A person with dark hair, seen from behind, is looking at a large monitor. The monitor displays a dark, atmospheric scene with a bright, glowing light source in the center, possibly a fire or a light reflecting off water. The scene is framed by a dark, possibly metallic, border. The person is wearing a dark jacket over a light-colored shirt. The background is a dimly lit room with a window showing a bright blue light.

Hm? The movie
stop? What is
this scene?

Wha..!? This
isn't 3D movie!?

A character with long dark hair, wearing a dark hooded cloak, is shown from the chest up. They are wearing a necklace with a circular pendant featuring a Star of David. The background is dark with several horizontal red streaks. A white speech bubble is positioned to the left of the character's face.

A close-up, cinematic shot of a woman's face and upper torso. She has dark hair and is wearing a bright green, sleeveless top. Her skin is pale and appears to have glowing blue, vein-like patterns or scars across her face and neck. She is wearing a green tassel earring. The background is dark and indistinct.

A scene from a 3D-rendered environment. A woman with dark hair is lying on her back on a wooden floor, positioned within a large, glowing blue magical circle. The circle is intricately drawn with various symbols, including a pentagram and other geometric shapes. Four lit candles are placed around the woman, one near her head and three near her feet. In the background, another woman with long white hair, dressed in a black gothic-style outfit, stands and reads a large, ornate book. The room has a modern, slightly futuristic aesthetic with white walls and a wooden floor. A speech bubble originates from the woman reading the book.

Man's semen from inside and outside of Emi.. a proof of possession.
