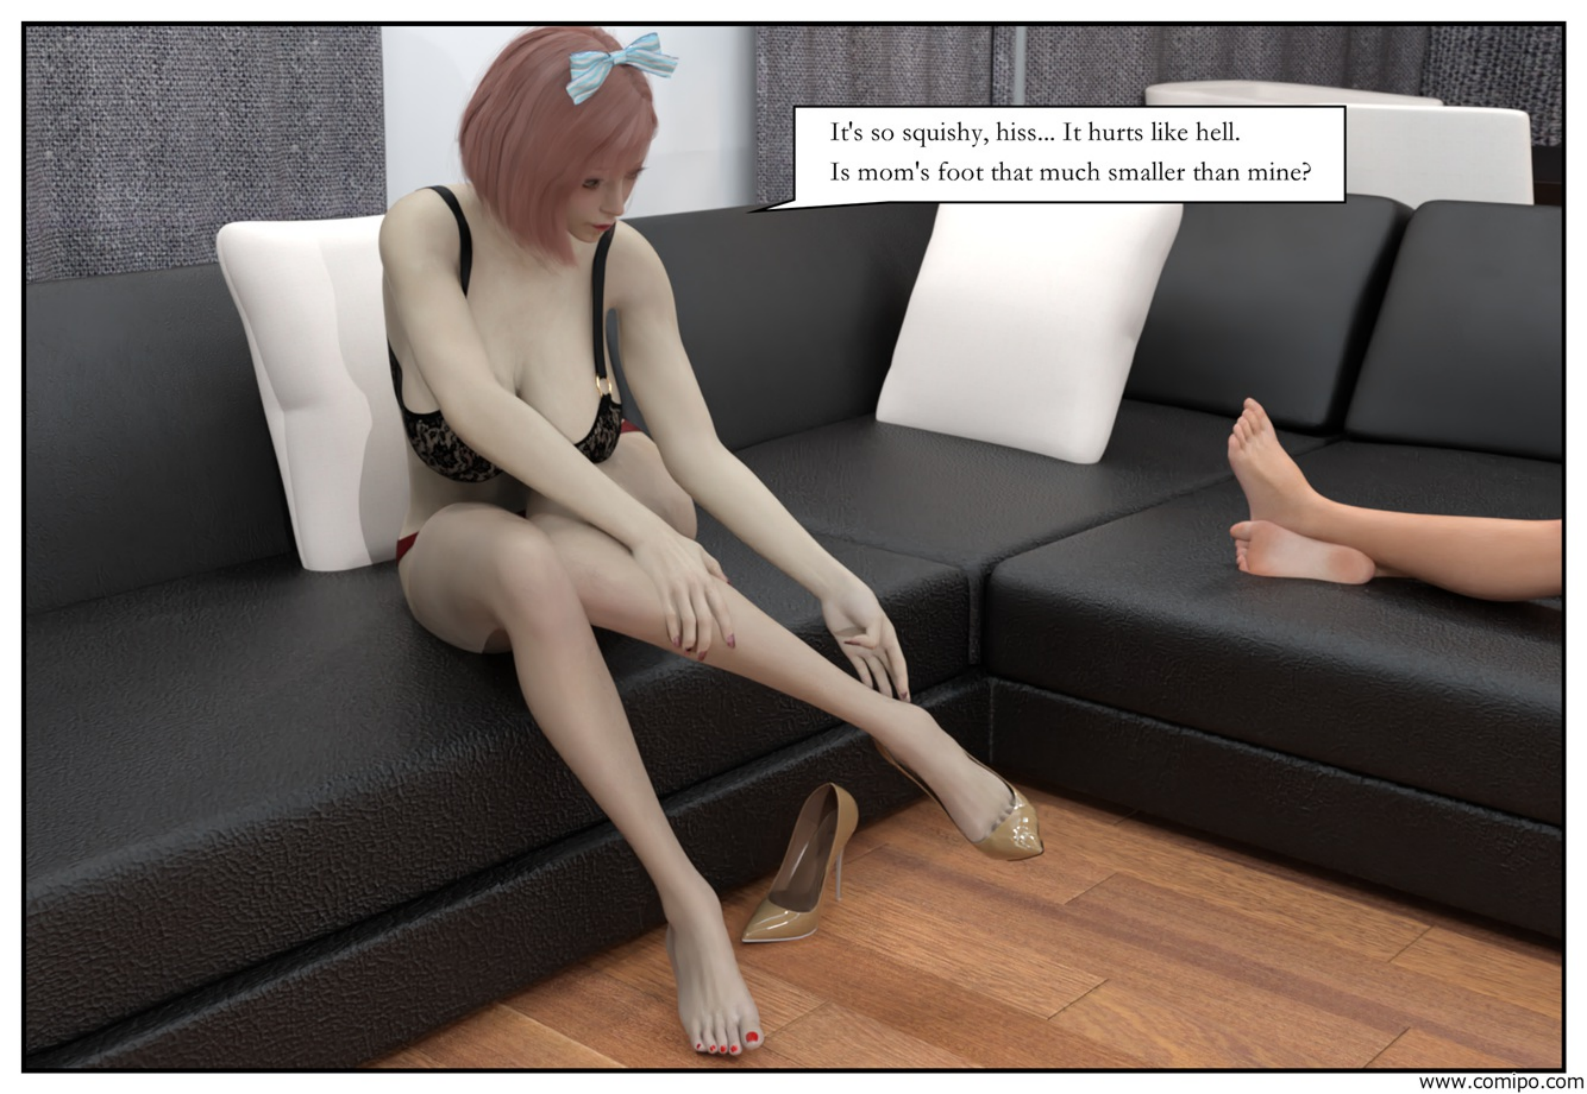

In that case...  
It's really mom's boobs.

In that case...

Let's experiment with mom's shoes again.

It's so squishy, hiss... It hurts like hell.  
Is mom's foot that much smaller than mine?

Really eh, much smaller than me oh.

Ahhhhhhh, the feeling, again.

Wa...

growing

\*shrinking

Pfft, it's really turning into my big foot.

Now you can wear your mom's  
size 7 heels without stress.

Haha, it's so comfortable. Just right~

Although only the breast,  
the bottom and feet have changed.  
But I am now very much like a woman eh.

The waist is a little thicker than the girls, but good enough.

But such good-looking boobs  
Not every girl has ah hehe.

But now since the body is so mature.  
The wig should also be replaced  
with a more mature one, right?

A close-up shot of a woman with long, wavy black hair. She is looking down and to her left with a slight smile. She is wearing a black spaghetti strap top. The background is a textured grey wall. A speech bubble is positioned in the upper right corner of the frame.

This black big is much better.  
And what a surprise,  
I found a intresteing stuff in my mom's room.

A woman with long, dark, wavy hair is sitting on a white chair. She is wearing a black lace bra. She is holding a large, realistic-looking dildo with a pink and black body and a dark, curved base. The background is a grey, textured wall.

Mom's toys are really, really wild.

But just by looking at it, the pussy becomes itchy..

Finally, I can experience the feeling of a woman.

Aha, gosh, this feels...

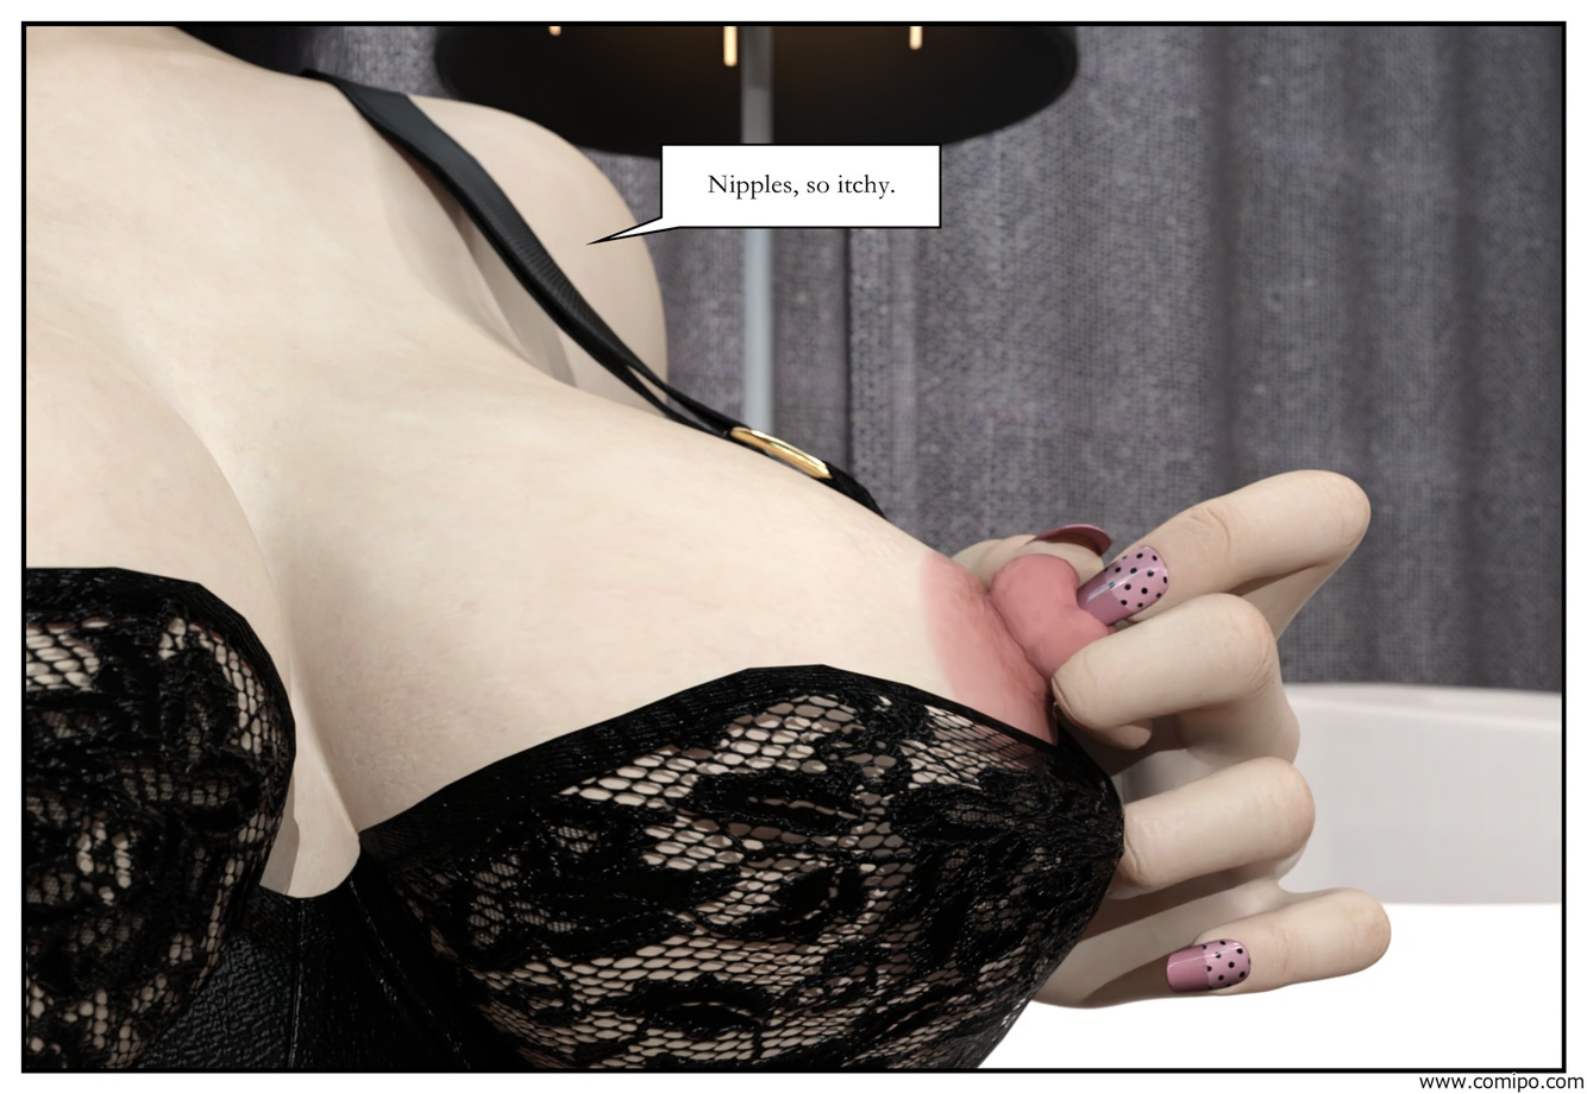

All in... My head, it went blank.

Ah, no, still want more...

A woman with long, wavy, dark hair is shown from the chest up. She is wearing a black lace bra. Her right hand is resting on her left breast. A speech bubble points to her chest area.

The nipples have also gotten bigger.

Nipples, so itchy.

I can't, the whole body is slutty.

I want to be fucked hard by a real dick.

Mom, I don't think she will wake up...

It is said that forty women are the most horny.  
He now knows how eager a nearly forty-year-old  
woman is for cock when she is in heat.

She seems to be sleeping very well,  
so it should be okay

ZZZ~

Although his mother sleeping,  
just by touching the hot dick,  
Lin Zixi could also feel his lower  
body responding fiercely.

Oooh wow, it's hot.

Mom, what are you thinking about?  
How come it's so hard all the time?

Ah... It's... This feels...

The pleasure of being filled with her own meat stick was more complex than the dildo she had just used. The violent pleasure almost made Lin Zixi scream out.

Eyyy...!

Afraid of waking her mom up,  
Lin Zixi has to restrain the pleasure in her whole  
body and move her body back and forth with a  
relatively slow speed.

Ha... Ah...  
Well ...

Mom, if you wake up now how will you react?  
But if you wake up now, you do not have  
a position to be angry, after all,  
I appears to be the mother!

Lin Zixi, who was immersed in the role exchange between herself and her mother, only felt a warmth in her vagina.

Oh, what's wrong, my son?  
Why the sad face ...

Crap, no way!

Really? I haven't had enough!

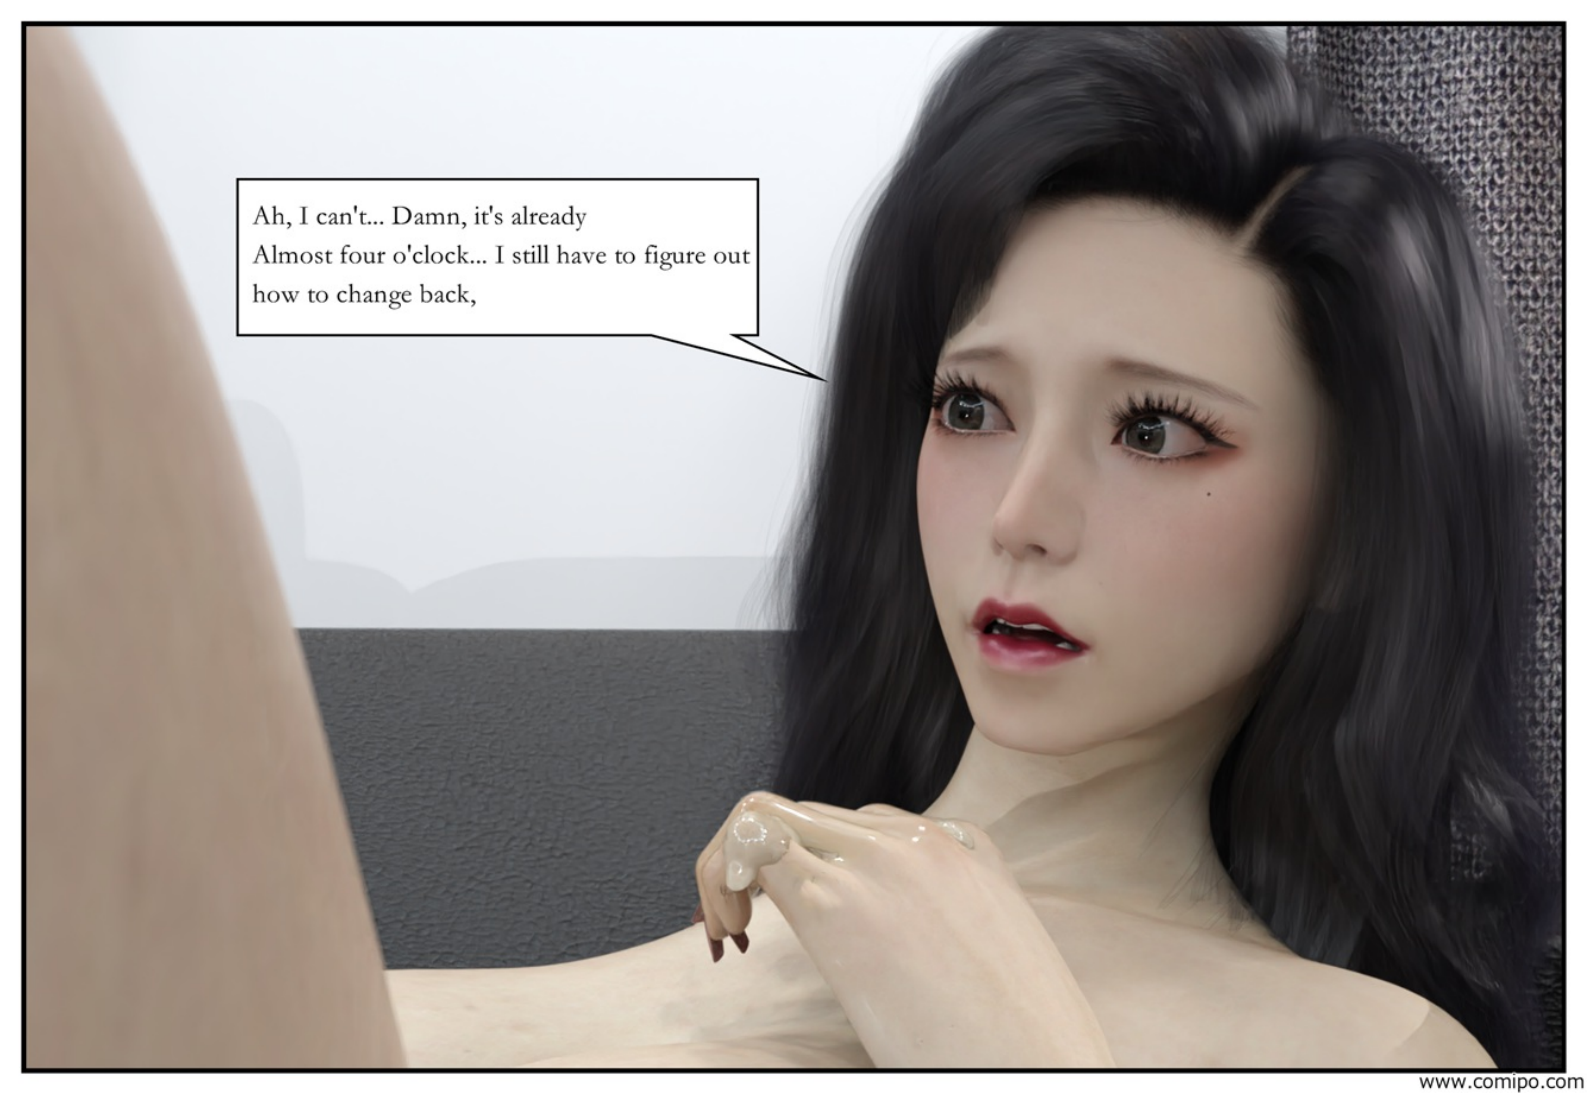

It's obvious that I cummed in the afternoon.  
Why did you ejaculate so much again?

Taste your own semen...  
It's weird... Forget it, let's continue to  
use the masturbation stick to get high,  
it's not easy to become a woman.

Ah, I can't... Damn, it's already  
Almost four o'clock... I still have to figure out  
how to change back,

There is still a whole lot of stuff to pack.  
Every time after cross dressing,  
packing up is so troublesome, hey.

Morning

Hiss... What a headache.  
How did I get back last night?

My stomach feel so bad...  
I seem to have had a strange dream last night.

Just woke up the mother of Lin could not help but recall the absurd dream she had last night. In the dream she become a boy.

This is..

Is this a dream?  
How did I become a boy?  
And look so young?

A woman with dark hair tied in a bun is sitting on a dark grey sofa in a modern living room. She is nude and has a large, pink, penis-like object protruding from her crotch. She is covering her face with her hand, looking distressed. The room features a white brick wall, a large TV, and a dark wood cabinet.

Really become a boy.  
feet are still so big.  
What do I dream about?

Baby, mommy is back early...  
Oh! Really, why don't you get  
dressed when you're home alone?

You are? Huh? Mom?

Put your clothes on, quickly.  
You haven't eaten yet, have you?  
Mom will cook for you..

What a messed up dream this is.  
I turned into my son, my son turned into me haha.  
But having such an amazing dream,  
who want to eat.

pared to mom's din

What's wrong baby?  
All of a sudden...

\*Grab

I want to eat my mother's bottom

Really, nonsense again.

Good son, mommy is so uncomfortable like this  
Let's go to the couch, okay.

Baby you are good at licking, mommy is so comfortable ah.

Mom is soaking wet down there.  
Put your cock in quickly, OK.

Ahhhhhhh~

Be gentle,.  
Mom's tits are being deformed.

Let mom guide you on top ~

\*缓缓坐下

Mom likes this position the most.  
The penetration is so deep.

Ah, Bao's waist is so strong ah.  
The top to the mother's uterus ~

Ah, I can't, I'm going to cum!

Uhhhh, mommy felt that too.  
The baby's hot sperm.

Quickly use your mouth to clean your mom's pussy.

Well, umm ~ umm

The sudden appearance of Lin Zixi pulled her back to reality from her memories of the dream.

Ah, Mom, you're awake.  
How much you drank yesterday.

Ah, ahem, it's okay, it's okay.

Ahem, why haven't you gone to school yet?

Thinking back to what I did with my son in the dream. And then look at the son in front of him, can't help but feel a little embarrassed. Fortunately, her son was not able to spy on her dreams. She can quickly pull away from the conversation.

I'll be right there.  
Did you have a nightmare last night?

Take care of yourself!

I want to vomit.

Phew~, it seems not to be found at all  
Ah.

In the school

Okay, class, you can study for  
the rest of this class.  
I am going to have a meeting later.

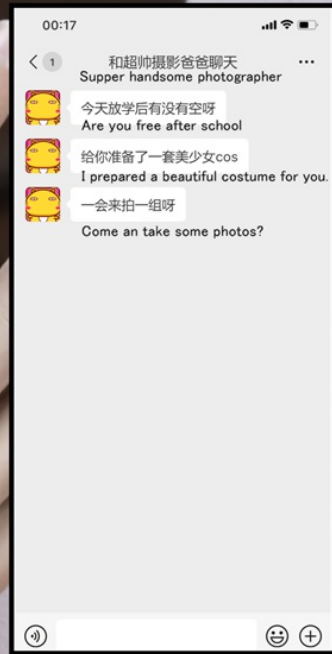

Chen Xin is Lin Zixi's class teacher,  
recently graduated from the normal school.  
She is the first time to be a class teacher.  
Although she has a sweet and cute face,  
she usually dresses conservatively at school all the time.  
She is trying her best to take care every student in her class

Heehee, Twitter has gained over 100 followers again!  
Ah~ happy.

Ah, today ah, but it really has not taken pictures for a long time eh.

A woman with dark hair, wearing a brown corduroy jacket, is sitting at a wooden desk. She has her hands pressed against her face, covering her eyes and forehead, suggesting she is crying or in deep distress. To her right, the lower half of a man in a grey patterned suit is visible. In the background, a red fire extinguisher is mounted on a white wall. A speech bubble is positioned to the left of the woman.

It's over, it's over  
He must said some dirty words.

You! come to my office!

A photograph of a desk setup. In the foreground, a person's hand in a brown sleeve points towards a blue spiral-bound notebook. The desk is cluttered with various items: a white keyboard, a black mouse, a black pen holder with several pens, a yellow folder, and a smartphone. In the background, a large computer monitor displays a green leaf wallpaper and a Windows desktop with various icons. The monitor has 'STZ' written on its bezel. To the right, a black office chair is visible. The scene is lit with warm, indoor lighting.

Explain yourself? Lin Zixi?  
What are you doing every day!  
What do you mean by that?

Why do you want to see my chat content?  
Don't I have any privacy?

How do I know this about you  
without reading your chat?

Now, you can explain to me.  
What the hell are you going to do?

Mr. Chen, is it convenient now?

Yes, Mr.Li

If it's convenient,  
come to the second floor to sign a document.

Okay one second.

I'll be right back,  
you prepare your words to explain,  
or I'll notify your parents.

I'm so annoyed, How can she read my chat..  
This is difficult, how do I have to make up ah.

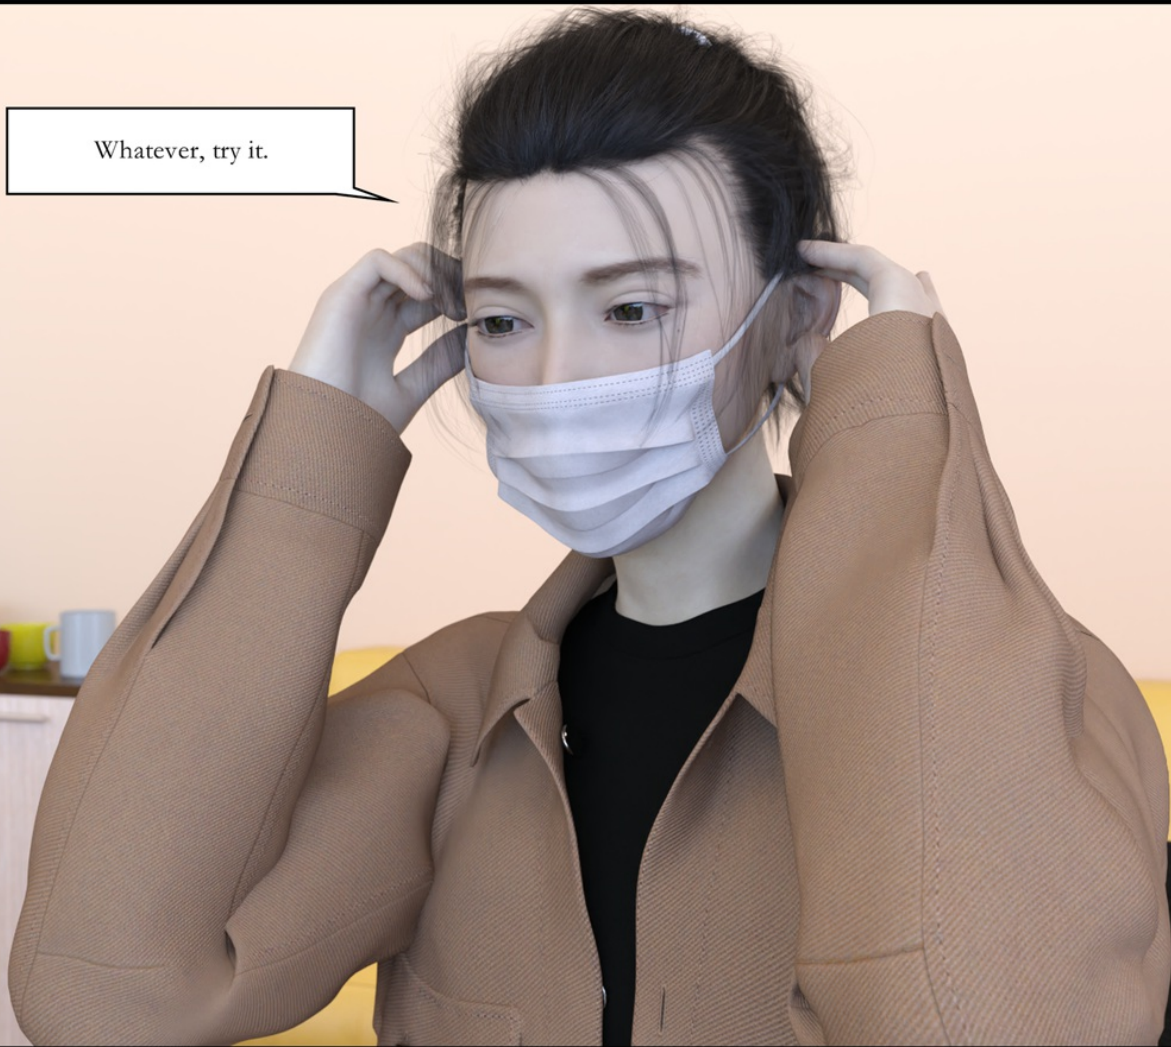

Hmm? This is, Mr. Chen's mask?

If I put it on, will it be like last night  
like that ....

Whatever, try it.

A woman with dark hair, wearing a tan jacket and a light blue face mask, is shown from the chest up. She has both hands raised to her face, covering her eyes and nose. Her expression is one of distress or embarrassment. The background is a brightly lit room with a yellow sofa, a white cabinet with a water cooler, and a small table with colorful mugs.

Ah! Crap, the feeling, again!

Thank you, Mr. Lee.  
And for your mask.  
Look at me, I always forget to bring it.

A 3D rendered woman with dark, wavy hair, wearing a pink face mask and a grey and black outfit. She is standing in an office environment with a bookshelf and a bulletin board in the background. A speech bubble is positioned to her left, containing the text: "Have you thought of an explanation? Or should I just notify your parents?".

Have you thought of an explanation?  
Or should I just notify your parents?

Oh my God, you... Who are you?

!!

Are you so surprised to see your face, Ms. Chen?  
There are even more amazing things.  
Come here, I'll give you a demonstration.  
However, I need to borrow your clothes ~

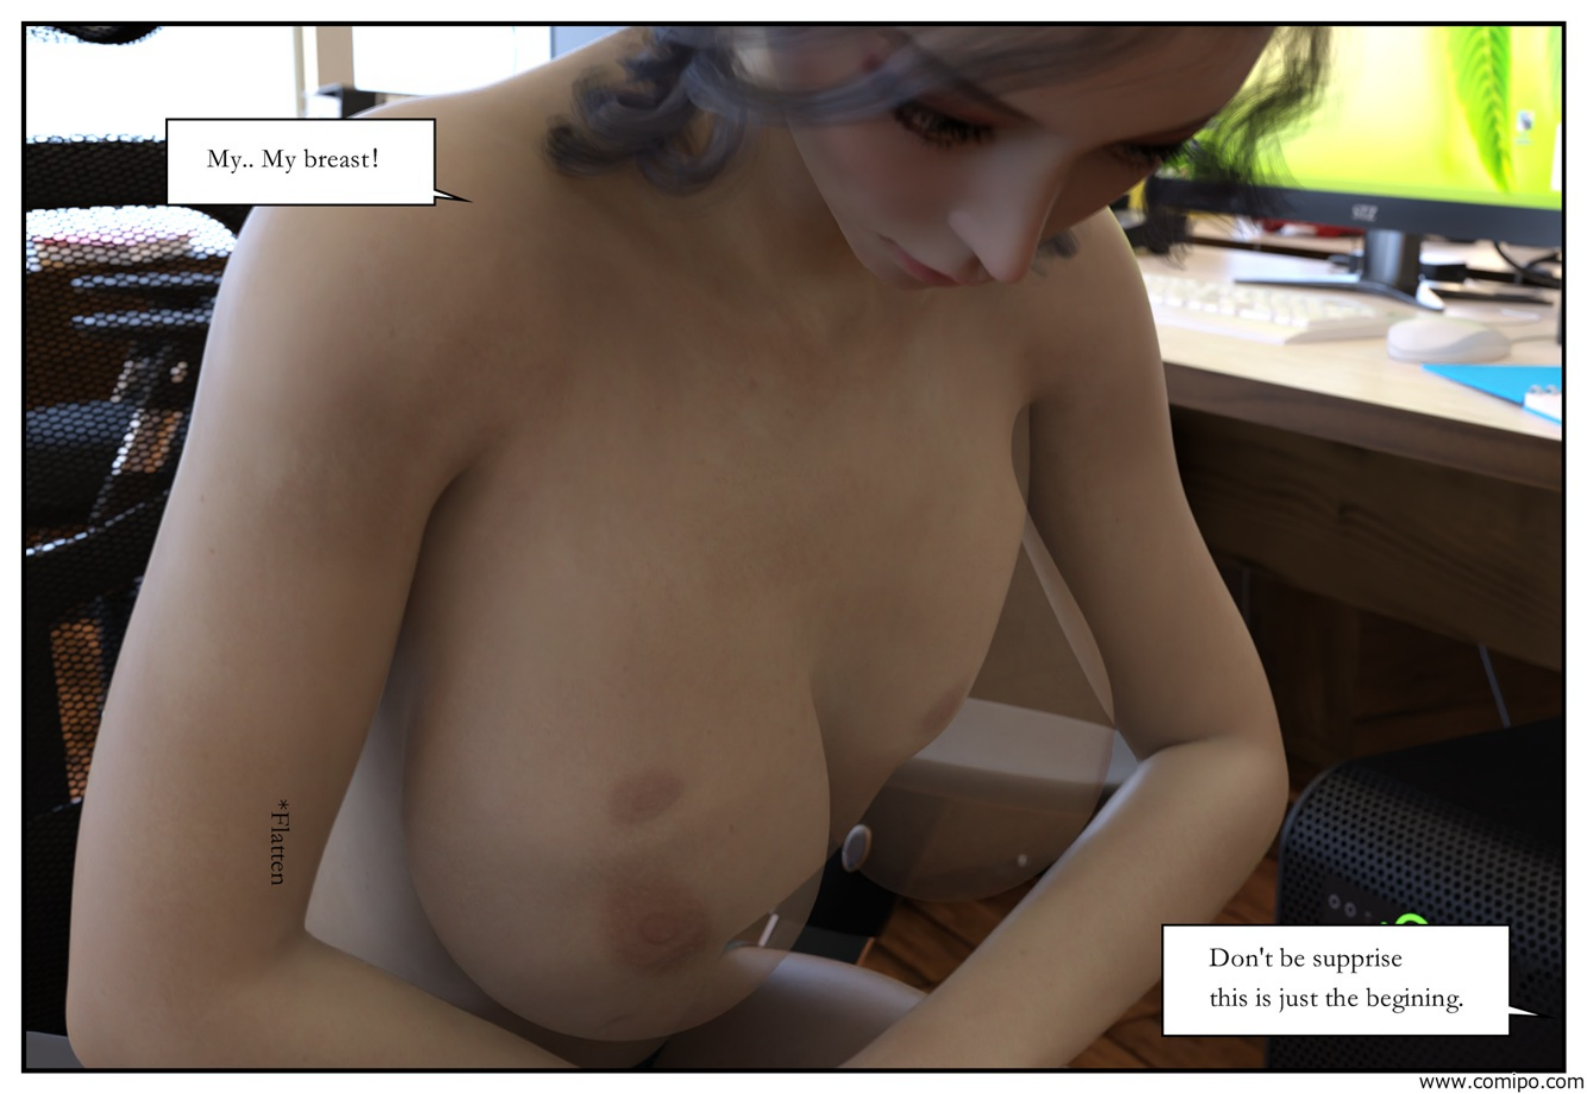

It's awkward to watch a man's body wearing your face, isn't it? Just watch !

Ah, this feeling, so strange,  
don't you think so Mr. Chen.

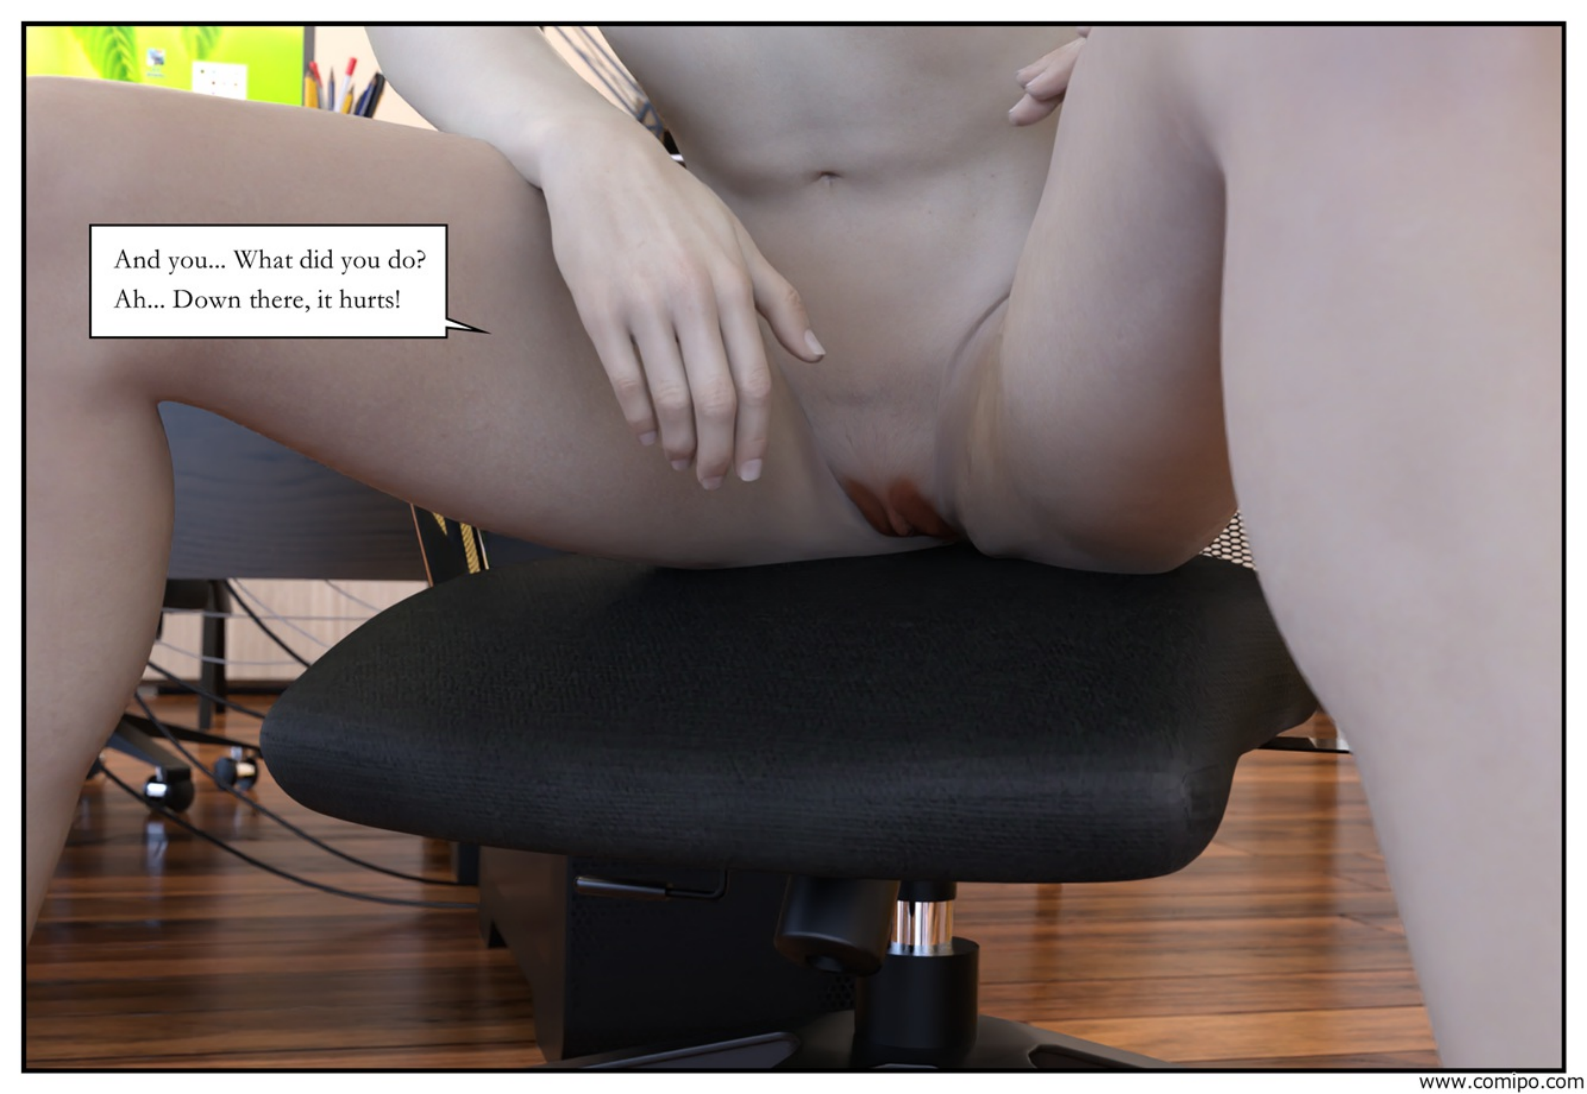

\*expanding

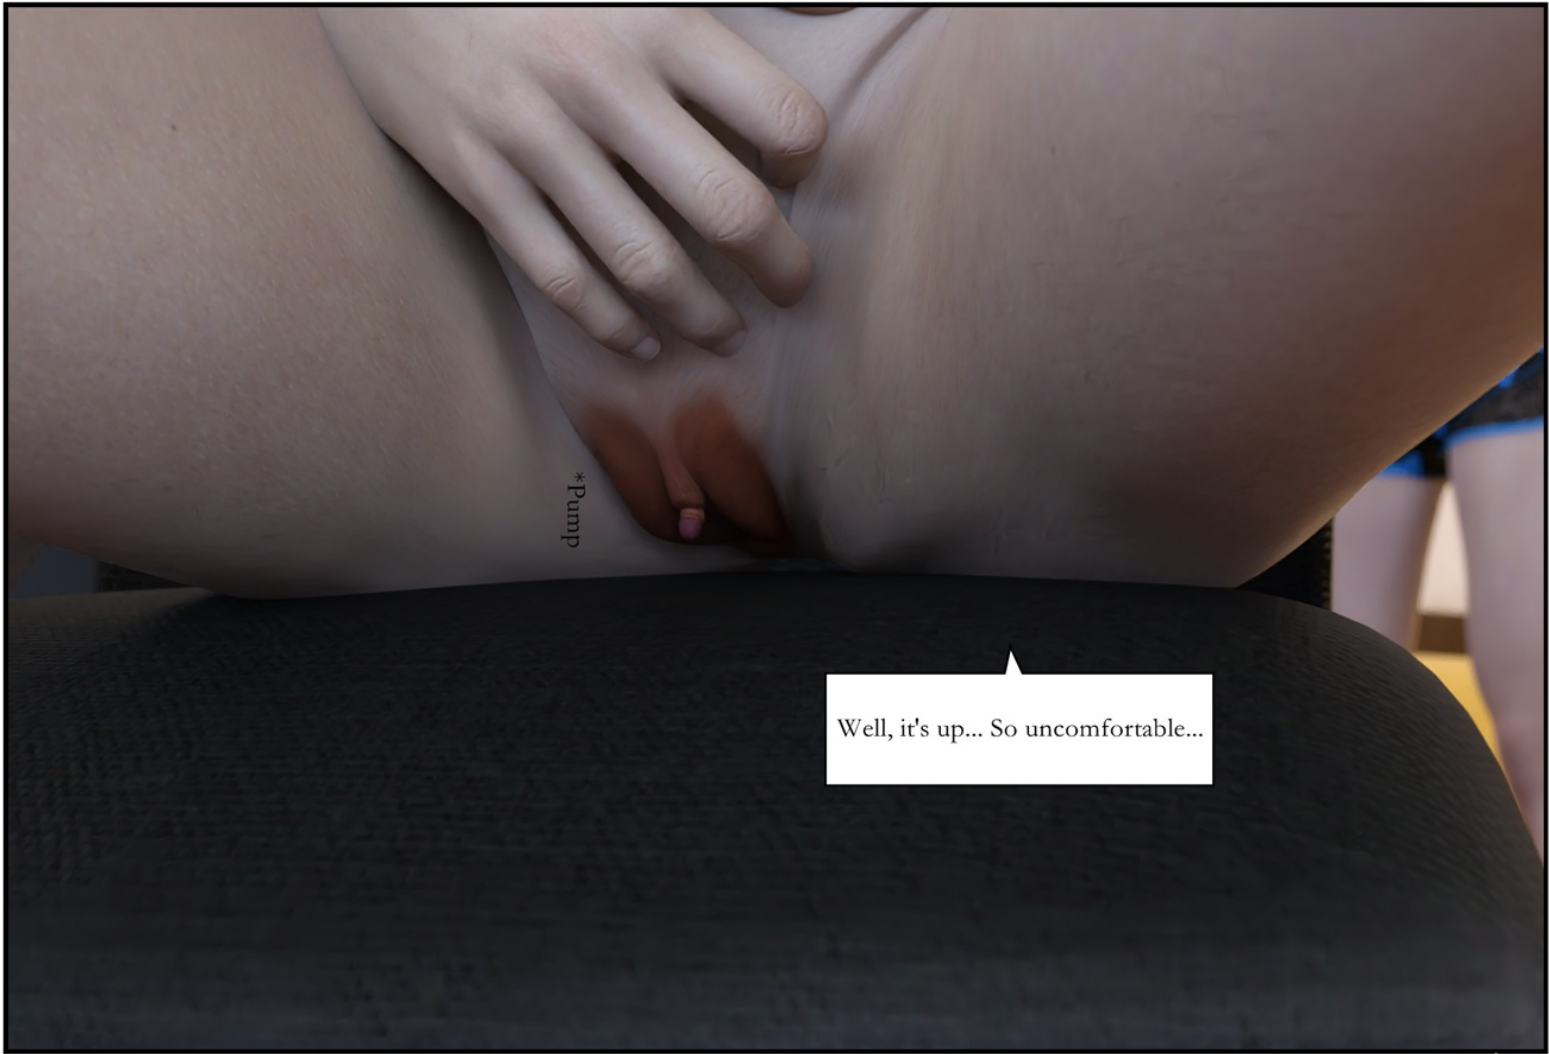

My.. My breast!

\*Flatten

Don't be surprise  
this is just the begining.

A photograph of a person sitting on a black office chair. The person is shirtless and wearing black leggings. Their hands are resting on their hips, and they appear to be in discomfort. A speech bubble is overlaid on the image, containing text. The background shows a desk with a computer monitor and some office supplies.

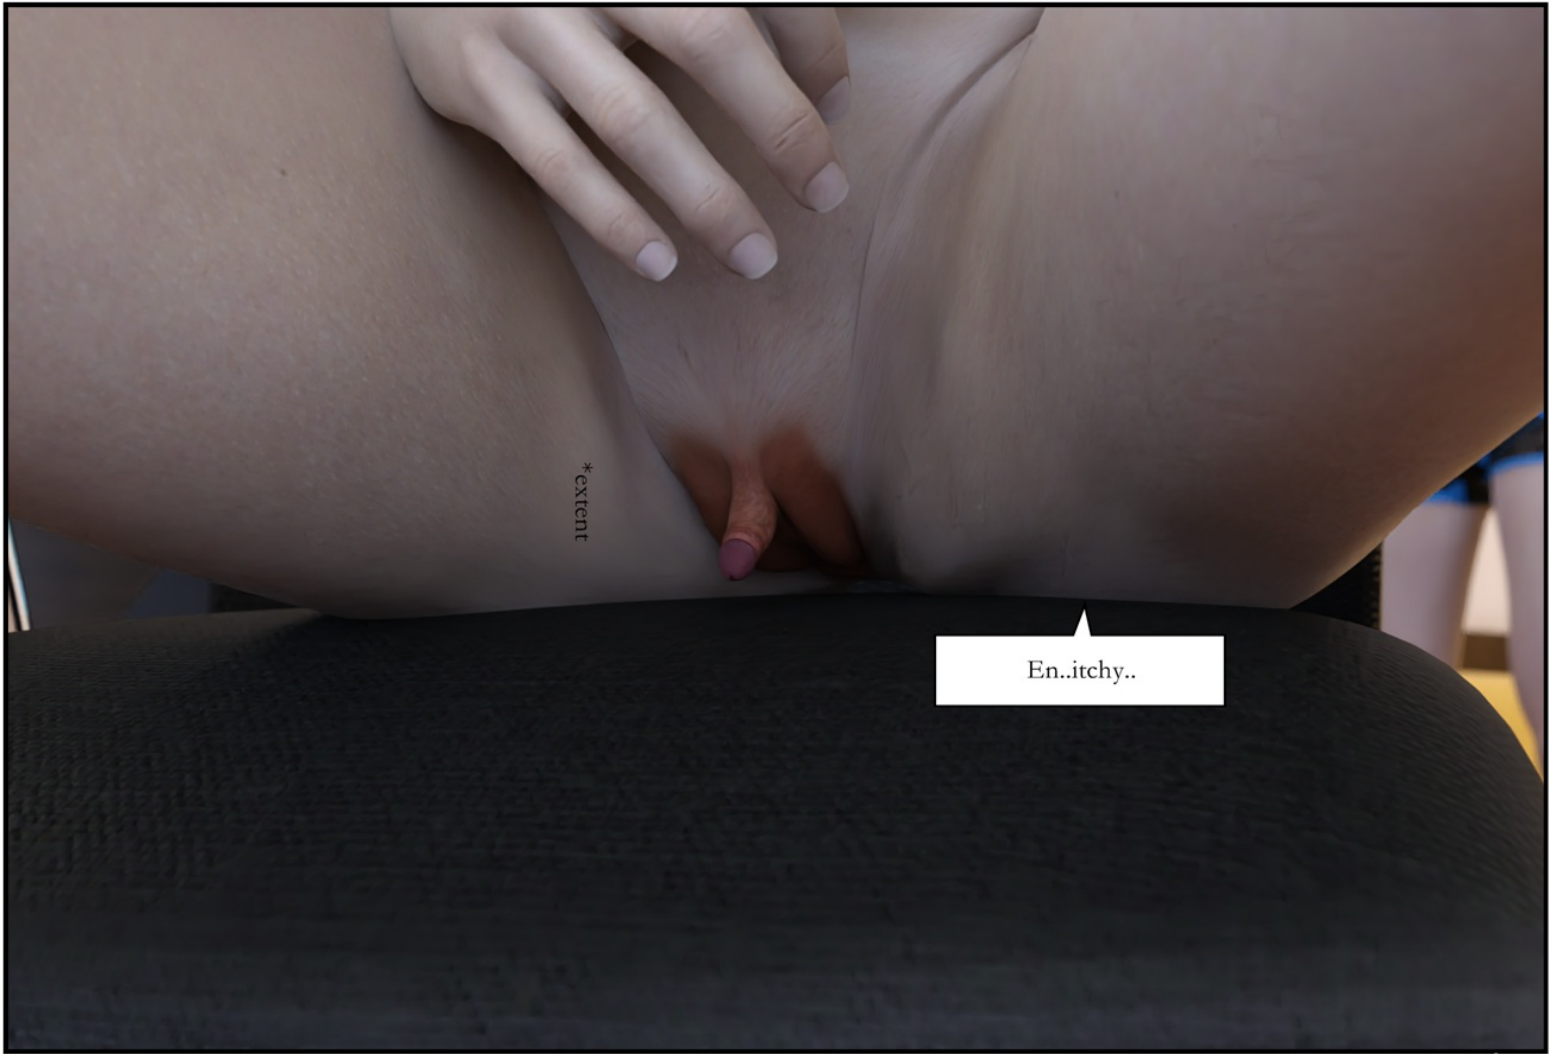

And you... What did you do?  
Ah... Down there, it hurts!

dunnD\*

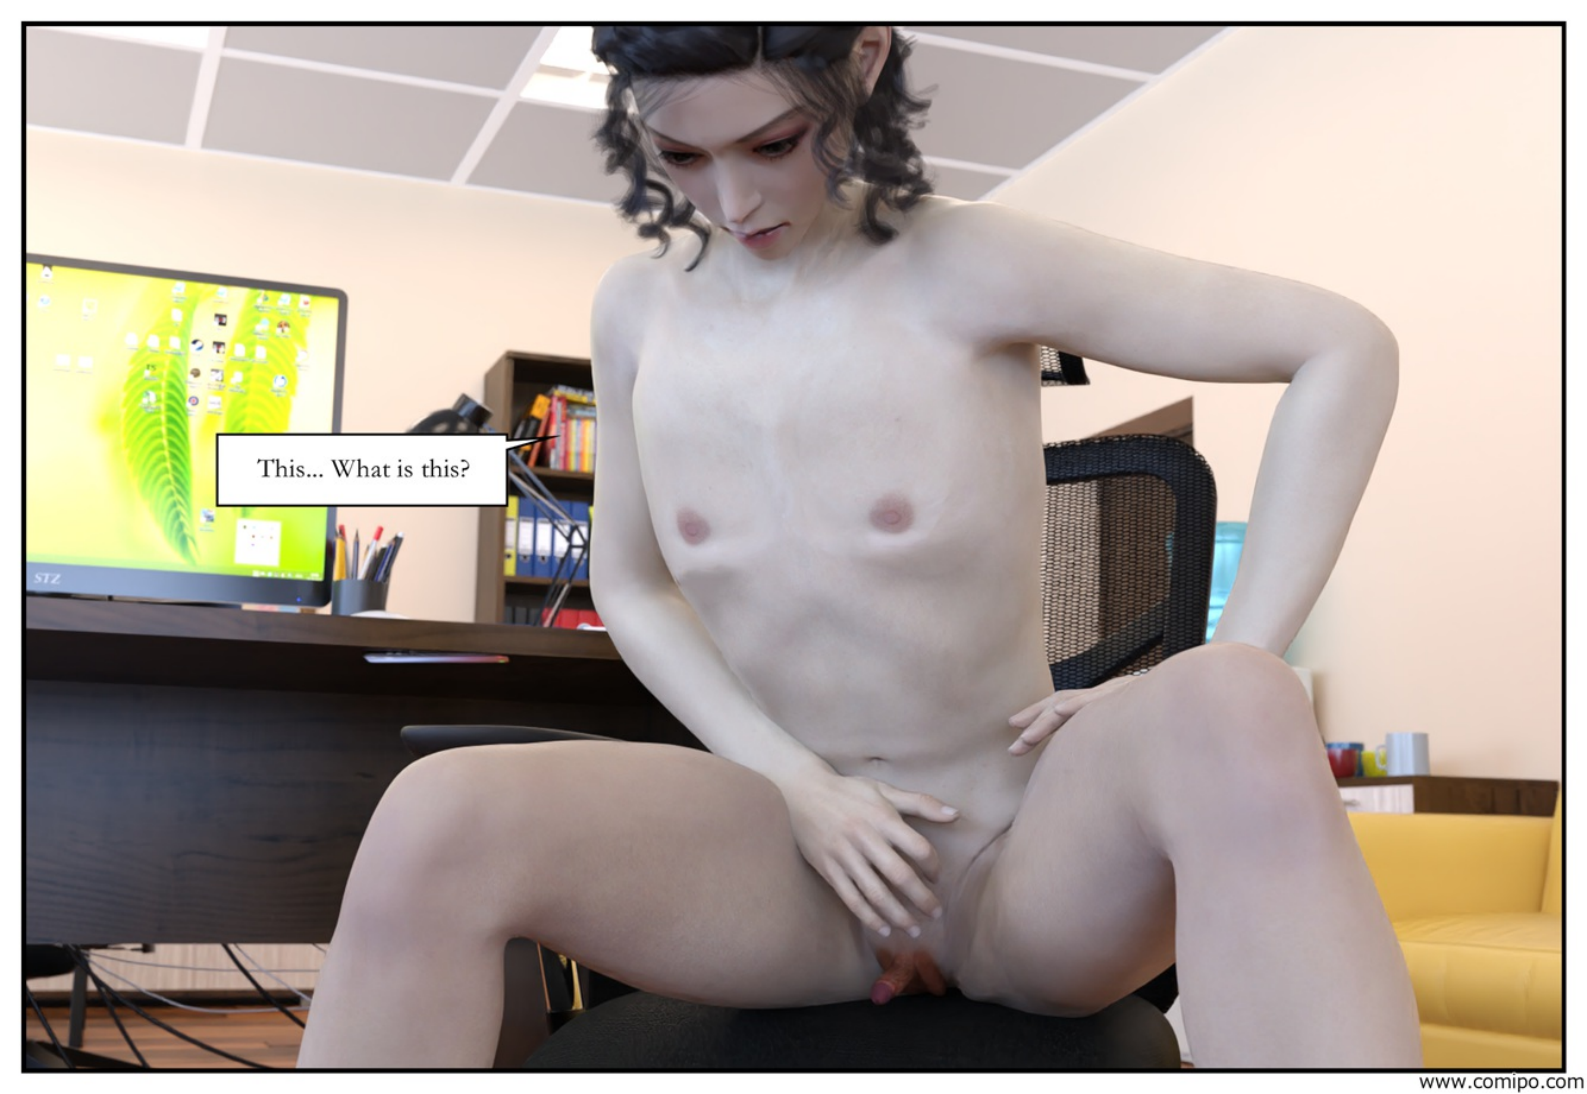

Well, it's up... So uncomfortable...

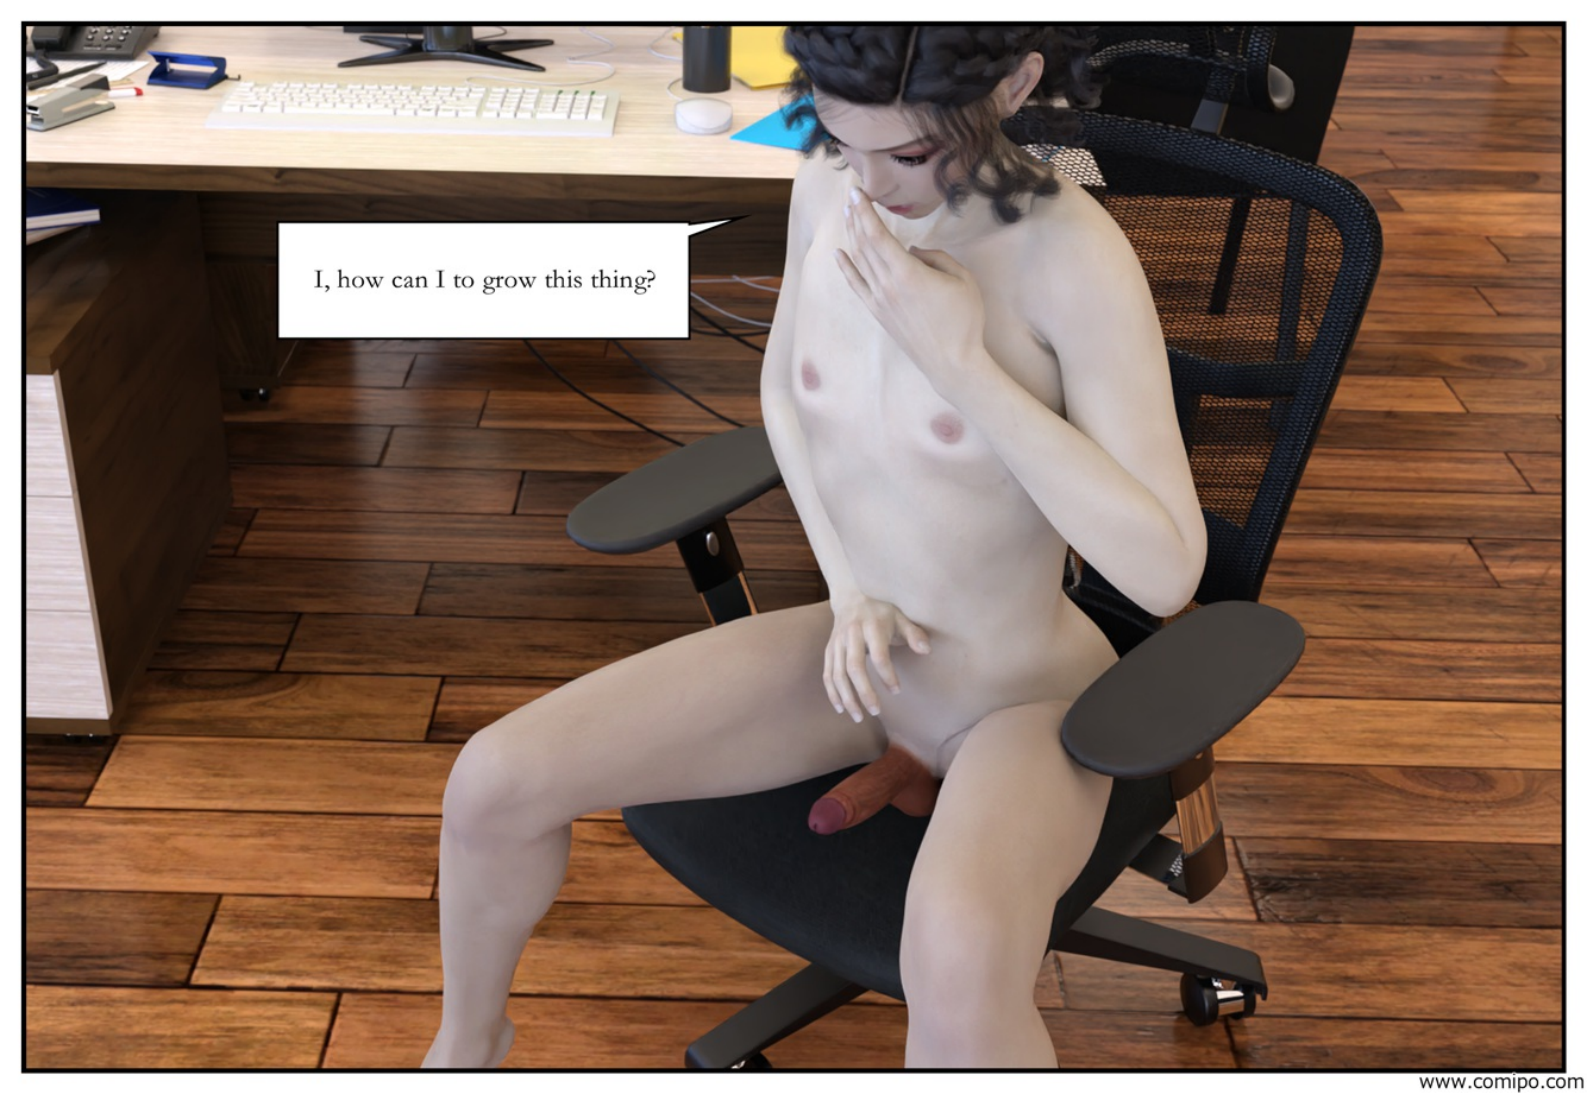

\*extent

En..itchy..

This... What is this?

I, how can I to grow this thing?

Not only that, Mr. Chen,  
today I can finally become a woman haha.

Mr. Chen, let me borrow your sexy  
s body for a while.

Well, it's nice that the shoulders and waist have narrowed.

\*shrink

Legs have also become thin and long.  
Feet also became smaller

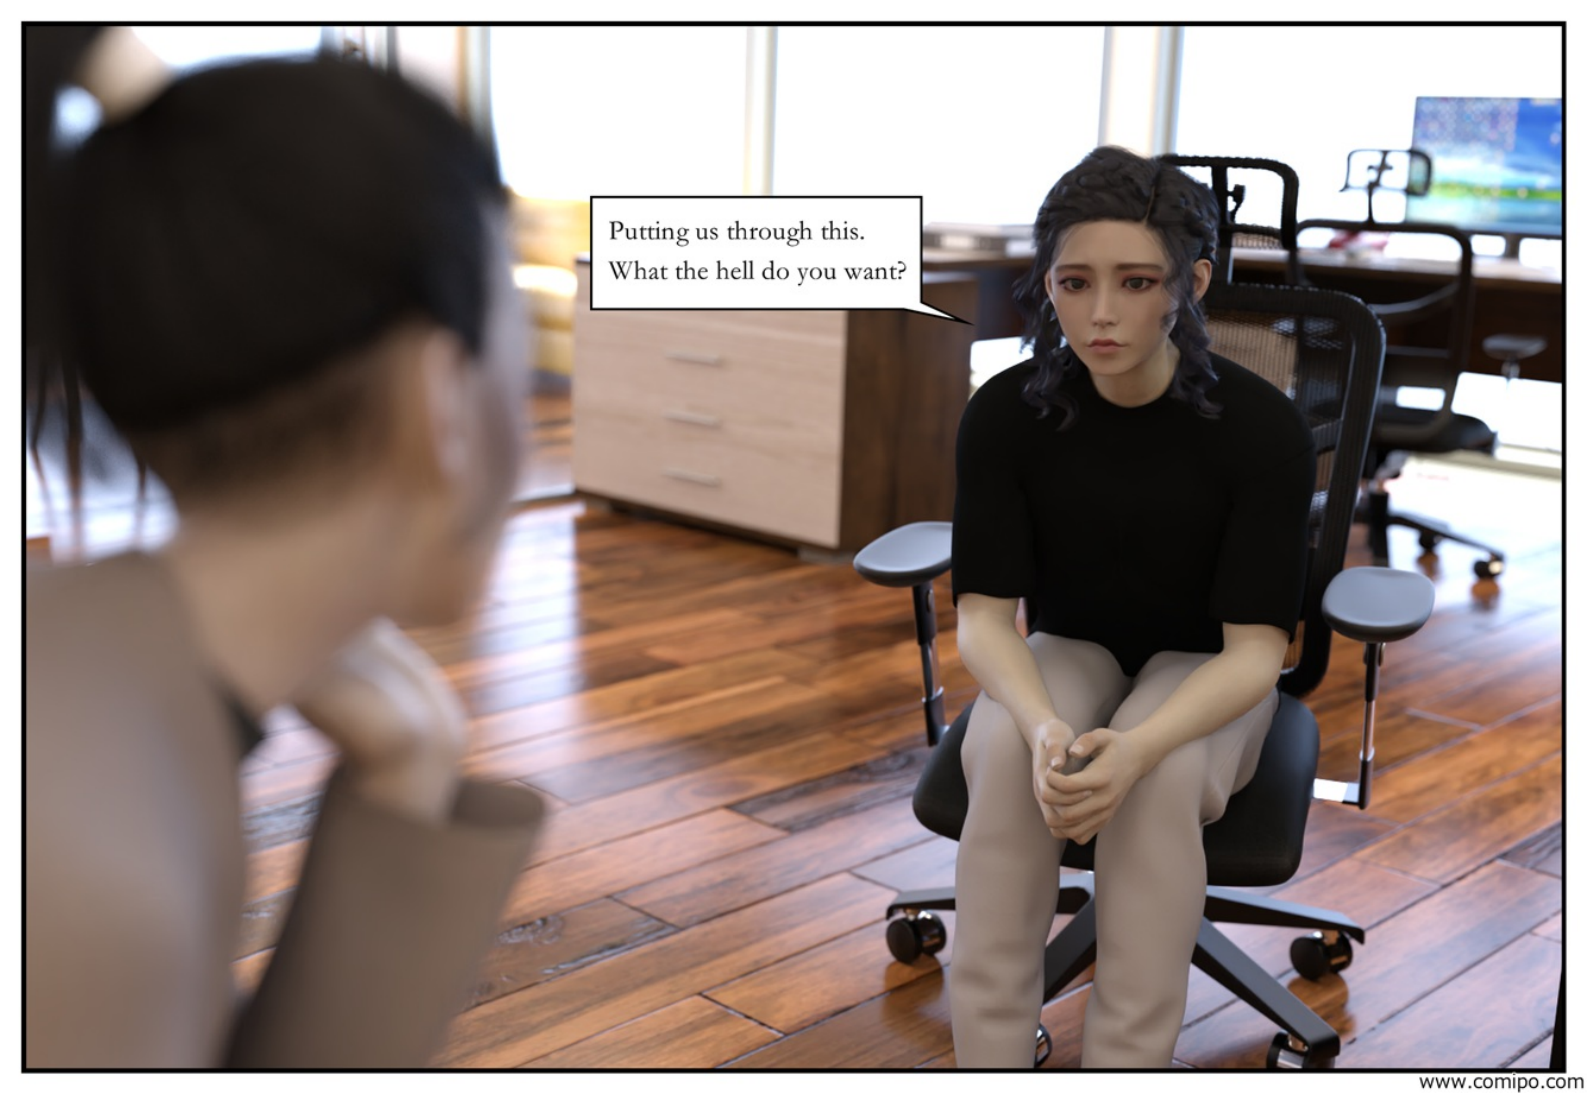

\*extend

AH, You...!

How about it, no matter how you look.  
I'm the teacher, right?  
But Mr. Lin, please put your  
Put your clothes back on, okay?

A woman with dark, wavy hair, wearing a black short-sleeved top and light-colored pants, sits in a black office chair. She has a frustrated or angry expression. Her hands are clasped in her lap. In the foreground, the back of a man's head and shoulders is visible, out of focus. The setting is an office with a wooden floor, a desk with a computer monitor, and a window in the background.

Putting us through this.  
What the hell do you want?

A 3D rendered scene showing a woman with dark hair pulled back, wearing a grey blazer and light grey leggings, sitting on a bright yellow sofa. She is looking towards the left, where the back of another person's head and shoulders is visible. A speech bubble points to her from the right. The background is a plain, light-colored wall, and the floor is made of dark wood.

Do not worry, wait for me to make up slowly.

Aren't you dying to know what I'm going to do tonight?  
Now you don't need to hear me explain it to you, just  
pretend to be me and go see for yourself.  
My beloved and responsible teacher Chen~

Addresses is here. You better do as he said.  
And pretend to be me.  
Oh, otherwise, I can't guarantee that you will  
be able to change back to yourself.

Although surprised by the changes in the body,  
it was a good opportunity for the teacher to  
become her own student to understand his daily routine.  
However, she still doubted what Lin Zixi was really there for.

A woman with dark, wavy hair is sitting in a grey office chair. She is wearing a black short-sleeved top and light-colored pants. She has a serious, questioning expression on her face. Her right hand is raised, palm facing forward, as if gesturing while speaking. Her left hand is holding a smartphone. The background is a blurred indoor setting with wooden floors and other chairs. A speech bubble points to her from the right side of the frame.

What the hell are you doing together?

Did not I write all the notes? Just a photographer.  
You go to do as he said, do not expose yourself  
When you're done, come straight back to your teacher's house.  
I am waiting for you~

A woman with dark hair styled in a bun, wearing a brown uniform, is shown from the side, looking into a bathroom. She has her hand near her face in a questioning gesture. The bathroom features a white sink and a textured wall. A speech bubble is positioned above her head.

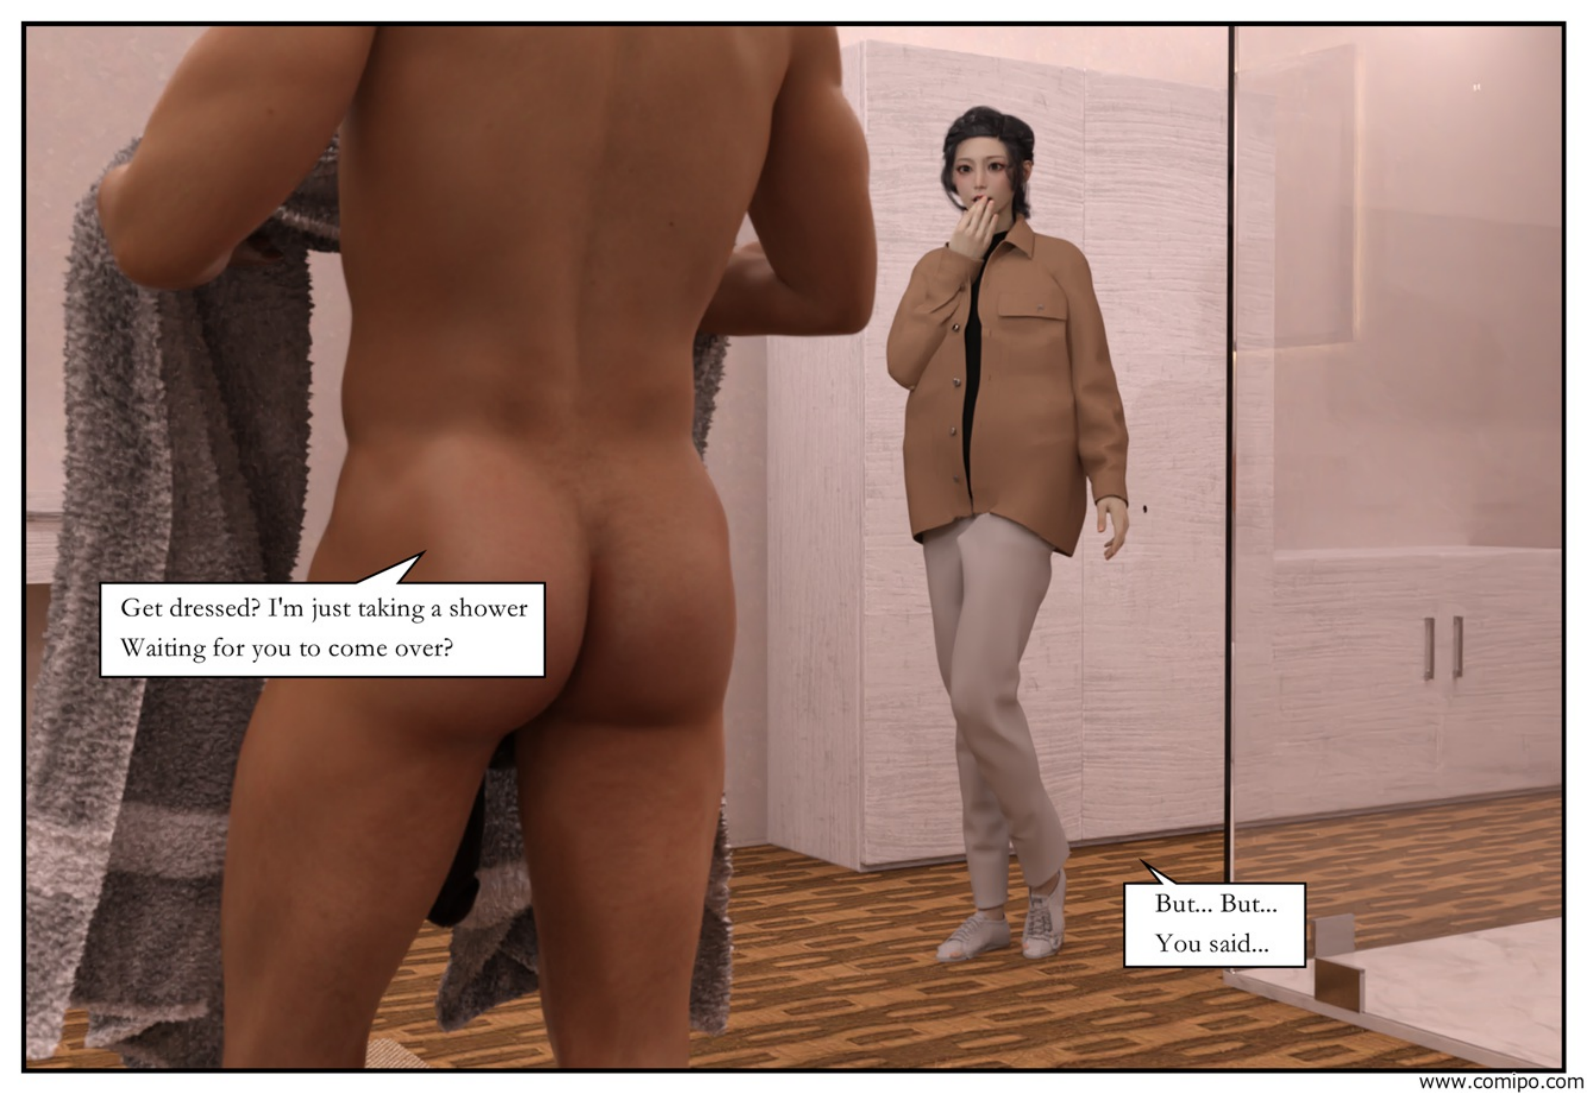

Eh? Is this the right room?

A woman with dark hair styled in a braid, wearing a tan trench coat over a black top, stands in a bathroom. She has a surprised expression, with her hand near her mouth. The background shows a shower area with a showerhead and controls.

You... How come you're not wearing any clothes?

Lin you are here.

Get dressed? I'm just taking a shower  
Waiting for you to come over?

But... But...  
You said...

Why are you stammering?  
You're embarrassed, aren't you?

It's not... I...  
I haven't changed my clothes yet...

Suddenly being walloped,  
Chen Xin was also caught off guard.  
She casually muddled through,  
hoping to buy some time to react.

However with a careful look this  
guy's face looks handsome,  
and have eight pack abs.  
Being touched by his hand,  
a strange sensation came  
from the lower body.

You... Don't get so close...

\*  
凸  
起

Hahaha, look at you scared.  
I'm not gay.

Today's costume is there.  
You go and put it on ~

This skirt... Is it too short.

Crap, it still has to be you.  
These legs, more sexy than most girls.

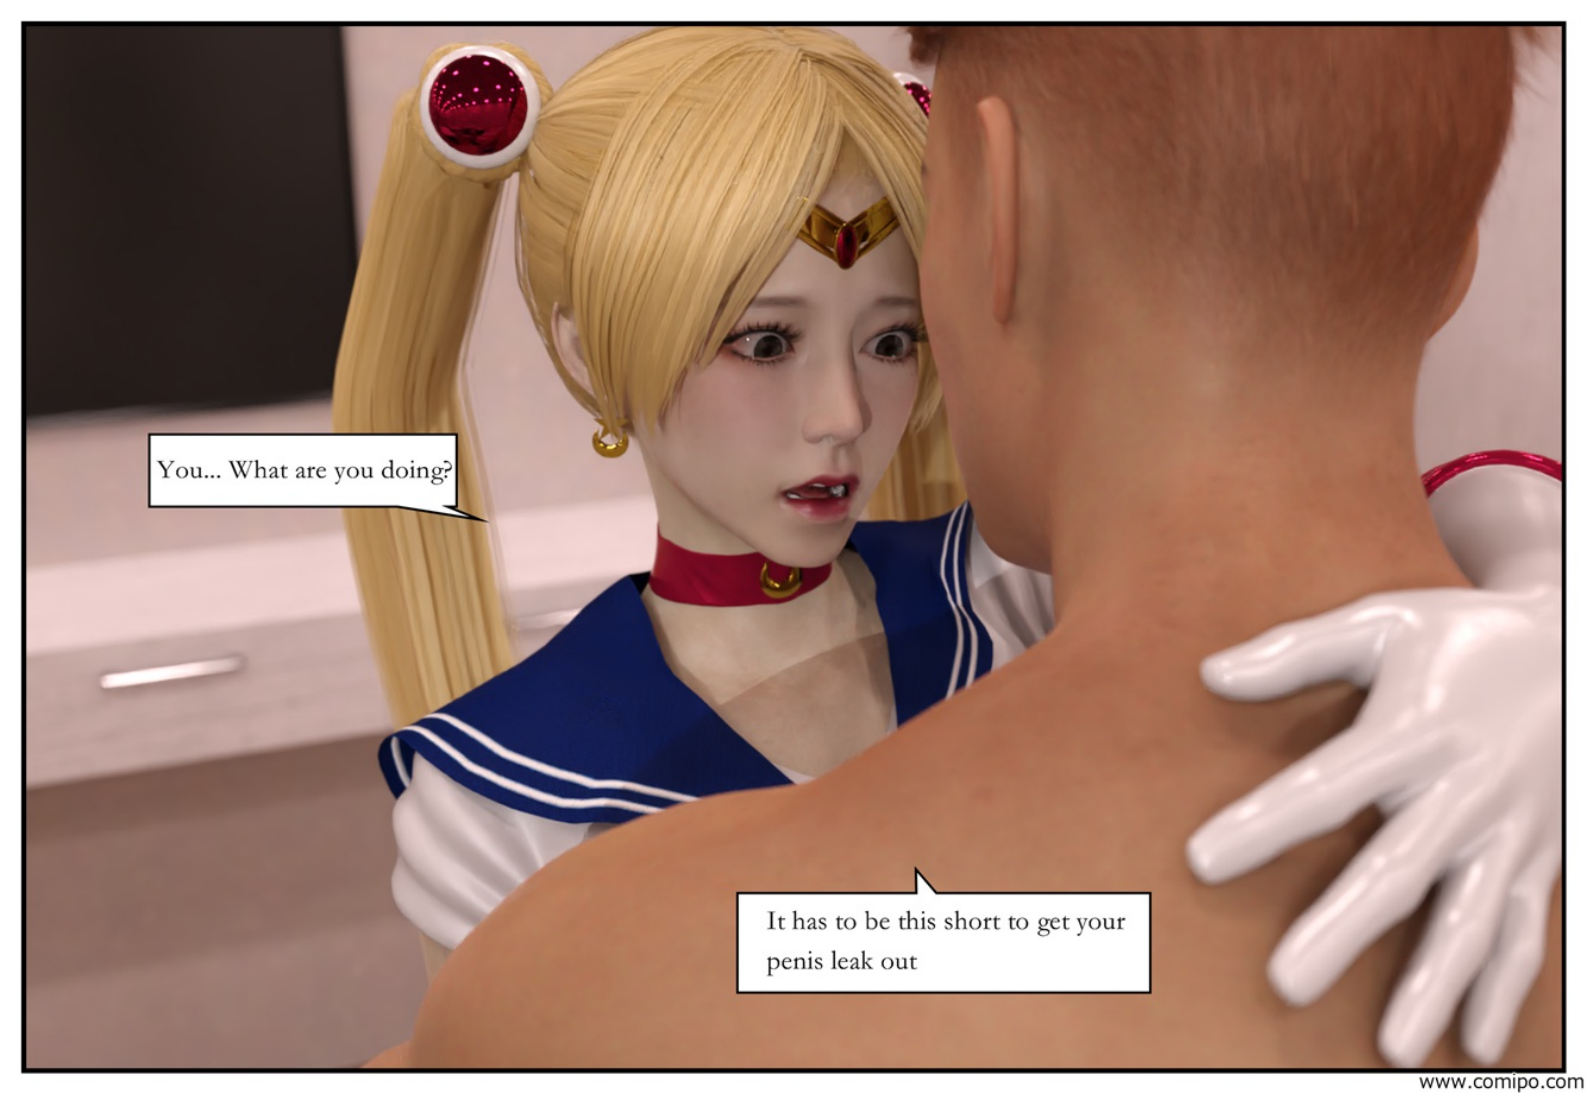

but...

Even Chen Xi is a girl,  
she hadn't wear cosplay costume like this.  
No need to say the skirt is too short..

The skirt is too short.

to cover her new dick.

You... What are you doing?

It has to be this short to get your  
penis leak out

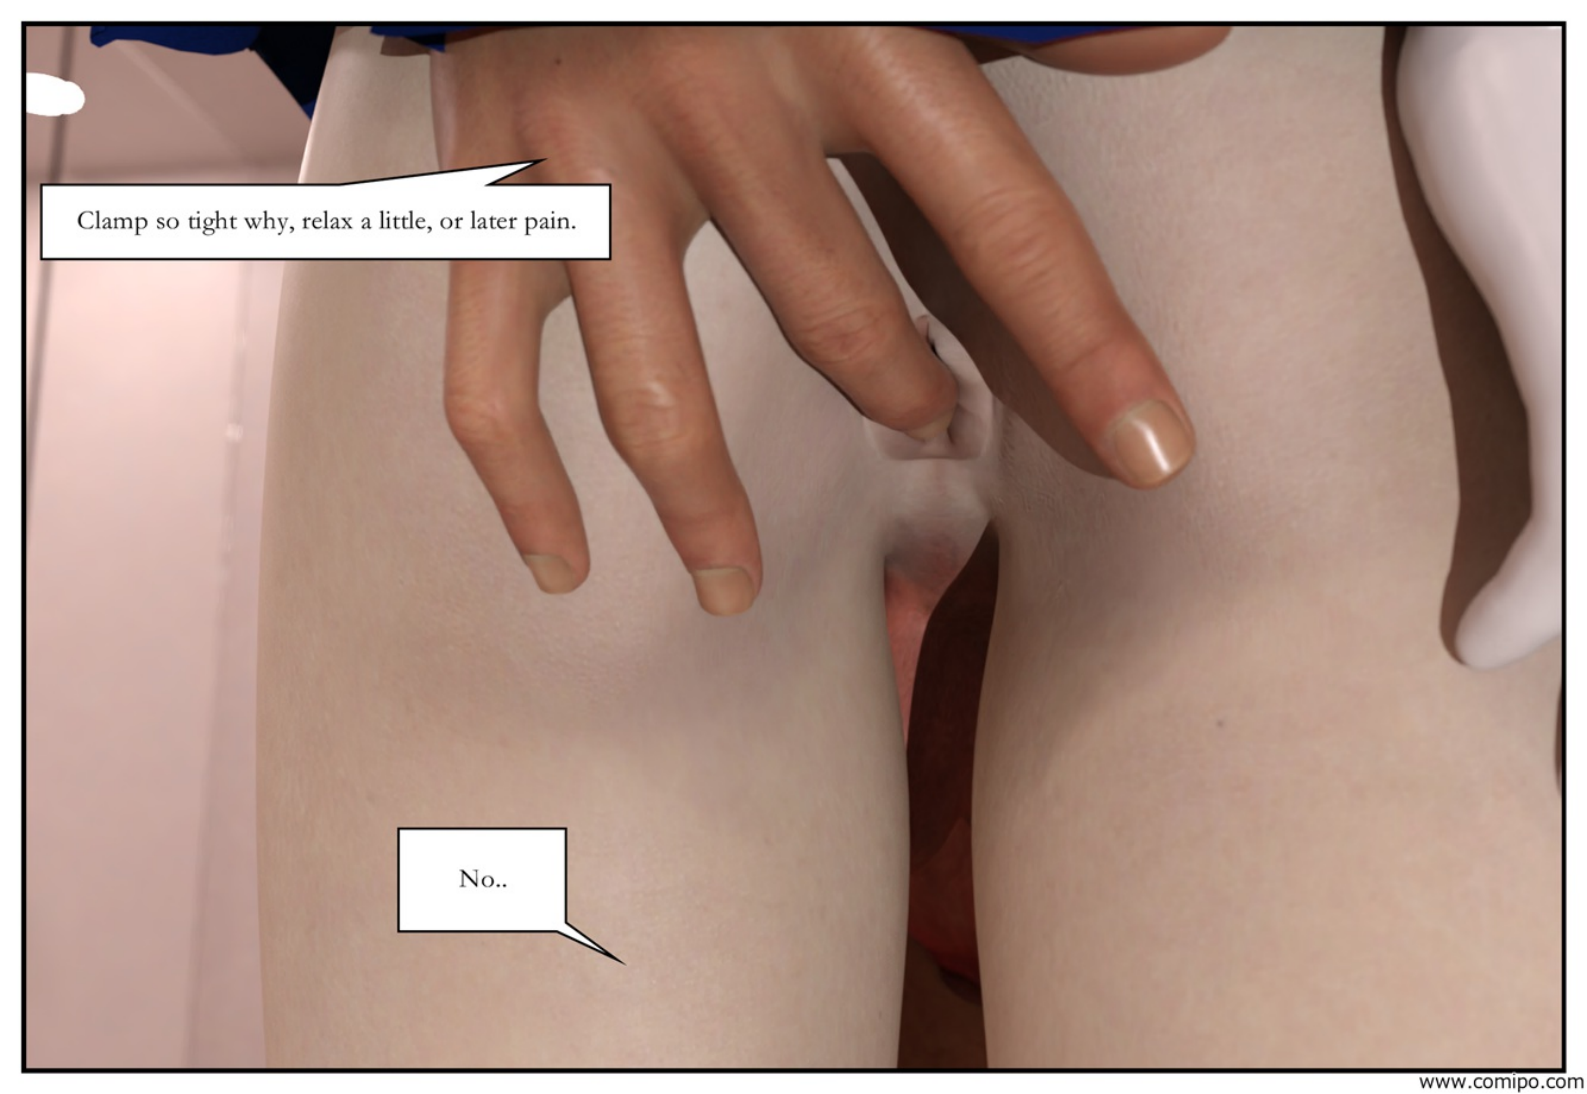

Don't...  
That... Don't touch that thing...

A mannequin is shown from the waist down, wearing a blue ruffled skirt with a red waistband and a white top. A white, glossy hand is placed on the mannequin's right buttock. The background is a bedroom with a bed, a lamp, and a chair.

Oh? Not touching there.  
So you want it back there?

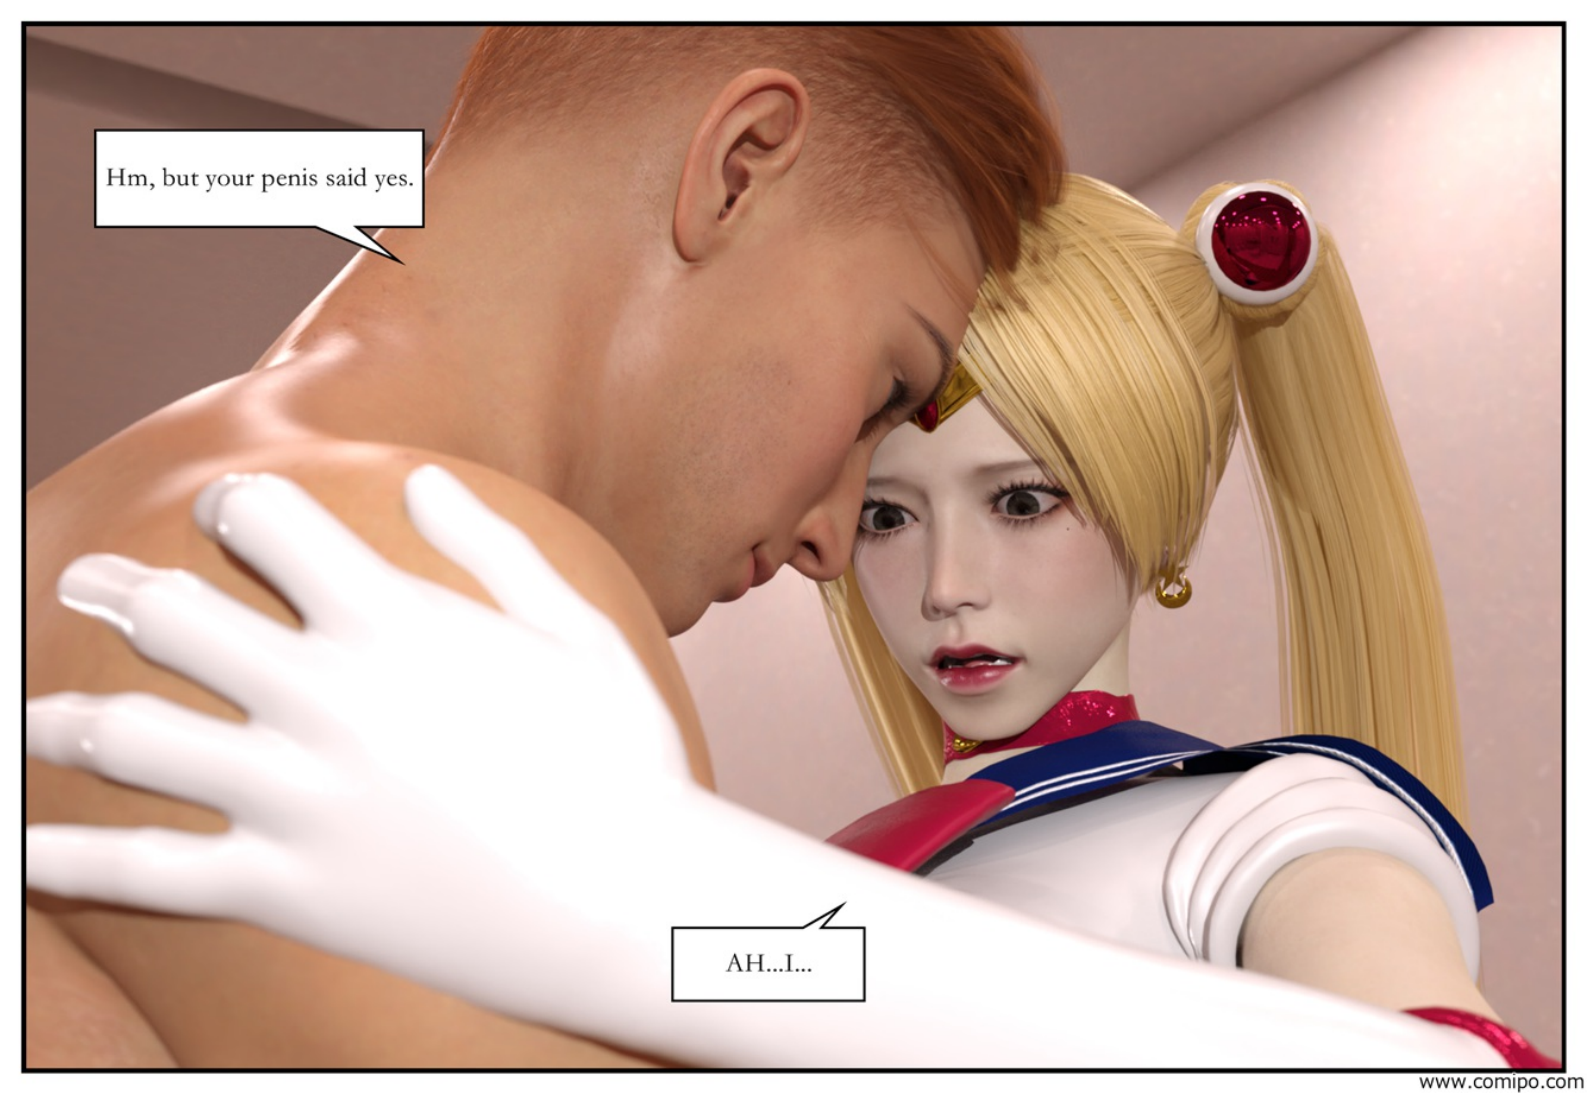

As expected, Chen Xin guessed correctly, Lin Zixi, this child, is doing something unseemly outside. But at this time, she didn't have the courage to stop the person in front of her. She did not want to become her own student for the rest of her life. Even seeing that the man's finger was about to be inserted into her ass, Chen Xin did not want to say to stop... No one like this had ever played her like this.

Clamp so tight why, relax a little, or later pain.

No..

Hm, but your penis said yes.

AH...I...

Although Chen Xin's body is now a boy,  
but after all, she is still a girl of less than thirty years old.  
A handsome man in front of her teased herself like this,  
how could her body not react.  
However, this is the first time she feel erection.

Lets go to bed.

You behave like a real girl today.

Here, move your legs out of the way.

Well... It's...

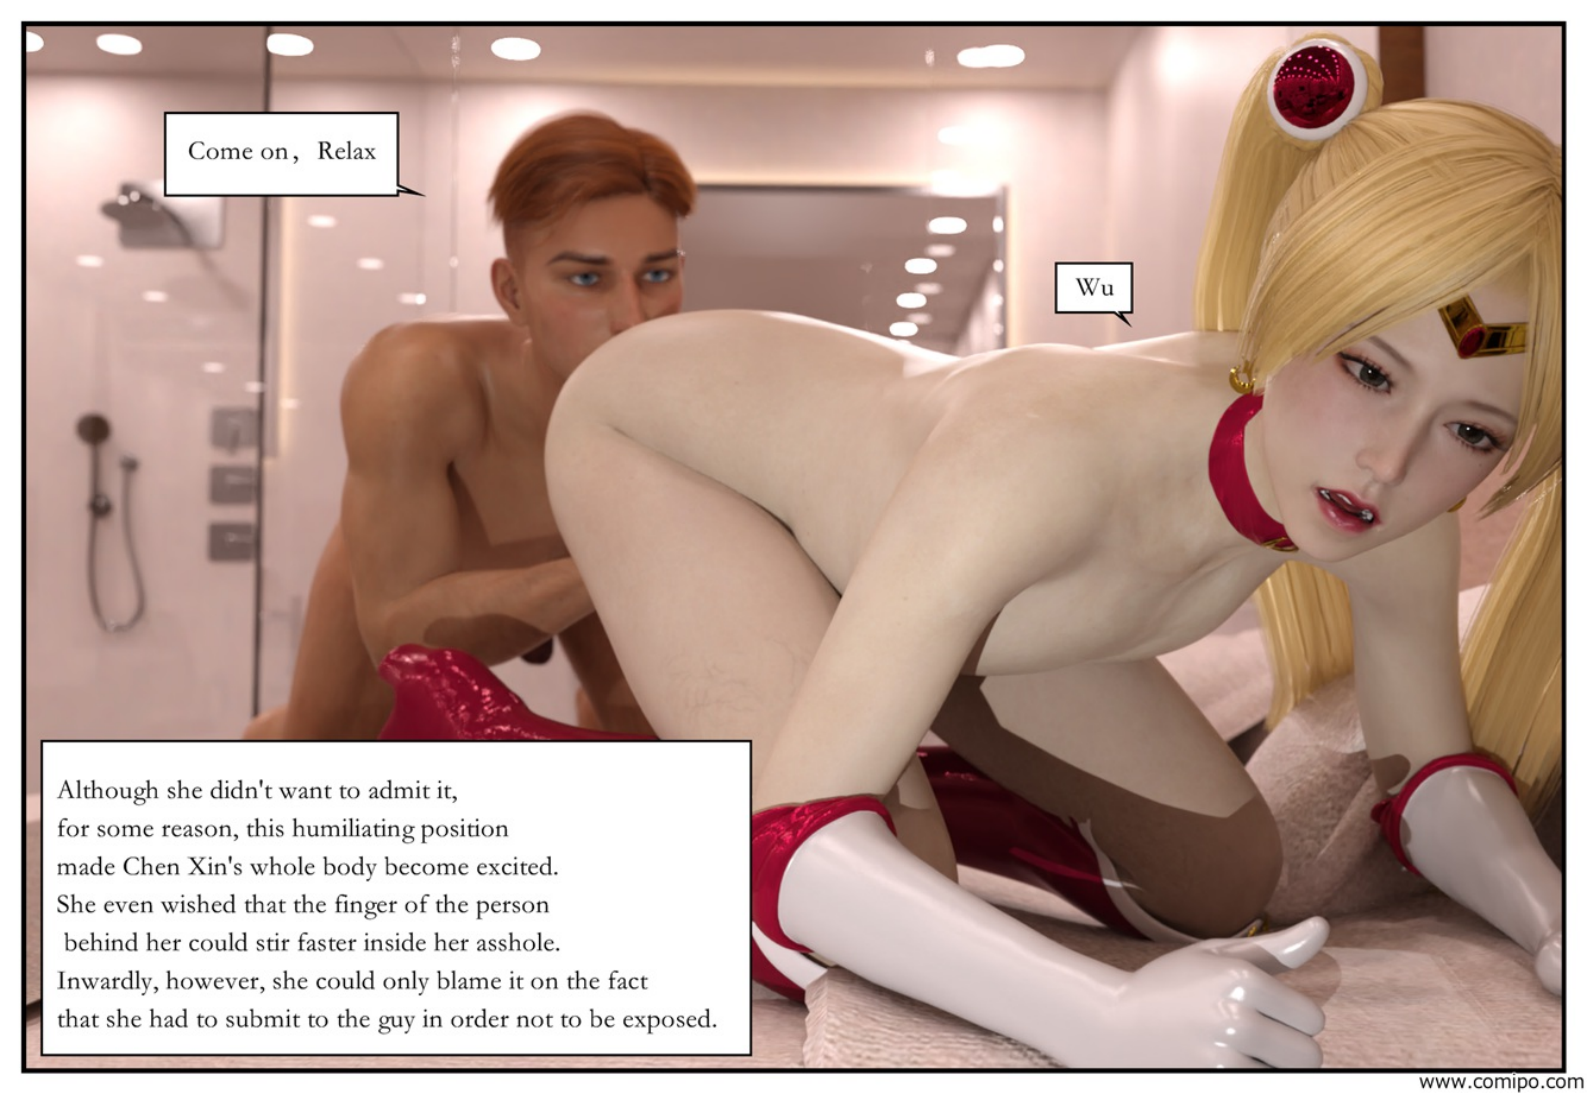

Ah!

For the first time to see a boy's dick at this angle Chen Xin was shocked. The shaking dick on her lower body stimulate her visually and physically.

\*eject

Look how hard it is.  
Ah.  
Come on, lie down properly.

Come on, Relax

Wu

Although she didn't want to admit it, for some reason, this humiliating position made Chen Xin's whole body become excited. She even wished that the finger of the person behind her could stir faster inside her asshole. Inwardly, however, she could only blame it on the fact that she had to submit to the guy in order not to be exposed.

Gently, it hurts.

Don't... Don't hold...  
Cock...like this

Not only was her cock being held, but her asshole  
A sudden wet sensation came from it as well.

Just a little lubrication

Ah? you..

Haa, going in!

The mouth did not say, but the constantly throbbing cock  
The prostate fluid has slowly oozed out.  
This means that her body has begun to anticipate it immensely.

嗯...

Slow down... It's too thick.

I really like this lustful expression.

My ..lustful expression.

Yeah, look in the mirror yourself.  
You're really the most horny  
crossdresser I've ever seen.

The words "slutty" and "crossdresser" had nothing to do with Chen Xin. But she looked at herself in the mirror now, although her face is cute, but the erect dick and flat chest, plus the pleasure from her own ass, are indeed telling her again, she is now just a slutty crossdresser. She had only come here for the purpose of protecting and understanding her student. Never expected to be in such an awkward situation. She can only silently imply to herself that what she is doing now is helping her student.

But... I am now Lin Zixi...

?

A close-up photograph showing a hand holding a pink and orange vibrator against the inner thigh of a person wearing white stockings and a red garter. The background is a blurred wooden floor.

Come on, I'll jerk you off.  
Look at it like you're jerking yourself off.  
Like that.

Ahhhhhhh, don't make it so fast.  
Feel to pee

I can't! I'm going to cum.

\*jerkng

Ah ah, pissed out ~

Ah!

Ah~

Why do you shoot so much today?

Chen Xin, who just cummed, could not listen to any words. Looking at her wretched appearance, anger replaced the earlier pleasure. She just wanted to go home immediately to question Lin Zixi.

A woman with dark hair styled in a bun, wearing a brown blazer and light grey trousers, is walking from left to right. She is in a modern interior with a grey, textured wall. A speech bubble points to her, containing the text "Lin Zixi!!! Give an explanation!". In the background, there is a dark grey table with a white lamp and a dark grey chair.

Lin Zixi!!!  
Give an explanation!

Do you still know that you are a student?  
What kind of people do you see every day?  
You don't know how to value yourself.  
You're a boy! What are you doing every day?

Wait a minute... What are you wearing?

I thought Ms. Chen you only had those conservative clothes.

A 3D-rendered woman with short, light brown hair styled in a bob with bangs. She has large, expressive blue eyes, pink eyeshadow, and red lipstick. She is wearing a black choker, a black long-sleeved top with a deep V-neckline, and a black lace-up bra. Her right hand is raised to her chin in a thoughtful pose. The background is a blurred, light-colored wall. A speech bubble is positioned to the left of her head.

Do you like the new haircut I did for you?

Don't tell me that!  
Hurry up and change us back!  
I have to report this to your parents.

Don't talk tough, teacher,  
just had a great anual sex, right?

Changing back without feeling  
the girl's pussy. Isn't it a loss?  
Oops, your cock got hard as soon  
as I got close.

Don't touch... That's weird.

How about it? How about a further experience of being boys?

But..
