

## *Satin & Silk*

Through *Satin & Silk* you will come to understand the finer things in life. No matter who you are, you could always be dressing and looking your best, and this file aims to make sure you succeed in your goals.

Learn to love clothing and underwear made with expensive fabrics and become aware that cheap cotton and polyester material is itchy and gross and uncomfortable. Understand that you need to have silk during every sexual encounter and love to be tied down and fuck your lovers covered in it. Remember that shaving your body allows the erotic, sensual, material to come even closer to your skin, and that the silk underwear constantly rubbing against your skin during the day only helps to make you more horny. You know that furniture and clothing and bedding simply don't seem right unless they are made with silk or satin and you will devote your life to surrounding yourself with as much of your favorite material as possible.

Become obsessed with the finer things in life and learn to enjoy them each and every day. Everyone will be amazed at the new, better dressed, you, and you will be amazed at the constant erotic improvements you are making within yourself. Through the power of *Satin & Silk* you can learn to enhance your own erotic desires and experience the deep sensual pleasures that make life worth living.
